Streams In Desert Places
BY OZELLE STY PHENS

"For God hath not given us the spirit of fear; but of power and love and of sound mind" 11 Tim. 1-7.

Sometimes you may wonder how you can face life with an overcoming spirit as you meet with its many problems or challenges. Some people give up completely. Still others accept life as a joyful experience. If troubles were the basic cause of people going to pieces, then everyone of us without exception would be in a pitiful condition. However, this is just not the case. Only those persons who let themselves become victims of life's challenges, witness their life falling apart or becoming a meaningless existence, for each of us have an overcoming spirit. A spirit; it which does not let itself be destroyed. Just trust God, for the continual Streams of His spiritual power of love and self control. It's yours for the taking.

Of Religion?

brothers came to this great land some 300 years ago as oppressed people. Some came as slaves, some as indentured servants, some as free men. They feared God and wanted to worship Him and the liberty to worship God as they pleased. It seems that all governments are founded on the competition from God's word. The Bible included in the famous Bill of Rights. Every man has a right to worship God. This was very good for our nation because it gave the atmosphere for Christianity to flourish. We are known as the Christian nation and even our motto is "In God We Trust"; the motto of the United States.

persecution ceased, the desire to go back to God for complete guidance seemed to slip. The people of every clime began to arise. Amos 6:1; "Ye are at ease in Zion. . . Zechariah 11:17; "The shepherd that leaveth the flock!" Today in our land there are over 250 different religions. How can we have the same Bible!

and see exhortations to "attend the church of Christ, who gives us this choice? Does God give us freedom of religion who gives this freedom? The Bible says "the land of the free." Compared to our land, indeed free. But, there has to be law and order. There is no law there is no freedom. Freedom means the right to restrictions, not the right to violate the law.

led us to freedom (Gal. 5:1) He didn't give us freedom by His authority or set our own rules. We are free because He thinks and acts as He acts. We are as many as are led by the Spirit of God. We are free because we are unrestricted in our consciences and godliness. We are free because we have no restrictions, but disobedience to the law.

in our free country, to the law breaker. We are free by law are free. There is no freedom in the laws of Christ but to those who want freedom. There are no restrictions on obedience?

BELIEVE, Mark 16:16; REPENT, Luke 24:47; BE BAPTIZED, Acts 2:38.
