

THE KNOX COUNTY HERALD

VOLUME 30

Knox City, Knox County, Texas, Thursday, December 8, 1932.

NUMBER 16.

Local Girls Are Honored At College

Special to Herald

Port Worth.—Miss Margaret Reed of Knox City has been named as one of the candidates of the senior class of Texas Christian University for beauty honors in the student annual, The Horned Frog.

Miss Reeder's name, along with the other candidates, will be voted on first in an elimination contest, in an elimination contest, in which four finalists from each class will be selected. These four will be presented to the student body at the annual style show sometime in January. Then a secret ballot will be taken which will name two from each class who will be honored with a full page picture in the annual.

Each class was limited to 15 nominations and Miss Reeder was one of the favored few thus to be nominated by her classmates.

Special to the Herald.

DENTON, Dec. 13.

Miss Mable Clonts, daughter of Mr. and Mrs. Sam Clonts, of this city was among the fifty selected students in the choir of Texas State College for Women (CIA) who broadcast over WFAA in Dallas, last Friday night.

Students composing the choir are selected through personal try-outs by William E. Jones, director of music, from the choiral body of approximately two hundred students. The program for Friday night included "By Babylonian's Wave", by Gounod; "Didn't It Rain," a negro spiritual; and "A Spanish Folk Song."

1933 LICENSE PLATES READY

Word was received at the Herald office this week that the new 1933 License plates for all cars are now ready for car drivers in Knox County. The new plates are red or maroon, and white. So far only a few of the new numbers have been in Knox City.

Mayor Smith stated Wednesday that he had seen two of the new numbers in the city but that he personally was waiting until the first of the year to put the red and white decorations on his buggy.

Miss Mary Reeder, who is teaching school in Sagerton, spent the past weekend with her mother here. She had as her guests Misses Huston and Aetr, both of Sagerton. The three young ladies spent Saturday in Wichita Falls.

Farley Likely Choice

Political prophets are agreed on only one man as a possible member of President-elect Roosevelt's cabinet... and that is James A. Farley for Postmaster General. Mr. Farley, shown above on vacation, is Chairman of the Democratic National Committee and also managed Gov. Roosevelt's campaign.

The Churches

CHURCH OF CHRIST

Last Sunday week Brother Hill of Sun Set preached at the morning service at the Church of Christ on the subject of "Examples". The evening services were dismissed in favor of the debate going on at Munday at that time. Brother Hill will be back again next Sunday and we take this opportunity to announce that he will preach regularly for us every first and third Sunday of each month.

Services were fine last Sunday though our crowd was rather small due to unpleasant weather. Don't let even the weather keep you away next Sunday for Brother Hill will be there and that means that we shall have a worthwhile lesson.

Beulah Deering

Methodist Church

The Feast of the Family on the Birthday of the King for Christmas Day we are planning the above stated feature. There will be Sunday School and preaching services in the morning and then the Feast in the basement of the church and after the feast then we will have a short program and then go home. We will not have any other service that day.

The Methodist church invites every one that will to come and be with them. If you are going to have out of town guests just send them a card or letter and let them know that they will be the guests of the Methodist Church, and that we expect them to come.

Methodist be sure and come bring a good Christmas "Dinner" with all that that means and invite any one that you want to and as many as you want to.

Be sure and be at services next Sunday December 18, at the Methodist Church.

Zechariah 3:8; 6:12; 9:9; 112:12; 10; 137;
Malachi 3:1

The above is some of the prophecies concerning our Lord Jesus Christ and I believe that they will help each one of us if we will only study them with the first chapter of Matthew our scripture lesson.

Mrs. J. H. House, J. B. Moorehouse and J. C. Veal of Benjamin visited Mrs. Woldron who is ill in the hospital.

KENNEL EDITOR ILL

We state with regret the editor-in-chief of the Kennel is sick this week with Bronchitis. Miss Addie Short managed to stay up the first of her work with the Kennel but had to give up Wednesday and go to bed. As the Herald makes ready for press today, Thursday, Addie is somewhat better but still confined to her bed.

Bells in the tower of the Church of Nativity, Bethlehem, will ring out once again at the dawn of Christmas, marking the observance of the birth of the Christ Child, more than 1900 years ago. The church is located where it is said the Christ Child was born.

MRS. T. P. FRIZZELL ENTERTAINS FRIENDS THURSDAY EVENING

One of the outstanding social events of the season occurred last Thursday evening when Mrs. Dr. Frizzell entertained a number her friends in her beautiful home with a buffet "84" dinner, at which time Mr. and Mrs. E. Q. Warren were honor guests.

The table was covered with an exquisite lace cloth and the Christmas motif was carried out, using decorations mistletoe and candles set in silver holders. In the center of the table was a beautiful cut glass bowl filled with fruit encircled with mistletoe and setting on a mirrored reflector.

As the guests arrived, Mrs. Frizzell greeted them in her charming manner and directed them to their places.

At 8:00 o'clock the dinner was served, which consisted of turkey and dressing, cranberries, cream potatoes, peas, stuffed celery and peach pickles. After the dinner the guests enjoyed games of "84".

Those present were: Mr. and Mrs. John Smith, Mrs. P. D. Baker, Miss Dockens, Dr. and Mrs. Edwards, Mrs. Buckholt, Dr. and Mrs. Emory, Mr. and Mrs. Sam Clonts, Mr. and Mrs. Frizzell Sr., Mr. and Mrs. E. Q. Warren, Mr. and Mrs. E. O. Jamison, Dr. Frizzell and the hostesses.

Charles J. Robbins of this city led Saturday night about 9:30 o'clock. He had been sick for some time it is said. Undertakers from address arrived here Sunday and moved his body there. He is survived by four brothers of Kansas and one of Oklahoma City.

1933 Chevrolet Editor of Herald Is Ill With Flu

Nearly 100,000 people are back at work as the result of the introduction of the new Chevrolet which goes on display here Saturday at the salesroom of Ashcroft Chevrolet Co., Mr. Ashcroft, announced today. This finds employment in domestic Chevrolet plants, and in the Fisher Body plants which manufacture bodies for the Chevrolet line. Mr. Ashcroft stated.

For four of the past six years Chevrolet has led in building and selling more automobiles than any manufacturer and this year they offer a car which is in keeping with their position of first place in the automobile industry.

According to Mr. Ashcroft this new car incorporates 132 improvements. A longer wheelbase, a more powerful six-cylinder engine, an entirely new body styling which reflects the master craftsmanship of bodies by Fisher, and new skilled fenders which conceal all the under parts of the car are just a few of these many improvements. Mr. Ashcroft was very emphatic in pointing out that in spite of the greater power of the engine and the increased size of the car the 1933 Chevrolet is more economical. The new Chevrolet also incorporates what is probably the greatest advancement in driving comfort since the advent of the closed body, the new Fisher No-Draft Ventilation.

Mr. Ashcroft has made special arrangements to accommodate the large crowd which he is confident will visit the sales room Saturday.

Hospital Notes

Those who are in the hospital this week are Mrs. A. S. Logan of Knox City, Mrs. W. T. Rhea of Munday, Mrs. Jim Brooks Cowan of Rule, Mrs. A. M. Reaves of Rochester, Q. B. Byrd of Rochester, Mrs. H. M. Williams of Truett, Ned Goodrich of Munday, Mrs. Jack Woldron and son Jack House of Benjamin, Mr. Gantiff of Munday Oscar Prather of Grand Saline and Miss Rex of O'Brien.

BUY YOUR CHRISTMAS SEALS

It is impossible to estimate the value to the community at large and to individuals of the work which the National Association for the Prevention of Tuberculosis has accomplished and is still accomplishing. In combating the dreaded disease which is popularly known as "the great white plague."

There is no disease, doctors tell us, that is quite so universally prevalent as tuberculosis. Indeed, Dr. Logan Clendenning, one of the foremost writers on medical topics, states in one of his books that probably every human being has at one time or another been infected with the tubercle bacillus. Most people recover without help, but there is a very high percentage who, unless the cure of the disease, if taken in its early stages, is said to be reasonably assured. Its prevention is easy when everybody who may be exposed to it understands the elementary principles of sanitation.

This education is the work of the Association for the Prevention of Tuberculosis, which is supported by the pennies paid by millions of Americans every year for the Christmas seals with which to decorate Christmas letters and packages. Anything from one cent up is an acceptable contribution. There is no better evidence of the spirit of helpfulness than to put these Christmas seals on the envelopes of all your Christmas cards and packages.

Mr. A. Weinbaum was in Dallas three days of last week buying some Christmas goods for his store.

Editor Sam E. Smith has been confined to his bed since Tuesday with the flu, but at this writing he is some improved. He hopes to be able to be in his office again the last of the week. And it was with the aid of Mr. and Mrs. H. B. Sweeney who came to our rescue and helped us with the paper or else you probably would not have the Herald at this time. We wish to express our appreciation to them for their kindness.

Mrs. Sam E. Smith

Mr. S. N. Reed who owns the gun at O'Brien said that he had ginned 4,170 bales of cotton thus far this year and expected 200 more before he finished his ginning.

We think this is a splendid report for O'Brien and its territory.

Fred Warren of Munday created no little excitement here Monday night when his sister, Mrs. Willis failed to locate him at his home in Munday. As a matter of fact, Fred Warren had only gone to Vernon to pay a visit to his wife who teaches there.

Howard Elliott returned last week from Levelland, where he had been working. He will remain here with his father, W. C. Elliott, and help him farm on his place northwest of Knox City.

Word was received here today that all girls who are attending C. I. A. will be home Sunday for the holidays. They will have two weeks to spend with their friends and relatives this year.

Mrs. L. L. Davis was at home to the members of the Bridge Club with a few invited guests Tuesday afternoon. Following the games a most delicious collation of fruit salad, sandwiches, nut cake topped with whipped cream and coffee was served. The club meets next with Mrs. Holt Moseley.

Olivis Hamm is now owner and manager of the Filling Station formerly owned and managed by Carl Morgan. It is located west of the First National Bank. Olivis was formerly in the L. N. Bridges location near the Baptist church. Olivis will be glad to have his many friends and customers visit him in his new location. Read his advertisement in this issue of the Herald.

SCARLET FEVER CASES IMPROVING

Quite a few cases of Scarlet fever have been around the outskirts of the city; however, reports go that they are all readily improving. A number of people have taken the serum during the past two weeks which precaution is certainly sensible.

Weather conditions and the unusual number of flu and cold cases raging over the country makes all precaution against such ailments worthy of infinite time. It behooves us to protect our health for illness (in many cases) are useless waste of money and feeling bad.

WHITE MERC. SALE BEGINS TODAY.

White Mercantile Company today opens its annual December sale. The Herald this week printed our large circular announcing the annual event. They also have an ad in this issue. The people have learned that when Mr. White puts on a sale it is really a sale. Look up his ad in this issue and see what he has to offer.

Verlan Gaythor is ill with tonsillitis this week.

Tom Waggoner and family spent Sunday with Bert Hutchinson who lives two miles of Munday.

Miss Georgia Brown of Haskell visited last week with her sister Mrs. B. Arnold.

Miss Willis Jones has the flu this week.

Mrs. Jimmie Cowan of Rule, sister of Mrs. J. T. May is in the hospital here.

We understand that C. C. Hoge is the owner of Knox City's only ice skating rink.

Mrs. Jameson has been confined because of a bad cold.

Mrs. Eslegl spent a few days with her husband last week.

Kenneth Edwards is numbered among the many flu patients this week.

Mrs. E. A. Branton is in Rising Star with her mother Mrs. E. E. Abel who recently fell and broke her arm.

Mr. and Mrs. Homer McCarver of Bartlett Texas were in the city the first of the week. Mr. McCarver is a boyhood friend of Nick and Ed Shaver and lives in the "old home town" of the former editor Mrs. H. B. Sweeney.

KNOX CITY DEFEATS SUNSET
27-13

The girls Basket Ball game between Knox City and Sunset was played December 6. The referee of the game was Reverend Hill of Sunset. It was a clean hard fought game. The girls hope to make a good showing in the county tournament if they get the much needed practice. The following are what Mr. Cloud calls "his starters": Faye Hyde Captain, Mayne Shaver, Marie Dunlap, Rheba Whorton, Irene Holland and Vola Daniels. Mr. Cloud is expecting some of the others to become "his starters" if they keep improving. We were going to play Seymour here last Friday if the weather had permitted. We plan to play O'Brien at O'Brien next Wednesday.

HOW THE SCHOOL IS OBSERVING FIRE PREVENTION

Knox City High School is observing fire prevention week. All the pupils in grammar school are being required to construct posters which suggest, in some way, fire prevention. The pupils in the sixth and seventh grades are being required to write themes as well as construct posters. In high school the pupils are writing themes. The purpose of this procedure is to impress upon the children the necessity to be careful and to teach them ways of preventing fires.

As an incentive for good work, the P. T. A. is offering 5 prizes of \$1.00 each to the pupils in 5 divisions: grades 1-3, 6-7; 8-9; 10-11. These prizes will be awarded at the evening program of the P. T. A. soon after Christmas.

The winning essays will be published in the paper and the posters will be on exhibit and everyone is requested to abide by the advice they give.

If the weather permits, the pupils will be given drills in speed and order during this week.

A MISSIONARY SPEAKS

Knox City High was honored last Wednesday by having Reverend A. E. Butterfield—a missionary to speak to them. Reverend Butterfield was with the Indians for nine years. He spoke to us about the origin of their language. He spoke something about the great chiefs of the Indians. He made a very interesting speech. Reverend Butterfield knew the Indians when they were Indians, in 1897. He was with the Comanche, Kiowa, and Apache Indians. He knew Quannah Parker the well-known Indian chief. Reverend Butterfield is now living with his daughter in Childress, Texas and is visiting Reverend Sharp and family of whom he is a very good friend. Everyone enjoyed the speech very much and hope we may be honored again soon.

On December 18, 7:45 the chorus club will present the operetta, "The Mysterious Master", at the school auditorium. The operetta is sponsored by the chorus club, with the cooperation of the foot-ball boys and their coach, Mr. Dean. The leading parts are taken by Myrtle Evans, Frances Evans, Kenneth Edwards, Donald Withrow, Joe Reeder, Glenn Creed, H. C. Armerontz, Marcellous Stovall, Mary Lou Graham, Helen Glover, Rowena Wall, Panny Farmer and Herbert Finney. The evening will be full of fun and entertainment, familiar to the previous musical programs presented by the club. The admission will be 15 and 25 cents.

FINAL CHECK UP ON THE STUDY HALL

The Studyhall in the Knox City High School building is approximately 72 feet long and 30 feet wide. The seating capacity of the room is 175.

The room is well lighted and heated, with ten large windows and six electric ceiling lights, and three radiators.

On the walls are eight beautiful framed pictures, they are: The End of Day, The Royal Gorge, Caivary and portraits of Woodrow Wilson, Warren G. Harden, George Washington, Abraham Lincoln and Daniel Webster. There is also a copy of John Hancock's commission to George Washington and the certificate of the Parent Teachers Association 1927-28.

At the East end of the Study hall is a shelf that extends across the top of the black board, on this shelf have been placed the cups and trophies that have been won in former year. There are seven of these they are: Girls ball, Boys debate, Tennis Champs, All round championship, Senior Track, Girls debate and Music Memory. Above this shelf is mounted a huge American eagle. On the shelf with the cups is a mounted prairie chicken and a prairie dog.

There is a book case in the study hall containing old volumes of reference books and a large Webster's dictionary. A glass case containing lists of books in our library, is hanging on the east wall.

This is the final check up on the Study hall made on December 5, 1932 at 11:15 o'clock. If anything has escaped our eye, you'll hear about it from the "Spy" next week because the Spy never lets anything escape his eyes.

EDITOR-IN-CHIEF

Dear Uncle Charley:

Why is Beefy so dreamy eyed lately?

Ora Sharp

Answer: Why my dear child he's in love! Only last Friday, I saw him looking at a Good Housekeeping magazine.

Dear Uncle Charley:

Is there any dignified seniors this year?

Lenora English

Answer: Sure ask any teacher in school and they will tell you that Mary Howell and Jocile Russell are the only two dignified pupils in the Senior class. Of course dignity is based mainly on good behavior.

Dear Uncle Charley:

Please tell me what chewing gum has to do with plane geometry?

Mary Howell

Answer: Chewing gum is very valuable an asset to plain geometry. When working plane geometry, one can chew gum, and this helps very much in the concentration of the student. Chewing gum is highly recommended by Mr. Dean. He says "The more, the merrier."

Dear Uncle Charley:

Please inform me where "The Gang" gets so much money to buy candy, chewing gum, etc.

Irene Holland

Answer: I hereby recommend you to Lynn Woldrip at the Red and White Store for that answer.

Dear Uncle Charley:

What is the average times that Rheba Whorton goes to the library each period.

Mary McAuley

Answer: She goes so many times it is impossible to ascertain. I wouldn't say less than forty eight times at one period.

Dear Uncle Charley:

Why does Glenn Creed go to Monday every Sunday night.

Answer: Why don't you know?

Jonell Robbins

Answer: Why don't you know? His grand mother lives over there, and he has to go to see her.

Dear Uncle Charley:

I have recently heard that Mr. Dean was very absent minded. Is he?

Panny Farmer

Answer: Yes, very much so. He is always forgetting to turn off the water in the tub, and just the other night, he had a date and forgot whom it was with, so he wrote and asked me. I didn't tell him hto cause he shouldn't have been so absent minded.

Lady (to boy at the door) Don't bring your dog in the house, it is full of fleas.

Boy—If that is the case of course I won't bring him in. I had no idea you kept your house in that condition.

So Ethel returned your engagement ring?

Yes, she mailed it to me and she had the nerve to paste a label on the outside of the package: Glass handle with care.

Mr. Cloud: "Mary, on what grounds did they give the Kaiser a trail?"

Mary McAuley: "I don't know for sure but I think it was about two miles east of Paris."

Mary Hope: "Does your boy friend write convincing letters?"
 Helen: "I don't know. The case hasn't gone of court yet."

The First and Second grades are working on a Christmas play To be given some afternoon at 2:30 for the mothers of these grades.

SAFETY FIRST

THE PUBLIC should be prudent in seeking relief from pain. Take nothing which does not have the approval of the medical profession.

BAYER ASPIRIN will never do you any harm, and almost always brings the desired relief. But remember that the high medical endorsement given Bayer Aspirin does not apply to all tablets for relief of pain.

THE DOCTOR is careful to specify Bayer Aspirin for these important reasons:

It has no injurious ingredients. No coarse particles to irritate throat or stomach. Nothing to upset the system. Not even any disagreeable taste. The Bayer process insures a pure, uniform product.

INSIST on the tablet you know to be safe. And the one that has speed. Bayer tablets dissolve so quickly, you get immediate relief from your headache, neuralgia, or other pain.

This Woman Lost 45 Pounds of Fat

"Dear Sirs: For 3 months I've been using your salts and am very much pleased with results. I've lost 45 lbs., 6 inches in hips and bust measure. I've taken 3 bottles—one lasting 5 weeks. I had often tried to reduce by dieting but never could keep it up, but by cutting down and taking Kruschen I've had splendid results. I highly recommend it to my friends."—Mrs. Carl Wilson, Mantou, Mich.

To lose fat SAFELY and HARMLESSLY, take a half teaspoonful of Kruschen in a glass of hot water in the morning before breakfast don't miss a morning. To hasten results go light on fatty meats, potatoes, cream and pastries a bottle that lasts 4 weeks costs but a trifle—but don't take chances—be sure it's Kruschen your health comes first get it at any drugstore in America. If not joyfully satisfied after the first bottle money back.

SUNDAY SCHOOL LESSON

By Charles E. Dunn

Christian Standards of Life
Lesson for Dec. 18, Phillipians
3:8-14.

Golden Text: Luke 9:23.
This is a review lesson. Let us recall some of the topics we have considered the last three months. We have discussed the devotional life of the Christian, the problems of the family and the home, the controversial issue of temperance, the imperative need of world peace, the stewardship of money and of life, the acute conflict of races, and the best way in which to employ our leisure time.

As we think back over all these themes we may well ask, "What standard of judgment can we use as a measuring rod whereby to determine our progress toward the solution of these fundamental questions?" Such a standard is furnished by the eloquent passage in Paul's letter to the Phillipians that serves as our lesson text. It is what the apostle here calls "faith in Christ." It is this victorious faith that impelled Paul to forsake everything, counting "all as mere rubbish, that he might know Christ and be found in union with Him."

It is this mighty principle of faith that explains the splendid achievement of Luther. As he was working on his commentary on the letter to the Romans, there came over him, like a flash, the conviction that God's righteousness is a new kind of life in us, a life by faith. The great words of Habakkuk, "The just man shall live by his faith," broke in upon the reformer's soul. There he came to see that faith is the victory, faith born in the soul. "When I discovered this," he wrote, "I was filled with a joy passing all others."

What the world needs today is to raise the standard of faith. We make little headway in the solution of our problems because of the blight of scepticism. Too many are saying, "Human infidelity, intemperance, war, extravagance, racial tension, and abuse of leisure must ever remain." But Jesus assures us that "all things are possible to him that believeth." His chief demand was for faith. "Fear not, only believe," is the heart of his gospel. Under the banner of faith the Christian ideal can be finally attained.

Mrs. S. L. Favor has the flu.

Bill Clonts made a trip to Fort Worth recently.

Mrs. J. W. Hamm is improving from having had the flu.

Mr. and Mrs. Lezson White returned home last Tuesday from a two or three months stay in California.

We regret to state that L. B. Hammock is nursing the flu this week and seems to find it somewhat disagreeable.

Mr. and Mrs. H. B. Sweeney made a trip the first of the week to Breckridge, Strawn and Mineral Wells, returning home by way of Jackboro, Graham and Olney.

FORT WORTH, Dec. 13.—Miss Margaret Reeder, daughter of Mr. and Mrs. J. C. Reeder, Knox City, is a senior in Texas Christian University.

Miss Reeder was graduated from Knox City high school in 1929. She is majoring in Philosophy at the university, and expects to teach school next year. She is an honor student and a member of the Bryson club.
