FARM BUREAU DIRECTORS PLAN MEMBERSHIP DRIVE

Officers and directors of the Knox County Farm Bureau met in the County Agent's office in Benjamin Wednesday night, March 7, to make plans and preparations for the membership drive which will begin Wednesday, April 4.

Eleven directors and officers were present to hear Marvin Carter of Waco, organizational director of the Texas Farm Bureau, give pointers for a successful membership drive.

The officers and other men in Knox County who will cooperate in securing new members will begin the drive with a "kick-off supper" on Tuesday night, April 3.

Anell Waldrip, president of the county organization, had charge of the meeting Wednesday night.

VOLEYBALL TOURNAMENT TO BE HELD AT WEINERT

The district tournament for high school girls' volleyball will be held in Weinert beginning tomorrow (Friday) night.

The local team's first game will be played with Woodson at 7:30 Friday night. If the girls win, they will play the winner of the Rochester-Weinert game Saturday.

The Knox City Volleyball team lost to the O'Brien girls in the Rochester Invitation Tournament held last week end. The game was played Saturday after Girard had forfeited to Knox City Friday night. Scores of the two 15-point games were 8-15 and 12-15.

The Rochester team won first place in the tournament, with O'Brien second.

Mrs. J. Rollie Pray of Ft. Worth arrived Wednesday for a visit with her daughter, Mrs. Clyde E. Williams, and family. Eddie Williams, who had spent the past two weeks with his grandparents, returned to Knox City with Mrs. Pray.

It's spots like this the Knox City Lions Club, Knox City Study Club and the city commission want to get rid of during Clean-Up Week, beginning

March 19. Besides being unsightly, the accumulated trash constitutes a definite fire hazard, as well as a first-class home for disease-bearing in-

sects. The Herald photographer didn't have to go far to get this picture, but there are many other spots as bad, or worse, in alleys all over town.

March of Dimes Totals Announced

Rev. Huron A. Polnac of Munday, county chairman for the 1951 March of Dimes which was completed earlier this year, this week furnished a complete report on the results of the drive.

Total amount collected in the county, Rev. Polnac said, was \$4,847.07. This is slightly under 1950's total, which was a little more than \$5,000.

Amounts collected in the various communities in the county were reported as follows:

Knox City	\$2,288.59
Munday	\$1,078.92
Gilliland	\$58.64
Truscott	\$263.56
Vera	\$201.33
Rhineland	\$210.21
Goree	\$130.87
Sunset	\$113.20
Benjamin	\$291.25
Brook	\$210.50

Of the amount collected, half was deposited in the county for use in local cases, and half was forwarded to the National Foundation for Infantile Paralysis, for use in epidemic areas and in research.

Rev. E. V. Becker, pastor of the First Baptist Church, was chairman of the drive in Knox City.

BIDS TO BE ACCEPTED ON STAR ROUTE CONTRACT

Jeff Graham, local postmaster, announced this week that proposals will be received at the office of the Assistant Postmaster General, Bureau of Transportation, until May 3, 1951, for carrying the mails upon the star route from Haskell to Knox City.

The route is from Haskell by Rule, Rochester and O'Brien, to Knox City, 27 miles, seven days a week, one way only. The contractor will not be required to transport other than first class, special handling, special delivery and air mail parcel post. Box delivery and collection service will not be required.

The mail on the route leaves Haskell at 6 a. m. and arrives in Knox City by 6:45 a. m. Bond required with bid is \$500 and present pay is \$720 yearly.

Proposal forms and all necessary information will be furnished upon application to the local postmaster, Graham said.

ANNOUNCE BIRTH OF SON

Mr. and Mrs. M. E. Everhart have proudly announced the birth of a son, at the Knox County Hospital Saturday, Mar. 10, at 1:50 p. m.

The boy tipped the scales at seven pounds and five ounces. He has been named Larry David.

Suzan Lynn, 4-year-old sister of Larry David, is almost as proud of the boy as the parents and grandparents.

Mrs. Everhart and the baby were dismissed from the hospital Tuesday. Both were reported to be "doing fine."

Pvt. Hardy H. Day, CmlC, son of Mr. and Mrs. Roy Day of Knox City, has been admitted to the Army and Navy General Hospital, Hot Springs National Park, Arkansas, as a patient, the Public Information Office announced this week. Pvt. Day was to undergo minor surgery on a hand.

ANNUAL SCHOOL CENSUS NOW UNDERWAY

M. D. McGaughey, Knox County School Superintendent, this week asked the cooperation of parents in completing the school census which is now underway.

"All children who will be six years of age before September 1, should be listed on the census rolls," the superintendent said.

The count will continue until April 1.

Anyone having a child who will be six before Sept. 1, or who will not be 18 years old until after Sept. 1, may call L. W. Graham at 2952 or see Mrs. E. F. Branton, principal of the local elementary school, in the event the child is missed by the enumerators.

EVANGELISTIC RALLIES CLIMAXED AT O'BRIEN MEXICAN CHURCH

In their last associational meeting held at Sonora, Texas, the West Texas Mexican Baptist Association made plans for the carrying out of Evangelistic Rallies within the association. The territory was divided into nine zones, including four or five churches in each zone. The pastors of the churches within each zone were to promote the campaigns and preach in these rallies. The eighth zone included the Mexican churches in Baird, Abilene, Stamford and O'Brien. The evangelistic rallies in the zone lasted ten days.

Rev. Raul Solis, pastor of the O'Brien Church, was the speaker for the two nights at Baird, and for the three nights at Abilene. Rev. Juan Arambula, pastor of the Abilene Church, was speaker for the two nights at Stamford, and for the Thursday night service in O'Brien. Rev. Luis Martinez, pastor of the Stamford Church, was the speaker for the other two nights at the church in O'Brien.

The rallies were a great success at each place, according to Rev. Solis, and reached a high climax at the O'Brien Mexican Church Wednesday, Thursday and Friday nights.

"These rallies were to prepare the hearts of the people," the pastor said, "getting them ready for the spring revivals which some churches will have in April and May. The Mexican Church in O'Brien will have its revival during the last week in April.

"The results from these rallies were four conversions, plus wonderful inspirations, and rich blessings from our Lord."

On the closing night, the women of the Mexican Church in O'Brien served a delicious hot tamale supper. In spite of cold and rainy weather the church was full all three nights, with an attendance that reached the hundred mark. Misses Carol Hitchcock and Lois Jean Coates were the pianists for the services held in O'Brien.

The Mexican Baptist Convention of Texas has joined hands with the Texas General Baptist Convention in the task of reaching 250,000 new Christians in 1951.

Week end guests of Mrs. A. L. Lea and Mrs. Mary Stewart were Royal Lea, Jr., and Hilda Herndon, both of the University of Texas, Austin. Lea, grandson of Mrs. Lea, will receive his Master's degree in pre-med and plans to enter medical school in Galveston in July.

Oil Notes--

(Note: Some of the reports in this column are as of the Monday preceding publication, while others are unofficial reports obtained locally on Wednesday or Thursday.)

Stanolind Oil & Gas Co. No. 1 E. M. Travis, completed and flowing in tanks, after topping Palo Pinto reef at 4149 and setting 5 1/2 in. casing at 4235 feet. On tests, the well flowed 100 barrels of oil in 20 hours through 11-64 choke, with 400 pound flowing pressure and 400 pound casing pressure. Flowing in tanks.

Stanolind No. 1 Florence Bowden, topped Palo Pinto reef at 4253 feet and top of saturation at 4255 feet, and drilled to 4258 feet. Twenty-minute drillstem test at 4243-58 feet showed gas to surface in 17 minutes. With 1650 feet of pipe in hole, oil unloaded and the balance of the recovery was reversed out. There was no water. Flowing pressure was 350 pounds and 15 minute shutin bottomhole pressure was 1650. Casing is being set.

Stanolind No. 1 John R. White, 660 feet from south and east lines of lot 8, block 6, D. G. Burnett survey, drilling below 2400 feet.

T. D. Humphrey No. 1 Mattie Davis, eight miles west of Knox City, drilling below 5874 after topping Ellenberger at 5842. Operators on this wildcat ran a series of drillstem tests in the Strawn, from 5100 to 5175 feet and encountered a good show of oil. They topped the Caddo at 5530 feet, with no shows reported, and drilled to the Conglomerate. On a drillstem test in this formation, 5702-10 feet, gas was to the surface in 36 minutes. With tool open one hour recovery was 120 feet of mud and 5440 feet of salt water.

Katz & Venable No. 1 R. H. Underwood, 8 miles west of O'Brien, completed for potential of 114 barrels of 37.5 gravity oil in 24 hours through 20-64 choke with 50 pounds on casing and 160 on tubing from the open hole at 4804-14 feet. Gas-oil ratio 275-1.

T & P Coal and Oil Co. No. B-1 McGregor, 8 miles west of O'Brien, drilling below 3300 feet in lime.

Lewis & Mucher No. 1 Harley Brown, 1 mile southwest of O'Brien, drilling below 4500 feet.

Southern Minerals Corp. No. 1 Moorhouse, in southeast King County, drilling below 3990 in shale. Topped Cisco reef at 3490.

Mikton Oil Co. et al No. 1 J. Morgan Smith, 1 mile northeast of Rochester, drilling below 4145 feet in lime and shale. Topped Canyon reef at 3668.

Humble Oil & Refining Co. No. 70 Bateman, in King County, cored 5152-72, recovered 20 feet of lime; cored 5172-5212, recovered 40 feet of saturated lime. Operators were preparing to drillstem test.

Ohio Oil Co. No. 4-C Ross, in King County, on a drillstem test from 3595 to 3615 feet, with tool open 1 hour, recovered 1295 feet salty, sulphur water. Flowing pressure 1100 pounds, bottom hole pressure 1500 pounds at 15. Drilling below 5013 in shale. This test is 330 feet from west line and 530 feet from south line, section 83, and is 1320 feet east of the No. 3-C Ross.

City-Wide Clean-Up Drive To Begin Monday, March 19

ONE SLIGHTLY INJURED IN ACCIDENT TUESDAY

Mrs. Charles Givens escaped with minor cuts and bruises when her 1949 Ford figured in an accident Tuesday morning at the Waco and E. 4th St. intersection.

According to reports, Mrs. Givens was driving east when her car was struck by a 1950 Nash driven by Felton Raynes, who was going south.

Mrs. Givens' car overturned, and both it and the Nash were heavily damaged.

NEW MANAGER EMPLOYED FOR COUNTY PMA OFFICE

Jesse T. Gilpin of Franklin, Texas, has been assigned as County Administrative Officer to the County PMA Office and will assume his duties March 19.

Mr. Gilpin replaces Bennett P. Haman, who has moved to Clifton, Ariz., where he has accepted a position with Philips & Dodge Mining Company.

Office hours of the County PMA Office have been extended to include the noon hours and Saturday mornings. These hours have been extended for the benefit of those who were unable to contact the office on week days.

New office hours are: Week days, 8:00 a. m. to 5:00 p. m., five days weekly; Saturdays, 8:00 a. m. to 12:00 noon.

O'BRIEN JUNIOR CLASS TO PRESENT PLAY

"A night full of laughs" is the way members of the Junior Class of O'Brien High School describe their annual play which will be presented in the gymnasium tomorrow (Friday) night, March 16.

Name of the 3-act comedy is "Redheaded Royalty From Arkansas". It is about typical college life, with a little mystery mixed with the humor and the wisecracks.

The characters are portrayed by Adelle Herring, Bobbie Stephens, Sammie Ellis, Derwin Lancaster, Jerry Beasley, J. A. Samples, Christene Mullings, Betty Johnston, Marvelene Manning, Bobbie Oden and Don Poe. The curtain will go up at 7:30 tomorrow night, and class members invited everyone in the area to attend.

WICHITA FALLS BANK TO HAVE OPEN HOUSE TO INITIATE NEW SERVICE

WICHITA FALLS. — B. B. Campbell, president of the Citizens State Bank in Knox City, will be among the Wichita Falls area bankers invited to inspect the new agriculture department of the First National Bank of Wichita Falls, March 16.

An afternoon open house from 3 to 6 p. m. will be followed by an evening meeting for officers of many banks in North Texas and Southern Oklahoma. Farmers and ranchers living near Wichita Falls will attend the afternoon session. During the evening, bankers will hear how they can take advantage of many new professional services the Wichita Falls bank will offer them as aids to soil conservation, farm management, and farm finance.

J. C. Porter, former district conservationist for North Texas with the U. S. Soil Conservation Service, is director of the department. He has a degree in vocational agriculture and agronomy from Texas A and M, and received the Meritorious Accomplishment Citation in 1949 from the U. S. Department of Agriculture for outstanding work in soil conservation.

Under his direction the department will work with all agricultural agencies and banks in a wide area around Wichita Falls to help them develop new farming methods, more conservation and better living standards among farm families.

Mrs. J. W. Hamm returned Saturday from Fredericksburg, where she enjoyed an extended visit with her daughter, Mrs. C. M. George. Mrs. George returned home with her mother for a visit with her sister, Mrs. Clyde Smith, and other relatives.

Mayor C. C. Hoge, as well as officers of the Knox City Lions Club and the Knox City Study Club, this week urged all-out cooperation of every citizen of the town in the clean-up campaign during the week beginning Monday, March 19.

The drive is being sponsored jointly by the two clubs, with the cooperation of the city officials, who will furnish a truck and men to haul off cans and other rubbish that will not burn.

Sponsors pointed out that one of the prime objectives of a clean-up campaign is to reduce the possibility of a polio epidemic and other diseases that may be prevalent later in the spring and summer. A thorough clean-up now, they believe, will eliminate many breeding places of flies and other disease-carrying insects.

Other advantages of a clean community, they add, are reduced fire hazards, a better and more enjoyable home life, pride in ownership, and an increase in property values.

"A clean community," Lions Club President Dan Steakley said, "means a community of happy men, women and children, free from economic ills brought on by ill health, lack of business and too many fires. In a week's time, with the cooperation of all our citizens, Knox City could be made into the cleanest, most attractive town of its size in West Texas."

He added, however, that a half-hearted effort, by a comparatively small percentage of the citizenry, will be wasted.

"If you fail to clean your own property, you are cancelling out the efforts of your neighbor in cleaning his."

Mayor Hoge asked everyone to pile all rubbish that cannot be burned, and to contact the city hall for the truck to pick up the rubbish.

REVIVAL IN PROGRESS AT LOCAL BAPTIST CHURCH

Good attendance was reported this week at the spring revival which is underway at the local First Baptist Church.

The revival began Sunday morning, with 252 in Sunday School and the building almost full for the morning service.

Rev. Emil V. Becker, pastor, is doing the preaching and J. C. Goodson is leading the singing.

The revival will continue through Sunday evening, March 18. Sermon subjects for the remainder of the services are:

Thursday (tonight): "Hell's Headquarters."

Friday: "God Signs the Check."

Sunday morning: "The Word of Victory."

Sunday evening: "The Zero Hour."

The pastor and members cordially invited the public to attend each of the services which begin at 7:30 each night.

PLANS BEING MADE FOR ANNUAL EASTER PROGRAM

Plans for the annual Community Easter Service are being completed this week. Mrs. Mabel Pyeatt, chairman, announced Tuesday.

The service will be held on March 25 at the local First Christian Church beginning at 6:00 a. m., with an hour of special music, prayer and scripture.

Members of the different churches will take part in the program.

Everyone in the community and surrounding areas was invited to attend. A complete program will be announced next week, Mrs. Pyeatt said.

Cowboy Reunion to Have Only One Afternoon Show

Dates for the 1951 Texas Cowboy Reunion at Stamford have been set and performances have been changed so that they all are at night with the exception

of a July 4 matinee. The Texas Cowboy Reunion will open this year on Saturday night, June 30, and the grand parade will be held earlier that day. Following the usual custom, there will be a recess on Sunday and performances will be resumed on Monday with shows Monday night, Tuesday night, and Wednesday afternoon and night.

This revolutionary change is being made because the night performances are most popular. W. G. Swenson, president of the Texas Cowboy Reunion, said. The holiday matinee should be popular with those who want to "make a day of it" or those who cannot attend a night per-

Watch Out For The "Blind-Spots"

Stopped by Squint Miller's farm the other day and saw a vinegar bottle in his kitchen with an oversized cucumber inside it. The cucumber filled the whole bottle.

"What's a cucumber doing in there?" I asked him. "That's my 'blind-spot' reminder," says Squint. "My grandmother kept one in her kitchen to remind her to take stock of herself now and then."

"I slipped that bottle over the cucumber when it was just starting to grow on the vine," he went on. "And like certain viewpoints,

not noticed, it just grew and grew — now it's there to stay."

From where I sit, we could take a cue from Squint and watch for our own "blind-spots" and prejudices before they grow too big to get rid of. We've got to respect our neighbor's right to his preferences... preferences for a certain make of car, a favorite movie star, or a temperate glass of beer after work. We won't be tripped by any blind spots if we keep our eyes—and minds—open!

WOMEN'S FELLOWSHIP OF CHRISTIAN CHURCH MEETS

The Christian Women's Fellowship of the First Christian Church met Monday afternoon, March 5, in the home of Mrs. Joe Reeder, Jr. for the monthly study and social hour.

After the opening prayer by Mrs. J. C. Reeder, the devotional was given by Mrs. L. M. Williams, who was leader for the program. Assisting with the program were Mrs. Roy Baker, who gave an interesting talk on "Compassion"; Mrs. J. H. Atterbury, who discussed "Our Opportunities in the Near East"; and Mrs. Mary Adams, who told of our missionaries in the Philippines.

A short business session was conducted by the president, Mrs. Atterbury, and the meeting was closed with the Missionary Benediction.

Those present were Mrs. Adams, Benton Anderson, J. H. Atterbury, Roy Baker, S. L. Favor, T. P. Frizzell, Sr., J. C. Reeder, Joe Reeder, Jr., L. M. Williams and Miss Lessie Bolin. The next meeting of the group will be Monday, April 12, in the home of Mrs. L. M. Williams.

STREAMS

in Desert Places

By OZELLE STEPHENS

"We are troubled on every side," II Cor. 7:5. This is what Paul said in his desperate effort to serve God. Some will ask, Why should God have to lead us through such troubles and trials? Why allow such pressure to be so hard and constant? It is to show us His all-sufficient strength and grace much better than if we did not have the trial. The word of God says, "But we have this treasure in earthen vessels, that the excellency of the power may be of God, and not of us." It makes us more conscious of our dependence upon Him. He is constantly trying to teach us our dependence, and to hold us absolutely in His hand and hanging upon His care. It teaches us trust. There is no way of learning faith, except by trial. It is God's school of faith, and it is far better for us to learn to trust God than it is for us to enjoy life. A lesson of faith once learned, is worth more to any people than all the ease, fame and wealth that could come to them. It is an eternal fortune, and without trust, even riches will leave us poor.

We who have learned to trust may be troubled on every side, yet not distressed; we may be perplexed, but not in despair; persecuted, but not destroyed; always bearing about in the body the dying of the Lord Jesus, that the life also of Jesus might be manifest in our body. Remember when you are drinking from God's Great Streams of His power, while you are going through your trial, others see the Glories of Christ in you and are blessed thereby.

W. M. S. MEETS MONDAY FOR BIBLE STUDY

The Woman's Missionary Society of the First Baptist Church met Monday afternoon at the church for Bible Study.

The meeting was opened by singing, "Sweet Hour of Prayer", and the song was followed by prayer. Mrs. Emil V. Becker was leader for the lesson on "Hinderances to Prayer." Those assisting on the program were Mrs. C. W. Splawn and Mrs. Pete Whitten.

The nine members present were Mrs. Becker, Splawn, Whitten, W. H. Paul, J. A. Hallmark, H. E. Wall, W. M. Rowan, H. R. Beauchamp and A. P. Denton.

CHILDREN'S GROUP MEETS AT METHODIST CHURCH

Twenty-seven members of the Friendship Group met Monday, March 12 at the Methodist Church.

Mrs. C. W. Parmenter taught the lesson on "Racial Differences". This was followed by the activity period, led by Mrs. Guy Robinson, in which Walt Disney figurines were painted.

Refreshments of cookies and hot chocolate were served by Mrs. Doyle Graham and Mrs. Jeff Graham, hostesses.

Mr. and Mrs. Leon Strickland announce the birth of a 9 pound, 5 ounce boy on Saturday, March 10, at the Knox County Hospital. The child, the second for the Stricklands, was born on his paternal grandfather's birthday.

CCC GRAIN SORGHUM LOANS MATURE MARCH 31, 1951

Texas farmers who have 1950 crop sorghums under loan with the Commodity Credit Corporation should be prepared to meet the maturity date of March 31, 1951, according to B. P. Haman, manager of the Knox County PMA office.

Haman says there has been some talk that the March 31 maturity date might be extended. Information received in the State PMA office this week from the U. S. Dept. of Agriculture states that the maturity date will not be extended.

Most of the grain sorghums grown in the nation are produced in Texas. Approximately 26,000 Texas growers have at most 40 million bushels of grain sorghum under the CCC loan. About 2 million bushels of this grain is in storage on the farms where it was produced.

MY, HOW I'VE GROWN!

REDDY KILOWATT POWER

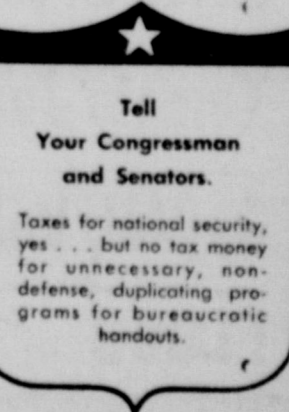

Reddy for ANYTHING!

YOU, Mr. and Mrs. America, have the biggest supply of electricity on hand you've ever had! In fact, Reddy Kilowatt Power in the U. S. has doubled in only 10 years. Businessmen with "know-how" have been building a bigger and better America for you!

Since World War II your West Texas Utilities Company has increased its generating capacity by 64,000 horsepower to provide you with more and more electric power . . . and by the end of 1953 two more plant units of 88,000 horsepower capacity will be installed ready for service.

The business-managed electric industry is the one industry that has doubled its capacity with more than double the investment and maintained the low price through efficiency.

Tell Your Congressman and Senators.

Taxes for national security, yes . . . but no tax money for unnecessary, non-defense, duplicating programs for bureaucratic handouts.

WCS MEETS MONDAY AT CHRISTIAN CHURCH

The Woman's Society of Christian Service met at the Methodist Church Monday, March 12, for the second lesson on the study, "Near East". Mrs. Myrtle White is the study chairman in charge.

Opening song was "We've a Story to Tell to the Nation," with Mrs. C. C. Hoge at the piano.

Assisting Mrs. White with the program were Mrs. C. W. Parmenter and Mrs. T. S. Edwards. In answer to roll call, each one present told of the highlights of a country in North Africa previously assigned her.

Mrs. W. F. Evans gave the devotional and prayer. Mrs. S. M. Clonts, vice-president, had charge of the business session and the group was dismissed in prayer.

The attendance Monday was 100 per cent of the enrollment for the study.

Mary Lou King left Wednesday morning for Lubbock. She will work in the bookkeeping department of Ford Motor Co. there.

Mr. and Mrs. John H. Atterbury, Sr., were to leave today for California to visit their son and family and other relatives.

NOTICE TO THE PUBLIC

The Knox County Commissioners Court urgently requests your cooperation in protecting our lateral roads, especially those traveled by rural carriers and school buses, from being damaged by plowing. We refer you to a letter received from the Post Office Department, Washington, D. C., as follows: Gentlemen:

It has been reported to the Department that some roads on the lines of rural routes in the Knox County area have been made impassable for travel by the rural carriers due to the plowing up of these roads by tractor-farming patrons of the routes.

In order that efficient and satisfactory service may be afforded, it is essential that roads on the lines of rural routes be maintained in such condition as to be easily and safely passable for the carrier. When a road traveled by a rural carrier becomes impassable or dangerous to travel, the Department has no alternative but to suspend service over the neglected road temporarily or withdraw it permanently, as the circumstances may warrant.

It is earnestly hoped that sufficient interest will be taken by the persons benefited to keep the roads in good condition so that it will not be necessary to withdraw service.

Sincerely yours,
V. C. Burke
1st Asst. Postmaster Gen.

Your Easter Ham

--For Top Quality - Order Now

One of our country's best traditions in food is the Easter ham. It ranks right alongside the Thanksgiving turkey, and in 1951 it is a sound idea, too. Baked ham is economical—ahead of any other buy in the meat line, for price or food value.

But to give you exactly what you want in Easter ham, please let us suggest—an order placed with us right now.

By knowing what you wish now, we can give you either our country sugar cured ham, or our MESQUITE-smoked ham, or both. We have established a reputation behind each curing style that is becoming known and appreciated as far away as 200 miles from our home town. You'll know why when you try either.
