# S S News - -

Many people between 62 and 72 could draw at least part of their social security benefits if they filed a claim for these benefits now according to Edwin Draughon, S. S. manager in Vernon.

This is because of the liberalized test which became effective January 1, 1966.

"Many people of retirement age believe that if they continue to work at all that no benefits are payable to them until they fully retire, but this is not correct under the liberalized retirement test," Mr. Draughon said.

For example, a worker of 65 who has already paid on the maximum amount taxed under social security would be entitled to a monthly benefit of \$135.90 if he files a claim for monthly benefits in 1966. The first \$1,500 of his earnings would not count un-

der the new retirement test; he would lose \$1.00 of each \$2.00 from \$1500 to \$2700, and dollar for dollar for earnings over \$2700. So he could earn up to \$3730 in a year before he would receive no social security payments at all.

If he had a wife 65 also entitled to benefits on his record he could earn \$4,546.80 before no benefits would be payable.

Of course, this example is one in which maximum benefits are payable to both husband and wife and in which neither had elected to take reduced benefits between 62 and 65, but at the present time it might be well worth while to visit the social security office to see if you might be able to draw at least some social security benefits between the ages of 62 and 65.

## Royce Cox Is Runner-Up As Coach Of Year

IN 8-MAN FOOTBALL

A former O'Brien resident, Royce Cox, who is in his first year of coaching has won a name for himself and for his school and has brought further honor to his football team with having recently been named as first runner-up as "Coach of the Year" in 8-man football in the first All-South Plains District. In addition Coach Cox had one of his players named to the first team on the All-South Plains Eight-Man football team and two more of his manning slots on the second squad.

Cox is coach at Roaring Springs and has been acclaimed by various sports writers as "exceptional" in his ability and also "has done a tremendous job." Coach Cox's team finished the football season with a 9-1 record, losing only one to Morse for the District 5 crown.

Royce Cox is the son of Mr. and Mrs. A. A. Cox of O'Brien. He graduated from O'Brien School, Cisco Jr. College and West Texas State at Canyon.

IN WATSON HOME

Holiday visitors in the home of their parents, Mr. and Mrs. C. F. Watson, were their children, Mr. and Mrs. Archie Watson and family of Dallas, Mr. and Mrs. Bill Thornburgh and Ginger of Mesquite, and Mr. and Mrs. Leon Watson and children of Knox City.

IN DAVIS HOME

Guests in the home of their parents, Mr. and Mrs. Quincy Davis, during the Christmas holidays were their daughters and families, Mrs. Sam Angle, Judy, Gary and Tracy of Slaton, and Mr. and Mrs. Lester Rains of Shreveport, La.

Early is that if something unexpected comes up such as illness, loss of job, etc., benefits can start right away since the claim has already been approved.

Another advantage in filing early is that protection automatically becomes effective on the 1st day of the month each one reaches 65.

### OLD STONE FORT Nacogdoches

The Old Stone Fort standing on the campus of the Stephen F. Austin State Teachers College at Nacogdoches is generally believed to have been built during 1779 or 1780.

It has been held and garrisoned at various times by Spain, Mexico, the Republic of Texas, the Confederacy and the United States.

It was truly an outpost in the wilderness!

Nacogdoches itself, one of the four oldest civilized settlements in Texas, was named for the Nacogdoches Indians. Here in 1716 the Spaniards established Mission Nuestra Senora de Guadalupe around whose deserted buildings Nacogdoches was permanently established in 1779.

"In all thy ways acknowledge Him and He will direct thy path." Proverbs.

The New Year 1967 stands before us with rich gifts in its hands—the gifts of love, faith, hope and truth. These promises wait our welcome, our belief and our faith about the certainty of God's blessings and promises.

As you turn the new page the year stands forth in holiness with no mark of yesterday, but the goodness of God, peace and righteousness. However much we failed our yesterdays, we may rise today in beauty, truth, in love renewed and purified in faith. With increased courage we pledge ourselves to the rich life of the spirit, firm in the knowledge that we are His sacred charge, and that He will never fail us in whatever path we have to take.

## Summer Session At Abilene C. C. To Start June 5

The summer session at Abilene Christian College for 1967 will feature 5 and one-half-week sessions instead of the usual six-weeks' periods, according to registrar Ken Rasco.

To shorten the sessions, classes will be lengthened five minutes and time between classes probably cut down.

Rasco said the change would be very popular with the students. He also said the change would permit Abilene Christian to operate the summer session simultaneously with the other two colleges in Abilene, Hardin-Simmons University and McMurry College.

Registration is set for June 5, with classes beginning the next day. Examinations are scheduled July 11. Registration for the second summer session is scheduled July 12, with classes beginning the next day. Examinations and commencement are set for Aug. 18.

**in the DRIVER'S SEAT**

A bright new holiday idea for the whole family—the "quickie" fly-drive weekend vacation—is sweeping the country.

Faraway pleasure spots like Puerto Rico, such exciting cities as New York, San Francisco or New Orleans, outstanding scenic wonders like the Grand Canyon are now easy to visit over a long weekend, according to Hertz Rent A Car. On three- and four-day weekends, such as at Thanksgiving and Christmas, families can spend the entire time at a vacation spot by reserving both a plane trip and a rental car waiting in the destination airport.

Hertz reports that fly-drive cuts long-distance travel time to mere hours, but gives vacationers full mobility with a personal auto of hand when and where they need it.

The weekend "quickie" vacation is especially easy on small children, since it avoids long, tiring journeys by car. What's more, Hertz points out, most of the nation's major historic areas—Washington, D.C. and Williamsburg, Va., for instance—are particularly suited for long-weekend visits with children of school age.

Based on experience helping many thousands of weekend vacationers, Hertz has these tips for the quickie holidays:

1. Pack light, no-press, wash-and-wear, no-wrinkle clothes.
2. Explore off the beaten track byways with a late-model car for a more memorable holiday.
3. Reserve ahead, for your hotel, motel and restaurant accommodations. Eliminate waiting, last-second disappointments. Enjoy every moment of your "quickie" fly-drive vacation.
