Knox City Band At UIL Contest

Approximately eleven cars were at the school Thursday afternoon to accompany the school band...

ner in Vernon after the concert. Most of the band supporters joined the group there for the meal...

There were 48 band students going, and rather than crowd the bus unnecessarily, part of the students rode in cars.

After arriving in Vernon about 6 p.m. the students had a few moments to talk and hold each other's shaking hands before they assembled to go into the Western Room at the Wilbarger Community Auditorium...

A number of Knox City people came later and arrived in time to hear the KC band. The spacious auditorium was open to everyone...

Each band played a minimum of three selections, and the entire time per band on stage was less than ten minutes.

Soon the announcer was on the stage. He began by saying, "We hope the parents will understand that a II rating is excellent and a III is good."

The Band Boosters organization hosted the band students to din-

Mr. Arnett was very modest in accepting any congratulations on his part as director. Even though everyone expressed his thanks to him for the fine leadership...

The band loses 12 seniors this year and should gain about 10 or 11 eighth graders.

AT SIX FLAGS

Mr. and Mrs. Tom Hicks went to Fort Worth over the weekend where they were joined by their children and grandchildren for a Saturday trip to Six Flags Over Texas...

Streams In Desert Places

God did marvelous things in the sight of our forefathers, he showed them his wonders such as: "He divided the sea and caused them to pass through; and he made the waters to stand in a heap in the daytime he led them with a light of fire. He clave the rock in the wilderness and gave them drink as out of the great depths. He brought Streams also out of the rock and caused waters to run down like rivers. He gave bread and meat to his people and yet they sinned more and more (Ps. 78:2-29.) How often do we review these wonders of our loving Lord and remember He is our God and all his blessing are ours as we believe. Or do we provoke the most high by our neglect and unbelief. If we will only look into his word we will see the destruction that comes upon those who fail to obey and seek him. He is the same God and is no respecter of persons.

Linda Colleen Swaner Becomes Bride Of Billy Charles Gooch, Sat., April 15

Miss Linda Colleen Swaner became the bride of Billy Charles Gooch in a candlelight ceremony Saturday, April 15, at 8 p.m. in the Fairview Baptist Church of Grand Prairie. Rev. Ernest Duncan read the wedding ceremony.

Mr. and Mrs. Bert Swaner of 810 Highland Drive are parents of the bride. The bridegroom's parents are Mr. and Mrs. Doyle Gooch, 805 Singleton.

Wedding music was provided by Mrs. Ernest Duncan, soloist, who sang "Oh Promise Me" and "The Wedding Prayer." She was accompanied by Gaylon Stewart, organist.

Church decorations included candelabras, and standing baskets of gladioli and stock.

The bride, given in marriage by her father, was attired in a sheath styled, floor-length gown of white lace and organza over taffeta. The dress featured a beaded bodice with scooped neckline, empire waist, and long sleeves tapering to petal points over the hands. A detachable chapel length train was accented with lace applique.

The bride's imported silk illusion veil was held by a tiara of lace, sequins, and teardrop crystals. She carried a cascade bouquet consisting of a white orchid, surrounded by carnations and candytuft.

Mrs. Delbert Blyton, sister of the bride, served as matron of honor. She wore a floor-length gown of blue peau de soie. A blue lace panel extending from a large bow in back accented the empire waistline. She carried a bouquet of blue carnations.

Bridesmaids were Miss Gayle Swaner and Miss Lynn, cousins of the bride from Grand Prairie, Mrs. Janie Kirksey of Wichita Falls, and Miss Patty Meinzer of Benjamin, Texas. The bridesmaids were dressed identically to the matron of honor. Each bridesmaid carried two long-stemmed blue carnations.

Doyle Gooch, father of the bride groom, served as best man. Groomsmen were Delbert Blyton and Clyde Freeman Jr., both of Grand Prairie.

Mark Gooch, brother of the bridegroom, and Bruce Adcock served as candlelighters.

Flower girls were Doylene Gooch, sister of the bridegroom, and Cynthia Byman, cousin of the bride of Arlington.

SOPHOMORE NEWS
By Mary Reese

Just four more weeks of school! Then, it will be out for another three months.

This seems kind of like "banquet week" at KCHS. The FFA and FHA hold their banquet Tuesday night and the Junior-Senior banquet is Friday night.

Margaret Howell, Donna Rallsback, Mary Reese, Floyd Baker, Ronald Curd and Randy Hise will serve at the banquet.

We would like to congratulate Mr. Arnett and the band for being the winners of another sweepstakes. We're proud of ya!

EIGHTH GRADE NEWS
By Owen Angle

This isn't news concerning all of our room, but for the ones who went with the High School Band to Vernon—we did it again! We'd all like to thank Mr. Norman Arnett for giving us all the patience and valuable time that he did. We'd also like to thank all the faithful Knox City people who again showed their interest in our band at Vernon. We deeply appreciate this.

Getting back to our room—we're still awaiting graduation "eagerly" (Some of us are anyhow!) But even now, some arrangements haven't been completely made.

There is one boy in our room who can't seem to go very long without getting hurt or sick. You know who—Sammy Tankersley—fell off a bicycle and broke his clavicle (collarbone, we learned this year in science.)

Only three more short weeks of school after this one, so we must try and enjoy it.

Immediately following the ceremony, a reception was held in the Community Room of the Grand Prairie State Bank. Karen Gooch, sister of the bridegroom, presided at the guest book. Others included in the houseparty were Mrs. Jimmy Byman of Arlington, Mrs. Jean Myers of Dallas, Mrs. Ronald Voss of Fort Worth.

For her going away costume, the bride chose a navy blue empire styled dress accented with white trim. She wore white accessories.

After a wedding trip to Corpus Christi, the couple will make their home in Grand Prairie.

The bride is a graduate of Knox City High School and is employed by the Department of the Navy in Grand Prairie.

this morning since we are going by daylight-saving time. It's nice though to get out of school and still have an extra hour of daylight in just 4 more weeks we won't even be coming to school.

Thursday afternoon the band went to Vernon to the University Interscholastic League contest. They played three songs in concert competition and got a one. Then they sight-read one song and got a one. At marching contest last fall they got a one in marching. By getting a one in marching, concert and sight reading, the band won a sweepstakes for the fourth year in a row.

The FFA FHA banquet will be Tuesday night. The FHA girls will receive their certificates for their Junior and chapters degrees. The freshman girls have the privilege of washing the dishes when we get through.

SOIL STEWARDSHIP WEEK TO BE OBSERVED IN MAY

Soil Stewardship Week will be observed in Texas and throughout the nation April 30 through May 7th.

The Wichita Brazos Soil and Water Conservation District joins other districts in Texas in sponsoring this observance. According to Jack Idol, Chairman of the Wichita Brazos Soil and Water Conservation District, booklets and other materials for use by the clergymen of all faiths have been provided by the District.

All ministers have been asked to deliver Stewardship sermons during Stewardship Week.

The primary purpose of Soil Stewardship, Idol explained, is to remind everyone, urban and rural resident alike, of his obligation to God as a steward of the soil. Everyone is dependent on the soil, Idol concluded.
