NUMBER 45

Obituary

MELVIN SIMMONS

Funeral service was conducted Tuesday afternoon for Melvin Simmons, age six years, and the little baby was laid to rest in the Odd Fellow Cemetery.

Melvin, son of Mr. and Mrs. M. H. Simmons, was born December 15, 1929. The family lived in the Sunset community and Melvin, being six years old, started to school this year. He went to school only four weeks when school was dismissed for cotton picking.

About one week ago Melvin took sick with intestinal flu. He endured only a few days, the date of his death being September 21, 1936. He is survived by his parents and two sisters, Edith 14 and Gladys 2 1/2 years also by two grandmothers, Mrs. Simmons and Mrs. Stovall and by a host of other relatives.

Funeral service was conducted Tuesday, September 22 in the First Baptist Church, Reverend Albertson of Munday in charge. Flower girls were Misses Faye McAuley, Faye Hyde, Merrilynn Herring and Doris Lee Westfall, and Miss Syble Louise Wilson of Munday. Pall Bearers were Harvey Freeman, D. W. Davis, Earl Forhee, R. M. Almonrode, Lloyd Waldrip and Ada Cladburn.

The absence of this child in the Simmons home will be keenly felt and his passing brings every child nearer to the hearts of parents. The Herald joins the many friends of the Simmons family in expressing sincere sympathy.

L. M. JONES

Mr. L. M. Jones, 57, died very suddenly Wednesday morning about 7:15 o'clock. The body was carried to Bryson Wednesday afternoon and held for services and burial today, Thursday.

Mr. Jones had been ill some time, being confined to his bed for the past 19 days. He had a broken blood vein on the foot and his death is attributed to a clot of blood going to the heart from the foot.

The deceased moved to Knox City in February 1933 and has operated a grocery store. He was a member of the Methodist church and it was from this church in Bryson that funeral services are being conducted.

Mr. Jones is survived by his wife, one sister and six brothers. The sister is Mrs. J. W. Bradshaw of Shamrock, and the brothers are C. B. Jones of Munday, G. H. of Seymour, J. F. of Colorado City, S. M. of Headrick Oklahoma, W. T. of Jermyn and G. J. of Bryson.

The Herald joins the town and community in extending condolence.

Among those from Knox City attending the funeral service are Mr. and Mrs. S. E. Youngblood, Mr. and Mrs. D. D. Harriston, Mr. and Mrs. Harry Garrison, Mr. and Mrs. M. E. Jones, Mr. and Mrs. A. J. Malouf, Mr. and Mrs. J. Silman, Mrs. G. D. McCarty, Roy Baker, Press Hitchcock, Mrs. J. A. Wilson, Lloyd Waldrip, Jobie Denton, J. M. Ashcroft, and O. D. Reid.

Merchants of Knox City sent five beautiful floral wreaths.

MRS. A. B. REESE'S FATHER BURIED AT MOUNT ZION

Mr. J. B. Lowe, age 82, died Saturday, September 19 at Woodville Texas. Burial was made Sunday at five o'clock at Mount Zion. Mr. Lowe was the father of Mrs. A. B. Reese of this city. She went to Woodville last week.

CARD OF THANKS

We take this means to thank our many friends for their kindness and help during the illness and death of our darling Sonny Roy. We thank you especially for the floral offerings. May God's richest blessings abide with each and every one of you is our every prayer in this hour of our heartbroken sorrow.

Mr. and Mrs. M. H. Simmons
Edith Gertrude and Gladys Nell

Mrs. Holt Moseley spent Sunday afternoon with her mother and sister in Rochester.

BACK OF THE FLATS

Willie! Mamma says never mind the stew meat - get chops! Papa's got a job.

By PERCY CROSBY

377 PUPILS IN SCHOOL THIS WEEK

127 In High School; 60 Are Freshmen

Of the 377 students who began school this week 127 are in high school and of the 127, 60 are Freshmen. There is one post graduate doing special work this year, making 128 in the high school division.

By classes there are 60 Freshmen, 28 Sophomores, 21 Juniors and 18 seniors. In the grades, Miss Cherry has 40 first graders, Miss Rice, 37, Miss Hicks, 32, Miss Benton, 37 Mr. Wetzel, 37, Miss Swift 35 and Mrs. Carpenter 32.

Superintendent King states that some 40 pupils more will be enrolled during the year.

Mrs. C. A. Allen is employed in the high school library as Junior Librarian. This is a WPA project and it appears that it will be a tremendous help in the library.

HIGH SCHOOL BAND BEGINS REHEARSALS

The Knox City High School Band has already begun the new year's work; plans having already been made for a much greater year than we experienced last year. The Band has been rehearsing twice a week for the last two weeks and the members are gradually getting back into form. Due to lack of practice during the summer the band is not sounding very well yet but hopes to be back in form in about two or three weeks. The organization now consists of 26 members, two less than the final membership last year. An effort is being made now to increase membership to at least forty. Those boys and girls who feel that they would enjoy working with the band are more than cordially asked to enroll with the band. The organization will mean something to them.

Parents of those boys and girls wanting to enroll are urged to talk to the director about suitable instruments. Let us all work together to make the band a worthwhile organization in the Knox City Schools.

A junior band will be organized if sufficient membership can be obtained. This group will work as a separate organization, but the members of this group will be allowed to enter the senior band as soon as they show the required proficiency on their instruments.

TAX VALUATIONS EXCEED \$6,000,000

According to the report of the Tax Assessor Collector's office, total realizations for this year amount to \$6,541,520, which is divided as follows: Farms and ranches, \$2,866,955; city property, \$967,170; personal property, \$966,815; railroads, \$285,590; telegraph and telephone property \$177,870; pipe lines, \$250,680; banks \$61,000.

The county tax rate is 90 cents per \$100 valuation which is the same as it was last year. The state rate also remains the same.

Taxes delinquent for 1935 amounted to 9,174.59 which is considerably less than for the previous year when the total was \$11,217.58.

MOTHER ROGERS HONORED ON 80th BIRTHDAY

Mrs. Z. T. Rogers, known as Mother Rogers, was especially honored by her family on Saturday, September 19, it being her 80th birthday. A special birthday dinner with a cake topped with 80 candles graced the Edwards dinner table and stacked about the plate of the honor guest were many presents. In addition to these gifts many were sent in from friends over Knox City.

Out-of-town relatives who came for the birthday occasion were Mr. Ross D. Rogers and son Ernest and Mr. C. K. Rogers of Amarillo, Mrs. C. L. Bailey of Wichita Falls and Kenneth and Miss Sydna Edwards from Dallas. Others of Mrs. Rogers family who were unable to be here in person sent flowers and messages by wire. It was a very happy day for Mother Rogers.

FIRST NORTHER SEPTEMBER 24

Rain Of Week Totals 2.35

The first norther of the Fall and Winter blew in Wednesday evening around eleven or twelve o'clock. Thursday morning weather thermometers revealed a drop in temperature of more than thirty degrees.

Since the Herald last went to press a total of 2.35 inches of rain has fallen, making the total for the month thus far 10.05.

Farmers report cotton to be sprouting in the bolls and maize sprouting in the head. A study of the condition shows it to be reasonable to believe the damage not to exceed the gain in the cotton. Where top locks on a boll sprout the remaining locks are protected and at the same time bolls not yet open are growing larger. The gain should equal the loss.

In the case of maize sprouting in the head, the loss can not be regained. There is the possibility of sowing winter wheat however, which, without rain, would be impossible.

FIRE DEPARTMENT GETS NEW EQUIPMENT

The Knox City Fire Department has ordered and is expecting to receive this week new Leader Line equipment. The equipment consists of s-line connections and necessary hose which enables the boys to have two streams of water flowing at the same time, twice as much water for fire fighting. Boys of the department will probably be out in a bit of practice with the new equipment before the week is out.

Reverend and Mrs. W. D. Green made a trip to San Angelo the first of this week. They formerly lived in San Angelo and made the trip this week to see friends and render assistance if needed.

Mrs. R. D. Hutchinson returned to her home in Wichita Falls last week after spending some 7 weeks with her daughter Mrs. Press Clarke.

Mrs. J. T. May and Mr. and Mrs. W. E. Lowrance spent Monday in Abilene.

BAPTIST CHURCH

With a hand of welcome to all who will come.

Sunday School 9:45
Morning message 11:00
R. T. U. 7:00
Evening message 8:00
Prayer meeting, Wednesday evening at eight o'clock.

All who missed services last Sunday have reason for regret. We are praying for a great day next Sunday so come and we will do thee good.

Monday evening, September 28 we are to begin our B.T.U. training course with four classes, adults, seniors, intermediate and juniors.

We are to have one out-of-town teacher for this five nights school. Please help us to make it worth while.

As pastor of the Baptist church I wish to express my appreciation for our friends of other churches who visited with us last Lord's day and bid you come again.

W. D. Green

TWO COUNTY PAPERS CONSOLIDATE

Last week marked the final issue of the Benjamin Post, and evidently the last issue of the Munday Times, since the two papers have consolidated and are being issued as one paper from the office of the Times in Munday. It is likewise noticeable that this paper only two weeks ago changed its form; that is, pages are only half their former size. This change gives the Times two pages for every one it use to have. It is interesting and will doubtless prove profitable.

Charles and Bill Bisbee have moved themselves and their plant from Benjamin to Munday and with Kennedy will send out their first consolidated issue this week.

SAGERTON RAILROAD

BRIDGE OUT

The Wichita-Valley Railroad trustee west of Sagerton was washed out with flood water Tuesday night. The ten foot rise, reported to arrive at Knox City on Tuesday night, failed to get here; however, water did rise to within two or three feet of the railroad bridge. C. E. Ball reports the first local freight here for a week came Wednesday morning.

The Doodlebug, due Wednesday evening at six, arrived Thursday morning at two. The holdup was due to a broken axle happening at Odell, near Chillicothe.

Some fifty or more Knox citizens spent the fore part of the night Tuesday on the north river bridge watching for the ten foot rise reported. Between six and eight o'clock the water rose two feet, however after that hour it held its own and began going down around ten or eleven. Benjamin cars drove through the League Estate to get to the bridge to see the water. Several cars arrived while Knox City people waited on the south end of the bridge.

COUNTY SINGING CONVENTION MEETS HERE SUNDAY

The Knox County Singing Convention meets in Knox City Sunday afternoon at 2:30 in the First Baptist church. Those who wish to attend are invited to do so.

FALL THEIVING BEGINS ON CARS

The thieving season that Knox City endures each Fall and winter has begun. Unknown parties entered the double garage at the L. N. Bridges home last Saturday night and took a tire and wheel, hub cap and radiator cap.

Mr. and Mrs. Jim Bridges of Gordon spent the weekend with his parents and the double garage housed the cars of both families. The thieves took L. N.'s jack and lifted Jim's wheel and took it, while they took L. N.'s hub cap and radiator cap.

This first bit of thieving minds Knox City that car houses as well as homes will have to be locked at night and when the family is away in the day time. It is also advisable not to leave things in parked cars, especially at night. If you can't carry your wraps, don't bring them to town, and if you are not ready to go home, don't buy your groceries and other purchases in your car.

HOSPITAL NOTES

Among patients in the Knox County Hospital this week are Mrs. Paul Tankersly, Mrs. A. U. Hathaway, and Mrs. W. E. Braly all of Munday, T. J. Webb of Old Glory, J. W. Aycock of Weinert, Mrs. Cliff Berry, and infant son of Haskell, and Ben Simpson of Rule.

Patients dismissed last week and this are Mrs. R. J. Reynolds of Haskell on Tuesday, Mrs. J. M. Ballard of Lamesa on Monday, Mrs. Grady Webb of Rule on Sunday, Mrs. Giles Michael of Rochester on Tuesday, Mrs. J. M. Bunson of Haskell last Friday and Mrs. R. O. Henry of Rule last Saturday.

R. C. HAMNER SUFFERS STROKE AND FALL

Mr. R. C. Hamner suffered a third stroke this morning, Thursday, and fell while in the Tin Shop. It is supposed that his head struck the work bench for he suffered a cut over the left eye. The cut, only about one inch broad, is not serious but his condition otherwise is yet undetermined. Mr. Hamner has hardening of the arteries and the strokes he has are accompanied by dizziness which cause him to lose his balance and control. He was carried home this morning and given treatment from a local physician.

With IRVIN S. COBB

There'd Be A Popular Uprising

By IRVIN S. COBB

THE revivalist was the mouthpiece of a new cult, an off-shoot of an older denomination. Before an awe-struck congregation at a camp meeting he was describing what would come to pass with regard to those

still necked nonbelievers who were found outside of his own fold on the day of judgment.

"My brethren," he clarified, "there is no middle course. By the word of the Holy Writ I have proved to you that mankind either must take the true doctrine as it has been expounded here or accept the awful consequences. I can close my eyes and see the picture right now. Over there in shining robes stand the little group of the elect and the saved. And down below in the fiery pits of perdition millions of the unregenerate are roasting in the undying fires through all eternity. That, my brethren, is what will come to pass."

"From the body of the house a small elderly gentleman rose up. "Excuse me for interruptin'," he said, "but there ain't no chance for sich a thing to happen. Why, the people jist natchelly would stand fur it."

We are equipped to do cylinder reboring, electric and acetylene welding, do all types of car repair and handle Chevrolet and genuine Ford parts. Your Dependable Motor Mechanics.

Oldest Paper In Knox County
 PUBLISHED EVERY THURSDAY
 H. B. Sweeney, Publisher
 One Year \$1.63
 Six Months .75
 Entered in the Postoffice at Knox City, Texas for transportation through the mails as second class matter.

NOTICE: Any erroneous reflection upon the character, standing, or reputation of any person, firm or corporation which may appear in the columns of The Herald, will be gladly corrected upon its being brought to the attention of the publishers.

The lady editor is in receipt of a letter this week from Mrs. E. Q. Warren in Denton. She states that she has been transferred from the new dormitory (because it is not finished) to Travis Hall, which is occupied by 40 girls. Mrs. Warren says she could not be more happily situated for the hall is very home like and in the center of the system, just off the campus enough to lend the atmosphere of living in Denton. We feel sure of that Mrs. Warren will be glad to hear from any and all of her Knox City friends, and for information to those who do not know her address is Travis Hall, Denton, Texas.

S. C. Edwards has had a bit of trouble with his foot recently the one pierced with a cactus several years back. Just as his foot began improving his right hand took sick. It is bound this week and is giving R. C. quite a bit of misery.

Membership of the First Christian Church announce this week that all repair work on the building has been completed. Although the church has no pastor now one will probably be secured before long.

The Methodist Sunday School put its right foot forward recently when C. E. Fall was made superintendent. He is doing the hardie (superintendent) justice, giving evidence of having prepared himself for the work.

Mr. and Mrs. Fleming of Dallas are here visiting the Lowrey family. Mr. and Mrs. Fleming are newly wed and are an attractive couple. They were in attendance at church service at the Baptist church Sunday.

Banish Body and Perspiration Odors

with YODORA, the deodorant cream which conceals, absorbs and counteracts odors.

Yodora is a scientifically compounded white, soft cream—pleasant to use—acts promptly with lasting effect—harmless to the most delicate skin—will not stain fabrics.

For those who perspire freely whether under the arms, feet or other parts of the body Yodora is most valuable. It is a true neutralizer of body odors.

Yodora, a McKesson product, may be had in both tube and jar form and costs only 25¢.

HARLEY SADLER CIRCUS IN ROCHESTER SATURDAY SEPT. 26

The old statement that there is nothing new under the sun is being refuted this season by Harley Sadler, popular Texas showman, who is bringing Harley Sadler Circus to Rochester on Saturday September 26, for an afternoon and night performance. Believing that the public wants something different in the way of circus entertainment, Harley Sadler has assembled a circus that is a distinct departure from all circus performance. The performance opens with a processional pageant, depicting "Texas Under Six Flags," with a special costumes and musical numbers, then comes the circus performance where act after act takes place with lightning-like rapidity. Among the circus acts will be the great Orton troupe of wire walkers, acrobats, and gymnasts, the Valera family presenting a sensational flying act high in the big tent. Miss Tito, Moromoto, little Japanese star of the circus, acclaimed to be one of the greatest performers in the circus world. Munde and June, jugglers extraordinary, Capt. James J. Hamster and his school of highly trained horses, the Gomez troupe of acrobats from Old Mexico, Lee Smith and his gang of funny clowns to make you laugh, Capt. Buck Bonham and his performing elephants, featuring his act by allowing himself to be carried the length of the hippodrome track by his head in the mouth of "Big Vera," world's largest elephant. Another feature of the Harley Sadler circus is "Mary," baby elephant and it is said the Sadler circus is the only circus on the road today with a mother and baby elephant. The baby elephant stands about three feet high and weighs about two hundred and fifty pounds. The band, under the direction of Professor Eddie See, will present a thirty minute overture preceding the performance. As a special feature attraction, Harley Sadler circus presents Ramon, Argentine movie star in person, who will be seen in the main show performance. Denver Crumpler, tenor, will sing during the presentation of "Texas Under Six Flags." Among the strange and curious animals carried by the Sadler circus will be seen a "Maskutis," the largest type of anthropoid on exhibition in America today, and the only one in this country, weighing 350 pounds, standing over six feet tall, and makes a giant orangutang in the next cage to him, look small in comparison. All in all, it promises to be a real circus performance, brought to Rochester with Harley Sadler himself in person with it.

Curtis Herring spent a few days last week at home in bed. He was sick but made it out the last of the week.

Tom Waggoner is driving a new Tudor V-8 coach bought last week from the B and H. Motor company of this city.

Mr. and Mrs. R. H. Banks spent Sunday with relatives in Haskell.

Mr. and Mrs. E. C. Campsey went to Jackboro Tuesday to join others for a fishing trip.

CHEVEROLET PRODUCES CAR NUMBER 12,000,000

Record-breaking sales of Chevrolet cars and trucks in Knox City and throughout this section have hastened the company's attainment of another important milestone, the production of its 12,000,000th car, it was announced recently by H. C. Howard, Dallas Zone Manager.

Chevrolet number 12,000,000 was built at Flint, Michigan, on August 5. Mr. Howard said. It came off the assembly line exactly eight months and one day after the 11,000,000th Chevrolet was built, and its production brought to 1,182,000 the number of cars and trucks produced by Chevrolet since the manufacturing and assembly plants began on the 1935 models.

"In all but two of the months since the current models introduction," said Mr. Howard, "The output has exceeded the 100,000-mark. Three of these months set new all-time records. Chevrolets goal of a million plus, in 1936 is assured." Sales in the Dallas zone alone, in the month of July, were 2983 units, compared with 2081 in July 1935.

Fresh stock of Eveready B and A1 Cell batteries.

Mrs. T. E. Robbins, Mrs. Guy T. Glenn, Mrs. Roy Baker, Mrs. Lee Smith and Mrs. H. B. Sweeney spent Friday afternoon of last week at the Unit Shop in Stamford.

Mr. and Mrs. Byron Lee of Smyrna were here over the weekend.

Big OPHILOSOPHY by DEAN E.V. WHITE TEXAS STATE COLLEGE for Women (C.W.)

The success of a wedding does not depend on its size.

One who tries to ride a college diploma is usually bumped off.

He is a poor citizen who would draw the wages of another's work. You can depend on what some people don't say.

A half friend is worse than an enemy.

Some people mistake their notion for convictions.

Better be a recluse than keep getting on other people's nerves.

One makes enough mistakes when he does his best.

Better be ignorant than know the wrong things.

He is a cheat who would make you believe he is superior to himself.

JUST AROUND THE CORNER

The lurking cold germ is waiting for your defenses to be lowered. Leading doctors tell us that fifty per cent of all disabling diseases start with a "common cold." America's Public Health Enemy Number One, the common cold germ, strikes with such viciousness that sixty per cent of the population has three or more "colds" each year. Think of this startling total of over two hundred million illnesses—many of which could be avoided with adequate heat and proper ventilation throughout the home.

A FEELING OF FLOATING

One more kitchen floor is made resilient in Knox county, since Mrs. Ed Jones, kitchen demonstrator of the Hefner H.D.C. has laid a bright colored, easily cleaned linoleum.

This linoleum is not only easier to clean and to keep clean, but it makes a pad that is so nice to work on walk on. And the sound that is kept down is well worth the price of the floor covering. Now there aren't the many cracks, as in the regular floor, to catch dirt.

And along with this making the floor resilient, Mrs. Jones has added a hot-water heater. The whole family rejoice in this addition; not only for the kitchen duties, but bathing is so much easier done now. No heating and carrying of large quantities of hot water is necessary now. What a relief.

BRIGHTEN-THE CORNER

And suddenly there was more light in Mrs. Mae Tynes' kitchen, for this kitchen demonstrator of the Gore H.D.C. has papered her kitchen walls. Now in place of dingy dark wall that were impossible to clean, there is a free, "brighten-the-corner" feeling. Mrs. Tynes has found that it's really an enjoyable task to cook and even eat in this room. She papered the walls herself, saving enough in doing so, to pay for the paper.

But after the walls were finished, she could not stop until the wood-work had been "brought-to-life" with a coat of fresh kitchen paint. Now with two large windows this is really a cheery place in the back of the home.

Mrs. C. M. Galloway and children from Hamlin spent the weekend here with her daughter Miss Ona. Ona left Sunday for Childress to work in a beauty shop. The owner of the Childress shop was very anxious to secure Ona's services and drove to Knox City for her.

Mrs. C. Bohannon received the \$75.00 given last week at the Texas Theatre. \$25.00 this week went to Mrs. Bill Denton.

Motor Shaver has returned home from Roosevelt Oklahoma.

Mr. and Mrs. Hugh Dutton and children of Amhurst spent last week here with her sister Mr. and Mrs. A. L. Dutton.

A ten pound baby boy was born to Mr. and Mrs. Morris Denton Tuesday night.

Mrs. Scott Dalton and children returned home Saturday from a two weeks visit in Brownfield and Lamesa.

Mrs. T. W. Erwin of Dallas was the guest of Mrs. O. L. Jamison last week.

W. P. Benedict is having a new roof put on the building occupied by Tom's Universal Motor Service.

Mrs. Bruce Campbell and two sons left last Friday. The boys went to attend A and M and Mrs. Campbell went to Normangee to visit her father.

Mrs. Ed Shaver and Mrs. Ben Farmer visited in Abilene on Thursday of last week.

Truman Branton from Louisiana was here the first of this week with his father E. F. Branton.

Miss Marilyn Edwards returned home last Thursday from a months trip to Houston and Dallas.

Mr. J. J. O'Brien from Roosevelt Oklahoma brought his wife here Wednesday to the home of her mother Mother Shaver.

Hubert P. Johnson Superintendent of the Methodist Orphan Home at Saco, visited Reverend and Mrs. B. J. Osborn Wednesday.

GIANT MAN APE WITH HARLEY SADLER CIRCUS ROCHESTER SATURDAY, SEPT 26

Your Billion Dollar Pay Roll

By **RAYMOND PITCAIRN**
 National Chairman
 Sentinels of the Republic

Whether you happen to be an employer or an employe, you're now on the disbursing end of one of the longest pay rolls in history.

It carries hundreds of thousands of names. It has expanded more than 40 per cent during the past three years. Steadily it continues to expand—year by year, month by month.

In June of 1935, for example, its beneficiaries totalled over 563,000. By June of 1934, the count had swollen to 661,000. By 1935 they exceeded 717,000. On last June 30, the exact count was 824,259.

And on that date their pay checks added up to \$129,487,167 for the month—which is at the rate of more than a billion and a half dollars per annum.

Who are these pay-rollers who collect such huge sums out of the taxes, direct or hidden, contributed by every American worker and consumer?

A recent report of the United States Civil Service Commission offers the answer.

They are the civilian employes on the swiftly expanding Executive pay roll of the Federal government. The list doesn't cover the Army or Navy, the Legislative or the Judicial branches of government. And, of course, it doesn't include the hordes of jobholders in state and local employe.

Most of this army of Executive Department pay-rollers is centered in Washington—in new and costly offices also built or rented at your expense.

What are we getting for all this expenditure—with its certain, though indirect, effect in boosting the cost of "living"? Principally a large bill, to be paid by our own and future generations, and a lot more bureaucratic interference with our work and our lives than we either want or need.

A reasonable number of public servants is a prime necessity of government. An unreasonable number means only useless activity and waste. And for both you pay the bill.

At the rate of a billion and a half dollars a year!

Big assortment of Fountain Pens 25c, 50c, 1.25, 1.75, 2.50, 3.50 and up at
FRIZZELL'S

W. A. Smith from Rails, was in Knox City the first of this week.

Mrs. L. W. Swift spent last week with her sister in Putnam.

The Missionary Society of the Methodist church met Monday for a Bible study. Nine members were present. The association meets next Monday for a social in the home of Mrs. A. E. Hopson, joint hostess being Mrs. G. D. McCarty. On this date a World Outlook program will also be given. The first Monday in October the Society begins the study of "The American Negro".

Mr. and Mrs. Vernon Bridges made a business trip to Dallas this week. They returned home Wednesday.

Mr. and Mrs. Ray Willis spent several days in Dallas attending the Centennial.

Jack Wilson is leaving town this week for Baylor college in Dallas.

For the best auto body and fender repair and repainting call at the Knox City Motor. Work done by Jim Dobbs.

Inspect our stock of used cars before you buy. Ashcroft Chevrolet.

THE PEOPLES

Choice

JOIN the ranks of modern women who have declared themselves for Electric Cookery. Enjoy the cleanliness, speed, coolness, economy and better results brought to women by Hotpoint's new Electric Ranges.

A million and a half American homes now prepare their meals the modern electric way.

Come in today and learn how easily you can own one of these new Hotpoint Electric Ranges, the symbol of the modern home.

HOTPOINT CALROD

What Mazda means to light, Calrod means to cookery. Calrod is the name given to Hotpoint's hi-speed sealed-in-metal cooking roll which has revolutionized electric cookery. It brings new speed, new cleanliness and new economy to the kitchen.

THRIFT COOKER

Economical. Uses only about as much current as the kitchen light. Cooks an entire meal of meat, vegetables, dessert—or bakes small quantities, like a few potatoes, without need for heating up the oven.

THE CAMBRIDGE—A New Hotpoint Electric Range. All porcelain enamel with chromium trim. Table-top model. Full size oven. Spacious storage drawer. Calrod units and Thrift Cooker.

LIBERAL TRADE-IN
LOW DOWN PAYMENT
EASY MONTHLY TERMS

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule... and adds only a small amount to your total bill?

Keep your BABY SAFER

Don't let germs infect your baby's delicate skin. Instead of using ordinary baby powders, use Mennen Antiseptic Powder. It's definitely antiseptic and fights off germs. This famous powder is as soft, as smooth and fine as a baby powder can be. But, in addition—IT **KEEPS YOUR BABY SAFER**—protected against his worst enemies, germs and infection. It costs no more. See your druggist today.

MENNEEN Antiseptic POWDER

Butter-Nut Bread

Try a loaf of Knox City's new Butter-nut bread. Sense the improved texture and flavor. This fine bread is baked fresh daily by David S. Taylor. Buy a loaf at your grocery.

FOR FALL PAINTING

\$1.65
and up
per gallon

Because the makers of Lincoln paint search the world over for the finest mineral colors, oils, and driers, their product is recognized as the standard of quality. It covers more surface gives a more durable, lasting coat of protection, and will not crack or peel. Painting is an investment. Painting with Lincoln paint is best.

More for you money in school supplies than any other place, ask your neighbor.

FRIZZELL'S

W. A. Robinson of Rule is driving a new Chevrolet Standard Town Sedan bought this week from Ashcroft.

Miss Francis Evans returned to Abilene last Thursday. She spent some three weeks here with her family.

Mrs. D. Moorhouse and son of Sayre Oklahoma spent the weekend here with her parents Mr. and Mrs. W. F. Evans.

Battery recharging: We meet any competitive prices.

Motor Parts Compan

Our school SALE two items for the price of one is still on.

FRIZZELL'S

LUXURY--

If you are selling a coat that's lined with a finer silk--advertise the fact! If you're selling a washing machine that's more beautiful tell your readers so. If you're selling a new design in silverware, an imported shoe, or even a richer, fuller blend of coffee, let the public know about it and you'll sell more!

People want and crave anything that's a little bit better than their neighbor's. They will always pay a few cents or a few dollars more for luxury. Advertise luxury! See us. We'll help you plan restful advertising with illustrations.
