NUMBER 50

Reburial With Military Honors Planned for Soldier Killed In Korea

Word was received this week that the body of Pvt. Billy Jack Lusk, who died of battle wounds in Korea May 28, 1951, has been returned to the United States and will arrive in Knox City soon for reburial.

Billy Jack was the son of Mrs. Buster Hodges of O'Brien. He attended the O'Brien school, and volunteered for service in December of 1948. He received training at Ft. Benning, Ga., as a paratrooper, and left for overseas duty in August of 1950.

Survivors are the mother and step-father; one sister, Jo Anne Hodges; and three brothers, Jerry, Taylor and Ronnie Hodges.

Curtis Coates, post commander of the local American Legion, has announced that the post will participate in a military funeral. Tentative plans have been made, and final plans will be announced as soon as it is learned when the body will arrive.

New Safety Lane Opened in Knox City

H. G. Benedict of Benedict Motors announces that the new safety lane in the repair shop of the motor company is now in operation and ready to check all motor vehicles. The new law, which is now in effect, will be enforced starting around Dec. 1. At this time each vehicle will have to have a windshield sticker from a Safety Lane before the vehicle can be registered for 1952.

Mr. Benedict stated that many people are already having their vehicles checked and repaired, getting ready for the official inspection. Most of the cars repaired now should pass the rigid inspection laws when the time comes, he added.

The new motor vehicle inspection law covers brakes, lights, horns, windshield wipers, mufflers and steering gear. Each of these must be in good condition and operate efficiently. Mr. Benedict says that on most of the cars already checked, the lights seem to be giving the most trouble meeting correct specifications, in that they are out of focus, being too high or too low. No more than 40 per cent of the cars that have been tested would stand the official inspection.

This law has been written and passed by the State Legislature for the safety of the motoring public. Thirteen per cent of the traffic deaths in Texas are caused by mechanical failures of the vehicles involved in traffic accidents. In one state that has had this law for some time, the death rate from mechanical failures has dropped to two and one half per cent.

It is hoped that all motorists will make every effort possible to abide by this law and cooperate with traffic officials in helping to enforce it.

BAPTIST CHURCH TO DISMISS FOR COMMUNITY SERVICE

Rev. Emil V. Becker, pastor of the local First Baptist Church, announced Wednesday there would be no preaching service at the church Sunday morning, November 11.

"Realizing the supreme sacrifice many of the boys from our community have made to defend our freedom of worship," the pastor said, "we will not have preaching service in the church building at the 11 o'clock hour Sunday, but will join other churches in Knox City in the Joint Memorial Services in the school auditorium. All our members are urged to attend the community service."

Rev. Becker further announced that "our Sunday School will be conducted at 10 a. m. as usual and you are urged to attend. You will have plenty of time to get to the Memorial Service after Sunday School."

COTTON GINNING REPORT

Cotton ginned to date by local gins was reported this morning as follows:

Brazos Valley Gin	785
Cotton Growers Co-op	679
Paymaster Gin	685
O'Brien Co-op	6,995

Farm Bureau County Convention Set for November 13

It was announced today by Ancel Waldrip, president of the Knox County Farm Bureau, that the annual county convention of the bureau will be held on Tuesday, November 13, in the district courtroom of the courthouse at Benjamin.

All members are urged to attend the meeting, which will consist of selection of delegates to attend the state convention and election of directors for five of the nine communities in the county. Officers will also be elected for the coming year.

Waldrip will also report on the many activities of the farm bureau for the past year, and plans for the coming year. Included in the report will be recommendations of the resolutions committee.

GREYHOUNDS TO PLAY FINAL DISTRICT GAME FRIDAY NITE

The Knox City Greyhounds swamped the O'Brien Bulldogs, who were weakened by the loss of players, 57-0 last Friday night to cinch the district championship.

The 'Hounds final district game of the year will be with Benjamin, tomorrow (Friday) night on the local field.

In the O'Brien-Knox City tilt, the Greyhound reserves played the entire last half on offense. Scores were made by Jerry Wilson, 3; Gary White, 1; Wallace May, 2; Jimmy Leach, 2; and Leonard Burt, 1. The 'Hounds passed for three extra points.

The game with Benjamin tomorrow night will be highlighted at half-time by impressive ceremonies in which Miss Jean Carol McAuley will be crowned Football Queen of 1951. Jean, a senior, is the daughter of Mr. and Mrs. Frank McAuley. She was elected queen by members of the Greyhound squad, and will be escorted by the co-captains, Jerry Wilson and John Jones.

The queen will be attended by a representative from each class in high school. Representing the Juniors will be Jo Denton, who will be escorted by John Ed Smith. From the Sophomore class will be Dorothy Jean Pack, and representing the Freshmen will be Genie Guinn, escorted by Leon Nolan.

Week end guests in the home of Mr. and Mrs. L. N. Bridges were their daughter, Mrs. E. L. Cubine, and family of McLain.

HAD TO GET UP EARLY ANYWAY?

Lions Club President C. H. Keck thought it was some kind of a record when the regular directors meeting of the club was held this morning with 100 per cent attendance.

And looking over the names of the directors, we agree!

The meeting was a breakfast at the City Cafe at 7:00 this morning. Those present were Keck, Rev. Emil V. Becker, C. E. Williams, Jeff Graham, Rev. Floyd Bailey, Dan Steakley, J. G. Hawkins, Joe Averitt, John May, Roy Baker, Allen Lowrey and Alton Leach.

Bi-District Game to Be Played at Patton Springs

The Knox City Greyhounds, with their easy win over the O'Brien Bulldogs last Friday night, cinched the district championship even though they have another conference game—with Benjamin tomorrow (Friday) night.

In the bi-district game the Greyhounds will face Patton Springs, a strong team that has built an imposing record the past several years. The game will be played Thursday night, Nov. 15, at Patton Springs, which is near Dickens, about 85 miles from Knox City.

Game time will be 7:30 p. m. The Greyhounds, coached by David Slaughter and Henry L. White, have had easy going during most of their games this season, with the reserves seeing plenty of action. Their record so far is as follows:

Cotton Price Up Following Estimate

The cotton market took a big jump this morning when the U. S. Department of Agriculture released its November estimate of the 1951 cotton crop as 15,777,100 bales, 1,220,000 bales under the October estimate of 16,997,100.

In the New York Stock Exchange, trading was suspended 15 minutes to hear the report, and in the next 15 minutes after trading was resumed, cotton advanced \$10.00 a bale.

FORMER RESIDENT KILLED IN KOREA

Friends in Knox City learned this week that Dannie Ray Keith, son of Mr. and Mrs. Felix Keith, was killed in Korea on October 23.

Mr. and Mrs. Keith now live in San Diego, Calif., but are former residents of Knox City, where he operated a service station. Mrs. Keith is the former Ila Edwards of Rule.

Details of the death were not learned here.

The family's address in San Diego is 6939 Fulton St.

LEGION AUXILIARY PLANS ANNUAL "GIFT SHOP"

The American Legion Auxiliary met Tuesday night, Nov. 6, at the Legion hall for a program and business meeting.

Mrs. J. T. May and Mrs. C. J. Reese were in charge of the program. Special music was given by Mrs. Reese and Mrs. Bobby Bradberry, and Mrs. Abe Watson gave an interesting talk on "Americanism."

Members of the Auxiliary reminded the public that it is time again for the annual "Gift Shop" which is sponsored each year by the Auxiliaries in Texas. The Gift Shop will be held at the Legion hall Saturday, November 17, from 2 to 5 p. m.

Believing that many people do not fully understand the purpose of the Gift Shop program, Mrs. Guy Robinson, chairman, explained that the gifts are for hospitalized veterans at McKinney Veterans Hospital to give to their families at Christmas time. "Many of the veterans are unable to buy gifts for their loved ones—unable both physically and financially," she said.

The gifts may be for any member of a family—gifts for children, for babies, for mothers, or for fathers. Members of the Auxiliary asked that the gifts be brought to the Legion hall unwrapped, because when they are sent to the hospital they will be displayed so that each veteran may select gifts suitable for members of his family.

Mrs. Robinson said the Gift Shop in Knox City last year was not as successful as expected. About \$50 in merchandise was sent to the hospital, and it is hoped the amount can be tripled this year.

"Talk, think, and do something for these boys, who are worthy of all we can give them," Mrs. Robinson concluded. "Both the veteran and his family will be happy to know they were remembered."

Joint Memorial Service To Be Held Sunday In School Auditorium

Oil Notes--

(Note: Some of the reports in this column are as of the Monday preceding publication, while others are unofficial reports obtained locally on Wednesday or Thursday.)

The Stanolind Oil & Gas Co. No. 1 Myrtle White, a mile east of town, is below 5,700 feet, with no shows reported. Operators are looking for the conglomerate.

Two drillstem tests were run in the Upper Strawn sand Tuesday on the Horace Coon, Jr., No. 1 C. C. Hutchinson. The first test had recovered 300 feet of oil cut mud, when the packer failed. The well was then drilled 6 feet deeper and a second test run. Only salt water was recovered, with no show of oil. Operators were reported to be drilling ahead.

Lancaster and Gogle have moved their rig on the Frances Snelson west 80, and will drill a test for Signal Oil & Gas Co., 330 feet out of the southeast corner of the tract.

Lewis Drilling Co. has dug pits and water wells on the Messer 45 acres, 1 1/2 miles north of Knox City, and will drill Stanolind's No. 1 Messer.

Location has been leveled and road built for Stanolind's No. 1 W. S. Davis, in Survey 81. This location is approximately four miles north of the North Knox City Field. Stanolind is moving in a new contractor for this wildcat test.

Stanolind has also staked the No. 1-A Mary Hackfield, a 4700 foot test two miles northeast of Knox City. Location is 467 feet from the north and 2,850 feet from the west lines of Section 91, Block 2, D&W subdivision.

In the Katz Field, 13 miles west of Knox City, the Skelly Oil Co. No. 6 Roy Day has been gauged at 1524 barrels of 39.2 gravity oil in four hours on a 1-2 inch choke. Production was from 64 perforations at 4,930-50 feet. Gas-oil ratio was 310-1.

The company's Roy Day No. 7 has also been gauged, producing 153.12 barrels of 39.4 gravity oil in 4 hours through 1-2 inch choke. Total depth of the well was 5118, and operators perforated at 4798-4809 and 4859-65 feet.

The Katz No. 6 Lorentzen was completed in the second Strawn sand, at 4841-61 feet. Total depth was 5139. The pay zone was shot with 160 jet shots, and operators are waiting on swabbing machine.

Katz No. 2 W. D. Lewis flowed 12 1/3 barrels of oil per hour on a two-hour test, from the lower sand at 5053-90 feet. Official potential test has not been made.

The T. P. Coal & Oil Co. No. B-6 McGregor is drilling below 1600 feet.

Three Brothers Oil Co. No. 1 S. F. Turner, 15 miles west of O'Brien, was drilling below 4,930 feet early this week, with no shows reported. Contract depth is 5,500 feet.

Operator has amended location for the Deep Rock Oil Corp. No. 1 Brookreson, offset 16 miles west of O'Brien in the Kiowa Peak Field. Slated for 5,150 feet with rotary, the new location is 660 feet from north and 783 feet from east lines of F. T. Oliver survey, A-1738.

In the same field, Deep Rock has plugged the No. 2 Joseph Greve, at 5,241 feet.

New locations in Haskell county include the E. L. Wilson No. 1 Floyd Hester, 467 feet from north and east lines of west half of section 48, Red River County School Land, No. 75, eight miles northeast of Rochester.

Also in Haskell county, Roy H. Smith, et al, Wichita Falls, has staked the No. 1 J. T. Hester, 2 1/2 miles northeast of Haskell.

Mrs. John King is in Petersburg this week to be with her daughter, Mrs. Douglas Carlisle, who underwent surgery Monday. It was reported that Mrs. Carlisle is recovering satisfactorily.

A community-wide Memorial Service will be held at the school auditorium Sunday, November 11, beginning at 11 a. m., it was announced this week. Teague-Carpenter Post No. 229 of the American Legion made final plans and program arrangements at the regular meeting Tuesday night. Members of the post invited everyone in Knox City and surrounding towns and communities to attend.

The program will open with Doyle Graham leading the congregation in singing "America." Rev. Howard Marshall, pastor of the First Christian Church, will give the invocation, followed by a song, "Onward Christian Soldiers," rendered by an all-male chorus.

Rev. Floyd V. Bailey, pastor of the Foursquare Church, will give the scripture reading and the male chorus will sing "The Rock of Ages."

A special hymn will be given by a girls' sextet, followed by a sermon by Rev. Oscar Bruce, pastor of the First Methodist Church.

Special guests for the service will be mothers and wives in his area whose sons and husbands were killed while in service of their country.

Judge Lewis Williams will recognize the Gold Star Mothers and Wives, and pay special tribute to their sons and husbands. Mrs. Rip Collins will give an appropriate reading.

Taps will be sounded by Supt. Harold Barnett, and Rev. Emil V. Becker, pastor of the Baptist Church and chaplain of the Legion post, will give the benediction.

Almost all churches in Knox City have agreed to dismiss the morning preaching services and take part in the joint worship and Memorial Service at the school.

GLORIA SUE GRAY AND BILLY DON CARLILE WED

Miss Gloria Sue Gray became the bride of Billy Don Carlile in an informal ceremony at the parsonage of the Church of Christ Monday evening, November 5, at 7:00 o'clock.

Stanley Shipp minister of the church, read the double ring ceremony. For her wedding, the bride chose a navy blue two-piece satin dress. She wore navy blue accessories and a pink felt off-the-face hat. She carried a white Bible topped with pink carnations and nylon net.

Mrs. Carlile, daughter of Mr. and Mrs. J. E. Gray, attended the O'Brien and Knox City schools, graduating from Knox City High School in 1950. She served as a cheer leader for three years and was chosen FFA Sweetheart during her senior year. Following graduation, she entered nurses training at Hendrick Memorial Hospital, and for the past several months has been employed at Lowrey Dry Goods.

Mr. Carlile, district drilling superintendent for Signal Exploration Corp., attended school in Sayre, Okla. He served in the infantry during World War II, with overseas duty.

Immediately following the ceremony, the couple left on a wedding trip. They will make their home in the W. H. Clonts apartment upon their return to Knox City.

Present for the wedding were the bride's parents, her sisters, Misses Donna LaRue Gray and Anita Raye Gray, and Miss Roman Day.

Benjamin News

BENJAMIN, Nov. 5. — Charlie Moorhouse has just returned from Hope, Arkansas, where he spent four days last week selling and shipping cattle.

Mr. and Mrs. Douglas Metzner and girls of Knox City attended in the homes of Mrs. Myrtle Metzner and Mr. and Mrs. Wm. E. Terry Monday of last week.

Mrs. Minnie Wampler of Ralls visited Mrs. Opal Harrison and

other relatives and friends here last week. Mrs. Harrison returned home with Mrs. Wampler for a short visit.

E. C. Wampler and K. E. Gillentine were in Seymour Wednesday of last week on business.

Mrs. Lillian Gibbons was in Russell Wednesday of last week attending to business.

Mr. and Mrs. Durell Young and children and Mrs. Jack Shipman of Winding visited relatives in Benjamin Wednesday night. They also attended the school Halloween carnival.

Mr. and Mrs. O. L. Kirk were in Seymour Thursday and Friday of last week on business.

Mr. and Mrs. Homer Howard of Corne spent Thursday of last week in the home of his sister, Mrs. W. A. Barnett, and family.

Mr. and Mrs. E. C. Wampler and family visited in the home of Mr. and Mrs. A. A. Person in O'Brien Friday.

Mr. Fred Lewis Comshaw, who is stationed in Oklahoma, visited his parents, Mr. and Mrs. Freddie Comshaw, over the week end.

Clifford Brown of St. Worth visited relatives and friends in Benjamin over the week end.

Mr. and Mrs. Carl McGraw of Wylie visited her parents, Mr. and Mrs. Frank Hill, over the week end.

Miss Ruth Johnson, who is attending Northwestern University, Wichita Falls, visited her parents, Mr. and Mrs. L. J. Johnson, over the week end.

Miss Rosaline Drake of Crowell was a guest of Mrs. Lillian Gibbons Sunday night.

Mrs. Alice Dutton of Knox City visited in the home of her sister, Mrs. W. A. Barnett, and family Sunday.

Mr. and Mrs. Arthur Neelis of Dallas visited in the home of Mr. and Mrs. Aaron White and family and Mr. and Mrs. Sherman Neelis and family Sunday.

Bobby Jack Hamilton, who is in the U. S. Air Corps, visited his mother, Mrs. Nancy Hamilton, over the week end.

Mr. and Mrs. C. P. Littlepage visited in the home of Mr. and Mrs. Jack Shipman in Winding Sunday.

Mr. and Mrs. Ode Turner of Truett were guests of Mr. and Mrs. Ode Russell Sunday.

Mr. and Mrs. Jim Cash and son of Gilliland visited her parents, Mr. and Mrs. William Ryder, Sunday.

4-H CLUBS JOINED BY KNOX COUNTY 4-H BOYS

The regular monthly meeting of the Knox County 4-H girls club was held during the fourth week in October. Program for the eight clubs consisted of procedure of conducting 4-H meetings.

Other parts of the program included discussion and selection of 4-H Club goals, report of 4-H activities at the Dallas State Fair, and explanation of demonstration duties.

Twenty-seven new members were added to the County rolls during the last series of meetings, bringing the 4-H enrollment at Knox County girls to 222.

Subject of the meetings to be held during the third week in November will be, "Do You Eat a Good Breakfast?"

Joe Stankely was in Sweetwater Tuesday to be with his mother, who is ill.

C. H. Keck, president of the local Lions Club, Jeff Graham, zone chairman, and Rev. Emil V. Becker attended a district zone meeting of Lions Clubs in Olney Monday night.

TURKEY TIME--

Will Buy Will Sell

This column is for our customers who produce livestock and farm products for sale. When we do the butchering and processing, it can be used by them free of charge. Come in and ask us about the items listed below, or ask our customers direct:

WILL BUY: Locker; Heavy hens.

WILL SELL — J. C. McGee; Half beef, dressed weight 145 pounds.

If you want to buy or sell, come in and ask for a listing in this column. All purchases or sales will be made and paid direct between seller and buyer.

Thanksgiving is right around the corner and we are ready to take care of your turkeys.

The supply is plentiful this season, and modern prices make turkeys a food buy as you will find on the market today.

Especially at WHOLESALE SALE prices—come in and check up with us.

Plenty of beef, poultry products, and poultry. Always remember our FREE COUNTRY SAUSAGE time of year.

GARRISON EXPLAINS NEW DRIVER RESPONSIBILITY LAW

Public Safety Director Homer Garrison, Jr., reminded Texas motorists this week that their licenses to own or operate an automobile will be suspended if they are involved in a traffic accident and fail to meet damage claims up to \$15,000 when the state's new Motor Vehicle Safety Responsibility Law becomes effective on January 1.

Declaring it "will greatly affect the personal safety and economic security of every man, woman and child in the state," Director Garrison gave the public its first official analysis of the new law since its adoption by the last session of the legislature.

He pointed to the rapidly increasing number of traffic accidents and public indignation over the failure of motor vehicle owners and operators to pay for the damage they cause through negligence as the reasons that prompted the legislature to enact the law, which

closely follows safety responsibility statutes in 34 other states. He declared the law's primary objectives were to deny all motoring privileges to owners or operators who do not meet just damage claims resulting from accidents and to put chronic accident causers off the highways permanently.

In a carefully summarized explanation of the law's principal features, Director Garrison explained its operation as follows:

The operator of every motor vehicle that is involved in an accident resulting in death or injury to a person, or property damage to any one person exceeding \$100, must file with the Texas Department of Public Safety a new report in addition to the regular accident report that is now required by the state's Uniform Traffic Law. The regular accident report must be filed within 24 hours, but motorists have up to 10 days to file the new report form. Both reports are mandatory regardless of who caused the accident.

The law does not apply, except with respect to filing the new report form, to insured operators or owners, provided the insurance covers possible damage claims resulting from a traffic accident, up to \$15,000. Uninsured motorists will receive a notice from the Texas Department of Public Safety that they must deposit sufficient security to cover the damage they caused, as determined by the Department. This may range anywhere from \$101 to \$15,000, and the collateral may be in the form of cash or negotiable securities. The deposit must be made with the Department within a maximum of 60 days after the accident report was filed.

An uninsured motorist will not be required to deposit security, however, if he files satisfactory evidence, within the 60-day period, that he has been released from liability, been fully adjudicated, not to be liable, executed a duly acknowledged written agreement to pay damage claims up to \$15,000, or that his motor vehicle

was legally parked or was being operated without his permission at the time of the accident.

Should an uninsured motorist fail to meet any of these requirements within 60 days after filing his report, both his operator's license and registration of ownership will be suspended until he does or until a year has elapsed without court action for damages being filed. Suspension of registration will apply to all cars owned by the defaulting motorist.

Garrison urged motorists to apply at any service station for a copy of the official leaflet, about the new law. "This leaflet was prepared," he said, "to give owners and operators the information they should have about this law before it goes into effect. It can be read in five minutes. I hope all motorists will really study the facts that are set forth in the leaflet and will keep it in their car for future reference in case they have an accident and are confused about what to do."

LEGION COMPLETES PLANS FOR MEMORIAL SERVICE
 Approximately thirty members were present for the regular meeting of the American Legion, Teague-Carpenter Post No. 229, Tuesday night.

Curtis Coates, post commander, reported that interest in the organization is better and that attendance is growing. He urged that all old members make an effort to attend the regular meetings every first and third Tuesday nights, and invited newcomers to Knox City, who are eligible for membership, to attend.

During the business meeting, plans for buying a plaque for the Legion hall were discussed. Final plans were made, and committees appointed, for the community-wide Memorial Service Sunday, November 11.

A report was given on the Negro Minstrel which was sponsored recently by the Legion. The finance chairman reported that \$256 was made from the show, with \$230 net. This money will go into the Legion's charity fund.

Following the meeting, coffee, doughnuts and sandwiches were served to the Legionnaires and members of the American Legion Auxiliary.

O'BRIEN NEWS

Laura Johnston, Reporter

Mr. and Mrs. Leon Autry and Sandra spent the week end in Abilene, where Mr. and Mrs. Autry attended the Hardin-Simmons - Cincinnati football game Saturday night.

Mickey Johnston, a Hardin-Simmons graduate, attended Homecoming activities at the university during the week end.

Charles Hutchinson, student at Texas Tech, Lubbock, spent the week end with his parents, Mr. and Mrs. Cleve Hutchinson.

Mr. and Mrs. Dick Johnston and LaRue of Wichita Falls visited relatives and friends in O'Brien Saturday and Sunday.

Grady Murray of Sheppard Air Force Base, Wichita Falls, spent the week end in the home of Mr. and Mrs. Grady Ellis and Sammy.

Erving King, who is stationed in Alabama, is spending the week in O'Brien with his family.

Mrs. Dwight Gothard spent the week end in Gorman with her parents.

Jo Ann Hodges, an eighth grade student in the O'Brien school, was elected Football Queen of the Junior Boys team. She was crowned during impressive ceremonies Tuesday night by the captain of the team, Larry Beauchamp. Foster Curley presented a dozen red roses to Jo Ann. O'Brien played Eule, but was defeated 34-7. As the queen was crowned, the Junior Pep Squad sang "Let Me Call You Sweetheart." Jo Ann is the daughter of Mr. and Mrs. Buster Hodges.

COUNTY AGENT TO BE GARDEN CLUB SPEAKER

County Agent W. C. Pullmeyer will discuss Pest Control of Trees and Shrubs when the Knox City Garden Club meets Wednesday, November 14, at The Woman's Club.

Business for the meeting will be Mrs. C. C. Hoge, Mrs. E. L. White and Mrs. Neil Berdue.

Also on the program will be Mrs. E. E. Campbell, who will discuss the topic, "Blooming Shrubs, the Lazy Man's Garden."

Members were asked to bring favor arrangements to the meeting. Each arrangement will be admired and criticized by the standards learned during a recent lecture on arrangements.

Mrs. Ansel Waldrip, president of the club, will conduct a short business meeting.

EIGHTEEN PRESENT FOR 1946 STUDY CLUB MEETING

The 1946 Study Club met at The Woman's Club Tuesday, Nov. 6, with eighteen members present.

Mrs. Wesley Almond was hostess for the afternoon. After roll call, Mrs. Fuller Shannon introduced the speaker, Rev. Howard Marshall, pastor of the Knox City First Christian Church. Rev. Marshall gave an interesting talk on "The History of the Bible." He stated that each book of the Bible was written to teach religion, and that we need to study it in order to understand it.

A short business meeting was held, and a bake sale was planned for Saturday, November 10, from 10 a. m. until noon. The sale will be held at the Steakley Chevrolet Co. A rummage sale was also planned, to be held in front of Smith Hatchery Saturday.

The club president, Mrs. Jim Ross, appointed a letter writing committee composed of Mrs. Kenneth Lawson and Mrs. John

Egenbacher. The purpose of this committee is to promote friendly relations between this country and foreign countries. It is hoped that each club member will have a pen-pal in some foreign country.

Mrs. Charles Reese was appointed to the Fine Arts Committee to replace Miss Evelyn Hollis, who has a year's leave of absence.

The next meeting will be Tuesday, Nov. 20, with a program by the Public School Music Department on "Music Appreciation." All members were urged to attend.

*A Message of Importance
 To Every Automobile Driver
 In The State of Texas*

HERE'S WHAT YOU SHOULD KNOW ABOUT NEW TEXAS "SAFETY RESPONSIBILITY LAWS"

- 1 Enforcement Begins January 1, 1952.** On this date, the new Safety Responsibility Law, as passed by the Legislature, goes into effect. This law was designed to protect you against financially irresponsible drivers and owners of motor vehicles involved in accidents. It affects all drivers and motor vehicles (except Federal, State, County and City-owned cars).
- 2 What Must You Do After An Accident?** Under existing laws, you must file a report to the Department of Public Safety if your car is involved in an accident where there is a death, injury or property damage in excess of \$25. Under the new law, a written report must be filed *within ten days* if your car is in an accident resulting in death, injury or property damage in excess of \$100.
- 3 You Don't Have to Carry Liability Insurance, But . . .** If you are not protected against bodily injury and property damage liability, you must be able to deposit with the Department of Public Safety security equal to the estimated damage, not exceeding \$15,000.00, to cover all claims growing out of an accident anywhere in Texas in which you or your motor vehicle were involved. If you cannot establish financial responsibility for the future, your driver's license and your motor vehicle license plates are automatically suspended.
- 4 It's Easy to Establish Financial Responsibility** with a motor vehicle liability insurance policy. If you do not now have such a policy, call your local insurance agent today. He is a qualified insurance counselor who will be happy to advise you concerning your needs.
- 5 What is the Minimum of Your Liability?** The law permits each driver to establish the following minimum limits of liability: up to \$5,000.00 for injuries sustained by one person; up to \$10,000.00 for all personal injuries resulting from one accident, and up to \$5,000.00 for property damage. You do not have to establish such liability but it is the easiest way.

SELECT AN ESTABLISHED INSURANCE AGENT — The agents listed below know the insurance business and represent well-known dependable capital stock insurance companies. These agents are not of the kind that are here today and gone tomorrow. Their names are listed in the telephone directory. A telephone call will find them ready to serve you—not only NOW—but YEARS from now. Call the one of your choice.

BOYS 4-H CLUB ENROLLMENT INCREASES

The regular monthly meetings of the Knox County Boys 4-H Clubs were held during the fourth week in October. Program for the eight clubs consisted of talks and slides on the selection and care of beef calves. Approximately thirty-six 4-H boys plan to feed steers for the 1952 4-H Club program, thereby doubling the amount of beef calf demonstrations now being carried out in the county.

Other parts of the program

included discussion and selection of 4-H Club coats, report of 4-H activities at the State Fair, explanation of the Houston beef calf scramble, and addition of new members to the 4-H rolls.

Forty-one new members were added to the county rolls during the last series of meetings, bringing the 4-H enrollment of Knox County boys to 268.

Subject of the November meetings, which will be held the third week of November, are procedure of conducting 4-H meetings, organization of the

4-H rifle club, and selection of 4-H demonstrations.

Guests in the home of Misses Clifford and Blanche Elliott during the past week were Mrs. L. A. Proctor of San Angelo, Mrs. E. P. Wright, Mrs. D. B. Prather and Miss Barbara Brownell of Hale Center, and Lloyd Wright of Abilene.

Mr. and Mrs. J. A. Leach of Abilene spent Sunday with their son, Alton Leach, and family.

Miss Winnie Ferguson, teacher in the Dumont Schools, spent the week end in Knox City visiting relatives and friends.

By Ozeile Stephens

Let your speech be always with grace, seasoned with salt. Col. 4:6.

Every Christian should be a person that stands out wherever you find him. For he is a person who is a "new creature in Christ." He is a "Royal priesthood," a "Child of God," Paul said, "Sons of God."

A Christian in a world like this ought to be a person apart, separated, utterly consecrated to God. When you are born from above, you become a citizen of the heavenly world, vastly different from this. For Jesus said, "They are not of the world, even as I am not of the world."

There are things that stand out in a Christian, his conduct, his speech and his spirit. He is to imitate Jesus in all His divine characteristics. It has been said of a servant of God, Here is one in whom there is no guile." This can be said of you, if you are willing to pay the price.

We need to use words salted with gentleness, remembering what Moses said in Deut. 32:2. "My doctrine shall drop as the rain, my speech shall distill as the dew, as the small rain upon the tender herb, as the shower upon the grass." We should deal gently and tenderly with our fellowman. Letting our words fall softly as the dew on tender plants, trusting God in His mighty power to work His work. For, "It is not by might, nor by power, but by my Spirit saith the Lord." The spirit of the Lord Jesus Christ is the principal ingredient. It was in Philip's words when he went down to Samaria, for he "preached Christ" to the people. Paul knew nothing among the Corinthians but "Christ and Him crucified."

The name is an ointment poured forth His sweet Spirit is a gracious reality. Let us pray for the grace of an excellent Spirit.

Weather forecast is for a cold winter! Right now we have a big selection of gas heaters that will make your home warm and comfortable. Later on there may be shortages . . . so don't delay—come in today!

The Famous Dearborn Cool Safety Cabinet—HEATERS

You get more for your money with Dearborn—the world's finest, safest gas heater. More safety because its amazing Cool Cabinet never gets hot on top, sides, back or bottom . . . can't scorch walls, drapes or woodwork. Safety pilot gives complete protection should flame be extinguished. More heat because the Dearborn's unique design pours volumes of heat out of its louvered front . . . gives wall-to-wall comfort.

20,000 BTU HEATER \$29.95 — 25,000 BTU HEATER \$39.95

New Safety Lane Opens!

We have our new SAFETY LANE EQUIPMENT installed and are ready to repair your motor vehicle so that it might pass the new Inspection Law starting December 1.

Many motor vehicle owners are having their vehicles repaired now so as to be ready at inspection time, and avoid the rush. Most vehicles repaired now should be all right when the official inspections start. Although specifications and tolerances have not been set by the Department of Public Safety, we feel we can put your vehicle in tip-top shape and it will pass. The following items must be checked on your vehicle:

- BRAKES, for wear and stopping ability
- LIGHTS, for focus and candlepower
- WINDSHIELD WIPERS for efficiency
- HORNS, for volume and sound
- MUFFLERS, for leaks and defects
- FRONT WHEEL alignment, and wear of steering gear

Of the cars we have already check, only about 40 percent have passed. However most of the newer cars check out all right. Bring your car in now and let us check it over for you. May we serve you before the rush?
