Junior Varsity Tourney Slated Here Jan. 18-20

Basketball fans can look for ward to a weekend of activity as the Knox City Junior Varsity tourney is scheduled Thursday January 18, and Saturday, January 20.

Benson Appointed By School Board

At its monthly meeting Monday night, the Knox City School Board appointed Jerry Benson to fill the unexpired term of Clyde Bouldin.

The local School Board has called its election for April 7, the first Saturday in April. Benson's term and that of Henry J. Jones will expire in April, and both have filed for reelection.

Holdover Board members with one remaining year are Oscar Mangis, Allen McGaughey, and John Grindstaff, Jr.

John Crownover and Doug Meinzer will serve another two

KC One Of Few Schools Remaining Open Last Week

Knox City School was one of the few schools in the area to remain open for classes last week during the icy weather.

School officials express appreciation to parents for their fine cooperation in getting ch.1dren to school. Because of the bad roads, school buses rai only on Friday. Students made it through mid

term exams and this week begin the second half of the school year. They can now have the last laugh on students from other schools who must make up days on Saturday or in the spring, as Knox City School is right on schedule and the school calendar remains unchanged.

Teams participating will be both boys and girls from Munday, Haskell, Rule, and Knox City.

Thursday's action will begin with Munday vs. Haskell, the girls at 4:00 and the boys at

Thursday night, it will be Rule vs. Knox City, girls at 7:10 ad the boys at 8:30, Consolation games will begin

Saturday afternoon at 4:00 (girls) and 5:30 (boys).

Saturday night will be the championship games beginning with the girls' game at 7:00 o'clock and the boys game at

Fans are encouraged to attend these games as plenty of action is in store.

BASKETBALL RESULTS

Knox City now stands 3-0 after defeating Archer City here Tuesday night. The Hounds won 68-44 while the Houndettes had an 86-63 victory. The Hounds and Houndettes are one game behind in district play as one game had to be cancelled due to the icy road conditions last

Eddie Johnson led the Hounds Tuesday night scoring 22points followed by Will Whiteley with 15 and Stanley Newton with 14.

Temi Baker led the girls with 34 points followed by Denise Grindstaff's 32.

In games last Friday night at Paducah, the Hounds won 69-64. Robert Taylor was high point with 20, while Will Whiteley had 18 and Stanley Newton was responsible for 16. Jan Guinn led the Houndettes with 17 points to defeat Paducah girls 47-29'

Friday night the KC teams will host Holliday with the B boys' game beginning at 5:00 o'clock. Next Tuesday night the home teams will travel to Crowell and the games will again begin with the B boys' game

District standings for the boys are now Archer City, 3-1, Knox City 3-0 Paducah 3-1, Crowell 1-2, Holliday 1-3, and Munday 0-4. For the girls, Holliday, 4-0, Knox City 3-0, Munday 1-3, Archer City 1-3, Pa-

Residents' Father Dies Friday

Funeral services for Tom J. Brown, 93, father of two Knox City women were held Surday at 2:30 p.m. in the Weinert Methodist Church, Rev. Norman Patton, pastor, and Payne Hattox Church of Christ minister of Knox City officiated.

Burial was in the Weinert Cemetery under the direction of Smith Funeral Home.

Mr. Brown died at 5:15 p.m. Friday in the Brazos Valley Care Home after a lengthy illness.

He was born on March 22, 1879 in Mississippi and married Mary Emily Warren on July 27, 1899 in Walnut Springs. They moved to Haskell County in 1921. Mrs. Brown preceded her husband in death on April 8, 1966 in Knox City. Brown entered the Brazos Valley Care Home in 1968.

He was a retired farmer and a member of the Weinert Methodist Church.

Survivors include three sons, Elbert and Rube of Rochester and Joe of Goree; four daughters, Mrs. Loyd Lemley and Mrs. W. R. Sanderson both of Knox City, Mrs. Bertha McBeth, Hale Center, Mrs. Ray McWhorter, Rochester; 22 grandchildren, 40 great-grandchildren and I greatgreat-grandchild. Pallbearers

Marshall, Earl Alvis, Toots Earl, Emette Cross, Harlan Weinert, and Donald Griffis.

Top Awards Divided At **County Show Saturday**

Livestock Show held in Knox City last Friday and Saturday again saw a large turn-out for the two day show.

Each year the county show alternates between Munday and Knox City.

All schools represented in the county show shared in the top awards with three grand championships, three reserve champions and one showmanship going to Munday; two grandchampionships, one reserve champion and two showmanship awards going to Knox City; a reserve champion going to Benjamin and a reserve champion to O'Brien, O'Brien joined in the Knox County Show this year for the first time as Gary York is ag teacher for both O'Brien and Benjamin schools and the exhibitors chose to show here rather than in Haskell County, It was reported to the News that Goree no longer has an FFA chapter. Top winners included Grand

to the first time I would

in the third quarter our de-term growing to my forwards.

In the third quarter our de-term grow up 2 points as Pa-term outscored us 12 to 10, I am sure that you fans feel that like I do with anticipating the fourthquarter splurge which the Houndettes have displayed on several occasions this sea-

But thank goodness we've en able to come back in the h quarter with an offensive Our forward press working as it was designed to do caused many Paducah turn overs which we converted to 2 points. Our Houndettes scor-ed 19 points and allowed Pa-ducah 4 final score KC Houn-dettes 47. Paducah 29.

Leading scorer for KC was Jan Guinn with 17 points and 15 assists. Temi Baker was next with 16 and had 18 assists. Grindstaff picked up 10 points and Kary Kent finished with 4.

Our guards played one of their best games led by Deb-ble Burt's B rebounds, Belva Penman's goven rebounds followed by Yolanda Bradford's 5.

The Houndettes are now 2 and0 in district play andface Archer City Tuesday night at 6:30.

Archer City became the third on the Houndette highway to a District 7A Cham-pionship. The Houndettes turned n their best first quarter with a 28 point performance and gave

I think our girls are coming around at the right time of the year. They worked together as a unit guards and forwards al-ike, as they rolled over Archer City 86-63.

Our scoring honors went to Temi Balor who accounted for oints, close behind was De-Grindstaff with 32 points, Guinn tallied 12 points and turned in 10 assists, Kary Kent also turned in 8 points, Our arts were just plain "cool" they limited Archer City's nots to few and none then ulckly returned the ball to ar offensive end for scoring

purposes,
Belva Penman, Debbie Burt
Yo Bradford, Mandy Lankford
and Jane Arledge saw plenty of

Tricks With Tricot

NEW YORK (ED) - Tricot knit fabrics are coming into their own. These are warp knits which, unlike double knits, are knitted in flat form. They differ from the double knits in that they usually have stretch only in the crosswise direction. Tricol fabrics may be combination fab WEDNESDAY: One-half Or- ries, such as those using Arnel ange, Cinnamon Toast, Milk triacetate and nylon. Here's how to get best results sewing these tricot warp knits:

· Cotton-covered polyester

· Ball point needle, size 7 or

· If edges tend to curl during

cutting and sewing, use a spray starch to stiffen. Machine tension often needs adjusting. Loosen both top and bobbin; use longstitch, 8-10 per inch.

pressure on the presser foot.

· Stay-stitch curves and other off-grain edges to stabilize garment; reinforce stress points with seam tape; use lightweight interfacing at buttonholes.

· Use a steam iron at appropriate setting for fiber con-tent of fabric (usually me-

dium setting).

• Use press cloth and light pressure with iron on dark colors to avoid glazing and impressions. For special care iron on reverse side

Care Instructions

When buying these new fash-n fabrics for home sewing, seek the bolt end or fabric identification strip for care in-structions. If this information is not available, ask the sales person to find out for you, and, after July, ask for a permanent label with care instructions to attach to the finished garment.

WEED CONTROL IN WINTER WHEAT AND OTHER SMALL GRAINS

Winter annual weeds are beginning to appear, especially in early planted fields of wheat and other small grains, according to Frank C. Petr, area agronomist of the Texas Agricultural Extension Service at Amarillo, Now is the time to start making plans for spraying these weeds before they utilize moisture and nutrients needed by the grain crop.

Tansy mustard and kochia are the weeds most commonly encountered in the major wheat growing area of the state.

They can be controlled easily with one-half pound of 2, 4-D applied either by air or ground spray equipment. It is important that the small grain plants are fully tillered before 2,4-D is applied. Yield losses and plant deformity may result if the plants are too young.

Not all wheat fields re-

quire spraying, since good stands of vigorous wheat shade the ground early and discourage germination and growth of weeds, the agronomist says, In late planted fields or in those that did not receive moisture until recently the weeds may not appear until January or February. Therefore, fields should be checked carefully,

Weeds are easiest to kill while they are in a rosette stage with a diameter approximately the size of a half-dollar. If the weeds are elongated and vellow blossoms have begun to appear, it may be too late. They have already caused a reduction in potential grain vield.

Research on weed competition which has been conducted by Dr. Allen F. Wiese at the Southwestern Great Plains Research Center at Bushland, indicates that one weed per square foot can reduce wheat yields by 10 per-

cent. If a potential of 40 bushels per acre is as-sumed, the yield loss would be about 4 bushels or about \$7.00 per acre at current prices. With an estimated spray cost of \$1.50 per acre, this could mean an extra \$5.50 per acre as a result of controlling the weeds. When two weeds are present per square foot the estimated yield loss is 20 percent. Assuming a 15-bushelper-acre yield potential under dryland conditions, the loss caus ed by weed competition would be about three bushels. In this situation the farmer could pay the spray cost of \$1.50 and realize an additional \$4.00 peracre from the weed control practice.

One-half pound of 2,4-D will control most winter annual broadleaf weeds, advises Petr. Howeve, treacle mustard is showing up in some fields in the Northern High Plains, This weed is more difficult to kill and requires one pound of 2, 4-D for effective control. It is important to fight this weed diligently to prevent its spread and hopefully to eradicate it.

USDA RECOMMENDS MORE VEGETABLES, LESS MELONS

The U. S. Department of Agriculture recommends that Texas growers of fresh spring vegetables in 1973 plant 4 percent more acreage than in 1972. USDA suggests, too, that growers increase plantings of spring cantaloupes 5 percent and reduce spring watermelon acreage by 5 percent.

The planting guidelines are based on the prospective market situation and are intended to help growers balance supplies with consumer needs.

Nationwide, the total planting recommended for the 13 principal vegetables is 271,980 acres. If growing conditions are normal in 1973, this acreage can be expected to yield a total spring production 2 per- Friday.

Market analysts believe that if spring vegetable and meion crops are in line with the guides, and if harvest time is normal, supplies should adequately meet anticipated market requirements. Specific acreage recommen-dations for individual vegetable crops range from larger plantings of snap beans, cauliflower celery, sweet corn, cucumbers, lettuce, onions, green peppers, spinach and tomatoes, to slightly smaller plantings of cablage. No change in acreage is sug-

cent greater than in 1972.

be 7 percent more.

Production of cantaloupes in the U.S., on a recommended 37,300 acres, would be 15 percent more than in 1972.

Output of watermelons on a suggested 62,400 acres, would

gested for broccoli and carrots. Copies of the new marketing guides for sprint vegetables and meions are now available at the county Extension office.

S. S. Reports

Social security beneficiaries who earned more than \$1680 from work in 1972 are required to make a written report to the social security administration before April 15, 1973, according to Henry Chustz, manager of the Vernon social security office.

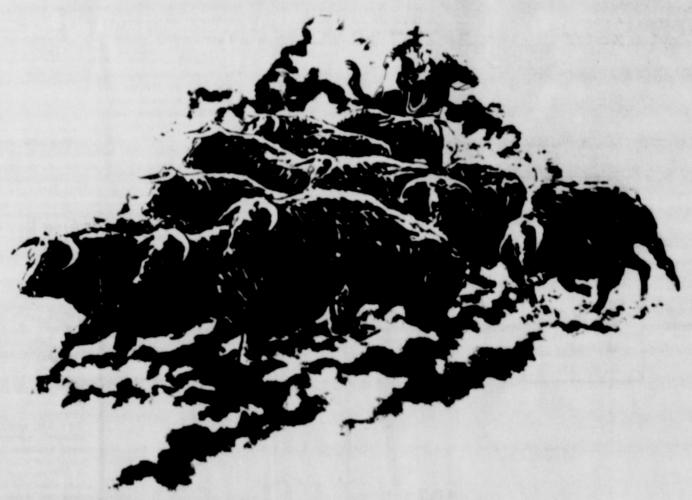

A recent amendment to the Social Security Act changes the amount a recipient may earn from \$1680 to \$2100 without any effect on benefits. However, this change is effective for 1973. The old law applies for 1972 earnings.

Persons who have questions or want assistance in making their annual reports should contact their social security office.

The office in Vernon is ocated at 1701 Cumberland Street. The telephone number is 552-9346. Office hours are from 8:30 a.m. to 4:45 p.m. Monday through

Streams In Desert Places OZ ELLE STEPHENS

"I walk in the strength of the Lord", Psalms 71:16. We are living in perilous times, it seems some days the floods of this world's sorrows rise; deeper and deeper we sink into the mire of trouble and heartache. But we must keep praying and trusting in God's power and grace. For power belongs to Him. His strength is mighty in the heaven and earth. What love we feel as we are kneeling before Him. He gives strength and power. He is always bending down to hear our cry and ready with plentiful supply of love and kindness to Stream into us! He will answer our prayer and reassure us as He promised. He will not let the floods over come us. He will pull us out of the mire and walk with us every step of the way.

KC Study Club To Meet Today At 2

The Knox City Study Club will meet Thursday, January 18 at 2 p.m. at the Womans Club for the annual business

Following the meeting a book review will be given.

Cotton Harvest **CONOCO Battery** At Standstill driving needs --

Sample receipts remained slow as unfavorable weather continued to halt cotton harvesting in the area service by the Munday Cotton Classing Office, reports Sidney Ferrell, Officer-In-Charge. According to the USDA's Agricultural Marketing Service, gathering operations are approximately 86 percent complete.

Quality statistics for the week ending Jan. 12, 1973, remained about the same as the previous week. Seventeen percent of the cotton was classed as Strict Low Middling (41), compared to 27 percent a week ago. Thirteen percent was Low Middling (51), 40 percent was Streict Low Middling Light Spotted (42), and 17 percent was Low Middling Light Spotted (52). Twentyfive percent of the cottong classed was reduced in grade due to bark or grass, compared to 17 percent the previous week. The staple length showed 21 percent staple 30, 46 percent staple 31, and 29 percet staple

The micronaire readings continue to be reasonably good with 78 percent reading in the desirable range of 3.54.9. Twenty-one percent read 5.0 and above.

The Pressley fiber strength tests conducted by the USDA's fiber laboratory at College Station shows that the average strength for the week was 78,000 pounds per square inch.

Cotton markets continue to be fairly active with farmers offering freely. Nineteen to 26.50

Statement Of Nondiscrimination

"B-K Electric Cooperative, Inc., has filed with the Federal Government Compliance Assurance in which it assures the Rural Electrification Administration that it will comply fully with all requirements of Title V1 of the Civil Rights Act of 1964 and the Rules and Regulations of the Department of Agriculture issued thereunder, to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program and the operation of its facilities, Under this Assurance, this organization is committed not to discriminate against any person on the ground of race, color or national origin in its policies and practices relating to applications for service or any other policies and practices relating to treatment of beneficiaries and participants including rates, conditions and extension of service, use of any of its facilities, attendance at and participation in any meetings of beneficiaries and participants or the exercise of any rights of such beneficiaries and participants in the conduct of the operations of this organization.

"Any person who believes himself, or any specific class of individuals, to be subjected by this organization to discrimination prohibited by Title VI of the Act and the Rules and Regulations issued thereunder may, by himself or a representative, file with the Secretary of Agriculture, Washington, D. C. 20250, or the Rural Electrification Administration, Washington, D. C. 20250, or this organization, or all, a written complaint. Such complaint must be filed not later than 90 days after the alleged discrimination, or by such later date to which the Secretary of Agriculture or the Rural Electrification Administration extends the time for filing, identity of complainants will be kept confidential except to the extent necessary to carry out the purposes of the Rules and Regulations,"

"The service provided by B-K Electric Cooperative, Inc., in the distribution of electrical power is available to anyone meeting the qualifications of membership in the Cooperative, regardless of race, color, national origin or minority group affiliation."
