STEERING COMMITTEE NAMED TO PLAN JUNIOR BASEBALL

A seven-member steering committee was appointed at a public meeting Saturday afternoon to complete plans for a junior baseball program in Knox City this summer, and to get the program under way.

Attendance at the meeting—

DWI Convictions Increase in County

Convictions for driving while intoxicated have increased sharply in Knox County during the last year, according to records in the office of Sheriff Homer T. Melton.

Records show 35 persons were convicted in county court during 1957 and for the first two months of 1958. Only 21 were convicted in 1956.

Sheriff Melton said he knows of no reason for the increase.

Churches Plan Union Sunrise Easter Service

Plans for the annual Community Sunrise Easter Service at the First Christian Church are in the making, John Waddell minister, said this week.

Waddell said Wednesday that Rev. Walter Driver, pastor of the First Methodist Church, and Rev. Billy Frazier, pastor of the First Baptist Church will participate in the service. All local pastors had not been contacted Wednesday. A sunrise service will be held at the Foursquare Church so the pastor, Rev. Floyd V. Bailey, can not take a part in the community service.

The program will be announced in next week's Herald, Waddell said.

Easter Revival Plans Announced by Local Methodist Church

Plans for an Easter revival were announced Wednesday by Rev. Walter Driver, pastor of the First Methodist Church.

The revival will begin Sunday, March 30, and continue through Sunday, April 6. Doyle Graham will lead the singing and the pastor will do the preaching.

Week day services will be at 7:30 p. m. Rev. Driver invited everyone to attend.

ATTENDS SCS SCHOOL

Ulric Lea returned Friday night from Stephenville where he attended a three weeks training school for Soil Conservation employees.

There were 24 enrolled from Texas, six from Oklahoma, and three from New Mexico. Instruction was on the general program of Soil Conservation work. New classes begin each month.

O'BRIEN RESIDENTS TO VOTE ON INCORPORATION APRIL 5

An electing on the question of incorporating the community of O'Brien under the general laws of the state has been called for Saturday, April 5, by Haskell Judge Alfred Turnbow.

Judge Turnbow was asked to call the election in a petition signed by J. E. Stanfield and 23 others, following a community meeting on March 11. The desire to incorporate was caused primarily by the need for an adequate water and sewer system, the petitioners said.

The election will be held at the Community Building, with Dwight Gothard and R. P. Barnard, Sr., as judges and Ford Waldrup, and J. E. Stanfield as clerks.

Eligible to vote is every person 21 years of age or older who has lived in the proposed town of O'Brien the last six months, and who is a qualified voter under the general election laws of the state.

The proposed town, which does not exceed two square miles, has the same boundaries as the original plat of O'Brien, H&TC Railway Co. Survey. It extends south to 15th Street, just south of the R. T. Carney residence, east to Garfield Avenue, west to Chestnut and north to First Street. The area

about thirty adults and a number of boys—indicated considerable interest in the program and enhanced the chances for its success.

Presiding at the meeting was Paul Hoge, president of the Knox City Lions Club, which voted to sponsor the program. Hoge introduced John Waddell, minister of the First Christian Church, who has worked with Little League baseball groups in Seymour and other communities.

Waddell, who headed a Lions Club committee for preliminary work on the project, reported on the committee's findings and discussed some of the details and problems involved.

Fifty Knox City school boys, ages 8 through 12, answered a questionnaire indicating they want to participate in the baseball program, Waddell said. Sponsors hope other boys will become interested, or that O'Brien boys will participate, so that at least four teams can be fielded.

Charles Reese was named chairman of the steering committee, which will complete arrangements for a playing field and appoint other committees for particular phases of the program. Other members are Don Reeves, Bud Carver, Rev. Billy Frazier, Eddie Shaver, L. V. Worley and Mrs. John Hansen.

Holy Week Services Scheduled at Local Christian Church

A series of Holy Week services will begin at the First Christian Church Sunday evening, March 30, and continue through Thursday, April 3, with services at 7:30 each evening, it was announced this week by John Waddell, minister.

The Thursday evening service will conclude with a drama given by the young people of the church. This drama will be centered on the institution of the Lord's Supper. Tradition has it that Jesus instituted the Last Supper on Thursday evening prior to his crucifixion on Good Friday, and many congregations observe Maundy Thursday Communion Service each year as part of their Easter celebrations.

"These services are being planned for the entire community," the minister said. "The First Christian Church welcomes and invites all her friends of other communions to visit her during this Holy Week series of worship services. During the week there will be guests who will offer special musical numbers and which will aid the worship services. One of the special musical numbers will be brought by the Children's Choir of the church."

Plans are also being completed for the annual Easter morning Sunrise Service, to be held at the church beginning at 6:30 on Easter morning. All churches and their members in the community are urged to attend this service of union worship.

Local Woman's Father Killed in Auto Accident

Lillard Dave Green, 50-year-old Rochester farmer, was killed instantly when he was thrown from a car on U. S. Highway 183 five miles north of Breckenridge about 4:30 p. m. Friday.

Funeral services were held Saturday afternoon in the Rochester Church of Christ with Jerome Savage, minister, officiating, assisted by Hubert Sego.

Burial was in the Rochester cemetery under the direction of Mansell-Smith Funeral Home. Pallbearers were R. A. Shaver, Jr., Curtis Love, Melvin Earl Mitchell, Dick Roberson, Herman Hearn, and Arlis Hearn.

Green was a passenger in a late model Chevrolet, owned and driven by his stepson, Melvin Earl Mitchell, when the car apparently hit a soft shoulder off the highway. As Mitchell tried to pull the car back onto the road, it hit a guard post, knocking the door open and slinging Green out. The car did not overturn. The other occupants of the car, Coleman Wright, W. A. Hatfield, and Mitchell, were not injured.

Survivors include his wife, the former Mrs. Susan Mitchell who has worked in Knox City; three daughters, Mrs. Escro Love of Knox City, Mrs. Vernelle Evans and Mrs. Monnie Hedgecock, both of Stinnett; one son, L. D. Green, Jr. of Stinnett; two stepchildren, Mitchell of Rochester and Mrs. Lea Allen of Pasadena, Texas; three sisters, Mrs. Bobby Kreger and Mrs. Myrtle Turnbow of Haskell and Mrs. May Jackson of Krum; two brothers, Hal Green of Haskell and Edwin Green of Saginaw.

Former Resident Of Benjamin Dies

Mrs. Agnes L. Crenshaw, 43, of Matador, former Benjamin resident, died at 4 p. m. Friday in Knox County Hospital.

Born Nov. 2, 1914, in Trent County she married Fred L. Crenshaw in Frederick, Okla., Jan. 31, 1931. They moved to Matador three years ago from Benjamin where they had lived for several years.

Funeral services were held at 2:30 p. m. Sunday in the Benjamin Baptist Church with the Rev. K. E. Wooley, pastor, officiating, assisted by the Rev. H. L. Harris of White Flat. Burial was in the Benjamin Cemetery.

Survivors include her husband; three sons, Fred of 2402 Walnut St. in Abilene, David of Odessa and Billy Glenn of Matador; three daughters, Mrs. Joy Riggs of Clovis, N. M., Jannie Kay and Dorothy Ann of the home; two sisters, Mrs. L. Scott of Midland and Mrs. Gussie Forster of Roswell, N. M., and two brothers, Irvin Bradshaw of Roswell and Wallace Flemmin of McCombs.

TROUBLE COMES IN BIG DOSES

Trouble came in big doses to Mr. and Mrs. J. B. Hendrix last week.

Mr. Hendrix underwent major surgery in February, and at the same time his wife, a diabetic, was a patient in the Knox County Hospital. Things went rather well (using the word loosely) and after about three weeks they were back at their ranch home 20 miles west of town.

After three days at home Mrs. Hendrix had to return to the hospital. Then she was released and was at home three days when her husband had to be rushed back to the hospital.

That was last Friday. Saturday morning Mrs. Hendrix fell in the bathroom at the home of her daughter, Mrs. Thelma Howell, and fractured both legs.

Because of diabetes, her legs cannot be put in casts, and are packed in sandbags. Mr. Hendrix is improving and expects to be released from the hospital in a few days. The couple will live in the Sipe Griffith house while a new home is being constructed on their ranch.

Maybe the new house will change their luck!

Election Tuesday to Include Proposal to Ban Gin Smoke

In addition to electing three city aldermen for two-year terms, Knox Citizens will vote Tuesday on a proposed ordinance banning the burning of cotton burrs within the city limits.

The election will be at the American Legion Hall with C. Bohannon as election judge.

The three candidates for aldermen have no opposition. They

are Eddie Carr, Buddy Angle and Doyle Graham, all candidates for re-election. Holdover members of the council are aldermen Vaughn Gruben and Otis Cash and Mayor Otis Harbert.

The anti-burr burning referendum will be on a separate ballot, with the proposition reading "FOR an ordinance prohibiting the burning of cotton burrs

within the city of Knox City, Texas", and "AGAINST an ordinance prohibiting the burning of cotton burrs within the city of Knox City, Texas."

If the majority of the voters mark the ballot "for", the ordinance will be passed at an early meeting of the council, Mayor Harbert said, giving gin companies ample time, before the fall ginning season, to make arrangements for disposing of their burrs outside the city.

City officials have pointed out that numerous citizens have complained that excessive smoke from gins is a detriment to health—especially to those suffering from asthma, hay fever and other respiratory ailments. Proponents also contend the measure would eliminate a fire hazard and make the community a cleaner, more attractive place in which to live.

Mayor Harbert said many towns in Texas have passed similar ordinances within the past few years, and that reports from some of these towns indicate that the ordinance does not cause undue hardship or excessive expense to the gins.

Race Develops For Commissioner Of Precinct 2

The second race in Knox County politics developed this week when Artist McGregor of Benjamin announced for County Commissioner of Precinct 2 in opposition to the incumbent, W. W. Trainham.

Thus far the only other race is for State Representative, where incumbent Ed Cloud is opposed by Donnell Dickson and Leroy Ressel.

In announcing his candidacy McGregor issued the following statement to the voters in Precinct 2, which includes Benjamin and Vera:

"I have been a resident of this precinct more than 26 years, with the exception of four and a half years I spent in defense work and in the Army. I graduated from Benjamin High School in 1936, am married and have two boys who are in school.

"If elected to this office I will be cooperative, keeping in mind at all times the best interests of the precinct and county, and will do my best to perform the duties of the office in an honest, energetic and efficient manner.

"I plan to see each one of you before election time and personally solicit your support. In the meantime I will appreciate your consideration and influence."

Artist McGregor.

'Rock Hounds' to Meet at Munday

A meeting of all persons in the area interested in the collection of rocks and minerals were invited to attend a meeting at the American Legion Hall in Munday Saturday, April 5.

Mr. and Mrs. Milo Hunt, who recently moved to Munday from Wichita Falls, urged all "rock hounds" to bring their prize specimens to the meeting. A door prize will be given. The meeting will begin at 7:30.

Mrs. Hunt said the nearest clubs of rock collectors are at Wichita Falls and Coleman.

ADDITIONAL FUNDS TO ALLOW MORE SOIL BANK APPROVALS

The Chairman of the Knox County ASC Committee, H. H. Partridge, reports that farmers who wanted to take part in the 1958 Acreage Reserve of the Soil Bank, but could not file signed agreements because of fund limitations, will apparently be able to sign up at the county office in the near future.

Both the Senate and the House of Representatives have approved a supplemental appropriation of 250 million dollars to provide for additional acreage reserve participation. This will bring the total of \$750 million dollars for the 1958 program. Because agreement on some detailed program provisions must still be reached in House-Senate conference, Congressional action on the supplemental appropriation is not yet complete. As soon as final action is taken, the County Committees will get the Go-Ahead for completing the sign-up. Preliminary steps have been taken by the State ASC Committee to prepare the way for immediate action when the supplemental funds are authorized.

In addition to farmers who have already filed signed agreements which were in general covered by the initial appropriation for the Acreage Reserve, other eligible farmers will be in position to take part in the enlarged program. These will in-

Two Men Injured In Auto Accident

Charles Kotulek, Knox City mechanic, is in Baylor County Hospital at Seymour for treatment of injuries received in an automobile accident near Holliday Saturday night.

Kotulek was a passenger in a car driven by Joe Casillas, also of Knox City. Casillas was treated at the hospital for cuts and bruises and released.

Kotulek was thrown from the car and suffered a back injury. He will be placed in a cast and will be in bed about six weeks, doctors said.

Successful Meeting Reported by Pastor

Rev. Billy Frazier, pastor of the First Baptist Church, reported Tuesday that there were 26 additions to the church during the revival meeting which ended Sunday night with baptismal services.

More than 250 people were present each evening at services and the two Sunday morning services, which broke previous attendance records.

Rev. Mack Cole, pastor of the First Baptist Church in Snyder, was the evangelist.

The pastor reported the additions as 19 for baptism and seven by letter. There was also one who professed faith but was not a candidate for baptism, the pastor said.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN, TEXAS. — New names. New faces. But same old problems plague the state insurance liquidation division.

Next Legislature undoubtedly will step in and try to assign authority and responsibility more definitely — possibly overhaul the whole system.

Latest chapter in the division's history of criss-crossed efforts is the appointment of a new general counsel to the liquidator. He is Cecil C. Rotsch, former assistant attorney general.

Significant aspect of this is that Rotsch was appointed by Insurance Commissioner William A. Harrison. Whether the State Insurance Board, which Harrison represents, or judges of the receivership courts have the right to appoint attorneys for liquidation has been at issue for some years.

Last year Austin District Judge Charles O. Betts appointed Renne Allred Jr. counsel for receivership cases pending in his court.

This prompted the Insurance Board to institute a suit to get a Supreme Court ruling. But the high court's opinion didn't help. It said the Board was given authority to name the liquidator's attorney, but that the courts could step in and name one, too.

Which is just about what happened with both Allred and Rotsch named by different persons to serve in apparently the same capacity.

FEE STUDY SET — Most interesting aspect of the liquidation study is the amount of money involved.

Senate investigating committee was told that liquidation attorney Renne Allred had received in 10½ months \$22,350 in fees and \$4,311.08 in expenses. Allred has been in charge

of winding up the affairs of several large bankrupt firms, including ICT and US Trust and Guaranty.

Liquidation attorneys, unlike regular state employees, are not paid straight salaries, but receive fees taken from the assets of companies they handle.

Former State Liquidator J. D. Wheeler told the Senate panel that during his 3½ years in the post, the office collected \$4,938,927 with an administrative cost of \$2,102,590.

Senate committee asked for a list of attorney's fees paid out during the past two years. They said the list would be made public.

US TRUST PAYMENTS — One of the most celebrated bankruptcy cases in recent years has begun to unwind.

Dist. Judge Charles O. Betts has ordered the state liquidator to pay out \$2,181,464 recovered from the assets of US Trust and Guaranty Co. This represents some 31 per cent of the \$7,300,000 in claims made by creditors, mostly holders of US Trust "investment certificates."

Action was made possible after the Supreme Court made final its ruling that certificate holders had no priority in claims.

DOWN AGAIN — No miracle is yet in sight for the ailing Texas oil industry.

Railroad Commission cut the statewide allowable for April to 2,444,571 barrels a day. It's 120,203 barrels a day less than March. Eight producing days will be allowed, one less than March.

Commission set this lowest-in-history producing schedule after hearing most major oil buyers say they could foresee no substantial increase in demand for oil this year. Commission operates on the philosophy that oil should not be produced unless someone is willing to buy it.

Meanwhile, Texas officials seeking action to reduce importing of foreign oil, received some hope of help in Washington. Prospects is for reduction of import quotas in line with lessened U. S. demand.

MORE GROWTH SEEN — Recession or not, Texas' rate of industrial expansion exceeds the national average and possibly will gain steam and set a new record in 1959.

So says the University of Texas Bureau of Business Research in a survey of the state's major industries.

Cited as areas of expansion were chemicals, plastics, aircraft and missiles, electronics, construction materials, metal fabrication, apparel, food processing and furniture.

MORE NEW BUSINESSES — In the same vein the Texas Employment Commission reported an increase in new firms launch-

TEXAS CANCER CONTROL MONTH — Dick Simpson of Sweetwater, left, and Edwin T. Phillips of Fort Worth, right, state co-chairmen of the 1958 Texas Cancer Crusade look on as Governor Price Daniel signs a proclamation designating April as Cancer Control Month in Texas and April 15 as Texas Cancer Control Day. Noting in his proclamation that more than 10,000 Texans died from cancer in 1957, Governor Daniel called on each citizen "to join in the Crusade to control this disease." More than 80,000 Texas volunteers for the American Cancer Society will be engaged in the educational fund-raising campaign to continue support of society's three pronged attack on cancer through education, research and service to cancer patients.

Fri.: Easter holidays begin.

ed in Texas during February. Begun last month were 103 new businesses employing 910 persons.

NO IT'S TOO WET — prolonged wet winter weather is delaying land preparation for spring planting. In some areas the delay is reported becoming serious. Ahead: two more months characteristically wet.

Optimism is plentiful in other farm activities. Cattleman conventioned in San Antonio in high spirits with beef prices high and pastures green. Prosperous outlook brought 958 new members into the Texas and Southwestern Cattle Raisers Association in advance of the meeting.

Mr. and Mrs. Otto Lawson spent the first of the week in Dallas where Lawson attended a Fairbanks-Morse school.

AMERICA'S FAVORITE FAMILY WAGON...PLYMOUTH

Plymouth carries more . . . does more . . . provides more family fun than any other wagon in the low-price 3 because it's BIGGEST IN THE LOW-PRICE 3. You can't buy bigger at any price!

Maybe you're a station wagon family right now. More Americans are each day! But do you know all the really astonishing facts about the Plymouth wagon . . . how much more it gives you than other wagons, at a low budget price?

Size alone is only part of it! The Plymouth wagon is big as wagons in the high-price field that cost \$5500 and more . . . but, in addition to extra size, this glamorous beauty offers a wagonload of other features that are exclusively Plymouth in the low-price 3!

You simply can't get 'em anywhere else in the field. And once you try them . . . learn how little the years-ahead Plymouth wagon costs . . . you'll never settle for less! Why should you? Your Plymouth dealer has the money-saving story, and he's waiting for your visit.

5 big reasons why your wagon should be a Plymouth:

- 1 BIGGEST OF THE LOW-PRICE THREE:** Big as wagons costing thousands of dollars more. You can't buy bigger at any price! 122" wheelbase.
- 2 HOLDS SO MUCH MORE THAN THE "OTHER TWO":** Over 7 cu. ft. more passenger and cargo space. Extra "secret luggage" compartment in 6-passenger models.
- 3 REAR-FACING 3rd SEAT:** Folds flush into the floor; you don't have to store it outside when it's not in use. Easy to enter.
- 4 DISAPPEARING REAR WINDOW:** Rolls down into tailgate. Doesn't get in the way. Only Plymouth has it in the low-price field.
- 5 TORSION-AIRE RIDE—AT NO EXTRA COST:** Only on Plymouth in the low-price 3. Big-car luxury. No sideways on turns or nose-dive on stops.

They don't come any bigger... *Plymouth* station wagons

Texas Baptists to Meet in Lubbock

DALLAS. — Nearly 3,000 Texas Baptist Sunday school workers are expected to attend the 29th annual state Sunday School Convention April 21-23 in Lubbock.

Five general sessions and 25 special conferences will be held in Lubbock's First Baptist Church. Conferences will emphasize planning, teaching, training and witnessing, said state Sunday school secretary Andrew Allen.

Dr. Ullin W. Leavell, professor of education and director of the McGuffey Reading Clinic at the University of Virginia, will be principal speaker for the meeting. A national authority on child education and author of the Golden Rule Series of readers, Dr. Leavell will discuss Bible study, mental discipline and Christian character in four addresses.

Convention theme is "Teach In All Wisdom." Other speakers and conference leaders will include nine Southern Baptist Convention workers, two Baptist General Convention of Texas leaders and several educational leaders from BGCT churches.

Dr. J. N. Barnett, secretary of the SBC Sunday School Department, will speak at a banquet for associational Sunday school officers.

Other SBC speakers will include Dr. W. A. Harrell, secretary of the church architecture department, and Dr. W. L. Howse, education division, Baptist Sunday School Board.

BGCT speakers will include Dr. J. Woodrow Fuller, associate executive secretary, and Mr. Allen.

Phil Harris, professor at Southwestern Baptist Theological Seminary in Fort Worth, and W. H. Souther, education director of the 10, 500-member First Baptist Church of Dallas, will discuss "Wisdom of a World Teaching Concept." The two workers conducted leadership training programs for the SBC in Italy last year.

More than 1,111,400 persons are enrolled in Texas Baptist Sunday schools. The denomination will attempt to enroll another 100,000 persons this year, said Mr. Allen.

Mrs. Jim Stephens and Mrs. Virgil Stephens of Lubbock visited their parents, Mr. and Mrs. C. W. Garrison, Sunday. Other guests in the Garrison home were Mr. and Mrs. Doss Fuller of Rule.

THE KNOX COUNTY HERALD, THURSDAY, MARCH 19, 1958

Farm and Ranch Notes

By Roy England, County Agent

With the reduction of total cotton production caused by soil bank participation, it becomes increasingly more important that cotton farmers produce a quality product that can compete with the synthetic fibres.

The combination of reduced production and bad weather during 1957 caused a marked reduction in overall quality of cotton throughout the cotton belt. This, in turn, has increased the market for synthetic fibres and restricted the outlet for cotton.

In selecting a variety of cotton, particular attention should be given the method of harvest to be used. If mechanical strippers are to be used, Western Stormproof, Lockett 88, or Blightmaster should be planted. If hand pulling or picking is planned, Lankart, Paymaster, Northern Star, Deltapine or Acala types should be planted. If mechanical pickers are to be used, Acala 1517C has shown the greatest promise in this particular area.

Under irrigation, planting rates become more important from the standpoint of stalk size. Much of the undesirable, spreading, large stalk size can be eliminated by increasing the planting rate to obtain 4 plants per foot of row. This will normally require from 20 to 24 lbs. of delinted seed per acre.

Fertilization according to soil tests is absolutely necessary for maximum efficiency of producing cotton under irrigation. Improper or inadequate fertilization can reduce the quality of cotton fully as much as bad weather at harvest time.

Garden Club Has To Attend State

Members of the Knox Garden Club voted to attend the state garden club meeting Wednesday, March 19, at the home of Mrs. J. R. Hamby with Mrs. C. J. Bohannon as hostess.

The state meeting will be held April 23 and 24 in Ft. Worth. A table setting demonstration, the St. Patrick motif was used. The cover was handwork linen cloth, land, belonging to Mrs. non. A green hat, fruits and vegetables of green and pyramidal was the centerpiece.

Present were twelve and three visitors.

The next meeting will be April 9 at the home of Cecil Waldrip, with Mrs. Finley and Mrs. A. S. co-hostesses. The next will be flower show preparation when definite plans for annual flower show will be made.

Mrs. J. T. Hamby of visited Mr. and Mrs. Tuesday.

Study Club Women Guests of FHA Girls

Members of the Knox City Study Club were guests of Mrs. Chas. E. Silk and her homemaker girls of Knox City High School Thursday in the school auditorium.

A playlet, "The Future of the Future Homemakers" was presented by members of the freshman homemaker class. The skit carries out the National goal of interpreting to others the broad goals of the total homemaker program. It points up the advantages of homemaker training.

Donna Gayle Fitzgerald played the part of Madam Homeca. Linda Morris played the part of Miss FHA who seeks her fortune from the reading of cards.

Other characters were played by Donna Abbott, Jeanne Colson, Annie Ruth Culp, Louella Denton, Wynette Graham, Joan Lain, Mary Nell McElroy, Sandra Nelson, Jane Smith, Charlene Posey, and Leslie Fitzgerald, son of Mr. and Mrs. Alton Fitzgerald.

Refreshments of home-made cookies and fruit punch were served by the second period class first year girls. They are Pam Bailey, Jeanette Colson, Peggy Crowner, Betty Jackson, Bobbie Lee McHam, Joan Shaver, Judy Smith, Melanie Verhalen, and Mary Everett.

The refreshment table was laid with an Irish linen cloth and centered with a miniature Madam Homeca and Miss FHA in a fortune teller's setting.

Charlice Silk sang Mother Macree and Big Brown Bear. She was accompanied at the piano by Mrs. A. V. Kemletz. Beverly James, president of the local FHA chapter, welcomed the guests and introduced the program.

The next meeting of the club will be Thursday, April 3, for a "Travel to Hawaii" program. Charley Keck will show colored films of his and Mrs. Keck's trip to the Hawaiian Islands last summer. Hostesses will be Mrs. J. C. McGee and Mrs. W. J. Morris. Mrs. E. R. Carpenter will give God's Minute and Mrs. Kenneth Lankford will present special music.

THE PAST INSIDE, THE FUTURE OUTSIDE—That might well describe the architect's design of the \$5 million National Cowboy Hall of Fame and Museum at Oklahoma City, for which the first \$1½ million unit will start construction this autumn. Somewhat unusual in design, the open spaces of the west, cool water in pools and the shape of a trail camp cook fly are all caught here. Among national trustees for the shrine are Gov. Price Daniel of Texas, J. Evetts Haley of Canyon and A. M. G. Swenson of Stanford.

Rochester Girls Present Program At Lions Club Here

A girls' chorus from Rochester, directed and accompanied by Mrs. R. A. Shaver Jr., furnished the program Wednesday at the weekly meeting of the Knox City Lions Club.

Hob Smith, mayor of Rochester and member of the local club, introduced Mrs. Shaver who in turn introduced the girls. They were Sandra Oates, Andra Lou Harper, Erlene Alvis, Sandel Williams, Becky Simmons and Diane Reed. The girls sang four numbers.

In a business session preceding the program, the club voted to give \$50 to the Red Cross fund drive.

Club president Paul Hoge announced that a zone Ladies Night Banquet will be held in Haskell, probably during the latter part of April, as part of Haskell County's centennial celebration.

VISITS HERE

A/3e Cecil Beauchamp arrived Sunday from Gunter AFB, Alabama, for a three-day visit with his parents, Mr. and Mrs. H. R. Beauchamp. He was accompanied by Airmen Bob North of Mooreland, Okla., and Gerald Higgins of Miami, Fla. The three airmen were being transferred from Gunter to Dyess, Abilene. Beauchamp had just completed a seven-weeks course in aviation medicine at the Alabama base.

Test Advisable Before Fertilizing, Soil Chemist Says

COLLEGE STATION. — "You are cheating yourself out of possible production when your land needs lime and you don't supply it," says W. F. Bennett, extension soil chemist.

"Even if the correct amount of fertilizer is applied, your soil will not produce the most profitable returns unless sufficient lime is available," points out the chemist. A soil test is the only method for determining just how much fertilizer and lime is needed for a particular field.

There is still time to take samples and send them to the soil testing laboratory at Texas A & M College before most 1958 crops will be planted. If the samples are submitted in the very near future, they can be processed and recommendations returned in time for use this spring.

The chemist advises farmers to use the soil test information they receive from the lab not only for applying lime and fertilizer but also as a guide in buying the recommended plant food.

Farmers who depend upon general recommendations usually get close to the right amounts, but guessing at the need for lime is another story. Only a soil test will give that answer, says Bennett.

"With fewer acres in cultivation, it is more important than ever to make the highest possible production per acre. To make this production, it will be necessary to use the right kinds and amounts of fertilizer and lime," Bennett says.

"Too, if this high production is to be made at the best possible profit, farmers will need a guide in fertilizing the crops grown. Soil tests give this guide," concludes Bennett.

Bennie R. Stephens, who is in the Navy, has been transferred to Norman, Okla., from Beeville. His address is Barracks 155, NATTC, Norman, Okla.

Mrs. Bateman is Honored at Shower

Mrs. James Thomas Bateman was honored with a gift tea at The Woman's Club Saturday, March 22, from 3 to 5 p. m.

Mrs. Doyle Graham and Mrs. Paul Hoge greeted guests. Mrs. Clyde Voss led the receiving line composed of the honoree, her mother, Mrs. Guy Robinson, and Mrs. Eddie Bateman of Benjamin, the bridegroom's mother.

Guests were registered by Stella Acosta. Beverly James and Mrs. Ernie Wilson played appropriate piano selections during the calling hours. Alice McCarty, Glenna Voss, and Jan Stroder served from a table covered with a floor-length white taffeta cloth and centered with an arrangement of white chrysanthemums and foliage.

Gifts were displayed by Mrs. Otis Cash and Mrs. Paul Fitzgerald. Other members of the house party included Mrs. H. M. Thompson, grandmother of the honoree, Mrs. Jimmy Robinson of Midland, and Mrs. Edgar Bateman, both sisters-in-law of the honoree.

Mrs. Bateman is the former Miss Patsy Robinson. The couple was married Feb. 22 in the First Methodist Church. They are at home on the Bateman Ranch west of Benjamin.

On Benjamin Highway

Uncle Ben from Benjamin says:

DEAR MISTER EDITOR:

We used to have just three kinds of business. It was good, or it was bad, or we were having a panic.

Now we got recessions, depressions, booms, high plateaus, low plateaus, and middle plateaus, just to name a few. It's hard for a country feller to know exactly what kind of fix he's in with all that going on.

Right now, for instance, the papers is saying we're having a slight recession. I reckon that means things is gittin' more plentiful and money gittin' more ain't. Unless it gitts too ain't, the situation might not be as bad as we think.

Back during the war when we was having one of them booms, when things was scarce and money plentiful, things was pretty bad. I remember going to town one day with Leroy Melton to buy himself a pair of pants. I'll never fergit seeing him coming down the street in his underwear. He not only didn't git no pants, but they was so scarce the feller in the store traded him out of the pair he had on.

When things wasn't so good, the one-pants feller could drive up to a pressing place, toot his horn and somebody would come out and git his pants, press 'em and be back in a jiffy. Right after the war when we was having one of them "high plateau" things, the same pressing place had a bouncer, and when you finally did git in, you'd git throwed out if you caused any

undue commotion.

And it was a mighty big relief to the farmer needing help when we descended from the "high plateau" to the middle one. I'll never fergit when we made that change-over. I stopped a feller I knowed and asked him if he'd like to do some work fer me. He stood still until I got plum through talking to him afore he said "no" and walked off. Back in the "high plateau" days he wouldn't even have stopped to listen.

So I ain't too shore, Mister Editor, if this "slight recession" is going to be bad or good fer us.

I see where a feller from Chicago is so disgusted with the way Congress is running the country that he aims to try to cross Lake Superior over to Canada in a barrel. Somebody ought to give this feller a good talking to, appeal to his patriotism. In the first place, we're short on barrels in this country, and in the second place, he ought to stay here and take his medicine with the rest of us.

The best writers in the country, Mister Editor, ain't working on newspapers. They is working as press agents for resort towns in Florida. I saw a picture of a bathing beauty in the paper Sunday, and under the picture they was just these words: "Brown, Bare, and Beautiful." Now that's what I call sharp-shooting with a type-writer.

Yours, truly,
Uncle Ben

Your Hometown Newspaper

is a History Book ..

RECOGNIZING THE ACHIEVEMENTS OF PEOPLE YOU KNOW

Issue by issue, your local newspaper unfolds the history of your community in stories describing important or interesting events as they happen to your friends, your family, and other members of your community. A source of interest and pride when they appear in the news, these stories bring personal accomplishments and events to the attention of the entire community. Saved in family scrapbooks, they become treasured possessions to enjoy through the years. As time goes on, we gain more and more pleasure in reading the news of the families of our community as events take their place in the history of our town.

Miss Cornett Named F.H.A. President

New officers of the local chapter of Future Homemakers of America were elected last Friday by secret ballot.

Charlotte Cornett was elected president. Pretrecia Hendrix was elected vice-president, and Wynette Graham was named voting delegate.

Charlotte is a junior student. Pretrecia is a sophomore and Wynette is a freshman. The voting delegate and president will attend the state F.H.A. convention in San Antonio in April. They will leave by chartered bus from Abilene April 17, along with representatives from seven other schools. Theme of the convention will be "F.H.A. Joins Hands Around the World."

The group will stay at the Gunter Hotel, convention headquarters. Main meetings will be held in the municipal auditorium. Expenses of the president and voting delegate will be paid by the local chapter.

Other candidates for the three offices were:

President, Paula Jones and Peggy Crowover; vice-president, Martha Reed and Louella Denton; voting delegate, Glenna Voss, Sarah Scarbrough, and Doris Bales.

ATTEND BAND CONTESTS

In Wichita Falls Saturday to attend the Interscholastic League band contests were Mr. and Mrs. James Dutton and daughter, Mrs. Clyde Voss, Mr. and Mrs. Guy Robinson, Mrs. Neil Perdue, Mrs. C. E. Williams, Supt. Chas. E. Silk, and Charlice Silk.
