Jamison Reports West Texas C of C Convention

A complete summary of the activities of the West Texas Chamber of Commerce Convention at Abilene, Texas, May 25th, 30, and 31st would require too much time and space according to O. L. Jamison, president of the local C. of C. as a delegate of the WTCC from Knox City. He attended all meetings, and says that only by such attendance can we fully appreciate the splendid work of the organization in making West Texas a more ideal place in which to live.

A few of the outstanding developments of the Convention are given by Mr. Jamison as follows:

"President W. B. Hamilton, with the able WTCC Manager, Mr. Bandson, and the cooperation of other officers elected, Unit Directors and C. Secretaries, lifted the load of a \$28,000 debt since the El Paso Convention, and had an \$800 balance in treasury at the close of the Abilene Convention.

The keynote of the Convention "West Texas Development." West Texas has been divided into ten districts, each with its own director and secretary, and all working under the manager of the WTCC. The new organization plan calls for the operation of three bureaus, the development bureau charged with the responsibility of stimulating an industrial and agricultural development of West Texas, the protection and expansion bureau charged with the responsibility of protecting and expanding those things we already have, the publicity and service bureau charged with the responsibility of getting national publicity for West Texas and of being of service to members and member towns.

"President Hamilton, in his address to the Convention stated that, Many of the ills of our West Texas producer result from Government policies, both state and National. His property has been legislated away from him. National tariff seems to be one of protecting the manufacturer, and not the producer. The State tax policy seems to be to tax the producer of West Texas raw material and resources. A number of resolutions were adopted by the Convention which will give notice that from now on the West Texas sheepmen, cattlemen, the cotton producer, the mining man, in fact all workers of the soil and things under the soil shall have the forces of the WTCC behind him to the end and that he shall receive a fairer share of the wealth he creates.

"Resolutions were adopted calling the National Government to protect, by tariff, the things that are being produced and can be produced in West Texas. Another calling for opposition to any further tax burden upon the raw material and basic resources of West Texas.

"Heartily response was given Governor Moody and President Hamilton in their urgent request that the road system should be wholly built from the gasoline tax, thereby relieving the West Texas farmer and

Married

MILLER-HAMM

Mr. R. E. Miller and Miss Mildred Hamm of Abilene were married in the home of Reverend Stovall Thursday afternoon. The couple will make their home in Abilene.

COMMONS-TIDWELL

Sunday morning at 8:15 Miss Iva Mae Tidwell and Mr. Vernon C. Commons were united in marriage. The Reverend Stovall pronouncing the ceremony which took place in the Stovall home.

Miss Tidwell has for several years taught school at Union Grov, being associated with Mrs. E. F. Branton. Mr. Commons is from Leuders, Texas, where the couple will make their home.

Miss Tidwell and Mr. Commons were accompanied to the Stovall home by Mr. and Mrs. E. F. Branton, Mr. and Mrs. D. B. Weaver of Munday, sister of the bride, Mr. and Mrs. Jess Marshall of Knox City, another sister of Miss Tidwell; Mr. and Mrs. A. L. Tidwell, of Lorenza, brother to the bride, Miss Alma White and Mr. and Mrs. Horton.

MARTIN-LANKFORD

A newspaper clipping received this week from an Arkansas paper showed that John Martin, who for some time was employed by Mr. Addison at the poultry house, then for a short while by Mr. Nations at the Western Produce House and who was called from Knox City to Cabot Arkansas in the illness of his father, has gotten married. According to the clipping the bride was Mrs. Pearl Lankford of Mooseheart Illinois and the wedding took place Saturday night, the Reverend Gibson performing the ceremony.

Mr. Martin is now associated with his father in Martin's Hoop factory. The couple are making their home in Cabot, Arkansas.

Moorehouse-Evans

Thursday morning May 29, at eight o'clock on the beautiful lawn of the home of Mrs. M. L. Estes in Merkel Texas, Miss Ruby Evans of Knox City became the wife of Mr. Deaton Moorehouse.

Miss Evans was escorted by her maid of honor, Miss Faye Goodyear of Anson to the altar of love and then given in wedlock, with the ring ceremony, to the one of her choice. The Reverend Willett pronounced the ceremony. Only the immediate relatives of the bride and groom were present which included from Knox City Mrs. W. F. Evans and children and Mrs. H. M. Warren and children.

For the ceremony the bride was beautifully gowned in flowered net with the maid of honor wearing sky blue crepe gown. Following the ceremony the bride changed to a lovely navy blue georgette traveling dress with hat and accessories to match and the happy couple left for Sayre Oklahoma where they will make their home.

Mr. Moorehouse is employed by the Chevrolet Company in Sayre. He is the son of Mr. and Mrs. Moorehouse of Benjamin; and is a splendid young man. The Herald joins Knox City in wishing for this happy couple a prolonged life filled with this same happiness.

GIRL SCOUTS

The Girl Scouts met for a regular meeting Tuesday June 3. They enjoyed a good swim out at Mrs. Rutledge's home.

On Tuesday evening June the 10th the Scout Troup Committee are sponsoring a picnic for the Girl Scouts and their parents. Everybody bring a picnic lunch and meet at the Methodist church Tuesday evening at six o'clock. All Scouts and their parents are invited and are urged to be present. This picnic meeting will take the place of the regular weekly meeting Tuesday.

Girl Scout Captain

Miss Veima Able of Ralls Texas is visiting Miss Lorel Branton.

Methodist to Have All Day Meeting

Sunday the membership of the Knox City Methodist Church will enjoy an all day meeting at the church. A visiting preacher will be present and deliver the morning sermon at the eleven o'clock hour. Following a picnic lunch will be spread and the entire church membership will enjoy the food and the fellowship of the hour. An interlocking program will then be given, a portion of which will be an old time Methodist Love Feast.

A good portion of the time will be given to a sing song into which every one will be expected to take part. The program will be concluded in time for every one to return home for a short rest before the evening service.

One of the outstanding features of the day will be the informality of it all. This portion of the announcement made Sunday by the pastor, Brother Mann, received great emphasis. Everyone is asked to bring the picnic baskets filled but not filled to the extent that the filling will be a burden or that the eating thereof will be formal. Everyone will look out for himself and is asked to help himself and then while eating find some one to talk to and get up a jolly conversation.

A great day awaits all who want to join the happy throng.

AMERICAN LEGION TO MEET IN SLATON JUNE 14 AND 15

SLATON, Texas, June 5, 1939. The 18th Texas District of the American Legion will hold a two-day convention in Slaton on June 14 and 15, at which a probably attendance of 80 or more Legionnaires and Auxiliary members has been predicted by local Legion officials.

There are 49 Legion Posts in the District, having combined membership of over 3,400 war veterans. According to reports that have been received here, most of these Posts will be represented at the convention, including Chas. Lroy Teague Post, No. 229, of Knox City, of which Ray M. Willis is commander.

An interesting program is being arranged for the meetings here including business and entertainment features on both days for the ex-servicemen and their ladies. State Commander "Orris" Cox and State Adjutant Bob Whiteaker are both expected to be in attendance. A luncheon for the delegates at noon Sunday is one feature of the meeting. This will be on the thirteenth birthday anniversary of Slaton, the city having been founded on June 5, 1911.

B. W. M. U. MEETS WITH MRS. DENTON

The Missionary Union of the Baptist Church was entertained in the home of Mrs. D. B. Denton this week Mrs. Denton being assisted by Mrs. L. C. Porter.

The review of the Mission Book was given by Mrs. Joe Averett. Refreshments of salad, potato chips, toast and crackers and iced tea were served.

CAN FORD RIVER NOW

Bridge Being Repaired

Cars are crossing the river now just above the bridge, between Knox City and Benjamin. You can make it so don't make the trip around.

Work has been started on repairing the bridge and reports is received that it will be completed in about three weeks.

BIDS WANTED

Sealed bids will be received by the Trustees of School District number 27 until 8:00 P. M. June 9, 1939 for cleaning, counting and stacking the brick from the Gillespie School Building. Work to be completed by July 15, 1939.

Bids should be addressed to E. F. Jungman, Munday Texas, and marked "Bid for Labor". Board of Trustees will meet at the Gillespie Primitive Baptist Church to open bids and they reserve the right to reject any and all bids.

R. C. Partridge, Secy.

Roy Phillips for District Clerk

Mr. Roy Phillips of Munday has authorized the Herald this week to make known to the voters of Knox City and territory the fact that he is a candidate for the office of District Clerk of Knox County subject to the Democratic Primary in July.

Mr. Phillips has lived here for twenty eight years. He feels that he is capable to hold this office and asks your kind consideration of him. It is a known fact that Mr. Phillips is not physically able to do hard work; however his physical abilities do not in any way affect him otherwise. His statements this week to many of the people of Knox City were to the effect that he only ask to be given a chance.

He feels that entrusted with this office that he will prove himself very capable and execute the duties of the office in as successful and satisfactory a manner as those who have served in the years past. He is asking for your vote so that he may serve and at the same time turn his own way.

The present District Clerk is asking for election to the 4th term. Before casting your vote Mr. Phillips asks that you give careful consideration to the matter and to make any investigation of him or his life that you so desire.

He will deeply appreciate your vote and your influence in his race.

Knox County Gold Star Mothers To Go To France

Mrs. Lail One of the Two Pilgrims

Of the Gold Star mothers of Knox County Mrs. Callie Lail of Knox City is one of the two who have been announced as members of the Texas groups who will visit the graves of their sons in France. The other one from Knox County is Mrs. Henryetta Goode of Goree.

Mrs. Lail's son, Joseph E. Lail, was killed in the Meuse-Argonne offensive which preceded the close of the war. According to official notification from the War Department young Lail, who was with Company C Seventh Infantry, Third Division, was killed on October 5, 1918. His family did not receive the news of his death until June 1919.

Mrs. Lail expects to leave in June for the trip that will take her to his grave in France. The Texas group will make their pilgrimage between June 15th and August 15th. She lives in the Gillespie community.

MEMORIAL PROGRAM IMPRESSIVE

Mothers Given Motions

The Memorial Day program given last Friday at ten A. M. on the streets of Knox City was very impressive. A large crowd heard Roy Smith as he gave an interesting address on the history and meaning of Memorial Day, also giving the significance of the Poppy.

Following the program the two gold star mothers present, Mrs. Hamner and Mrs. Teague, were presented a lovely motto by the American Legion and the American Legion Auxiliary.

Friday afternoon about six o'clock the graves of the War Heroes in the Knox City cemetery were decorated. A good crowd was in attendance here.

TO THE VOTERS OF KNOX COUNTY

For the past two months I have been in the Sanitarium at Mineral Wells, for treatment and have been handicapped about getting around to see the people, but will say that I feel better now than I have felt for five years, and will in the near future try to see as many of the voters as possible and place my claim before them for the office of County Judge of this County, and in the meantime would appreciate any word spoken in my behalf by my friends.

Respectfully submitted,
N. S. Kilgore

Union Grove School Closes

Party Follows Program

Last week the Union Grove school closed with several big events all of which were a climax to the successful year for the school.

Thursday night the pupils and former pupils of the school gave a play "Little Miss Jack" in the open and free of charge. Music for this occasion was furnished by the Knox City Stringed Orchestra. Many favorable comments have been reported to the Herald both as to the great attendance for the play and the huge success of the actors and actresses. This play was directed by Mrs. Branton, superintendent of the school.

Friday an all-day picnic was enjoyed by the school and community. In the afternoon a great game of ball took place in addition to the many other games of the day.

Friday night the fun was climaxed with a party in the home of Miss Alent Griffith. A large crowd was present; play games were again enjoyed following which refreshments were served.

Saturday night the week of events was concluded with a program sponsored by Mrs. Branton. Again the attendance was unusually large and the program well rendered.

MINIATURE GOLF COURSE HAS BIG OPENING

The opening of the Miniature Golf course, Tom Thumb Golf, Tuesday night caused a bit of excitement for the town. There was a big crowd on hand as many as could possibly play were making the rounds.

It is an 18 hole course and is owned by Henry White and Russel Boyd. It is located north of the Boyd Service Station. The grounds are well lighted and the game is something new for Knox City.

Miss Alma White will attend school in Canyon this summer. She will teach in the Martin school about 20 miles west of Knox City, next year. Mrs. Gordon Acker is working at the White Mercantile Company in the absence of Miss Alma.

CHRISTIAN CHURCH TO HAVE SERVICES SUNDAY

Brother A. R. Caudle of Benjamin will preach at the Knox City Christian Church next Sunday, June 8th both at eleven A. M. and eight P. M. As this is the 1900 anniversary of Pentecost, the coming of the Holy Spirit, the preaching of the first sermon under the Christian Dispensary and the founding of the Church of Christ on earth, both the morning and evening services will be in line with the day and the events it celebrates.

The forenoon subject will be "Embassadors for Christ". The evening subject, "What Jesus saw from the Cross". Come and hear and worship. Yours for Christ and the truth.

A. R. Caudle, pastor.

Oneal

Saturday of last week Mr. Ben G. Oneal of Wichita Falls was in Knox City at which time he announced his candidacy for the Democratic Nomination as senator for the 23rd district, composed of Arche, Baylor, Clay, Foard, Hardeman, Knox, Wichita, Wilbarger and Young counties. Mr. Oneal has been for 14 years active in the civic and professional life in Wichita Falls. He has long been a successful attorney in west Texas. While in Knox City Saturday he visited with the business man of the town, became acquainted with every one on the streets and authorized the Herald to make his announcement this week.

Gives Platform

Mr. Oneal was reared in Stephens county, near Breckenridge, and attended the public schools in that county, later attending the University of Texas where he received his law degree after four years in that school. He entered practice in Weatherford and for seven years was associated with Fritz Lanham, now congressman from Fort Worth. Mr. Oneal moved to Wichita Falls in 1916, and has been a practicing attorney here since that time. He is associated with Bernard Martin in the law firm of Martin and Oneal.

In announcing his candidacy, Mr. Oneal urged the need for more equality in taxation, declaring that "I do not believe this district receives the same returns for what it pays to the state government as other other parts of the state. He also touched on the need for more justice being shown the oil industry in this section in legislative matters, and promised, if elected to the upper house, to continue his activity for conservation and outdoor recreation which has marked his work as a private citizen. His formal statement follows:

"I hereby announce my candidacy for the Democratic nomination as senator for the 23rd senatorial district, composed of Archer, Baylor, Clay, Foard, Hardeman, Knox, Wichita, Wilbarger and Young counties with a brief statement on certain matters that I consider of vital concern to the people of this district.

"Taxation is a necessary burden of civilized government. But this burden should be as light as sound economy can make the same; and in periods of business depression or 'hard times,' as we commonly say, the government should follow the policy of the prudent business man and reduce expenses. I am opposed to increased burden of taxation during such periods as we are now passing through and favor any reduction that may safely be made.

"I do not believe this district receives the same returns for what it pays to the state government as other parts of the state. My course, if elected to the senate, will be to procure more for what we pay in.

"Practically every one of the nine counties composing the 23rd senatorial district is an oil producing county. The oil industry, as is well known, is now in a critical condition. Neither the land owner nor the oil producer is realizing what he is entitled to from the oil on his land or his lease. When the oil under the

land is exhausted that resource is gone. For that reason, if the owner of the oil, whether landowner or lease holder, is to realize the value of his property, better conditions must prevail. Constant discussion of methods to save the landowner and the producer the benefit of his property is going on. As a result there of the legislature has recently passed a relief measure which it is believed will to some extent help the situation. When a further solution of this question has been found, I, if a member of the state senate, will favor such additional action as the legislature may legally and in justice to the interests be able to take for the benefit of the oil industry. The welfare of practically this whole district depends on such action, as the oil business is one of the main industries that has built up this section and its present condition adversely affects, directly or indirectly, the prosperity of almost the entire citizenship of the district.

For Railroad Commissioner

Senator Nat Patton of Crockett, Texas County, announces for Railroad Commissioner. He was born 20 miles east of Crockett, Texas; taught school; served as a member of 53rd House of Representatives, served four years as County Judge, Houston County; member of 41st Legislature, representing 5th District in State Senate. From profession of State Democrat. At present 60 years of age. Married, four children.

Judicial Reform

Both as a citizen and as a lawyer I favor a simplification of our judicial procedure in the interest of economy and of speedier disposition of litigation, both civil and criminal.

The penitentiary situation demands the careful consideration of every member of the legislature. The last special session enacted some legislation affecting the penitentiary. The result of this should be manifest by the time the next legislature convenes. The many recent riots in penitentiaries over the United States, culminating in the disaster at Columbus, Ohio, where 220 convicts lost their lives, challenge the earnest thought of the country. The state should furnish places of confinement for the convicts, where on the one hand, they may not escape, and where, on the other hand, their health and lives will be protected. They should be humanely treated but required to work so that the prison system may not be a financial burden on the law abiding citizens. I shall, if elected to the Senate, make a careful personal study and investigation of the whole problem to the end that I may support legislation for a definite policy that will be to the best interest of the entire state.

It is now a well recognized principle that it is the duty of the state to furnish public education for the children to the end that they may be more prosperous, better and happier citizens. This is a debt that the present generation owes to the coming generation. I favor a continued liberal policy on the part of the state in carrying out this duty to the children of every class. This necessarily means a liberal policy toward the teachers.

I do not feel that the duty of government towards the future generations closes with the matter of education. We are constantly voting bonds to raise money for present improvements, which we may enjoy. But these bonds usually run for a long term of years and the coming generations will be required to pay them off, whether the improvements are still in existence or have worn out. And while we are leaving to future generations this indebtedness and this burden, I believe that we should leave to them also some of the natural advantages and pleasures that have been ours, with no expense on our part. I refer to the great outdoors and the beneficial recreations that we have had and particularly the matter of game and fish. If I shall represent this district in the senate, I will follow officially the same course that I have followed as a private individual in bending every effort towards saving and bettering for the younger generation the fishing, hunting and other outdoor recreations that we have enjoyed.

In the course of that campaign I expect to visit all parts of the district in the interest of my candidacy.

Important to BUYERS OF NEW CARS

FROM time to time General Motors has devoted its messages in this paper to giving facts which help the car-buyer get full value for his automobile dollar. In keeping with that policy of frankness, this message gives facts about the prices of new cars which every one should know.

Consider the delivered price as well as the list (f. o. b.) price when comparing automobile values. General Motors dealers' delivered prices include only authorized charges for freight and delivery, and the charge for any additional accessories that may be desired.

| NAME OF CAR | LIST PRICE |
|--|------------|
| (Model No.) | (F. O. B.) |
| LIST PRICE (F. O. B.) | \$ 100.00 |
| FREIGHT AND DELIVERY | 22.00 |
| DELIVERED PRICE | \$ 122.00 |
| ACCESSORIES (Not included in the List Price) | |
| | 30.00 |
| TOTAL DELIVERED PRICE | \$ 152.00 |

These prices are for cash. Payment may be financed on convenient monthly payments if desired.

WHEN you buy a new automobile, it is the delivered price that you actually pay. The delivered price consists of the list price of the car—the f. o. b. price advertised by the manufacturers—plus certain other charges which the dealer makes. You should know exactly what those charges are and what each one is for. There is no mystery about the charges added by General Motors dealers. They have adopted this standard price tag, which tells you everything. Nothing is hidden. There is no extra charge to permit a seemingly better trade-in offer. No extra charge to cover advertising or any other item. You know exactly what makes up the difference between

the list price and the delivered price. Each charge made by the dealer is fair and reasonable. Use this tag for reference. Make it your guide in comparing automobile values. For the delivered price is the price you really pay. Below is given the range of list prices for each General Motors car. They are just as low as General Motors' vast production, centralized purchasing and reasonable profit per car can make them. General Motors dealers maintain this value in their delivered prices of these cars and show you every item on the standard price tag. Look over the General Motors line. Then clip the coupon.

**CHANT SAYS TRADE
AT HOME**
is one statement that we
not failed to hear at least one
week that it has been our
to live in Knox City.
That statement goes something like
this: "Trade at home; keep Knox
City's money in Knox City." This
is most certainly a good one
abided by consistently; otherwise,
as we see it here, it is knocking the
foundation underneath the ones
who think they are being firmly sup-
ported by its use.
Within conservative figures, which
at least an average of once a
month, we have closed our office,
gone home and found a circular in
door announcing the fact that so and
so is opening with a big sale. This
notice paper in our door has been our
notice of the fact that there is a
sale in town. In every good town in
the state of Texas the printing of-
fice is the first place and the print-
er is the first man who learns of a
sale to be because of the fact that
he is to print the matter telling it.
In Knox City, the printer is usually
the last one to find it out because
the printing needed for these sales
is sent out of town. How is this for
the merchant's motto trade at home,
keep Knox City's money in Knox
City? You should practice what you
preach.
Some time within the last few
months it was our immense pleasure
to return home from a day of hard
work and find a nice, big, fat cir-
cular in our front door stating, "This

it further stated that this stalon
had helped build Knox City, had
built this and that and the other.
On this principle and for these rea-
sons we select your trade; you must
trade in Knox City and help us
build Knox City.
The question we want to ask here
is, did you know that those very cir-
culars were printed out of Knox
City and brought into the town and
distributed without the local printed
being given even a chance to say
whether or not he could do the work?
Tell us is that consistency? Is that
trading at home, keeping Knox
City's money in Knox City?
A fool can answer that question.
SIX DAYS THOU SHALT LABOR
Sunday as we were driving down
the main streets of Knox City, we
saw a man, a merchant, carrying
lumber and heard nails being driven
as the builder continued his labor.
The Lord said, "Remember the
Sabbath day to keep it holy."
Is the man in our picture keeping
the day as God said keep it? The
question was asked recently in a
Sunday School class of one of the
local churches. "Is the American
Youth of Today Money Mad?" The
discussions which followed were in
defense of the youth but if that

KONJOLA FOR THE BRAIN
ON ROAD TO GOOD HEALTH
Dallas Lady Eagerly Endorses New
Medicine Found Relief After Other
Medicines Failed

MRS. F. L. BETHEL
"For four years my system was
in a rundown condition and for the
last eight months, stomach and kid-
ney disorders have caused me much
suffering," said Mrs. F. L. Bethel
2nd Avondale street, Liberty Heights
Dallas. Gas formed after each meal
I had a burning sensation from my
throat to the pit of my stomach. My
kidneys were sore and did not func-
tion properly. I had pains across my
back, and I was steadily losing in
weight and strength.
"I finally decided to try Konjola
and this medicine has put me back
on the road to health. I am no longer
troubled with the stomach condi-
tion. My vitality and general health
have improved immensely, and I am
free from those terrible pains in my
back. I sleep soundly at night and
my whole system has taken on new
life."
When taken for six to eight weeks
Konjola, the new and different medi-
cine, will work wonders that will
astonish those who suffer from the
stubborn ills of the stomach, liver,
kidneys and bowels and of rheum-
atism, neuritis and nervousness.
Konjola is sold in Knox City at

Another resolution sponsored by
Governor Moody and endorsed by the
Convention, was for the establish-
ment of three State Parks to be lo-
cated in West Texas to be paid for
by a State Auto Drivers' License of
25 cents. These parks are to be of
large area, one located in McKitt-
rick Canyon in the Guadalupe Moun-
tains, one in Palo Duro Canyon near
Amarillo, and one in the Davis Moun-
tains.

posed method of handling farm prod-
ucts. He urged constructive criticism
as well as a fair trial, the Conven-
tion, in a resolution, asks the coop-
eration of West Texas with the Fed-
eral Farm Board.
"Other resolutions of equal im-
portance were passed, but the few
mentioned give an idea of the
things that the West Texas Chamber
of Commerce is trying to accomplish
for West Texas and its people. Prac-
tically all of the resolutions are fa-
vored by other parts of the State be-
cause they mean further develop-
ment of the State.

high school pupils was well carried
out and the picnic Friday was a
gathering long to be remembered by
all. The dinner was much finer than
had been thought of. Then Saturday
a large crowd enjoyed a fine program
by the little folks after which three
pupils were awarded honor rolls for
not being absent a day nor tardy a
time during the school's eight
months.

CHEVROLET

IT'S WISE TO CHOOSE A SIX

**CHEVROLET'S
New Service Policy
wins nationwide approval**

On January 1st of this year, the Chev-
rolet Motor Company announced a
new service policy—the most liberal
ever offered in connection with a low-
priced automobile.

Immediately it was greeted with enthu-
siasm by Chevrolet buyers everywhere
—because its many unusual features
materially add to the economy and
lasting satisfaction of Chevrolet owner-
ship. Briefly, it provides—

- for free inspection and adjust-
ment at the 500-
mile mark, and
free inspections
every 1000 miles
thereafter.
- for free replace-
ment of any

material—including both parts and
labor—that may prove defective, with-
in the terms of the standard warranty,
—that this replacement will be carried
out by any Chevrolet dealer in the
United States—regardless of where the
owner may have traveled during the
warranty period.

Backing this policy is one of the largest
service organizations in the automotive
industry—consisting of over 10,000
authorized Chev-
rolet dealer service
stations in the
United States
alone. Come in!

FROM TEXAS TECH COLLEGE

Lubbock, Texas, June 3. Mrs. Effie Branton, for two summers a student in Texas Technological College, has announced as a candidate for superintendent of public instruction of Knox County, according to a state met made to her friends on the campus here today.

With eight years of continuous teaching in the Knox County schools and with much creditable work done in Texas Technological College, Mrs. Branton is making the race on her successful experience and qualifications.

PICNIC

Monday afternoon Miss Alma White entertained the members of her Sunday School class with a picnic on the lawn at the church. She was assisted by Miss Fanny Russell. Games were played during the afternoon after which the picnic lunch was spread and enjoyed by all.

T. A. PRINGLE

T. A. Pringle of Benjamin died Sunday night. Funeral services were held at the Knox City Baptist Church Monday afternoon at two thirty, by the Reverend Stovall. Interment was made in the Gillispie Cemetery.

CARD OF THANKS

We wish to thank the people of Knox City for their kindness shown us in the death of our husband and father T. A. Pringle. We also wish to thank the doctors and nurses for their service and kindness. Mrs. T. A. Pringle and children.

Monday afternoon the Missionary Society of the Methodist Church met in a business meeting. The attendance was good and the reports made were favorable. Plans are being made now for the Zone Meeting to be held at an early date in Rochester. The program will be found elsewhere in this issue of the Herald.

WOULDN'T TAKE \$1000 FOR GOOD ARGOTANE DID MY WIFE SAYS WICHITA MAN

"I simply cannot find words to express my appreciation for the benefits my wife derived from Argotane," said J. C. Short of 1204 Clark, Wichita Falls a retired ranchman.

"If any one were to offer me a thousand dollars in cold cash, for the good it did her, I wouldn't take it, for Argotane has helped her more than anything she has ever taken. She thinks so much of it, she has persuaded several of her friends to try it.

"For seventeen years, my wife has suffered from a severe case of indigestion. She had to be very careful of what she ate, and then what little she did force down, would sour on her stomach and she would suffer from gas something awful. She had bilious and dizzy spells, and was in a very weak and run down condition. She had a bad case of constipation and had to take strong laxatives. She never got a night's rest, but would roll and tumble all night long.

"Argotane was recommended so highly, we decided that she would try it. You should just see her now. She sleeps fine, and has gained in strength and can now eat just anything, and best of all, she doesn't have those nervous, bilious spells any more. Her nerves are perfectly quiet now, and her improvement is wonderful. We want to say a good word for Argotane, because it has helped so much for her. My wife is enjoying better health now than she has in years."

Genuine Argotane may be bought in Knox City at the Orient Drug Store.

BY NO MEANS
"ONE OF THE STANDARD MAKES"

The leading tire companies are sometimes called "the big five"—their tires "the standard makes." We think this is a grand "break" for the other four, but something of a hardship on Goodyear. The fact is, Goodyear builds MILLIONS MORE tires than any other manufacturer. GOODYEAR GAINED THIS WORLD LEADERSHIP BY BUILDING TIRES THAT ARE EMPHATICALLY AND CONSPICUOUSLY SUPER-STANDARD! More people ride on Goodyears because Goodyears are BETTER tires to ride on! They are PROBABLY superior—SUPER-STANDARD! We will show you WHY before you buy. Low 1930 prices on all types. Will you call—or shall we?

65 Teams and Chorus of 200 Will Help Dedicate Home

Left, Mrs. Dora Alexander Talley, Omaha, Neb., national secretary of the Woodmen Circle. Center, Mrs. Mary E. LaFocca, Omaha, national president. Right, Mrs. Etta Davidson, Houston, national treasurer and state secretary of Texas. "All roads will lead to Sherman" for the dedication of the society's new Home for Aged Members and Orphan Children, June 25, 26 and 27.

A chorus of 200 will sing at the dedication ceremony to be held in Sherman at 8 a. m. Wednesday, June 25, when the American Legion of that city presents a flagpole and flag to the Woodmen Circle's recently opened Home for Aged Members and Orphan Children.

The chorus will be gleaned from among the best singers among the several thousand people from all parts of the country coming to Sherman to take part in the Homecoming Dedication June 25, 26 and 27. Mrs. Margaret O. Meadows of Fort Worth, national chaplain, will be in charge of the musical service. Her son, Cecil Meadows, director of the Shrine Band of Fort Worth, will direct the chorus.

At 9 a. m. on June 25 the cornerstone laying will be held and at 10 o'clock in the morning the formal dedication will take place. It will be an impressive moment when Mrs. Mary E. LaFocca of Omaha, Neb., national president, dedicates the first building of the Home to the protection of the weak.

Mrs. Dora Alexander Talley of Omaha, Neb., but formerly of Garland, Tex., national secretary, will take an official part in the ceremonies together with all the national officers of the society.

With the precision of a soldier and the grace of a dancer at least 10 drill teams, coming from Texas, Oklahoma, Arkansas, Louisiana, Indiana, Idaho, Ohio, Alabama, New Mexico and Nebraska, will present a colorful team frolic

Thursday evening, June 26, in the stadium of the Red River Valley fair. Included among them will be a Mississippi team consisting entirely of children.

There'll be a "click click", many capes flying, and varied colored uniforms in smart array, for more than 1000 persons will take actual part in the team frolic. Mrs. Jeanie Willard of Denison, national drill instructor, will be in charge.

Six of the society's national officers are from Texas. They are Mrs. Henrietta A. Thomas, national junior past president, Fort Worth, Mrs. Maggie Hyde, national treasurer, Dallas, Mrs. Etta Davidson, national auditor and state supervisor, Houston, Mrs. Laura Krebs, member of the national legislative committee, Austin, and Mrs. Willard and Mrs. Meadows.

The Home will be open to visitors during the afternoon and a public reception will be held in the evening of June 25.

Sherman will give a barbecue for all who come on the first day of the celebration.

It is fitting that the Texas "Trail Blazer" who knocked at many doors more than a quarter of a century ago has contributed the stately doorway of the Home. She is Mrs. Henrietta A. Thomas, who before the turn of the century was pioneering in the work of the society in the Blue Bonnet state.

Texas field workers, numbering thirty-six, have won trips to the dedication in recognition of their field work records.
