VOLUME XXXVIII

KNOX CITY, KNOX COUNTY, TEXAS, THURSDAY, MARCH 26, 1953

NUMBER 16

Disaster Relief Fund Total Passes \$26,000 Mark

27 Hospital Rooms Ready for Use

The Knox County Hospital "opened for business" Monday afternoon after a rush job of repairing damage suffered in the tornado March 13.

Four patients were admitted Monday.

Twenty-five rooms in the old portion of the building have been opened for use. As yet no repairs have been made to the new west wing, which was so badly damaged officials say it may have to be rebuilt.

According to Miss Beulah Sanders, hospital superintendent, volunteer helpers from Knox City, Munday and other neighboring towns pitched in to enable the hospital to re-open so soon. A group of local women helped scrub floors, wash windows, clean furniture and other necessary jobs to get the hospital back in operation.

Rebuilding of the Knox City Clinic has not been started, and the clinic is still in operation in temporary quarters in the American Legion Hall.

Mrs. C. A. Reed and Son to Operate Grocery & Market

Mrs. C. A. Reed said this week that City Grocery & Market will continue to be operated under the same policies as those followed by Mr. Reed before his death last week.

Mrs. Reed will be assisted in management of the business by her son and partner, Charles Reed, and employees of the store will remain as before.

Rebuilding of the store's old building, which was destroyed by fire, will continue and the store will be moved as soon as the rebuilding is completed, Mrs. Reed said.

Youth Revival Scheduled By O'Brien Church

Plans for a Youth Revival at the O'Brien Baptist Church were announced Wednesday by Rev. W. D. Malone, pastor of the church.

The revival will begin Sunday, April 5, and continue through Sunday, April 12, with prayer service and Booster Band each evening beginning at 7:30.

Rev. Ray Mayfield, Jr., young pastor at Moody, Texas, will conduct the revival. Mayfield, a star athlete, lettered in football one year at Texas University, and two years at Baylor University. One year he was the star guard on Baylor's team.

Rev. Mayfield has conducted a number of Youth Revivals over the state, and Rev. Malone feels the church is fortunate in securing him for the O'Brien revival.

Clark Scanlon of Fort Worth will direct the singing.

A Sunrise Breakfast for the Juniors and Seniors of O'Brien High School will be held at the church Tuesday morning, April 7, and the Haskell-Knox Association Youth Rally will be held at the O'Brien church Sunday, April 12 at 2:30 p. m., Rev. Malone said.

Mr. and Mrs. O. S. Johnston are in Dallas this week. Mr. Johnston is in a hospital for treatment of his back.

Herald to Take Orders for Pictures

The Herald will take orders for the aerial photographs made by Haskins Studio of Dallas, that have been on display in the window of West Texas Utilities Co.

Cost of each photograph will depend on the number ordered in one group.

Beginning Friday, the pictures will be in the Herald office. Each photo must be ordered by number, so even those who have already indicated that they want one or more pictures are asked to come in and make their selections within the next few days.

Tornado Victims Eligible for RFC Disaster Loans

Knox and Haskell counties have been officially designated a disaster area by the Reconstruction Finance Corporation as a result of the tornado March 13, and disaster loans are now available to storm victims who are able to qualify.

J. C. Smith, a representative of the Dallas Loan Agency of the Reconstruction Finance Corporation, is in Knox City for the purpose of interviewing those who have suffered storm damage, in an effort to determine a basis on which disaster loans may be considered.

Disaster loans for repairing or rebuilding homes bear interest at the rate of 3 percent per annum. The same type loans for repairing business property bear interest at the rate of 5 percent per annum.

Repayments are to be made on a monthly basis and will be geared to the borrower's ability to pay, but in no event will the loans be extended beyond a ten year period. Disaster loans are limited to amounts required to restore the victims as nearly as possible to pre-disaster status. Expansion of pre-disaster facilities may not be included in such loans.

Mr. Smith may be contacted at the Red Cross office in Knox City, west of the Citizens State Bank.

The Reconstruction Finance Corporation and the Red Cross serve two separate and distinct purposes, and there should be no confusion in the mind of anyone because they are housed in the same building.

Anyone expecting to make application for a disaster loan, Mr. Smith said, should first have a competent contractor make an estimate on the cost of repairs or new construction, together with an agreement of his willingness to do the work at the estimated figure.

Cemetery Ass'n. Seeks More Funds

The Knox City Cemetery Association urgently needs more funds. Mrs. C. J. Reese, secretary, said this week.

She explained that the only means the association has for care of the cemetery is through public donations. The donations have come in slowly this year, she said, especially from local citizens.

"We sincerely thank those who have contributed," she added, "but we feel there are many more who plan to give, but do not realize how much their donation is needed now."

Checks or money orders may be mailed to Mrs. Reese or made out to the Cemetery Association and mailed direct to the bank.

New Homes Going Up, Repairs Underway In Tornado Area

Red Cross Reports Injured Doing Well

Reports from the Red Cross this morning indicated that all those who are still hospitalized as a result of storm injuries are doing well, although several will be in hospitals for quite some time.

Mrs. G. D. McCarty, in the Seymour hospital, is reported looking good and feeling good. Both arms are in casts and traction, and a pin was put in her broken leg Wednesday. Mrs. McCarty also has a broken rib.

W. H. Cornett, also in the Seymour hospital, is reported doing well. Because of broken vertebra he will have to stay in traction for some time.

Mr. and Mrs. Cliff Ball were released from the Seymour hospital this week.

Mrs. E. H. Day and Clyde Day have both been released from the Stamford hospital.

In Hendrick Memorial Hospital, Abilene, Mrs. Jim Darr and Mrs. L. L. Houston are both doing well. A cast was put on Mrs. Houston's broken arm Tuesday. She also has a fractured leg. Mrs. Darr has shown remarkable recovery since her left leg was amputated last week.

Still patients in the Haskell hospital, but reported showing improvement, are Mary Kay Littlejohn, Lillie Mae Escobar, Mrs. G. H. Taylor, Barbara Jean Taylor, Mrs. M. M. Griffin, Shirley Ashley and Wanda Ashley. Mr. and Mrs. Glenn Bell have been dismissed.

Sunrise Service To Be Held Easter Sunday

Sunrise services will be held at the First Christian Church at 6:15 a. m. Easter Sunday, April 5, it was announced this week by Howard Marshall, pastor.

The Sunrise Easter Service is an annual affair at the church. Members of all churches are invited to participate, Marshall said.

MR. BRIDGES IMPROVED

Friends here learned this week that L. N. Bridges, who has been seriously ill in a Littlefield hospital, is much improved and his family expects to bring him home in another week.

Mr. Bridges suffered a brain hemorrhage while visiting his son in Littlefield.

Several Items Await Identification By Victims of Storm

A number of pictures picked up after the tornado are still in the Herald office waiting identification by the owners, as are several purses, glasses, a watch, and a number of quilts and other bedding.

We would like to get these articles back to their proper owners as soon as possible. If you lost such items in the storm, please come in and see if your property has been brought in.

Dedication Services Scheduled for Gillespie Church

Services dedicating the new Gillespie Baptist Church building have been scheduled for Sunday, March 29 at 2:00 p. m. it was announced this week.

Rev. Henry Littleton will be the principal speaker for the dedication service, and there will be several former pastors of the church present.

The new brick veneer building was just recently completed, with members of the church doing a large part of the work, both in tearing down the old building and in erecting the new.

The public was invited to attend the services Sunday.

Red Cross Receives 47 Applications For Disaster Aid

The Red Cross Disaster Relief office in Knox City reports that 29 families in Knox County and 18 families in Haskell County have applied for emergency and rehabilitation assistance.

Commitments in the amount of \$10,161.99 have been made to date, according to Tom West of Benjamin, Disaster Chairman of the Knox County Red Cross Chapter.

Rehabilitation plans with a number of families have been completed and it is hoped the case workers will have completed their work with all of the families by Easter. Those families who believe they are unable to provide themselves with the essentials needed because of the effects of the tornado, and have not made application to the Red Cross in Knox County or in Haskell County are requested to make immediate application. New applications will not be accepted after 5:00 p. m. on Monday, March 31, and new applicants should contact the Red Cross office in Knox City or, if more convenient, the Haskell County Red Cross office in

(Continued on Page 4)

Annual Senior Play To Be Presented Tuesday Night

The Senior Class of 1953 will present its annual play Tuesday night at 8:00 o'clock in the Knox City Grade School building. The play, "Rest Assured," is a comedy in three acts.

Due to the large number of characters, it has been necessary to borrow two juniors to complete the cast, Dorothy Jean Pack and Corinne Urbanczyk were chosen to fill the extra parts.

The cast includes: Mr. Morlock, portrayed by Gary White; Mrs. Morlock, Jennie Belle Culp; Mary Morlock, Jo Denton; Jessica Morlock, Margaret Chafin; Mildred, Mary Beth Waldrip; Joe Lanconi, Jerry Wilson; Luigi Lanconi, Guy Robinson; Martha Lanconi, Tennie Jo Butler; Lucifer, Jerry Don Houston; Miss Akers, Dorothy Paul; Mrs. Schmaltz, Dorothy Pack; George Plew, Walton Dunlap; Dr. Brown, Jolly Bill Whittem; Mr. Black, Mark Davidson; Jake, Daniel Brinegar; Mrs. Frinck, Corinne Urbanczyk.

Mr. and Mrs. Joe Murray Clonts are shown cutting the traditional wedding cake at the reception following their wedding Friday, March 20. Mrs.

Clonts is the daughter of Mr. and Mrs. M. S. Lowrey, and the groom is the son of Mr. and Mrs. W. E. Clonts of Knox City. (Photo by Blohm Studio)

Rip Collins, co-chairman of the cleanup drive following the tornado March 13, said this week that the organized cleanup, when 140 trucks and more than 800 men volunteered to help remove the debris from the disaster area, was ended early last week, but for several days many volunteers helped individuals clean their premises.

All the felled trees and tons of scrap lumber and other debris were hauled or dragged to the dump grounds in the north part of town. Many of the storm victims, however, had the lumber left on their premises to be salvaged and used in rebuilding.

Many damaged houses have already been repaired or repairs are under way, and quite a number of people have started building new homes.

B. F. Cornett has almost completed dismantling his wrecked home and plans to build a similar house on the same spot. L. E. Groves has repaired his living room and has moved back into the house. Repairs are being made on the Dr. T. S. Edwards rent house, occupied by Mr. and Mrs. E. P. Reese. Mrs. Branton's cafe has been repaired and roofed.

Edgar Teague has cleared his lot and will rebuild on the same spot. Travis Thompson purchased the C. Bohannon house and is rapidly making it livable, and Mr. Bohannon purchased a Wm. Cameron house now under construction. The Dr. T. S. Edwards home has been repaired.

Bill Hutchinson is making repairs to his home, laundry and rent house. John Egenbacher has cleared his lot and ran the footings for his new home Wednesday. The J. W. Tankersley house has been torn down and the foundation has been run for their new home. Work is underway on Mrs. J. W. Howell's new home.

Several other homes that suffered major or minor damage are being repaired, and others plan to rebuild. General opinion of those whose homes were covered by insurance is that the insurance companies were fair and liberal in their settlements.

List of Donors to Disaster Relief Fund

The Herald will publish a list of those from outside the immediate Knox City and O'Brien areas who have mailed contributions to the Disaster Relief Fund. Names of local donors will not be published, nor will names of those who made their contributions elsewhere.

The list is lengthy, and of necessity will be published over a period of several weeks. Below is a relatively small portion of the donor list:

B. H. Preston, Burkburnett, \$25; Mrs. R. E. Baggett, Wichita Falls, \$10; J. H. Jenkins, Seymour, \$10; Harmon Talley, Hico, \$5; Peter Loran, Munday, \$10; C. J. Cook, Graham, \$10; Minnie Singleton, Burkburnett, \$1; Lillie Gunn, Glen Rose, \$3; E. A. Davis, Wichita Falls, \$10; Evelyn Hotchkiss, Antlers, Okla., \$5; Mrs. C. M. Johnson, Fort Worth, \$25; Mrs. Roy Jones, Wichita Falls, \$10; Mrs. Rosa Williams, Wichita Falls, \$2.50; Dr. J. W. Gibson, Lindale, \$5; R. F. Chaney, Greenville, \$1.

Elma Cone, Dallas, \$10; Carbon Baptist W.M.S., Carbon, \$10; E. L. Derr, Chillicothe, \$5; Chas. M. Conner, Haskell, \$50; R. L. Myers, Munday, \$25; Ralph R. Cole, Dallas, \$5; Highland Heights Christian Church, Wichita Falls, \$10; Robt. L. Edwards, Ft. Worth, \$5; F. H. Larmon, Wichita Falls, \$50; Mrs. Lee

Gas Company Men On Job Here Soon After Storm

Radio-equipped pipeline cars operating out of Lone Star Gas Company's Stamford pipeline headquarters were among the first to answer the call for such mobile communication units following the Friday the 13th storm in Knox City.

J. C. Doss, the company's assistant pipeline foreman, was in Roby in one of the radio-equipped cars when he heard of the tornado. Without delay

he headed his car toward Knox City, arriving in little more than an hour after the storm. Another pipeline employe, Wailer Wehlan, was in a company truck west of Haskell when he saw the storm approaching. He moved east to get out of the path of the storm and watched it go northeast. By the time he reached Haskell he had contacted his Stamford radio tower and learned of the disaster. He was instructed to reach Knox City as soon as possible.

Both men went almost immediately to the hospital where the need seemed most urgent, and set up to handle radio messages for doctors and others supervising the emergency work. They handled more than a hundred messages during the next four hours, calling first for doctors and nurses and later for hospital space and ambulances to transfer the evacuated hospital patients to Haskell and Stamford.

Messages were relayed by

Highway Patrol Official Commends Local Officers

Capt. K. B. Hallmark, Jr., in charge of the Wichita Falls district of the Texas Highway Patrol, this week commended Sheriff Homer T. Melton and other local officers, as well as Knox Citizens in general for their conduct following the tornado March 13.

Capt. Hallmark pointed out that in times of disaster there are many things to be done, and in many instances there is much confusion and a definite lack of coordination in all functions, but that the tornado in Knox City not only brought the

way of Lone Star's Benjamin compressor station since the car units were unable to reach the pipeline station at Stamford. At Benjamin, plant superintendent Tom Earnest relayed radio messages to Arlen Foster at Stamford, who in turned used the Stamford telephone system to relay local and long distance calls.

Other pipeline men handled emergency repairs and helped local crews plug service lines where meters had been torn off. By 8 p. m. gas service had been resumed in 66 homes which were not too badly damaged to afford shelter for the families.

Pipeline men plugged the one-inch service line to the hospital and were back Sunday to replace the damaged section of the hospital tap line.

During the emergency the company had about 30 men on the job from Stamford, Abilene, Seymour and Knox City.

people together for a common purpose, but showed all citizens were willing and able to do their part in recovering from the shock of the disaster.

"I would like to point out," Capt. Hallmark said, "that there is always a certain amount of pillferage to be expected. However, upon the arrival of Highway patrolmen from the Wichita Falls District we found that Sheriff Homer T. Melton and City Marshal Floyd were doing all they could under the circumstances to organize a system of police protection. Augmenting their forces with Highway Patrolmen a plan of blockades was set up to keep unauthorized personnel out of the affected area. These men worked long and hard hours. Naturally the blockades worked a hardship on many people but most of them realized there was a job to do and they accepted the inconvenience with good grace.

"On Saturday afternoon relief for the men working the blockades was received from the R.O.T.C. Cadets of Midwestern University. Further assistance from the R.O.T.C. unit of the Wichita Falls High School was obtained on Sunday. Each of these units are to be commended very highly for the manner in which they carried out their duties.

"During the entire period, peace officers from adjoining areas were assisting the local officers and guards."

Capt. Hallmark commented on the emergency help rendered by doctors, ambulance drivers, relief organizations and local citizens, and on the outstanding work done by volunteer clean-up crews on Monday following the storm.

"Many, many others should be given credit for their splendid work in the area," he concluded, "but we know it would be an impossible task to obtain all their names. Again let us say thanks to all you good people who met the disaster on equal grounds and came out on top with a spirit that will long be remembered."

FARM BUREAU HEARS REPORT ON PENDING LEGISLATION

The Knox County Farm Bureau Board of Directors met at Benjamin Monday night to discuss the membership drive now in progress and to hear a report on legislative activities.

According to Herbert Partridge, president of the Knox County Farm Bureau, every tractor farmer in the county will

lose one fourth of his refund on the non-highway gasoline tax if House Bill 388 is passed by the State Legislature.

Rep. James W. Yancy of Houston introduced the bill which would take away one cent of the four-cents-a-gallon refund and allocate it to the available school fund, the county farm leader said.

"What proponents of this bill forget," Partridge added, "is that the so-called tractor gas refund is not actually a refund since the money never belongs to the state. The tax is collected just as on all gasoline, sent to Austin, and then returned to the rightful owners."

He contended that the backers of the Yancy bill were apparently using the strategy of calling attention to the needs of public schools and then pointing to the refund money as a likely source of revenue. He added that this would make the bill more difficult to defeat because the demand for a teachers' pay raise has touched off the hottest issue of the 53rd Legislative session.

"The farmers pay their fair share of school taxes right along with everyone else in the districts," Partridge said, "and it isn't right for an additional burden to be placed upon them."

He added that if one-fourth

of the refund is lost now, it may mean that the entire refund will be abolished later. He urged all farmers in the county to get in touch with their representatives in the state capitol and inform them of their wishes in the refund issue.

During the last legislative session, two years ago, the Texas

Farm Bureau was in saving the tax the county road tion monies and program. Before over the farmen of the state has through a tax which is still the courts.

From where I sit ... by Joe Marsh

"Biff" Falls for His Own Story

Biff Morgan's four-year-old daughter Rusty is something of a night owl. Stays awake way past her bedtime.

Every night Mrs. Morgan complained about how hard it was to get Rusty to go to sleep. Finally Biff decided to handle the situation. "Anyone can get a kid to sleep — takes a little patience! Here, hand me her storybook."

He grabs the book and goes into Rusty's room. About an hour later Rusty comes padding out in pajamas and hands her mother the book. "Read it quietly," she

whispers, "so we don't wake Daddy."

From where I sit, Biff won't be so quick to be a "child-care specialist" the next time. If we could just resist being such "know it alls," our neighbors would be better off. Take those who would deny me a glass of beer with my supper — well, I might not care for the buttermilk they like. We all ought to realize that we all have different abilities and different preferences, too.

 in Desert Places
 By Ozelle Stephens
 "The Lord by wisdom hath
 founded the earth; by under-
 standing hath he established
 the heavens. By his knowledge
 the depths are broken up, and
 the clouds drop down the dew.
 My son let not them depart from
 thine eyes; keep sound wisdom
 and discretion; So shall they be
 life unto thy soul, and grace to
 thy neck. Then shalt thou walk
 in thy way safely, and thy feet
 shall not stumble. When thou
 liest down, thou shalt not be
 afraid; yea, thou shalt lie down,
 and thy sleep shall be sweet.
 Be not afraid of sudden fear,
 neither of the desolation of the
 wicked, when it cometh. For
 the Lord shall be thy confidence
 and shall keep thy foot from
 being taken. (Prov. 3:19-26).
 The man who trusts in the
 Lord with all his heart and
 acknowledges God in all his
 ways is directed in a safe path
 from day to day. His life is a
 Constant, Flowing Stream of
 Blessings that helps his fellow-
 man. God gives wisdom, knowl-
 edge and understanding that
 preserves the believer and
 makes him know that God is
 his confidence.

Santa Fe
America's New
Railroad

 What's this surveyor doing? He's sighting on tomorrow...
 clipping off an old curve... clipping off the past...
 It goes on day after day on the Santa Fe.
 Building new.
 Till there's nothing left that's old today of
 the Atchison, Topeka and Santa Fe but the
 country and the song and the pride of its
 people!
IN THE PAST 5 YEARS... Whole fleets of
 streamlined trains replaced with finer stream-
 lined trains... Enough new track laid to more
 than reach from Chicago to Los Angeles...
 Great new "hump" yards built to speed switch-
 ing... New roadbed, new rail and new ballast
 methods—for smoother, safer rides for goods
 and people.
IN THE PAST YEAR... New freight sta-
 tions, with new towveyors, at Chicago and
 San Francisco... Great new construction
 started to raise Santa Fe rails in Kansas and
 Missouri above the highest flood stage of re-
 corded history.
IN THIS YEAR... New micro-wave commu-
 nication system put in service between Gal-
 veston and Beaumont, Texas... New freight
 classification yard will be opened at Belen,
 New Mexico.
AND IN THE NEXT YEAR... More curves
 will be clipped, more grades reduced... 119
 new diesel units will go to work... New mod-
 ern diesel shops will be completed... 3600
 new freight cars will be placed in service...
 New electronic communication and control
 equipment will be installed... and El Capitan
 will be re-equipped with all new chair cars!
AND IN THE NEXT 5 YEARS... New cars
 and whole new trains will be rolling on an
 ever newer, greater Santa Fe.
 It costs Santa Fe millions (not one penny
 from the taxes you pay) to keep America's
 New Railroad growing newer every day.

WICHITA FALLS SITE OF GRAIN GRADING SCHOOL

All elevator operators and grain dealers of Knox County were urged this week by County Agent W. C. Pallmeyer to attend the Grain Grading School to be held in Wichita Falls on Monday, March 30. The program will start at 9:15, and will be held at Midwestern University.

The meeting is sponsored by the Texas Extension Service and the Texas Grain Dealers Association. Transportation will be provided by Mr. Pallmeyer, who will leave Benjamin at 7:30 a. m. March 30.

A good program of interest to everyone dealing in grain, has been planned.

Elevator operators, grain dealers, wheat farmers and all others interested are asked to notify Mr. Pallmeyer by noon Saturday, March 28, if they plan to attend.

HONOR ROLL

(Note: A list of the outstanding students in the Knox City Schools is furnished the Herald each week by Harold Barnett, superintendent).

Week ending March 20:
Elementary School
First grade: Martha Kay Waldrip, Kathy Jones, Wanda Mincey, Jimmy Groves, Carol Thomas, Nancy Smith.

Algebra I: Peggy Stephens, Bobby Presnall, Cornella Tidwell.
Jr. Training: Rowena Helms, Algebra II: Monroe Thomas, Ruby Buchanan, Dorothy Pack.

Red Cross

(Continued from Page 1)

Haskell.
Red Cross assistance in rehabilitation is available only to those families who are unable to provide the necessities of life through their own efforts. Help can be given to these families with building and repair to owner-occupied homes, the purchase of necessary furnishings, the payment of medical expenses due to disaster-caused injuries or illnesses, and assistance to the owner of a small one-family operated business or small farm.

All Red Cross assistance and service is given without charge and there is no obligation for repayment in the part of any recipient.

"That is the reason the case worker contacts each family individually," Mr. West said. "We must be sure that help is needed and just what type of help the particular family needs. Each family's circumstances are different, so all families will not need or receive the same type of help or the same amount of assistance. Also we must know how far each family can go in helping themselves without incurring undue hardship."

The funds that the Red Cross is spending to help families in this disaster have been sent by the American National Red Cross. This money is contributed during the regular Fund Campaign conducted in March all over the United States. Contributions to the regular campaign or special contributions to be used in this disaster by the Red Cross should be sent to M. A. Bumpas, Jr.

The distribution of the donated clothing and bedding sent to the Red Cross and the churches has been completed. A total of 80 families in both counties were served by the volunteers who worked with the Red Cross in the basement of the Methodist Church. "The women worked long hours and did an excellent job sorting and distributing the clothing and bedding," Mrs. J. C. McGee, president of the Wesleyan Service Guild, said in expressing her gratitude for the donations and the services of the volunteers who helped.

Margie Lowrey and Joe Murray Clonts Are Married Friday

The marriage vows of Margie Laverne Lowrey, daughter of Mr. and Mrs. M. S. Lowrey, and Joe Murray Clonts, son of Mr. and Mrs. W. E. Clonts of Knox City, were solemnized Friday, March 20 at 4:00 p. m., in the home of the bride's parents.

The Rev. Oscar Bruce, pastor of the Knox City Methodist Church, performed the double ring ceremony before an archway entwined with green fern flanked with baskets of white gladioli.

Traditional wedding music was played before the ceremony by Mrs. W. D. Malone. She accompanied "Mrs. Leon Autry who sang "Because" and "O Promise Me."

The bride, given in marriage by her father, wore a white slip per satin dress fashioned with a scalloped lace yoke outlined with seed pearls. The full length sleeves tapered to a point over the hand. She carried a white Kappa Phi Bible topped with white ranunculus. Her fingertin veil of tulle was held at the side with flowers the same as in her bouquet.

Mrs. Dan Wadzeck, sister of the bride, was matron of honor. She wore a dress of orchid taffeta designed after that of the bride. She carried a bouquet of yellow gladioli.

Sam Emory Clonts, cousin of the groom, served as best man. Immediately after the ceremony a reception was held. The bride's lace-laid table was centered with white carnations.

Mrs. Neil Perdue, cousin of the groom, and June Lowrey, sister of the bride, assisted in serving.

The bride is a graduate of O'Brien High School and McMurry College, and at present is teaching in the O'Brien elementary school.

The groom is a graduate of Knox City High School and Texas A and M College. He is associated with his father in the hardware and furniture business in Knox City.

After a short wedding trip, Mr. and Mrs. Clonts are making their home in O'Brien.

O'BRIEN W. S. C. S. MEETS WITH MRS. R. T. CARNEY

The Woman's Society of Christian Service of the O'Brien Methodist Church met in the home of Mrs. R. T. Carney Monday afternoon at 2:30. Those present were Mrs. Dwight Gothard, Bill Matura, R. I. Walsworth, Nellie Lawson and R. H. Meixner.

Mrs. Lawson conducted a business session which was opened with a prayer by Mrs. Walsworth.

After the benediction the hostesses served coffee and angel food cake.

Visiting in the Roy Hester home the first of the week were Mr. and Mrs. G. L. Dedmon of Abernathy, Mr. and Mrs. Arlon Dedmon and girls of Plainview, Mr. and Mrs. Wayne Dedmon and daughter of Lubbock, and Mrs. J. A. Evans and Mrs. M. Lenis of Athens. They attended funeral services for L. E. Meredith in Rule Tuesday.

Visiting Misses Clifford and Blanche Elliott during the week end were their brother, John H., and their cousin, M. C. Barber, and family, all of Lubbock.

R.R. COMMISSION

LONE STAR GAS

The Railroad Commission of Texas has approved Lone Star Gas Company's increase residential commercial rates for service outside the limits of Knox County incorporated townships in the vicinity of an announced L. Bird of Dallas manager for Lone Star division of distribution.

The Railroad Commission authorizing the increase calls for a 13 cents per thousand feet of gas, Mr. Bird pointed out that this has been granted since adjustments by the Knox City and other incorporated towns in Texas.

Mr. Bird stated that and commercial rates have not been increased since Lone Star within ten cents per thousand feet in May, 1942.

The Railroad Commission original jurisdiction gas rates in towns and areas.

Mr. and Mrs. Emory Monday and Tuesday where Mrs. Hester medical check-up.

H-D FOOD LEADERS TO MEET AT BENJAMIN

A meeting to train the Foods Leaders of the Truscott, Benjamin, Gilliland and Munday Home Demonstration Clubs will be held April 2, 1953 at 9:30 a. m. Mrs. Georgia Fae Perkins, County Home Demonstration Agent, said this week.

The meeting will be in the assembly room of the courthouse.

The training will be on "Drop Cookies," Mrs. Perkins said.

W. M. U. MEETS MONDAY AT BAPTIST CHURCH

The Woman's Missionary Union of the First Baptist Church met Monday afternoon at the church for a business session.

Mrs. J. T. May called the meeting to order and the group sang, "Take Time to Be Holy." The devotional was given by Mrs. G. T. Hardberger, followed by a prayer by Mrs. H. E. Johnson.

The minutes were read by the recording secretary, Mrs. A. P. Denton, and the treasurer's report was given by Mrs. W. H. Paul. The following committees gave reports: Community Missions, by Mrs. C. J. Reese; Program and Literature, by Mrs. H. W. Finley.

Sixteen members and one new member, Mrs. Vernon Buckley, were present.

GILLILAND 4-H CLUBBERS ENJOY WIENER BOAST

Eighteen members of the Gilliland Boys 4-H Club participated in a wiener roast after school March 15. They were accompanied by leaders Elton Carroll and W. C. Raphael, and County Agent W. C. Fallmeyer.

Before the feast, a football game was played, with the outcome a repetition of the game played at the last outing of the group. President Freddie Caram's team was victorious over Vice-president Frank Quintero's team with a score of 25 to 12.

After the game, the group enjoyed cuts and drinks purchased with club funds.

CARD OF THANKS

Words cannot adequately express our deep appreciation for the many kind and sympathetic acts that have come to us since the loss of our homes and belongings in the tornado.

Friends and nameless other people have helped us in every way possible. Please accept our sincere thanks.

Mr. and Mrs. W. I. Pierson
Mr. and Mrs. A. A. Pierson
and son.

A Wichita Falls Record-News photographer made this picture of Ed Wynne, son of Mr. and Mrs. George Wynne, in a window of his home following

the recent tornado. Ed had run to the home of Mrs. Ada Clark but found her cellar locked, and was crouching in the lee of her house when it was demolished.

He was carried about 60 feet through the air. The Wynne home was moved about 25 feet off its foundation and almost completely destroyed.

H-SU Cowboy Band To Be at Munday

The world famous Hardin-Simmons University Cowboy Band will make an appearance in the Munday School auditorium Thursday night, April 9, officials of the Munday Band Boosters announced last week.

The band will present the same program which was presented to thousands of soldiers in Europe.

The appearance is the feature of the second annual Carnival of Music, sponsored by the Munday Band and the Band Boosters. Admission is \$1 for adults and 50 cents for students. Tickets went on sale Monday and can be purchased from members of the sponsoring organizations.

Thomas F. Desmond of St. Louis, Mo., Red Cross District Chairman for the Midwestern Area, was here Tuesday and Wednesday to check the tornado damage in Knox and Haskell counties.

Pvt. Audrey P. Denton, Jr., is now enrolled in the Artillery and Guided Missiles Branch of the Artillery School at Fort Bliss, El Paso. Pvt. Denton, son of Mr. and Mrs. A. P. Denton of Knox City, will spend 37 weeks studying Artillery Fire Control System Maintenance.
