### O'BRIEN JUNIORS LOSE TO PAINT CREEK, 20-0

The O'Brien Grammar 'School boys, outweighed 18 pounds per man, played the Paint Creek Juniors a very good game last week, but lost 20-0.

The first downs were O'Brien 10, Paint Creek 11, O'Brien had Smith and family three penetrations but lacked the punch to get across, losing the ball once on the 3 yard line, once on the 7 and again on the game.

Paint Creek scored two of their touchdowns on passes into the end zone, and the other tion with his paren on a 65-yard end run.

One of the outstanding sights of the game, according to Gibson and Herring, O'Brien coaches, was Jackie Cox. O' Brien's 76 pound center, bucking Paint Creek's 178 pound center for four quarters. Another outstanding play was Sammie Grindstaff, 81 pound safety, bringing down Paint Creek's 175 pound fullback-with Grind staff the only man between the Mrs. Dan Steakley gave an in- runner and the goal line.
