COUNTY SINGERS VISITED GOREE

Ex- One of the Largest Crowds Ever Assembled in That City Reported There Last Sunday

(Special to The Journal.)

Goree, Texas, March 14.—One of the largest crowds ever assembled in Goree attended the county singing convention at the school auditorium Sunday. There were people here from every part of the county. More than 200 people were turned away from the auditorium for lack of space.

The best of those who were not available to attend the convention met at Sunday night in the school auditorium. It is expected that a large crowd will attend the convention on Monday.

The county commissioner from Goree is too well known in the county, and his presence at the convention has been a great help in maintaining the peace among the people.

It is expected that the county commissioner from Goree is too well known in the county, and his presence at the convention has been a great help in maintaining the peace among the people.

ROAD BONDS SOLD ABOVE PAR; PART OF MACHINERY ARRIVED AND WORK WILL START SOON

Ninety-eight thousand dollars worth of good roads bonds have been sold for better than par, and the grader for this work has arrived and been unloaded. The engine was shipped out of Dallas on the 13th and is expected to arrive any day; and work will start as soon as all machinery arrives and a competent engineer is employed to superintend this work. We are expecting to have in charge of the engineering work Mr. Nolan of the State Highway Commission of Austin, Texas.

Work will start at the north river bridge and go south to the Haskell County line, and at the west river bridge and go east to the precinct line, leading to Munday.

The road will be of hard surface and gravel in the sandy places, with concrete culverts and bridges over creeks and small streams.

All cross roads and roads leading on to these highways will be graded in the same manner as far as the money will go. This will give all a good road that live in the Knox City road district.

THE AG CLUB POULTRY PLANT STARTS OPERATION.

The Ag Club Poultry Plant south of the high school has started functioning with its small flock of White Leghorns. More Leghorn hens and a high bred cockerel will reach here in a few days. Eggs from the pure bred flock are being set, and fifty baby chicks will reach Knox City about Wednesday, March 22 from the Bryan Hatcheries, half Leghorns and half Rhode Island Reds. Balanced feeds of wheat bran, corn, oats and meat are being fed in self.

Those who are interested in raising chickens, better feeds and more eggs will enjoy a few minutes spent at the Ag Club yards studying better poultry methods. It is possible that a few settings of Leghorn and Rhode Island eggs will be for sale later.

Carl Newsome, who was very seriously injured in an accident about three months ago, in which his leg was broken in two places, was out on the street in a wheel chair last Saturday, the first time since the accident occurred. One of the injured places on his leg is knitting nicely and the other is doing very well.

W. R. CONDRON IN RACE FOR COMMISSIONER

In our announcement column this week will be found the name of W. R. Condron, who desires your support for the office of county commissioner from Precinct 5. Mr. Condron has been a citizen of Knox City for about a year, and was by no means a stranger to the people of this community when he came here, as he had been a resident of Knox County for the past eighteen or twenty years, having lived at Goree during that time.

Mr. Condron is well qualified in every way to handle the affairs of the office he seeks. His business experience, as well as his personal qualifications, will enable him to perform the duties of this office in a manner that will be satisfactory to the people of this precinct and Knox County. His ideas are progressive, and this fact should also appeal to the voters when they cast their ballot in the July primary.

He asks your consideration of his candidacy, and if you can give him your support, he will appreciate it and will endeavor to give you the best service possible if elected.

BASEBALL CLUB FOR KNOX CITY

Meeting at Opera House Tuesday Night and Pre-Organization Committee Appointed.

The Senior Chamber of Commerce met Monday night at the store of Guinn-Clonts Company. The Juniors met at the Orient Drug Store. The Seniors discussed various topics of interest, but, owing to the threatening condition of the weather, there were only a few of the members present, and, as one of those present stated, it was mostly a social meeting. The Juniors discussed the coming livestock and poultry show, a Fourth of July picnic and an Armistice Day celebration, along with the plans for organizing and maintaining a baseball club for Knox City this year.

After devoting considerable time to these discussions, the Juniors retired to the Clonts Company's store and, after discussing the proposition, outlined to the senior present. It was decided to have a mass meeting, to be held at the Opera House Tuesday night, for the purpose of completing arrangements for organizing a ball club, and to make further plans in regard to the livestock and poultry show on April 5 and 6. It was also decided that, inasmuch as Tuesday night was band practice night, they would invite the band to give a concert at the mass meeting.

At the Opera House Tuesday night, after the band concert, President Roy Smith of the Junior Chamber of Commerce called the house to order and the two Chambers of Commerce proceeded to take steps toward organizing the ball club and attending to the other business on hand. After short talks by several of those present, a pre-organization committee, composed of O. L. Jamison, R. E. Hardberger, Earl Benedict and Harschel Lyle, was appointed to look after the preliminary work of the club and to get everything in readiness for the permanent organization of the baseball club for the 1922 season.

The plans in connection with the livestock show, which had been discussed on Monday night, including an advertising excursion to be made a few days before the show, were not completed at this meeting, but will

HONORS WON BY KNOX CITY BOYS

High School Stock Judging Team Makes Creditable Showing at Fat Stock Show.

The Ag Club sent the first stock judging of Knox City to the Fat Stock Show at Fort Worth. The team of three boys was selected from the Ag Club after a series of practice trials in judging local animals.

The three boys, Andrew Dutton, George Bolin and Jesse Hitchcock, reached Fort Worth Sunday night with their coach, Mr. West, and on Monday morning entered the judging contests against 31 teams of 93 boys who had had one or more years experience in both state and national contests.

Classes in Jersey and Holstein dairy cattle, Hereford and Short-horn beef cattle, Duroc Jersey and Poland China Hogs, and Percheron draft horses, Knox City won eleventh place, winning over 21 teams, and Andrew Dutton won eleventh place, winning over 85 other contestants.

The Knox City team won first on placings, third on dairy cattle, fourth on beef cattle, ninth on draft cattle and fourteenth on hogs. The boys judged like veterans and showed a thorough knowledge of animal type and breed. Another year the Ag Club can send winners to these contests.

HON. LUCIAN W. PARRISH IS SERIOUSLY INJURED

As we go to press it is learned that Hon. Lucian W. Parrish, candidate for United States Senator, was seriously injured near Roby Wednesday night when a car in which he was riding went over a twelve-foot embankment. He was accompanied by a local judge, whose name we did not learn. We also failed to learn the extent of the judge's injuries. Mr. Parrish was on a speaking tour and had spoken in Abilene Wednesday night.

E. L. Covey, J. W. Melton and P. J. Camp of Goree were business visitors to Knox City Tuesday afternoon.

They were taken up at the meeting of the Chambers of Commerce next Monday night. The Fourth of July and Armistice Day celebrations will also probably be given further attention at this meeting.

Election of School Trustees

THE STATE OF TEXAS, COUNTY OF KNOX

To All Whom This May Concern:

Notice is hereby given that there will be an Election held on Saturday, the first day of April, 1922, in Knox City Independent School District, at the First National Bank Building, in compliance with an order of the Board of Trustees of said School District, and the polls in said District shall be opened at 8 o'clock a. m., and shall not be closed before 6 p. m. on said day, for the purpose of electing four Independent School District Trustees for said School District.

R. L. McCARTY, Secretary.

Knox City Independent School District.

Advertising rates on application

Friday, March 17, 1922

We notice where a progressive merchant in a town not far distant from Gunter has contracted with the newspaper for a full page advertisement each week throughout the entire year. It is needless to say that that merchant is the leading and most progressive and prosperous business man in the town. If he were not at the present time, he would soon become so by such a judicious use of printer's ink. Constant advertising places a man's business before the people in such an unmistakable way that business will just naturally flow his way. By looking over the local newspaper of any town you can easily locate the most progressive business men of the town. The paper is the best medium through which he can reach the people, and the merchant must be in close touch with the people to succeed in his business.—Gunter Star.

"Community pride is a valuable asset to any city. No city ever grew great without this quality as a large working factor in its construction and maintenance. The attractiveness of a city is one of its greatest stimulants to growth. A city with a soul expressed in intelligent building and decorating draws a population whose presence is its upbuilding. Outside public opinion of a city has much to do with its welfare. That opinion is largely shaped by the front the city presents to visitors. Good words are rarely spoken of a city built haphazard and kept in a clutter. One of the vital qualities of a great city is beauty."—Haskell Free Press.

Many of the small town newspapers last week made excuses for the shortcomings of the paper on account of the severe weather. You have no cause to apologize, boys, for every paper you publish beats the city paper, both as to size and quality of news. If you publish a 4-page paper in a town of 1000 it equals a 100-page paper for the city of 100,000. Seven daily papers of 57 pages each, according to the rate towns in which published and no city paper in this part of the country prints any such paper, nor does it have the human interest news in proportion to the little country weekly.—Rolan Advance.

J. D. Fauntleroy, state highway engineer, states that Texas needs \$10,000,000 for the proper construction and maintenance of its highways. Perhaps that is true, but here we want to suggest that Knox County was not considered in that estimate. How do we know? Well, she has never received any state aid for road building and we know that she is not being considered. It's a shame that one of the best counties of West Texas has no first class roads. How long shall it so remain?

The Supreme Court of the United States has decided that a State Railroad Commission has some authority. We are sure that the court would

Clean Up Day should be observed with enthusiasm. Many residents of the town are busy most of the time and do not have the opportunity of keeping up their places as they would like to do. But tomorrow they will have no excuse, if the weather is not bad, and the day should give us an idea of whether or not the town is really desirous of cleaning up.—Baylor County Banner.

Clean-up day has passed by, but it may not be too late yet to clean up some things in our town that have not been given the proper attention. It is an easy matter to let a town become too unsanitary, but it is impossible to keep a town too clean.

Our Washington friends seem to be puzzled as to what disposition to make of the bonus bill. One would judge from press reports that most all are in favor of a bonus, but a bonus bill has not been passed. Why? If it is good, why pass it and be done with the question, if not good, say something.

Three Kinds of Courage.

There's the courage that nerves you in starting the climb
To the mount of success' rising sheer.
And when you've slipped back
There's the courage sublime
That keeps you from shedding
Tears of shame and grief.
There's the courage, I
think for my word,
That's worthy of tribute—but
You can't reach the summit un-
less you've the third—
The courage of TRY IT AGAIN!
—Roy Farrell Greene.

W. A. Perkins and son, Josh, of near Henrjetta, arrived in Knox City Wednesday, where they met another son, G. W. Perkins, who came here from Fisher County to be operated upon for appendicitis. The latter was taken to Dr. Edwards' Sanitarium upon his arrival in the city. Mr. Perkins informed us that his son Josh, who accompanied him on this trip, underwent a similar operation while in training at Camp Pike during the world war. They reported a nice rain in their vicinity last Monday, and stated that the rain extended as far east as Grayson County.

S MADE HER LAST VOYAGE

Famous Clipper Ship, Built in 1869, is Being Broken Up at Tacoma, Wash.

An old clipper ship, the *Glory of the Seas*, which 55 years ago set a record for "windjammers" between San Francisco and Australia, is being broken up at Tacoma, Wash., following the discovery that barnacles have eaten into her hull beyond repair.

The stout old ship was built at the famous Donald McKay yards in Boston, Mass., in 1869, and since then has sailed on all the seven seas and called at most of the important ports around the globe.

Some years ago the *Glory of the Seas* was purchased by a Tacoma fish company and was put in the service between Puget sound and Alaska. Each spring she would spread her canvas and sail away to the north, carrying supplies and employees for the Alaska canneries operated by the company and in the fall would return with the season's catch.

The old boat was built of oak and other tough woods, and some of these are still in good condition. She is being broken up for what metal she holds.

WITH RESERVATIONS

His Mother—Bobbie, you have been very naughty after promising to obey me strictly.

Bobbie—That's nothin'. You once promised to obey dad.

SLAVE OF BEAUTY

The Woman went to call on a friend who lives in a small apartment. As the door was opened she was greeted by the shrill notes of a particularly ear-splitting canary bird, and in the small drawing room she found a large and beautifully carved cage of red Chinese lacquer in which a little yellow bird was doing his utmost to make up for the fact that Caruso was dead.

"But I thought you detested canaries?" said the Woman to her friend.

"I do," said her friend. "I loathe them, but last week at an auction I picked up that heavenly cage at the greatest bargain, and it looked so pointless to have it empty that there was nothing for me to do but buy a bird."—Chicago Journal.

RAINBOW STONES

South Australia seeks a market for its opals—very beautiful gem stones of a kind peculiar to that part of the world. The chief commercial obstacle lies in the superstition that opals are unlucky and bring misfortune to the owner. This silly notion does not worry Americans much and in the United States opals are much admired and commonly worn. In Europe, however, it has a surprising grip. Accordingly, the producers are going to put their white opals on the market under another name. They will be called "iridots," after the Greek word for rainbow.—Pittsburgh Dispatch.

GOOD WORK RECOGNIZED

Mrs. Margaret Brown, a woman of seventy, has been awarded a gold brooch and a letter of thanks by the British National Lifeboat Institution. For nearly 50 years Mrs. Brown has been in active service at a life-saving station on the Northumberland coast, and, in spite of her age, she still lends a ready and helpful hand at every launch of the lifeboat.

DISTANT IMPRESSION

"What is your idea of a social movement?"

"I don't pretend to be precisely informed," said Senator Sorghum, "but my impression is that a social movement is one that stands to survive by bringing out a certain number of people who are going to group themselves together."

Church Announcements.

METHODIST CHURCH.

Sunday School at 9:45. In the service Class No. 3 (Mrs. Ed Humphries' class) will give a short representation of the story of The Good Samaritan.

Preaching at 11:00 and 7:30. During this month I am preaching on some subjects that good people sometimes differ on. I have no fight to make with anyone who does not agree with me. Next Sunday I plan to speak at the morning hour on "The Scriptural Mode of Christian Baptism," and at night on, "Is Conversion Necessary for the Child, or Can the Child Grow up in the Kingdom?" I regard this night subject as of vital importance to the church. I shall be glad to have you at either or each of these services.

J. W. Hawkins, Pastor.

BAPTIST CHURCH.

The prayer meeting last Wednesday evening was an inspiring service, and all present were spiritually benefited. Our young people will have charge of the service next Wednesday evening at 7:30, March 22nd. We especially urge that all the older Christians will come and support them. Leader, Miss Sadie Sue Hardberger.

Our pastor will preach Sunday morning and evening. The subject for the morning service will be: "Is Baptism as a Culminating Act Scriptural?" Evening subject, "Burden Bearer." Our people will remember these services and invite all who will to come. Reporter.

JUNIOR B. Y. P. U.

Sunday March, 19, 1922.
Subject: The Breath of Death.
Song.
Prayer.
Song.
1. Scripture Reading: Judges: 1—Edmond Jones.

7. Sword Drill.

There will be preaching at the New Christian Church on Sunday at 11 a. m. and 7:30 p. m. by Elder Bell of Abilene. Every one is invited to come and hear him.

Have You Forgotten?

Little Son: "Mother, why is it that so few graves in our cemetery have monuments erected to them? Is it because they do not think as much of their friends as others do?"

Mother: "No, son, it is because they put it off from time to time until they think everyone has forgotten it."

Well, there is one that knows it. J. H. McGee, who represents the Haskell Marble Works, knows that you have not erected one. See him.

Pure Lone Star Cotton Seed.

We have a few hundred bushels of Pure Lone Star cotton Seed that we will sell for \$1.00 per bushel or exchange them for common seed.

Knox City Grain Elevator Co.

For Sale.

Eggs from my prize winning Barred Plymouth Rocks, dark line only, Thompson strain. 1st pen, \$3 50 per 15; 2nd pen, \$2 50 per 15.
