# **NEW HOMES FOR KNOX CITY!**

We are proud to announce that construction has begun on Knox City's new housing project. Recently we acquired a building site from Mr. and Mrs. Fred Harrison and Miss Mary Lowrey, in the east part of Knox City, consisting of twenty lots facing on East 6th and 7th streets. We are now building concrete curbs and gutters and will pave the streets on which our houses face. The building area has been restricted for residences only and of an

approved type and size.

This is a FHA Project: All houses have been approved by the Federal Housing Administration and will be built in strict accordance with their specifications and under their supervision and inspection. We have had fifteen years experience in building FHA homes and are thoroughly familiar with the high standards set up in their regulations.

> These Homes Are For Sale! The down payment is \$500 with interest at 4 1-4 percent. Monthly payments are low and in most cases, cheaper than rent. The payments include all taxes and insurance. The houses will have 840 to 860 square feet of floor space.

FHA Has Approved Only Five Units and they will be constructed as rapidly as possible. Other units will be built as soon as we can obtain necessary permission, but this may be delayed for several weeks. All houses will be sold on a first come first served basis. If a house is sold prior to completion, the buyer has his choice of outside color scheme including color of roof, also choice of wallpaper or painted walls inside and choice of linoleum, etc.

> Mr. Roy Baker of Knox City is in charge of sale of the houses. All applications should be made to him. Contact him in town or at his home, phone 3921.

We sincerely appreciate the cooperation we have received here. Everyone has been very nice to us and we hope that we can give you the type of housing you have needed in this growing town.

Well, there he goes, backing out into the challenge of an October morning-and there's no denying that he's off to a wonderful start.

You see, he's at the wheel of a Golden Anniversary Cadillac-and there's no greater lift to the spirits than the deep-throated whisper of a Cadillac engine.

It says inspiring things to the man at the wheel.

It tells him, first of all, that life must have gone rather nicely-to take him from where he was-to a place where he owns and enjoys a beautiful Cadillac. Pretty good precedent for a good day today!

It tells him, too-that wherever he drives in the day's activities-the Cadillac crest will pave the way for the respect of the people he encounters.

Yes-he feels pretty good as he turns into the high-way, touches his toe to the sensitive throttle, and heads into the adventure of another day.

The miles go softly by . . . the occasional tick-th the electric clock reminds him that he's ahead of for his first appointment . . . and he settles be relaxed and at ease. Nice, nice going!

Many men have told us that the drive to work Cadillac is the finest part of the day. Their head clear and their minds at ease as they roll serenely -a wonderful time to think and plan.

Of course, this is only an extra value that come a Cadillac: comes in addition to comfort and sal and dependability and long life-and all the other derful things that make this magnificent ca Standard of the World.

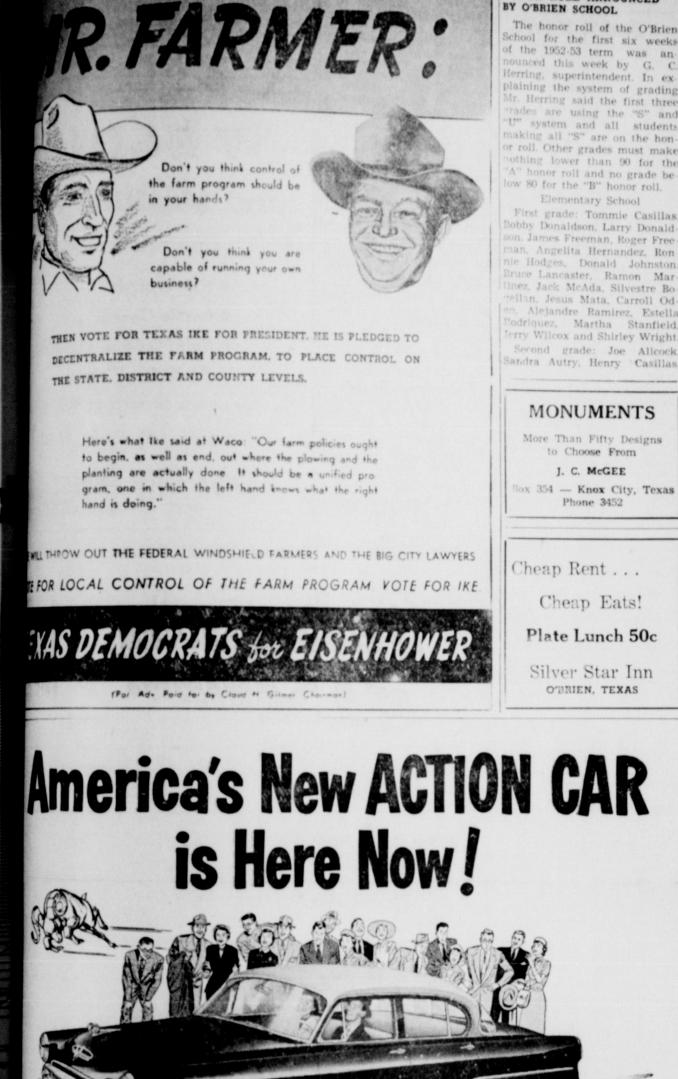

Why not come in and see us-and arrange to them all yourself?

We'd be happy to see you-any time.

guson, Mary Lou Underwood

# in Desert Places

"Only let your conversation be as it becometh the gospel of Christ: that whether I come and see you, or else be absent, I may hear of your affairs, that ye stand fast in one spirit, with one mind striving together for the faith of the gospel." (Phil. 1:27).

It is comparatively easy to mount up with wings, to run without wearying and even to walk without fainting, but the hardest matter is to Stand Fast. Not going back, not yielding to the pressure of circumstances, but quietly, resolutely and de terminedly holding your ground. In Paul's writing we find he lays stress on the virtue of steadfastness. "Having done all to stand," he says, "That ye may be able to withstand in the evi day." (Ep. 6:13,14). Again he says, "Stand fast in the Lord" (Phil. 4:1). And again, "Be ye steadfast, unmovable, always abounding in the work of the Lord." (I Cor. 15:58).

Remember after Abraham had patiently endured, he obtained the promise. By the grace of God you will be able to stand steadfast through famine, loss sickness and any trouble that might come to you. I Peter 5:9 and 10 says, "Whom resist steadfast in the faith, knowing that the same afflictions are ac complished in your brethren that are in the world. But the God of all grace, who has called us into his eternal glory by Christ Jesus after ye have suffered awhile, make you perfect, establish, strengthen, settle you. \*
