### O'Brien Co-Op Gin Plans Stockholders Meeting For April 22

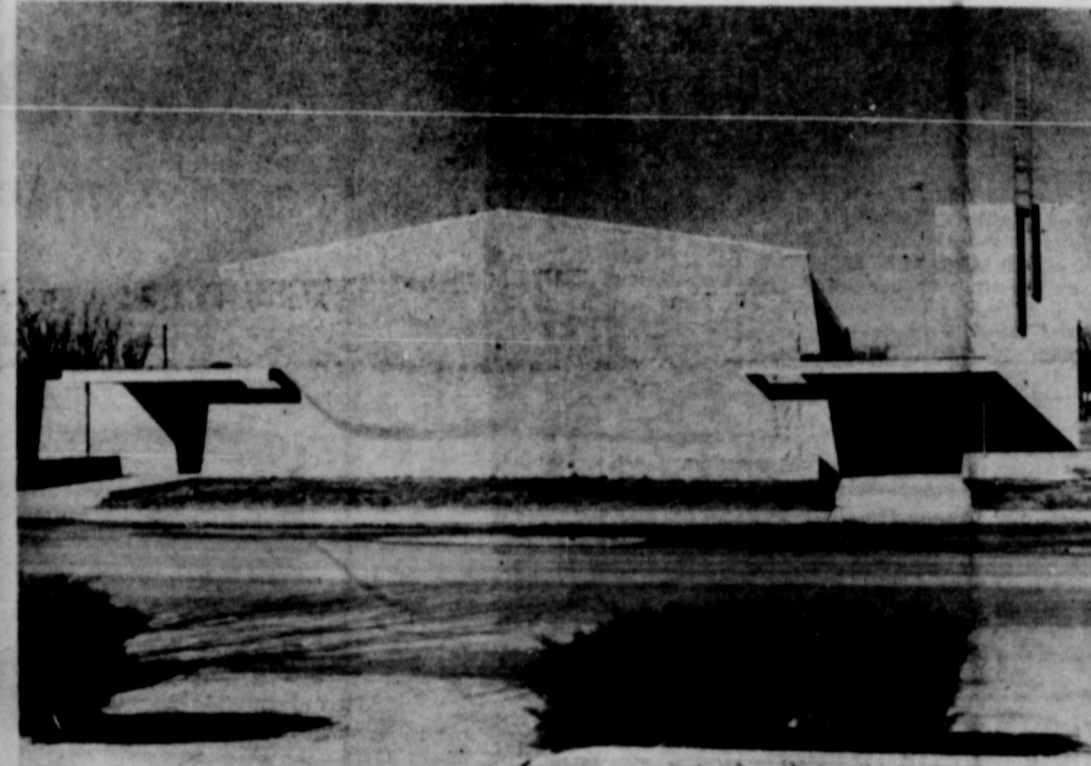

O'Brien Co-Op Gin will have their annual stockholders meeting at the O'Brien school auditorium, Saturday, April 22.

Program begins at 1 p. m. and special entertainment consisting of the Stamps Quartet and Bob Murphy, a noted humor speaker, will then be featured.

S. N. Reed said a good program has been arranged and that everyone is invited to attend.

### O'BRIEN TENNIS CHAMP

In the grade boys singles championship tennis match played at Rule Tuesday, Jones Duncan, O'Brien, defeated Larry LeFevre 6-1, 6-4, and wound up tennis matches and was the only tennis championship won by O'Brien.

DEDICATION SERVICES — of the new First Baptist Church will be conducted Sunday, April 16. Former pastors and District 17 Missions Secretary, will be on hand for the days services.

### Knox City's First Baptist Church Dedication Will Be Sunday, April 16

The First Baptist Church of Knox City, will have dedication services for the new sanctuary Sunday, April 16. These services will consist of a regular morning service at 11 a. m. Afternoon special dedication service at 2:30 and a regular night service at 7:30 p. m.

Rev. Billy Frazier, former pastor of the First Baptist Church here, from 1955 to 1958, and at present pastor of First Baptist Church in Idalou, will bring the message at the 11 a. m. service.

Rev. L. L. Trott, District 17, will bring the message at the special dedication services held at 2:30 p. m.

Rev. C. A. Powell, former pastor here, will pray the dedicatory prayer.

Rev. Claude Stovall, now retired Baptist minister of Abernathy and a former pastor of the church here, will bring the message at the night service at 7:30 p. m.

The new sanctuary was constructed for \$100,000 and will seat 560 people. The building is 126 feet long and 52 feet wide. Construction is of tile and pink and beige brick. It is contemporary in design, and consists of auditorium, baptistry and two dressing rooms, organ and piano tone chambers, five adult classrooms, young people's assembly and two classrooms, rest rooms, office and pastor's study. It is equipped with year-round central heating and refrigerated air-conditioning.

### Annual Flower Show Scheduled

Knox City Garden Club announces the Seventh Annual Flower Show to be held on April 20, in the American Legion Hall in Knox City from 2 to 6 p. m. Mrs. H. W. Finley is general chairman. Assisting her will be ten committees. Theme of the show is, "All the World's a Stage."

DIVISION I — Horticulture — "All's Well That Ends Well." In this division there will be eight sections. They will include roses, iris, bulbs, perennials, annuals, and biennials. Flowering shrubs, trees and vines, dried plant material, potted plants.

DIVISION II — Artistic Arrangements — "Measure for Measure" — Line arrangement, "Midsummer Night's Dream," a crescent arrangement using foliage only. "As You Like It," class for novices.

"Romeo, My Romeo," arrangement of 3 to 5 red roses, "Much Ado About Nothing," miniature arrangement, "The Tempest" — Hogarth arrangement, "Merry Wives of Windsor," symmetrical arrangement for a small dinner table, "The Winter's Tale" — dried arrangement, drift wood, "Comedy of Errors," a class for hundreds featuring anything and everything, any color, size, shape or form.

Section J Plaques — "Twelfth Night or What You Will." Framed or unframed.

DIVISION III — Educational — "The Taming of the Shrew." Plant propagation.

DIVISION IV — Garden Market — "The Merchant of Venice." There will be vases and other flower containers for sale, some plants and seeds and what have you.

The public is invited to attend, there will be no admission.

### School Board Has Meeting April 11

At a meeting of the Knox City School Board April 11, the school board election returns were canvassed, and approved.

Returns were, John Crowover 160, Clyde Voss 120, Mrs. Gerald Averitt 69, and Joe Reeder Jr., 46.

The board was reorganized for the year with John Crowover, president, Alton Fitzgerald, vice president; and Lloyd Waldrip, secretary.

The resignation of Ben Fletcher, science teacher, at Knox City High School, was accepted.

Dates were set for the meetings for the board of equalization for the Knox City School District. First meeting will be June 1, and final meeting will be June 16.

### American Legion To Meet Tuesday Night

Knox City's American Legion will have their regular meeting at the Legion Hall, Tuesday, April 18, at 8 p. m.

Business on the agenda will be for members to decide whether to sponsor a Cub Scout troop.

All members and prospective members are urged to attend this meeting.

### Martin Attends Bureau Meeting Of Presidents

Homer A. Martin of Gilliland, president of the Knox County Farm Bureau, attended first called "Special Presidents Conference" in Waco, April 3.

Martin stated that it was an inspiration particularly, in view of the short notice. What was more impressive, he said was the prevailing spirit of those in attendance, that gave no indication that the signs of the time was cause for gloom and brooding—but rather, presented a challenge and opportunity for even greater achievements in unity and strength in Farm Bureau.

"Thus, it was only necessary to provide ammunition in the form of information and suggestions to assure the success of the conference," he said.

### Scout Executive Speaks At Lions Club Wednesday; Need Scout Sponsor Here

Speaker at the Lions Club Wednesday was Noel Crenshaw, district scout executive from Seymour. Joe M. Clonts introduced Crenshaw to the club and guests.

Crenshaw then gave some history on scouting—first came to America 51 years ago, and the three separate age groups in which boys may become scouts. First is the Cub Scout, boys eight, nine and ten years of age, second is the Boy Scouts, for 11 to 14 year olds, and third is the Explorer Scouts for boys 15 through high school.

Crenshaw said statistically, one out of every three boys in America is a Cub scout. One out of every four is a boy scout, and that one out of eight was an explorer scout.

"Out of 500,000 eagle scouts in the United States in the past 51 years, not a one has a record of a felony," Crenshaw said.

He went on to say that he doubted that any other group of boys in any other club or vocation could make that statement.

Crenshaw said his object in speaking here was to get the Lions Club to sponsor another boy scout troop. The club had, several weeks ago, voted to sponsor another troop, but outside of the vote nothing has been done

about it. Crenshaw said he would work with any committee the club appointed and would help to re-organize a boy scout troop here.

Lion President Fuller Shannon appointed Joe Clonts, Ulric Lea and Larry Don Laine, to investigate the feasibility of obtaining another troop here and the club will follow their recommendations when it is compiled.

Ulric Lea made a short talk after Crenshaw and said with the exception of the Bible the Scout Handbook was the largest selling book in America.

Lea said the scouts teach boys to take care of themselves and teach them things their church don't and can't teach.

At the Scout Jamboree last year, he said, there were 58,000 boys and their leaders assembled. "I noticed that at mealtime each leader and the eight boys who ate together, always said grace before their meals," Lea said.

"Another thing in contrast to most youngsters today, was that when one addressed you he always said 'sir.'"

"After you gave them directions or advice they always ended their talk with a 'thank you, sir,'" Lea said, and "... we don't find that on the streets in Knox City."

### City Council Has Meeting Monday

Knox City's City Council met Monday night, and Mayor Guy Glenn opened the meeting and told the aldermen that there was still nothing new to be brought before them, except, "We are still working on the streets when the weather permits, and we are now ready to sealcoat the street at the school."

City Secretary Wesley Garrison told the council that so far the city had used 37 1/2 tons of red-mix on the school street.

All aldermen were present for the meeting. They were: Vaughn Gruben, Otis Cash, A. T. Holcomb, Monty Penman, and Dr. Charles Markward.

The Civil Defense will send a disaster medical supply unit to Knox City the second week in May the mayor said. This is for use in case of any type disaster. The councilmen thought it was mostly in case of a bombing of the larger cities. In that case, patients could be brought here for treatment.

Dr. Markward said it could be used though, for a disaster of any nature. The supplies will be housed in the Scout House.

Supplies include medicines, a generator, an X-Ray machine, dressings, cots, etc. Value of the unit is approximately \$25,000, he said.

The mayor and aldermen canvassed the returns on the city election and the motion was made and seconded that the returns be accepted.

Mayor Glenn and aldermen Cash and Gruben were re-elected in last Tuesday's city election.

Mr. Mabel Pyeatt met with the council to ask them to do something about the streets in front of, and at the side of her house and lots on First and Canal streets. She said water had cut down one of her lots by approximately 18 to 20 feet.

The city said it would look into the matter and try to fix the streets so water would not ruin any more land. They said they would build up the lot and curb the street in a manner in which the water would not wash the soil.

Other citizens meeting with the city were Hob Smith and Mrs. C. J. Reese, representatives of the cemetery committee.

Last month the city had asked that the cemetery committee meet with them to discuss the layout of the new cemetery.

Smith submitted a plan the committee had agreed upon, and after considerable discussion the two came to terms on the procedure of the new cemetery.

First, the city will get the land surveyed, second, they will build a caliche road, and third they will plant grass on a new strip in the perpetual care cemetery.

The layout Smith and Mrs. Reese submitted the council is for a three-road and three gravesites through the cemetery. As more space is needed, the roads and plots will completely encircle the five-acre tract of land the new cemetery is located on or will be located upon.

### O'Brien Third In Literary Meet

The annual 14B literary meet was held at the Rule High School. Bill Baker, superintendent of Mattson, was the director general for the meet. The winning schools were Rochester High School with 112 points, and Rochester Grade School with 52 points.

Other high schools in the meet were Weinert, second, with 71 points, O'Brien, third, with 65 points, along with Aspermont, Old Glory, Mattson, Paint Creek, and Rule.

The Grade Schools were Aspermont, second, with 42 points; Old Glory, third, with 30, along with Mattson, Sagerton, O'Brien, Rule, Weinert, and Paint Creek.

In the senior division in which O'Brien placed are as follows: DECLAMATION—Senior girls, Jean Manning, first, O'Brien; Mary Alice Davis, second, Weinert, and Sharon Leverett, third, Old Glory.

## Letter To Editor:

Dear Mr. Editor:

Might I be allowed a brief space in some column of your paper to express my feelings for, and pay my tribute to, a departed good man and valued friend.

As former pastor of many good people of the Knox City Methodist Church, I counted L. N. Bridges, as I knew him, one of the best of them. His unwavering honor and quiet, unobtrusive, goodness was an inspiration to me while associated with him and has continued to be through the years. I never saw Nick Bridges in any situation that called for choice and decision that the right and the good did not stand above any personal consideration with him. I was with him in many such situations. He seemed to know the Lord's word: "If any man will follow me let him deny himself."

If I may relate one experience as an example of his spirit and say I saw it as typical of the man I think I may have said enough. The period in which I was at Knox City was the early days of the idea of the "Lord's Acre." Many were trying it and there were many testimonials that when they did their crops were more prosperous. After talking the project officially and otherwise some in our church took up the plan. Nick was one of them. During the time of cultivation of the crop he said to me one day: "I don't know whether my crop will make more

## HOME ON LEAVE

P.C.2 Jimmy L. McNulty, son of Mr. and Mrs. H. L. McNulty was home on leave last week. He has completed his 8 weeks of basic training at Fort Hood. Jimmy and his wife, Shirley, left Monday morning for Fort Lee, Va., where he will be stationed.

for having the "Lord's Acre" in it or not. But I do know that when I plow through that part that is dedicated to the Lord, I feel a reverence and warm fellowship with Him, and that is pay enough for me."

That was L. N. Bridges as this pastor knew him.

His Lord was in the field with him. Where wind and dust were blowing. So that his mind forgot the wind And joined the heart's warm glowing.

God walked the daily path with him To keep him strong against wrong doing. It was God's love that guided him; His restful peace was at his going.

His love was there to comfort him, When day's harsh winds were calming. And go with him through shadows dim, To Eternal Day's bright dawning.

J. C. MANN,  
708 N. Fielder,  
Arlington, Texas

## VISITING IN DODSON HOME

Visiting in the C. E. Dodson home over the week end were their son and family, Doyle and Barbara, and daughter, Patti of Brownwood, and another son, Mr. and Mrs. Don Dodson, Martha Jane, Larry Don, and Teresa of Seymour.

## A PROFITABLE COMBINATION . . . LIQUID FERTILIZER Applicator - Cultivator

GUAGE-WHEEL DRIVE UNIT—This is just one of the many types of Liquid Fertilizer Applicator-Cultivator units you'll find at your local Liquid Fertilizer Dealer. A highly versatile piece of equipment—with it you can fertilize before you plant, you can rig-up to fertilize and plant at the same time, side-dress and cultivate, and you can even apply insecticides as you cultivate and side-dress. See your local Liquid Fertilizer dealer and let him show you how easy it is to use unit.

THE WORKHORSE—This tank takes the work out of fertilizing. It is loaned to the farmer to haul his fertilizer to the field. Mounted on the tank is a pump and gasoline motor. The nozzle, which weighs about fifteen pounds, on the end of the hose, is the heaviest thing the farmer has to lift when he is loading his Liquid Fertilizer applicator. Why be old fashioned in modern day farming . . . use Liquid Fertilizers and let pumps and motor do the work for you. Liquid Fertilizer is never under pressure and it is not dangerous to handle.

## Uncle Ben from Benjamin says:

DEAR MISTER EDITOR: In one of them Government pamphlets I got the other day it said the clocks in the U. S. National Bureau of Standards was varying up to a 50th of a second ever 24 hours. The way the item was wrote, it sounded sorter like a complaint. And I can understand how, in Government circles in Washington, a 50th of a second ever 24 hours is very important. I'm expecting any day to see where the Congress has appropriated \$150,000 to git them clocks fixed.

had a investigating committee fix responsibility fer the disaster. I brung up this item at the country store Saturday night and most of the fellers was agreed the country would be better off if they'd throw away them clocks in Washington and git some bells. Ed Doolittle recollected that his Grandpa never had a time-piece on the place. They'd go to work at sunup and quit at sundown, and when dinner come his Grandma would ring a big bell mounted on high poles out in the barnyard. Dinner always come,

## Truscott News

By MRS. H. A. SMITH

Mr. and Mrs. Chester Pogue of Durant, Okla., Miss Clema Pogue of Bryan, Mr. and Mrs. Roy Laquey of Lubbock, Mrs. Carol Beth Derryberry of McKinney, Mr. and Mrs. Pogue Laquey and son Johnny of Lubbock, and Mr. and Mrs. Derrell Ward of Denver City were guests of Mrs. Etta Pogue last week end.

Mrs. Smart and Mrs. McNeece were Benjamin visitors last Wednesday.

Miss Edna Eubank of Seymour is spending a few days with her mother, Mrs. J. B. Eubank.

Mrs. Oscar Solomon had major surgery at the Quanah Hospital last Tuesday.

Mrs. Velmeta Lloyd of San Angelo is here on account of her mother, Mrs. Solomon's illness.

Mrs. Herman Dobbs is a patient in Crowell Hospital.

Byron Bates is a patient in the

said Ed, when the sun was straight up-and-down. Ed allowed as how the sunup to sundown and bell system would be a big improvement in Washington, especial if their clocks is off a 50th of a second ever day.

Clem Webster figured the big building was probably put there in the first place fer a bell to call them Congressmen into session. He allowed as how the dome had to be put there fer some purpose and it had to be fer a bell. Clem is a great feller fer having a purpose fer everything. Fer instant, you never catch Clem just whittling to be whittling. He's always whittling a gate latch, a gun rack, a jug-stopper or somepun he aims to use. But they is a lot of difference between Clem and them politicians in Washington. Between you and me, Mister Editor, I don't think we'll ever git them Congressmen on the sunup to sundown and bell system. The sooner they appropriate the money and git the 50th of a second corrected, the sooner they'll git on with the business at hand.

Zeke Grubb said the Congress would never vote \$150,000 fer fixing clocks or anything else. Zeke says the Congress don't deal in nothing but even numbers. If a million dollars ain't quite enough fer somepun, they make it two million. Zeke claims Congress got this idea from doctors. You never see them fellers says Ed, splitting a dollar. He predicts that it'll cost either \$100,000 or \$200,000 to git them clocks fixed.

Yours truly,  
Uncle Ben

## Knox City Band To Attend Concert

The Knox City High School Band, directed by Tommy Hefington, will attend a matinee concert by the United States Air Force Band at Brownwood Saturday, April 15.

The Air Force Band, and its Singing Sergeants, will give two concerts, at 3 and 7:30 p.m., April 15, climaxing the sixth annual Democracy in Action Week at Howard Payne College.

## Quanah Hospital.

Mr. and Mrs. Charles Haynie of Munday were guests in the Tom Westbrook home Sunday.

Mrs. Carlton Browder has been dismissed from the Quanah Hospital.

uster Ford and son of Munday were recent guests in Mrs. R. B. Glidewell's home.

Mr. and Mrs. Bill Lindsey and children of Victoria and Mrs. Elmo Glascock of Dallas were week end guests of their mother, Mrs. R. B. Glidewell.

Mr. and Mrs. Luther Moody of Ranger visited his sister, Mrs. Irene Gerald Saturday.

Rev. Homer Stephens has spent the week assisting in a revival at Cone.

Mrs. Lottee Whittaker of Vernon visited Mrs. J. E. Stover Sunday.

Mrs. Ivy Perry of Amarillo visited her aunt, Mrs. Etta Pogue Sunday.

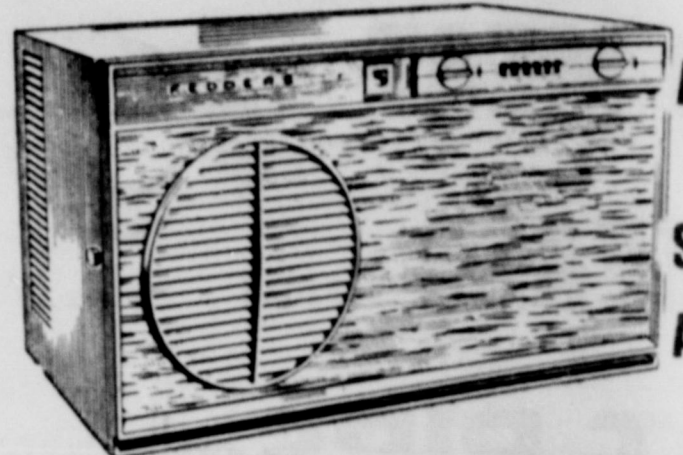

Mr. and Mrs. Jim Jones were Seymour visitors Monday.

Mrs. Ted Wisdom of Abernathy, is visiting her parents, Mr. and Mrs. Jim Jones.

## ELECTRIC COOKING

Free Wiring for ranges purchased from local dealer

COOL as an April shower

...thrifty too

The average family, served by WTU, can cook a complete meal for less than 2¢ with modern flameless electricity and enjoy all the other advantages of an electric range.

Electric cooking is cool cooking directly into the food, not out into the air. And this direct contact of surface is possible only on an electric range. That's why electric cooking is so safe. No open flame, there's no dirt on the surface, kitchen utensils, kitchen clothes. And with automatic electric ranges, temperatures are exact. No guesswork measured for you — to assure you. Ask your appliance dealer for the variety of new electric ranges for tomorrow's better cooking.

## Scientist To Visit Knox City School

Joe Dennis, head of the department of chemistry at Texas Technological College, Lubbock, will visit Knox City High School science department next Monday April 17.

Dennis was born and attended school in Sherman. He received his B. A. from Austin College in 1933. He worked as a graduate assistant in the biochemistry department of the University of Texas Medical School in Galveston, and received his master's degree there in 1937. Five years later he received a Ph.D. degree from the University of Texas.

At Texas Tech he progressed from instructor to assistant professor to associate professor to professor of chemistry. In 1950 Dennis was made Head of the Department of Chemistry and

### VISITS IN TULIA

Mrs. J. W. Guinn, Jan and Sheryell, and Mrs. C. W. Stephens visited the Alvin Roberts family in Tulia last week end.

Chemical Engineering and held the position until the departments were separated in 1959, when he then became head of both departments.

In 1960 he relinquished the headship of Chemical Engineering and now devotes his time to teaching and research in the chemistry department which he heads.

Under the Texas Academy of Science sponsored by the National Science Foundation, Dennis visits high schools to discuss science with the students and interest them in chemistry. Ben Fletcher, science teacher, said, "We feel that with his exceptional qualifications, Mr. Dennis will certainly be an interesting and educational visitor at our high school."

## Garden Club Has Meeting At Munday

The Knox City Garden Club met Tuesday, April 11, in the home of Mrs. B. B. Bowden in Munday. Assisting in hostess duties were Mrs. Jeff Mitchell and Mrs. W. E. Braley.

Mrs. J. C. McGee, president, opened the meeting by reading a poem, "Take Time." She introduced the guests who were Mrs. J. H. McGee, Knox City; Mrs. Seab Keith and Mrs. Mary Gilpin of Bryan; Mrs. L. E. Derr, past president of Zone I, Texas Garden Clubs, and Mrs. C. B. Haynes, incoming president of Zone I, both of Chillicothe. Mrs. Derr is the district chairman of "The National Gardener."

Twenty-two members answered roll call with "My Pet Pieve." Mrs. McGee named a committee composed of Mrs. J. T. Gilpin, Mrs. Guy Robinson, and Mrs. Donald Tankersley to plan the spring luncheon for May 9.

Mrs. Claud Reed was program leader and presented Mrs. Derr as guest speaker who spoke on "The basic Principles of Flower Arranging." She used four arrangements to illustrate her subject. Plans for the annual spring flower show were discussed. Mrs. Arthur Crownover gave the Horticultural footnotes.

## Streams in Desert Places

Ozelle Stephens

Sometimes the testings of life come thick and hard only to teach us the love of God and the greatness of reward when we are faithful to keep trusting, loving and serving. Our Lord is a God of circumstance, a rewarder of the faithful who diligently seek after the truths of life.

When answers to our prayers are delayed, it is to try our courage and patience. James says "Be patient, therefore brethren, unto the coming of the Lord," and when we remember "The Lord is not slack concerning His promise, as some men count slackness; but is long suffering to us-ward not willing that any should perish, but that all should come to repentance," then we know our testings are but to help us know God's will. May we quickly walk therein, because our time is short.

## Homemaker To Meet Tuesday, April 18

Homemakers of this area will have an opportunity to attend a meeting on April 18, which will feature food preparation with emphasis on time and energy management.

The school is to be conducted in the Lone Star Gas Company building in Knox City at 1:30 p.m. on April 18 and will be conducted by Mrs. Helen Banks, Wichita Falls, economist with the Gas Company.

Planning for this meeting was done jointly by the foods and nutrition and home management subcommittees of the Knox County program building committee.

Mrs. Arnold Navratil and Mrs. Homer Martin are chairmen of these subcommittees.

A cordial invitation is extended to each homemaker in the county.

## Social Security Benefits Discussed

If you received social security benefits and earned over \$1200 in 1960, you must file a report on your 1960 earnings by April 17, unless you were 72 or older during all of 1960. This report, according to Erton Tate, manager of the Wichita Falls Social Security office, is the way the

Social Security Administration checks to see that you have received all benefits due you for 1960.

For example, even though you earned more than \$122 during 1960, you can receive a payment for any month in which you neither earned more than \$100 in wages nor were active in your own business. Although your total earnings for the year may have been as much as \$2060, you may still be able to get some benefits because of the 1960 changes in the social security law. The April 17 report will enable you to receive any benefits still due you for 1960, Tate said.

These reports also enable the Social Security Administration to make a prompt adjustment in case you have received too many checks during the year, and thus avoid what might be a hardship later.

Tate added that, because of the 1960 change in the law, you are also asked to estimate your 1961 earnings when you file your report. The Social Security Administration can then tell in advance how many benefit checks you should receive during 1961, based on your estimated earnings. It is important to make an accurate estimate as you can concerning 1961 earnings, then any necessary adjustments can be made after you submit your report on 1961 earnings.

Tate invites those who have

questions about their earnings and the filing of a report on 1960 earnings to contact his office. Free social security booklets also available.

202 MAIN

KNOX CITY, TEXAS

PHONE 4831

# THE CAPITAL Highlights Sidelights

by Vern Sanford

Sen. Tom Creighton of Mineral Wells is sponsoring a measure providing that common districts forming a consolidated district of 1,000 pupils or more shall, for 10 years, continue to receive as much state aid as before consolidation.

Sen. Culp Krueger objected that the requirements would penalize many of the low-population counties in his district. Besides, said Krueger, he didn't believe in "paying people to economize."

**SENATE STUDIES ANNEXATION** — A house-passed bill setting up ground rules for city annexation is being worked on by a subcommittee of the Senate State Affairs Committee.

Rep. W. T. Dungan of McKinney is sponsor of the bill which would allow cities to ring themselves with "buffer zones" over which they could exercise control of building, health and sanitation standards. A portion of the zone could be annexed each year. Bill also provides that an annexed area not provided with municipal services in three years may "disannex" itself.

Spokesmen for the Texas Municipal League spoke in favor of the bill at committee hearing. A representative of the Texas Home Builders Association spoke against it and asked for more control over city extension of control.

**70 MPH BILL PASSED** — Senate passed and sent to the House a bill that would allow speed limits up to 70 miles per hour on some state highways.

Power to say which roads would have higher—or lower—speed limits would be in the hands of the State Highway Commissioner.

In support of the varying speed limits, Senator Wardlow Lane of Center said it was unreasonable to have the same 60-mile-an-hour limit on new divided highways and old, narrow, twisting roads.

Senator Preston Smith of Lubbock is sponsor. A controversial amendment by Senator Lane would make inadmissible in a court considering a speeding charge "evidence gained by entrapment" or gained by officers "lying in wait unobserved." Presumably this would, in effect, outlaw radar traps.

**GOP ASKS ELECTION CHANGES** — Spokesmen for the Texas Republican Party appeared before a House Committee in behalf of four bills to change

the election code.

Two of the bills set up qualifications for poll watchers and election supervisors. Another bill would allow voters to put a mark beside the name of the person they wish to vote for instead of scratching all others. Another would repeal the provision for disqualifying a ballot on which two or more names are left unscratched for the same office.

GOP officials said that 100,000 ballots were thrown out in the last general election, and that probably 100,000 were counted that should not have been. Clarifying the law, they declared, would protect everyone's vote.

**BOARDS FAVOR TEACHER RAISE** — Answers to questionnaires sent to local school boards over Texas show that 99 per cent of the school trustees replying favor raises for teachers.

Boards are divided, however, on how much the raise should be. Biggest proportion, 64 per cent, favor the full \$800 sought by the Hale-Aikin Committee and the Texas State Teachers Association. About 22 per cent favor a \$600 a year increase, and 8 per cent a \$400 increase. Remainder favor some other amount.

Other results: a substantial majority of boards favor adding driver education teachers to the list of authorized special personnel.

A committee of the Texas Association of School Administrators and Texas Association of School Boards conducted the poll.

**SALES TAX SENT TO FLOOR** — A 2 per cent general sales tax designed to raise \$189,000,000 a year has been sent to the full House for a decision.

House Revenue and Taxation Committee unanimously passed out the bill by Rep. John Allen of Longview. Some members who

### SHORT SNORTS

Car owners have until April 15 to get their autos safety inspected and a new sticker put on the windshield. Col. Homer Garrison Jr., director of the Department of Public Safety, said DPS officers would start handing out tickets to non-stickered cars Sunday, April 16.

Memorial Day would become a legal holiday for state employees under a House-passed proposal. But before passing the measure, sponsored by Rep. Dick Cory of Victoria, members took out Columbus Day as a holiday.

Bureau of Business Research economists are making hedged predictions that Texas business is beginning slowly to pull out of the slump that began in 1960. Dr. John R. Stockton said the third quarter (July, August and September) of 1961 are looked to for the first strong signs of recovery.

voted to pass the bill out of committee said they would not vote for it on the floor. They apparently felt that the only way to settle the sales tax issue for this session is to get it to the floor for a vote.

Taxation Committee also heard testimony on an omnibus tax bill by Rep. George Hinson of Mineola. It is supported by the governor.

Hinson's bill would raise an estimated \$156,000,000 a year through taxes of varying percentages on such items as motor boats, jewelry, watches, soft drinks, restaurant meals, building materials, utilities and gas pipelines.

Soft drink manufacturers were among those protesting at being singled out. Bill was sent to subcommittee for study.

**MORE PEOPLE ARE BUYING CHEVROLETS THAN ANY OTHER MAKE!**

When one car outsells all the rest the way this new Chevrolet is doing—there's got to be a reason. And we can think of some pretty good ones. The clean-etched looks of the new Body by Fisher, for example. The eager brand of "git" that's under the hood. The easy way it handles. Plus the added advantage of extra-cost options like triple-turbine Turboglide.

But to sample all these reasons together, you have to get a Chevrolet out on the road. And there's where that Jet-smooth ride takes over with its own gentle kind of

**AND JUST ONE JET-SMOOTH RIDE WILL SHOW YOU WHY!**

persuasion. If you weren't absolutely sure, you'd imagine you were riding in a far costlier car.

No wonder people are buying more Chevrolets than any other make! Chevrolets have more of what it takes to please people!

\*Official R. L. Polk & Co. registration figures show full-sized Chevrolets outsold the second-choice make by a record-breaking margin in 1960—and Chevrolets continue to set the pace for the industry this year!

## Observing Natinal F. H. A. Week

The F. H. A. of Knox City High School is observing the National F. H. A. Week, April 9 through April 13.

They attended the First Baptist Church in a group Sunday. Monday was nurses aid day at the Knox County Hospital. They delivered the trays to the patients with a get well card on each tray. Monday night was "twirp" night. The girls asked the boys for the dates.

Tuesday they held their regular meeting and Sue Shelton was elected president and Judy Smith elected vice president. Wednesday was "Be Friendly" day. Thursday (today) is "Dress

Up Day."

Friday a Mother and Daughter tea will be held at 5:30 p.m. at the Study Club.

Program will include devotional, style show, F.H.A. Emblem ceremony, reading and music.

Saturday is Family unity and clean up day at home.

### YARD OF THE WEEK

The Knox City Garden Club has chosen the Arthur Crownover yard as "Yard of the Week" for the tulips, pansies, and blooming shrubs in the well-kept yard.

## Methodist Men Have Meeting April 11

The Methodist Men of the First Methodist Church had their regular meeting Tuesday, April 11, at which time they elected new officers for the coming year. These officers will be installed at the June meeting:

Kenneth Crowover, president; Don Railsback, vice president; J. C. McGee, secretary-treasurer.

Fourteen men saw a film entitled "The Story Behind the Headlines," which is the first of a four part series. Refreshments of coffee and doughnuts were served.

## MELANIE MEDDLES

By MELANIE VERHALEN

This is the time of year the juniors and seniors wish to over — Term Theme Time. Instead of writing about an author or this year, as most students do, Mary Nelle McElroy decided to compose a book of essays, — ESSAYS FROM THE PEN OF A DELINQUENT. These essays about freedom, love, nature, and important people have been written and collected by Mary Nelle herself.

"The Faker" was especially interesting to me because of its "sad-but-trueness." A Faker is a cheater, a gossip, or one who constantly changes personalities to keep up with the crowd. Perhaps all of us fake at one time or another. The only way to cure this disease is to be honest with oneself.

It is hard for anyone except a fellow student to imagine or believe the cheating that goes on in our high school. I know because I have been guilty before. Exams have gotten to the extreme where they only test the ability of the majority of the students to be sneaky. Cheating offers no consolation to the student; but when the high grades come back, there is certainly little guilt.

Few teachers know how to conduct a fair exam anymore. Too much honesty is taken for granted—there is too much opportunity, too much temptation.

It is absolutely disgusting to study for a test and then watch someone as smart or smarter than yourself constantly dig deep for a tricky answer. Some kids have become experts at this rewarding? game. When grades are passed out, without question, some students naturally conclude that there is no reward for honesty.

Cheating could be greatly lessened by stressing the honor system—not a farce in its name. Too much emphasis is placed on high grades and not enough on knowledge! Teachers need to be more strict and students more honest. Parents need to ask their children "What did you learn?" instead of "What did you make?" We all need to remember that "Thou shall not steal" applies just as well at school as anywhere else!

BULLETIN: Did you know that

LET US DO YOUR COMMERCIAL PRINTING

IT PAYS!

THE HERALD

a small kiss shortens your life 3 minutes and a "passionate" one 5 minutes?

What's a few years, anyway?

(Editor's Note: According to Sammy Bolin's figures — 50,000 passionate kisses should shorten your life 173 1/2 days! Says Sammy . . . "Who wants to live forever"? Live fast, love hard, die young, and leave beautiful memories . . .")

Sammy is the "Don Juan" of the Class of '61.
