KNOX CITY, KNOX COUNTY, TEX. AS. THURSDAY, NOV. 2, 1944

NUMBER 6

## Labor Need Slows County Crop Harvest

Good harvest weather has made it difficult to assist the crop harvest this year. Labor demands have become more acute following more combining of grain sorghums and binding of cotton before frost.

There is no immediate relief in sight for cotton puller demands. The cotton crop in Knox County is not more than 35 percent harvested with no county more than 50 percent completed. Therefore, it is up to the local people to come to their own rescue in critical areas. The numbers of migratory pickers and pullers arriving now is negligible.

Cotton is open in all parts of the Rolling Plains and all counties are needing pullers and pickers. A few want labor for feed harvest. In Knox and Hardeman County the cotton coming to the gins is insufficient to keep them operating at full capacity. Five Knox County schools have been dismissed to pull cotton and other school children are pulling on Saturdays.

The grain sorghum harvest is about 60 percent complete as compared with 50 percent last week. Sucker heads still prevent harvesting a large portion of the fields. After frost there will be a rush to combine this grain, and congested rail facilities and elevator storage space is expected.

## Greyhounds Defeat O'Brien Team 20 to 0

The Knox City High Greyhounds, having tasted the bitter dregs of defeat themselves, cooked up an extra strong batch of the same medicine and ladled it out to the O'Brien Bulldogs Friday afternoon.

When the final whistle was blown, the Hounds were on the big end of a 20 to 0 score, avenging a previous 3 point defeat at the hands of the Bulldogs earlier in the season.

There was never any doubt of the outcome from the time Knox City made their first score in the first quarter of the game. Playing a brilliant offensive game, the Hounds were equally determined that O'Brien should not score. Both teams played good ball throughout the game but Knox City was not to be denied a chance to rout the O'Brien club.

Playing honors were equally divided by the Greyhounds. Joe Murray Clonts, Bobby Hackfield and Marshall Woolley shared in the scoring. Possibly the most spectacular play of the game was a 50 yard kick-off return by Marshall Woolley for a touchdown. Knox City made six first downs while holding O'Brien to two.

## Gin Report Shows Cotton Moving Good

In spite of a demand for more pickers in Knox County, locally cotton has been coming in at a pretty fast clip, according to ginning reports gathered today noon.

Three Knox City gins have turned out 2074 bales. Of these, the Cotton Growers Co-Op Gin had produced 1039 bales, Knox City Gin, 623, and the Brazos Valley Gin, 412 bales.

The O'Brien Co-Op Gin had produced a total of 3264 bales up to this date.

## Howard Logan Home After Three Year Tour

Howard Logan, son of A. S. Logan, returned to Knox City Wednesday night after almost three years service in the Pacific war area. Howard has been in San Antonio for a few days where he received reassignment before being granted a furlough to visit his folks.

## Artha Jones Placed On Student Honor Roll

Artha Jones, 1944 graduate of Science Christian high school, and daughter of Mr. and Mrs. H. M. Jones of Knox City, had her name placed on the honor roll for the first six weeks at Abilene Christian College, result of her making a grade of "superior" in five subjects. Artha is a freshman in ACC and majoring in chemistry.

## P-TA Reports Profit \$650.00 On Carnival

Officials of the Parent-Teacher Association report good success after counting the net proceeds from all enterprises in the Halloween Carnival.

Gross receipts ran over \$700.00, expenses deducted, will leave the fund about \$650.00 in profits. Good patronage was received throughout the two-day affair and officials of the organization were high in praise to all that helped in staging the celebration and those that patronized the many concessions and events.

## Club Women Ready With Achievement Day Exhibit Nov. 3

The Knox County women are busy making preparations for their annual Achievement Day Exhibit to be held at Benjamin in the assembly room on Friday, November 3. It will open to the public from 10:00 a. m. until 6:00 p. m.

Nine clubs will participate in this exhibit. They are: Benjamin, Brock, Gilliland, Hefner, Munday, Sunset, Truscott, Union Grove, and Vera.

The club women will have on exhibit the phases of work, foods, clothing, and home improvement carried out this year in club work. Only the things made during this year are to be displayed.

The booths will be scored as follows: I. General appearance, 25; II. Clothing and grooming, 25; III. Home improvement, 25; IV. Foods, 25. Ribbons will be awarded to clubs for first, second and third place for the best booth in general, the best foods, the best clothing and best home improvement.

## Sonny Webb Tames "P-38" In High School Rodeo

Spurred on by the incentive of a free-will \$22.00 pot, Sonny Webb of Rochester made a successful ride on "P-38," famous bucking horse that has had his way round here for some time.

Jackie Lankford won the Junior calf roping event, Charles Lankford was second. In the Senior roping event, Morley Darr was first with Sonny Webb taking second and Tunnie Hollingsworth third.

In the absence of school entrants in the ribbon roping, Lee Smith ran off with first prize.

School officials stated they wished to thank the following for help in staging the rodeo: Lee Smith, Barney Arnold, Abe Watson, Bud Reeves, Hut Copley, Bill Lankford, Virgil Stephens, and many others.

## Howard Logan Invited To Address Study Club

Mrs. E. F. Branton, president of the Knox City Study club announced Tuesday that members of the club will be pleased to learn that Howard Logan, Pacific war veteran, has been invited as a guest speaker at the next meeting of the group, Saturday, November 4, at 3 o'clock.

The meeting will be held in the home of Mrs. L. N. Bridges and all members are requested to be present to hear Cpl. Logan's talk.

Mrs. Branton stated that the lecture will be along informal lines. Cpl. Logan, son of A. S. Logan, has been in the Pacific war theatre for almost three years.

## Leon Strickland Reported Missing In Action In France

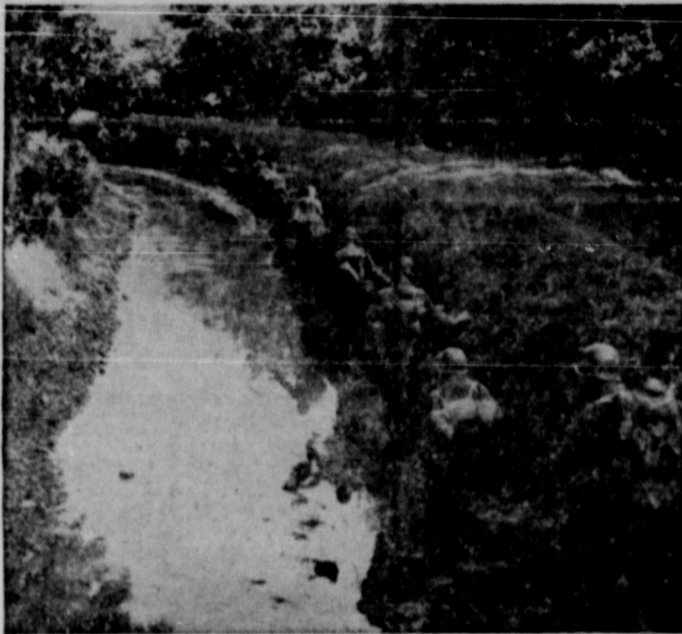

Mr. and Mrs. C. C. Strickland have been notified by the War Department that their son, Leon Strickland is reported missing in action in France.

Leon was a member of a Medical Corps detachment. He had previously been awarded the Purple Heart for wounds received in the Italian campaign.

Young Strickland was operating the local motion picture projector at the time he entered service.

Remember, Tuesday, November 21.

## Yanks Head for Siegfried Line

Troops of the Seventh Army follow a slippery farmland irrigation ditch near Remiremont, France, before crossing the Moselle River in pursuit of the Nazis who are retreating toward the southern portion of the Siegfried line.

## Senator Moffett Endorses Proposed State Amendments

### Boy Scouts Want First Aid Handbooks

Scoutmaster Lloyd Hamilton and the Scouts of the local Troop are trying to find as many Red Cross First Aid Handbooks as possible in order to use in conjunction with a course in First Aid training they plan to start soon.

Anyone having a copy of the handbook, please call Rev. Hamilton or turn it over to a Boy Scout for use.

The First Aid Training course requires the use of the handbook. Guy Steen will serve as instructor of the training course.

### Community Banquet Date Set For November 21st

Committees from several social and civic organizations in Knox City report good progress being made on plans for the Community Thanksgiving Banquet to be held at the Methodist Church November 21.

Interest in the affair is increasing rapidly. A good program is being prepared and a feature of the event will be a completely home-grown menu. More details will be announced at a later date.

JOHN W. LOVE

John W. Love, business writer for the Cleveland Press and other Scripps Howard newspapers, will be in Texas from November 19 to November 22 to write of industry in the state, present and potential. Love is one of 25 northern newsmen, magazine writers and radio commentators planning on making the inspection tour, the idea for which originated with The General Tire & Rubber company.

General is dedicating a tire factory in Waco, first in the state and has operated a government-owned synthetic plant at Baytown for a year and a half.

Stops will be made at Temple, Austin, San Antonio, Corpus Christi, Freeport, Galveston, Baytown, Houston, Dallas, Amarillo, Abilene, Lubbock, Tyler, Lufkin and Longview.

"The presidential election has overshadowed the two amendments to the state constitution which will be on the ballot November 7," said State Sen. George Moffett in Chillicothe today. "These amendments deserve careful attention."

"One would permit Commissioners Courts to reallocate but not increase county property tax rates—after a countywide election approving such reallocation. For instance, if the Court desired to increase the general fund tax rate, it must at the same time decrease the jury fund rate, or the county public building fund rate. Under the terms of the proposed amendment, this reallocation would continue for only six years, unless approved by another vote of the people."

"The second constitutional amendment would authorize cities to set up retirement systems for their employees, if the people in a city voted to do so."

Sen. Moffett, who has been chairman of the committee on constitutional amendments in both branches of the legislature, helped write one of the above amendments, and endorses both of them.

## Texas Led all States In Reaching War Fund Goals Report Shows

Texas led all other states in the number of counties "over the top" during the first week of the National War Fund drive now under way, and as third in the nation in percentage of its goal reached, Wayland Towner, general manager of the United War Chest of Texas, announced today.

A National War Fund report showing progress of the campaign from its official opening on Tuesday, Oct. 10, to the first report date of Saturday, October 14, revealed that 26 Texas counties had surpassed their goals, and that the state as a whole had marked up 41.74 per cent of its 1944 quota. The only states ranking higher than Texas in percentage of goal reached were Delaware and Utah, each with quotas of less than \$410,000.

Texas, with a quota of almost \$5,000,000 was first among "big quota" states, the report revealed.

"Our reports of Saturday, Oct. 21, show that our outstanding progress in the drive is continuing in all regions and in most counties," Towner declared. "I am confident that the final report at the end of the national campaign will find Texas near the top of the list."

"The true goal of the drive is not merely the quota, but an all-out contribution by every Texan. The goal is the 'floor' of giving, not the 'ceiling'."

Plenty to eat and entertainment at the Community Thanksgiving Banquet, Tuesday, November 21.

## S-Sgt. Ted C. Clary In Liberator Group

An Eighth Air Force Station in England—the B-24 Liberator Four-engine Bomber Group in which Staff Sergeant Ted C. Clary of Knox City is an armorer-gunner recently was cited by Major General William E. Kepper, commanding 2nd Bombardment Division, "for distinguished and outstanding performance of duty."

The citation in part reads: "The devotion to duty, determination and tenacity of purpose exhibited by personnel of the Group reflect great credit upon themselves, their organization and the U.S. Army Air Forces."

## Supt. McGaughey Compiles Roster School Faculties

County Superintendent Merick McGaughey has compiled a roster of school faculty members of the 12 Knox County schools. But, Mr. McGaughey pointed out, the list is subject to change at any minute, due to present adverse conditions.

Next Tuesday is the day. Come rain or shine, boll weevils or high taxes, somebody is going to get elected on that day. Millions of voters will participate in what is called one of the hottest elections we have had since "free silver" was the battlecry.

Every one of the public polls give President Roosevelt a fair margin of safety over Governor Dewey. However, it will be observed that they also hold about 60 to 70 electoral votes as "probables" or "undecided."

Fortune magazine, strictly anti-Roosevelt, gives the President a big majority over Dewey. Other surveys are pointing a timid finger at the President, knowing if they miss this time they had as well fold their tents and steal away in the night.

Some are of the opinion that the overseas vote will decide the issue, and the final results will be held up two or three weeks. It will be interesting to see how the overseas balloting goes, whether it is large enough to decide the issue or not.

Texas will have the spotlight when the votes are counted. Although it is considered in the bag for the New Deal set of electors, the Regulars and the Republicans are fanning a small blaze they hope will roar into a bonfire. Texas' 23 electoral votes may decide the winner at the electoral college.

But the world will keep turning regardless of the outcome. We can take a little time out to vote for what we believe is the best thing for all concerned and then get back to the field and get that other bale out before dark. We should all vote, however, and whether we win or lose, we can express our convictions.

I GIVE YOU TEXAS by BOYCE HOUSE

I was in a hotel the other day in Houston—an old-fashioned hotel. Why, that hotel was so old-fashioned you could actually read a newspaper by the lights in the lobby.

A sign in Sherman: "Shoes shined, 15 cents; muddy, 5 cents extra." Fair enough.

No greater service could be rendered by the bar of Texas than to do something to speed up justice in this State.

With no intention of criticizing any individual but with every intention of criticizing the slow and cumbersome system in Texas, consider the loan shark case, which was filed on August 10, 1943, in district court.

On August 25, 1944, the district judge overruled a motion for a new trial. In other words, it took one year and 15 days just to get the case thru district court.

The Court of Civil Appeals is yet ahead; so, no doubt, is the State Supreme Court. It is even possible that an effort will be made to carry the case to the Supreme Court of the United States.

One year has already dragged by and, at that rate, two or three more years may pass before the case is decided. Meanwhile, loan sharks are free to gouge their victims—including soldiers, sailors and war plant workers—to the tune of 200, 300 or even 500 per cent interest.

Notes made by James Madison during the writing of the Constitution, which was done behind closed doors, were sold to the government in 1940 for \$30,000.

OFFICIAL BALLOT

Table with 6 columns: DEMOCRATIC PARTY, REPUBLICAN PARTY, TEXAS REGULARS PARTY, SOCIALIST PARTY, PROHIBITION PARTY, AMERICA FIRST PARTY. Each column lists candidates for various offices like Governor, Lieutenant Governor, etc.

REAL DEMOCRATS...GOOD REPUBLICANS... LET'S FIGHT THE NEW DEAL TOGETHER!

Here's the way to do it! Cross out the New Deal electors on the Democratic ticket. Cross out the other parties. But leave the Texas Regulars!

Loyal Democrats—here's the way to stay Democrats—and vote the New Deal OUT! Good Southern Republicans, and all you loyal Texans who have no party flag—we invite you to rally under the banner of the Texas Regulars—rally to the ticket that will win!

It's time for a change! Time to forget you're a Republican or a Democrat. Time only to remember that you are a Texan. An American. That you love your country and want it to stay just like it is.

Can it be free Texans believe one man is indispensable to the

future of our country? Can it be free Texans believe one man should stay in power for 16 years? Can Texans, Democrats, believe our great Party should be run by alien-born Sidny Hillman, by Communist ex-convict Browder, by the big city political bosses who would sell out the South for the Harlem negro vote?

But we must stick together! Remember, we vote by states—unless we WIN in Texas—every last vote we cast is LOST!

Join with us, you good Republicans! Join with us, you independents—join a great crusade! We'll march to the polls together. We'll strike down the New Deal Communism that raises its terrible shadow over America. Vote with us—we'll lick the New Deal in Texas—and we'll keep America FREE!

TEXAS REGULARS Let's Beat Roosevelt!

**Lutheran Church To Have Permanent Pastor Here Soon**

Whereas the interest shown by residents in the Knox City area in the Gospel of Christ and Him crucified, as preached by the Lutheran Church, has increased gradually but steadily, a permanent mission congregation is soon to be formed in either Knox City or Benjamin. At the present, Lutheran services are being conducted on the second and fourth Sundays of each month at the First Lutheran Church in Knox City by the Rev. H. G. Lohrmann of Sagerton.

Beginning the second Sunday in November, that is November 12, Lutheran services will be conducted in the morning beginning at 11:30 a. m. That schedule of services will be conducted until the first part of February, 1945, when a student pastor is to be placed at Knox City to assist in bringing the unchurched to a knowledge of their Savior. From that time on there will be regular Lutheran services every Sunday morning, together with both Sunday School and adult Bible Class.

At the present there are 16 children enrolled in the Lutheran Sunday School and 15 adults in attendance of the Adult Bible Class. There are at present 42 souls who are members of this little Mission, which enjoys a regular attendance of more than 35 persons per service.

The subjects discussed at all adult Bible classes are based upon the FUNDAMENTAL doctrines of Christianity as taught in Holy Scriptures and presented in a simplified plan in Dr. Martin Luther's Small Catechism. Dr. Luther was the first successful protestant of the middle ages. It is he who put forth the doctrines of Sin and Grace (the ESSENTIAL doctrines of Christianity) clearly and fully, as they are taught in Scripture. The Lutheran Church has retained the stand of the venerable Dr. Luther in all its truth and purity. In other words, in the Lutheran church you will not hear what you must do for your salvation but what your Savior has done for you, that you may be called "Son of God."

If you are unchurched, or wish to learn how your Savior reconciled God to you, either attend one of the Lu-

**USEFULNESS**

Christianity holds him the greatest who, is himself most useful to others. —H. P. Hoge

Great opportunities come to all, but many do not know they have met them. The only preparation to take advantage of them, is simple fidelity to what each day brings. —A. E. Dunning.

Every branch of knowledge which a good man possesses, he may apply to some good purpose.—C. Buchanan

Usefulness is doing rightly by yourself and others. We lose a percentage due to our activity when doing the work that belongs to another. —Mary Baker Eddy.

To each is given a bag of tools, A shapeless mass and a book of rules. And each must make, ere life is flown. A stumbling-block or a stepping-stone. —R. L. Sharpe

**The Family Altar**

By, Rev. Violet Byers  
 Co-Pastor, Foursquare Church

As the day ends and night closes in, fathers coming in from the fields, and mothers busy about the kitchen, and the little ones studying their school books or gathered around the fires as the nights become chilly, our hearts go out to our boys and girls on the far flung battle fronts of the world and one cannot help but wonder how they are and if they are warm and do they have enough to eat. Many mother's heart is yearning for her boy tonight because no matter how old they are or how far away they go, they are still mother's boys. She still sees the little babe that she once held close to her heart and it is at this evening hour that she turns for consolation to God at the Family Altar.

Happy is the mother whose trust is in the Lord, and knows that, as she has committed her boy to God he is able to keep that which she has committed unto Him against that day. At this time of sorrow many have found consolation in the 91st Psalm, because we can stand on the promises of God. We know that "He that dwelleth in the secret place of the most high shall abide under the shadow of the Almighty."

Truly our boys can have a place of refuge under the shadow of the Almighty as they put their trust in Him. He shall deliver them from the fowler, and He shall cover them with His wings, so that terror of the night or the arrow that flieth by noonday shall not harm them, although a thousand shall fall at their side, and ten thousand at their right hand, they can still be safe in that place of refuge.

Many of our boys have found consolation that this Psalm offers and by putting their trust in God have been brought safely through many battles, to at last find that abiding place in Christ. No doubt there are many mothers and fathers that have regret in their hearts knowing that they have failed to point their sons and daughters to God before they left for the fields of battle, but dear ones, even if you failed in that duty, do not fail them now by neglecting to pray for them, but bring them to God daily at the Family Altar. Truly we have a loving Father who is concerned about His children, but he also wants us to be concerned about our children.

If you still have little ones at home do not fail them but tell them about Jesus today. Teach them to obey the word of God, and encourage them to go in church or Sunday school, but better still take them yourself, as a child naturally follows where the parents lead God bless you. Remember, Jesus loves you.

**BETA CHI CHAPTER MEETS IN HASKELL LAST SATURDAY**

The Beta Chi Chapter of Delta Kappa Gamma Society met in Haskell Saturday afternoon at 2:30 in the First Methodist Church. Mrs. E. R. Carpenter, president of the organization, presided at the meeting in which three new members were initiated. They were Mrs. J. E. Geer of Rule, Mrs. Stella Mae Trice, Old Glory, and Miss Louise Newman of Haskell.

After a short business session, a social hour was enjoyed with members of the Haskell group as hostesses. Representatives were present from Stonewall, Throckmorton, Haskell and Knox Counties.

**THEATRES ON WHEELS**

Seven American Red Cross cinemobiles—theatres on wheels—have been taken to the battle areas in France for the entertainment of soldiers near the front. These ton-and-a-half trucks serve as theatre, backstage and "home" for the Red Cross girls who drive them. One side of the truck can be let down to make a little stage.
