AUSTIN, Texas — At it again, for the third time this year, Legislators go into the second special session wearier, but wiser.

Midnight wind-up of the second session brought show-down votes indicating what each house will and will not accept in the way of a tax program. Next conference committee on taxes will know that the line of compromise must be more finely drawn between Senate and House thinking.

In addressing the new session, Gov. Price Daniel reminded lawmakers of the "up against it" state of things. "Every function of state government depends on enactment of an appropriation bill before September 1 with a tax bill to support it," said the governor.

State's fiscal year and present appropriations run out August 31. Unless a new appropriation bill can go into effect the next day, the whole state operation—including hospitals, schools, employe salaries and pensions—will stop.

This is unthinkable, of course. No lawmaker could go home and face the voters with things in such a state.

But there's another pinching factor which the governor emphasized. Cost of deficit financing plus loss of potential tax income means that each day's delay costs the state an estimated \$200,000. Despite this, the House took a four-day weekend and the Senate 3½ days.

But some lawmakers seemed

to feel the delays, deadlocks and head-knocking were not necessarily wasted motion, but milestones along the long, hard road to democratic compromise.

"We've crossed a lot of bridges we won't have to cross again," said Rep. Don Kennard of Fort Worth.

NO SURRENDER — Legislature was thrown into another session when the House rejected, 117-to-23, a conference committee tax bill that was largely based on Senate thinking.

Senate approved, 19-to-12.

Some House members were indignant that three of the five House appointees signed the conference committee which House opponents called a "complete surrender" to Senate wishes.

House passed a tax bill that was divided about 50-50 between taxes on business and selective sales taxes. Senate pared back the business taxes to about 18 per cent, added new or heavier sales taxes to make up the difference.

Conference committee proposed a bill that would have raised \$177,066,000 with essentially the same levies approved by the Senate plus a temporary hike from \$1 to \$2 in drivers licenses. Appropriations conference committee was reportedly deadlocked and never made a report.

After the new session opened, most of the same taxing and spending bills were introduced again, including the twice-killed abandoned property bill.

House quickly re-passed the same appropriation bill it had passed before. Most bills are expected to follow the same pattern they did in the last special session—up to the point where the conference committee start working out differences.

ONE MADE IT — Only major money bill to make the grade is the bookkeeping bill, passed by both Houses and signed into law by the governor.

Effect of the law is to change accounting procedures so that an estimated \$28,000,000 more will be credited to the state's general fund when the fiscal year runs out August 31.

It means that much less that has to be raised to balance the books.

STUDENT FEE BILL BACK — Rep. W. S. Heatley Jr. of Paducah re-introduced a bill to let colleges require students to pay up to \$30 a semester for various services.

Bill passed the House last session, but died in the Senate on the last day. Sen. William S. Fly of Victoria was Senate sponsor.

Heatley, Fly and other supporters pointed to the crying need for new money ad said college presidents were urging the bill. Opponents said there were better places to get money than from working their way college students who would rather do without football tickets parking spaces, etc., covered by the fee.

Streams In Desert Places

Ozelle Stephens

The Lord urgently requests that we love God with all our heart, soul, mind and strength. As we do, love becomes a definite reality and power in our lives. The love of God is generated through man. We send it out with faith to bless and heal a world. As the love of God is used to bless man the Holy Spirit makes it become like a well of everlasting life springing up within. Use this love of God in all your dealings with your fellowman for power of peace, understanding, healing, in shielding the weak and erring ones. As you love your neighbor as your self you will naturally desire to shield him as your self. As you love and bless Streams of God's blessings will come to you fourfold.

"Guff" Lafoon Will Attend Stamford Cowboy Reunion

"Guff" Lafoon, old-time cowboy past 80, of Jayton, Texas who was going to ride a horse down the old MacKenzie trail to Stamford states: "My doctor says 82 years and 85 miles of horse ride won't mix, so I can't ride down to the cowboy reunion. I will be in Stamford for all three days—July 2-4, however, and doctor or not I intend to ride in the parade the afternoon of the 2nd, and in the grand entry in the afternoon performance of July 4th. This is sort of the last meeting place of old cowmen and I sure wouldn't want to miss it."

Moore-Hodges Wedding Vows Read Recently

Miss Charlene Moore, daughter of Mr. and Mrs. J. E. Moore, 5501 Lancaster, Odessa, and Dudley Hodges, formerly of O'Brien, were married May 30 in a candle-light ceremony in the St. Paul's Methodist Church, Odessa.

The double ring ceremony was read by Rev. G. H. Wolf, pastor. The bride, who was given in marriage by her father, was attired in a waltz length gown of white lace over bridal satin. The veil held by a cascade of flowers fell below the waistline. She carried a cascade bouquet of white carnations.

Her matron of honor, Mrs. Dwayne Jennings of Odessa, wore a pink nylon over taffeta street length dress designed with a bouffant skirt.

Billy Duncan of Andrews, brother-in-law of the bridegroom, was best man.

Traditional wedding music was played by Miss Joyce Taylor. Miss Linda Cline, assisted by Miss Taylor sang "I Love You Truly" and "Always."

The bride is a senior in the Odessa High School. Her husband is assistant manager of Super Duper No. 5 in Odessa and is a graduate of O'Brien High School.

Joyce Ann Rogers And Larry Abbott United In Marriage

Miss Joyce Ann Rogers, daughter of Mr. and Mrs. L. A. Rogers of Farmington, New Mexico, became the bride of Larry Abbott, son of Mr. and Mrs. L. D. Abbott of Knox City, June 6 in the Oak Street Baptist Church in Colorado City.

Rev. E. V. Brooks read the double ring ceremony before an altar decorated with white gladiolus and greenery.

The bride, given in marriage by her father, wore a street length bridal gown, fashioned from white lace over taffeta. Bodice featured a scooped neckline with fitted sleeves tapered to a point over her wrist. The bouffant skirt was of the same lace over taffeta.

Traditional wedding music—"Wedding March," and "Bridal Chorus" was played by Miss Judy Ellis of Colorado City.

Miss Janice Rogers, sister of the bride, of Farmington, was maid of honor, and Miss Jane Slimmons of Brad, Texas was bridesmaid. Their dresses were blue, trimmed with blue satin, and they each carried a long stem white carnation with white satin streamers.

Jimmy Abbott, brother of the groom of Knox City, was best man, and Bill Bolin also of Knox City was groomsmen.

For traveling the bride wore a pink sheath dress with white accessories.

The bride is a 1957 graduate of Colorado City High School and a 1959 graduate of Tarleton State College. The groom is a 1957 graduate of Knox City High School and attended Tarleton State College one year.

Mr. and Mrs. Abbott are at home at 3017 Honeysuckle, Fort Worth. The groom is employed by the A. L. Davis Food store in Fort Worth.

Fine Horses To Show At Santa Rosa Roundup And Quarter Horse Show

Admirers of fine horse flesh will have an opportunity to witness performances by some of the nation's top quarter horses during the four-day Santa Rosa Roundup and Quarter Horse Show, Vernon, June 24 through 27.

Owners of entries in the open cutting horse contest will scramble for a share of the \$1,000 purse plus entry fees. Many top entries will perform at night-ly rodeo performances, scheduled for 8 o'clock, rain or shine. The four finalists will meet in a feature of the last rodeo performance, Saturday, June 27.

The prize money, entry fees, rosette trophies and ribbons

will lure top entries in the hal-ter classes.

Performance classes will include roping, reining and cutting horse division, with entry fees plus prize money to be split among five winners in each division.

The sleek and talented animals will be quartered in the giant show barn on the Santa Rosa Roundup grounds, four miles south of Vernon.

A two-mile-long parade at 3 p. m. June 24 will feature 1,000 horses and many colorful floats and bands. A crowd of 20,000 persons is expected to be on hand for the event.

Movie and Television star Rex Allen and his wonder horse, Koko, 1958 world champion cowboy Jim Shoulders and some 200 of the world's best rodeo performers will be featured in the four nightly performances of the big rodeo, which offers \$8,000 in prize money plus entry fees.

Advance ticket information may be obtained by calling LI 2-6868, or by writing Santa Rosa Roundup Ticket Headquarters, Vernon.

SANTA ROSA ROUNDUP AND
LIVESTOCK EXPOSITION
Vernon, Texas

SECOND-SHAVING TEAMWORK — The kind that will be witnessed at the Santa Rosa Roundup in Vernon, Texas, June 24-27, is what it takes to win in calf roping. This is evident in this action picture. The horse has stopped on a dime, and the rider dismounts smoothly before the full-running calf has reached the end of the rope. In his teeth the roper carries the piggin' string he'll use to tie the calf's legs.

Uncle Ben from Benjamin says:

DEAR MISTER EDITOR:

I'm the sort of feller that puts a heap of importance to the little things in life. For instance, I saw a filler in the paper yesterday where the consumption of soap in the United States was down 14 percent in 1958. This looks mighty bad for our country, especially since 1958 had an extra Saturday night in it. We ain't had too much Godliness in this country for quite a spell, and now it looks like we're losing our cleanliness. But with all these taxes they're adding from year to year, I reckon folks figger they're gitting took to the cleaners without any soap.

On top of that soap item, I see where the Custom Tailors Guild aims to save cloth and cut prices by tightening up on men's pants, making 'em much tighter in the seat. I don't see no objection to it. If taxes keep going up a feller ain't going to have time to set down nohow.

Well, Mister Editor, I'm coming over to your place Monday and git me some signs printed. I'm beginning to feel like the store keeper did about one of his customers. This feller would come in the store, reach over and git a banana and eat it, then reach over and git an apple and eat it, then pinch off a piece of cheese and eat it. Then he'd give the store keeper a 50-cent order. At the end of the month the store keeper sent him a bill for five bucks for grazing. These folks that let their stock run all over a feller's land ought to be quoted a regular price for grazing. That's why I'm fixing to have me some signs printed. I'll word 'em: Grazing Per Day Rates—pigs 50 cents, cows \$1, horses \$1. Payable in Advance.

I see where Ike says the U. S. Retailers Association still ain't answered his question. Several years ago he made 'em a speech and give 'em this question: "What have you done with the cracker barrel and pickle jar? What are you giving kids from

6 to 12 to leave memories such as my generation had?" I can tell him without further ado that the cracker barrel has been replaced with a juke box, the pickle jar is full of comic books, and the country store has turned into a super market. And when the kids now 6 to 12 git grown they'll be in such a pickle trying to pay off the barreled-up national debt they won't have time fer no memories.

Rhode Island is bragging about the lowest traffic death rate of any state for the last 12 months. It's no wonder. With these high powdered cars, by the time a feller in Rhode Island gits in high gear he's run clear out of the state.

Yours, truly,
Uncle Ben

Corner on Cotton

BY BOB COLLINS

Latest estimate of the world cotton crop for '58-'59 indicates a new production record . . . estimate places growth at 44.7 million bales (that figured at 500 pounds geoss) . . . this is 3.0 million bales greater than the preceding season and 1.2 million bales over the previous all-time record of '55-'56 . . . two significant facts stand out: the cotton was grown on fewer acres and foreign production set a new high . . . the second time in two successive years . . . also, Communist countries can claim a large portion of the increased foreign production.

World acreage for the past season was nearly 80 million . . . this is down about 2.7 million from the previous record crop of '55-'56 . . . of course, the U. S. acreage harvested was only 11.8 million . . . that is the smallest since 1876 . . . but there were 11.5 million bales ginned in the U. S. . . . this means a record yield of 466 pounds per acre, as you have heard many times . . . total foreign production was 33.2 million bales on 67.9 million acres . . . both of these figures are new highs.

The U. S. Department of Agriculture reports that the domestic crop was "generally good" . . . figuring middling white as 100, the grade index for the 1958 crop was 95.5 . . . the 1957 index was 91.7 and 1956 was 96.0 . . . the USDA also announces that the average staple length of the upland cotton was a record 32.8 thirty-seconds in-

ches (that's about 1-1/32) . . . cotton 29/32 and shorter was less than 5% of the crop . . . this is the smallest proportion the department knows about.

Exchange Data
The U. S. has agreed to exchange cotton data with other cotton countries through a study group that will meet regularly . . . move came when Latin American countries asked for it.

Exports
Exports seem to look good . . . new season registrations were topping 300,000 bales by the first of this month . . . seems to support belief that the eight cents subsidy will realize a fair share of the market . . . and the U. S. has never increased a subsidy once the Program has been announced . . . although the law does give the Secretary of Agriculture that power if he deems conditions warrant it.

More car than this Impala Sport Coupe is hard to find at any price.

clings to curves like a cat on a carpet!
the travel-lovin' Chevrolet

Nothing else but a dyed-in-the-wool sports car like the Corvette can take a turn with such solid assurance!

It's easy to see where Chevrolet gets its road sense. With big coil springs at every wheel, a firm, wider stance and all of its pounds distributed with painstaking care, Chevy's born with it.

The only thing that may be hard to understand is how it can offer the ride it does, along with so many other luxury-car virtues, and still compete in the low-price field.

We use the word *competes* only in the sense of price. For with a ride as special as Chevy's, real competitors are hard to come by. There's a world of difference between Chevrolet's coil springs at all

four wheels and the leaf springs that most other cars still use. Take a Chevy down a snaky back road and you'll feel the difference in the sure way it holds through curves and shoots over rough spots with hardly a ripple.

This one's really made to travel and loves every minute of it.

Stop by your local authorized Chevrolet dealer's and sample Chevy's road sense!

HORACE GOOFED!

We've had such a big run on picture frames that Horace nearly let us run slap dab out of them... Agnes bought so many that Horace had only 20 patterns left when she got through framin' all her brood. Horace will have 30 new patterns Monday, so come on down to Cameron's and get all fixed up. Times a-wastin'.

MISS HENRIETTA HERTEL AND JAMES STYLES EXCHANGE MARRIAGE VOWS

A Nuptial High Mass followed the exchange of wedding vows Saturday by Henrietta Hertel and James Styles in the Sacred Heart Catholic Church, Seymour. The Rev. Anthony E. Schroeder, pastor of St. Joseph's Church officiated at the 4 p. m. double ceremony.

The bride is the daughter of Mr. and Mrs. W. C. Hertel. Parents of the bridegroom are Mr. and Mrs. D. F. Styles.

Wedding music was presented by Mrs. Carl Edwards, organist, and Patricia Francis and Lois Martini, soloists. A choir, composed of the bride's former classmates at the Academy of Mary Immaculate in Wichita Falls, sang the Latin Mass.

Assisting in serving the High Mass were Dwight Alubs, Ricky Michels, Urban Bellinghousen Jr., Dywaye Herring and Gregory Kuehler.

Given in marriage by her father, the bride wore a formal gown of French chantilly lace. Pearl accented lace appliques were featured at the neckline of the basque bodice. The bouffant skirt lace over tulle and taffeta was designed with a scalloped cascade of lace at the back which formed a cotillion train.

Her veil of illusion fell from a lace cap trimmed with sequins, pearls and a small white organza rose. She carried a colonial arrangement of white roses centered with a white orchid.

Mrs. William Hertel of Munday was matron of honor. Kathleen Michels of Munday, cousin of the bride, was maid of honor. Bridesmaids were Mrs. Kenneth Benson of Wichita Falls, Mrs. Ralph Adams of Vernon and Shirley Kaye Reilly of Iowa Park.

They wore silk taffeta dresses shaded from Pastel pink to deep rose, fashioned on colonial lines. The Martha Washington necklines were draped with chiffon. Their headbands were organza bows and they carried colonial

nosegays of white carnations and pink rosebuds.

Sharon Kaye Benson of Wichita Falls was flower girl and Mark Hertel of Munday was ring bearer. Gayle Marak of Seymour and Richard Herring of Munday were train bearers.

Gerald Styles of Fort Worth and Buster Styles of Seymour, brothers of the bridegroom were best men. Grooms were William Hertel of Munday, Wesley Styles of Seymour and A. C. Styles of Fort Worth.

Ushers were Ralph D. Adams of Vernon and Kenneth Benson of Wichita Falls. Mike Jungman of Vernon and Clifford Styles of Seymour were junior ushers.

The reception was held at the home of the bride's parents. Members of the houseparty were Lois Martini, Diane Davis, Mrs. Buster Styles, Mrs. Herman Jungman and Mrs. Carl Jungman, aunts of the bride, and Mrs. John Henry Styles.

Also, Patricia Francis, Beth Martini, Lucille Parker, Dolores Jacobi and Theresa Jacobi.

The bride is a spring graduate of the Academy of Mary Immaculate in Wichita Falls where she was Academy Oil Progress Princess of 1957-58, Mardi Gras Princess of 1955-56, president of the graduating class and member of the annual staff.

Her husband is a graduate of Seymour High School and attended Midwestern University in Wichita Falls. He is engaged in farming.

HOTTEST THING IN K.C.

It sure is, and you'll have to agree when you see all the purty displays we have of K. C. folks and the different things? we have made frames for. We have made a picture frame for just about everything but a grand piano, and we will make one for it, if you will bring it to us. Come in today, and bring us your pitchur, or piano . . . and walk? out with it framed in one of our new patterns!
