

School Tax and Bond Assumption Elections Slated Here Saturday

Voters in the Knox City School District were reminded of the tax election and bond assumption election to be held Saturday.

The elections are necessary to complete the recent transfer, by the county school board, of 1800 acres of land from the Monday

school district to the Knox City district.

Voters must approve the acceptance of 1.2185 percent of the Monday district's bonded indebtedness, which would amount to \$3,338.09, and must set the present \$1.50 tax rate over the entire district since the boundaries have been changed.

The elections are a formality, school officials said, and only extreme indifference on the part of voters in the district could cause them to fail to carry. The elections will be held at the American Legion Hall with C. C. Hoge as presiding judge. Clerks will be J. C. McGee and Mrs. W. E. Benedict.

Irrigation Expert To Speak at Munday

Dr. John Schrank, internationally known irrigation specialist, will discuss "Use of Irrigation Water for Profit" at a meeting at the grade school building in Munday on Tuesday, Oct. 2, Roy Englund, county agricultural agent, announced Tuesday.

In conjunction with the meeting, a tour will be made on the afternoon of Oct. 2, at which time Dr. Schrank and members of the tour will observe some of the problems and conditions of special interest to Knox County farmers.

Dr. Schrank was born and raised in the sand hills of Nebraska, graduated from the Agricultural Engineering Dept., Soil and Water Division, of the University of Nebraska. He worked seven years in Oklahoma and Texas with the Soil Conservation Service.

As an instructor, he taught in the field of soil and water at the University of Nebraska from 1947 to 1953. He joined an irrigation equipment company in Denver in 1953 and has been with the company since.

His job with the company is conducting irrigation schools and clinics over the United States and putting out technical information for the company.

All irrigation farmers, business men, and persons interested in irrigation are urged to attend this meeting and go on the afternoon tour with Dr. Schrank, leaving the city hall square at 2 p. m. The discussion by Dr. Schrank will be held at 8:00 p. m.

Dr. Schrank's tour is being sponsored by the Texas Extension Service and the Fort Worth and Denver Railway Co., England said.

Haskell-Knox Baptist Youth Rally to Be Held at Rule Sunday

Evangelism will be the theme of the Haskell-Knox youth rally at the First Baptist Church in Rule Sunday, Sept. 30 at 3 p. m.

Featured speaker will be Dr. Otis Strickland, president of Decatur Baptist College. Music will be furnished by the Associational Baptist Youth Choir.

All pastors in the association were urged to encourage youth attendance, and to attend the rally themselves.

Greyhound Pups to Play at Aspermont Tuesday Night

The Knox City Junior High football team will travel to Aspermont Tuesday night, Oct. 2, for their second game of the season.

Accompanying them will be the Junior Band, which will perform at halftime, and the Junior High pep squad.

The Pups defeated the Munday team on the local field last week in the first game of the season.

Game time is 7:30. The remainder of the Pups' schedule is: Oct. 9, Luaders here; Oct. 16, Munday there; Oct. 23, Rule here; Oct. 30, Luaders there; Nov. 6, Rochester there; and Nov. 13, Haskell here.

Annual Fund Drive For Salvation Army Now in Progress

The annual fund drive for the Salvation Army was launched Wednesday morning with a kickoff meeting at 7:30 a. m. in the Central Cafe.

J. G. Robin is campaign chairman for Knox City, Benjamin and Truscott. Robin states that the goal for this area is \$750, and he urges everyone in the three communities to give generously so the quota might be surpassed. Workers in the drive are C. J. Reese, Herman Egenbacher, Chas. Reed, J. T. Gilpin, Vaughn Gruben, A. G. Goldston, C. E. Williams, G. W. Coats, Mrs. Neil Perdue, Mrs. J. M. Averitt, Mrs. E. A. Egenbacher, Mrs. C. R. Givens, Mrs. E. H. Tankersley Jr., Mrs. Newman Bishop and W. P. White. Mrs. O. L. Myers is heading the campaign at Truscott and Robin said a chairman will be named for Benjamin by Friday.

It is the purpose of the Salvation Army to give assistance to people in need of emergency help without regard to race, color or creed. This is done in Knox City without any "red tape" through a local Service Unit. W. P. White is chairman of the local unit and G. W. Coats is treasurer. Other members are Jeff Graham, Charles E. Silk, Rev. Billy Frazier and County Judge L. A. Parker.

Former Resident Dies at Lubbock

Funeral services for Mrs. Louella Parr of Lubbock, sister of C. W. Pullig of Knox City, were held Saturday at 3 p. m. in the Lorenzo Methodist Church, with the Rev. U. S. Sherrill, pastor, officiating. He was assisted by the Rev. H. F. Dunn, pastor of the Petersburg Methodist Church, and the Rev. Larry Young, pastor of the Estacado Baptist Church.

Mrs. Parr died about 4:20 a. m. Friday, Sept. 21, in West Texas Hospital, Lubbock, after a brief illness. She was 82 years old and left 82 living descendants.

She had lived in Knox City many years before moving to Lorenzo. She moved to Lubbock three years ago to make her home with a daughter, Mrs. Frances Lightfoot.

Survivors besides Mr. Pullig and Mrs. Lightfoot include four other daughters, Mrs. H. A. Lightfoot and Mrs. Dewey Darden of Lubbock; Mrs. W. C. White of Lamesa, Mrs. W. G. Scott of Houston; three sons, C. L. Parr of Lorenzo, Carl and Cecil of Lubbock; a sister, Mrs. J. F. Williams of Spanish Ford; 26 grandchildren, 44 great-grandchildren and four great-great-grandchildren.

Ottis Cash, local Humble dealer, was in Wichita Falls last Thursday night to attend the company's annual "Kick-Off" dinner and see a film of the highlights of last year's Southwest Conference football. The affair was held at the Kemp Hotel.

Accidental Gunshot Kills M. A. (Buddy) Bumpas, Jr.

M. A. (Buddy) Bumpas Jr., Knox County tax assessor-collector, accidentally shot and killed himself at 9:20 a. m. Tuesday. He was removing a shotgun from his station wagon which was parked behind Clouts Hardware in Knox City.

The popular county official had been in the hardware store discussing exchanging a recoil pad he had purchased a few days previously. He went to the station wagon and was removing the automatic shotgun from its sheepskin lined case when the gun discharged, with the shot striking him in the abdomen.

No one saw the accident but several heard the shot. Lee Wampler, who heard the shot as he was walking down the alley, was the first on the scene and called officers.

A verdict of accidental death by self-inflicted gunshot wound was returned by Justice of the Peace W. L. Robnett.

Funeral services were to be held at 3:00 o'clock this afternoon (Thursday) at the Knox City Church of Christ, with Ed Kirk of Abilene officiating. He was assisted by Mitchell Greer, minister of the church, K. E. Woolley, pastor of the Benjamin Baptist Church, and Walter Burney, minister of the Benjamin First Christian

Legion to Make Convention Plans

Bernie Arnold, commander of the 13th District, American Legion, will meet with the local Legion post at the regular meeting Tuesday night, Oct. 2, it was announced this week.

Plans will be made for the fall convention, which will be held in Knox City Nov. 3 and 4. All members and prospective members of the local post were urged to attend and help with the convention plans.

GREYHOUNDS LOSE TO HERMLEIGH; NO GAME SCHEDULED THIS WEEK

The Knox City Greyhounds met what is rated the best Class B football team in West Central Texas at Hermleigh last Friday night, and after taking a 39-6 drubbing the 'Hounds and their fans agreed that the rating is probably correct.

Halfback Billy Mac Davidson and quarterback Robbie Robinson, who would be assets to any high school football team, took care of the scoring for the Cardinals. Davidson hit pay dirt with a 55 yard scamper on the third play of the game. He scored again in the first quarter from 15 yards out to cap a 75 yard drive.

Robinson scored from the 8 in the second period after setting up the TD with a 43 yard run. Roberson again went eight yards for a score to open the second half activity. He made the same move to get scoring underway in the final quarter, moving across the double stripe from 20 yards away.

Davidson picked up another 6 points for the winners when he intercepted a Greyhound pass on his own 35 yard line and raced 65 yards for the score. Davidson was successful on three of six extra point attempts.

Monty White took a pass from Joe Watkins for the lone Greyhound score in the fourth quarter, with the pass and run covering about 45 yards.

There was nothing radically wrong with the Greyhounds' playing, but they were up against an outstanding high school team. The entire Cardinal line-up was big, strong and experienced, with Davidson and Robinson being stand-outs.

The 'Hounds have an open date this week, and will be hosts to Woodson next Friday night, Oct. 5. So far the record of the local lads is one win out of three attempts, but their average is expected to improve during the remainder of their schedule.

Many Knox Citizens will no doubt be on hand at Rochester tomorrow (Friday) night to see how Hermleigh handles the Steers. Rochester dropped from third to fourth place in area standings last week by losing to Lockett, 12-7. Rule climbed from fifth to third with a 39-0 shellacking of Class A Clyde.

Knox City dropped from 7th to 8th, exchanging places with Trent, a team the Greyhounds defeated the week previously.

Leland Huntsman Opens Motor Repair, Rewinding Shop

Leland Huntsman announced this week the opening of an electric motor rewinding shop in Knox City.

The shop is in the building which formerly housed Johnson Testers, at 201 N. Central.

Huntsman will be equipped to repair and rewind all types of motors, including large irrigation motors.

Mr. and Mrs. Huntsman recently moved back to Knox City from Goldthwaite. Huntsman has lived here off and on all his life.

At present they are making their home with his sister, Mrs. Chas. Givens, and family. In moving their furniture to Knox City from Goldthwaite about two weeks ago, the trailer caught fire and all their furniture and household goods were destroyed.

Rev. C. U. McMullen will be the evangelist for a town-wide open-air revival which begins Monday day night, Oct. 1.

The meeting will be sponsored by the Knox City Assembly of God Church, Rev. F. E. Starrick, pastor, said.

The services will be held on lots adjoining the Munday highway, beginning each evening at 8. The pastor invited the public to attend.

This is a view from the southeast corner of the new drive-in cafe on the Munday highway, constructed by Roy Tankersley and leased by Mr. and Mrs. W. J. Roddy. Tankersley's 13 motel units are behind the cafe and extend west to the end of the block.

Formal Opening of New Drive-In Cafe And Motel Scheduled for Saturday

Formal opening of Roy's and Roddy's Motel and Cafe, Knox City's newest business establishment, will be Saturday, Sept. 29. It was announced Tuesday. The business is located on the Munday highway west of the city limits.

Free coffee and doughnuts will be served all day Saturday, and visitors are invited to inspect the cafe, motel units and trailer park facilities, all as modern as can be found in any city.

The Roman brick and stucco buildings were planned and built by Roy Tankersley. He leased the cafe building to Mr. and Mrs. W. J. Roddy, who own and operate Roddy's Cafe in Seymour.

Interior decoration in the cafe is Roman brick and shades of brown. The brick counter is topped with tan tile. Beige leather booths, eight in number, and tan and brown formica tables blend with the beige rubber tile floor. Brick planter boxes are along the glass front and sides.

The dining room is 24'x50' and will normally seat 82. On special occasions 125 can be seated. The north wall of the room features a hand-painted mural done by Mrs. J. M. Bradberry, local artist. The scene was taken from color slides Tankersley made on a recent hunting trip to Alaska.

The cafe will remain open 24 hours a day and will have curbside service from 4 to 12 p. m. Cars may park under awnings on the east and west sides of the cafe.

Sixteen people, including three

cooked from Seymour who are teaching local personnel, are employed by the Roddys in the cafe. Tankersley will employ additional help for the motel and trailer park.

"We are happy to become a part of Knox City," Mr. and Mrs. Roddy said Tuesday. "Our aim is to give you the best food at the lowest possible price. Visit us Saturday and inspect our cafe, which is furnished with all new equipment of the latest design."

Tankersley invited the public to inspect his motel units, which are furnished in blond ranch-style furniture and have wall to wall carpeting, refrigerated air and vented heat. The thirteen motel units are also constructed of Roman brick and stucco, each with an attached carport.

Tankersley also invited everyone to visit the spacious new office and lobby, which has just been completed at Roy's Courts, in the south part of town.

"We believe in the future growth of Knox City," Tankersley said, "and have tried to build something the community can be proud of."

The motel and cafe opened for business Tuesday after a three-day delay. The opening had been scheduled for Saturday, Sept. 22, but new table tops did not arrive. Used table tops were loaned to the cafe Tuesday by a Wichita Falls cafe equipment company, and the new ones are expected to arrive in time for the formal opening.

Church. A native of Knox County, Bumpas was born Oct. 11, 1920. He married Clara Sue Mitchell of Munday on Nov. 26, 1940. He graduated from Sunset High School and attended Texas A & M two years before serving three years with the Marines during World War II. He spent two years in the South Pacific.

He was discharged from service in February, 1946, and announced for the office of tax assessor-collector soon after his return to Knox County. He had lived in Benjamin since being elected to the office in 1946. In the recent election he was elected to another four-year term without opposition.

Bumpas was active in the work of the Church of Christ. Although a layman, he was frequently called upon to fill the pulpit for churches in this area. He was also a popular after-dinner speaker. He was a member of the Knox City Lions Club.

In May he was elected president of the State Association of Tax Assessors and Collectors, after being active in the organization a number of years.

Survivors are his wife; three sons, Billy, 13, Bret, 6, and James Bryan, 7 months; his mother, Mrs. Maggie Bumpas of Munday; two sisters, Mrs. W. A. King of Weirnet and Mrs. A. L. Newberry of Bismark, North Dakota.

Burial was to be in Johnson Memorial Cemetery at Munday with McCauley Funeral Home in charge. Named pallbearers were Herbert Partridge, Jack Barker, Fuller Shannon, Sam Leaverton, Allen Hester, Homer T. Melton, Tom Campbell and Claude Richardson.

Reeds to Open Drive-In Grocery

Mrs. C. A. Reed and son, Charles, announced plans this week to open a new drive-in grocery in Knox City.

The business will be housed in a new stucco and brick building, being completed on east Main Street by Roy Tankersley. The building, located across the street from the Bill Clouts' apartments, has been leased by the Reeds.

Featured in the services of the drive-in grocery will be a curb service entrance, "where shoppers can drive in and get what they need without getting out of their cars," Mrs. Reed said.

The store will be stocked with a complete line of groceries, frozen foods and fresh meats, and will be open from 7 a. m. to 11 p. m.

Mrs. Reed has been connected with the grocery business in this area more than 22 years. She and her late husband, Charley, opened a food store in O'Brien in 1934. Their first Knox City store opened in 1944. In 1952, their store and living quarters above the building were completely destroyed by fire. Following her husband's death in March, 1953, Mrs. Reed and Charles re-opened the store June 4, 1953, in a new building on Central Avenue. They later sold the business to Carl Gage.

Plans are to open the new store Saturday. If that is impossible, it will be open the first of next week, the owners said. Date of the formal opening will be announced later.

"The grocery business is what we know and like," Mrs. Reed said Tuesday. "We have missed our association with the people of the area in a business way, and are looking forward with pleasure to serving you again. Visit us in our all-new store as soon as possible. We're proud of it and hope it will be an asset to the community."

Motorists Reminded Of School Bus Law

Supt. Chas. E. Silk said this week that all Texas school superintendents, news editors and other citizens have been requested to give state-wide emphasis and interpretation to the oft-neglected Texas law which requires all vehicles to stop when approaching a school bus loading or unloading children. Three state agencies—the Texas Education Agency, the Texas Highway Department and the Texas Department of Public Safety—joined in making the appeal.

Texas school buses were involved in 379 accidents in rural areas (outside city limits) during 1955. Three children and two adults were killed in these accidents.

"Even one preventable accident, as we well know, is one too many," said J. W. Edgar, Commissioner of Education. "A study of the various replies which have been made to the question of what drivers of other vehicles should do when they approach a school bus which is loading or unloading children reveals a startling lack of understanding and a great deal of misunderstanding concerning what the statutes require."

The law says, in effect, that upon meeting or overtaking from either direction a school bus which has stopped on the highway for the purpose of receiving or discharging children, the driver shall stop immediately before passing, then proceed with due caution at a speed which is prudent and does not exceed ten miles per hour. The law does not apply within city limits.

Vehicles are not required to stop on highways with separate roadways when the bus is on a different roadway from that of a passing vehicle. Vehicles are not required to stop if the school bus is stopped in a loading zone which is part of or adjacent to a controlled-access highway and where pedestrians are not permitted to cross the roadway.

Edgar said motorists can identify a school bus easily because the words "School Bus" appear in big letters across the front and rear of each bus. "All public school buses are painted in a uniform yellow color and trimmed in black," he pointed out. "School buses are equipped with flasher lights front and rear and usually mounted high on the bus. Flashers are used only when the bus is in the process of stopping or is stopped to receive or discharge children."

type vehicles, the State Department of Education is preparing a bus drivers' handbook for distribution to the 3,000 school bus drivers in Texas. The manual will include pertinent safety regulations affecting school bus drivers.

Edgar said information about the law would continue to be distributed in all parts of Texas "until every citizen has had an opportunity to understand the importance of the law." He suggested that superintendents might want to enlist the help of parents, students, and local service groups in spreading facts about the law to all Texas drivers.

Kay Lynn Davis left last week to enroll in Hardin-Simmons University, Abilene. Kay, daughter of Mr. and Mrs. Bert Davis, is a May graduate of O'Brien High School. Her major is journalism.

Proper Fall Care Means Better Lawns Next Spring

The appearance a lawn has next spring may well depend upon the care given it during the fall season. E. M. Trew, extension agronomist, says beautiful lawns don't just happen, they require careful and considerate management.

Soon they should be fertilized. Do this job, says Trew, about 30 days before the first expected frost. By making application early, the grass will have an opportunity to use most of the plant food before going dormant. Too, the fertilizer will allow lawn grasses to go into the winter season in a vigorous condition and they will remain green longer in the fall and grow off earlier next spring. Weeds, during the winter and spring, will also cause less trouble.

Trew suggests using a complete fertilizer with a 2-1-1 or a 1-1-1 ratio applied at a rate to give two pounds of actual nitrogen for each 1,000 square feet of lawn. This amount of nitrogen can be supplied by using 20 pounds of 10-5-5 or 10-10-10 or 25 pounds of 8-8-8. Some soils do not need potash for crop production but since the cost is small, Trew believes the results may be very good.

He advises halving the fertilizer. Apply one-half and then distribute the other half at right angles to the first application. This will insure even distribution. The lawn should be watered after the application. Soak the soil to a depth of at least six inches. If the soil is wet when the fertilizer is applied, wash it off the grass into the soil. Moisture is necessary for plants cannot use the food until it is dissolved.

In some sections of the state, Trew says that Bermuda lawns are sometimes overseeded with Italian or annual ryegrass to give green color during the winter. But, he warns, unless the ryegrass is

closely clipped during the spring, it may prove harmful to the Bermuda. It competes with the Bermuda for light, moisture and plant food. He says to use the Italian or annual ryegrass because it dies in the spring.

The Aletha Fuller Circle of the Baptist Women's Missionary Society met in the home of Miss Carol Finley Monday night.

Following the opening song Mrs. Bud Thompson led in prayer. The Bible lesson was given by Miss Ethel Lemond. Mrs. L. V. Dodd, circle chairman, conducted a business meeting.

Mrs. Harry Hickman was honored with a "pink and blue" shower following the meeting. Refreshments were served to 22 members and two visitors.

Present were Meses. Thompson, W. E. Lovelace, J. M. Bradberry, H. R. Finley, John May, Hickman, Large, Frank McAuley, B. L. McFerrin, John King, Geo. Hodges, E. J. Ward, Laura Gruben, Sam White, Charley Hughes, Pete Knight, Thomas, Durham, Dodd, H. W. Finley, and Misses Lemond, Finley and Jeanette Ward.

STREAMS in Desert Places

By Ozelle Stephens

"Blessed are the meek; for they shall inherit the earth." (Matt. 5:5).

There is great happiness in meekness. When man chooses to be meek—the kind of meekness that Jesus taught, he is meek but not weak. His willingness to be meek makes him strong and graceful. Meekness is a gift of God, a result of a rebirth. If you want to find the secret of happiness and enjoy living, then meekness is a basic key.

Meekness is to be sought after. "Seek ye the Lord, all ye meek of the earth, which have wrought his judgment; seek righteousness, seek meekness; it may be ye shall be hid in the day of the Lord's anger." (Zep. 2:3).

Meekness is a fruit of the spirit. "But the fruit of the spirit is love, joy, peace, long-suffering, gentleness, goodness, faith, meekness, temperance . . ." (Gal. 5:22).

Meekness is precious in the sight of the Lord. "But let it be the hidden man of the heart, in that which is not corruptible, even the ornament of a meek and quiet spirit, which is in the sight of God a great price." (1 Peter 3:4).

THIS IS WHERE TOMORROW STARTS

A new "inner car" gives you a NEW KIND of FORD for 1957!

Coming October 3rd.

On Wednesday, October 3rd, Ford Dealers throughout the United States will unveil a new kind of automobile!

Cars are involved in every American's life. News of a new kind of car is the biggest kind of news to millions of Americans.

The Big New Kind of Ford is that kind of news . . . a car totally new in design from crest to trunk lock.

This completely new automotive package will sell at the traditionally low Ford prices.

This makes possible a new high standard of such honest-to-goodness value that it actually increases the purchasing power of your automobile dollar.

When you see it, other cars will look out of date, because . . .

This is Where Tomorrow Starts . . . with a Big New Kind of Ford!

The New Kind of Ford is the fullest, most eloquent expression of Ford's special personality—the youthful grace, the whiplash action—and the reputation for durability known wherever there's a road.

To all this we have added true elegance—a kind of elegance never before seen in the low-price field. To make a car truly elegant, you must start deep-down inside.

The New Inner Ford

The Inner Ford—the car you cannot see—is a very remarkable structure. Its frame is actually a cradle. Side members extend almost the full body width; they serve not only as supporting members but as concealed side bumpers of immense strength.

The New Ford Body

The New Ford body is a triumph of engineering in steel. The doors close with the solid finality of a bank vault. Even the door-lock button has been moved up front—easier for you to reach, but out of the children's reach.

All these features were engineered to give you a solid new kind of comfort.

The New Ford Ride

The New Kind of Ford sits six people as no other low-priced car has ever sat them

—six elbows wide in each seat, with deep space around each one of six knees. And above all that space, there's hat room to spare for all six passengers.

The 1957 Ford rides low, solid, with a firm, deep road-holding feel. Yet it's a light-hearted, flight-hearted ride—this car is responsive, nimble, agile, with a proud easy movement.

The New Ford Choice

Ford offers not only one, but two sizes of cars . . . each on its own extended wheelbase . . . each with its own body shell . . . each with its own styling.

First, the two Fairlane Series on a 118-inch wheelbase. The Fairlane 500's come in 5 body types, a four-door sedan, a two-door sedan, a two- and four-door Victoria with no center pillars, and a convertible coupe. The same body types (except for the convertible) are available in the Fairlane Series.

Second, two Custom Series mounted on the 116-inch wheelbase chassis. In the Custom 300 Series, a four-door and a two-door sedan are distinguished from the Custom models by more luxurious inte-

riors and elaborate trim. The Custom Series also includes a Business Sedan. Beyond all these, you also have your choice of five Station Wagons—the famous glamour cruisers that are the champions in this field!

The New Ford Look

That low, low cradle-span frame means a low, low car. The Fairlane 500 is only four feet eight inches from roof to roof! The Custom is just over four feet nine inches!

The new Ford is not only low—but long. Ford gives you more than 17 feet of elegant length in the Fairlane Series, a shade less in the Custom. It's a nice kind of fun just to look at it. It's high-priced in every way except price.

The New Ford Performance

You can have up to 245 wonderful Thunderbird horsepower in any Ford model. There's a moderate—and really moderate—extra charge for this engine of 312 cubic inches with its 4-barrel carburetor.

For "Six" lovers, we've got the 144hp Mileage Maker Six. Whether you choose Six or V-8, the going is great!

Here is where your own tomorrow starts

It starts at your Ford Dealer's showroom!

The cars will be there on Wednesday, October 3.

These are the best Fords of our lives. They are the first symbols out of Detroit of the new automotive age that is beginning for you.

This is where tomorrow starts—at your Ford Dealer's.

This is when your tomorrow starts—October 3rd.

Come in and see us for the Big New Kind of Ford!

From where I sit . . . by Joe Marsh

Changed Her Whole "Point of View"

Some local high school teachers spent the summer taking courses at the State University. They learned a lot, but one of them—Miss Williams—got homesick.

"To save expenses," she reports, "we chose a hotel that was clean but grim. When I found my window looked out on a coal yard—my heart just sank!"

But, when Miss Williams noticed a pot of geraniums on the window sill—and a note saying "Look at these instead. (signed) Last Occupant"—she decided to stick it out. She kept those flowers

watered and tended to make things that much easier on the next occupant.

From where I sit, it's often hard to adapt to new surroundings—just as new customs often seem strange to us at first. For instance, if you've always had tea with your meals you might find it odd that I prefer a glass of beer. It's OK to prefer what's familiar to you . . . but also keep an open mind on what's not.

A VAST NEW HOLIDAY LAND in the heart of Texas will be created under the Brazos River Authority's master plan for development of the river. The map shows how the Authority's Six-Dam Program will provide a chain of lakes 250 miles long stretching between Whitney Dam at Waco and Possum Kingdom above Mineral Wells. This continuous body of water, convenient to virtually all Texas sportsmen, will become a center of a great new recreation industry. This Land o' Lakes of Texas will provide boating, fishing and camping facilities on a scale never before known in the Southwest. They also will assure the Brazos Valley of an ample water supply for irrigation, industry and municipal use far into the future. A by-product will be hydro-electricity. Besides the Six-Dam Program, the Authority plans various other reservoirs for local water supply and for special purposes, such as Aliens Creek and South Bend, shown on the map.

Youths to Attend Texas State Fair on Rural Youth Day

Knox City FFA boys and FHA girls will attend the 1956 State Fair of Texas in Dallas on Rural Youth Day, Saturday, Oct. 6.

Over 100,000 Texas 4-H boys and girls, Future Farmers and Future Homemakers are expected to attend the fair on that day.

cratic governor-nominee, will officially open the fair on that morning, following the traditional parade through downtown Dallas. The bands of both Texas A & M and Texas Tech, whose football teams meet in the Cotton Bowl that night, have been invited to march in the parade.

The Rural Youth gathering, largest of its kind in the world, will bring together boys and girls from every section of the state. They will be guests at a gigantic hot-dog picnic on the main parking lot at noon.

Other big special days and events at the 1956 fair are:

Oct. 6—Press, Radio and TV Day and the statewide 4-H Dress Revue.

Oct. 8—Mexico Day and the free "Fiesta Mexicana" spectacle in the Cotton Bowl.

Oct. 9—Texas Public School Day, and the mammoth Music Festival with over 4,000 Texas high school

musicians in all-day concerts and massed marching-singing-free show in the Cotton Bowl.

Oct. 10—Dallas Day, with free night-time fireworks in the Bowl.

Oct. 11—Elvis Presley, rock-and-roll idol of the teen-agers, appearing with an all-star show in the Cotton Bowl.

Oct. 13—Texas-Oklahoma football game at 2 p. m.

Oct. 15—Negro Achievement Day, with four free shows on the Midway stage by Louis "Satchmo" Armstrong and his famous band.

Oct. 16—Garden Clubs Day and East Texas Day, featuring free Cotton Bowl show starring Jack Benny's Sportsmen Quartet, Pianist Roger Williams and Tyler Junior College's Apache Belles.

Oct. 17—Women's Day, State Fair's second annual "Woman of the Year" award.

Oct. 20—Fort Worth Day, and Victor Borge in the Cotton Bowl.

Agriculture Department Halts Approval Of Applications for Emergency Roughage

The volume of approved applications for assistance under the Texas Emergency Roughage program has exceeded the estimates of demand made when the program was negotiated, so it is necessary to reappraise the actual cash requirements, Wilburn A. Satterwhite, county FHA supervisor, announced this week.

The agreement between Secretary of Agriculture Benson and Governor Allan Shivers provides for an allocation of one million dollars of Federal funds for the roughage program. Funds available to the U. S. Department of Agriculture to finance roughage programs must be allocated among all disaster designated states where such a program is needed.

Walter T. McKay, Texas Director of Farmers Home Administration, has been instructed by the Department of Agriculture to immediately instruct all FHA county offices in the designated areas to withhold further approvals of roughage purchase certificates. The county offices are authorized to continue to accept and hold on file applications for assistance under this roughage program, but to take no action on these applications and to make daily reports on the tonnage requirements covered by such applications.

McKay has been asked to solicit the assistance of the Texas USDA Drought Committee and the Office of the Governor in making a

careful reappraisal of the demand for assistance under the emergency roughage program, including financial requirements.

K. L. Scott, director of credit services, U. S. Department of Agriculture, said that in keeping with the desires of Secretary Benson, the department will continue to work closely with Governor Shivers and leaders in the state and give all assistance possible within the authority and funds available to the department in providing assistance to drought stricken farmers and ranchers in Texas.

Bobby and Donald Tankersley, members of the Hardin-Simmons University Cowboy Band, accompanied the group to Arkansas Saturday for the HSU-University of Arkansas football game. Bobby, son of Mr. and Mrs. E. H. Tankersley Jr., plays the trombone and Donald, son of Mr. and Mrs. Jack Tankersley, plays the bass horn. Both are May graduates of Knox City High School and were members of the local band.

T. C. Carter, J. V. Robinson and O. B. McElroy fished out of Rock Creek Camp on Possum Kingdom Lake three days last week, and caught 95 crappie and bass, average 1 pound, and channel cat averaging 1 1/2 pound, on minnows and blood bait.

Members of the Knox City Study Club will open their year with a breakfast and business meeting at The Woman's Club Thursday morning, October 4.

Hostess will be Mrs. Abe Watson, and program leader will be the president, Mrs. C. J. Reese.

Roll call will be answered with "What I Would Like to See Accomplished This Year." Mrs. E. F. Branton will conduct a minute of worship.

Following breakfast a business meeting will be held and year-books distributed.

Officers of the club for the 1956-57 year are Mrs. Reese, president; Mrs. Watson, first vice-president; Mrs. J. M. Averitt, second vice-president; Mrs. Claud E. Reed, secretary-treasurer; Mrs. Branton, parliamentarian; Mrs. L. W. Graham, clubhouse custodian; Mrs. Ottis Cash, reporter; Mrs. Ulric Lea, corresponding secretary, and Mrs. S. M. Clonts, garden counselor.

The club has 28 active members, four associate members, and ministers' wives are honorary members.

Baptist W. M. S. to Install New Officers

Plans for an installation dinner were made when the executive officers of the Woman's Missionary Society of the Baptist Church met this week. The meeting was held in the home of Mrs. Billy Frazier.

The installation dinner will be held Monday, Oct. 1, at the church, beginning at 7:30 p. m. Each member was asked to bring a guest. Installation officer will be Mrs. Hob Smith of Rochester.

The Jane Robertson circle will have charge of the program at the installation dinner.

Mrs. H. E. Sharp, new W.M.S. president, was in charge of the executive meeting. Plans for the new year were discussed and committees appointed for various activities.

Refreshments were served to 18 new officers by the hostess, Mrs. Sharp.

Students Choose Candidates for "Queen and King"

Three high school girls and three boys were selected by the student body this week for the Greyhound annual "queen and king."

Candidates are Lynelle Tankersley, Charlotte Cornett, Patsy Denton, Montie White, Bobby Day and Rip Collins.

Only high school students are allowed to vote. Votes are \$1 each in the annual sales contest.

Advance sales began this week by the high school students. Annuals will be \$3, and \$1 reserves an annual until after they are printed and ready for distribution.

Patsy Denton is editor of the annual, Jimmy Dutton is assistant editor and June Cox is business manager. Ad salesmen are Jimmy Finley, Peggy Jones and Joan Wilson. In charge of the sales are David Neil Perdue and Lynelle Tankersley. Artists are Dwayne McNulty and Bill Lewis, and Patricia Compton, Nelda Dodd and Roy Cypert are typists.

Mrs. Melvin A. Lowrey is sponsor.

To Wed in October

Mr. and Mrs. W. T. Loper are announcing the engagement and approaching marriage of their daughter, Pat, to L. J. Mueller, son of Mr. and Mrs. A. H. Mueller of Stamford.

The wedding will be an October event at the local First Baptist Church.

The bride-elect attended Knox City High School and Scoggins Beauty College in Abilene. She is now employed at a beauty shop in Abilene.

Mueller is a graduate of Stamford High School and has been employed by the Stamford American for the past four years.

Dinner to Launch Year's Activities of 1946 Study Club

Opening activity of the 1946 Study Club for the 1956-57 club year will be a dinner at The Woman's Club Tuesday night, Oct. 2 at 7 o'clock.

The dinner will mark the 10th anniversary of the club. Special recognition will be given the past presidents who are still members.

Hostesses will be Mmes. Charles G. Markward, Ralph Barbee, Jim Ross, Dan Steakley and George Wall. All members were urged to attend.

Mrs. Sam E. Clonts is president of the club.

Sorosis Club to Meet October 4

Mrs. L. A. Parker, president of the Benjamin Sorosis Club, will give the president's greeting at the first regular meeting of the club Thursday, Oct. 4.

A round-up picnic Sept. 20 marked the opening of the club's new year.

Executive officers selected "Current Social Problems Facing America Today" as the course of study for the year. Thursday's program topic will be Civil Defense, under the direction of Mrs. M. D. McGaughey.

Hostesses will be Mrs. Parker and Mrs. D. L. Benham.

New officers of the club are Mrs. Parker, president; Mrs. Benham, first vice-president; Mrs. O. W. Driver, second vice-president; Mrs. R. D. Benson, recording secretary; Mrs. Jack Barker, corresponding secretary and treasurer; Mrs. O. D. Propps, parliamentarian; Mrs. Earl Sams, historian; Mrs. Lee Snailum, reporter; and Mrs. Sam Leaverton, librarian.

ANNOUNCE BIRTH OF SON

Rev. and Mrs. F. E. Starrick have announced the arrival of another son at the Knox County Hospital. The boy was born Friday, Sept. 21. He weighed seven pounds and 14 ounces and has been named Daniel Rhaye.

The baby has a big brother, Michael Lynn, 3.

Rev. Starrick is pastor of the local Assembly of God Church.

Ground Observers Have Practice Alert

The first successful practice drill of the Knox City Ground Observer Corps was held from 1 to 6 p. m. Sunday, Sept. 23, the Rev. Walter Driver, post supervisor, reported.

Two planes came close enough to be identified and were reported to the filter center in Dallas. Helping with the observations were Henry L. White, Raymond Huntsman, David Neil Perdue, Ed Smart, Glenda Givens, John Hansen, and Mmes. Eddie Shaver, Bruce Campbell Jr., B. A. Colwell and C. E. Williams.

Sunday was Driver's last day as post supervisor. He is being replaced by Hansen. Mrs. Shaver is assistant supervisor.

Mrs. Billy Joe Davis and son, who have been visiting her brothers, Bill and Joe Carlile, in Midland, is here visiting her husband's parents, Mr. and Mrs. Roy Davis. Her husband, who is in service and stationed in Germany, is expected home soon.

W.S.C.S. MEETS MONDAY AT METHODIST CHURCH

The Woman's Society of Christian Service met Monday at the Methodist Church.

Mrs. S. O. Turner, president, conducted the business meeting, and Mrs. C. C. Hoge, secretary of Missionary Education, had charge of the program, "The Church of Southeast Asia."

"Missions and Missionaries" was the topic of a devotional given by Mrs. T. S. Edwards. Mrs. L. W. Graham discussed work in Malaya, and Mrs. C. A. Hull and Mrs. Vol Robinson told of the work in the Philippine Islands and the Island of Phomosa.

The meeting was dismissed with the Lord's Prayer, said in unison.

Mr. and Mrs. Roland Ray Willis and daughter of Big Spring spent the week end with his parents, Mr. and Mrs. Ray Willis.

Frank McAuley Jr., who is working at Edmondson during the ginning season, spent the week end at his home here.

SENIOR CLASS SELLING MAGAZINE SUBSCRIPTIONS

The senior class began a 14-day magazine subscription contest Tuesday afternoon and Bobby Driver won the first prize for selling the first 12 subscriptions.

The subscription campaign is conducted each year by the seniors to earn funds for the annual class trip.

David Neil Perdue also sold 12 subscriptions Tuesday afternoon but did not report it to the class sponsor, Mrs. Ottis Cash, until Wednesday morning. Driver waited in front of Mrs. Cash's home until she returned from Benjamin at 11 p. m. Tuesday night.

Perdue is the "highest dollar" man in the contest to sell high dollar magazines and prizes, including radio, and watch.

Manager of the contest is Mrs. Cash, class secretary. The winners are Billy Yarbrough, Bobby Docki.

Any Cropland May Be Used for Conservation Reserve

Any farm land regularly used in the production of crops including tame hay may be included in the Soil Bank's Conservation Reserve, advises R. G. Schrauner, chairman of the State Agricultural Stabilization and Conservation Committee. Land not eligible under the program includes non-crop land, land that is designated for the Acreage Reserve and land owned by the Federal Government.

When an approved practice is carried out on land designated for the Conservation Reserve, the farmer will receive a payment varying by practices but which may represent up to 80 percent of the cost of establishing the practice. He will also receive an annual payment, including the first year, based on a rate for the county. The average of the county rates in Texas is \$10 an acre.

To qualify for payment, the farmer must reduce the prior 2-year average acreage for crops

harvested on his farm by the number of acres he places in the Conservation Reserve.

Schrauner advises that the closing date for signing up in the Conservation Reserve program for 1956 is October 15. Information on practice specifications and contract forms which must be submitted before the closing date are available at county ASC offices.

Dr. and Mrs. C. G. Markward returned Friday from Houston where they attended a medical convention.

Savings Bonds Sales Setting Records

Texans are continuing their record purchases of Series E & H Savings Bonds. W. E. Braly, chairman, announced today. During the year of 1955 and the first eight months of 1956, Texans have purchased more bonds than during any like period since the war years of 1944-1945.

Sales in Texas for the first eight months of 1956 were \$130,902,185. The people of Knox County purchased \$14,043 for the same period. Our county has achieved 59.3 percent of its quota for 1956.

Chairman Braly reminded those people whose Savings Bonds have

been lost, stolen or destroyed that the bonds can be replaced by contacting their bank or the Federal Reserve Bank.

Savings Bonds are absolutely indestructible, Mr. Braly said.

the SOIL BANK
is a direct attack on surpluses

RESERVED FOR FUTURE USE TO REDUCE SURPLUS NOW

- Will reduce surpluses by reduced production
- Will increase farm income
- Will protect land for future use

The National Soil Bank program will help reduce price-depressing surpluses of wheat, corn, cotton, peanuts, rice and tobacco without placing all of the burden on the farmer, the U. S. Department of Agriculture says in announcing the 1957 Soil Bank program. Surpluses of these "basic" crops have continued to pile up despite production controls and intensive marketing programs here and abroad. The 1957 Acreage Reserve encourages farmers to cut production below their acreage allotments and corn boxes, with payments for acreage reduction to help maintain or improve net farm income. Under the Conservation Reserve, farmers receive payments for land taken out of production and conserved for future use. Participation in the Soil Bank will not affect future establishment of State, county, or farm allotments. The Soil Bank supplements other farm programs. The County Agricultural Stabilization and Conservation Committee will assist farmers in planning their participation in the Soil Bank.
