CHARLENE BROTHERS

Well, it is that time of the year again, the time when I'm late and Billye Bess is standing on her ear wondering where oh where am I at. I usually make it just before the dead line each week at this time of the season. It isn't that we are ginning that much cotton now, we are just hoping they will bring some in. Maybe it will clear up and stay that way for a few weeks. I wonder sometime why God is as good to us as He is, the way we gripe about the weather regardless of what it is. Last summer we were all wanting it to rain, and now we are griping because it is raining too much. The first land-Hady J.O. and I ever had after we were married said she hated to hear people gripe about the weather, because they were finding fault with God, which is true if we will only stop long enough to think about it. So let's try to be better about our gripes this coming year.

Officiating for the double ring service was the Rev. Ronald A. Harpster.

Mrs. O.B. Phillips, organist, accompanied Bonnie Hall, soloist, who sang the "Wedding Song.

Given in marriage by her father, the bride wore a floorlength gown of candlelight silk, princess design with A-line skirt and long bell sleeves. The gown was edged in matching crocheted lace around the neckline, the sleeves, and from shoulder to hemline in front and back.

Petals of crocheted lace secured her short veil of English silk illusion.

November 23, at 2:30 p.m. O'Brien has already begun their basketball season and e will have a write up about their team next week.

O'Brien Wins Final Game

by Charlene Brothers

Quarterback Mel Reed was on fire last Friday night for the final game with Trent. He threw five touchdown passes to lead O'Brien to a 64-14 victory over Trent.

Two of the passes went to Louis Rojas and two to Lalo Garcia. Reed hit Rojas with scoring tosses of 30 and 45 yards in the first quarter and Garcia with passes of 35 and 26 yards. He also hit Jaime Rocha with a 39-yard touchdown pass.

Garcia also ran 22 and 43 yards for touchdowns and Devy Holmes ran 26 yards for another touchdown. Keith Rowan added five PATs.

Bland scored both touchdowns and PATs for Trent.

This ended a very good season for O'Brien, considering that last spring some of the people around here did not think they would win enough games to hardly stay in the game. This just goes to show that we should not count our eggs until they are in the basket. We will have a good returning team next year, as the second team saw a lot of action this year and will be ready to go out and win State next time.

This is the last football game that Keith, Mel, and Lalo will ever play for O'Brien. I would like to say to all three that we will miss them next year and hope they will continue their education as they leave the halls of O'Brien School. (Of course, boys, we do have someone to take your place on the team, but still they will miss you

The bride carried a cascade bouquet of yellow sweetheart roses and white miniature carnations.

their longest drive of the night near the end of the first half. The Hounds needed 11 plays to cover 85 yards. The TD came when Swain found Jerry Stamps in the right flat with a seven-yard pass, thus ending the first half 34-0.

Haskell scored first in the second half, when a blocked punt led to its lone TD.

The Hounds were forced to punt, but Johnny Hawkins blocked the effort and the Indians got the ball at the KC 17. George Brown scored on a first down, then Randy Phemister ran in for the two extra points.

Knox City scored about three minutes later, recovering a Haskell fumble and moving 57 yards in only two plays. Stamps covered 47 of those yards on the TD run.

The Greyhound offense slowed after that, but the defense continued its headsup play. It allowed the Indians to convert only one of 13 third-down plays into a first down, and held them to 141 total yards.

The running, passing, kicking, and poised leadership of quarterback Joey Swain were the keys to victory, but not to be overlooked was a fine performance by the Greyhound defense.

Swain and other Hound running backs enjoyed top blocking by center Mike Burkham, guards Cliff Ray and Robert Taylor, tackles Randy Lewis and Jimmy Lynn, and ends Bo Johnson and Don

The key figures in defense were linebackers Rudy Hernandez, backs Jimmy Moore, Jerry Stamps and Mark Howell; and linement Lynn, Swearnger, Johnson, Taylor, Ray Hernandez, and Joe

JUNIOR CLASS NEWS by Al Bateman

It has been pointed ou! that the Junior-Senior Thanksgiving supper is being held tonight. Quite a large crowd is expected to attend the feast lus many meals are being delivered to the homes of people who ordered them. It's not too late to get tickets from some Junior or Senior in your neighborhood, but you better hurry if you wish to attend.

I guess the biggest news in town this week is the fact that the Greyhound football squad went 10-0 this year and now have the honor of playing for Bi-district. It might be interesting to know that over 50% of the positions on the team have been taken by Juniors.

Also, the girls have begun their basketball season and we wish them all the luck in the world this year. Give them the support the Hounds got and "who knows?" We'll n find out

SOPHOMORE NEWS by Kelly Robinson

In this year of 1974, as most people know, the Knox City Greyhounds have been destroying everybody they've played. The main reason for this winning season is the fact that there has been an ample abundance of teamwork.

For the first five games of the year there were no sophomores on the Varsity. Then against Munday Tim Whitten was elevated to that position. and Tim has done a great job representing our class.

At the beginning of the year there were only three Sophomores in the football program. Due to an injury to Billy Bob Reynolds in a scrimmage early in the year, we were really losing players fast. But, due to great recruiting by all three of the Sophs who played, we

brought in two good players, Flint Richardson and Troy Lewis. These two have contributed vastly to the success of the Junior Varsity squad.

Going into the eleventh week of Greyhound football (we've got five more games ahead of us) there are seven sophomores in football including players Tim Whitten. Troy Lewis, Flint Richardson, and Kelly Robinson; injured player Billy Bob Reynolds; and managers Mike Granger and Larry Rios.

In addition to the boys we have a great bunch of girls who provide pep for the team. They are cheerleaders Adrian Jones and Patti Lain and Tamie Grindstaff who is a twirler. Not to leave out anyone, but who are too numerous to mention, we have pupils in the Pep Squad and Band.

Those on Varsity are Adrian Jones, Sheryll Guinn, Jewell Cuiberson (who starts) and Marylon Burt. JVs are Patti Lain, Tammy Stewart, and Mary Espinosa. We had one girl injured, who was Tamie Grindstaff. They played Jayton Tuesday. This week the Sophomores

FRESHMAN NEWS by Junior Gonzales

Well, sorry I hadn't written any Freshman news in the past two weeks. Weren't you sad about it? Well, I'm going to lay it on you!!!

The Freshman Initiation

was last Wednesday. All the Freshmen are glad to see the initiation past. What a relief!!! Here is the way it went. All of us were to be at school at 8:15, here is where we got it. The Seniors smeared lipstick on us and shaving cream on our face. At 9:15 the initiation started. Judy Ray was first. She was a pickled fish. Then Jami was looking for her boyfriend, J.D. Finally after looking a long time, she found him. Donny Mullins and Terri Harris were lovers. They threw pies at each other and then walked off hugging each other. Lydia Lankford was next. She was dressed as a ballet dancer with boots. Junior Gonzales and Billy Lerma did a Cheech and Chong scene. Lori Richards was next. She had to do a strip tease act. She nearly took it all off. HA!HA!! Chicken Man was next. This was Rodney Warren. Jimmy Albus and Charles Durham did a hula dance. Mike Howell, Junior Gonzales, and Tommy Mangis were next with Debby Ray. Tommy Mangis, Judy Ray, and David Anderson also were here. They were pimples. Eddie and Jimmy were wrestlers. Mike and Mark sang to Cheryl Brieden. Mike and

PEP CLUB NEWS by Vickie Berryman

CHOIR NEWS by Patti Counts

The yuletide season is rapidly approaching and the High School Choir will certainly be ready. Our annual Christmas program is set for December 12 and preparations are being made now for the festive occasion. their tenth goal of the season Friday night in beating Haskell. Our 11th goal is to be Bi-District champs over Jim Ned Saturday night. We were real pleased in the Hound performance against the Indians, especially the offense. This was probably the best night offensively we've had in three years. We were able to control the ball and make several long drives that we haven't been doing in games past. In grading our film, we had the ball over 70 plays which is a great number even for college teams. Then when we had to play defense the

The class that has the most cans in their boxes wins a prize, baked by the members of the Beta Club. The deadline is Friday, the 22nd. The canned goods will be given to needy families for Thanksgiving.

The clean-up drive was post-poned and will be scheduled at a later date.

The Greyhounds reached outstanding job in stopping their offense. Haskell hadn't allowed that much scoring all year and they played 5-AA schools. We were anticipating a much closer game, but as it turned out the Hounds were too much for the Indians. They have a lot of good young kids and should be contenders next year. Joey Swain, Charlie Flye, Jerry Stamps, and Jimmy Lynn all had their hand in the scoring with great help from Robert Taylor, Mike Burkham, Cliff Ray, Randy Lewis, Don Swearnger, and Bo John-

BASKETBALL

The 1974 Basketball season is underway. The high school girls had a practice game a couple of weeks ago with the 'Oldies but Goodies." a group of local women a year or so beyond high school age. The girls defeated the ladies by about 14 points, but it was not a run-away game by any means. It did give the girls some practice which they did need. "Oldies" playing were Sue McCarthy, Jan Pollock, Jessie Roberts. Jan Carver. Peggy Hudson, Sue Oxford, and Brenda Driver.

Then on Tuesday night the high school girls played Weinert. They lost by a score of 37-36. Scoring for our team was Diane Green with 22 points. Debbie Hudson with 10, and Kelly Milson and Dorthy Golden with two each. Other girls playing are Ann Brannan, Meta Juarez, Sandy Gore, and Linda Golden. Dee Ann Young is manager, Nancy Clark is bookkeeper, and Benny Grill is the coach. The boys get started this week and both teams play O'Brien Tuesday night here and Patton Springs Friday night

The Junior High teams also played lots of basketball last week as they were entered in the Paint Creek tournement. Their first games were with McCauley and both teams won. The girls' score was Tammy Carver with 15, Rhonda Heard with four and Becky Welch with two. The boys' score was 21-17, but who made our points, I don't vance of the 70th anniversary. know. On Thursday, both teams played Old Glory and were defeated, thus causing them to play Saturday for consolation. In the Thursday game the score was 25-15. Tammy Carver scored 8. Rhonda Heard four, Linda Brooke Hudson two, and Becky Welch one for the girls.

Going for consolation, each team had to play Paint Creek. The girls were defeated by a score of 30-26. Rhonda Heard scored nine points, Tammy Carver seven, Stacy Carver and Linda Brooke Hudson had four each and Sheila Benson had two. The boys took the consolation trophy by a score of something like 50-4. Congratulations, Boys//

'Giving Thanks always for all things unto God the Father in the name of the Lord Jesus Christ." (Eph. 5:20)

Giving thanks is the one thing the great Apostle Paul stongly urges us to do. Why? Becuase we have so many reasons to give thanks. God's Holy Word gives us many reasons why we should be thankful. David said. "The earth is the Lord's, and the fulness thereof; the world and they that dwell therein.

Thy mercy, O Lord, is in the heavens; and thy faithfulness reaches unto the clouds. Thy righteousness is like the great mountains; thy judgements are a great deep: O Lord, thou preservest man and beast. How excellent is thy loving kindness, O Lord! Therefore the children of men put their trust under the shadow of thy wings." (Ps. 36: 5-7).

We give Thanks unto God for His goodness and mercy. and offer our prayer from John's words in Revelation. Blessing and glory, and wisdom, and thanksgiving, and honor, and power and might, be unto our God forever and ever. Amen." I pray God's blessings ever Stream into your heart and

Are Natural Gas Curtailments Going To Affect Me?

During cold days in the winter. when the demand for natural gas is really high, some industrial users are asked to cut back their consumption of natural gas. But we want to assure our residential and other high priority customers that it's highly unlikely their natural gas service will be

interrupted. The pipelines used to deliver natural gas can only hold so much gas. And during extremely cold winter days, there's sometimes more demand than we can supply. Some people ask, "Why not build bigger pipelines?" But that would be like building a church for the Easter or Christmas attendance, rather than the weekly congregation. The cost would be tremendous and gas rates would be

much higher. Instead we developed a "curtailment" program many years ago. Our industrial customers have signed contracts agreeing to "curtail" their use And in return, they pay a lesser rate
