

O'Brien Baccalaureate to Be Held Sunday; Commencement May 15

Area Girl Gains Reputation as Junior Rodeo Performer

Jerry Anne Sherley, above, is setting a fast pace again this year at rodeos throughout the country. She was one of many cowgirls who rode in the jackpot clover-leaf barrel race at Seymour recently, and won third place in the event. First place went to the world's champion barrel rider of 1952, Florence Youree of Addington, Okla., with her time only 9-10th of a second better than Jerry's.

A member of the American Junior Rodeo Association, Jerry Anne has become a familiar figure at such shows as the Levelland Rodeo, the Post Stampede, Texas Cowboy Reunion, and many others. As most rodeo hands, she gives her sorrel mare, Betty, most of the credit.

Jerry, a sophomore student in O'Brien High School, is the daughter of Mr. and Mrs. J. D. Sherley, who live west of Knox City. She is a niece of Mrs. Rip Collins.

Diana LaDuke is valedictorian of the O'Brien High School graduating class of 1953. She gained the honor with a 93.75 four-year average, while salutatorian J. A. Samples had an average of 92.03.

Diana is the daughter of Mr. and Mrs. J. W. LaDuke, and J. A. is the son of Mr. and Mrs. Ira A. Samples of Garland, formerly of O'Brien.

Baccalaureate services for the class will be held in the school auditorium Sunday, May 10, at 8 p. m., with Rev. Joe Bob Johnson, pastor of the O'Brien Methodist Church, bringing the sermon.

Mrs. Joe M. Clonts will play "Priest's March" as the processional and recessional. G. C. Herring, superintendent of the school, will give the invocation, and the choir will sing "Give of Your Best" and "God Be With You." R. H. Meixner, high school principal, will give the benediction.

Commencement will be held Friday, May 15, in the school auditorium with Joe Davis of Quinlan, former school superintendent, addressing class members.

Members of the class are Wayne Hutchinson, Diana LaDuke, Darrell Thomas, Ernie Lancaster, Leonard Phipps, Don Poe, J. A. Samples, Betty Sue Poe and Faye Lowrey.

well as scholastics. He lettered in football and basketball four years, serving as a captain in both sports two years. Two consecutive years, he was named on the all-district team in football, and as a junior, he was selected as Mr. Touchdown. PMA Preparing for Wheat Allotments

The Knox County PMA Office has just received information that allotments for the 1954 wheat crop are very likely considering the present carryover plus the prospects for this year's crop.

This will require that seeded acreages of wheat for the 1951, 1952 and 1953 crop years be reported to the County Office immediately so that preliminary work on allotments may begin. May 20 is the final date for these acreages. There is a good chance that a farmer's allotment will be affected considerably if the report is not made by the final date.

Jesse T. Gilpin, Administrative Officer of the Knox County PMA, announced that meetings will be held in communities as follows to take these reports:

- Benjamin, Courthouse: May 11, 8 a. m. to 12 noon.
- Truscott: May 11, 1 p. m. to 5 p. m.
- Gilliland: May 12, 8 a. m. to 12 noon.
- Vera: May 12, 1 p. m. to 5 p. m.
- Rhineland: May 13, 8 a. m. to 12 noon.
- Goree: May 13, 1 p. m. to 5 p. m.

All phases of livestock production will be discussed, Pailmeyer said, with particular emphasis on the latest information concerning livestock diseases and animal nutrition.

Safe Trash Burner

Here's how one farmer made a safe, but very effective incinerator for trash and rubbish: He used an ordinary 50-gallon steel drum, and cut the top from one end. Four small holes were punched along the rim at the bottom of the other end to serve as a rainwater drain. A half dozen larger, 1 1/2-inch holes were punched six to eight inches above the bottom for a draft. It'll burn rubbish fast, but he keeps a sheet of metal for the top to shut off the flames—in case the fire burns too fiercely.

STREAMS in Desert Places

By Ozele Stephens

Many a person has wished to be great in the power of God. The way to be great in the power of God is to go down on your knees and wait until you know that God is God. Wait upon Him until He becomes the Lord of your life. "For everyone that exalteth himself shall be abased; and he that humbleth himself shall be exalted." (Lu. 14:14). "Humble yourselves in the sight of the Lord, and he shall lift you up." (Ja. 4:10). It is necessary that we wait for the Lord to lift us up and give grace and understanding that we will be able to stand when trials and heartaches come.

God spoke through the Great Prophet Isaiah, and said, "Remember the former things of old: for I am God, and there is none else; I am God and there is none like me." (Isa. 46:9). God alone can make you great, for He alone is great. He is all in all. He made everything and all things belong to Him. Humble yourselves and turn unto God and He will give you His power in your life with a continual Stream that flows from the Eternal Fountain. If you turn not unto God you will turn away from the fountain of living waters that alone giveth Eternal Life.

home demonstration clubs in Munday, Truscott, Gilliland and Benjamin.

Members will call on people who have been ill, or those who especially enjoy flowers, cards, visits and dishes of food, and pioneer club members.

The annual observance of National Home Demonstration Week offers a means of acquainting the public with the home demonstration program. The week provides an opportunity in the year-round information program to give increased attention to the accomplishments and future goals of home demonstration work.

Week end guests of Mr. and Mrs. E. A. O'Py were her brother, J. F. Maddox, and Mrs. Maddox of Dallas.
