## BAPTIST REVIVAL TO CLOSE SUNDAY

The meeting at the Baptist church here is proving to be a real revival. It is a good solid gospel meeting in which there is much prayer and much singing as well as good Bible preaching. Evangelist Sam Morris is measuring up to the high standard announced by pastor English before he came. Many are hearing his messages with profit.

His words are plain and "straight from the shoulder" so that all can understand. Sin is Sin and Salvation is Salvation. no slipshod—maybe—guesswork about it. He has a message and feels certain of its authority and power. His appeal to young people is very effective. There is no vain and vulgar straining after shallow excitement or cheap stunt performance. The whole aim is to do good and keep everyone who hears the message. The meeting is a very decided contribution to the cause of righteousness—The good will abide.

To date there have been quite a number of conversions and additions. The singing led by Mr. Hitchcock is proving to be a strong help and is a very enjoyable feature of the meeting. Group meetings are being held for prayer and in these small meetings much good is being done. They are held at 8 o'clock each evening. The pastor meets with the men. Mrs. Englis with the women. Bro. Morris leads the young people on the church lawn, while Mrs. Morris leads the Juniors in the church basement.

Services continue through Sunday, 10 a. m. and 8:30 p. m. every day.

Persuing the general themes set out last week Bro. Morris is preaching this week on such subjects: The Christian Hope, What is the Matter With Our Young People? or the Christian's Great Problem, The Christians Great Decision, Christ's Instructions to Seekers, The Christians Birth day, The Christian's Riches.

Friday night the theme will be The Christian confidence, from the text "I know that my Redeemer liveth"—Saturday night, The Christians Fond Anticipation. This will be a message on the second coming of Christ, from the text, "Behold I Come quickly". Bring your Alabaster Box Sunday.

The Benjamin folk are still a little ahead but we can catch them and beat them if we get busy. It is not the one ahead at the start but the one ahead at the start but the one ahead at the finish is the one that wins. Come on! Let's put on some speed from here on out.

## Just A Minute

I have only just a minute,  
Only sixty seconds in,  
Forced upon me, can't refuse it.

Didn't seek it didn't choose it,  
But it's up to me to use it,  
I must suffer if I loose it,  
Give account if I abuse it,  
Just a tiny little minute,  
But eternity is in it.

How many of your minutes are spent in actual service for Christ and the church? The question is partly answered in the way you attend service on Sunday. Preaching morning and night next Sunday. Hear the sermon: Who's Who in The Kingdom Of Heaven. H. N. Sollday.

### NEVER SPENT ANY MONEY THAT GAVE BETTER RETURNS

Wichita Motor Car Salesman Says He Was Advised Operation Only Hope—Gains 22 Pounds on Orgatone

"I never spent any money in my life that brought better returns than when I bought my first bottle of Orgatone," declared C. T. Walters, a well known automobile salesman from McFall Brothers who resides 304 Burnett street, Wichita Falls, Texas, "For I never took anything in my life that did me near the good Orgatone has done.

I suffered from gall stones and pains in my side," continued Mr. Walters, "and was in such a nervous run-down condition that the doctors did not seem to be able to do anything for me. I would go home at night and roll from one side of the bed to the other and back and forth most all night long. I would get so nervous that I just couldn't go to sleep and would get up in the morning feeling worse than when I went to bed.

"My food didn't taste right and didn't seem to nourish me any, and I was so constipated I had to be constantly taking medicine. I was about the most miserable creature you ever saw and I had no ambition for anything. Finally the doctors advised an operation for my appendix and tonsils saying that this was the only thing that would do me any good but I was rather skeptical and wanted to wait.

"Some few weeks ago I started in taking Orgatone and noticed right off it was getting in its work, and in that short time I have gotten so much better and stronger I can now work all day without feeling so tired like I did before these awful pains in my right side don't bother me any more. I'm not constipated and I sleep like a top so calm and comfortable and I get up in the morning feeling as fit as you please and ready to tackle anything. I can eat with a relish and everything tastes good and my food is giving me the strength and energy I had lost when I started to run down so. In fact I have gained just twenty-two pounds in weight since I began taking this remarkable medicine, it doesn't sound reasonable but it's the honest truth and I feel that Orgatone is doing right along for me, and it will do the same for anybody else who will take it when they ought.

Genuine Orgatone may be obtained in Knox City at the Orient Drug Store.
