

Texas C of Democratic Chiefs Advertise at Texas

June 26, 1930, upon delivery one of the stamps, one of the 69 stamps, and is the West Texas Chamber of Commerce is in the business, selling 1,500,000 stamps booklet covers: first for the organization to advertise the West on a national basis. are air-mail size, in and gummed in sheets to the book. chamber sells each dollar and throws in good measure. The commerce, after making in bulk, in turn at a suggested price, to local business from its 50 percent transaction, gets a hand to issue a piece of advertising.

Contract Made
The sale on contract basis of the West Texas Chamber of Commerce, manager of the service and in charge of the selling campaign. They put the deal up to Abilene, for two reasons: (1) that city having lately entertained a general convention at which the stamp-poster deal was formally approved by resolution; and (2) as a compliment to the chairman for the publicity committee which handled Max Bantely, an Abilenean. The Abilene Chamber of Commerce took its quota's worth \$500; and Abilene Reporter-News made the purchase of the penny-anime stamps.

Stamps
West Texas-poster stamps are lithographed, and each bears the slogan: "Texas Raw Material Capital of the World." In addition, the resources are quickly set out: one-half of the nation's cotton-fifths of its oil, three of its wool and mohair, one of its cattle, maximum sunshine moderate temperature, the countryman's Paradise, etc.

The idea behind the stamp deal is to sell West Texas to the world; to put over in the minds of the people every where, first the identity of West Texas; and second, its major possibilities. The trifling costs make it possible for the great body of the citizenship to take part in actively advertising the territory, on a tremendous and ever-repeating scale, by placing stamps on outgoing mail letterheads, envelopes, packages. As manager Bantely puts it, "The first purpose is to obtain the cooperation of business and professional men throughout West Texas in doing a good advertising job for West Texas; second, to tie more closely the members of the West Texas Chamber of Commerce and to build up a plan to advertise West Texas nationally."

Master Billy V. Favor who has been visiting his aunt, Mrs. H. C. Morrison of Amarillo, has returned home.

JUNIOR B. Y. P. U. PROGRAM

- Monday, June 29
1. Subject, "Stories from Brazil"
 2. Hercules's Conversion, Carl Holm
 3. What God's Word Did, Arnold
 4. In Prison for Preaching, Claydene
 5. Encounter with a Bandit, Bill
 6. Saved from Suicide, Wade Howard
 7. A Carrier Who Loved the Bible, Herring
 8. The Conversion of a Boy, Paul
- AB Junior boys coming to B. Y. P. U. 8:45 Sunday evening.

Democratic Executive Committee at Benjamin certifies following names for district, county and precinct offices. The names appear in the order in which they were drawn by the committee and in which they will appear on the ballot:

- Associate Justice of Civil Appeals:** W. P. Leelle, Eastland.
- Congress, 18th Congressional District:** Marvin Jones, Amarillo. James O. Cade, Amarillo.
- State Senator, 23rd Senatorial District:** Geo. W. Baccus. Roy J. Dandel. Ben G. Oneal. Ruben Loftis.
- Representative, 11th District:** George Moffett. Q. D. Beauchamp.
- Dist. Atto. 50th Judicial District:** Dick Dorrser. Wm. B. Combest.
- County Chairman:** Chas. Moorhouse.
- County Judge:** S. T. Easley. J. W. Melton. A. B. Reese. O. W. Lee. N. S. Kilgore.
- Sheriff:** C. R. Elliott.
- Tax Collector:** C. W. Smiley. Miss Sarah Wright. R. C. Spinks.
- County Treasurer:** J. T. House. J. P. Kennedy.
- District Clerk:** J. C. Patterson. Roy Phillips.
- County Attorney:** T. W. Templeton.
- Tax Assessor:** J. C. Rice. Earl Sams. Lee Coffman.
- County Clerk:** T. Chamberlain. Thos. F. Glover. A. E. Propps. Thos. R. West.
- County Superintendent:** Mrs. Ethel Lee P'Pool. Mrs. E. F. Branton.
- Commissioner Precinct No. 1:** Wm. Griffith. M. G. Nix.
- Commissioner Precinct No. 2:** W. C. Gben. Oran Driver. O. L. Patterson.
- Commissioner Precinct No. 3:** J. W. Chowning. Bryan Lowrey.
- Commissioner Precinct No. 4:** H. H. Langford. D. C. Osborne.
- Public Weigher Precinct No. 5:** W. W. Gleason.
- Public Weigher Precinct No. 4:** Norman Roberts. Parks Norris.
- Public Weigher Precinct No. 5:** W. E. Raney. Quincy C. Davis.
- Public Weigher Precinct No. 6:** Lee Haynes.
- Justice Peace, Precinct No. 8:** R. M. Stevenson.
- Justice Peace, Precinct No. 1:** M. F. Harbert.
- Constable Precinct No. 1:** W. A. Holt.

DAIRY DEMONSTRATIONS OF KNOX COUNTY SHOW PROFIT

Dairy demonstrations show \$5 to \$12 profit during the month of May regardless of the low price of cream. C. B. Warren of Goree cleared \$50.72 from a herd of four cows or an average profit of \$12.50 per cow. The value of good cows as one essential to profit is shown in this herd; as Mr. Warren has two cows that produced more than 50 pounds of butter fat last month, showed a clear profit of \$14.00 per cow. Five acre oat pasture was worth \$13.00. According to records kept on J. F. Lawrence herd of five cows during the month of March Mr. Lawrence cows were on oat pasture and showed a clear profit of \$36.64 during the month of May on dry feed alone a profit of \$22.30 above feed cost was shown. C. L. Wilson, Co. Agent

Mrs. Branton for County Superintendent

The Herald wishes to state that Mrs. E. F. Branton is making an earnest effort to see every voter of Knox County in the limited time she has due to her school's late closing but if she fails to see everyone she will appreciate your careful consideration and vote. Mrs. Branton's experience in school work having taught eleven years and the past eight years in Union Grove School, will enable her to perform the duties of county superintendent efficiently. If elected she promises to devote her entire time and personal attention to the duties of the office, as she has done in her school teaching. And if she is elected she will move to Benjamin where she will maintain an office for the convenience of those who seek consultation pertaining to the welfare and improvement of the educational system of the county. Before you cast your ballot we ask you to consider her worthy of this important office.

RUFUS AND RASTUS TO PERFORM IN SCHOOL AUDITORIUM

Knox City's well known colored comedians Rufus and Rastus, Lloyd and Lynn Waldrip, will entertain the public with their black faced comedy stunts Wednesday night of next week in the school auditorium in between-act features of the play "The Path Across the Hill." The play is being staged by the Couples Class of the Knox City Methodist Sunday School, the proceeds of the play being used for the song books which the class recently presented to the church.

Lloyd and Lynn speak for themselves in what they can do by actually doing it. Both are excellent negro impersonators and when acting together there is no comedy left out. They have some brand new stunts to pull Wednesday night that every one wants to see and hear.

LAYMEN ANNIVERSARY DAY

Sunday is Laymen Anniversary Day at the Methodist church and the morning program will be in keeping with the day. Mr. L. W. Graham, Lay Leader, will have charge of the program and the theme for the service will be "Man and his Church". Four talks will be made on the different subject, those taking part being E. O. Jamison, J. A. Wilson, M. F. Whitton and Mrs. T. S. Edwards. Special musical numbers will be arranged for the service. Every one is welcome.

"The Path Across the Hill"

The play "The Path Across the Hill" which will be staged next Wednesday night, July 2nd, in the school auditorium promises to be one of the best home talent plays ever given in Knox City. Mrs. Tom Bolin, who is directing the play, selected her characters well, Mrs. Henry White, who has the leading roll for the ladies, will be your ideal as a fine, home loving, gentle girl. Mrs. Holt Moseley will also please you in portraying the city bred rich girl. Although she succeeds in taking from Ruth her lover she later pays for her own trick in heart felt arguments with the Dr. Jimmie Reed who is none other than Ray Willis. Mrs. John Smith alone will be worth the price of the play in her roll as a young country girl who is too severe to hold in love to hide her feelings and who takes a cold to severe to hold in her sneezes and keep her nose blown. Lee Smith plays the part of Walter Ruth's brother and incidentally Luttie's sweetheart and he will not disappoint you. John Smith has the leading roll for the men and his good delivery and actions makes him fine for his part. Although in for revenge in the first two acts of the play he softens and love rules his heart in the final act. Hayden Fortenberry takes the part of Grandpa and he does excellent. The entire play is centered around the life of grandpa. His part is filled with pathos; however, these incidents are interspersed with wholesome comedy by either the colored people or Luttie, which is played with Mrs. John Smith. The whole play is a hit; the kind every one enjoys. The colored lady, Miss Zuzu, will be played by Mrs. Sweeney. Although the writre was never a colored person before, we hope to get the part over and give you a few good laughs. Lloyd Wardrip will be the negro man, salamander Elexander John Henry Jones and without a doubt he will give you many hearty laughs. Get your ticket to the play early. They are on sale now by the Sunday School class members. Your cooperation will be greatly appreciated.

C. W. A. MEETING

The Christian Womens Association meets at the Baptist Church Monday, June 30th at three P. M. The devotional will be given by Mrs. J. C. Mann, followed by a prayer led by Mrs. J. E. Clarke. Mrs. Press Clarke will give a solo after which the business session will follow. All the members are urged to be present.

WEST TEXAS CROPS IN GOOD CONDITION

June 18, 1930—West Texas crops are in satisfactory condition, at present, according to a survey just made over the 45 counties which the West Texas Utilities Company serves. This is due to the good rains which have been had during the spring and early summer at all points over the section. Crops as a whole over the West Texas properties will average normal to 15 per cent increase in production if rains continue through the full growing season as they have this year to date. Though cotton and corn and wheat crops have shown a near normal production, feed crops have been above average this year. Trade and business conditions are reported to be much better than thirty days ago but are still sub-normal. While crops are in a satisfactory condition at present and promise an average to above normal production, at least moderate rains must continue through the summer to insure their full success.

Dr. Emory's brother of Fort Worth spent several days here last week.

Hospital Notes

Those in the hospital this week are Mrs. J. W. Thompson of Boise; Mrs. Ike Simmons of Knox City; Mrs. J. C. McGee of Knox City; Mrs. W. H. Kenada of Rochester, Hugh Rogers of Fort Worth; Mrs. J. L. Barner of Berger; Miss Betty Chilcoat of Truscott; Mrs. M. B. Austin of Aspermont; Mr. W. D. Stewart of Weimert; Miss Irene Warren of Merkel and Melvin Griffith of Rochester.

BAYLOR-KNOX-HASKELL COUNTY FIFTH SUNDAY MEETING KNOX CITY JUNE 29 ALL DAY

Program

Bible School Review 9:45 a. m.
Sermon by Arthur Long of Fort Worth, State Secretary 10:45
Communion Service 12 m.
Dinner free for all present 12:20
Prayer and Praise Service led by E. R. Forrester 3
Address by Harry Hines, Wichita Falls 3:30
Prayer and Praise Service 8
Sermon by M. C. Jackson of Olney 8:30
Mrs. T. A. Parsons of Benjamin will conduct the singing.

Let all come who can and stay until the last service closes. Dinner and Supper will be free for all. A. R. Caudle, Secretary

WEST TEXAS CROPS IN GOOD CONDITION

June 18, 1930—West Texas crops are in satisfactory condition, at present, according to a survey just made over the 45 counties which the West Texas Utilities Company serves. This is due to the good rains which have been had during the spring and early summer at all points over the section.

Crops as a whole over the West Texas properties will average normal to 15 per cent increase in production if rains continue through the full growing season as they have this year to date. Though cotton and corn and wheat crops have shown a near normal production, feed crops have been above average this year. Trade and business conditions are reported to be much better than thirty days ago but are still sub-normal. While crops are in a satisfactory condition at present and promise an average to above normal production, at least moderate rains must continue through the summer to insure their full success.

Dr. Emory's brother of Fort Worth spent several days here last week.

TO THE TAX PAYERS OF KNOX COUNTY GREETINGS

For the past four years there has been circulated over the south side of Knox County certain false and scurrilous statements which are very hurtful to my candidacy for County Judge of Knox County, and are also unfair to two good citizens of Knox County who served with me in the Commissioner's Court for a period of four years. Up to this time I have ignored these false statements, but on the advice of some of my good friends I have decided to present the facts to the citizenship of Knox County.

During the campaign of 1926 some of my friends who resided in Commissioner's Precinct number 4 advised me that certain parties over there were putting out the report that I was opposed to the re-adjustment of the Road and Bridge tax and Automobile License tax. I find that this false statement is still being circulated in that part of Knox County. In order to forever put to an end these scurrilous statements, I am publishing some records of the Commissioner's Court to show the falsity of said statements. These statements are nothing more than a lot of political buncombe and tommyrot, the purpose of which was to bring about my defeat and to advance the political fortune of some other citizen.

The Commissioner's Court of Knox County speaks through its minutes. Below I am giving you a copy of the minutes of the Commissioner's Court of Knox County called in special session by myself for the specific purpose of a re-adjustment of the Road Tax and Bridge and Automobile License Tax of Knox County. I am giving you the volume and page number to the end that you may, if you so desire, compare this copy of the minutes with the original, which you will find in the County Clerk's office at Benjamin, Texas.

MINUTES

Volume 5 page 83, Commissioner's Minutes of Knox County Texas. Be it remembered that the Honorable Commissioner's Court of Knox County, Texas, convened in special session on this date with the County Judge, all of the Commissioners and the County Clerk present. The following proceedings were had to-wit: On this day came on to be considered the re-apportionment of the Road Tax of Knox County, Texas, and it appearing to the Court that said tax should be apportioned according to the valuation of the taxable property in the respective precincts of said Knox County, it is therefore ordered by the Court that the Road and Bridge Tax and the Automobile License Tax be apportioned to the several Commissioner's Precincts of said Knox County, Texas in proportion to the amount of the valuations of taxable property, respectively, in each of said precincts. And it is further ordered that a list of the taxable values of each precinct and also of the Automobile Registrations for each precinct be made as soon as possible and the percentage of tax to be apportioned to each precinct be determined by said lists.

It is ordered that the County Judge and each of the commissioners be allowed the sum of \$4 for one day attendance at this term of the court.

The above and foregoing minutes read and approved in open Court this 27th day of July, 1926. Thomas F. Glover, County Clerk N. S. Kilgore, County Judge I desire to say to the people of Knox County that I gave you four years of faithful service. I looked after the interests of all the people. I regarded the citizens of the entire county as my constituents, and all this political buncombe about being partial to certain parts of the county is too preposterous to engage the attention of any intelligent citizen. If I am so fortunate as to be elected your next County Judge, I promise you to look after your interests and to make a strong effort to reduce the current expenses of your county. If it be my lot to again be defeated at your hands, I trust it shall not be caused by the circulation and dissemination of the above mentioned false and scurrilous statements.

Yours respectfully,
N. S. Kilgore
(Political Advertisement)

On Friday June 20th the Hustling Fireman's team completely annihilated the Legion Baseball nine, the score being 5 to 1.

The brilliant pitching of John Dutton kept the Legionnaire to a trio of hits, while the Firemen singled old Letty Hulsey for about 11 smacks for a total of 5 runs.

The Smithsonians possibly will recruit their team, altho plowing season is on heavy now.

The old Veteran umpires, Clonts and Shaver, were at their post of duty and called a non squabble game, Say's Sam "Play Ball".

The spirit of '76 was kept throughout the entire game, and all had plenty of pep at the close of the game, except those who got into a chase.

We are glad to have Mrs. Lizzie M. Turner as a new subscriber and reader of the Herald this week. M. L. Goodson is also a new subscriber this week.

graduating exercise of the Baptist Hospital in Abilene last Friday night.

Mammy Smith, Mrs. J. A. Wilson, John Elbert, Florence and Jack visited relatives in Arlington last week and the first of this week.

Mr. and Mrs. W. E. Benedict spent Sunday in Crowell. They were accompanied there by Mrs. Benedict's mother, Mrs. Lanier, who remained in Crowell for a short visit.

Mr. and Mrs. J. T. Osborn and daughter, Miss Grace and Mrs. Osborn's mother visited last and this week in East Texas. The latter remained there for an extended visit.

Thursday afternoon of last week there was a baptizing at the Knox City Church of Christ which closed a revival Mission Meeting held for two weeks in the Brock community. The Reverend Wall conducted the meeting.

KONJOLA WORKED WONDERS IN MY STUBBORN CASE

Fort Worth Man Relieved of Severe Attack of Rheumatism, Eagerly Praises New Medicine

MR. JOE CONNELLY

"For over a year I suffered with muscular rheumatism," said Mr. Joe B. Connely, 594 Belknap Street, Ft. Worth. "My entire body was a mass of aches and pains. Finally I was forced to give up my work and was confined to bed. The pains were so severe that I had to be moved very carefully and was helpless and bedridden for three months. My nerves were completely gone and I felt at times that I could not bear my suffering another day."

"I sent away for my first treatment of Konjola and was amazed at the results. Within three weeks I was able to get up and around without assistance. Gradually the pain and soreness left me and I began to feel my old self again. My nerves settled, constipation was completely banished, and I do not remember when I have felt as well as I do now. Konjola certainly worked wonders in my case."

Though Konjola works quickly and many sufferers are greatly benefited in a week, a complete treatment of from six to eight bottles is recommended for thorough results.

Konjola is sold in Knox City at the Orient Drug Store, and by all the best druggists in all towns throughout this entire section.

COMPARISON OF COTTON CROP AND AUTOMOBILE OFFERED BY CITIZEN SHOWING SURPRISING AUTO COST

(By W. A. Bennett)

This being a farming community and cotton the main crop (and almost the only money crop grown in this trade territory) naturally every one watches with interest and solicitude its progress from planting time until it is harvested and sold. It pays the farmers' obligations and provides his family with the necessities and luxuries of life. The guns hum day and night. The compress and oil mills are busy and thousands of people find profitable employment. The merchant and bankers have broad smiles, for business is good. But if the crops are not so good and the price low, then we are all in the dumps.

The automobile is a great invention and is a blessing to mankind. It brings the farm nearer to town. No longer does the tired farm team have to trek many weary miles to haul (in clumsy farm wagons) the crops and produce to market. We can remember when the farmers family was compelled to remain isolate on the farm not having an opportunity to go to town except at long intervals because of the lack of transportation facilities. Two days were usually required for the trip to town and what a day it was sightseeing and loafing on candy and nuts and other things. And after the return home sitting around a bright log fire, tired but happy, recounting the experiences of the day.

But the automobile has changed all of that. Now on Saturday afternoon we jump into the car and smoothly and pleasantly over the road to town in a few minutes. We meet the neighbors and talk about the crops, take in the movies buy our groceries and back home in time to milk old honey and feed the chickens before sundown.

The automobile furnishes fast transportation and lots of it. It gives employment to many thousands and is a source of much pleasure. But there is another comparison to make. The cotton crop of 1923 was only fair in this territory. In round numbers 12,000,000 bales were ginned which brought approximately \$71.00 per bale which equals \$1,965,000,000. 750 tons of seed at an average of \$21.00 a ton equals \$157,500,000. Total \$1,297,500,000.

There are about 1200 cars owned in the surrounding community, the first cost of which will average not

600.00. We have in this town nine wholesale dealers in gasoline and oils. The combined average sales including the retailers profit approximately \$234,420.00; \$17,550.00 less for gas and oils for tractors makes \$216,870.00.

Add to this the registration fee which averages about \$2.00 per car. Total \$10,800.00. Cost of upkeep tires, tubes and other repairs not less than \$125.00 per car per year making \$1500.00. Total \$949,120.00, against a gross income from cotton of \$1,297,500.00. This leaves \$348,380.00 to pay for the cost of production, harvesting and a thousand and one other things that might be listed as legitimate or necessary expenditures.

If the above comparison mean anything at all it is that we must make more money or less mileage on our cars. —Chillicothe Valley News.

And still we holler hard times, the more money we send to Detroit the harder they will be. What is true in Chillicothe is true all over the south. Don't blame old man cotton when it is all our fault.

COUPLE HONORED WITH SHOWER

Complimentary to Mrs. Guy Robinson, a recent June bride, the Sunday School class of Mrs. Shirley Parks entertained with a shower and lawn party Monday evening on the lawn of the T. S. Edwards home.

Floor baskets of shasta daisies, vases of roses, phlox and larkspurs gave added charm to the lawn background for the seat of honor occupied by Mrs. Robinson.

Miss Sydna Virginia Edwards directed the evening's entertainment. An amusing account was read of the marriage of "Guy and Ruby". This was followed by a "Matrimony" contest which afforded plenty of amusement. In this contest Mrs. Sam Clonts and Mrs. Edwin Carpenter were prize winners.

At the close of the contest the Misses Pauline Benton and Elsie Graham entered at the south walk carrying a large basket of artificial vegetables. As they entered they presented a little dialogue characterizing "Guy and Ruby". The basket of vegetables were presented to Mrs. Robinson and Mrs. Shirley Park asked Mrs. Robinson to display her ability in preparing the vegetables. The interior of each vegetable revealed many nice and useful gifts. The gifts that were too large and too fragile to be placed in the vegetables were brought in on large trays and presented to the honoree.

After the gifts were opened and admired in their turn a refreshment plate was passed to each guest by the members of the class.

The Herald office will be closed Friday. The operator, janitor and general flunkie Mac will go to Abilene in search of some better glasses. He must get better sight or a new job. Guess the other two Sweeneys will go too!

What Will you do

When your Children Cry for It

There is hardly a household that hasn't heard of Castoria! At least five million homes are never without it. If there are children in your family, there's almost daily need of its comfort. And any night may find you very thankful there's a bottle in the house. Just a few drops, and that colic or constipation is relieved; or diarrhea checked. A vegetable product, a baby remedy meant for young folks, Castoria is about the only thing you have ever heard doctors advise giving to infants. Stronger medicines are dangerous to a tiny baby; however harmless they may be to grown-ups. Good old Castoria! Remember the name, you a sleepless, anxious night. It is always ready, always safe to use; in emergencies, or for everyday ailments. Any hour of the day or night that baby becomes fretful, or restless, Castoria was never more popular with mothers than it is today. Every druggist has it.

I seriously doubt if anybody ever contracts disease when what we call "bodily resistance" is normal. Many of us come in contact with disease germs every day; but because our bodies are functioning normally the infectious germs are unable to find lodging.

The human digestive tract is singularly built to withstand infections. We swallow probably millions of germs, perhaps, in water, milk, raw fruits and other things of simple bacteria; these are for the most part promptly discovered by healthy digestive juices. It is so with domestic animals; they drink and eat much that is impure, yet healthy digestive fluids protect them from disease.

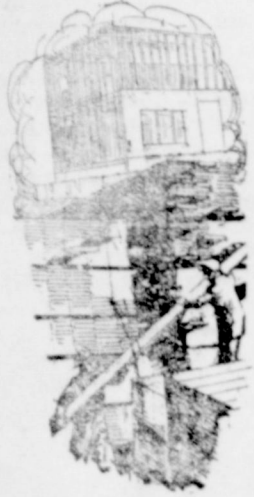

The time, however, when disease producers hop in and make themselves at home is when we are, in general parlance, "run-down" from one cause or another. Overwork is a certain invitation to the entrance of disease germs. This means overloading the stomach for protracted periods, wearing down the muscular system by heavy toil, and tearing down the nervous system by constant grind in those strenuous days. Anything that taxes the system beyond its endurance invites disease, which rarely appears otherwise; so that, when we get sick, we had better cast about for just how we forgot the law of right living.

"Lowered bodily resistance," then is a factor in almost all diseased conditions. The physician sets in to "clean house" and to restore health by systematic rest for the overworked organs. Unless he can enforce suitable rest, he will have a slow recovery. If never pays to go to work too soon after any illness.

Overwork—overwork! It is foolish. A man may tax his bodily resistance in dissipation—it is overwork just the same, thought not in gainful employment. He may habitually lose sleep until his nerves become tired; disease sets in, and he wonders why. Overdoing may be in pleasurable pursuits entirely. If you are overdoing—quit before it's too late.

Mr. Moseley of San Antonio is here visiting his son, Mr. and Mrs. Holt Moseley.

...any good, but the progressive farmers of today are practically all college graduates, and the leadership in every movement for the betterment of farm conditions comes from these schools.
 Our National and State departments of Agriculture have enlisted in their service—the service of the American farmer—scores of men of high scientific attainment, engaged in vital research into the manifold problems which our farmer must solve if he is to succeed, they are engaged in any other field of scientific inquiry. Our agricultural experiment stations have taught the "man with the hoe" not only how and better ways of doing things but the reason why they are better ways.
 Instead of the inefficient, dull peasant, the type which stands for "farmer" in the city folk's minds, the American farmer has been too progressive, too efficient, if such a thing were possible. By improved and scientific methods he has increased production more rapidly than demand has grown for his products.
 The ultimate result of that will be, of course, that a smaller number of farmers will supply the Nation's needs. And the ones who will remain and prosper on the farms will be the ones best fitted by education and intelligence to do the job. And they will be even less like "Rubes" than the farmers of today.
 Mr. and Mrs. Sam Favors were called to Abilene last Thursday in the illness of their son-in-law and little grandson.
 Mr. and Mrs. Guy Farmer and daughter, Love, of Seymour were here last week to see Mother Farmer.
 Miss Erin Hemmerington of Abilene left Knox City Tuesday for Rule and Sagerton after spending several weeks with Miss Mary Reeder.
 Services Sunday night will be dismissed at the Methodist church in respect of the all day meeting which will be held Sunday at the local Christian church.

SURPRISE POUNDING
 The lawn at the home of Mrs. T. P. Frizzell Sr. was the scene of a surprise pounding and 42 party given Tuesday night for Mr. and Mrs. Billie Clarke.
 Mrs. Gordon Acker presided at the register book and Misses Clara Clarke and Elizabeth Griffith at the punch bowl.
 After games of 42 trays covered with everything good to eat were carried out and presented to Mr. and Mrs. Clarke.
 The guests list consisted of Mr. and Mrs. Billie Clarke, Mr. and Mrs. J. E. Clarke, Mr. and Mrs. C. A. Branton, Misses Clara Clarke, Margret Reeder, Claydene Hoge, Sydna Edwards, Mary Eliza Clarke, Elizabeth Griffith and Blossom Von Struve and Lee English, Roy Crawford, Earl Crawford, Marty Swazy Clarke, Mr. and Mrs. Gordon Acker, Mr. and Mrs. Vernon Bridges, Mr. and Mrs. T. P. Frizzell Jr. and Mrs. T. P. Frizzell Sr.
TO HAVE SINGING REVIVAL
 There will be a singing revival held all next week, not including Saturday night, at the Knox City Baptist Church. Mr. W. W. Hyde and Mr. Press Hitchcock will conduct the services giving instruction in the rudiments of music and gospel singing. It is free and open to everyone. We hope to make this a community song revival so come, every one, and fill the church.
 Reverend Stovall, pastor.
 Mrs. Robbins urges that every member of her Sunday School class be present Sunday. Those who should be members and are not coming, be present Sunday. The teacher is wonderful and the class is interesting. Let's each one be present Sunday and help carry on this fine work.

 S. J. Reeves is a new subscriber to the Herald this week. Also W. V. Favors is a new reader.
 Wednesday was a scorcher the temperature reached 108 in the shade.

DEMOCRATS DRAW TICKET
Covers
 The cover is standardized, highly lithographed in multi-colors, and produced in quantities so as to be available at a minimum cost. It adopts the idea of the rising sun a trade mark for all present and future West Texas advertising; and, although advertising West Texas itself, allows each town to employ and prominently identify itself. Matter descriptive of the town goes inside the cover. It offers normally the most expensive piece of advertising literature—the colored-cover at a price far beneath that which any town can procure for itself on the individual basis. "These covers appeal to us greatly," said T. N. Carwell, secretary of the Abilene Chamber, in giving his \$500 order to Banteen and Peters, "for it happens that we are getting ready to put out a piece of literature on Abilene and our message will be contained inside this beautiful standardized cover."
Profit to WTCC
 The West Texas Chamber has already made its first order of 1,500,000 stamps and 300,000 covers from Wimberly Hubbard Co. of Fort Worth. The price was \$6.30 or at the rate of 6.3 cents for a sheet of 15 stamps plus three covers. The small profit accruing to the WTCC on sales will be used in issuing a piece of descriptive literature for itself. It is a deal which everybody wins and nobody loses.
 The resolution adopted by the convention at Abilene read: "Resolved, that the convention adopt the publicity plan of stamps and booklet covers; that this committee be empowered to assess each member town with its fair prorata of stamps and covers, which assessment will be subject to the final approval of each member town."
 Peters is taking the proposition to 140 members towns, and quotas have been fixed on the following basis: 500 to 1,500 population, \$50; 1,500 to 3,000 population, \$75; 3,000 to 5,000 population, \$100; 5,000 to 7,000 population, \$150; 7,500 to 10,000 population, \$200; 10,000 population, \$300; 20,000 to 50,000 population, \$500, and over 100,000 population, \$1,000.
 Mrs. Sam Anderson, Miss Margaret Reeder and Miss Bernice Swift left Thursday for Lockhart where they are visiting relatives.

"Very Latests"
 By MARY MARSHALL
 For several reasons the two piece suit, if included in the wardrobe at all, has been restricted to spring and autumn. Dresses worn without wraps have been the usual choice for summer. With the jacket suit paying a leading role throughout the spring it is only natural to expect a continued interest in this sort of thing throughout the warmer weeks, and there is a place in every woman's wardrobe for at least one such costume.
 The suit shown in the sketch today is of the last described sort and a more practical all-occasion suit for the more mature woman could not well be found. To make a costume of this sort at home requires no unusual dressmaking talents, while the cost of ready made suits of this sort is unusually reasonable this season.

Mr. Link of the Bryan Bank Company was in Knox City Monday.
 Knox City was well represented Monday at the Baptist Women's Council meeting held in Weinstert. It was an all day meeting and among those from Knox City who were present were Reverend Stovall and Bartlett Smith.

 DR. CALDWELL'S
 THREE RULES
 Dr. Caldwell watched the results of investigation for 47 years, and believed that no matter how careful people are of their health, diet and exercise, constipation will occur from time to time. Of next importance, then, is how to treat it when it comes. Dr. Caldwell always was in favor of getting as close to nature as possible, hence his remedy for constipation is a mild vegetable compound. It can not harm the most delicate system and is not habit forming.
 The Doctor never did approve of drastic physics and purges. He did not believe they were good for human nature as put into their system. Use Syrup Pepsin for yourself and members of the family in constipation, biliousness, sour and crampy stomach, indigestion, no appetite, headaches, and to break up fevers and colds. Get a bottle today, at any drugstore and observe these three rules of health: Keep the head cool, the feet warm, the bowels open. For a free trial bottle, post words "Syrup Pepsin," Dept. 111, Monticello, Illinois.

Report was received this week, that Mr. Jim Darr's mother died last week.

Tom Reeder Jr. of Crowell visited his grandmother, Mrs. M. A. Reeder Sunday.

Mr. and Mrs. McLain of Jayton were here last week to see his brother, Mr. and Mrs. J. H. McLain.

Mrs. Jesse Marshall of Union Grove visited Mrs. J. C. McGee at the hospital this week.

Mr. and Mrs. Bill Clarke arrived home Sunday from their trip to Fort Worth, Waco etc.

Miss Jewell Brown of Rochester was here over the week end as the guest of Miss Elisabeth Griffith.

Little Donnie Griffith is visiting his niece, little Miss Clara Juanette Jones, in the Gillespie community this week.

Mr. and Mrs. F. M. Harrison and Mr. and Mrs. E. W. Harrison of the Gillespie community visited Mrs. J. C. McGee at the hospital this week.

Mr. and Mrs. W. D. Baker and son Joe of Dallas were guests over the week end of his mother, Mrs. P. B. Baker at the hospital.

ABILENE DECORATOR WILLING TO MAKE AFFIDAVIT HE SAYS

Took Scores of Treatments Without Results Gained 14 Pounds on Argotane

"Yes, sir, I would go before a notary any time and testify to the wonderful benefits I have received from Argotane," said W. W. Wood, well known decorator who resides at 849 Cypress Street, Abilene, Texas a few days ago.

"My health has been badly broken for the past six years," Mr. Wood continued, "and I have suffered from some ailment or other all the time. I had headaches continually, my kidneys were out of order, my back hurt and I was dizzy at times. I could hardly walk straight and my back and my head would nearly kill me. My stomach was in such an awful condition I would vomit up my food and was hardly able to retain enough on my stomach to barely keep me alive. My stomach was in such a bad condition that I was told I would never get over it."

"I reckon I took at least 50 different kinds of medicines trying to get relief but nothing did me any good and no one can realize what terrible feelings I had unless they the same troubles. Several of my friends recommended Argotane to me so highly that I decided to try it and I am certainly very grateful for the results, for I'm now feeling fine. I have gained around 14 pounds and am enjoying about as good health as anybody. My suffering is gone, my appetite is splendid and my stomach troubles seem to be a thing of the past. Things are quite different with me now and I feel that I would not be doing the right thing now if I did not tell others about the medicine I have reaped so much benefit from."

Genuine Argotane may be bought in Knox City at the Orient Drug Store.

Political Announcements

The Herald is authorized to announce the following candidates subject to the Democratic Primary in July.

FOR COUNTY CLERK

- A. E. (Buck) Propps
- Marvin Chamberlain
- Thomas R. West
