Greenhand News

We went out to the League Ranch and watched some men work cattle. We trimmed some trees and studied some things about chickens last week.

Freshman Class News
By AL BATEMAN

The track girls got out of class last Friday and went to a track meet. The boys, however, had to wait until Saturday to go to one. Some of us tried out for the golf team last Monday and Tuesday afternoons. We started at 5:00 and played nine holes in groups of four. Mr. Baker chose the four and we kept each other's scores.

Speech Class News
By HARVEY REYNOLDS

This week we were given an assignment for our nine weeks test. We are to read two plays: a one-act play and a three-act play. For our test we will tell orally about one of the plays and write about the other. It sounds interesting. Today the Ready-writing students took a practice test. The UIL meet at Crowell is April 12, so try-outs must be held and every one must begin to practice.

Seventh Grade News
By DONNY MULLINS

Well, last week at the track meet the boys got seventh place out of 15 teams at Albany. The girls won first out of 15.

The next boys track meet will be at Knox City this coming Monday. The girls track meet has been called off.

Tuesday when the sand storm hit the place was a mess, the air was full of dust and every one was coughing and having a terrible time.

This is the week that none of the kids like it is nine weeks test time again and all kids have to study and study and study....

Local FHA'ers To Attend Area Meet

By CINDY FOSTER
Several of the Knox City FHA girls will be attending the area FHA Meeting in Brownwood, March 16-17.

Most of the meetings will be held at the Convention Center in Brownwood. The theme for this year is "The FHA Way".

W.W. Kethan, president of the International Softball Federation will be the keynote speaker.

Twenty-two people from Knox City are planning to attend the convention.

Stacy Angle is a candidate for Area IV, Fourth Vice-President, Jan Guinn is Knox City's voting delegate, Doris Howell,

is on the sick list.

I still say you can take the person out of the country but you can't take the country out of the person. Saturday I went to Wichita Falls with Charlene and we stop at the steak house and had dinner, the bar-b-que were good, but the goodie kept getting on my fingers so I started licking it off, because I think that when it is good. I hope I didn't embarrass Charlene too much now I can't talk about Dorothy getting loose in Houston, too much anyway.

Nedria is on the don't feel so good list with the chicken pox. And Terri with I don't feel good.

Mrs. Martha Cortners is home and report her brother is much better, but is still very sick.

Mr. and Mrs. Lee Cortners were in Childress Sunday visiting Lee's mother, other relatives and friends.

SERVICES OF THE CHURCH OF GOD IN CHRIST

The Rule Church held services five nights of last week. A different speaker spoke each night and Missionary Ward conducted the services.

On Wednesday night Sis Alestine Live spoke from Matt. 7:1-9.

Friday night Missionary Wilson spoke from Mt. Thess. 4: 15-18.

Usher Board meetings and Sunshine Fund were held on Saturday evening.

Sunday School had a good attendance with Supt. Smith in charge.

In the morning service Pastor Bennett preached from St. John 15:12-16.

YPWW and night service were held Missionary Sanders of Munday visited with us during these services. In the night service Pastor Bennett preached from Romans 8:18 and 1 Peter 4:13.

Gayle Tankersley, Debbie Wall, and Diane Clonts are participating in the area chorus. The other sixteen girls are going along for moral support.

At our last FHA meeting we were fortunate to have Melonie Whitley come and bring some of her crafts to show us. Everyone enjoyed learning how

to make new things. Thank you, Mrs. Whitley. Next week I'll tell you about all the exciting things that happened at Brownwood.
