ACCEPTING THE REINS OF LEADERSHIP for the coming year for the Knox City Lions Club is John N. McGaughey, pictured at right. Retiring president Pete Elliston hands over the gavel.

McGaughey Is New Lions Club President

Knox City Lions Club members, their wives, and other guests were on hand Saturday night for the annual Ladies' Night banquet held this year at City Cafe. John N. McGaughey was installed as the new president, succeeding Pete Elliston.

Invocation was by Lion Floyd Bailey. Following the dinner, retiring president Pete Elliston recognized guests.

J.B. Tabor, local manager of West Texas Utilities Company, then introduced guest speaker James L. (Curly)

Hays with WTU's Public Service Department in Abilene. Mr. Hays emphasized the importance of teamwork within the Lions organization and said that he felt that teamwork is responsible for the success of Lions' projects such as the Crippled Children's Camp. Also, he told the banquet guests that teamwork within the nation has

To Serve As Guideline For Both Districts

Referendum Vote Set July 10 On Proposed Carney-KC Consolidation

The Carney and Knox City Boards of Trustees met in a joint meeting at O'Brien Monday, June 21, to continue planning for the proposed consolidation election. The two districts' attorney, Dorin Efkw, was also present.

Board members were advised that because of a new state law, Saturday, August 14, was the earliest date the election could be held.

It is essential for both boards to be able to determine the desire of the voters well in advance of the August 14 election in order that planning can be completed for the coming school year. If consolidation is approved by the voters in both districts,

many items such as textbooks, lunchroom operations, transportation, scheduling and staff assignment must be planned for the newly-created district. If the election should fail in either district, then each district would need to

continue planning for operation on its own. The two boards have unanimously agreed to submit the decision to the voters in a referendum called for Saturday, July 10. The referendum is not binding, but

would serve the purpose of guiding the two boards. If the referendum passes, the two boards will immediately proceed with planning that would provide the maximum benefits for the students and economy of operation.

The July 10 referendum vote will be conducted in a manner similar to regular elections. Legal residents of each district who have registered to vote will be allowed to vote. The polling place for O'Brien voters will be the O'Brien Co-op Gin Office, while Knox City voters will vote at the Community Center in Knox City. The polls will be open from 8:00 a.m. until 7:00 p.m.

Near Quarter Million Dollar KC Housing Project In Final Stages

Following an early Wednesday morning meeting of the executive committee of the Knox City Housing Authority, a story of interest was released to the News office by Leon Burkham, chairman of the executive committee.

Proposed housing for Knox City, which has been in the working stages for almost a year, should soon become a reality.

A chosen committee has been seeking a suitable site that would offer the most advantageous location for the planned complex which will contain 16 two-bedroom units.

The local Housing Authority, a non-profit organization, is working with the lending agency, the Farmers Home Administration, in an effort to secure nice and adequate housing facilities for residents of Knox City and the surrounding area, Burkham said.

With the cooperation of the Brazos Valley Recreation Association, a land purchase agreement is in the process for the location of these units to be built on the north end of the BVRA property, which is immediately south of the new KC Drive In convenience store and on the east side of

the highway in the new Reeder addition.

The new complex is not designed to be low-rent housing, but instead will rent to occupants with modest incomes. The units will be maintained by the Knox City Housing Authority.

Serving with Burkham on the executive committee are vice-chairman Fuller Shannon, Ottis Cash, George Davis, and Celso Gonzales.

For more information concerning the new housing, persons may contact Mrs. Doris Crowover, secretary-manager of the Knox City Chamber of Commerce.

New Chairmen Named For CSTE

J.B. Tabor was in Haskell Thursday of last week to attend a meeting of directors for Consented Services in Training and Education.

CSTE, an experimental rural program designed to bring together in a concerted manner the services of various federal and state agencies for improvement in education, employment, health, housing, and economic resources, serves the four immediate counties of Haskell, Jones, Stonewall, and Knox. Don Comedy of Haskell is coordinator.

Named at Thursday's meeting to serve during the coming year were R.C. Couch Jr. of Haskell, steering committee chairman who succeeds Tabor; and Tom Albus of Aspermont, vice chairman.

Plans are underway, according to Tabor, to print a brochure for the four-county area.

Truscott Musical Slated Sat., July 3

Big plans are in the making for Truscott's annual Country Town Saturday Night to be July 3 in downtown Truscott beginning at 7:30 o'clock.

Area musicians will be on hand to provide entertainment to the spectators free of charge.

Everyone is invited back to the "Good Old Days" fun and entertainment under the stars in the friendly little town of Truscott as noted by their ad elsewhere in this week's News.

KC Fire Dept. Answers Alarm

Quick action by the Knox City Volunteer Fire Department Monday afternoon about 6:15 probably averted what could have been a major blaze with winds gusting as they were.

An unidentified person reported the fire in a storage building just east of the City Park, where a garage sale had been held last weekend. The damage was described as minor to the building as well as its contents.

The building belongs to C.E. Johnson.

Ed Whiteley Moves To Claude

Ed Whiteley, Carney High School superintendent, has resigned his position effective July 1.

Whiteley, who served as superintendent in O'Brien for two years, has already moved to Claude where he will become superintendent of schools.

Before moving to O'Brien, he was principal at Brady.

Baker Named To TASB Committee

Ross Borrett, president of the Texas Association of School Boards, has appointed Knox City School Superintendent W.R. Baker to become a member of a special ad hoc school finance committee. Baker will be one of twenty-four school board members and school administrators who will participate in the Legislative Study.

The Committee will meet in Austin July 14-16 to formulate school finance proposals to present to the T.A.S.B. Executive Committee and to the 65th session of the Texas Legislature when it convenes in January 1977.

Bicentennial Program To Feature Singers

The Continental Singers and Orchestra will be in Knox City Friday, June 25, where they will perform at the First Baptist Church for a city-wide Bicentennial event beginning at 8:00 p.m.

Forty-two exciting young Christian musicians, who have been selected from thousands of auditions around the world, will be here offering praise in music and words.

Their 90 minute presentation of traditional and contemporary gospel music will include spirituals and hymn medleys, as well as the premiere of new praise songs appealing to young and old alike.

The Continental Singers have been on tour each summer since 1963. In addition to

performing in all fifty of the United States, they have toured throughout Europe, South America, Australia, New Zealand, the Orient, and the Caribbean Islands. In 1970, for the first time, they went entirely around the world, appearing in such places as India, Israel and Greece. This summer the Continental Singers will perform in every section of the United States, as well as in ten European countries, Canada, Bermuda, South Africa, and the Iron Curtain countries of Poland and East Germany. They will also be appearing at the Christian Artists' Music Seminar and Camp in Estes Park, Colorado.

LOOKING OVER THE PARADE TROPHIES to be awarded following Benjamin's Bicentennial and Homecoming Parade Saturday afternoon at 3:00 p.m. is Mrs. Collins Moorhouse, Benjamin postmistress. (Photo courtesy of Benjamin Ex-Students Assn.)

Benjamin Readies For Homecoming

Residents of Benjamin are working overtime this week in preparation for their big Bicentennial celebration along with their homecoming slated this weekend, June 25-27.

Opening day is Friday, June 25, when a musical "kicks things off" at 7:30 p.m. on the south side of the square. This will be followed by a square dance on the slab south of the courthouse beginning at 8:30 p.m. The concession stand will open at 5:00 p.m.

Saturday, June 26, will be a fun-filled day packed with various activities, such as a rodeo along with games beginning at 8:00 a.m. at the arena near the high school. Slated to begin at 12 noon is a baking contest and auction on the courthouse lawn.

The Bicentennial parade will begin at 3:00 o'clock that afternoon with a general assembly at the school gym

immediately following the parade.

From six until eight o'clock in the evening a barbecue will

be held at the school. Prices are \$3.00 for adults and \$1.50 for children 12 and under.

Climaxing Saturday's activities will be a dance from 9:00 p.m. until 1:00 a.m. on the slab south of the courthouse. During the dance, an "Over 50" waltz contest will be held.

A community-wide church service is scheduled to begin at 10:00 o'clock Sunday morning at the school gym, and following the service a catered meal will be held at the school. Ticket prices for this meal are \$3.00 per plate. Persons wishing to make reservations are asked to call Mrs. Bill Ryder at 817 454-3421 as noted by their ad elsewhere in this week's News.

Scheduled to start at 8:30 a.m. will be a relay race. For more information concerning entries, contact Donnie Ryder at 454-2611 or Tom Moorhouse at 454-2222.

4-H's To Compete In Horse Show

Ten Knox County 4-H's plan on competing in the District 3 4-H Horse Show to be held June 25-26 at the Santa Rosa Round-Up Grounds at Vernon, according to County Extension Agent Herman H. Collier.

Knox County entries are Brand Cude of Goree; Tammy Carver, Stasy Carver and Doug Brown of Benjamin; and Jerry McCown, Tamie Grindstaff, Joey Swain, Kristi Boone, Kelley Boone, and Brett Boone of Knox City.

Truscott Bicentennial Coins Now Available

which were installed in downtown Truscott in the spring.

However, when it was decided to have original designs on both sides of the coin, the committee decided to include all of Knox County. (Some of the coins have an original design on one side only, and an eagle or other device on the second side.) A check revealed that no other Knox County group or town planned to undertake the time consuming and expensive project so the Truscott group borrowed money for the down payment and went to work.

It wasn't until several months and committee meetings later that they discovered that Wichita Falls Jaycees had turned down a similar project as too expensive. Sales got underway before the group had chosen a design or designer; all they had was a vague idea of what would be produced. The committee has had the coins on sale less than a week and has already sold over one-fourth of the antique bronze and single gold coins.

Coins will be available in Truscott or by mail anytime. As a special convenience to residents in other Knox County towns tables will be set up in Benjamin, Knox City, and Monday on Friday, June 25. Mrs. Doris Crowover will

also take orders for the coins at the Knox City Chamber of Commerce office. "We will be glad to come to Vera, Goree, Rhineland, and Gilliland if someone will help us get permission to set up a display somewhere," said Mrs. Casey. Jewelry is also available for the coins in the form of four styles of pendants, a key chain, bolo ties, and a pewter belt buckle. All jewelry is available in gold or silver except the belt buckle. The committee has been surprised at the local reaction since the coin was received.

NEW VERSION OF CAKE AND ICE CREAM--Ice Cream Cake is a new version of popular cake and ice cream desserts because the ice cream is mixed with the cake batter, according to the Texas Department of Agriculture home economist. Ice cream topping, sour cream and chopped pecans top the baked cake to make a delicious summertime treat.

ICE CREAM CAKE

1/2 cup butter	1/2 tsp. salt
1 pint (2 cups) vanilla ice cream, softened	1 cup graham cracker crumbs
2 eggs	1/2 cup sour cream
1-1/2 cups all-purpose flour	1 cup caramel ice cream topping
2/3 cup sugar	1/2 cup chopped pecans
1 tsp. baking powder	Whipped cream, if desired

In 3-quart saucepan, melt butter; remove from heat. Add ice cream, eggs, flour, sugar, baking powder, salt and graham cracker crumbs. Mix until smooth. Pour into a greased 13 x 9-inch pan. Bake at 350 degrees for 30 minutes. While cake bakes, combine sour cream and caramel ice cream topping. Pour over warm cake. Top with chopped pecans. Cool cake and cut into squares. If desired, top with whipped cream. Yield: 20 squares.

Streams In Desert Places

By Ozelle Stephens

"Love is Patient and is Kind" I Corinthians 13:4a) The world makes much of "Love" but it knows nothing about the "LOVE" that the Apostle Paul was talking about in I Corinthians 13. The love spoken of here is the love of Christ shed abroad in our hearts by the Holy Spirit. Only a born again person has it. In the life of the believer that love is perfected, but does not come through practice. You must not forget this. Love is kind and looks for ways to be constructive and not destructive. Our hearts ache to see the destruction done by gossip, the spreading of false reports, or speaking in a slanderous way about one who has fallen, by saying, "Did you hear about so-and-so?" This is the absence of love. It is the very opposite of the nature of Christ. Love looks for ways to be constructive, not destructive.

We do not love God when we talk about our neighbor, even though some of the things we say may be true, repeating them shows that we do not love God. Why? Because our love for God is measured by our love for man. Remember the love of God sent Jesus to die for man when he was lost. This kind of love leaves no room for unkindness. It is gentle. It gives grace and blessings instead of hate. It is good; it seeks happiness for others.

The only way for you to have the love of God operating in you, is to dwell on the life of Christ - ask Him to fill your heart with His love. It is not something you can imitate. When it is operating it shows kindness to all, seeks good for others. This is Love - it is kind. It can be yours.

Study, Garden Clubs Recognized

The Knox City Study Club and Knox City Garden Club both recently received certificates from the local Bicentennial Commission presented for their contributions to the community's many Bicentennial activities.

Knox City's Study Club was organized in 1924 and federated the following year.

Throughout its 50 years, the Study Club has been ready and willing to help in every good thing for the betterment of the community. The Club's participation in the Bicentennial celebration began in June 1975 when members took part in the rodeo parade. During the year, the club has worked with the officers of the Mesquite District in several projects.

The club has supported all civic and community observances of Knox City's Bicentennial celebration.

Officers for the Study Club include Mrs. J.C. McGee, president; Mrs. Lewis Kay, first vice-president; Mrs. Joe Roy Smith, second vice-president; Mrs. George Davis, secretary-treasurer; Mrs. Ottis Cash, parliamentarian; and Mrs. C.C. Hoge, reporter.

The Knox City Garden Club was organized in 1951 and since that time, members have been active in the beautification of their homes and yards by planting trees and shrubs, as well as flowers.

Average membership for the organization is 18 to 20.

The club shrub is the crape myrtle and most members have several planted at their respective homes. Club colors are green and white and the club aim is to promote the beautification of yards and homes in Knox City.

Each month in this particular club, a committee selects the "Yard of the Month" that is chosen for the honor. A hand painted sign is then placed in the yard of the home and is also recognized in the local newspaper, The Knox County News.

The club also sponsors a flower show each year, either in the spring or fall of the year. As a Bicentennial project, the members participated in the local rodeo parade last June. Members were dressed in old fashioned clothes and rode on bales of hay on a flat bed truck as they

ATTEND FUNERAL

RETURN HOME

Mr. and Mrs. Allen Hester were in Glen Rose Saturday to return her father, C.V. Hackney, home after visiting here several days.

His son and his wife, Mr. and Mrs. Elwood Hackney, had brought him to Knox City Tuesday of last week.

IN HOLLIS HOME

Weekend visitors in the J.D. Hollis home were Bill and Margie Tidwell of Lubbock and Mrs. Carl Burns of Sudan.

RECEIVING KC'S OFFICIAL BICENTENNIAL certificate on behalf of the Knox City Study Club for the significant contribution the club has made to the nation's 200th anniversary is Mrs. J.C. McGee, president, pictured at right. Making the presentation is Mrs. Doris Crownover, general chairman of the KC Bicentennial Commission.

ON BEHALF OF THE KNOX CITY GARDEN CLUB, Mrs. Ernie Wilson, president, shown at right, receives Knox City's official Bicentennial certificate for the outstanding contribution the club has made toward the nation's 200th anniversary in 1976. Mrs. Faye Graham, chairman of the Festivals Committee, makes the presentation.

churned, washed on a rub board, ironed and did other hard work.

The club also is observing the Bicentennial by planting ten crape myrtle shrubs on a lot belonging to the family of the late Dr. and Mrs. T.S. Edwards. A large flower bed has also been planted near the center of the lot.

Knox City Garden Club officers are Mrs. G.E. Wilson, president; Mrs. J.C. McGee, first vice-president; Mrs. Claud Reed, second vice-president; Mrs. H.W. Finley, third vice-president; Mrs. Ulric Lea, secretary-treasurer; Mrs. Guy Robinson, parliamentarian; and Mrs. C.C. Hoge, reporter.

Former Resident Dies In Hurst

Funeral services for former resident Louis Dorsey Reynolds of Hurst were held Monday at 2:30 p.m. in Higginbotham Funeral Home in Gorman. Mr. Reynolds, a former Knox City barber, died Saturday in Haltom General Hospital in Hurst.

Mr. Reynolds, 88, was born December 1, 1887 in Bell County and moved to Gorman as a youngster. He married Linnie Graham in 1909 in Gorman and was a retired barber.

Survivors include his wife; six sons, Preston Sterling, Oklahoma, Lawton of Guyton, Oklahoma, W.S. and Denny of Odessa, Voncel of Lawton, Oklahoma, and Boyd Dell of San Angelo; two daughters, Mrs. Vonita Hallmark of DeLeon and Mrs. Jean Brightwell of Hurst; two brothers, Roy of Riverside, California, and Guy of Fort Dick, California; 22 grandchildren and 17 great-grandchildren.

A son, a brother, and a sister preceded him in death.

Attending services from Knox City were Mrs. Christine Durham, Marcella and Charles, and Mrs. J.O. Buchanan.

Former Munday Mayor Buried

Funeral services for former Munday mayor James Ely Reeves were held at 4:30 p.m. Friday in the First Baptist Church in Munday with the Rev. H.B. Graves Jr. officiating. Burial was in the Johnson Memorial Cemetery.

Mr. Reeves, 83, died Wednesday morning in a Seymour hospital.

Born June 9, 1893 in Robbins, Tennessee, he was a member of the First Baptist Church, the Lions Club, and the Masonic Lodge in Munday. He was mayor of Munday for 12 years, retiring in April of this year.

Survivors include his wife, Adele; a daughter, Mrs. Joe Williams of Ozona; three sons, J.E. Jr. of Bowie, Maryland, Dr. Glen Willard Reeves of Williamsburg, Kentucky, and Colonel Michael Perry Reeves of Hawaii; and two sisters, Mrs. Ina Hannah and Miss Elizabeth Reeves, both of Munday.

Dutton Rites To Be Today

Funeral services for former resident Mrs. Della Olivia Dutton of Amherst will be held Thursday (today) at 3:00 p.m. in the First Baptist Church. Burial will follow in the Knox City Cemetery with Smith Funeral Home in charge of arrangements. The body will lie in state at Smith Funeral Home today until 2:00 p.m.

Mrs. Dutton, 81, died at 11:30 p.m. Monday in South Plains Hospital in Amherst after a lengthy illness.

Born June 30, 1894 in Fayetteville, Arkansas, she moved to Knox county as a youth and married Herman Dutton. He preceded her in death on February 18, 1963 in Knox City. Mrs. Dutton was a member of the First Baptist Church.

Survivors include four sons, James of Earth, Lawrence of Sepulveda, California, Clarence of Olympia, Washington, and Hubert of Van Nuys, California; two daughters, Mrs. Harvey Goveley of Cathlamet, Washington, and Miss Florene Dutton of San Jose, California; 16 grandchildren and 19 great-grandchildren.

Graveside Rites Held For Meade

Graveside services for Charles Noble Meade, 79, who died Monday, June 14 in a Wichita Falls Hospital were held Tuesday afternoon, June 15 at 2:00 p.m. in the Knox City Cemetery. Funeral services were held at 10:00 a.m. Tuesday morning at Hampton-Vaughn Funeral Home in Wichita Falls. The Rev. James Patterson, pastor of the First United Methodist Church in Knox City, officiated for the graveside services, with the Rev. Paul Goodrich, associate pastor of Floral Heights United Methodist Church in Wichita Falls, conducting the service in Wichita Falls.

Survivors include his wife, Cassie of Wichita Falls; and one sister, Mrs. Ruth M. Vandigriff of Carthage.

Mrs. Meade is the daughter of the late Mr. and Mrs. H.M. Thompson. Cards may be mailed to her in care of Pleasant Hill Custodial Care Home, 4445 Sisk Road, Wichita Falls, Texas 76313.

WHAT KIND OF A DISCOUNT?

Lately, the most used word of many advertisers seems to be "Discount." They give the impression that these firms are in business to sell things below their cost. Suddenly they have become philanthropists.

Of course, you know such selling is not continuously possible. Either the price on "blind" articles of their own or unknown makes is higher, or service is discounted to a minimum. We continue our policy of dependability, fair prices and every possible service to please you.

Locals' Kin To Judge Writing Program

The National Council of Teachers of English announces the appointment of Mrs. Wanda D. LeMoine of Waco, as a regional judge for the 1976 NCTE Achievement Awards in Writing Program. Through this nationally recognized competition, now in its nineteenth year, approximately 800 high school seniors are cited for excellence in writing and are recommended to colleges and universities for admission and for financial aid, if needed. The NCTE also

honors teachers and schools that have participated in the training of these young men and women. Seven thousand students have been nominated for NCTE Awards in 1976. Results of the contest are announced in October of each year.

Students are nominated for Achievement Awards in Writing by their high school English departments and are chosen for recognition by state judging committees. (Each nominee submits an impromptu theme and a sample of his or her best writing to be judged.) The regional judging committees are composed of both high school and college teachers of English who work under the direction of state coordinators.

The National Council of Teachers of English is made up of more than 100,000 individual teachers and institutional members at all levels of instruction, from elementary school through graduate college. Its goal is more effective teaching of English language and literature in the nation's schools and colleges. NCTE publishes journals, books and recordings to aid teachers in the classroom and in their professional development.

Mrs. LeMoine is the daughter of Mr. and Mrs. J.V. Denton of Knox County.

Potato Yield Increase Due

AUSTIN - Production of spring potatoes in Texas this year is expected to increase over last year, even though average yield per acre is down.

Production is estimated at 918,000 hundredweight (cwt), eleven percent above last season's harvest of 825,000 cwt., according to Agriculture Commissioner John C. White.

Yield per acre, at 135 ct., is ten percent below the 1975 yield of 150 cwt. per acre. However, acres for harvest is 6,800, 24 percent more than last year's 5,500 acres.

White noted that harvest is continuing in the Winter Garden and has gotten underway in the Knox-Haskell area and North Texas.

Digging was complete in the lower Rio Grande Valley by June 1.

Nationwide, the 1976 spring potato crop is forecast at 24.3 million cwt., 22 percent above the 20.0 million cwt. produced in 1975.

RETURN HOME

Mr. and Mrs. Robert Feemster and granddaughters, Lisa Seigler of Henrietta and Sharon Feemster of Plano have returned from a vacation trip to Idaho.

While there, they visited their daughter and family, the Leonard Edringtons of Mountain Home, Idaho. They also did sightseeing in New Mexico, Colorado, Wyoming, Utah, and Nevada.

The Feemsters reported that while in Boise, Idaho, Governor Cecil Andrus took them on a tour of the Capitol.

TRAIL RIDE from page one

The chuck wagon supper will be catered Wednesday night by Haskell Steak House and tickets may be purchased there as will be noted by the Riding Club's ad in this week's News. With every purchase of a meal ticket, a free swim in the City Park from 6 to 7 p.m. is included, according to Carver.

Facilities at the Haskell fairgrounds include restrooms and water. A bandstand is also on the grounds, from which R.C. Daniel of Truscott and his band will provide country-western music after supper Wednesday night.

There are excellent facilities for the horses both at the fairgrounds and at James Powell's sale barn, according to the chairman.

The trail ride will resume at 8:30 a.m. and is expected to arrive at the Y in Stamford about 1:30 p.m. Thursday, July 1. The horses will be

trailed to the Stamford fairgrounds from the Y to avoid traffic hazards.

All Knox County Riding Club members are asked to wear their uniforms to participate in the parade and ground entry at the Thursday night rodeo performance.

Lions Club News

by Z.I. Smith

The summer slump looked as if it had hit the Lions Club on Wednesday of last week as there were many absent members. A note from Lion Tommy Kent was read and it was reported that Lion Jesse Gilpin was in Wichita General Hospital receiving treatment for infection. No estimate was given as to when Lion Gilpin might return home.

The program was brought by Lion Bill Baker as he discussed the most recent repercussion of state legislation on school financing, this being the difficult problems of financing faced by the O'Brien school system for the coming year. School boards for both O'Brien and Knox City have agreed to consolidate if local elections in both cities give the approval of the voters.

Declining enrollment in both schools has caused rearrangement of extra programs. Some of these problems could be helped by

combining the system. The and equipment would be used additional children have been retained the merger of approved.

CHARLENE BROTHERS

was either selling something or asking for a petition to be signed. Anyway I think we finally, or they did, got it a little straightened out, maybe.

I would like to say that we have hopes of getting our bulletin board message changed before too long. It seems it takes forever to get a message put up, then it takes forever to get it taken down. The homecoming was this June 12, 13, not next June. No, really, everyone has been busy over here and just have not gotten around to changing it.

HERE AND THERE

Mrs. Lanny Covey and daughters of Snyder visited with Mr. and Mrs. C.W. Covey and Mr. and Mrs. Coy Hewitt and girls last week.

Vicki Hewitt and Betty Gutierrez were in Lubbock a few days last week visiting with Gail Rowan and Carmen Conn and looking over Texas Tech College in view of attending college there this fall. (I'm not sure if they decided for sure or not.)

Mrs. Bernice Rowan visited with Mr. and Mrs. Jerry Rowan in Henrietta during the week last week.

Mrs. Janoma Stephens of Plainview visited with her son and wife, Mr. and Mrs. Butch Stephens during the week-end.

Trudy Covey of Midland visited with her parents, Mr. and Mrs. L.A. Covey and family during the weekend.

KC Women Take Items To Vernon

Mrs. Lloyd Stephens and Mrs. Howard Word were in Vernon Tuesday where they took clothing and many other miscellaneous items to the Mental Rehabilitation Center. They, along with Mrs. Pauline Speer, co-ordinator of the Center, expressed their thanks to everyone in Knox City for their contributions.

BEAUCHAMP GUESTS

Joining Mr. and Mrs. H.R. Beauchamp Sunday for a family reunion were Mr. and Mrs. Philip Essary, Mr. and Mrs. Russell Good and April of Wichita Falls, Mr. and Mrs. Glenn Beauchamp of Killeen, Steve Beauchamp and his fiancée, Linda Goff of Austin, Cecil Beauchamp, Sonny and Lisa, Mrs. J.P. Diamond and Mrs. Bill Creel, all of Anson, Mrs. Clarice Goodman of Rosebud, Mrs. Fannie Ballew of Abilene, Mr. and Mrs. W.B. Johnson of Munday, and Walter Speck of Rochester.

FATHER'S DAY VISITORS

Visiting in the home of Mr. and Mrs. R.M. Johnston for Father's Day were their children and their families, Mr. and Mrs. B.F. Fail of Grapevine, Mr. and Mrs. Walter F. York of Toledo, Ohio, and Mr. and Mrs. Alton Hester of Knox City.

Also present were Mr. and Mrs. Bradley York of Toledo; Mr. and Mrs. Robert Eubanks, Glenn and Darrell of San Angelo; Cathy Womack of Lubbock; and Mr. and Mrs. Gene Hester, Angie, Wayne, and Tami of Knox City.

IN LUBBOCK

Mr. and Mrs. Doug Meizer and Tyke were in Lubbock over the weekend visiting with their daughter and her husband, Mr. and Mrs. Floyd Baker.

The Meinzers were there to be with Penny who underwent surgery Saturday in a Lubbock hospital.

According to her mother, she is doing fine but will have to remain in the hospital for several days.

Thank you, Charlene Brothers

Medicare Premium Rates Go Up July 1

Monthly premiums on the medical insurance part of Medicare will go up starting July 1.

The basic premium rate will go from \$6.70 to \$7.20 a month, according to Carl R. Beisner, Social Security claims representative in Vernon.

Medicare medical insurance helps pay doctor bills and other medical expenses and is funded by individual premiums and Federal general revenues. The protection is offered to persons reaching 65 and over who are eligible for social security or railroad retirement benefits, to disabled persons under 65 who have been entitled to social security or similar railroad retirement disability benefits for 24 consecutive months or more, and to many persons under 65 with permanent kidney failure.

The Medicare law requires an annual review of the cost of the medical insurance program. Based on this review, an estimate is made of the cost of this coverage for the following year. "Under that provision," Beisner said, "the Medicare beneficiaries' basic premium rate would have been increased by over 40 percent to \$10.70 a month because of rising cost of medical services covered by Medicare's medical insurance."

"But," he said, "the law also limits any increase in the basic premium rate to the percentage that social security benefit payments increased in the previous year. Social security payments increased eight percent in 1975, so the Medicare medical insurance basic premium rate was limited to eight percent starting July 1--to \$7.20 a month."

The premium is less than half the cost of this protection. The Federal Government pays the remainder from general revenues. The basic premium rate could not be increased last year because of a technical flaw in the law that has since been corrected, according to Beisner.

Some persons 65 or over pay a monthly premium for the other part of Medicare, the hospital insurance, because they didn't work long enough under social security. "Starting July 1, the basic premium rate for these persons will go from \$40 to \$45 a month," Beisner said. Hospital insurance protection is extended without premium charge to persons reaching 65 who are eligible for social security or railroad retirement benefits, to disabled persons under 65 who have been entitled to social security or similar railroad retirement disability benefits

for 24 consecutive months or more, and to many persons under 65 with permanent kidney failure.

"Persons 65 and over who aren't eligible for social security or railroad retirement benefits can get Medicare hospital insurance by paying a monthly premium if they also sign up for the medical insurance," Beisner said.

The hospital insurance premium rate is based on the average monthly cost of this protection.

Over 24 million persons have one or both parts of Medicare. In 1975, the hospital insurance program paid \$11.3 billion in benefits and the medical insurance program paid \$4.3 billion.

Medicare is administered by the Social Security Administration, an agency of the U.S. Department of Health, Education, and Welfare. Persons can get information about signing up for Medicare by calling, writing, or visiting any social security office. The Vernon Social Security Office is at 1701 Cumberland. The phone number is 817-552-9346.

SAFETY SENSE

Beautiful Advice

For a lawn and garden that are beautifully kept, many people are discovering the convenience power of a power edger. The Outdoor Power Equipment Institute has the following safety suggestions for using it.

1. Carefully read the owner's manual and any tags that are attached before using the machine. Make sure you're familiar with all the controls and can turn it on and off with ease.
 2. Never allow any children or pets within your working area.
 3. Before attempting to touch any moving part, shut off the motor and disconnect the spark plug.
 4. Always keep all shields and safety devices in place.

REDDY'S HELPFUL FREEZER TIPS

LOCK IN FLAVOR: Use moisture and vapor-proof materials especially designed for freezers to wrap your foods. Tightly sealed, these lock in flavor and moisture and prevent "freezer burn" (surface drying) on foods. Don't use wax paper, bread paper or regular cellophane for freezer foods.

LABEL PACKAGES: Date and identify freezer packages so (1) you don't accumulate a lot of mysterious shapes and (2) you'll be able to pick out foods that have been in the freezer longest.

TAKE ADVANTAGE OF SALES: Avoid overstocking with commercially frozen food that's always available; use your freezer as your own bargain counter and store foods you can buy on sale. But do allow space for short-time baked goods, leftovers and special party foods.

Wichita Falls, Texas, Mrs. Mary-of-the-Woods College, Terre Haute, Indiana, and received her B.A. from Midwestern in English and journalism. She has done graduate work in learning disabilities.

She will work closely with board members in the development of all established and new programs in public education, fund raising and patient services. Most of these programs, such as Read-a-thon, the Hope Chest, and Door-to-Door Campaign aim at conquering MS, the tragic crippling of over 500,000 Americans, and providing care for victims of the disease. Currently over 80 persons in the Wichita Falls area are afflicted he stated.

Mrs. Hawkins would be interested in being contacted by any MS patient, or volunteers in the counties she serves. They may contact her at the MS office...2910...302 Triad Bldg...Wichita Falls, Texas 76308, or Tel. 817 322-8353.

Area Students On ETSU List

A total of 1,286 undergraduate students have been named to the President's Honor Roll and Deans' Lists for the 1976 spring semester at East Texas State University.

The President's Honor Roll includes students who compiled a 4.0 (A) grade point average for the semester. The Deans' Lists include students who had at least a 3.25 grade point average. ETSU used the 4.0 grading system.

Area students named to the President's Honor Roll include LaVerne Fetsch of Munday and Annie Reagins of Goree.

LIONS

EARLY SEASON BOLL WEEVIL CONTROL

Older cotton in Knox County is beginning to form squares which is a reminder that the time for early boll weevil control applications is here for the fields showing a few 1/2 grown squares.

In case a producer has doubts of applying the early application he should spend 30 to 45 minutes of real close looking in each field every two or three days. If he finds one or more weevil in a field there are likely enough there to justify early control.

Timing of control applications are very important when only a very few 1/2 grown squares are in an entire field to kill the boll weevil, before they have time to lay eggs.

GRAINSORGHUM VARIETY DEMONSTRATIONS

Zeissel Brothers have both dryland and irrigated grain sorghum variety demonstrations growing this year in cooperation with the Crops and Fertility Subcommittee and the County Extension Agent.

The dryland demonstration located by the farm to market road north of their headquarters includes 16 varieties and was planted April 9. Two varieties in this demonstration are greenbug resistant types.

The irrigated demonstration located four miles north-west of Munday includes eight varieties and was planted April 22. Four of these varieties are of the greenbug resistant types.

Several of the dryland varieties have started to exert heads and are really needing moisture at the time this is being written.

EXTENSION HAS SOLID BASE

The Texas Agricultural Extension Service has learned to meet the needs of the people of this state and therefore has a solid base on which to build, said Dr. Daniel C. Pfannstiel, director of the state agency last week at the biennial State Extension Conference. The single most important thing we can do, he challenged the 1,000-member professional staff, is to continue to strengthen the direct involvement of people in the design and execution of Extension educational programs. He also stressed the team approach of county agents (generalists) supported by subject matter specialists and the use of the result demonstration method of teaching as a key tool for effective education.

SUMMER ROSE CARE IMPORTANT

Roses are red, violets are blue; if you take care of them, they'll look good for you.

This is the philosophy of Everett Janne, a landscape horticulturalist for the Texas Agricultural Extension Service. He suggests taking good care of your roses in the summer so they will look good in the fall.

"Important requirement of roses in summer is adequate water," Janne says. "If there is no rain, water them thoroughly at least twice a week. Try to keep the water off the leaves, and if possible, water roses in the morning."

It's also a good idea to fertilize roses with a 10-15-5 fertilizer. Spread the fertilizer evenly around the base of the plants and work it lightly into the soil, advises the Texas A&M University System horticulturist.

"If you want a lot of blooms in October, prune rose bushes in August by cutting them back about one-third," suggests Janne.

He recommends practicing a preventive spray program to control blackspot and mildew. Benomil is a good spray for controlling both these diseases.

CROP REPORTS FROM FARMERS NEEDED

In early July, about 24,700 Texas farmers will receive an acreage and production questionnaire from W.H. Walther, Agricultural Statistician for the Texas Crop and Livestock Reporting Service, Austin, Texas.

Information from this survey will be used to determine harvested acreage and production of early harvested crops for the state of Texas and for each county. Farmers who receive questionnaires are urged to complete and return them by mail. All individual reports are confidential and will be used only for state and county totals.

This survey is a cooperative effort of USDA's Statistical Reporting Service and the Texas Department of Agriculture.

WALL VISITORS

Visiting with Mr. and Mrs. H.E. Wall last week were Mr. and Mrs. V.E. Lane of Wichita Falls and granddaughter, Noel Taylor of Dallas, Mr. and Mrs. George Wall of Childress, Mr. and Mrs. Rob L. Local Girls Attend District 4-H Lab

Three Knox County youth attended the 1976 District 3 4-H Teen Leader Lab held at the State 4-H Center on Lake Brownwood last week.

Suzanne Esquivel, daughter of Mr. and Mrs. A.C. Esquivel Jr. of Munday, Debbie Ray, daughter of C.B. Ray of Knox City, and Lydia Lankford, daughter of Mr.

and Mrs. Charles Lankford of Knox City attended the three day event held June 17-19.

"You and Your Community" was the theme of the workshop which involved 4-H Club members from twenty surrounding counties.

"The Teen Leader Lab is one of the fun learning experiences in which 4-H members can participate. They meet new friends, find out how other counties conduct their 4-H program and bring home enthusiasm and suggestions for Knox County," says Nancy Fuhrken, County Extension Agent.

Suzanne is a member of the Munday Senior Sr. 4-H Club while Debbie and Lydia are both members of the Knox City Sr. 4-H Club.

Tech Aid Available

It is not too late to apply for financial aid for the fall semester, 1976, at Texas Tech University, according to Dudley S. Akins, director of the office of financial aids.

"However," he said, "time is pretty short. We're talking about only two months."

Programs administered by the office of financial aids at Texas Tech include scholarships, grants, loans, college work study and referral service for part-time jobs in Lubbock.

Anyone interested in financial aid for the fall semester should contact the financial aids office, room 131 West Hall, Texas Tech University, soon.

Akins said that the biggest problem at Texas Tech is not unclaimed scholarships or scholarships for which no one applies, but getting the word to all prospective or eligible students.

Many Businesses Ignoring The Use Tax

AUSTIN - Comptroller Bob Bullock warned Tuesday, June 15, that many Texas businesses are ignoring the use tax and may run into costly problems when visited by his auditors.

"It's called the sales AND use tax," said Bullock. "But too many people don't understand what the second part of that means."

The comptroller said the biggest part of the problem is with businesses that do not sell retail goods, have no sales and use tax permit, and

never think about the tax when they buy equipment from outside the state.

"A bank, television or radio station, or any business requiring specialized equipment may buy that equipment from out-of-state without paying the Texas sales tax," he said. "In all those cases, however, they owe the Texas use tax on the total cost of the purchase."

In fact, said Bullock, the use tax is due on any goods bought from out-of-state and then put to business or personal use, without being resold.

The Comptroller said his office is conducting a public information campaign in an effort to clear up misunderstanding about the use tax.

Also Tuesday, Bullock mailed checks totaling \$48.9 million to 846 cities and towns as the June rebate of the one-cent city sales tax they collect.

Knox City's sales tax check for the period ending June 6 was \$5,480.12 as compared to Munday's \$4,882.20, Benjamin's \$426.99, O'Brien's \$179.18, Rule's \$2,868.26, Haskell's \$13,458.11, Rochester's \$2,024.51, Aspermont's \$4,487.05, Goree's \$692.00, Seymour's \$14,024.27, and Stamford's \$15,447.60.

City rebates for 1976 are running 12.5 percent ahead of 1975, he said. Rebates through June of 1975 totaled \$129.2 million, he noted, while they total \$145.4 million through June of this year.

THE GOOD OLD DAYS

Remember what July 4th weekend was like when you were a kid in a little country town?

It was a warm and friendly time back in those days, a pleasant time, a happy time.

There was music and singing and laughter in the streets. Sun bronzed men in boots traded lies about drouths and cows and the mean kid things they did 20 years ago that their sons had better not do. At the concession stand, smiling, motherly women fed friends and neighbors and gave back country courtesy with the change.

The little kids played chase up and down the sidewalk and the big ones played chase clustered around a store front - with grins and sparkling eyes and joking.

It was a warm and friendly time, a pleasant time, a happy time. It was back in the good old days, when people had time to visit together. It was.....
