Two Injured In Car Wreck Near Town

As the result of an automobile crash just south of Knox City Tuesday at 6 p. m., Aubrey Carter of Knox City, is in the Knox County Hospital where his left arm was amputated at the elbow after being mangled in the wreck that also injured Lee Wampler, Knox City.

Details of the wreck reveal that Mr. Wampler was driving toward Knox City from Rochester where he has been working, and at a point near the Haskell County line his car was driven by Mr. Carter. Carter was driving south at the time.

Mr. Wampler suffered slight injuries, mostly glass cuts on his face that responded to first aid treatment.

Mr. Carter is reported in no danger after the amputation of his arm.

Rochester Steers Play for Title 23rd

The Rochester Steers, undefeated winners of District 2B, will play the Meadow Bronchos, winners of District 1B, in Haskell Friday night, November 23, 7:30 o'clock.

The Steers feature a small, fast team captained by Billy McGuire, a versatile fullback, and little 120-lb Jack Guant, the seat back. The Meadow team sports two tackles weighing over 200 lbs. each and a strong offensive team.

Meadow boasts a better record both on offense and defense than the Steers, having made 229 points to opponents 68 points. The Steers have racked up 172 points to their season's opponents 71 points.

Lawrence Paul Served On Carrier

Lawrence R. Paul, seaman first class, Knox City, took part in Pacific operations of the escort carrier USS Tulagi, which now is engaged in the high priority post-war task of bringing high-point veterans of the Navy, Army and Marine Corps home for discharge and return to civilian life.

The Tulagi is one of some 250 carriers and transport vessels that have been assigned to the Navy's "Magic Carpet" fleet, operating between the Orient and various United States ports, bringing discharges over the long road home across the Pacific.

Willis Lee Pack On Way Home

Pearl Harbor, T. H.—Willis Lee Pack, CMC, USNR, husband of Mrs. Ida R. Pack, of Knox City, Texas, is on his way home.

Pack is one of the 1,400 high-point Navy veterans whom the "Magic Carpet" is bringing back to the States aboard the USS Texas.

The USS Texas, one of the 250 carriers, battleships, cruisers and attacks transports in the Navy's famed "Magic Carpet" fleet, left Pearl Harbor, Tuesday, November 6, and is scheduled to arrive in San Francisco about Monday, November 12.

Passengers will go directly to the separation centers nearest their homes to complete the formalities of obtaining their discharges before returning to civilian life.

Soloman Hayes In Navy Air Transport

Soloman A. Hayes, aviation machinist's mate, second class, USNR, 41, of Vera, Texas, recently reported for duty with the Johnson Island detachment of Air Transport Squadron 12, Naval Air Transport Service.

The squadron maintains aircraft of the far-flung Naval Air Transport service which now handles planes over 20,000 miles of air routes from Oakland, Calif., to Tokyo, Guadalcanal and the Philippines.

Each month for the last four months, the service's planes have been carrying more than 20,000 passengers and 125,000,000 pieces of mail, in addition to hundreds of tons of high priority cargo.

Discharged

Pvt. Delbert Hayes

Pvt. Delbert Hayes, son of Mrs. Hattie K. Hayes of Knox City, is home with a discharge from the Army after 34 months overseas duty.

Hayes took part in six major campaigns with the 34th Infantry Regiment and was awarded the Bronze Star for heroism during the historic assault on Corregidor. He also wears the Presidential Unit Citation for his battalion's outstanding achievement in battles.

Steer Brings 23 1/2 Pound

The 4-H Hereford steer belonging to Edwin Howeth of the Brock community was shown at the Hereford Show in Dallas, in the 4-H Club division on Nov. 10. This Hereford steer weighed 235 pounds and placed 20th in a class of 50 steers.

The 4-H Club steer show was perhaps the largest and the keenest in competition than any show that has been held in Texas prior to this date.

Fifty-one steers weighing from 500 to 1100 pounds were shown in the senior division and 50 steers were shown in the junior division. This makes a total of 101 steers in the 4-H Club show at Dallas.

On Monday, November 12th, the steers were sold at auction to the business men of Dallas.

The Edwin Howeth steer sold for 23 1/2 per pound, making a total of \$209.92. This steer was bred by the Jamison Stock Farm in the Brock community, and was barely a year old at the time of the show. The Grand Champion steer was 19 months old, and weighed 1100 pounds and sold for \$200 per pound.

Marshall Wooley, of the Brock community, who also lives on the Jamison ranch, assumed full responsibility of taking care of the calf and showing it in the exposition. Marshall assumed this task because Edwin was unable to attend the show on account of having had the misfortune of breaking his leg just a few days before the time of going to Dallas.

Marshall did a very commendable piece of work in exhibiting and showing the Edwin Howeth steer, and showed a fine spirit of cooperation that exists between all 4-H Club members.

LL (Jg) and Mrs. Dan Steakley are here visiting her parents, Mr. and Mrs. C. C. Hoge. He received his terminal leave from the Navy at New Orleans recently.

Study Club Ready For Banquet Here November 28th

Mrs. T. P. Frizzell, Sr. was hostess to the Knox City Study Club Saturday afternoon, November 17.

Mrs. E. F. Branton, club president called the meeting to order. Mrs. G. T. Hardberger led the group in a Thanksgiving prayer.

Mrs. Ed Clarke, a charter member of the club was welcomed as a visitor at the meeting Saturday. Twenty-one members answered to roll call.

The "finishing touches" were put on the plans for the Community Thanksgiving banquet for November 28th. Each club member is acting as a committee to sell tickets for the banquet. The club will sell only 200 hundred of the \$1 tickets, because the members of the Nutrition Committee feel that they can serve only 200 people adequately. Half of the tickets has been brisk and those expecting to attend the banquet who do not have tickets should get them at once.

The program committee plans a very interesting program for the banquet hour. A copy of the program may be found elsewhere in this paper.

Mrs. U. H. Lea gave an interesting, illustrated discussion on the subject of "Period Furniture." Mrs. Lea had made a thorough and intensive study of her subject. She used posters and chairs to illustrate the different periods of furniture. From the Cromwellian Period, she used a twisted post chair which belongs to Mrs. B. B. Campbell. She showed a Chippendale chair of Mrs. Harper Knight; Hepplewhite chairs belonging to Mrs. T. P. Frizzell, Sr.; an Early American Windsor chair of Mrs. Neal Logan's; an Early American ladder-back chair which belongs to Mrs. B. B. Campbell; and a Duncan Phyfe lyre-backed chair of Mrs. Dan Steakley's.

Mrs. Lea also displayed an interesting hand made table which was an exact reproduction of the Early Dutch-American Period. Ken Frizzell made the table recently in the school he is attending.

Miss Ruth Rice read a very interesting paper which Mrs. T. E. Holcomb had prepared on the subject "An American China." The club regretted that Mrs. Holcomb was ill and could not attend the meeting.

Mrs. Bedford Smith closed the program by playing as a piano piece "The Old Spinning Wheel." After such a wholesome study of home furnishings, one could really say with the poet, Goethe, "He is happiest, be he king or peasant, who finds peace in his home."

The next club meeting will be December 1, with Mrs. John Wilson hostess.

Waggoner Family In Reunion

Mr. and Mrs. Bill Waggoner enjoyed a family reunion over the weekend.

Their son, Cpl. Henry Waggoner has just returned after spending 31 months in the Pacific. He volunteered for the Army on May 5, 1941 and was honorably discharged November 15, 1945.

Other guests were Mr. and Mrs. Albert Alexander and children of Phoenix, Ariz. Mr. and Mrs. Bill Carver and children of Abilene, Mr. and Mrs. Joe Ed Bradley and son of Rochester, and Mr. and Mrs. Bill Aldredge and daughter of Knox City.

GROUP SING-SONG	Directed by Mrs. Bedford Smith

Thanksgiving Day Here Will Mean District Football Game At Haskell for Championship

Leaders Needed for Local Campfire Organization

Mrs. Fred Stockdale, area Girl Scout director, visiting in Knox City last week where she and Miss Claire Barricks, national executive, were guests of the Lions club, stated that Knox City needs additional sponsors and guardians for Campfire units in this community.

Mrs. Stockdale said that many local girls are waiting to join the Campfire girls but lack of adult guardians or leaders are keeping them out of this important and educational work.

"Knox City could double its Campfire membership if proper leaders were found for the units," said Mrs. Stockdale. "We have a good representation here but it could be widened to include every girl in the community with extra help at this time. The present local leaders are doing a fine job with the girls and interest is at a high level, but it is only fair that all girls should have the privilege of joining, especially when we know they are so patiently waiting for new units to be opened up," she added.

Mrs. E. R. Carpenter is chairman of the local group. Mrs. H. M. Jones is guardian. Mrs. Chad Wilson, assistant guardian, and Mrs. J. O. Hamm is sponsor. The Knox City Study Club is fostering the Campfire work.

Goree Sailor Was In Thick of Fight

W. V. Blankinship, coxswain, Goree, Texas, served on the destroyed USS Wadsworth when her only loss in 22 desperate attacks by Jap suicide planes was the commanding officer's gig, newly revised Navy records of the ship have disclosed.

The suicide attacks took place at Okinawa, where the Wadsworth's guns left a trail of six smoking Jap planes. The crew of the ship is credited with having helped to account for more than 40 Jap planes in the air and hundreds more on the ground.

Assigned to picket duty between Okinawa and Japan, the Wadsworth went to battle stations 209 times during the Okinawa campaign. Her other operations included the Iwo Jima, Marianas, Jismareck Archipelago and Bougainville campaigns.

Knox City HD Club Host To Munday

The Knox City Home Demonstration Club's Achievement Day program was held Friday, Nov. 16th, in the home of Mrs. Sam Clonts.

Members of the Munday club were guests for this meeting. The guest rooms were beautifully decorated with fall flowers. Miss Lucile King, home demonstration agent, displayed many beautiful handmade Christmas gifts.

After the business meeting games under the direction of Mrs. C. C. Hoge, Mrs. Jack Coats, and Mrs. Joe Averitt were played. Refreshments of tuna fish salad, snacks, hot gingerbread and spiced tea were served to the 23 members and guests present.

Rev. Sam Young To Preach Sunday

Rev. Sam Young of Stamford, district superintendent of the Methodist Conference, will preach here next Sunday at the First Methodist Church.

The church is at present without a pastor, since Rev. Lloyd Hamilton left last week to take over his duties at Rule, where he was appointed by the conference at Abilene recently.

All members and the public are invited to hear Rev. Young.

Community Thanksgiving Banquet, November, 28th. Tickets now on sale at the Herald office.

Florence Wilson Back In States

MANILLA—Wac Private First Class Florence A. Wilson, daughter of Mrs. J. S. Wilson, Route 2, Knox City, Texas, after duty in the Pacific theater is returning to the United States for redeployment on the point system basis.

Arriving overseas in November 1944, Pfc. Wilson has seen duty in New Guinea, Biak, Netherlands East Indies, and in Luzon, Philippines. Prior to her enlistment, she was working as sales clerk in the May Variety Store, Knox City. She is a graduate of Knox City high school.

Mrs. Wilson received a telegram Monday morning from Florence, saying she had landed at San Francisco safe and sound and expected to be home soon.

Hungry for Turkey? Here's How To Fix It Just Right!

If your family has not had a holiday turkey for the past few years, you may be a bit rusty on how to select and cook the 1945 turkey. This year, most families can have the traditional holiday birds if they want them, says Miss Lucile King, county home demonstration agent.

If it's roast turkey you want, get a bird that's young and tender with plenty of fat under the skin. The body should be well-rounded and the breast full-fleshed. Henishes and pinfeathers should be few.

To prepare, draw and groom the turkey, then sprinkle the inside with salt. Next, put the stuffing in, not too tightly since it expands as it absorbs juices that cook out of the bird. Slip a large crust of bread into the opening. This holds the stuffing in place. Next tuck the legs under the band of skin at the tail. It's easy to put one stitch at the end of the breastbone and wrap the cord around the legs under the tail to secure the legs.

Now put some more stuffing in at the base of the neck, fold the neck skin toward the back of the bird and fasten with skewer, poultry pins or a few stitches. After you have rubbed the bird all over with fat and added salt and pepper, it's all ready for cooking, says Miss King.

A shallow uncovered pan is best for cooking a young turkey. Start by placing the bird in the pan breast down, and if the bird is young, don't put water in the bottom of the pan. Just place a rack under the bird to keep it from sticking and to allow hot air to circulate. Use moderate temperature for the bird—usually the larger the bird the lower the temperature. For example, a 10 to 13 pound bird will take about 3 1/2 to 4 1/2 hours at 300 degrees F. A larger bird, 14 to 17 pounds, takes about 5 to 6 hours at 275 degrees F.

Don't forget to baste frequently, turning the bird every time it is basted. This turning keeps parts standing high in the oven from cooking faster than others.

Gerald Averitt Discharged

Mrs. Gerald Averitt received a wire Tuesday morning that her husband had received his discharge and would arrive in Fort Worth Wednesday evening.

Mrs. Averitt and Mr. and Mrs. Joe Averitt plan to meet him there and spend Thanksgiving in Fort Worth before returning to Knox City.

Chad Wilson Soon To Don Civvies

Mrs. Chad Wilson had a message from her husband, Chad, at New York, saying he was up for a discharge soon.

Chad will report to New Orleans for his final papers.

Thanksgiving Day will mean a football game to most Knox City residents. That is, after the turkey has been stored away with ample helpings of side dishes.

Thanksgiving Day will really be a thanksgiving day with the thanks coming beforehand if we could see a few hours ahead and read the scoreboard of a football game down at Haskell Thursday night and see where a team called the Knox City Greyhounds were taking the Paint Creek Pirates for a scuttling in the district game.

Regardless of the outcome of the game, it will be the season's most outstanding for 6-man football in this section of the State. It will be hammer and tongs for the championship of District 6, Knox City having won the north half, and Paint Creek cleaning up in the south part.

The game will be called at 7:30 Thursday night, November 22nd. The place is Haskell's football stadium. The price is only 25c and 50c.

Both teams carry an enviable record, Knox City being undefeated and the Pirates carrying but one tie suffered at the hands of our neighbor to the south, O'Brien.

While no statistics are available on Paint Creek, the Greyhounds have mounted up a total of 346 points while allowing their opponents only 36. The only defeat handed the Greyhounds was a 20-30 victory gained by a strong Dickens team in a non-conference bout.

Several members of the team have been out the past few days because of illness, but the team is expected to be at full strength Thursday night and ready to carry the battle to the Pirates.

Drive over to Haskell Thursday night and see some good, fast football. Come early because the game has been advertised all over the countryside and seats will be hard to get.

RAY WILLIS CLOSES OUT FEED STORE HERE

Ray Willis, in business here for the past 20 years has closed out his feed store stock and will discontinue business for the present.

In speaking of the prospects of being a successful retired business man, Mr. Willis said:

"We wish to thank our many friends and customers over the years for their friendship and patronage. We were in the same location here for 20 years and it was just a little hard to decide on the move we have made."

"We intend to make Knox City our home, and as for retiring at this stage of the game, we will probably enter business in some other line in the near future."

Mr. Willis is commissioner of the Knox City precinct.

KNOX COUNTY WAR BOND SALES ARE 22.81 PERCENT

According to a bulletin from the Regional War Finance Committee office at Fort Worth, Knox County has sold 22.81 percent of its quota in the Victory War Loan.

Ranking 32nd in a list of 59 West Texas counties, the local county sales are away below par for this stage of the campaign.

CPL. HENRY WAGGONER HOME FROM PACIFIC

Cpl. Henry Waggoner, son of Mr. and Mrs. Bill Waggoner of Knox City, has returned from the Pacific after serving 31 months overseas.

Henry entered service May 5, 1941, and was discharged November 15, 1945.

LOCAL GINNING REPORT

Cotton ginned for the season, up to noon Wednesday:
Brazos Valley Gin 377
Knox City Gin 1469
Cotton Growers Co-Op 2204
O'Brien Co-Op Gin 3223

COUNTY GINNING REPORT

Census report shows that 12,567 bales of cotton were ginned in Knox County from the crop of 1945 prior to Nov. 1, as compared with 11,222 bales for the crop of 1944.

FRESHMAN NEWS

We are proud of our football team for beating Megargel and we hope we are going to be much prouder of them when they play Paint Creek this Thursday night. This week is six-weeks test and all the Freshmen are dreading them. Several of the kids have been out with the flu and we hope they are back soon.

SOPHOMORE NEWS

The Sophs gave up a party this week, so later on the high school as a whole can have a planned party that will amount to something. We are all proud of our football team even though they only beat Megargel 20-6, but they promised to do better against Paint Creek Thursday night at Haskell.

We are all very glad to get Thursday and Friday for our Thanksgiving holidays. That is something to be thankful for.

We are all praying that we passed our six-weeks exams. I think everyone in our class will pass.

We will start basketball and volleyball about a week after we finish football, which will be in about two weeks.

Well, folks, that's all.

Cut flowers and bouquets for all occasions. Call Mrs. Cash.

DOGHOUSE

Marie, what's that I hear about a gravel walk from your house to the hotel? Could it have been something to do with Bill afraid to get his feet muddy?

Shelia, what's that I hear about you being discourteous to your visitors Tuesday evening?

Glenn and Mary Sue, Fred and Louise B. were really enjoying the cowboy show Sat. evening.

Mary Lou King and Donald R. from Stamford were really painting the town Thursday night.

Bill Watkins was awful disappointed Sunday night because Roxane wasn't at Young People's meeting. Better luck next time, Bill.

Mildred and Billy Wayne Ivey were at Benjamin Saturday night. What did you find at Benjamin kids? Also what did you find at Monday Sunday night?

Billie O. Faubion and Donald Griffith sure had a good time at Monday Sunday night.

Dot, what were you doing in Monday Sunday night? Seems like the whole town was at Monday, including Monte W. Monte, you must not get caught disconnecting spark plugs anymore—that's not nice.

There's no place like Jack's home, is there Ken Clonts?

SENIOR NEWS

The Seniors have studied a lot this week because of six-weeks exams we are having. We had a final in our English IV. We have had so much school work to do that we haven't had time for anything else.

There are a lot of students out because of flu, and we have one or two teachers out. We hope that they will be back in school soon. Some of the football players are

FARM NEWS

A Question To a Farmer

Who in your community will tell you if you can draw the payment of \$1.00 per acre for deep plowing, the 75c per acre for contour farming, the \$1.50 per 100 feet for terraces, or any of the other payments to be made by the AAA for conservation practices carried out next year? Will it be a man that does not care if you receive a payment or not, or will it be a man that has the interest of agriculture and your community at heart?

These are pretty big questions. They will affect every farmer in the county that is trying to hold and improve his soil. During the first week of December elections will be held in each community for farmers to select the men that will represent their community in the 1946 agricultural conservation program.

For the first time, in 1946, the committeemen will say how much each farmer is allowed on his farm. The option of disapproving or approving a payment rests entirely on his shoulders. Each conservation practice carried out must have the approval of the committeeman before it is started if payment is made.

Agriculture is entering a new era. The time has come when farmers must produce as much as possible with as little cost as possible. There is no better way of doing this than practicing conservation farming. Each community should elect a man as their committeeman that will work with them toward carrying out a sound soil and water conservation program. When maximum conservation is obtained a large part of the postwar farm problem will be solved.

Some farmers are becoming alarmed because they cannot put their action in the loan. We wish to remind them that the farm storage loan is still available.

Below is a list of the conservation practices approved by the county and community committees for 1946:

Large terraces—\$1.50 per 100 ft.
 Small terraces—\$1.00 per 100 ft.
 Diversion terraces—8c per cu. yd.
 Tanks—8c to 10c per cu. yd.

out and we are just 'pepin' that we have enough to play our football game tomorrow.

Births

Nativida Quintano, Truscott, a son.

Mrs. Roy Lee Mills of Walnut visited her husband's parents, Mr. and Mrs. J. J. Mills a few days last week.

Miss Ada Ann Stephens, daughter of Mr. and Mrs. Jim Stephens of Amarillo, spent the weekend here with her grandparents, Mr. and Mrs. Claude Garrison.

Miss Billy Jean Hamner of San Diego, Calif. has been here visiting friends.

M. M. Ward of Anaheim, Calif. is here on business.

Lt. and Mrs. Tom Lois of Canyon are here visiting her parents, Mr. and Mrs. E. B. Shaver.

Friends here have received announcements of the marriage of Ona Galloway to Lewis Stokes. Mrs. Stokes was employed by Mrs. Bonnie Corley in her beauty shop here for several years, and Mr. Stokes worked here at the time the dial system telephones were put in. He has just recently received his discharge from the armed services.

Mr. and Mrs. Ira Russell of Dallas spent the weekend here with the Abe Watson family and her father, Joe Russell.

Mrs. J. E. Clarke and Mr. and Mrs. Edwin Clarke of Roswell are here visiting the P. H. Clarkes and Mr. and Mrs. John Griffith.

Hubert Hobbs, with the Navy Seabees, has received his discharge and is home with his wife and children.

Order your flowers and shrubs from the Study Club. Call Mrs. Ott's Cash.

Mr. and Mrs. T. H. Durham of Dumas spent the weekend here with his sister, Mrs. Gene Clonts and Mr. Clonts.

Mr. and Mrs. Willard Wright of Abilene spent the weekend with her parents, Mr. and Mrs. Ben Snelson.

Mrs. Jerry Bradley and son, Max, of Archer City visited Mr. and Mrs. Walter Thomas and the L. Favors over the weekend.

Drs. T. S. and R. C. Edwards, Rudolph Hackfield, Henry Jones and LaRoy Stubbs are on a deer hunting expedition in the Davis Mountains.

Mr. and Mrs. H. M. Jones, Mr. and Mrs. J. O. Hamm and Miss Ruth Rice attended the area meeting of Campfire Girls in Haskell Tuesday night, November 12. Mrs. Hamm is a member of the nominating committee. Mr. Jones introduced the members of his group at the meeting.

Mrs. H. M. Jones and Mrs. J. O. Hamm attended the training course given by Miss Claire Barrieks in Stamford, Wednesday, November 14th.

Union Grove Club Host To Benjamin

Members of the Union Grove Home Demonstration club entertained members of the Benjamin club at their Achievement Day program in the home of Mrs. A. L. Russell, Friday afternoon, from 2:30 to 5:00.

Seven members and the home demonstration agent, Miss Lucile King, were present. Several games were enjoyed together and many lovely things were on display, made by the club members. Refreshments of hot gingerbread, buttered nuts and hot spiced tea were served.

The Union Grove women will go to Munday on November 28th to be entertained in the home of Mrs. Scott.

County Library Adds New Books

The Knox County Home Demonstration Memorial Free Library will soon reach its five hundred mark. The goal for 1945 was 500 books and at present we have 486 books.

We have added fourteen books the past week. They are:

The Story of Other Wise men, by Henry Van Dyke.

Christmas Magic, by James S. Tippet.

History of Texas, by Newton and Gambrell.

Swing and Turn, Texas plays

part of James, by Wm. Owens.

The Holy Bible.

The Yearling, by Marjorie Kinman Rawlings.

The Keys of the Kingdom, by A. J. Cronin.

Kay Allen on Overseas Mission, by Margaret Irwin Simmons.

The Southwest in Literature, by Major and Smith.

1942 World Almanac & Book of Facts.

History of World War II.

Rooster Crows for Day, by Burman.

We extend a cordial invitation to everyone in Knox County to visit the library.

The Family Altar

By Rev. Violet Byers
Co-Pastor Four-square Church

In last week's column, I made a statement that I would not be writing the Family Altar again for some time, and since the paper came off the press I have received many requests to continue as this column has proved a blessing in countless homes here in Knox City, also in other cities. As it is my sole aim to point people to the savior of the world, Jesus Christ, I believe that it would be pleasing to Him for me to continue, and I know that He will help me to do the other work too.

If you would like to have this column continue on as before, would you send word to me by penny post card, so that I might know if you have received a blessing from the writing of this column. Just send the card to Box 253, Knox City, that I might know if you want me to continue.

During this coming week we are celebrating a national holiday, Thanksgiving Day, and our minds go back to the founding of this great country, when the Pilgrim fathers first gave thanks for a land free from dictatorship. Truly, friends, this country is founded on the word of God, and we as a nation should give our thanks daily that we are privileged to live in this land. So many times we just give thanks for the material things, and forget to give thanks for the spiritual also. But we have a great example in the life of Jesus as he stood praying outside the tomb of Lazarus. He lifted his eyes to his Father and said, "Father I thank thee that thou hast heard me."

Dear friends, do you ever take time to just thank God for hearing you when you pray? There are so many things to be thankful for today. First, we can be thankful that this world conflict is over, and that many boys are returning home. Again, we can be thankful that we have good clean air to breathe, not polluted by the stench of rotting flesh, or the dust and litter of wrecked buildings. We can also be thankful for the privilege of worshipping God in a country where God is their God, although many do not avail themselves of the opportunity to do so. Truly, dear ones, we do live in a land of the free, and we should at all times give thanks unto Almighty God for this glorious land.

We have had a recent victory, and I believe that every heart is thankful, but if we would stop to remember that without Christ the victory would be vain. We read in the word of God, 1 Cor. 15:57, "But thanks be to God who giveth us the victory, through our Lord Jesus Christ."

Friends, if you need victory in your life, look to Jesus, as we can only have victory as we have Jesus in our hearts and lives. God bless you all.

Rev. Violet Byers and the Family Altar.

CENTRAL HEAT for the COTTAGE

When heating is planned as part of house and installed when it is built or remodeled the most luxurious, healthful automatic natural gas heat can be had for so little more.

For instance, the closet-type furnace, installed in equipment room or closet this compact unit provides a winter air conditioning system which warms, humidifies, filters the air and circulates it through the house. The warm air it circulates is mixed with an ample amount of fresh air from the outside to eliminate staleness and odors. A simple thermostat, adjustable at a touch, provides exactly the temperature desired.

Since such a heating system is installed as part of house it is financed as part of total house cost. So its modest initial cost spread out over a period of years will hardly be noticed in monthly house payments. When considered from standpoint of health and redecorating savings such a system probably will prove cheaper in long run.

Important

The time to decide on house heating is during planning stage of home. Make sure the plans and specifications include **FLUES** for **VENTING** the new gas heating equipment. Only when equipment is vented are wall sweating and stuffy air eliminated.

LONE STAR GAS COMPANY
