Streams In Desert Places

Ozelle Stephens

Happy is he who hath God for his help, whose hope is in the Lord; which made heaven and earth, the sea and all that therein is: which keepeth truth for ever; Which executeth judgment for the oppressed; Which giveth food to the hungry.

The Lord openth the eyes of the blind; Raiseth them that arc bowed down. He loveth the righteous, preserveth the stranger; He relieveth the fatherless and widow. but the way of the wicked he turneth upside down.

Streams of mercy flow from the Lord into the life of the man who praise and worship Him.

Knox Co TSTA Has Banquet, Munday

Th Knox County Texas State Teachers' Association had a banquet Monday night at Munday in conjunction with its annual Spring Meeting.

The banquet was held in the Munday school cafeteria and was well-attended by teachers from throughout the county. Mr. Ward Cooksey, Knox City High School principal, estimated attendance 90 per cent, and said that was perhaps a low estimate.

New officers were elected for the coming year. Mr. A. B. Martin of Munday was named president; 1st vice-president, George Cotton of Goree; 2nd vice-president, Mrs. Louise Kem'etz of Knox City; and secretary, Mrs. Leono Partridge of Munday.

Also, the recipient of the \$100 scholarship award given by the TSTA each year was Sue Duke of Benjamin. Sue is the daughter of Mr. and Mrs. E. W. Duke.

IN FITZGERALD HOME

Guests in the home of Mr. and Mrs. Alton Fitzgerald and Leslie included their daughter and her family, Mr. and Mrs. Wallace Cantrell, Lisa and Terrell of Breckenridge and Mr. Cantrell's

for natural gas in Knox City and Benjamin was sought recently by Lone Star Gas Company and was granted by the councils of both cities. Presentation was made to the councils at recent individual city meetings. The rate increase was passed

and granted by the councils following a presentation by managers of the gas company who pointed out that increasing costs made the price adjustment necessary.

Lone Star Gas Co.

In Local Rates

Bill Fletcher, Knox City manager said that the increase in rate would amount to an approximate 26 cents, at the most, increase per month per customer.

The same approximate 26 cent increase per month per customer will also apply to Benjamin. IMPORTANT PROVISION

An important provision of the new rate structure is that no charge will be made during the months when no gas is consumed. Previously the minimum rate was charged during summer months on businesses and other such

places not using gas in summer. Many people have their gas turned off in the summer and then when the first cold spell hits, the company is flooded with requests to turn on the gas.

These people will not have to have their gas turned off-and they will not be charged if no gas is used during the summer.

All Notaries Public Must Pay Fee and **File Application**

Secretory of State John L. Hill announced that a'l qualified Notaries Public desiring re-appointment for the new term which begins June 1, 1967 and ends June 1969, must pay the required fee and file a new application, oath and bond with the County Clerk of his residence between May 1, 1967 and May 15, 1967,

Mr. Hill emphasized that Notaries Public should not send requests for re-appointment or for commissions directly to the Secretary of State inasmuch as law specifically requires that the County Clerks approve Notary Bonds and forward copies of the Application to the Secretary of
