

THE KNOX COUNTY HERALD

VOLUME 50

KNOX CITY, KNOX COUNTY, TEXAS, THURSDAY, JULY 28, 1955

NUMBER 34

Insect Control Meetings Planned

Farmers were urged this week by County Agent W. J. Bryan to attend one of the seven Cotton Insect Control meetings to be held in the county beginning tomorrow (Friday).

Bryan said a heavy infestation of insects is expected this summer, especially if more rain is received. Farmers will be better prepared to control the insects, he said, if they know when and how to check for infestation, and the proper control measures to use.

At the meetings, color slides of all cotton insects will be shown, their life cycles will be explained and control measures recommended.

The first meeting will be at the grade school in Knox City Friday at 9:30 a. m. A meeting will be held at the Co-op Gin office in Munday at 2:30 p. m. Friday. Other meetings are:

Monday, Aug. 1: Benjamin, 9:30 a. m., courthouse; Rhineland, 2:30 p. m., gin office.

Tuesday: Goree, 9:30 a. m., Community Bldg.; Gilliland, 2:30 p. m., gin office.

Wednesday: Vera, 9:30 a. m., Legion Hall.

Following each meeting, the county agent said, there will be a field trip to make an insect survey.

Farmers With Excess Cotton Acreage Will Be Penalized

Farmers who did not comply with the cotton acreage allotments established for their farms will be subject to a marketing penalty quota on each pound of excess cotton. T. H. Jones, chairman of the Knox County Agricultural Stabilization and Conservation Committee, has announced. Rates of the penalty have just been determined.

The penalties on 1955-crop cotton are 17.7 cents per pound for upland cotton and 36.6 cents per pound for extra long staple cotton. The rates are based on 50 percent of the June 15 parity price for the respective kinds of cotton.

Mr. Jones pointed out that the number of farmers with excess cotton acreage is small. Moreover, such farmers have 20 days after the date of the county committee's notice of excess cotton acreage in which to dispose of the excess acreage. It therefore is likely that few farmers will be subject to the cotton penalty.

Any farmer who knowingly overplants and does not adjust his farm cotton allotment will also be ineligible for price support on the crop of cotton which was overplanted. The two kinds of cotton are treated independently, and one cannot be substituted for the other. Thus, if a farmer has both kinds of cotton allotments on his farm and complies with the upland cotton allotment but does not comply with the extra long staple cotton allotment, he will be eligible for price support on the upland cotton but not on the extra long staple crop. The reverse would also be true.

Banker Re-Elected WTCC Director

B. B. Campbell, president of the Citizens State Bank, has been re-elected to represent Knox City as a director of the West Texas Chamber of Commerce.

The announcement was made by Ray Grisham of Abilene, president of the regional chamber which serves 132 West Texas counties.

Grisham, who was elected in March at the WTCC's 37th annual meeting, said that organization of the executive board will be effected following directors meetings in each of the chamber's 10 districts.

The directors, WTCC officers, and the president of the Chamber of Commerce Managers Association of West Texas constitute the general board of directors.

The executive board, which acts for the general board between regular board meetings each quarter, is composed of the officers, five directors-at-large appointed by the president, ten district vice-presidents elected by directors within their respective districts, and the immediate past president of the WTCC.

Haskell County Woman Observes 101st Birthday

Mrs. Lou Miller of Rochester, grandmother of Hut Corley and Mrs. Rip Collins of Knox City, quietly spent her 101st birthday at her home Wednesday, July 20. She is the oldest person in Rochester and probably in Haskell county.

Granny Miller, as she is affectionately known by relatives and friends, has been blind and practically deaf for a number of years. However, she is cheerful and could get around fairly well until about two months ago when she slipped and fell, breaking her hip. Since that time she has been bedfast.

Despite her advanced age, Granny has had a remarkably active mind but since her injury the use of ease medicines keeps her drowsy.

It has been with interest that many times relatives and friends have listened to her vivid account of Civil War days. She could also recite pages of poetry she had memorized when a young girl. Granny is a native of Texas and has been a resident of Haskell County 45 years. She was born in Raines County and moved to the west with her family about 50 years ago. Her husband has been dead 38 years. Since then she had made her home with a daughter and family, the late Mr. and Mrs. E. L. Corley of Rochester. Mr. Corley died about 20 years ago and Mrs. Corley died about 8 years ago, but Granny has continued to live in the Corley home with a granddaughter, Zeola Corley, who, with the assistance of other members of the family, have given her all the attention and devotion it is possible to give one.

The only one of Granny's three children surviving is Mrs. Jake Miller of Dallas. She has 15 grandchildren, 33 great-grandchildren and 36 great-great-grandchildren. She has been a member of the Methodist Church since a young girl.

Other grandchildren in this area are Mrs. E. E. Underwood and T. F. Corley of O'Brien, Bud Corley of Rochester, and Mrs. Fred Capps of Alice, formerly of Knox City.

Hospital News

Patients in the Knox County Hospital Monday, July 25, were:

E. R. Hobert, Munday; R. D. Perdue, Goree; Mrs. B. F. Kay, Knox City; Mrs. T. B. Dobbs, Benjamin; Julia Perez, Knox City; Debra Quillen, Knox City; Clyde Sylvester, Rochester; Jessie Silva, Rochester; Steve Figuero, O'Brien; T. W. Templeton, Benjamin; L. A. Haynie, Truscott; Mrs. Lela Milford, Knox City; Roy Day, Knox City; Mose Moore, Knox City; Mrs. Paul Pruitt and baby, Munday; Mrs. E. D. Engbrock and baby, Benjamin.

Patients dismissed since Monday, July 18 were:

Jimmy Don West, Knox City; Kenny Walker, Munday; L. W. Stroud, Knox City; Lynelle Tankersley, Knox City; Erma Cuberson, Knox City; Mrs. Sam E. Clonts, Knox City; Mrs. Sidney Joe Hester and baby, O'Brien; Mrs. John Cantano, O'Brien; James McCantley, Benjamin; M. G. Nix, Munday; Miss Patsy Lain, Munday; Barbara Kilgore, Benjamin; Jo Ann Hodges, O'Brien; Tom G. Westbrook, Truscott; Marion McSwain, Goree; J. H. Bihbrey, Goree; Tom B. Hudson, Benjamin.

Births:

Mr. and Mrs. Sidney Joe Hester, O'Brien, a daughter.

Mr. and Mrs. Paul Pruitt, Munday, a son.

Mr. and Mrs. E. G. Engbrock, Benjamin, a son.

ATTENDING YOUTH CAMP

Mrs. Floyd V. Bailey and a group of young people from the local Foursquare Church left this morning (Thursday) for Siloam Springs, Ark., where they will attend the annual summer camp. The Rev. Floyd Bailey will leave Knox City after Sunday night church services and join the group Monday. Young people attending are Barbara Myers, Ronald Myers, Chestene Watson, Martha Jane Dotson, Betty Collins and Philip Wayne McAfee.

Contractors May Begin Asphalt Waco St. Monday

Contractors may begin "shooting oil" on Monday of Knox City's streets Monday.

Bill Ross of Pecos Valley Construction Co. set the Monday date "if nothing happens to our screening plant and if rain doesn't delay us."

First streets to be paved, Ross said, will be Waco Street and the paving around the school. The contractors have a deadline to meet on the school paving, he added.

To date the company has contracts for fifty blocks of paving and fifty-two blocks of curb and gutter. Most of the curb and gutter work has been completed.

Oil Men Warned to Comply With Ruling On Water Pollution

Oil operators in Knox, Haskell and Stonewall Counties that were included in the recent water pollution hearing in Abilene have been warned that they must comply quickly with the Railroad Commission's directive that all salt water evaporation pits be eliminated.

In a memorandum to all the operators, Commissioner Olin Culbertson said that an inspection will be made Sept. 1 to see that all the pits have been eliminated. He said that penalties will be imposed for failure to carry out the order of the commission and the "laws with reference to the prevention of the pollution of fresh waters."

Scout Aquatic Meet Held at Munday

Bill Haley, Troop 72, Seymour, swam away with top honors at the Brazos Valley District Aquatic Meet in Munday, Thursday, July 21.

Haley entered four events and took first place in each—25 yard free style, 25 yard breast stroke, 50 yard breast stroke and 100 yard free style.

Jerry Lindsey, Troop 76, Munday, took four firsts and one second—50 yd. free style, 50 yd. breast stroke, 100 yd. side stroke, life saving, and 100 yd. free style, respectively.

Other boys winning first place events from Troop 76 were Joe Gray, diving and Jerry Jetton, 50 yd. back stroke and diving.

First place winners from Troop 161, Knox City, were Jim Anderson, life saving and Joe Watkins, 100 yd. free style.

George Johnson, Troop 72, Seymour, took a first in the 25 yard back stroke.

All the first place winners of the Brazos Valley District are eligible to compete in the Northwest Texas Council Aquatic Meet to be held in the Wichita Falls Boys Club, July 29 at 7 p. m.

Opal Lou James Weds Tahoka Man

Mr. and Mrs. Marvin James of Tahoka have announced the marriage of their daughter, Opal Lou, to Aaron Zeddity, son of Mr. and Mrs. Otto Zeddity of Tahoka.

The couple was married July 16 at Loving, N. M. They plan to make their home in Tahoka.

Mr. and Mrs. James are former residents of Knox City, where the bride attended the local school. The family moved to Tahoka in January.

Mr. and Mrs. Joe Murray Clonts and Mr. and Mrs. M. S. Lowrey spent several days last week in Boulder, Colo. Returning home with them was Faye Lowrey, who attended the first semester of school at the university there. She plans to spend the remainder of the summer in Knox City with her parents.

VERNON MINISTER TO PREACH AT BAPTIST REVIVAL JULY 31-AUG. 7

Jack Merritt

John Petry

Services will be held both morning and evening during the revival meeting at the Baptist Church. The meeting will begin Sunday, July 31, and will close Sunday, August 7.

Morning services will begin at 10 o'clock and evening services will begin at 8:00 o'clock, preceded by prayer services each evening at 7:40, the Rev. Billy Frazier, pastor, said.

The Rev. Jack Merritt, pastor of the Vernon Baptist Church, will do the preaching and the Rev. John Petry will be in charge of the singing and special music.

Few Children Taking Second Polio Shots Here

Only sixteen second shots of the Salk polio vaccine had been given at the Knox City Clinic Wednesday, it was reported.

First shots were given to 149 Knox City and Benjamin first and second grade pupils earlier in the year.

Parents of children who received the first shots were reminded this week that August 10 is the deadline for taking the free second shots. On that date, all unused vaccine must be returned to the National Foundation, Dr. D. C. Eiland, county health officer, said.

"Oiltown, U.S.A." Will Be Shown at Benjamin Church

"Oiltown, U.S.A." released by Billy Graham Evangelistic Films, will be shown at the First Baptist Church in Benjamin Sunday, Aug. 7 at 8:00 p. m., it was announced this week by the Rev. K. E. Woolley, pastor.

Evangelist Graham amazed the entertainment and religious world with the world's first Christian western film, "Mr. Texas." More than 5,000,000 persons have seen the film in its first two years of showings, and the Graham organization reported that over 135,000 persons made "decisions for Christ" through the ministry of the picture during the first twelve months of showings.

"Oiltown, U.S.A." was filmed during Graham's crusade in Houston, and features the young evangelist and his team in their meetings in Rice Stadium where the attendance was as high as 60,000 for a single service.

Featured in the 94 minute, full color film are Colleen Townsend Evans, Paul Power, Robert Clarke, Georgia Lee, Ralph Hoopes, and the stars of "Mr. Texas," Redd Harper and Cindy Walker.

The doors to the church will be opened at 7:30 with the picture beginning at 8:00 p. m. All seats are on a "first come" basis with no admission charge.

Funeral Services Held at Rochester For Mrs. Harcrow

Funeral services for Mrs. Alice Rose Harcrow were held Monday, July 18 at the First Methodist Church in Rochester, with the Rev. Davis Edens, pastor, officiating.

Mrs. Harcrow died July 16 of pneumonia. She had been in ill health for a number of years.

She was born March 10, 1878 in Coryell County. She married Samuel M. Harcrow in 1903 and moved to Haskell County in 1925.

Survivors are one son, Floyd, of Plainview; a daughter, Mrs. Ivon Adkins of Plainview; three grandchildren, one brother, three sisters, and three great-grandchildren.

Interment was in the Rochester cemetery under the direction of Mansell-Smith Funeral Home.

The local clinic, Dr. Eiland's Clinic in Munday and Dr. R. L. Newsom's Clinic in Munday are cooperating in administering the shots. The vaccine is furnished by the National Foundation for Infantile Paralysis and administered free of charge by the Knox County doctors. This arrangement applies only to the first and second graders who received their first shots in April.

Dr. Eiland urged parents to take their children to their family doctor as soon as possible. Experts agree, he said, that the vaccine is safe and that it is important to give the second shots at this time.

In Haskell County, a schedule was arranged for mass inoculations, with O'Brien and Rochester first and second grade pupils receiving their shots Monday, July 25.

Supt. Ray V. Stark said twenty-three O'Brien first and second graders made the trip to Haskell by school bus and received their second shots Monday. Forty-six had received the first shots in April.

Many of the eligible pupils were out of town and some were ill, and were unable to take the second shot Monday, the superintendent said.

State Law Bans Hip Flasks at School Sports Events

Knox Countians may be saved embarrassment and trouble if they are familiar with the new laws on the Texas statute books, Sheriff Homer T. Melton said this week.

Several new statutes were passed by the last Legislature and have been signed by the governor. Copies of some of the new laws will be furnished the Herald by Sheriff Melton, and will be published from time to time.

One of the new laws makes it a misdemeanor for anyone to carry liquor to a football game or other sporting event sponsored by a public school. Text of the statute follows:

Intoxicating Beverages — Athletic Events of Public Schools

Vernons P. C. Art. 666 - 25b

Section 1. It shall be unlawful for any person or persons to bring or carry into any enclosure, field or stadium, where athletic events, sponsored or participated in by the public schools of this State, are being held, any intoxicating beverage or to have any intoxicating beverage in his possession while in or on said enclosure, field or stadium.

Sec. 2. If any officer of this State sees any person or persons violating the terms of Section 1 of this Act, he shall immediately seize such intoxicating beverage and shall within a reasonable time thereafter deliver to the County or District Attorney who shall hold same as evidence until the trial of the accused party and shall thereafter dispose of same.

Sec. 3. Any person or persons violating the provisions of this Act shall be guilty of a misdemeanor and upon conviction shall be fined any sum not less than Twenty-five (\$25) Dollars and not more than Two Hundred (\$200) Dollars.

MARSHA ANN CARVER WINS WICHITA FALLS CONTEST

Marsha Ann Carver, daughter of Mr. and Mrs. Johnny Carver of Wichita Falls, formerly of Knox City, was crowned "Queen of Toyland" at the Wichita Falls school auditorium.

The contest was held in conjunction with "Holiday Ahoy," a show sponsored by the Wichita Falls Evening Lions Club.

She received a crown, robe, corsage, and a silver goblet engraved with her name and title.

Her grandparents are Mr. and Mrs. Tom Orsborn of Knox City and Mrs. H. P. Finley of Rochester.

District Brotherhood Rally Scheduled At Lueders Aug. 2

C. D. Allen of Haskell, superintendent of schools and district Baptist Brotherhood president, will preside for the district Brotherhood rally at Lueders Baptist Encampment grounds Tuesday, August 2.

Some 400 to 500 men of District 17 are expected to be present for all or part of the rally, which opens at 2:00 p. m. and continues until after the evening service.

Rev. J. D. Brannon of Ft. Worth, district missionary of District 12, will be the speaker at 8:30 p. m., following special music and reports from Brotherhood presidents.

Charlie Cluck of Abilene, district treasurer, will read the scripture and offer prayer at the opening of the evening service after the singspiration led by Joe Rucker of Abilene, beginning at 7:30 p. m.

A fish supper will be served at the encampment cafeteria at 6 p. m., and some of the men who cannot be there for the afternoon session are planning to reach the camp grounds in time for supper.

Afternoon speakers will be Rev. Huron Higdon, pastor of the Belmont Baptist Church of Abilene, who will talk on Brotherhood and Local Missions; Harry Grantz of Carbon, district RA leader, who will talk on Preparation to Meet the Royal Ambassador Challenge; and Bill Allcorn of Brownwood, district attorney, who will talk on Texas Brotherhood at Work.

Dr. W. A. Stephenson, dean of Hardin-Simmons University, Abilene, and first vice-president of the Texas Baptist Brotherhood, will give the opening scripture reading and prayer.

FORMER LOCAL PASTOR TO SPEAK AT HASKELL

Dr. Herman Pitman of Downers Grove, Ill., will be guest speaker at the second Homecoming of Ex-Students and Teachers of Haskell High School, which will be held October 7-8, Hill Oates, president of the Homecoming Association, has announced.

Dr. Pitman is a former pastor of the First Christian Church in Knox City. He and Mrs. Pitman and their two children, Mark and Marsha Jane, recently visited his parents, Mr. and Mrs. Riley Pitman, in Haskell.

He is a graduate of Texas Christian University where he received his A.B. and B.D. degrees and was dean of men from 1940-43. He served as an instructor in physiology, psychology and aircraft engines for the United States Navy. He took post-graduate work at the University of Chicago where he received his M.A. degree in 1946. He received his Ph.D. from the University of Southern California.

Dr. Pitman is presently on leave of absence from his duties as professor of religion at Drake University, a post he has held for the past seven years. He is currently serving as executive director of the Illinois Commission of Human Relations.

He also served as pastor of the Christian Churches in Haskell, Rule and Throckmorton.

Creed of Ft. Worth is... her aunt, Mrs. Bobby... and Mr. Bradberry. She... daughter of Mr. and Mrs. Creed.

NEW GM RESEARCH HEAD—Dr. Lawrence R. Hafstad, famed physicist and atomic energy scientist, will become director of General Motors research staff later this year, GM President Harlow H. Curtice announced. Dr. Hafstad, who is 51 and a graduate of the University of Minnesota, was the first director of the Atomic Energy Commission's Reactor Development Division. He is called by scientists and AEC officials "the world's foremost authority on harnessing the atom for industrial power."

and family in Rankin. Their grandchildren returned home with them for a short visit.

Mr. and Mrs. Leon Kincade of Robert Lee spent the week end visiting her sisters, Mrs. S. E. McRoberts and Mrs. W. R. Owens, and other relatives and friends.

Mr. and Mrs. John Bullion visited their son, Jack, and family in Ralls Saturday.

Rev. A. G. Abbott of Electra, former pastor of the First Christian Church in Truscott, preached at the morning service here Sunday.

Miss Sharon Kincade has returned to her home in Robert Lee after spending some time with relatives here.

Among those attending funeral services for Mrs. Bill Ryder in Gilliland Sunday afternoon were Mrs. George Pogue, Mrs. Floyd Roberson, Mrs. H. O. Clark, Mr. and Mrs. John Bullion and C. H. Laquey. Mrs. Ryder died at the home of a daughter in Dallas.

Mr. and Mrs. Paul Bullion and son returned home Sunday from a two weeks vacation in California. They visited Mr. and Mrs. Lee Bullion in Long Beach and Mr. and Mrs. Wilson Myers and family in Torrance.

Mr. and Mrs. Dan Tarpley and boys, Danny and Stephen, of Lubbock spent the week end visiting his parents, Mr. and Mrs. A. S. Tarpley. The boys remained for a longer visit.

Mr. and Mrs. Ted Wedsom and family brought her parents, Mr. and Mrs. Jim Jones, home Saturday from a visit with them at Abernathy.

Mrs. T. C. Watson of Knox City spent Monday visiting her mother, Mrs. A. Haynie, and other relatives and friends here.

Mr. and Mrs. Buford Elliott of Seymour spent Sunday with his sister, Mrs. Jack Whitaker, and husband.

Penny and Jerry Stout of Wichita Falls spent several days last week with Mr. and Mrs. Jack Whitaker.

Mr. and Mrs. Jerry Lee of Plainview spent several days last week visiting her parents, Mr. and Mrs. E. J. Jones, and friends here.

Mrs. Farris Caddell and daughter, Linda, and Dianne Myers visited Mrs. Caddell's sister, Mrs. John Jones, and family in Benjamin Sunday afternoon.

Vernon Jones has returned to Fort Sill, Okla., after spending a week visiting his parents, Mr. and Mrs. E. J. Jones, and friends here.

Mr. and Mrs. Warren Haynie and girls of Vivian spent Sunday with his parents, Mr. and Mrs. Carl Haynie, and other relatives and friends here.

COTTON INSECT CONTROL MEETINGS ARE PLANNED

Seven meetings on the control of cotton insects are planned for Knox County within the next week, W. J. Bryan, County Agent, announced today.

"The outlook is for a heavy infestation of insects this year if more rain is received," Bryan said. "Flea hoppers have been very bad all summer, running as high as 80 percent infestation in many fields. Very few boll worms have been found; however, large numbers of boll worm eggs have been found in every field checked since last Friday. These should hatch in about five days, so we should be on the lookout for small worms."

Hundreds of dollars can be saved if farmers know where and what to look for, and the right time to apply poison, Bryan said. At each of the meetings color slides will be shown of all the cotton insects, both harmful and

beneficial. Their life cycles and the proper control measures will be given. Following this a trip will be made to the field to make an insect survey.

Meetings planned are as follows:

Friday, July 29: Knox City, 9:30 a. m., Grade School; Munday, 2:30 p. m., Co-op Gin office.

Monday, August 1: Benjamin, 9:30 a. m., Courthouse; Rhineland, 2:30 p. m., Gin office.

Tuesday, August 2: Goree, 9:30 a. m., Community Bldg.; Gilliland, 2:30 p. m., Gin office.

Wednesday, August 3: Vera, 9:30 a. m., Legion Hall.

All farmers interested in the identification and control of cotton insects were invited to attend.

Mr. and Mrs. J. T. Cyfert and son were in Granbury over the week end visiting his sister, Mrs. Vela Smith, and family. His mother, Mrs. L. W. Cyfert, returned home with them after spending two weeks in Granbury.

AMERICA'S NEW RAILROAD

Quarter-mile lengths of welded steel rail curve around a foothill like water.

Not a "clickety-clack" in a carload

It's Santa Fe's new continuous welded rail...

Fewer joints mean a smoother ride for you

An occasional little click—that's all you'll hear of the old "clickety-clack" as you glide over stretches of new continuous welded rail on the Santa Fe.

And these stretches will be growing longer and more frequent on Santa Fe. For we're laying more all the time—103 miles of it this year.

In fact, we're using a new electric welding process (for the first time by an American railroad) to help bring Santa Fe's new smoother ride to more people, more goods.

But that's only part of the story. Just as a railroad is no better than its track, track itself is no better than what's underneath it—the roadbed, the ties, the ballast. So we've been busy

with new improvements here, too.

For instance, our own specially-devised ballast "dry cleaner." This unique machine cleans our ballast, keeps it more resilient so the track lies flat and even.

And today we're replacing old ties with longer and stronger new ones—specially treated to stay strong and sturdy for 30 years and more.

Day after day, something new is being done to make "America's New Railroad" even newer and better. Santa Fe is spending many millions of earned dollars every year for new roadway and new equipment. And not one penny comes from the taxes you pay.

SANTA FE SYSTEM LINES

What about expansion in these quarter-mile rails?

Near Newton, Kansas, winter weather temperatures vary from 20° below to 114° above, we laid a 5-mile experimental stretch of welded rail. Here we found that anchoring the rail to the other tie restricted expansion to the area between anchors. Thus, overall expansion was reduced to the normal expansion of an inch between rail ends. In other words, expansion is no problem whatsoever.

the City Hall, Benjamin, Texas, until: **2:00 P.M., August 2, 1955** and then publicly opened and read aloud.
 The Water Supply Line and Appurtenances consists of approximately 49,500 feet of 6-inch water line, one water well, one steel

ground storage tank, two well pumping units and other appurtenant work.
 Specifications and proposal forms are on file at the City Hall, Benjamin, Texas, and may be procured from Freese and Nichols, 407 Danciger Building, Fort Worth, Texas, upon a deposit of \$25.00. The full amount of the deposit will be returned to actual bona fide bidders, and to others who return the documents in good condition on or before the bidding date.

Each bid must be accompanied by a certified or cashier's check, or an approved Bidder's Bond, for the sum of five (5%) percent of the amount of the maximum total bid as a guarantee that, if awarded the contract, the Bidder will promptly enter into a contract and execute a bond on the forms provided, as outlined in the Contract Documents.
 A Performance Bond in an amount of not less than one hundred percent (100%) of the contract price, conditioned upon the faithful performance of the contract and upon payment of all persons supplying labor, or furnishing materials, will be required of the successful Bidder.
 Attention is called to the fact that there must be paid on this project not less than the minimum rates of wages which have been established by the Owner for each classification of workman required on the project, as set forth in the contract documents.
 In case of ambiguity or lack of clearness in stating proposal prices the Knox County Water Control and Improvement District No. 1 reserves the right to adopt the most advantageous construction thereof, or to reject the Proposal.
 The Owner reserves the right to reject any or all bids and to waive formalities. No bid may be withdrawn within thirty (30) days after the date on which bids are taken.
KNOX COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NO. 1.
 3c32 W. A. GLENN, President

Benjamin News

Mrs. Von R. Terry, Reporter

BENJAMIN, July 26. — Mr. and Mrs. Bert Swaner and girls of Snyder visited her mother, Mrs. Myrtle Meinzer, a few days last week.

Mr. and Mrs. Homer Howard of Goree spent Monday of last week with Mrs. W. A. Barnett and family.

Mr. and Mrs. Ed Earl Brown and Vernon of Morenci, Ariz., visited Les Brown, Mrs. J. H. Redwine and other relatives and friends here last week.

Keith Stone of Sherman visited relatives and friends here last week.

Mr. and Mrs. Vernon Benson of Flagler, Colo., visited their parents, Mr. and Mrs. Rufus Benson and Mrs. Grover Nunley, and other relatives and friends here last week.

Sammie Tipton left last week for Colorado and Nebraska, where he will help during the harvest.

Mr. and Mrs. W. H. Dodd and children were in Wichita Falls Thursday of last week on business.

Mr. and Mrs. Howard Barnett and family spent last week visiting in the home of Mr. and Mrs. W. D. Hollaway and family in Baytown and other relatives in Houston.

Mrs. Muriel Johnson and Mrs. Ruth Ressel were in San Antonio last week to attend the Castleman reunion.
 Von Terry and Vernon Benson

were business visitors in Seymour one day last week.

Guests of Mr. and Mrs. Homer T. Melton and son and other relatives last week were Mr. and Mrs. Parks Norris, Jimmie, Linda and Barbara of Tulsa; Mrs. Betty Glo Wood and Billy of Burbank, Calif.; Mr. and Mrs. Sike Watkins of Muleshoe; Mr. and Mrs. Jim Melton, Jr., and son of Ralls; and Mr. and Mrs. W. T. Ward and sons of Colorado.

Mr. and Mrs. Dutch Young and children of Colorado City visited Mrs. Grover Nunley, Mr. and Mrs. Wayne Young, and other relatives and friends over the week end.

Mr. and Mrs. Dave Crenshaw and Sharon Patterson accompanied Mr. and Mrs. Fred Lewis Crenshaw of Wichita Falls to Matador over the week end to visit Mr. and Mrs. Freddie Crenshaw and family.

Harold Ballard, who has just returned to the states after overseas duty with the armed forces, is visiting his father, Joe Ballard, and other relatives and friends.

Mrs. Ulric Lea spent part of last week visiting her mother in Hereford. This week she is attending a reading conference at West Texas State College, Canyon.

TRUSCOTT H-D CLUB MEETS WITH MRS. J. M. CHOWNING

The Truscott Home Demonstration Club met in regular session Thursday, July 14, in the home of Mrs. J. M. Chowning.

Miss Naoma Brown gave the devotional, and Mrs. W. O. Corder gave the Council report.

Knox County has charge of the crafts for the annual H-D encampment at Lueders in August. The craft will be belts made of leather.

After the business session, the group made wall plates for the kitchen. The cost of these plates, with all materials furnished, was 50 cents. Anyone who did not attend the club meeting but wants to make plates may see Mrs. Jack Hickman for the supplies.

The next meeting will be July 28 at the Community Center, with Mrs. T. M. Westbrook as hostess.

Visiting Mrs. H. T. Rader and Irene Saturday were Mrs. A. A. Gauntt and Mrs. L. L. Bean of Rochester.

STREAMS in Desert Places
 By Ozelle Stephens

Be strong in the Lord and in the power of His might, accept His promises by faith, and refuse to be discouraged. The Lord Thy God is a Mighty God. The Lord is Strong. (Ps. 24:8). He is your Strong rock. (Ps. 31:2). He is your strong refuge. (Ps. 71:7). The Name of the Lord is a strong tower. (Prov. 18:10).

"Lift up your eyes on high, and behold who hath created these things, that bringeth out their host by number: he called them by names by the greatness of his might, for that he is strong in power; not one faileth." (Isa. 4:26) He is your mighty God and will see you through the path you have to tread. "Behold, the Lord God will come with strong hand, and his arm shall rule for him: behold, his reward is with him, and his work before him. He shall feed his flock like a shepherd: He shall gather the lambs with his arm, and carry them in his bosom, and shall gently lead those that are with young." Trust Him for your every need, for from Him will Stream love and mercy.

meeting of the conference board of lay activities at 4:15 p. m. There will be a report from the board meeting Sunday at 7:45 a. m.

Mrs. J. M. New, who celebrated her 90th birthday July 4, moved to Knox City last week to make her home with her daughter, Mrs. L. C. Godsey. Mrs. New formerly lived in Truscott.

Visiting Mrs. John Wilson last week were Mr. and Mrs. Ted Snead and daughter, Kitty Alice, of Westlaco. Mrs. Snead is Mrs. Wilson's niece.

Mrs. Marlin Hester and daughter, Marilyn, of Plainview are here visiting relatives and friends. They plan to return home Sunday.

Mr. and Mrs. A. A. Pierson and son, Ken, spent the week end in Balls with her mother, Mrs. Minnie Wampler.

Mr. and Mrs. Harrell Stephens and Dera are spending this week vacationing in Santa Fe, Taos and Red River, N. M.

Mr. and Mrs. Berlye Lovelace and young son of Corsicana are visiting his parents, Mr. and Mrs. W. E. Lovelace. The family will leave Saturday for Rogers where he will conduct the singing for a revival meeting.

HERE'S HEALTH! By Lewis

CANTALOUPE CAME TO EUROPE FROM PERSIA IN THE EARLY CHRISTIAN ERA. THE ROMANS THOUGHT THEY WERE CUCUMBERS.

COLUMBUS BROUGHT THE FIRST CANTALOUPE SEEDS TO THE NEW WORLD DURING HIS SECOND VOYAGE IN 1494.

WELL NETTED CANTALOUPE USUALLY ARE READY TO EAT WHEN THEY FEEL SPRINGY UNDER GENERAL SLIGHT PRESSURE AND HAVE AN INVITING AROMA.

CANTALOUPE GO WITH ANY MEAL. THEY ARE DELICIOUS, NUTRITIOUS (ESPECIALLY VITAMINS 'A' AND 'C') AND CONTAIN ONLY 37 CALORIES TO HALF OF A MEDIUM MELON.

Mrs. Ernest Coates is in Odessa this week getting acquainted with her first grandchild, a daughter born to Mr. and Mrs. Charles Coates Monday morning, July 25.

Supt. and Mrs. Chas. E. Silk and daughter, Charlice, are to return tomorrow from Green Mountain Falls, Colo., where they have vacationed two weeks.

SEASON FOR FAIRS AT HAND IN TEXAS

In many a city and town of Texas today, community leaders are making plans for an important annual event which many folks have been eagerly looking forward to all year. During the next several months it will be fair-time throughout Texas - with county and regional fairs and festivals taking place in every section of the state, the culminating event being the State Fair of Texas in Dallas, October 7-23.

Texas possibly has a bigger percentage of large, widely patronized fairs than any other state. Several of Texas' big regional fairs attract more visitors and have more impressive fairgrounds than state fairs in some other sections of the nation.

The State Fair of Texas is, of course, the largest annual fair in the United States in terms of attendance, with over 2 1/2 million visitors from all parts of America, and a magnificent fairgrounds with facilities valued at \$35 million.

As with most fairs the country over, Texas events carry a heavy emphasis on livestock and agriculture. Entertainment naturally covers a wide range, from carnival sideshows, rodeos, folk festivals to the Broadway musical comedy "Pajama Game" which will be presented at the State Fair. Competition in making jams and jellies, such as cakes and pies and other examples of traditional homemaking skills still occupies a big place in the program of most Texas fairs.

Fairs in Texas date back over 100 years. The first fair to be held in the state may well have been one in Corpus Christi in 1852, which featured bullfights, a circus, cockfights and fireworks. During the same decade Dallas County became the first county in the state to organize a fair. The State Fair was founded in 1886.

A good fair regardless of size can be a valuable asset to its community, in the opinion of James H. Stewart, general manager of the State Fair and vice president of the International Association of Fairs and Expositions.

"In addition to providing wholesome and worthwhile recreation and relaxation, fairs serve to stimulate pride in the achievements of the individual, his group and his region," Mr. Stewart said. "They are a stimulus to trade and a unifying medium."

"The various fairs, festivals and livestock shows in Texas have one important thing in common - they are all working to improve our agriculture and livestock industry, to better living conditions generally and to build up our state."

Texas cities which will hold fairs, festivals or similar events during August, September and October - the traditional fair season in Texas - include the following:

Ableene, Alice, Amarillo, Angleton, Baytown, Beaumont, Big Spring, Blanco, Boerne, Bowie, Brenham, Carthage, Center, Centerville, Cleburne, Coldspring, Corsicana, Crockett, Dalhart, Dallas, Denton, Dublin, Edna, Emory, Fairfield, Floresville, Floydada, Fredericksburg, Gainesville, George West, Georgetown, Gilmer, Goliad, Gorman, Haskell, Hempstead, Henderson, Huntsville, Iowa Park, Johnson City, Junction, Kaufman.

La Grange, Levelland, Liberty, Lipscomb, Littlefield, Livingston, Longview, Lubbock, Marshall, McKinney, Mesquite, Mexia, Midland, Nacogdoches, Navasota, New Braunfels, Palestine, Pampa, Paris, Pasadena, Pecos, Perryton, Plainview, Richardson, Roby, Rosenberg, San Angelo, Seguin, Seminole, Stanton, Tahoka, Temple, Texarkana, Trinity, Tulia, Tyler, Waco, Wharton, Wheeler.

Visiting relatives in Knox City last week were Mr. and Mrs. Hershel Tankersley and son, John, and Mrs. Ora Saltzman of Birmingham, Ala., and B. F. Tankersley of Kellerton, Ala. They left Monday en route to Slaton, Bishop, and the Carlsbad Caverns before leaving home.

Mrs. Howard Price and Amarillo spent the week with her parents, Mr. and Mrs. Pierson.

From where I sit... by Joe M...
Modern Science Finally Catches Up With Granddaddy

I got put in my place the other night. Deserved it, too. My father-in-law said we were due for bad weather. "Birds are flying low," he reported. "That means a storm."

I started to josh with the old gentleman about being superstitious. Then my nephew Jim, on vacation from college, pipes up. "Granddad's right," he says.

"At least, that's what they say at school," Jim goes on. "The heavy air you get before a storm forces insects down low - so high-flying birds have to swoop along the ground if they want to eat."

From where I sit, there's a lot of sound reasoning in most old sayings... birds are flying low... people have learned to believe in. Take the idea of a storm in time saving nine-spawed and spooling children - of ing hot milk, or a refreshing of beer, at bedtime. You can believe with any of these yourself... but it's not so give them the "bird."

Joe M...

GIVE CHILDREN CHECK-UP BEFORE SCHOOL BEGINS. HEALTH OFFICER ADVISES

AUSTIN. — Parents, has your child had a physical examination this summer? In just a little more than a month he will be starting school, and if he is in good health he will have a happier, more profitable year. It's up to you to give him a healthful send-off, says Dr. Henry A. Holle, Commissioner of Health.

After he has his check-up by the family doctor, be sure to take him to the family dentist. Teeth are mighty important, and decayed ones often cause a heap of trouble. They may start infection in other parts of the body. Strong, healthy teeth add attractiveness to appearance and personality. Help your child to grow up with good teeth... see that he has a dental examination twice a year.

Sometimes children need glasses and their parents don't realize it. An examination by an eye specialist is important. A child who needs glasses, if taken to an eye specialist now, will have time to get used to them before school starts.

When children are grouped together in a classroom, they ex-

pose each other to communicable diseases. Has your child been immunized against diphtheria and smallpox? Does he know he should use only his own drinking glass? Does he know he should avoid boys and girls who are victims of colds? Do you keep your child at home when he shows signs of a cold?

Plenty of exercise and recreation, the right kinds of foods daily, and 12 hours of sleep a night are necessary for a child of elementary school age.

"Get your child an appointment for a check-up today... the first day of school is not far away," Dr. Holle said.

Mrs. Ken Clonts of Houston was here Tuesday for her son, Ken III, who had spent the past ten days with his grandparents, Mr. and Mrs. W. E. Clonts, while his parents vacationed in Mexico City.

FORMER RESIDENT ENTERED IN "MISS WOOL" CONTEST

A former Knox City resident is a candidate for the title of "Miss Wool" in the annual contest sponsored jointly by the Texas Sheep and Goat Raisers' Association and the San Angelo Board of City Development. The contest closes July 31.

Dianne Wilson, daughter of Mr. and Mrs. Dock Wilson, formerly of Knox City, has been entered in the contest by the Ballinger Junior Chamber of Commerce.

"Miss Wool" will be crowned during Wool Fiesta Week in San Angelo, August 31-September 3. Photos of the contestants will be judged by John Robert Powers of New York, nationally-known modeling agency expert, and the winner will receive a \$4,000 wardrobe.

THE LOVELACES

"Thank You, Mr. President"

Five business executives, doubling as campaign leaders for United Cerebral Palsy, thank President Dwight D. Eisenhower for all he has done to help the nation's Cerebral Palsied. The five leaders, who are now working hard to help make UCP's drive for \$10 million a success, presented the President with a scroll for "his humanitarian service to, and inspiring support of America's Cerebral Palsied." They are (left to right) Jack Hausman, President; William Clay Ford, 1954 Campaign Chairman; Leonard H. Goldenson, Board Chairman; Roger S. Firestone, 1955 Campaign Chairman, and Joseph A. Martino, New York City Campaign Chairman.

CALCIUM SUPPLEMENT NEEDED IF CATTLE RATION CONTAINS NO LEGUME

COLLEGE STATION. — If no legumes are included in a fattening ration for cattle, there may be a deficiency of calcium in the feed. This element is needed, according

to U. D. Thompson, extension animal husbandman, because it contributes to the animal's bone development.

It is most important in rations for young animals. Calcium may be supplied in many forms, such as pulverized limestone, oystershell, or calcium carbonate. One ounce of calcium in the daily ration in any of these forms should make up for any calcium deficiency due to the absence of legumes, Thompson suggests.

Another valuable calcium supplement mentioned by the specialist is steamed bonemeal. This contains both calcium and phosphorus, and it can be fed free choice in a box next to the saltbox, with some covering to protect it from the weather.

MARKET NEWS LINGO CAN BE HELPFUL

COLLEGE STATION. — The complicated lingo used in daily livestock marketing reports can vastly increase the efficiency of a farmer's operation if it's interpreted correctly, says John G. McHaney, extension service agricultural economist.

Farmers are faced with such problems as what to produce and how much. When this should be sold, and where? Market news can help them decide. The U. S. Department of Agriculture spends more than \$10,000,000 annually to obtain market news for general public use, McHaney adds.

Livestock producers who have been in the business long enough can remember when the only source of market information was the incomplete and conflicting reports of trade groups. Today market news is accurate, timely and usable. Here are the interpretations of

market terms:

"Market stronger" means prices are advancing.

"Market firm" means prices are holding or are a shade higher.

"Market steady" means no immediate change.

"Market dull" means an inactive market.

"Market weaker" means price declines are general.

"Demand slow" means buyers are just looking.

"Demand good" means buyers have confidence in present prices.

"Supplies light" means the market could use more.

"Supplies heavy" means the market is over-supplied and prices are weakening.

Visiting Mrs. H. T. Rader and Irene Sunday were Mr. and Mrs. Clyde Rogers and Martha of Goree, Mr. and Mrs. H. Riggins of Rule and Mr. and Mrs. Brady Wampler and children of Benjamin.

Daniel Brinegar, electronics technician in the Navy, arrived Sunday to spend a 15-day leave with his parents, Mr. and Mrs. W. T. Brinegar. Daniel, a 1953 graduate of Knox City High School, enlisted in the Navy in August of 1954. He is assigned to the aircraft carrier Point Cruise.

Mr. and Mrs. Bert Lewis Swaner and family of Snyder visited Garland Swaner last week.

Mr. and Mrs. Frank McSpent the week end in Tahoka visiting Mr. and Mrs. McAuley and Charles and Mrs. C. Bohannon.

Mr. and Mrs. Dun children returned Sunday from a three weeks visit to Houston, Lake Charles and Texas points.

Present for the meeting were Mrs. W. L. Watkins, Mrs. Jess Brothers, Mrs. D. T. Elmore, Mrs. T. J. Sparks, Mrs. Bill Johnston, Mrs. Ernest O'Neal, Mrs. O. S. Johnston, Mrs. S. P. Kellar, Mrs. R. M. Johnston, Mrs. Oather Poe, Mrs. Sam Johnston, Mrs. Orville Manning, Mrs. J. L. Grindstaff, Mrs. Leonard Force, Mrs. Clyde Covey, Mrs. Malone and a visitor, Mrs. Bobby Fail of Wichita Falls.

Mr. and Mrs. Ray Stark and girls spent the week end in Goldthwaite with Mr. Stark's mother.

Mr. and Mrs. Orville Manning were hosts Thursday night for an ice cream supper and shower honoring Mr. and Mrs. Ross Mac Oliver. About 75 guests registered.

Mrs. Bobby Fail and daughters of Wichita Falls are spending this week with her parents, Mr. and Mrs. R. M. Johnston.

Mrs. Ola West of Raymondville visited friends here last week.

Mrs. John Covey and L. A. and Nelda Hodges spent Monday in Abilene.

Mr. and Mrs. A. A. Pierson and son spent the week end in Plainview.

Mr. and Mrs. Gerald Barnard and son of San Angelo spent the week end with Mr. and Mrs. Frank Barnard.

Al and Mrs. Billy Proffitt and son left last week for Camp Edwards, Calif., where he will be stationed with the Air Force.

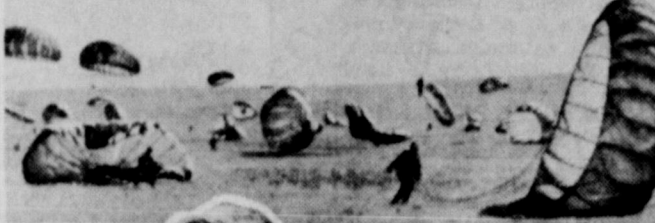

The Rev. and Mrs. W. D. Malone and June Molten spent Thursday in Waco.

Mrs. R. M. Johnston and Mrs. Bobby Fail spent Wednesday in Abilene.

Attending a Training Union Workers Conference at the Plainview Baptist Church Tuesday night were the Rev. and Mrs. W. D. Malone, Mrs. W. L. Watkins, Mrs.

People, Spots In The News

LOTS OF ACTION as airborne maneuver near Fort Sill, Okla. saw parachute drop of 110 men, four 105-mm howitzers and four 3-ton trucks!

HAPPY Stan the Man Mual holds four baseballs celebrating his reaching 2,500-hit mark in majors. His 2,500th was a homer!

NICE WRITER—June Franklin writes with icicle-encased Fineline cartridge pen to demonstrate new Sheaffer pen's ability to function under rugged conditions. First popular-priced cartridge fountain pen is filled by inserting ink cartridge (shown standing on paper) in barrel.

LOBBYING A LA MOWED—This plea to defeat a dam appropriation was mowed in letters over 50 feet high in alfalfa field near Stockdale, Kas. Compare letters with width of road, and with farm buildings. This field would be among those inundated by Tuttle Creek Reservoir.

John L. Grindstaff, Mrs. Jess Brothers, Mrs. D. T. Elmore, Mrs. S. P. Kellar, Mrs. R. M. Johnston, Mrs. Bobby Fail, Jenny and Juliana, June Molten and Shirley Johnston. Mrs. R. B. Johnston of Wichita

Falls spent last week with relatives here.

Mr. and Mrs. Donald Wreyford and boys of New Orleans, La., are visiting Mr. and Mrs. J. E. Stanfield.

McMAHAN FAMILY REUNION HELD AT O. D. REID HOME

The McMahan Family reunion was held in the home of Mr. and Mrs. O. D. Reid Sunday, July 24.

Present were Mr. and Mrs. J. M. McMahan of Plainview; Mr. and Mrs. J. W. McMahan and Don of Friona; Mr. and Mrs. Charles Snodgrass and Mike and Pat of Idalou; Gladys Wallace and Judy and Priscilla of Anchorage, Alaska; Mr. and Mrs. B. T. Evans of Midland; Nelda Lashley, Ronnie and Bruce Lashley, Orbie Reid and Lynn Dotson of Knox City.

"NOTHING UNDER THE SUN IS EVER ACCIDENTAL"

(* Author's Name Below)

Within your own lifetime you have noticed how much better your medicines help overcome sickness, and the greatly increased knowledge your Physician has to keep you well. These benefits are not "Accidental."

All over the world research scientists are searching for new and better treatments. The pharmaceutical industry expends vast sums to perfect a single better drug. Almost as great a "Miracle" as the results they accomplish is the comparatively low cost of medicines. You are actually spending less per sickness than you ever did before.

BROADCASTING FERTILIZER BEST ON PERENNIAL PASTURE

COLLEGE STATION. — Maintaining an improved perennial pasture capable of producing large quantities of quality forage is of real importance to livestock producers in the humid section of Texas.

Research workers at the Angleton Experiment Station have found that tillage of any sort favored the growth of ragweeds and had no beneficial results on maintaining the pasture. The application of phosphate increased the percentage of white clover in the pasture mixture and nitrogen in addition increased the percentage of Dallisgrass and decreased the clover. Potash had no effect upon the plant composition of the Angleton Station pasture.

Where tillage was not involved, there was no difference in yields due to fertilizer placement. Disking or rotary tilling or plowing the fertilizer below the surface gave lower yields and disturbed the root systems which were found to be very extensive in the top two or three inches of soil. The use of phosphate and nitrogen gave the best yields in the three-year tests.

Radioactive phosphorus was used to measure the uptake of phosphorus by both Dallisgrass and white clover. Here again broadcast phosphate was utilized more efficiently than was phosphate placed in bands two inches below the surface and seven inches apart.

These and many other findings

are carried in Bulletin 805, Effect of Fertilizer Placement on Perennial Pastures, recently released by the Texas Agricultural Experiment Station. Copies are available from the Agricultural Information Office, College Station, Texas.

Hazel Elliott, Leta Hester and Benny Morris returned Monday from Colorado Springs, Colo. They visited Mrs. Elliott's son, Pvt. Jerry Elliott, who was stationed there.

Week end guests in the home of Mr. and Mrs. Bob Gage were her brother, Norman Lusk, and family and her sister, Mrs. Lela Flowers, all of Lubbock.

CARD OF THANKS
Thanks to the Methodist Church at Benjamin for the flowers sent us after the passing of our son, John Crenshaw, in Chicago.
Mr. and Mrs. D. W. Crenshaw

Friends in Knox City learned last week of the death of John W. Jones, father of Perry K. Jones, former principal of Knox City High School. He died in Clinton, Okla., July 16 following a lengthy illness.

Mr. and Mrs. Paul Hoge were in Wichita Falls Sunday to attend open house in the new building of Southwestern Drug Co.

C. J. REESE

NORTHWEST TEXAS LAY RETREAT SET

Bishop Richard C. Raines and Thomas B. Clay, lay leader of the Genesee Methodist Conference will be the featured speakers for the Ninth Annual Northwest Texas Methodist Conference Laymen's Retreat to be held at Ceta Canyon Methodist camp near Canyon Friday to Sunday, Aug. 5-7.

Raines is the resident bishop of the Indianapolis area. He is a native of Iowa, was educated in Cornell and Boston universities and served several pastorates in New England before going to Hennepin Avenue Methodist Church in Minneapolis, Minn., where he was pastor from 1930 to 1948, when he was elected Bishop. Raines is a member of several church agencies and commissions.

Raines will speak Friday at 8 p. m. on "Take Your Share;" Saturday at 10:45 a. m. on "No Other Names;" Saturday at 8:05 p. m. on "A Christian and His Life;" and Sunday at the 10:45 a. m. worship service.

Clay was a member of the uniting conference, which formed the Methodist Church as it is known today, and of all subsequent General and Jurisdictional Conferences. He is a member of the General Board of Lay Activities of the Methodist Church, and has headed evangelistic and stewardship campaigns in the Syracuse area. He is a member of the Buffalo District Church Extension society. His occupation is that of a wholesale merchant.

Clay will speak at 9 a. m. Saturday on "The Spirit Leads;" Saturday at 2:45 p. m. on "Working Our Faith;" and Sunday at 8:45 a. m. on "Men—Power."

Saturday's session will feature two informal workshop sessions at 9:45 a. m. and 3:45 p. m. and a

Sharon and Ann Underwood, Laquita Sego and Betty Jo Holmes accompanied Murray Underwood of Andrews to Wichita Falls Sunday. They attended a Toyland Show sponsored by White Auto Stores.

Mr. and Mrs. Doyle Graham and children were to leave today for a vacation trip to Cour d'Alene Idaho, where they will visit Mrs. Graham's parents.

Mrs. T. S. Edwards was called to West Columbia, Texas, Friday to be with her sister, Mrs. R. R. Banner, who is seriously ill. She was accompanied by another sister, Mrs. C. L. Bailey of Wichita Falls.

Mr. and Mrs. Jack Melvin and children returned recently from Austin and San Antonio. In Austin they visited Mrs. Melvin's mother, Mrs. Lula Gates; her sister, Mrs. Sarah Preece and son; and a niece, Mrs. Bob Marcus, and son. In San Antonio they visited another sister, Mrs. Ollie D. Dubose, and a niece, Mrs. John Vestel.

Search the Scriptures No. 2

"Search the scriptures; for in them ye think ye have eternal life: and they are they which testify of me" (John 5:39). "Be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear" (1 Peter 3:15).

A Christian ought to pride himself in being able always to give a scriptural answer for anything he believes or practices. He certainly ought never to resent any who question his convictions. That gives him an excellent opportunity to show the scripture that teaches the questioned doctrine.

Because the Bible is so insistent that we investigate every religious doctrine and be certain it is the truth, it is worthwhile to find the scriptures that justify what we teach:

(1) MUSIC IN WORSHIP — If you diligently study the Bible can you find the passage that teaches mechanical instruments should be used in Christian worship? "Singing and making melody in your heart to the Lord" (Ephesians 5:19).

(2) ACTION OF BAPTISM — Even with a searching study can you find a passage in the scriptures that teaches anything except immersion as baptism? "Therefore we are buried with him by baptism into death" (Romans 6:4).

(3) PURPOSE OF BAPTISM — Through careful study can you produce the scripture that teaches baptism is not for the remission of sins? "Repent, and be baptized . . . for the remission of sins . . ." (Acts 2:38). "Arise, and be baptized, and wash away thy sins . . ." (Acts 22:16).

Surely these important religious questions merit an honest answer. Be certain that this answer comes from the scriptures. Remember, if you have the truth you have nothing to fear by "searching the scriptures."
