

## METHODIST ALL DAY MEETING GREAT SUCCESS

### CHEVROLET AND AIRPLANE IN HEAD ON COLLISION

Detroit, Mich., June 9.—A Chevrolet six recently played an important role here in what is believed to be the first case on record of a head-on collision between an automobile and an airplane.

The car, one of twelve Chevrolet sixes used by Detroit Immigration authorities in border patrol work, was being driven by Stanley Zerambo, senior inspector, whose duties consist in thwarting attempts to smuggle aliens across the border.

Inspector Zerambo had to his credit six planes seized in this nefarious traffic, and had been watching for some time a seventh plane said to have operated for six weeks on regular schedule flying aliens from Canada to American soil.

After several attempts to seize the plane, its pilot and illegal cargo had failed, Inspector Zerambo was scouting along the Detroit river front shortly after sunrise, on June 1, when he spotted the plane heading from Canada toward an open field just beyond the Detroit city line. Speeding to the spot Inspector Zerambo swung into the field in his Chevrolet just as the plane landed, and drove directly into its path to shut off retreat.

When the pilot saw the official car in front of him, he sought to ward off capture by speeding the motor up in a desperate effort to take off again. Inspector Zerambo, in the split second available to make a decision, weighted the ruggedness of the car against the strength of the plane, and drove head-on into the whirling propeller.

Results: Another seized plane added to Inspector Zerambo's impressive record a disabled plane with a shattered propeller and a damaged wing; two alien prisoners; an escaped pilot; Inspector Zerambo slightly shaken up and bruised; and a car with a damaged right front door; fender, radiator and the radiator cap picked off by the propeller.

Despite the damage to the Chevrolet it came out a decided victor in the crash, for while the plane was totally disabled, Inspector Zerambo was able to back the car out of the wreckage and drive it under its own power, with his prisoners safely aboard, to Detroit headquarters.

### GROUNDS AT COUNTY COURT HOUSE WORTHY OF PRAISE

Friday morning the editor of the Herald made a business trip to Benjamin. Although the call to Benjamin was in our own interest and as soon as that business was concluded we came home, we did not fail to notice the splendid condition in which the grounds around the court house are in.

All the trees have recently been white washed up about five or six feet; the grounds have been raked with all the rocks and rubbish removed. Outside the fence the grounds have also been raked. Things are really good to look at now.

In a short talk with the Sheriff, Elliott, Friday morning, we learned that the jail building has also been thoroughly cleaned. The building was first washed with soap and water then painted. It is well kept at all times but is now as clean as a new building.

"FOLKS USED TO TALK ABOUT GIRLS BEING GRACEFUL BUT NOW MOST OF THE TALK IS ABOUT 'EM BEING DISGRACEFUL"

### Presented New Song Books

#### INTEREST REVIVED

The All-Day Meeting which was held at the Knox City Methodist Church Sunday was a huge success. The day started excellent with a good attendance for Sunday School. The number in attendance for church was the largest at any time during the current church year.

In the early part of this worship service the church was presented 150 new song books "The New Cokesbury Hymnal, by the Couples Sunday School Class. This class is composed of the young married couples. The enrollment of this class is now more than 40. It has increased to this number from about 5 within the last eight months. The class is doing splendid work.

Following the eleven o'clock service the great crowd of people went to the basement of the church where two large tables were arranged, completely covered with fried chicken, salads of all kind, pickles, olives, baked hens with dressing etc. (more than can be listed) and pies and cakes of all kind. In an informal yet mannerly way one of the best feasts ever known was partaken of. Scarcely before all had finished Mrs. C. C. Hoge made an interesting talk on "Fellowship". She was followed immediately by Dr. T. S. Edwards who talked on "Reunions". Dr. Edwards expressed himself as being highly pleased with the meeting in progress and hoped that such would become an annual affair with more and more of the former pastors of the church present. Brother Hawkins, who is one of the former pastors of the church, was present for the entire day. He delivered the morning service, took a great part in the noon hour service (the dinner) and made a very appropriate talk in the afternoon meeting.

Following the service held in the basement time was given for clearing away of the food that remained and at two thirty in the afternoon an old time Methodist Love Feast was held. This service was opened with a number of good songs sung from the new song books. The Baptist Quartet composed of Mr. Fress Hitchcock, Mrs. Gordon Acker, Mr. Withrow and Brother Stovall gave two very pretty quartets, as well as assisting the choir with all the songs.

Reverend Hawkins had charge of the meeting and his talk was fine. Several testimonies were heard and the meeting closed with the atmosphere heavy with His presence.

The church is experiencing a spiritual awakening to which the meeting Sunday added much. New interest is being shown and with an earnestness on the part of all that foretells great work for the church.

Following the presentation of the New Song Books Sunday the board of stewards received the resignation of Mr. Graham as the music director. Mr. Graham states that he has and is greatly handicapped and is unable to attend the services regularly. In light of this fact he expressed his desire that the board elect another leader and concluded by promising to cooperate in every way possible with the church and the music director. With these recommendations Mrs. E. Q. Warren was elected to take Mr. Graham's place.

Mrs. Warren can and will give liberally of her time in this work which fact brightens the outlook in the music portion of the church services.

### BOND ELECTION CALLED IN SUNSET CONSOLIDATED COMMON SCHOOL DISTRICT

The election for the issuance of bonds to the amount of \$28,000.00 for the erection of a brick public school building in the Sunset Consolidated Common School District has been ordered for June 21, 1930.

The election will be held at the Gillespie school teacherage.

Mother White left last Friday for Glen Rose where she will be for a while.

### They're Back Again

By Albert T. Reid

#### A Couple of our Most Undesirable Citizens

### ROBINSON-THOMPSON

Two of Knox City's very finest young people were united Saturday when the Reverend Mann pronounced, using the ring ceremony. Guy Robinson and Miss Ruby Thompson man and wife.

The wedding took place Saturday in the Methodist parsonage at five in the evening with only Miss Cassie Thompson, Hoyt Shaw, Mrs. J. C. Mann and Jim Boy Mann present. Rubye wore a beautiful pink georgette dress with hat and accessories to match. Immediately following the ceremony the two left for San Angelo where they are visiting Guy's parents. They are expected to return to Knox City the latter part of the week.

Guy graduated from the Knox City High school last year. He is now working at the Bakery. He is a very fine boy, Rubye graduated from the Knox City high school this year. She is the daughter of Mr. and Mrs. H. M. Thompson and also a very fine girl. The two will make their home in Knox City and the Herald hopes for them a successful, happy married life.

### GIRL SCOUTS

The Knox City Girl Scouts are starting now to collect a car load of papers. If you live close enough to some girl scout to give her your papers and magazines please save them for her. If you do not live near a scout call Mrs. Cash and she will see that your papers are collected. Please save all newspapers, magazines or any kind of paper and help the girls fill the car.

The Girl Scouts will meet again Tuesday, June 17 at 5 o'clock in the Methodist Church lawn, for regular business meeting. The Sunflower Patrol will give program.

### Girl Scout Captain

### PARTNERS NOW

A Chicago man the other day took an extra drink of corn whiskey, and shortly began to see reptiles, also animals in assorted colors. So he rented a room and opened a museum. Many people paid 35 cents admission and when they saw only an empty room they called a policeman. The policeman was going to arrest him, but the man got him off in a corner and gave him a drink. The policeman then gave the man \$300 for a half interest in the show. Wroe's Writings.

Mr. and Mrs. Ferguson of Stephenville were here last week on a visit with relatives.

### Hospital Notes

Tuesday Mrs. Baker, superintendent at the Knox County Hospital, stated that the Hospital was full. The names of the people are as follows: Mrs. J. P. Papworth and little son of Knox City. The baby arrived Monday and is a very fine boy.

Mrs. J. R. Smith of Munday, Mrs. O. J. Emory of Knox City, Mrs. J. W. Rader of O'Brien, Mr. Hugh Rogers of Fort Worth, Mrs. J. M. McMahan of Truscott, Mrs. V. S. Simmons of Roby, Mr. Phillips of Rule, Baby Thompson also of Rule, Grandma Kidwell of Rochester and Mr. Barnard of Berger. Mr. Art Jungman was dismissed Sunday. He lives in Knox City.

### TEXAS COWBOY REUNION TO BE HELD IN STAMFORD JUNE 26, 27, AND 28

Stamford, June 11—One of the features of the Texas Cowboy Reunion to be staged in this city June 26 27 and 28, will be a round up and get-together of the pioneer cattlemen of the state.

A permanent organization of the old-timers will be formed to hold annual meetings in Stamford. Only those who saw actual service in the saddle and on the ranges of the region prior to 1895 will be eligible for membership in the organization.

The program of the three-day affair will include many entertainment features. On each afternoon a western cowboy rodeo will be staged and an old fashioned ranch dance will be given each evening.

All early-day citizens of West Texas will be given special invitations to attend the affair and the directors of the offering say that people of all ages and classes will find a full program in interest and amuse them.

The rodeo will be held in a natural amphitheatre a mile west of the business district of Stamford. Comfortable seats will be provided for several thousand and the arena and stock pens have been arranged so as to allow presentation of the contests and exhibitions in a quick and efficient manner.

Much interest in the contest is being taken by cowboys on the ranches in West Texas and indications are that there will be at least 100 entrants in the events in which attractive cash prizes will be given to winners.

Mrs. J. C. McManners of Denton and Mr. and Mrs. J. M. C. Shaw of Abilene are spending the week with Mr. and Mrs. Jim Stevenson.

### BRIDE-ELECT COMPLIMENTED WITH SHOWER

As a farewell courtesy to Miss Loree Branton before her marriage Saturday to Mr. Bill Clarke a shower was given Tuesday evening at eight o'clock on the lawn of the Press Clarke home. Misses Claydene Hoge, Margaret Reeder, Mabel Clonts Bernice Swift and Clara Clarke and Mrs. E. Q. Warren were hostess.

Summer flowers in Myriads of shades were attractively arranged in vases, bowls and baskets on the side porch facing the lawn.

After all the guests had registered in the brides book and were seated on the lawn Miss Hazel Jones gave a reading which was followed by another reading from Mrs. T. E. Bolla, both readings were well rendered and were exceptionally appropriate for the occasion.

When the bride-elect arrived she was met by the hostess and other girl friends and was escorted to a seat of honor on the porch facing the guests. Hardly was she seated before an alarm clock began to ring out on the lawn. The bride-elect was instructed by Mrs. E. Q. Warren to go to the clocks as they alarmed as she answered the call to every alarm she returned laden with packages.

After all the packages had been gathered and they were opened in their turn and viewed by those present many nice and useful gifts were found in the packages.

An attractive refreshment plate was passed to the guests after Miss Branton had graciously thanked those present for the lovely gifts that had been bestowed upon her.

### GIRL SCOUT PICNIC

Among unusual activities of the Girl Scouts in the past week was a picnic Thursday afternoon about six o'clock. The Girl Scouts accompanied by their Captain, Mrs. Otis Cash, a few parents and visitors, motored to Mr. Edd Shaver's pasture, where some of the enjoyed a good swim. After this a delicious picnic lunch was enjoyed by all. Everyone reported a good time as usual Girl Scout humor was present throughout the entire time. Among the parents present were: Mr. and Mrs. H. E. Wall Mr. and Mrs. G. D. McCarty, Mr. and Mrs. Edd Shaver and Mrs. Amos Rutledge. Visitors for the occasion were: Miss Exa Faye Mutton, Fannye Russell, Nella and Jean Shaver, Miss Francis Couch, of Lovelland, and Miss Josephine Graves of San Angelo.

—Reporter

Mother Clonts, Mrs. H. E. is home from her visit in Oklahoma.

### At The Baptist Church

Next Sunday morning we will begin our Sunday School at the Baptist Church at 9:45. Instead of 10:00 o'clock. Let every one be on time and be 100 per cent. The song service will begin at eleven and the sermon at eleven thirty. The text for the morning will be Mark 3:5.

All the B. Y. P. U. Meetings will begin at 7:45. The song service will begin at 8:30. The subject of the evening sermon Sunday will be "Life Insurance". This is something every one should be interested in. Come!

The services at the Baptist church were all well attended though not what it might have been. We had 162 in Sunday School Sunday. Although we have had for several months 200 and more, we have excused our people because of the fact that they have been busy with closing exercises of school.

We are anxious for all our people to attend Sunday School and church and earnestly ask the cooperation of every one that we may accomplish this aim. We hope that a business men will cooperate with us in our effort to promote God's cause, which surely ought to be an interest to every honest right thinking man.

"Remember the Sabbath to keep it Holy. Six days shalt thou labor and do all thy work; but the seventh day is a sabbath unto Jehovah thy God. In it thou shalt not do any work, thou, nor thy son, nor thy daughter, thy manservant, nor thy maidservant, nor thy cattle, nor thy stranger that is within the gate for in six days Jehovah made heaven and earth, the sea, and all that in these is, and rested the seventh day; wherefore Jehovah blessed the Sabbath day, and hallowed it". Ex. 20: 8-11.

This faith commandment is God's command for rest and worship on the Sabbath. Surely God gives us six days, we should not take from him the only one he has reserved to himself.

### DAILY VACATION BIBLE SCHOOL BEGINS MONDAY

The Daily Vacation Bible School which will be held for a period of two weeks, not including Saturday, at the Knox City Methodist Church will begin Monday. This school is for the Juniors and primary boys and girls and the women of the Missionary Society, who are sponsoring the school, invite all the boys and girls of the town to enter the school.

The school will begin at nine each morning and last one hour. It will include a Bible study by the boys and girls and a Bible story which will be told each day to the classes. Some time will be given to music, and songs appropriate for the ages will be selected.

Remember, all the children of the town are invited to attend this work. It will be enjoyable as well as educational.

Mr. and Mrs. E. Q. Warren spent last week in Merkel, Texas.

### Best Speller

Helen Jensen, 13 years old, of Council Bluffs, Iowa, who won the \$1,000 cash prize in the National Spelling Bee at Washington.

WHAT DR. CALDWELL LEARNED IN 47 YEARS PRACTICE

A physician watched the results of constipation for 47 years, and believed that no matter how careful people are of their health, diet and exercise, constipation will occur from time to time. Of next importance, then, is how to treat it when it comes. Dr. Caldwell always was in favor of getting as close to nature as possible, hence his remedy for constipation, known as Dr. Caldwell's Syrup Pepsin, is a mild vegetable compound. It can not harm the system and is not habit forming. Syrup Pepsin is pleasant-tasting, and youngsters love it.

Dr. Caldwell did not approve of drastic physics and purges. He did not believe they were good for anybody's system. In a practice of 47 years he never saw any reason for their use when Syrup Pepsin will empty the bowels just as promptly.

Do not let a day go by without a bowel movement. Do not sit and hope, but go to the nearest druggist and get one of the generous bottles of Dr. Caldwell's Syrup Pepsin, or write "Syrup Pepsin," Dept. BB, Monticello, Illinois, for free trial bottle.

COUPLES CLASS ENTERTAINED

One of the most enjoyable social affairs of the season was that given last Thursday night in the home of Mr. and Mrs. Lloyd Davis, honoring the members of the Couples Class of the Methodist Sunday School. Some thirty or thirty five members were present.

The first of the evening was spent playing 84 and the games were greatly enjoyed. Following this the large crowd went in to the yard where a number of interesting, PPPY games were played. Two or three contests were held which afforded keen, pleasant competition for all.

Mrs. Davis assisted by Mrs. Clarke and Mrs. Ables as joint hostesses, served delicious home made ice cream and cake, an excellent climax for an evening of fun.

Special for Friday and Saturday only: Pfluger and water waves 15 cents. Mrs. Curtis Wilcox in Oliver home.

Mr. J. V. Jones, with Hazel and Henry Jones, went to Fort Worth the first of the week. Mrs. J. V. Jones, who has been visiting there, returned home with them.

Dr. Emory's sister of Fort Worth is visiting here.

Gordon and Leslie Acker have completed their miniature golf course at Rochester and the official opening will be this week sometime.

Mr. and Mrs. Guy Farmer of Seymour are here this week to see Mother Farmer, the latter was real sick the first of the week but is better now.

Mr. W. L. Swift started this week to rebuild his gin.

Mary Hope Newson is spending the week in Fort Worth.

Mr. and Mrs. Everett Kelley of Fort Worth came to Knox City this week to visit her parents, Mr. and Mrs. W. H. Benedict, and other relatives. They were accompanied here by Mr. Hartzog of Lubbock and he with Mr. Kelly are now in Wichita Falls. Mr. Kelly will return here for a short visit before going back to Fort Worth.

Mr. and Mrs. H. E. Wall and children spent Sunday with her parents in Haskell.

Bill Clarke spent Wednesday scrubbing his new home. This is the first big event in the life of the ideal husband, which with Bill, begins Saturday. Stay in there Bill.

Mr. Boss McKenzie, sheriff of Limestone county, with his two daughters spent Saturday night here with relatives, J. E. Clarke and family. Boss and Mac were door neighbors in Thornton.

Mrs. Stubbs is carrying the mail this week for her husband who is taking his vacation.

Mr. and Mrs. Dave Griffith of Munday spent Sunday here with his brother, Mr. and Mrs. J. F. Griffith.

Mr. and Mrs. T. C. Mosley and daughter of Graham spent the first of the week here with his brother, Holt Mosley, and family.

Maurine Ables has left for Perrin Texas where she will spend the summer with her grandparents.

Nurse: "Whom are you operating on today?" Surgeon: "A fellow who had a golf ball knocked down his throat at the links."

Nurse: "And who's the man waiting so nervously in the hall?" A relative? Surgeon: "No, that's the golfer—a Scotch gentleman. He's waiting for his ball."

She was standing near the rail. She was looking deathly pale. Was she looking for a whale? Not at all.

She's her mama's lovely daughter Casting bread upon the water In away she hadn't oughter— That's all!

Mr. and Mrs. Homer Shaw of Abilene spent Sunday night with Mr. and Mrs. Jim Stevenson. The shaws were on their vacation and in route to the interesting points on the plains.

Mr. and Mrs. Gene Conns and child are spending their vacation in east Texas. They expect to return home about 15 days.

Mrs. John Darnell with Mrs. Brookerson of Benjamin, is spending the week in Fort Worth with relatives.

Miss Imogene Hunt of Goree is here this week to see Miss Clara Clark.

Mrs. T. S. Edwards and children spent the last week end in Wichita Falls.

C. C. Hoge, Happy Smith and Hollis Warren are attending the State Firemen's Convention in San Angelo this week.

Mr. E. O. Jamison took little Yvonne Jamison and Mary Leon Hoge to Mineral Wells with him Monday where they are spending the week.

Casey Jones left Monday night for the Citizens Military Training Camp in San Antonio where he will be in training for one month.

Mr. and Mrs. A. E. Propps visited in Crowell Sunday.

B. J. Withrow of Sylvester is here.

Everett Favors of Rising Star is here this week visiting friends.

Miss Pearl Hudson, who attended Simmons University in Abilene this year, returned home for the summer.

Acidity

The common cause of digestive difficulties is excess acid. Soda cannot alter this condition, and it burns the stomach. Something that will neutralize the acidity is the sensible thing to take. That is why physicians tell the public to use Phillips Milk of Magnesia.

One spoonful of this delightful preparation can neutralize many times its volume in acid. It acts instantly; relief is quick, and very apparent. All gas is dispelled; all sourness is soon gone; the whole system is sweetened. Do try this perfect anti-acid, and remember it is just as good for children, too, and pleasant for them to take.

Any druggist has the genuine, prescriptional product.

PHILLIPS Milk of Magnesia

"Tilly you were entertaining a man in the kitchen last night, were you not?"

"That's for him to say, ma'am. I did my best."

Mr. and Mrs. Urcy Cubine of McLean were here last week to see her parents, Mr. and Mrs. L. N. Bridges.

Little June Eve Malouf entertained about 20 of her friends one day last week with a birthday party.

Mr. and Mrs. Pete Moody are home from Colorado.

SERVING MANY BUSINESSES

Experience of large fleet owners reveals the unusual reliability and economy of the new Ford

A SIGNIFICANT TRIBUTE to the value of the new Ford is found in its increasing use by Federal, state and city governments and by large industrial companies which keep careful day-by-day cost records. In most instances, the Ford has been chosen only after exhaustive tests of every factor that contributes to good performance—speed, power, safety, comfort, low cost of operation and up-keep, reliability and long life.

Prominent among the companies using the Ford are the Associated Companies of the Bell System, Armour and Company, The Borden Company, Continental Baking Corporation, Firestone Tire and Rubber Company, General Electric Company, Goodyear Tire and Rubber Company, Kellogg Company, Knickerbocker Ice Company, Morton Salt Company, Pillsbury Flour Mills Company, The Procter and Gamble Company, and Swift & Company.

Each of these companies uses a large number of Ford cars and trucks. The Associated Companies of the Bell System use more than eight thousand.

Modern business moves at a fast pace and it needs the Ford. Daily, in countless ways and places, it helps to speed the production and delivery of the world's goods and extend the useful service of men and companies.

Constant, steady operation over many thousands of miles emphasizes the advantages of the sound design of the Ford car, its high quality of materials, and

unusual accuracy in manufacturing. Beneath its graceful lines and beautiful colors there is a high degree of mechanical excellence.

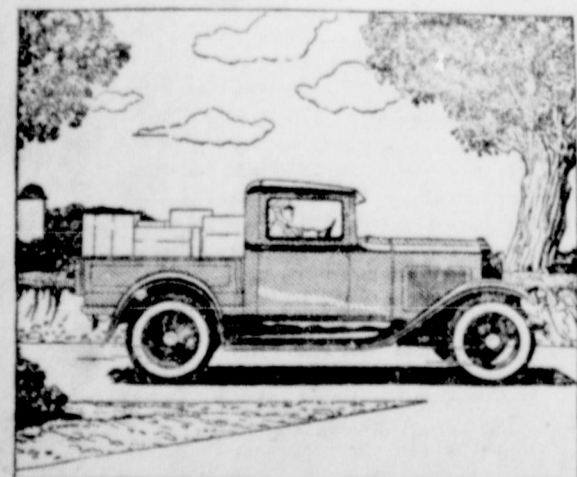

An example of the value built into the Ford is the use of more than twenty ball and roller bearings. They are hidden within the car and you may never see them. Yet they play an important part in satisfactory, economical performance. Their function is similar to the jewels of a fine watch.

Throughout the Ford chassis, a ball or roller bearing is used at every place where it is needed to reduce friction and wear and give smooth, reliable mechanical operation.

At many points, as on the transmission counter-shaft, clutch release, fan and pump shaft, and front drive shaft, these ball and roller bearings are used where less costly types of bearings might be considered adequate.

Additional instances of the high quality built into the Ford are the extensive use of steel forgings, fully enclosed four-wheel brakes, Rustless Steel, four Houdaille double-acting hydraulic shock absorbers, aluminum pistons, chrome silicon alloy valves, torque-tube drive, three-quarter floating rear axle, and the Triplex shatter-proof glass windshield.

The Ford policy has always been to use the best possible material for each part and then, through large production, give it to the public at low cost.

flag are concerned.

Nations which were old when we set out upon our great experiment have undergone revolution after revolution. Most of them have completely altered their government forms. The British Empire has become a commonwealth of practically independent nations. Ireland has been annexed and detached again, though the cross of St. Patrick, added to the British flag in 1801, still remains there. France was an absolute monarchy when we set up our government. The royal banner of Louis XV has given place to the tricolor floating over the Third Republic since our own revolution, with another empire intervening. The Italy of today is quite a different nation, its flag is different, from that of 1777. Spain then the ruler of immense colonies, has shrunk to a tiny kingdom. Germany, Austria, imperial Russia—all the "great powers" of the 18th century have changed diminished, and their flags have changed. Even China no longer flies the dragon pennant and Turkey has abandoned the green flag of Mohammed.

Denmark's flag, dating from the 12th century, and Switzerland's nearly as old, are the only flags flying today which are older than our own Stars and Stripes. The nation over which it was first flung has more than justified the hopes and beliefs of its founders.

Home Town Thoughts

The people who used to claim a man could lift himself up by pulling at his own bootstraps, must be related to the folks who now think a town can develop without anyone doing anything to make it grow.

When you send your money away from home, you not merely say goodbye to their power to promote town progress.

If people wish to hold on to their merchandise a long time, and carry it over from season to season, they are not to be blamed for not advertising it. Haskell Free Press.

THE FAMILY DOCTOR

By JOHN JOSEPH GAINES, M.D.

"T. B."

My rural readers will pardon me. I'm sure, once more calling their attention to what is still one of man's fiercest, most unrelenting foes; it seems to me that good advice in the presence of an enemy is never out of place.

Thoughtful men have been battling this scourge since the dawn of history; for its annihilator men of great wealth and greater hearts have spent countless millions in research, and the noble work still goes on. Just what measure of success has been achieved may be noted by an observing one who reads; and our more recent decades have been singularly not for advances made.

Tuberculosis is a communicable disease. If you never come in contact with it you are fortunate indeed. But contacts in the densely populated districts are often unavoidable; the fog of dust you encounter on the windy thoroughfare may contain many of the death-dealing germs; your resisting power against disease may be low; your own lungs may become infected, especially if you are carrying a colon of influenza or other bacilli; you never can tell.

Steer clear of the person who coughs without covering the mouth and nose with a handkerchief. Be duly alert against the fellow with a chronic cough, how continually expectorates on the grass under the shade tree, or on the sands of the beach near by. Shun the resorts bound, if possible; the best precaution where "lungers" (poor fellows) abound if possible; the best precaution you may take is none too good; prevention is many leagues superior to cure.

It is the duty of physicians to

survey their clientele with eternal vigilance. Teach them to observe precaution against scattering or contracting disease. I am sure that proper quarantine and that only will end the "white plague" for good and all. Outdoor air is not always pure—indeed far from it in crowded localities, where ignorant victims of disease are carriers and distributors; promiscuous expectation is a crime.

The two Misses Corleys of Rebeck were guests of Mrs. C. A. Hull Sunday.

Mrs. Simmons of Roby, mother of Mrs. L. N. Bridges, is here in the Hospital very ill.

Brother Mann went to Abilene Monday to accompany Brother Hawkins home. Reverend Mann returned to Knox City Tuesday.

Dennis White spent most of last week in Canyon where he attended a meeting of the Epworth League. He made an interesting report of the meeting at the evening service at the Methodist Church Sunday.

Mr. Artie Garner and Miss Frances Porter of Abilene were guests of Mr. and Mrs. M. M. Ward Sunday. Miss Porter attended school in Abilene this year. She lives in Goree.

Mrs. Ammons and Mrs. John Lane of Munday visited Mrs. J. R. Smith in the Hospital here Tuesday.

Texas has 8,000,000 wild pecan trees with an annual crop of 40,000,000 pounds or 75 per cent of the total produced in the United States. Topping and budding of wild trees would increase the value of the Texas crop to \$200,000,000, according to Congressman Buchanan of the Austin district.

ARGOTANE GIVEN ENDORSEMENT BY FARMER AT CHARLIE TEXAS

"It surely was a lucky day for me when I began taking Argotane," C. B. Wright of Charlie, Texas, a well known farmer, while in Wichita Falls talking with the Argotane representative recently.

"For 20 years I suffered with the worst sort of stomach trouble, and had hardly any appetite, and what little I did manage to eat, would sour on my stomach about as soon as I ate it. Gas would form and I suffered so with shortness of breath; I could hardly go about my work.

"I suffered from dizzy and bilious spells, and had a bad case of constipation. I was always having gall bladder trouble, and would bloat up until I was just miserable. I wasn't able to eat the things I liked, for I would have such severe indigestion pains I couldn't hardly stand it. Nearly every summer I would have to go to bed and stay there on account of my ailments, and I took all kinds of medicine which certainly cost me a small fortune, but nothing helped me the least bit.

"Argotane was advertised, and so many people were talking about it, I began taking it. I am on my third bottle and feel simply fine. All of my gall bladder trouble has disappeared, and I eat anything I want. All of the gas pains and bloating spells are gone and I'm not dizzy or bilious anymore. All of this summer I have been up and around, and have done more and harder work than I have in several years. I am glad to give this statement to you in hope that others will be benefitted as I have."

Genuine Argotane may be bought in Knox City at the Orient Drug Store.

Mrs. Stovall, Mrs. Averett, Mrs. Henry Jones and Mrs. W. E. Benedict attended the School of Instruction of the Eastern Star held in Abilene Monday.

Are You Ready

When your Children Cry for It

Baby has little upsets at times. All your care cannot prevent them. But you can be prepared. Then you can be certain any experienced nurse would recommend most physicians would tell you to give a few drops of plain Castoria. It is done sooner than Baby is scolded. It is just a matter of moments. You can ease your child without use of a dangerous doubtful drug; Castoria is safe. So it's safe to use as often as you need it. It has any little pain you cannot get away. And it's always ready for the sudden pangs of colic, or constipation, or rheumatism; effective, too, for older children. Twenty-five million bottles were distributed last year.

IT'S WISE TO CHOOSE A SIX

SIX reasons why it's wise to choose a "SIX"

1. **It's Smooth!** Chevrolet has a 50-horsepower six-cylinder valve-in-head engine that delivers its power with a smoothness and silence that are impossible with anything less than six cylinders.

2. **It's Comfortable!** Chevrolet offers modern spring suspension, roomy bodies, and a smooth-running six-cylinder engine.

3. **It's Easy to Drive!** Chevrolet provides an extra-easy ball bearing steering mechanism. And six-cylinder flexibility means unusual simplicity of control.

4. **It's Beautiful!** Chevrolet is the only low-priced car with Body by Fisher. Hence, its style compares favorably with that of costly cars.

5. **It's Economical!** The Chevrolet costs no more for gas—oil—tires—or service. And six-cylinder smoothness holds down costs, by protecting the car from destructive vibration.

6. **It's Easy to Buy!** The G. M. A. C. payment plan, with its easy terms, is available to all Chevrolet buyers. Come in! Confess all the reasons why it's wise to choose a Chevrolet Six.

SIX-CYLINDER SMOOTHNESS AT LOW COST

NEW BABIES

The last two or three weeks several little boys and girls have added their names to the citizens of Knox City and community. At the home of Mr. and Mrs. W. H. Decker on May 28th, a fine little girl was born to the home of Mr. and Mrs. Tom Wagoner, who live in town, another boy in the home of Mr. and Mrs. 2 G. Hudson, who live in town, on May 28th; a fine little girl in the home of Mr. and Mrs. W. H. Decker on June 1, who live north-west of town, a boy in the Papworth home on June 9th, who live near the school house, and another in the home of the C. S. Daugherty home on June 9th; the Daugherty's live in town.

From July 16, 1929—date of the new gasoline tax law going into effect to May 1, 1930, the State of Texas collected \$23,613,398.25 in gasoline taxes. One fourth of it went into the available school fund and the remainder into the highway fund.

The far crop of Texas last year was valued at \$1,995,000. About \$2,000,000 of it contributed over \$40,000 in taxes to the state, only one cent of certain of the tax-bearing animals being subject to the tax.

Mrs. Lee Woodward, who taught school away last year, has returned home.

WACO CITIZEN DEN-DORSES NEW KONJOLA

"Too Bad I Did Not Hear of Konjola Long Ago," Says This Happy Man

MR. J. A. KIN

"Too bad I did not hear of Konjola long ago. It could have saved me much suffering. My stomach was the cause of my trouble," said Mr. J. A. Kin, 122 Oriental Road, Waco. "Everything I ate caused pain gas and bloating. My whole system was run down, my vitality was low and I was gradually losing my strength. I had no ambition and was worn out all the time.

"So many medicines had failed me that I had about lost hope. Then came Konjola. After taking four bottles my appetite increased. I found I could eat anything without a trace of indigestion in any form, and my whole system has taken on new life. I have plenty of ambition to do my work and I will always recommend Konjola as a real medicine."

Konjola is not a "cure-all"—there is no such thing, but when taken for from six to eight weeks will produce amazing results. The countless thousands of endorsements of Konjola have proven that it makes good in even the most stubborn cases.

Konjola is sold in Knox City at the Orient Drug Store, and by all the best druggists in all towns throughout this entire section.

BIG PLANS ARE MADE FOR RHINELAND PICNIC JULY 4

Preparations are under way for an all day picnic at Rhineland on July 4th. The celebration will begin in the morning with the laying of the cornerstone of the new \$190,000 church by Joseph Patrick Lynch D. D., LL.D., bishop of Dallas. Provisions are being made to serve meals to the largest crowd of people who are expected to attend from this county and the surrounding counties. Amusements of all kinds will be provided for. A large out door platform for dancing which will accommodate from 100 to 200 couples will be constructed. Several important state candidates have been invited to be present and deliver addresses. Every effort is being put forth to make this the most elaborate affair in the history of Rhineland.

THESE ARE THE ONES WHO ARE MAKING KNOX CITY A BIGGER BETTER TOWN

There is a game called "Tug of War." To play it, an equal number of men take hold of the opposite ends of a rope and one group tries to pull the other across the line.

If one man on one side fails to help and does not pull as he should his side is beaten. The side on which all are pulling, usually wins.

The same thing is true of communities. If everyone in a town is pulling for the town, boosting its local industries and trading at home the town is going to move ahead and make better progress than the towns that do not have the advantage of the united efforts of their citizens.

In those towns where little of the money is kept at home and at every opportunity its citizens spend money out of town, the stores are not so good, nor the merchants so prosperous.

Some of our merchants don't seem to think that when they buy their printing out of town they are helping to tear the town down.

The condition is reflected through out the community and it soon gets that "run down at the heels" appearance. Investments in such a town are worthless and property values go down. On the other hand, the town that receives the support of the people, her loyalty and co-operation goes ahead. It has the enterprise and the life and activity that denotes a good, healthy, active, live wide awake community. Property values are higher here because there is the attitude of helpful co-operation and loyalty to home interests.

Electric Filling Station  
Knox City, Texas

Here is Energy

Man's command of energy has always had a great deal to do with his well-being.

The energy of his own muscles, the energy of animals—and finally the energy brought to him over the electric power lines—all these he has commanded in increasing the amount of work he may do.

Most flexible and efficient of these is electric power. It is versatile, it is inexpensive, and it is delivered wherever it is needed, whenever it is required, and in great or small quantities as the user may desire.

Serving 113 prosperous cities, towns and communities in West Texas, this company's transmission lines give an ample, economical and flexible supply of electric energy for farm, factory and home.
