NUMBER 25

DAY S ATTENDANCE INCREASES

Baptist Church

According to the figures kept by the various churches, the attendance at the various churches was substantially increasing. The Baptist Church had an increase of 33 in attendance over the preceding week. There were 180 people in school on time.

Classes showing the largest increase and the best increase in the Glad Hand Class and Bible Class.

The Glad Hand Class, of which Smith is teacher had 50 present. This number was not for any one class. The Bible Class, of which N. T. teacher, showed the best. This class had more in attendance on Sunday than it has shown for several weeks.

Methodist Church

Attendance in the Methodist school showed an increase over the number present the previous week. The primary and intermediate classes are being well attended. Superintendents of these classes are Mrs. G. D. McCarty and L. W. Graham. The children, under the direction of the latter, have unlimited opportunity for the unbiassed love and attention of the children, which greatly aids in keeping them in Sunday School, also the little minds in the things to be learned.

First Christian Church

The First Christian Church reported an increase of ten in their school. Although this church does not have a preacher, the church is cooperating in holding Sunday School each Sunday and Communion Service. Mr. W. W. Sunday School superintendent wishes to remind the members of the First Christian Church that Sunday School begins at eleven o'clock and the Communion at eleven o'clock.

Church of Christ

Attendance at the Church of Christ increased according to the records in any of the churches. It is that of the Church of Christ in the last three weeks. Attendance at this Sunday School has doubled. Sunday School is held at seven or seventy five.

On account of the bad weather the Bible School at the Church of Christ was held at eleven. Griffith is teacher, had a good attendance; however, the coming of better weather, the people's class is getting a better attendance. Mrs. Cora Robinson is teacher of the young people.

Sunday School at the Church of Christ began at ten o'clock and the meeting is held at eleven. On Sunday there were four new members to join the church. They are Mr. D. N. Darnell, Mrs. D. N. Darnell, Mrs. D. N. Darnell, and Mrs. D. N. Darnell.

Cooperative Report

Support of the various Sunday Schools was made by the secretaries of the various churches. The Herald will be glad to receive these reports each week. The church reports.

Mrs. C. Addison are leaving for Santa Anne where they will make their new home. The Knox County people will miss them each week.

MRS. IDA ALEXANDRA

Funeral services for Mrs. Ida Alexandra were held Monday afternoon in the Knox City Baptist church, and interment was made in the Odd Fellow cemetery about five o'clock. Mrs. Alexandra was born in Erath county, August 3, 1878. She died in Knox county, February 9, 1930.

At an early age, Mrs. Alexandra was converted and joined the Missionary Baptist church in the county of her birth, Erath county. Since that time she has been a devoted Christian worker.

In 1896 she was married to H. H. Alexandra. To this union one child was born, who is now Mrs. Rudolph Hackfield of Knox City. Besides her daughter, Mrs. Alexandra is survived by five sisters and four brothers. They are Mrs. Collins of Southland, Texas; Mrs. Carter of Stephenville; Mrs. Adams of Hamlin; Mrs. Perry of Texline; Mrs. Leatherman of Roy City, New Mexico; Charles Robinson of Rowder; Val and Bob Robinson of San Angelo; and Tom Robinson of Knox City.

Besides these of the immediate family there are other relatives and a host of friends who mourn the going of Mrs. Alexandra.

It is said that Mrs. Alexandra lived for others; that her life was one of quiet peace and happiness, bringing joy to all who knew her. The epitaph used by the Reverend Stovall, who conducted the funeral services, assisted by the Reverend J. C. Mann, was "Her friends are numbered by her acquaintances", which tribute was well paid.

All of Mrs. Alexandra's relatives attended the funeral except two sisters who were kept home because of sickness.

THOMAS R. WEST ANNOUNCES FOR COUNTY CLERK

I wish to announce to the citizens of Knox County that I will be a candidate for the office of County Clerk, subject to the action of the democratic primary to be held in July.

I feel that I am capable of executing the duties of the office of County Clerk. I was born and reared in Knox county, now living in Benjamin and will be glad if any voter will make investigation concerning my efficiency or character. I will appreciate your careful consideration in the matter and if you feel that I am best suited for the office of County Clerk, I respectfully solicit your support.

WESTERN PRODUCE MAKING IMPROVEMENTS

The Western Produce Company, which has recently leased the Knox City Produce House, is making a number of improvements in the building this week. The most outstanding improvement is the new operating room. It is adjoining the office and is eight by twelve feet, and well lighted. Other improvements are being made, all of course, with the idea of being able to give good service to the friends and patrons of the company. Mr. John Martin is still employed at the produce house.

Read the advertisement of the Western Produce Company in this issue of the Herald.

Mr. W. S. Britton and wife of Abilene attended the funeral services of Mrs. Alexandra here Monday. Mr. Britton is an Ex-Sheriff of Knox County.

CAFÉ OF THANKS

We wish to thank our many friends and neighbors for their kindness and sympathy in the long illness and death of our husband and father. The many good deeds shown for the Shaver were climaxed with the beautiful floral offering, for which we are most appreciative.

We would like especially, also, to thank the attending physician Dr. Prizell, for his great help and kindness to our beloved deceased.

Mrs. R. K. Shaver and children.

PAPER NOT WORTH DARN NOW DARN GOOD PAPER

We are in receipt of a letter this week from C. M. Richardson of Gold Hill Oregon. As long as Mr. Richardson received the Knox County Herald, we had no word from him, and he turned the thought over in his mind that the Knox County Herald was not worth a darn.

But the first of the year came and Mr. Richardson's name was taken from our subscription list for the lack of a renewed subscription. This action on our part brought a letter from Mr. Richardson, in which he asked that his paper be continued and that his idea of the Herald was now reversed. "It is a darn good paper."

Hospital Notes

Monday the Hospital was full of patients, most of whom were sufficiently recovered from their illness to return home. After the dismissing of this good number of people, only three remained. They are Pat Propps of Benjamin, Mr. J. P. Chilcoat of Truscott and Richard Barnham also of Truscott.

Little Winnell Horn of Vera was in the hospital the last of the week and returned to her home Monday. She was only four years old, and a very sweet little patient.

Mrs. Buckholt made a business trip to Wichita Falls the last of the week and returned home Saturday.

EDITOR GETS LUCKY NUMBER

For one time in the life of the lady editor we held a lucky number and won a prize.

Mr. B. B. Buckeridge, who has bought the A. B. Reese dry goods stock, has bought other stocks, shipped it to Knox City and opened a business in the building formerly occupied by Reese. It is his plan of offering reduced prices to Knox City he gives with each purchase, a card and during his sale here, he will place an article in the show window bearing the number on each of the cards given away. The numbers of some of the articles are changed every day and some remain for several days. Those who have cards, are to watch the show window and when your number appears on an article, go in and claim the same.

The writer held the lucky number "1920" Monday and received a small cream colored desk clock.

Mr. Buckeridge is from Fort Worth.

Nick Shaver is spending a few days this week visiting in Oklahoma.

OBITUARY

Rufus King Shaver, "Dad" as he was affectionately known to all, was born August 20th, 1859, near Corn Hill, in Williamson County, Texas, he lived almost continuously in this county until he moved with his family to Knox County, January 1st, 1916, since which time, he lived in or near Knox City until he was called by death February 14th, 1930.

He was united in marriage to Miss Mary Louis Land on February 16th, 1882, and to them were born eight children, five boys and three girls, three of whom, two boys and one girl, preceded him in death, the surviving children as follows: N. J. Shaver, Mrs. Lillian Belle Phillips, F. B. Shaver of Knox City, R. A. Shaver of Shallower and Mrs. J. J. O'Brien of Roosevelt, Oklahoma together with his good wife, were with him continuously in his last illness and death and nursed him with loving, tender devotion.

He is also survived by three brothers and two sisters, namely, Jim Shaver, Tulsa, Okla., W. N. Shaver, Jarrell, Texas, Mrs. Aric Haralson, Jarrell, Texas, A. J. Shaver, Waco, Texas and Mrs. D. R. Smith, Ballinger, Texas, two of whom, A. J. Shaver and Mrs. D. R. Smith were present when the summons came, the others were prevented by feeble health.

Other out-of-town relatives present included; C. B. Land, Sr., C. B. Land Jr., J. W. Land of Robstown and B. F. Phillips of Shawnee Okla.

As we think of "Dad", there comes to mind many beautiful things that we could say if time and space would permit, but perhaps the outstanding feature of his life in our community as we know him these fourteen years, was his sunny disposition, from which radiated happiness and good-will to all with whom he came in contact, it was impossible to meet and greet Dad without feeling just a little better and perhaps resolving to strive to emulate this sunny disposition it is a beautiful in one to try to spread sunshine and happiness to those about

Mrs. N. E. Sweatt and daughter, Miss Bertha, Mr. and Mrs. F. N. Harrison and G. G. Parkhill, and family all of Okla. community attended the funeral of Mr. J. C. Reese here Saturday.

us, even though we believe our own inward feeling at times; with "Dad" this fact is much more impressive to those who knew him best and knew of the suffering he bore the last few years.

There is yet a more glowing tribute we can pay to the memory of "Dad", the heritage he has left us in the good family that survive, he lived to see his great desire fulfilled, the foundation of this desire was planted in love and with the fruit of love, has it been nourished; many times have we heard this expression, a more devoted family can not be found; yes, love dwells there, and where love is, God is, for God is love, may the mantle of this love, born of the Divine, rest upon the loved ones left behind and cheer them on to the same victorious end. These beautiful lines illustrate the life and ambition of this good man who tried to profit by his mistakes and to make the way more plain for those who follow.

An old man traveling a lone highway, Came in the evening, cold and gray, To a chasm deep and wide.

The old man crossed in the twilight dim, The sullen stream held no fear for him, For he turned when he reached the other side, And builded a Bridge to span the tide.

"Old Man", cried a fellow pilgrim near, "You're wasting your time with building here, You've crossed the chasm, deep and wide, Why build this bridge at eventide?"

The builder raised his old gray head, "Good friend, there followeth me today, A youth whose feet must pass this way, This stream which has been naught to me, To that fair haired lad may a pit fall be,

He too must cross in the twilight dim; Good friend, I'm building this bridge for him."

Mrs. G. T. Jhardberger left Wednesday for San Angelo Texas to attend the West Texas Sheriffs Convention. He went by way of Munday where he was joined by Sheriff Holmes of Seymour.

C. J. REESE SR.

Mr. C. J. Reese Sr., a resident of Knox City for the past twenty seven years, died at his home last Friday, February the 7th and was buried in the Odd Fellow Cemetery Saturday afternoon, February the 8th. Mr. Reese was born in Georgia, March 8, 1862. He moved to Arkansas in 1880 and in May 1885 he married Miss Ida Cooper. To this union four children were born, of which, three are now living. They are E. P. Reese of Sweetwater, C. J. Reese Jr. and G. W. Reese both of Forth Worth. The fourth child, Artie, died in 1916.

C. J. Reese Sr. was converted and joined the Missionary Baptist church at the age of 24 and has lived the life of a devoted Christian since.

In 1891 the deceased came to Texas and in 1903 moved to Knox county. During these twenty-seven years here, Mr. Reese made a host of friends, all of whom are saddened with his going.

Funeral services were conducted by the Reverend Stovall at the First Baptist church. The display of beautiful floral offerings about the casket, revealed unspoken love and admiration the many friends of Mr. Reese held for him and their appreciation of the sterling character of the one departed.

The body was accompanied to the Odd Fellow Cemetery by a large body of friends and fellow lodges-men. The Masonic Lodge of Knox City took charge of the service at the grave.

Out-of-town relatives and friends of Mr. Reese who attended the funeral services were Mr. and Mrs. Sam Smith, Mrs. E. W. Holms and son Roy of Floydada; Mr. and Mrs. Herman Blackburn and Mr. and Mrs. Ira Blackburn of Leonard; Mrs. M. A. Clifton and son John of Haskell. The Bowden families of Munday; Mr. and Mrs. C. S. Smith and Miss Vera Smith of Dallas; Mr. and Mrs. Benton McEadden and Mrs. Frank Atkinson of Fort Worth; Miss Samona Reese of Plainview; Miss Con-suelia Reese of San Angelo; Mr. Al- vah Cooner, R. C. Rockwell and W. S. Brown of Wichita Falls; and Mr. Jack Crossdale of Abilene.

DEBATING TEAMS GET PRACTICE

The girls and boys debating teams of the Knox City school are getting in some real debating practice last week and this. The teams are getting ready for the county interscholastic meet, with the hope, then of going to the district interscholastic meet.

The Superintendent, Mr. Cloud, took the girls debating team, Daphna Humphries and Loree Branton, to Rule Wednesday afternoon of last week where they debated with the Rule girls. According to the Knexel, the Knox City team won the battle, although there were no judges.

The following day, Thursday, the superintendent of the Rule school and the boys debating team came to Knox City and debated with the local team, Miller Lee and Jack Clergo. It was a hot debate and various citizens of Knox City, who were present, report favorably for the local team.

Monday, the girls team debated again; their opponents being the Rochester team.

It is possible for the Knox City teams to debate for practice with Rule and Rochester because the county meets will not be held at Rule and Rochester will meet at Haskell while the meet for Knox county will be either at Goree or Knox City.

MUNDAY GIRLS WIN CHAMPIONSHIP

In the basket ball tournament held at Goree last week, the girls team for Munday won the county championship. The winning boys team for the county was Goree.

During the tournament, Knox City won one game but lost the next which fact, lost Knox City's chance at winning the championship. Knox City was well represented at all the games during the tournament.

Poultry Cream and Egg Producers of West Texas

We maintain in this, and many other places, a POULTRY BUYING STATION; a place to which you can bring your Chickens, Hens, Turkeys and exchange CASH. Every business day finds this establishment open and ready to serve you. Yesterday we were in the market, today we are in the market and tomorrow will be in the market for your Poultry, and at good prices, prices truly representative of the worth of your poultry always. A constant outlet an uninterrupted every day cash market, for your Poultry is what we provide you.

In order to be able to buy your Poultry day in and day out, week in and week out, whenever you choose to sell, we are obliged to slaughter and market it as dressed Poultry. If we were to ship it all to the consuming centers alive, as some competitors do, we would be in-and-out buyers just as they are. There are many times during the course of each year when the shippers of live Poultry could not possibly pay you within as much as five cents per pound of what we, as dressers, can pay you. Where are the live shippers then, where do they hibernate, and what would you do without us at these times?

If you feel that it is to your advantage to have available to you at all times a dependable fair-price-paying buyer, patronize us whenever you have Poultry to support us; we cannot continue to operate this buying station if you do otherwise. If, upon the other hand, you prefer to market your Poultry when you can, rather than when you choose, patronize the live buyer today, tomorrow and the few days of each year that he is here.

We also buy Eggs, Cream and Hides

Society

BUSINESS MENS BANQUET

The Society section of the Herald is given to any and all social affairs of Knox City. With the exception, of course of unwholesome or defenerate affairs. This space belongs to individuals who entertain from time to time and to the various clubs of the city. This of course, includes the afternoon and evening clubs.

We suggest that those who desire to use this space, or in other words, who wish their parties reported, either send in the notice yourself or allow one of our requesters that privilege.

We hope that all social affairs, whether for the tiny tots or for grown-ups, whether clubs, birthday parties, seasonal parties or what not, will be reported to the Herald.

Girls Club Plans Valentine Party

The N. I. T. I. Club composed of ten single working girls and teachers of Knox City met Tuesday night with Miss Cox in the Withrow Beauty Shop. The first of the evening was spent in playing "kid" games. Then more serious thoughts, were woven into the minds of the girls and plans were made for a Valentine party to be given Friday night with Miss Puckett hostess. The young men of Knox City are to be the honor guests of this party.

Following the discussion, the girls played several games of Bridge after which sandwiches were served.

TUESDAY BRIDGE CLUB

The Tuesday Bridge Club met at the home of Mrs. D. W. Davis February 4th. Playing began promptly at three o'clock with twelve men the single working girls and teachers the honor guests of the party, bers and one guest, Mrs. McLarry, sister of the hostess, of Leonard present. The Valentine motif was carried out in decorations and refreshments which consisted of cream tuna fish, potato chips sliced tomatoes, carmel pie topped with whipped cream and coffee.

The club will meet February the 18th with Mrs. T. P. Fritzell Jr.

DOCTORS AND NURSES HONORED WITH TURKEY DINNER

Mr. and Mrs. J. W. Smith, better known as Mamma and Pappy, entertained the doctors of Knox City and their wives, the hospital nurses Mrs. P. B. Baker and Mr. and Mrs. E. O. Jamison Thursday evening of last week with a turkey dinner. The menu included turkey and all the trimmings and cherry pie topped with whipped cream.

Following the dinner the guests played several hot games of 84. It is rumored that several prominent players went home that evening with a no score record.

Several reports have been made of the wonderful dinner Mrs. Smith served and of the unusual good time afforded the guests during the evening.

The hospital force wish to thank Mamma and Pappy for not only this dinner, but for the many, many good things that both are always doing for them.

OLD FOLKS SAY DR. CALDWELL WAS RIGHT

The basis of treating sickness has not changed since Dr. Caldwell left Medical College in 1875, nor since he placed on the market the laxative prescription he had used in his practice.

He treated constipation, biliousness, headaches, mental depression, indigestion, sour stomach and other indispositions entirely by means of simple vegetable laxatives, herbs and roots. These are still the basis of Dr. Caldwell's Syrup Pepsin, a combination of senna and other mild herbs, with pepsin.

The simpler the remedy for constipation, the safer for the child and for you. And as you can get results in a mild and safe way by using Dr. Caldwell's Syrup Pepsin, why take chances with strong drugs?

A bottle will last several months, and all can use it. It is pleasant to the taste, gentle in action, and free from narcotics. Elderly people find it ideal. All drug stores have the generous bottles, or write "Syrup Pepsin," Dept. B.E., Monticello, Illinois, for free trial bottle.

The Call From Beyond

Every child that is born into the world will be, at some time called out again into the beyond.

Knox City has witnessed the call of four men and women within the last ten days. These deceased were children of God men and women who strived to make the world bright for those around them; who tried to live the life as outlined by the Son of God during his time on earth.

With the passing of these good people, we are prone to wonder in the years to come, when we will be called from this world to meet our reward. Will our lives be as those who have gone before; can our friends, those whom have known us best, say that our lives were unselfish, that we lived for others. Are we living now in the sight of God what we would like to seem in the sight of men?

No one knows the time and place of his calling. For, if he did, it would be easy to cheat God. But he doesn't, and God will not be cheated. The best we can live, the most we can do is not enough.

It is not only the business of a Christian to refrain from doing evil, but it is also his business to do good. To reveal Christ in his life. When you have passed into the beyond, what will be the lingering memory of others for you? What will others say when you are gone? Will your friends, too, be numbered by your acquaintances or will they be numbered by the "fingers on the hand." Think it over. It is never too late to try again.

Why Print a Newspaper?

The merchant who says that every one knows his place of business and that he doesn't have to advertise can be found in Hamburg, and in every other community in the country. This merchant also says that customers come to him when in need of goods, so why should he waste his money advertising? An answer to that question has been made by a newspaper whose advertising man no doubt, stumbled into places of business where the owner possessed that frame of mind. This newspaper answered the question, "Why Should I Advertise?" as follows: "Of course, the newspaper man might say in rebuttal 'Everyone in this community knows all that happens here, so what's the use of reporting the news, what's the use of printing a newspaper?' If the community can get along without a number of other things which are of value. The adults are educated and can teach the children, thus doing away with the need of schools. The parents, being religious, can train the younger ones in the creeds, thus doing away with ministers and the churches. People can loan their money to one another and thereby eliminate banks. They can swap their old clothes or learn how to make home-spuns, thereby greatly reducing expenses and actually putting the clothing merchant out of business. All trade is based upon a desire for goods. Necessity, is, mostly, an augmented desire. Advertising has the function of reminding the people of their requirements and its greatest function—a prime factor in all progress and prosperity is the creating of new desires; they by stimulating trade and production and making for the greatest possible degree of employment."

THE BRIDGE

By Fredrick Peterson

Across the foaming river
The old bridge bends its bow;
My father's built it
In ages long ago.

They never left the farmstead
Past which the waters curled.
Why should one ever wander
When here is all the world?

Finally, friends and garden,
Small fields of rice and tea,
The cattle in the meadow,
The birds in stream and tree.

The pageant of the seasons
As the slow years go by;
Between the peaks above us
The azure of the sky.

The dead they live and linger
In each familiar place,
With kindly thoughts to hearten
The children of their race.

Mrs. J. A. Wilson is able to be up this week. She has been sick for some two weeks.

Mr. Carl Davis of Rochester has sold his gin to Mr. Dick Shaver and the former, with his family, has moved to Knox City.

The Eastern Star of Knox City will meet on Thursday night February the 21st at seven thirty. All members are urged to be present.

Mr. G. T. Stubbs and family spent Sunday on the Robinson Ranch near Seymour.

BAPTIST REVIVAL SET FOR JULY

At a meeting of authorities of the Baptist church this last week, the third Sunday of July was selected as the date beginning of the Revival Meeting. The Reverend Whatley of will hold the meeting, to be assisted in the song service by Mr. Press Hitchcock. Although the Baptist church is experiencing a revival in spirit now, the membership is looking forward to a greater revival in July. Church services are now being well attended and the messages brought by the pastor are very good.

Sometimes recently the Herald received a card of thanks to be published but the lack of a signature to the article has kept the same hanging on the delayed news hook.

The writer, evidently an elderly man, stated that he wishes to thank the kind people of Knox City for their kindness shown him and family while they were sick and especially do they wish to thank Dr. Emory for his medical aid.

Those from Knox City who attended the funeral services of Mrs. Payne of Rule last Sunday were Mr. and Mrs. John Smith, Mr. and Mrs. Roy Smith, Mr. J. Y. Jones, Mr. A. M. Armstrong, Mr. Logan Armstrong, Mrs. Casale and Misses Alta Casale and Mary Reeder. Mr. J. H. Payne a former resident of Knox City, is a son of Mrs. Payne, deceased.

Messrs T. P. Frizzell, E. O. Jamison, Buck Propps, Ray Willis and Sam Clonts attended the chapter meeting of the Masonic Lodge in Munday Tuesday night.

Makes Life Sweeter

Children's stomachs sour, and need anti-acid. Keep their systems sweet with Phillips Milk of Magnesia!

When tongue or breath tells of acid condition,—correct it with a spoonful of Phillips. Most men and women have been comforted by this universal sweetener—more mothers should invoke its aid for their children. It is a pleasant thing to take, yet neutralizes more acid than the harsher things too often employed for the purpose. No household should be without it.

Phillips is the genuine, prescriptional product physicians endorse for general use; the name is important. "Milk of Magnesia" has been the U. S. registered trade mark of the Charles H. Phillips Chemical Co. and its predecessor Charles T. Phillips since 1875.

BEAUTY

Beauty, like morals, is a question of latitude; there is no rule of universal application. Shakespeare is the one universal author because he never describes his heroines. Juliet was fourteen, and beautiful; that is all he says about her looks. The Scandinavian can picture her as a majestic blonde, the Kaffir as a coal-black Venus. The Juliet of the Chinese has slanting eyes, as the Spaniard she must have the long black lashes of the cow-eyed Andalusian Moor.

STEAM

The U. S. Aircraft Carrier "Lexington" is tied up at a pier in Puget Sound, while her engines are turning the dynamos which generate electric current for the cities of Tacoma and Seattle. This is a good use for a ship of war. It suggests a way of making our Navy earn its keep.

It is also an illustration of what happens, sometimes, to water-power. Tacoma and Seattle get their normal municipal supply of current from hydro-electric plants which the cities own. The unusual drought in the Northwest reduced the flow of water and cut down the production of electricity. The great power companies regard waterpower as valuable only as an auxiliary to steam plants, which are already generating twice as much current in America as all the waterpower put together, in most cases more cheaply.

ALUMINUM

The commonest of all metals, more than twice as common as iron, aluminum was a curiosity at the Centennial of 1876 and only came into general commercial use when the harnessing of Niagara Falls made the electric furnace economical. Alloyed to give it strength, its light weight makes it more useful than steel in hundreds of applications. The largest airplanes are built of it.

Now a project is on foot to cast automobile bodies in one piece out of aluminum. That will still further reduce the cost and weight of motor cars. The lighter car, the less gas, the less wear on tires. The time will come when a serviceable automobile will sell for not more than \$250, and run 50 miles on a gallon of gas.

WAR

The only independent persons are those who own land. The only countries whose people care enough about them to fight for them are those made up largely of individual

landowners. When the common people were peasants only the land-owning nobles with their hired soldiers went to war.

In many states corporations are forbidden to own land except for their own business purposes. The Government is trying by every possible means to get all of the public lands into the hands of individual owners. That is the only safeguard for the nation's future. Land is the one commodity which is limited in supply and unlimited in demand. Sooner or later some other nation will try to take the land away from us. If we own it as individuals we will fight for it; if it mostly belongs to a few persons of wealth we will let them do the fighting and pay taxes to the new owners if the old ones are beaten.

MEAT

The food faddists have been preaching against the eating of meat for many years. Every possible means to get all of the public lands into the hands of individual owners. That is the only safeguard for the nation's future. Land is the one commodity which is limited in supply and unlimited in demand. Sooner or later some other nation will try to take the land away from us. If we own it as individuals we will fight for it; if it mostly belongs to a few persons of wealth we will let them do the fighting and pay taxes to the new owners if the old ones are beaten.

Stefansson, the Arctic explorer, lived for five years on an exclusive diet of meat, as the Eskimos do, without ill effects. The Smith Sound Expedition, as Donald MacMillan reports, eat only meat and eat that as well as they do not know how to make a fire! Sensible people will continue to eat whatever they can digest and as a rule will live longer and happier lives than those who worry about their diet.

BRECKENRIDGE MAN SAYS HE IS SURPRISED

RETIRED JEWELRYMAN STATES HE NEVER SAW ANYTHING IN HIS LIFE THAT GAVE SUCH RELIEF AS ORGATONE!

"It's the honest truth, before I had taken this Orgatone a week I was feeling so much improved that I could hardly believe it myself," said E. O. Greene of 208 E. Dyer St. Prockenridge, Texas, a well known retired jeweler and optician, the other day.

"I had a very bad case of stomach trouble that had been with me since I was a small boy," he continued, "that about every 30 days knocked me out so I simply wasn't worth a cent as far as my feelings were concerned. My stomach was in such an awful fix everything I would eat disagreed with me and made me miserable all the time. I would get deathly sick during these spells and develop a very severe case of constipation. Sometimes I would get so dizzy I was just like a drunken man and tried doctors and everything I could hear of without any relief.

"One of my friends had been taking Orgatone and told me it had done him a world of good, so I got me a bottle to try. Well, sir, it sure surprised me, for I began to feel better right from the very first dose and before the week was out I was feeling like a different person and have been improving ever since. I never saw anything in my life before to give such relief as this Orgatone and I haven't had a single symptom of my old trouble since I finished my third bottle."

Genuine Orgatone may be obtained in Knox City at the Orient Drug Store.
