WEST TEXAS UTILITIES COM- PANY REDUCE RATES

ARLINGTON, TEXAS, August 22nd. A meeting of Department Heads and District Superintendents of the West Texas Utilities Company was held in the company executive office at Arlinton, August 22nd, for the purpose of discussing general business conditions and operating positions.

The meeting, the first general conference in three months, brought forth many interesting facts regarding current business conditions. The industrial outlook for the balance of 1930, according to a survey survey of opinions, is much brighter than is the popular conception of the situation.

General revenues of the West Texas Utilities Company have received in a large measure from business most apparent during April, May, June and July. At the present time, electric revenues is on the increase, industrial power supplied to all fields being the outstanding phase of the business not yet showing satisfactory improvement.

Reports from the various districts covering some 63 counties in West Texas and in Panhandle, were decidedly encouraging. The crop outlook, while considerably below normal, is slightly improved over 1929 for the territory as a whole, and it is felt that within the next 30 to 45 days, general conditions will be on the up trend.

That the bottom of the depression was hit during July was indicated by substantial upward curves on revenue charts. Business reports from all parts of the country infer that July marked the beginning of the return to normal.

It was pointed out that "In other sections of the United States can a territory recover as rapidly as in West Texas. Immediately following every national depression, business conditions in West Texas jump to considerably above national averages." Belief was expressed that the new rate schedule recently put into effect by the company could be of material aid to the people of the territory inasmuch as last year's reductions have already caused a material increase in domestic and commercial electric service used over the same period for last year. The new one meter rate, was pointed out, offers an even greater incentive for the customer to use more service.

13 BAPTIZED IN SERVICE SUNDAY

Sunday morning, in the Methodist Revival Meeting in Knox City thirteen were baptized. The service of Baptism following an excellent Love service conducted by the evangelist, Reverend Hanks. The local pastor, Reverend Mann, conducted the service. Brother Mann delivered the closing sermon which the large crowd present enjoyed hearing. The meeting was a tremendous success. The spirit of Christian fellowship which was developed among the members of all the churches of the town during the meeting is of infinite value.

You are invited back to all the regular services of the church, Sunday School, preaching morning and evening Sunday and Prayer meeting Wednesday night. Everyone is welcome.

JOE ENGLISH GETS MARRIED

Report was received by the Herald this week that Joe English, son of Reverend and Mrs. J. W. English formerly of Knox City, was married to Miss Grace Sugg on August the 24th. The wedding took place in Gentry Arkansas where Joe lives. He owns and operates a tailor shop there. Joe is well known in Knox City.

J. C. Durham was kicked in the face by one of his dad's big horses last Saturday morning when he went to pick up the line as the horse was grazing. He was knocked unconscious and caused much excitement at the time; however he is O. K. now.

Nazarene Revival to Start Wednesday Night Sept. 10th

Rev. C. E. Toney

Revival services under the auspices of the Church of the Nazarenes will be conducted under the new Nazarene tabernacle beginning Wednesday night, September the 10th. The evangelist will be Reverend C. E. Toney of Hemet California of national reputation. We invite all the churches of the town to cooperate with us and help make this meeting a great success. We are trusting and believing the Lord for a great revival and we want everyone who will to join us in prayer for the greatest meeting Knox City has ever known. Services each day at 10 a. m. and 8 p. m. Herbert Land, pastor.

THE GRAFTERS

G. T. Hardberger stated today that for the safety of everyone "Please do not give to the numerous grafters who are making our town daily now. Refer those people to C. C. Hope, S. M. Cloats or G. T. Hardberger and investigations will be made. If they need help and are worthy we will help them, otherwise, merchants and citizens keep your money!"

Mr. Hardberger further stated that all able bodied men are expected to have a job and at work Monday morning. There are plenty of jobs now and every one needs to work and the city needs a loafers now. Stating the exact words of Hardberger: "Get out and get a job!"

FATHER OF KNOX CITY WOMAN GETS HIP BROKEN

Mr. J. J. Morgan, father of Mrs. W. F. Waldrip, of Knox City sustained a broken hip Tuesday when he fell from his car at his home in Rule. Mr. Morgan had started to make a trip to the plains. As he went to step out of his car some way he fell breaking his left hip in the joint. He was brought here to the hospital in the ambulance. He is 79 years of age.

CARD OF THANKS

We wish to thank our many friends in Knox City for their kindness shown our father and husband S. H. Bohannon, during his recent illness and stay in the Hospital. The comfort and joy given him in the visits both to the hospital and our home meant much in his recovery. We are truly grateful to everyone, including the doctors and nurses at the hospital.

Mrs. S. H. Bohannon and family. Frank Alfred spent Sunday with his parents in Wetnet.

THE EDITOR'S HOBBY

The editor, like all other good women and all good editors, has a hobby. That hobby was put to a test Monday and we have been feeling pretty good ever since.

The test was the art exhibit held Monday afternoon in the Jamison Cloats Hardware. The editor's picture won second place which honor we proudly claim. Mrs. Carl Davis won first place and we congratulate her. Her picture was fine, the workmanship far superior to our picture, however, we are pleased.

The art instructor, Mrs. Bobby Bradberry, sponsored the exhibit, putting on display the pictures painted by her students during the summer months. There were twelve or fifteen students who had pictures in the exhibit, a of which were painted within the last three months. Although these works were not master pieces equivalent to work of great artists they were all good work; and when it is known that the workers were all just beginners, we think it is fitting to say that the pictures were all FINE.

Painting is a hobby of the editor an enjoyable past time that is profitable. We have not gone into the painting business of financial reasons but if you need a beautiful picture and want it hand painted just you see the editor.

JUNIORS ORGANIZE

The Junior Class of the Knox City high school organized this week electing the following officers: President, Donald Withrow Vice President, Edmond Smith Secretary, Hazel Potter Treasurer, Jacquelin Aycock Reporter, Mossell Cochran Sponsor, Miss Moorehouse Class mothers, Mrs. E. Q. Warren, Mrs. H. B. Sweeney and Mrs. Holt Mosley.

School Opened With Big Attendance

Monday morning, September the first school opened in Knox City. There was a big attendance, both of children and of parents. At the office of the Mayor Monday, the children had registered.

Twenty five or more parents were present Monday at the opening ceremony, which number included many fathers. The teachers were seated in the stage, where also a number of the school board and the P-T-A present were seated. The exercises were begun by the singing of hymns, by the entire crowd. It was followed by a prayer of thanksgiving led by the Rev. Mr. Smith.

The Reverend, Smith made a most interesting and worthwhile talk. His subject was "The First Day of School." Brother Mann brought out the many things which the First Day of School means for mothers and children. While some are glad others are sometimes sad. He further brought out the fact that boys and girls will be in the future, but what they make themselves in the class room.

Following the president of the school board, H. E. Wall, made a talk stressing the importance of cooperation of parent with teacher. He also made H. Brown, that in addition to the new teachers mentioned in the board this year for the school school board that another one, Mrs. John Bradberry, will teach art in connection with the school. She will have a room and her schedule will be worked out in the same manner. Mrs. Bradberry will be in the same manner in which she made and expression are expected on Mr. Wall also stated that a Kindergarten teacher will be provided if the number of pupils for that work is sufficient to justify a teacher in the work.

Ray Smith, another member of the school board made a snappy impressive talk. Mrs. T. S. Edwards, president of the P-T-A, made a talk in behalf of the P-T-A, urging the parents to attend the meetings of the P-T-A and cooperate with the teachers. The P-T-A will have its first meeting for the ensuing year on next Wednesday afternoon, September the 10th.

Following Mrs. Edwards talk, Mr. J. W. Cloud, superintendent of the school, introduced all of the teachers. He then stated that the school would begin this year at 8:45. Classes will begin at 8:45. Physical education is being added to the course of studies this year and in order to get it in it will be necessary to begin at 8:45. All pupils entering school after 8:45 will be carried tardy.

School will be dismissed this year at 3:45. The first and second grades will be dismissed at 2:30. One chief object of the year for the school will be to enlarge the library. Mr. Cloud stated. Donation of books by any one will be greatly appreciated.

1,863 CHAPTERS READ IN PRAYER MEETING

In the Prayer Meeting held during the last week of the Revival Meeting which closed Sunday night at the Methodist church a total of 4,863 chapters in the Bible were read. The church secretary for the two weeks of the revival meeting, Miss Mabel Cloats, reports the largest number of chapters read in one day to be 830 which was on the closing day, Sunday.

This reading was done by not only the men and women of the church and community but by the children also. The children's prayer meetings, under the supervision of Mrs. Mann and other leaders, made good work and reports as to their number in the meetings and the work accomplished.

Come by and "re-see" with us Ashcroft Chevrolet Co.

Hospital Notes

Those in the hospital this week are: Mr. Hubert Overman of Deighton, Mr. J. J. Morgan of West, Tom Morrison of Knox City, Mrs. Albert Anderson of Wetnet, Mrs. J. H. Boyd of Redrose, Mrs. Frank and Little, Mrs. J. H. Hall, Mrs. Irlie Barrett of Redrose, Mrs. W. J. Hill, and Little daughter E. L. Jones of Mansley, Mr. J. H. Nance of Knox City, C. J. McNeally of Chalfont, and Mrs. G. J. Pool of Hamilton.

Mrs. Arthur Martin of Trossart returned to her home Monday and Mrs. J. M. Sweeney returned to her home in Trossart Sunday.

Mr. and Mrs. Hodge of Chalfont and Mrs. E. S. Hill and Mrs. G. L. Mann of Mansley were guests of Mrs. J. H. Baker Monday.

About the many guests at the hospital this week from West were Mrs. McKinnon and Mrs. W. L. Clarke.

LINA PARK BEGINS SENIOR CLASS

During the summer term of the Knox City high school organized. The boys and girls are early getting into the spirit of school work taking with it all the necessities of making the year a success. Officers elected for the year are as follows: President, Leo Park Vice President, Mabel Cloats Secretary, Lynn Waldrip Treasurer, Clara Clarke Reporter, Miller Lee Sponsor, Miss Carlisle Class mothers, Mrs. Henry Jones, Mrs. Carl Beaudry Class father, Uncle Joe Smith Social committee, Constance Brown, T. P. Whitrow and Clara Clarke.

A WELCOME TO ALL

Next Sunday morning, September the 14th, will be the beginning of a new Associational year with the Baptist Church in Knox City. We are expecting a big crowd. All of members are expected to be there and bring some one with you.

We extend to everyone a hearty welcome. We need you in our church, Sunday school and in Y. P. U's and will find a "glad hand" to receive you.

Our new Sunday School and church officers will assume their places of responsibility and we want everyone to come and help to make this new year (1930-31), the best in the history of the church.

We'll be looking to you. Please do not disappoint us.

C. B. Stovall, pastor.

Mrs. J. A. Wood of Anderson is here visiting her brother G. B. Stubble.

Fidella Fluke, Persia, Wynell Rodgers

Ulric Lee arrived home Wednesday from a trip to Lubbock and other points on the plains. He reports crops there to be "pitiful."

We understand that Tom Loyer is weaning his car. His method of procedure is to buy one gallon of gas at the time. Good advise.

Mr. S. M. Crawford and three daughters of Arkadelphia Arkansas was here last Friday to see Roy Crawford.

STOVALL FAMILY HOME

Reverend and Mrs. Stovall and family returned home Monday evening, September the first from Dawson county where Brother Stovall has been doing the preaching in a meeting with forty additions to the church, twenty six by baptism. The church and community was stirred and in several services old time religion was experienced with old fashion shouting.

Many old friends of the Stovall line in that community and many new friends were made which will not be forgotten soon, says the family.

Brother Stovall says the crops in Dawson county are above the average over west Texas. The farmers will make enough feed to do them and cotton looks good now. He reports the chicken crop as being fine and that the people of the community were liberal in dividing with the preacher.

"We are delighted with the fine report from the Methodist meeting here" said Brother Stovall, "and the fine spirit of cooperation shown by our Baptist people and others of the town and community. Let's all unite for a greater spirit in the future."

We are glad to state that Mrs. M. D. Metts is a new subscriber to the Herald this week.

ROOMS FOR RENT:

See Ike Hudson at the Knox City Motor Company.

Mr. and Mrs. Joe Averett and children spent the past week end in Rule.

Mrs. C. J. Anderson of Tahoka was here Sunday to see Mr. and Mrs. S. H. Bohannon.

Mr. M. M. Ward is having his kitchen and dining room repaired this week.

T. E. Robbins, Joe Averett, E. O. Jamison and J. A. Wilson attended the district Bankers Association in Throckmorton Monday.

Tom Bolin and Roy Crawford spent the first of the week in Lubbock, Levelland and other points on the plains.

Now is the time to retire your car at Ashcroft's. Read our advertisement in this paper stating our low prices.

The Electric Man Announces the New Domestic Service Rate

"First—perhaps I'd better introduce myself. I'm the Electric Man, and to me has been given the task of explaining the new rate schedule that has been adopted by the West Texas Utilities Company.

"This new schedule, with all service through one meter and low follow-up rates, I will call the Home Comfort rate, because it enables you to receive economically the many Home Comforts and Conveniences possible through the application of electricity to your household problems. It is designed to encourage the use of electric service, and allows a premium of lower rates in proportion to the amount of service used. The new Home Comfort rate is based on the wholesale discount system, and is divided into three parts, as follows:

Initial Rate—12c per kilowatt-hour for the first 4 kwh used per month per month.

Second Rate—7c per kilowatt-hour for the next 3 kwh used per month per month.

Low Rate—4c per kilowatt-hour for all additional energy used per month, except cooking or heating.

Low Rate—4c per kilowatt-hour for all additional energy used per month where service is also used for heating or cooking.

"There are many interesting facts regarding this new rate, too many to go into at one time, so I'm going to divide my explanations into sections. In subsequent messages I will endeavor to show you the many different advantages of the new rates. Watch for me next week."
