Stanolind Completing Verhalen Test in Palo Pinto

Operators are drilling plug, preparing to perforate and complete the Stanolind Oil & Gas Co. No. 1 Verhalen, Block 10, D. G. Burnett survey, promising discovery southwest of the company's Icelena Clonts No. 2 in the North Knox City pool 4 1/2 miles northeast of town.

A series of satisfactory tests were completed this week, after the Palo Pinto reef lime was encountered at 4171 feet. On the first drillstem test, 4243-4268 feet, operator had gas to surface in 10 minutes, and recovery was 1650 feet of free oil and gas and 50 feet of oil cut mud. Flowing pressure was 475 lbs., bottom hole pressure 1850 lbs.

The operator then cored from 4268 to 4293 feet, and had lime showing oil in top 12 feet.

The second test, 4265-93 feet, with tool open 30 minutes, showed gas in 23 minutes and recovery was 2200 feet of heavy oil and gas cut mud and 20 feet of salt water. Flow pressure was 175-300 lbs., and bottom hole pressure 1850 in 15 minutes.

Test No. 3, 4285 to 4296 feet, with tool open 1 hour and 40 minutes, recovered 3370 feet of salt water. Bottom hole pressure was 1875 lbs. in 15 minutes and flowing pressure was 0 to 1750 lbs.

A 7-inch oil string was set at 4295 feet with 200 sacks of cement.

Stanolind's No. 1 Mabel Wilson et al (formerly No. 1 W. H. Clonts) was drilling below 5160 feet in shale and lime streaks, with no substantial shows reported. The test, an offset to the discovery well, missed the Palo Pinto pay and will test the Ellenburger.

Stanolind has staked two new outposts to the North Knox City pool. The No. 1 Florence Bowden, 467 feet from north and west lines of lot 12, block 8, D. G. Burnett survey, will be a half mile northeast of the discovery well, and about a mile southwest of the discovery well. The company has staked the No. 1 E. M. Travis, 467 feet from the north and west lines of lot 8, block 7, D. G. Burnett survey. The Palo Pinto reef is the goal in both tests.

Progress on other area wells was reported as follows: Ohio Oil Co. No. 1-D W. R. Ross, in east-central King County, set 5 1/2 in. oil string at 5400 ft., perforated with 48 shots at 5320-32 ft. Swabbed and flowed by heads 82 barrels of fluid in 8 hrs. Put on pump. This well is an offset to Bateman No. 69, Strawn lime discovery.

Kingwood No. 1 Ross Ranch, King County, drilling below 5267. Operators cored from 5256 to 5266 feet, and reported no show.

Norwood No. 1 Ross Ranch, drilling below 4784 in lime and shale.

Humble No. B-1 Masterson, in King County, drilling below 6197 in lime and shale.

Stanolind No. 9 Masterson, King County, plugged and abandoned at 4235 feet.

T. D. Humphrey No. 1 Davis, in Knox County, setting surface casing. This test is about a mile from the Dozier wells in Stonewall County, and about 2 miles west of the Mary A. Bush test, abandoned last week at 6038 feet.

Humble No. 70 Bateman, in the Bateman multi-pay pool in King County, digging pits and moving in rig. This will be the first Ellenburger test for that area.

Ohio Oil Co. has staked No. C-4 W. R. Ross, a 5400 foot rotary test, in King County. It is located 1320 feet east of the No. C Ross producer.

DEPUTY GRAND MATRON TO VISIT EASTERN STAR
Koreen Logsdon of Abilene, Deputy Grand Matron of Section 2, District 7, Order of the Eastern Star, will make her official visit to the local chapter Thursday night, February 8, Mrs. C. A. Reed, worthy matron, announced this week.

Mrs. Reed urged that all members make a special effort to attend.

FOUR SENTENCED IN DISTRICT COURT

Four men were sentenced to penitentiary terms after pleading guilty to charges in the 51st District Court this week. Three of the men have been delivered to the penitentiary, while one received a suspended sentence.

Manuel Gonzales, Knox City Mexican under indictment on five counts for breaking and entering, pleaded guilty and was assessed five years on each count, with the sentences to run concurrently. Gonzales was charged with taking a radio and other articles from homes in this vicinity just before Christmas. All goods were reported recovered with the exception of one pair of trousers.

Joe and J. C. Richards, colored brothers, entered pleas of guilty to charges of breaking and entering homes in the Knox City area. Joe, 19, was given a three-year suspended sentence, while J. C. was sentenced to two years in the penitentiary.

J. W. White was assessed five years for swindling by worthless check. White, from Alabama but a member of the Air Corps stationed at San Antonio, allegedly passed a worthless check to The Hat Shop at Monday.

New Jail to Be Open February 17

County Judge J. B. Eubank, Jr., said this week that the new county jail and sheriff's quarters at Benjamin will be open to the public all day Sunday, February 17, and the sheriff's department will occupy the new quarters shortly afterward.

Finishing touches are being put on the building, which was built with funds from a \$65,000 bond issue voted last year.

SCHOOLS TO CONDUCT COMMUNITY SURVEYS

The Knox City and Benjamin school systems will use materials furnished by the Texas Education Agency to make a detailed survey of the communities, according to T. E. Holcomb and S. E. Reed, superintendents of the schools.

This material is now being used by high schools with fewer than 100 pupils. If the results of the program are satisfactory, all high schools in the state may eventually take part in the survey.

Purpose of the survey is to gather information about the local community which will help school leaders in planning a better program of education for the school and community.

Because the good school is so closely tied to community life, many of the questions will be concerned with community resources.

After the material has been collected by the teachers and pupils of Knox City and Benjamin high schools, a group of local citizens will be asked to examine the results in the light of their knowledge of the community.

J. W. Edgar, State Commissioner of Education, pointed out that facts and figures alone cannot tell a complete story. People who know local conditions must express judgments in order to give the facts their proper meaning, he said.

When all communities of this size have reported their findings the state education agency will have a body of information about education in Texas that could not be obtained from any other source. The rapid changes that have taken place in our social and economic life in the past few years have made available information out of date, officials of the agency said.

Teams of students will begin the community surveys within the next two weeks. Townspeople are requested by the superintendents to help supply the information requested. None of it will be made public as an individual report, he said. It will be collected into a general report on the entire community.

FIFTEEN MEN INDUCTED BY LOCAL BOARD

BENJAMIN, Feb. 6. — The sixth induction call for Local Board No. 82 was filled February 1, with a total of fourteen boys leaving Benjamin for Amarillo.

The induction call was for 15 boys. Those reporting were Alfred William Kuehler, Glynn Pat Hill, Edward Ewin Jones, John H. Joiner, Robert Gerald Nix, William Toliver Toller, Maurice Tucker O'Neal, Robert Wayne Harris, Loyd Henry Laney, Edward Joseph Redder, Mart Daniel Booe, Jack Ira Gordon and Charles Anselm Redder. Hardy D. Day of Knox City, registrant of a Tennessee board, was transferred to this board for induction with the above group. Keith Steedman was to have been in the group but underwent an operation the day before he was to report. He will be inducted at a later date.

February physical examination call is for 38 men to be delivered to Amarillo on February 7. The group will travel by charter bus.

March physical examination call and induction call have been received, and notices will be sent to registrants in the near future.

BENJAMIN PT-A SEEKS FUNDS FOR PLAYGROUND

At the last regular meeting of the Benjamin PT-A it was decided to solicit funds for some much needed playground equipment. Mrs. Jack Idol, Mrs. J. D. Redwine and Mrs. F. E. Davidson were named as a committee to make the drive.

"We realize it is a bad time to make another drive," members of the committee said, "but spring will soon be here and children actually need some new equipment. So if you have not already been contacted, you will be. We feel that if you will drive by the school ground and look at what little the children have to play with, you will want to give something. No amount is too small to be appreciated."

"Let's be proud of our school, and have our school children proud of us," they concluded.

FUNERAL IN ARKANSAS FOR KIN OF LOCAL RESIDENTS

Ullie Lea returned last Thursday from Little Rock, Ark., where he attended funeral services for his aunt, Mrs. Albert S. Herndon, 94, who died in a Little Rock hospital Tuesday, January 30.

Also attending from Knox City was Mrs. Mary Steward, sister of the deceased.

Other survivors are the husband, two sons, A. Lee and David T. "Boots" Herndon, both of Little Rock; a brother, N. B. Lea of Clovis, N. M.; three sisters, Mrs. Steward, Mrs. Pearl Porter of Afton, and Mrs. Annie Webb of Dimmitt.

Linda Lou Lane of Wichita Falls is spending this week with her grandparents, Mr. and Mrs. H. E. Wall, while her mother and father, Mr. and Mrs. Vincen Lane, are transacting business in Colorado.

'Fun for All' Promised at Benefit Show Here Tonight

This year's Amateur Contest and Home Talent Show, being staged tonight at the American Legion Hall to benefit the 1951 March of Dimes, is expected to be the best ever, according to Rev. E. V. Becker, local chairman for the Dimes drive.

Rev. Becker reports that response to all phases of the affair—entries in the contest, advance ticket sales and donations of merchandise to be auctioned after the program—has been very satisfactory.

"We will have a good program," the chairman said, "and whatever your taste in entertainment, there'll be something to please you. Then we'll auction the merchandise that the Knox City merchants have contributed, and you can get many useful things such as clothes, food, items for your car, cleaning and pressing, laundry, electrical appliances and even fishing equipment—with ALL proceeds going to the March of Dimes."

Also to be auctioned are

Outstanding Program Scheduled For Calf Show Here Saturday

RECENT BRIDE—

Mrs. Herbert Belcher was the former Joan Alexander before her marriage Saturday, January 27 at 8 p. m. Officiating at the ceremony was Stanley Shipp, minister of the Church of Christ. The bride is the daughter of Mr. and Mrs. A. N. Alexander of Knox City.

Mr. and Mrs. Belcher are at home at 5004 S. Central Ave., Phoenix, Ariz., where he is attending school.

LOCAL BOYS WIN FIFTH IN STATE GRASS JUDGING

Doing double duty, the Knox City Grass Judging team, composed of Barney B. Arnold, Tommy Abe Watson and Kenneth Hobbs, took fifth place in the state grass judging contest held in connection with the Houston Fat Stock Show during the week end. Kenneth received 9th place individual medal.

The boys also took part in a calf scramble. The scramble was held during a rodeo performance with 20 boys and 10 calves in the arena. The boys were lined up on one end of the arena and the calves on the other, and the winners had to catch, halter, and lead his calf back across the starting line. Each winner was then given \$125 to buy a calf, and each calf must be exhibited at the show next year. Tommy Abe not only caught a calf, but was the first boy back across the finish line.

The local FFA boys are looking forward to the Knox County Calf Show, which will be held here Saturday.

Knox City's livestock judging team for the show will be composed of Doyle Dodson, Jimmy Morgan and Bill Whitten.

Those showing livestock in the show will be:

Gary White, milk-fed calf; Burt Denton, dry-lot calf; Earl Hutchinson, dry-lot calf; Bill Whitten, Duroc pig; Gary White, cross breed pig; Earl Hutchinson, Duroc pig; Burt Denton, Hampshire pig; Bill Whitten, Hampshire pig; Kenneth Hobbs, Hampshire pig; and Kenneth Hobbs, cross breed pig.

'Fun for All' Promised at Benefit Show Here Tonight

The chairman urged everyone to attend the affair if possible, as a final contribution to this year's March of Dimes. He reported that the total collected so far is well below that of 1950, and it is hoped tonight's receipts will increase the fund substantially.

Rev. Becker expressed his thanks to his co-workers and to everyone who has contributed in any way to the funds drive.

"This is my first experience with the March of Dimes," he said, "and it is heart-warming to see the splendid support the people give this worthy cause. I want to especially thank the merchants who, after digging deep into their pockets for cash donations, so cheerfully contributed merchandise to raise additional funds. Everyone has been wonderful, and I have thoroughly enjoyed working with all of you in this campaign."

BROCK COMMUNITY TO STAGE BENEFIT PARTY

"Fun Night", to benefit the March of Dimes, will be held at the Brock School house west of town Friday night, February 9, Mrs. Finis Walker, community chairman for the March of Dimes, said this week.

Included in the activities will be an auction sale of baked goods or other handmade articles, games of dominoes and "42", and other contests.

Last year's "Fun Night" at the school added over \$300 to the fund campaign. The "ugliest man contest", between Ted Clary and J. B. Ferguson, was credited with raising most of the money.

Mrs. Walker invited Knox City, O'Brien and Benjamin friends of the community to attend the "evening of country-style entertainment".

"Our community wants to have a part in helping during the fund campaign, and at the same time enjoy a get-together of friends and neighbors," the chairman said.

Games and contests will begin at 7:30 p. m.

FORMER O'BRIEN RESIDENT DIES AT PLAINVIEW

Ed Wright of Hale Center died at 5:30 a. m. Tuesday, February 6, in a Plainview hospital, friends in his area learned.

Funeral services were held Wednesday afternoon at 2:00 o'clock from the Methodist Church in Hale Center.

Mr. Wright formerly lived in the O'Brien and Cliff communities and had many friends in this area. He was a brother in law of Misses Clifford and Blanche Elliott of Knox City.

'Hounds to Get Last Chance at District Play-off

Tomorrow (Friday) night will be the last chance for either Knox City or Rochester to win an opportunity to meet O'Brien in the play-off for the championship of District 12.

The 'Hounds have two defeats in conference play, both administered by O'Brien, and the Steers have two defeats, one by Knox City and one by O'Brien.

Friday night's winner will be the host team for the first game in the play-off next week. The play-off will be a "best two out of three" affair with the first game to be played either at Knox City or Rochester on Tuesday night. The second game will be at O'Brien on Thursday night and a final game, if necessary, will be played on the neutral court of either Knox City or Rochester, depending on which team wins tomorrow night and participates in the play off. Game time each night will be 7:00 o'clock with volleyball games first.

At the first meeting of the 'Hounds and Steers, the 'Hounds were victors by a 47-42 score at Rochester. But on Tuesday night, the Steers defeated O'Brien, 40-39, to pull into a tie for second place. The contest tomorrow night should be one of the best of the season.

This past week has found the boys' and girls' teams rather active, since they have played two regularly scheduled contests and one make-up game with Rule.

Last Friday night the local teams lost their second three-game series to O'Brien. The Bulldog "A" team, sparked by Dub Johnston, whipped the 'Hounds 50-41. The volleyball girls lost to O'Brien by a 35-18 score and the "B" boys lost by two points, 26-24.

Monday night, both boys' teams won from Rule. Scores in the "A" game were 43-21 and the "B" game scores were 19-10. The third series was with Vera here Tuesday night. The local girls won 46-19; the "B" boys 38-21, with John Ed Smith high scorer with 13 points. The "A" boys ran up their largest score of the season, 66-29. Wallace May dropped in 25 points.

Knox County's 4-H Club and FFA boys are grooming their animals this week for what promises to be the "biggest and best" Junior Livestock Show ever held in the county.

Heretofore the annual show, which is held alternately in Knox City and Monday, has been for fat calves only. But this year, besides the nine milk-fed calves to be exhibited, there will be four dry-lot calves and fifteen fat hogs.

The show will be held Saturday, February 10, at the Smith-Campbell Barn in Knox City. If the weather is fair all activities will be outside, but if weather is inclement the judging will take place inside the barn.

All judging will be done by Ray C. Mowrey, head of the Animal Husbandry Department of Texas Technological College, Lubbock.

Included in the day's program will be a Junior Livestock Judging Contest, with steers from the Knox County 4-H Club and the Benjamin, Knox City and Monday FFA chapters participating.

The schedule for the day is as follows:

- 10 a. m.—Junior Livestock Judging Contest.
- 11 a. m.—Swine Judging.
- 12 o'clock—Noon meal for contestants, exhibitors and their parents, with Knox City Lions Club as host.
- 1:35 p. m.—Announcement of Judging Contest Winners.
- 1:45 p. m.—Judging of Junior Steers.
- 2:15 p. m.—Judging of Senior Steers.
- 2:45 p. m.—Judging of Dry Lot Steers.
- 3:15 p. m.—Selection of the Grand and Reserve Champions (from first and second place winners of each class).
- 3:30 p. m.—Selection of steers to be exhibited in the Wichita Falls Stock Show, and auction of fat steers.

More than \$300.00 in prizes are being offered the winning exhibitors in the show.

Boys who will exhibit animals are: Nickey Leaverton and Donny Ryder of Leaverton; Gary Cure and Bobby Miller of Gilliland; and Gary White, Daniel Brinegar, Jolly Bill Whitten, Kenneth Hobbs, Burt Denton, Earl Hutchinson, Walton Dunlap and Jerry Don Houston, all of Knox City. The Knox City boys, with the exception of Gary White, are exhibiting swine in the show.

The annual show is sponsored this year by the Knox City Lions Club. Lee Smith is general chairman, and the committees assisting Mr. Smith are as follows: Finance—Claude Reed, Ancil Waldrip and S. N. Reed; Arrangements—B. B. Campbell, Barney Arnold and Rip Collins; Foods—Roy Baker, O. W. Causey and C. H. Keck.

County Agricultural Agent K. O. Lewis, in announcing final plans for the show, urged everyone in the county to attend.

"These boys have spent a lot of time and effort getting their animals ready for exhibition," Mr. Lewis said, "and the public should encourage them by attendance at the show. 4-H and FFA boys, with their calf and swine feeding projects, have done a lot—and will do more—toward improving the livestock industry."

Mr. and Mrs. Den Davis and Mrs. Loyd Davis, all of Ruidosa, N. M., visited relatives and friends in Knox City this week. The Den Davises were enroute home after visiting their son, Billy Dean, in Austin.

CISCO GIRL AND JIMMIE ROBINSON WED
Miss Betty Jean Martin became the bride of James Emory Robinson at 4 p. m. Friday, January 26, in the home of her parents, Mr. and Mrs. Eugene S. Martin of Cisco. Mr. Robinson is the son of Mr. and Mrs.

Guy Robinson of Knox City. R. B. Williams, Church of Christ minister of Brownwood and a personal friend of the bride, officiated at the single ring ceremony before an improvised altar of cathedral candelabra flanked by large floor baskets of white gladioli and white pom mums. The nuptial music was provided by Miss Patsy King who played "Al-

ways" as the tapers were lighted by Miss Patsy Robinson, sister of the bridegroom. Miss Evelyn White of Rising Star and Miss Jane Huestis sang. The bride, who was given in marriage by her father, wore a Nardis suit of burnt sugar gabardine with black accessories. Her shoulder corsage was of gardenias and white feathered carnations. Mrs. V. C. Overell, matron of honor, wore a suit of dark green gabardine with a gardenia corsage at the neckline. John Robinson of Knox City, brother of the groom, was best man.

A reception was held following the ceremony. Mrs. V. C. Overall and Mrs. Jack King assisted with the serving after the bride and groom had cut their three tiered wedding cake which was baked by the groom's mother, Miss Martha Whitaker who is in charge of the guest register.

Immediately following the ceremony the couple left on a short wedding trip. They will make their home in Cisco at 16 College Heights. The bridegroom is a senior student at Cisco Junior College and a member of the Wrangler football team the past two seasons. The bride is a former student of Cisco Junior College and is now employed by Southwestern Bell Telephone Company.

Out of town guests at the wedding and reception were: the bridegroom's parents and brothers, Guy T. and Bobby Robinson, David Slaughter, Wallace May and Charles Reed, of Knox City; Mr. and Mrs. Roy Mayes and Kenneth of Anson; Mr. and Mrs. E. B. Wilkinson and Helen of Waco; Mrs. Buster Martin and Janette of San Saba; and Miss Joan Skaggs of Comanche.

KNOX CITY STUDY CLUB MEETS WITH 15 PRESENT

The Knox City Study Club met Saturday, February 3 at 3:00 p. m. in The Woman's Club. Fifteen members were present. During the business session, recognition was made and appreciation expressed for the name plaque which was made and given to the club by Tom Hampton of Dallas. Mr. Hampton is a son-in-law of Mrs. T. S. Edwards. The plaque bears the name of the club house, "The Woman's Club", and is placed at the south entrance of the building.

The club gratefully accepted six dozen stainless steel knives given by Mr. and Mrs. Max L. Polen of Abilene. Mrs. Polen is the former Mary Leone Hoge, daughter of Mrs. C. C. Hoge.

The resignation of Mrs. S. E. Park was accepted with regret. The program subject of the afternoon was "Our Benefactors". Mrs. T. E. Holcomb discussed "History and Purpose of the Rockefeller Foundation". Mrs. B. B. Campbell, who was leader for the program, led the group in a round table discussion of "The History and Purpose of the Hogg Foundation".

The next club meeting will be Saturday, February 17.

Mr. and Mrs. Sam E. Clonts of Lubbock spent Wednesday with their mothers, Mrs. Sam Clonts and Mrs. Bertha Perry.

Virginia Buckley and Margaret Ann Waldrip, students at McMurry College, Abilene, were here to spend the week end with

their parents, Mr. and Mrs. Vernon Buckley and Mr. and Mrs. Ford Waldrip.

STREAMS in Desert Places

By OZELLE STEPHENS

In Hosea 14:5 we find that the Lord said to a people who were in a famine or we might say, a desert place spiritually, "I will be as the dew unto Israel." Israel were God's chosen people but all who are saved by the blood of Jesus is chosen of God. If we are not careful to study our Bibles and spend much time in prayer, our lives will lack freshness and vigor. Our spirits will be drooping for lack of dew. We would not think of working without eating. Do you recognize the folly of a servant of God attempting to minister without eating the heavenly manna? No will it suffice to have spiritual nourishment occasionally. Every day we must receive the renewing of the Holy Ghost. Quietness and absorption bring the dew. At night when the leaves and blades are still, the vegetable pores are open to receive the refreshing and invigorating bath; so spiritual dew comes from lingering in the Master's presence. Wait before God until you feel saturated with His presence; then go forth to your next duty with the conscious freshness and vigor of Christ. Remember we must fully reach the "STILL POINT" of waiting before God until our souls are renewed, refreshed and assured of His GRACE, FAITH, and BLESSINGS; so that our lives might be as the "Dew in desert places."

We Will Give 5 Per Cent of Our Gross Sales Friday & Saturday to the 1951 MARCH OF DIMES

Realizing the seriousness of the dread disease, Polio, and the desperate need funds to combat the disease in epidemic areas and to provide hospitalization for it in Knox County, we will give Five Percent of our Gross Sales Friday and Saturday, February 9 and 10, to the 1951 March of Dimes. Due to bad weather and other reasons, the funds drive in Knox City as well as the entire state is far behind the amount needed. We are glad to do our part, and we urge all our friends who have not already contributed to do so.

W. M. S. MEETS MONDAY FOR ROYAL SERVICE PROGRAM

The Woman's Missionary Society of the First Baptist Church met February 5 in the home of Mrs. C. W. Splawn for the regular Royal Service program and social hour.

The meeting was opened by the group singing "Bringing In the Sheaves", followed by a prayer. Devotional was brought by Mrs. H. R. Beauchamp. Mrs. H. W. Finley was leader for the program on the subject of "If", which was a lesson concerning home missions. Others on the program were Mrs. Jim Ross, Mrs. O. W. Caussey and Mrs. Sammie White. After a business session, the group was dismissed with a prayer.

WCS MEETS MONDAY AT METHODIST CHURCH

Seventy-five percent of the Methodist ladies who enrolled for the Bible Study, "We Seek Him Together", were present Monday afternoon when the director, Mrs. O. A. Green, had charge of the meeting.

"Faith of Our Fathers" was the opening song as a devotional and call to worship. Mrs. Green read the worship program from Methodist Woman, and the 23rd Psalm was recited in unison.

Mrs. L. W. Graham reviewed the third chapter of the book. During the business session, the treasurer was instructed to send \$5 to little Julia Estelle Griffith, new daughter of Mr. and Mrs. Ross Griffith of Cisco.

LOCAL CHURCH TO OBSERVE WORLD DAY OF PRAYER

The World Day of Prayer will be observed at the First Methodist Church in Knox City on Friday, February 9 from 10:30 a. m. until 2:00 p. m. Mrs. C. C. Hoge announced Wednesday.

Ninety-two nations of every race, color and creed will observe the day, first in the Fiji

Islands and going around the world with the sun. Alaska, Samoa, and the Songa Islands will be the last to hold the service.

All ladies of every church are invited to attend. Each was asked to bring a sandwich for lunch, and coffee will be served.

Locker Service Meets Emergencies

With Fairness and Legality

Almost as it originated for the purpose, food locker service meets—fairly and legally—the kind of emergency we must solve nationally, and community by community. Under national emergency regulations, as we understand them, you can:

- 1.—Bring your own live food animals and poultry to us for slaughtering and processing, just as you could before price-wage regulations were issued;
- 2.—Purchase at FIRST HAND, direct from the grower, live food animals and poultry, and use our slaughter and processing service;
- 3.—Purchase from us, at wholesale prices, just as you always have, but under the price regulations;
- 4.—Use frozen food locker storage for ALL home-raised produce, or that purchased directly from the grower.

A farming area like ours, with food locker service within a few minutes of the source of food, should have no problem—and it doesn't. Come in and get the details.
