F. H. Woodward Dies; Funeral In Truscott, Friday

Floyd H. Woodward, 53, was found dead in his home in San Diego, Calif., Monday, Nov. 13, apparently of a heart attack.

He was an employee of the Atomic Energy Commission.

Funeral services will be conducted in the Knox City Baptist Church at 2 p.m. Friday, with Rev. Murrell Johns officiating, assisted by Rev. Jarrell Sharp, the Methodist pastor here.

Burial will be in the Truscott Cemetery directed by Pinkard and Smith Funeral Home.

Mr. Woodward was born near Megargle, Archer County. He moved to Knox County when a small boy. He was married to Miss Louise English of Vera.

She died in 1947.

He is survived by two brothers, Clarence Woodward, Knox City, and Horace Woodward of Amherst, four sisters, Mrs. E. J. Cooper, Shamrock; Mrs. Harvey Jones and Mrs. Claud Reed, Amarillo; and Mrs. Mildred Woodward of San Antonio.

Pallbearers will be J. B. Eubank and Marion Chowning of Truscott, and Bud Carver, Clarence Thompson, Monty Penman and J. R. Hitchcock of Knox City.

Knox City Wins Last Game Of Season, 20-6

Knox City's Greyhounds ended season play in Aspermont last Friday night by defeating the Aspermont Hornets, 20-6.

The Greyhounds have won two and lost one in district play, while the Hornets have lost all three of their conference games.

Aspermont opened the game with a kickoff to Knox City, but the 'Hounds fumbled the ball on their 10 yard line. Aspermont recovered the fumble and two plays later Joe Douglas ran five yards for the touchdown.

Try for extra points failed.

Knox City went ahead in the first quarter, however, when Fullback Charles Bateman swept right end for 7 yards and the TD. Quarterback Eddie Williams pushed over the center for the extra points.

The 'Hounds scored again in the second quarter. The Hornets had moved from their own 15 yard line to the Knox City one foot line, where they lost the ball on downs.

Williams passed the skin to Walter Hooker, who ran 92 yards for the next Knox City touchdown.

The final TD for the Greyhounds came on a 35-yard pass from Williams to Jimmy Lea.

No scores were made in the last quarter and the final tally was Knox City 20 and Aspermont 6.

GOVERNOR PROCLAIMS CHRISTMAS SEAL DAYS—Governor Price Daniel proclaimed Christmas Seal Days in Texas from November 13 to December 25, and urged all Texans to use Christmas Seals and thus support the TB-control work of the Texas Tuberculosis Association, and county TB associations. Shown with Governor Daniel on the occasion of signing the Christmas Seal proclamation are two brothers who have a real interest in TB-control. They are Albert (right) and Alfred Flores Jr., whose grandmother, Mrs. Hilaria Munoz, has been a TB patient hospitalized in Austin for more than a year. The boys took their grandmother's picture with them to show the governor. They have lived with their grandparents since their mother's death when Albert was born.

Kenneth Edwards Speaks To Lions On "Investments In General" Wednesday

Kenneth Edwards, former resident of Knox City, and residing now in Temple, was the principal speaker at Lions Club Wednesday.

Edwards is general manager of Southwest Investment Service in Temple and spoke on "Investments in General."

Edwards began his speech by congratulating the local Lions Club on the record attendance and projects the club has undertaken and completed here in Knox City, and said it was probably the most active club anywhere.

He said that more and more people were interested now than ever before to save their money and to invest it in some way in which they could make more.

To show how the American dollar had depreciated in value, he said that a dollar saved in 1941 would buy only 46 cents worth of worldly goods today.

Also he said that few people understood stocks, bonds, and U. S. Securities. In a recent poll it was discovered that only one out of 140 citizens actually understood the difference between stocks and bonds.

Edwards said that Americans were lery of anything they didn't understand and he contributed that to the reason that not too many people invest money in the stock market.

More and more are investing and understanding it today, he said, than ever before.

Stocks, he said, were in two classes, common and preferred. Common or Capital Stock, he said was for a company just being formed. "Just like your local golf course," he said. It is a way of raising enough money in which to get started. It makes the stock holder a part owner in the company and your returns will be based on how well the company progresses.

Knox City Beats Munday In First Girls Basketball Game

Knox City High School basketball team won over Munday, Tuesday night with a score of 30-25. This was the first game for the Girls Basketball team this year.

The Knox City High School A and B Girls' team will play Haskell Tuesday, Nov. 21 at Knox City. The B team game will start at 6:30 p.m. and the A team will play immediately afterwards.

These will be the first games to be played in Knox City's new gymnasium.

Roy Dunkle Of Graham Dies

Roy Dunkle of Graham, and formerly of Benjamin, died at Graham Saturday, Nov. 11. He was County Agent of Knox County for several years before moving to Graham.

Funeral services were held in Graham Monday.

In preferred stock, he said you get a guaranteed dividend of a certain amount.

In common stock the dividend is based entirely on how well the company does in its business and dividends run as high as 15 to 25 per cent each year, he said.

"The more people who want a certain stock or the scarcity of it, will make the price go higher, he explained.

Edwards made a complete listing of other terms used in the stock market as to what Listed and unlisted stocks and securities were and told the group that more than 12,000 stocks were traded and sold each day on Wall Street. That was for listed stocks. Unlisted stocks were sold and traded at approximately 1200 a day.

Edwards said that most stock holders today weren't millionaires, but folks who invested in stocks by the day, week, month or year . . . anyway they can, he said.

He concluded his speech by asking the members to invest in America. "Invest in American industry," he said.

Peace Corps Exams Held In Abilene November 28-29

The Peace Corps examinations will be held in Abilene, November 28-29 at 8:30 a.m. promptly for those in this area who wish to apply. Postmaster Jeff Graham was informed this week.

All post offices in the area will have the required information for those interested in securing it.

Peace Corps posters, giving this information, will be displayed in the local post office on the bulletin boards.

Blood Bank To Be In Munday On Friday, Nov. 17

The Knox County Blood Bank will be in Munday, Friday, Nov. 17, for persons to contribute blood.

The Bloodmobile will be at Munday in the First Baptist Church's basement from 12 p.m. until 6 p.m. and persons who did not give blood at the bloodmobile in Knox City, are urged to give their blood at this time.

Knox City had a record turnout for the cause, and Dr. C. G. Markward said he was in hopes that Munday would also have a record number of persons contributing blood.

Dr. Eiland and Dr. Markward were responsible for the new type of blood supply for the county.

Under the new plan it is possible to get blood—an unlimited supply—of any type needed for any emergency. Donors can, if need be, get blood from the bank from any part of the country.

Jack Hightower Announces Candidacy For Frank Ikard's Congress Vacancy O'Brien Wins Dist. Football Honors

Jack Hightower of Vernon, District Attorney of the 46th Judicial District, composed of Wilbarger, Hardeman and Foard Counties, has announced as a Democratic candidate for Congress to fill out the unexpired portion of the term of Representative Frank Ikard of Wichita Falls. Hightower has resigned his office and will devote his entire time to the campaign.

Hightower is a native of Hall County and received both his academic and law degrees from Baylor University in Waco. He is married to the former Colleen Ward of Tulla, Texas. They have three daughters, Ann, 8, Amy, 5, and Alison, 2.

Hightower was elected Representative in the 53rd Legislature from the 62nd District composed of Cottle, Foard, Hardeman and Wilbarger Counties. He did not seek re-election.

He was appointed District Attorney, assuming office January 1, 1955, and was elected in 1956 and 1960, each time without opposition.

He is a past president of the Texas District and County Attorneys Association. He also served as a member of the Texas Law Enforcement Study Commission and received the honor of being designated as "Outstanding District Attorney of Texas" in 1959 by the Texas Law Enforcement Foundation.

He served in the United States Navy in World War II.

In connection with announcement of his resignation as District Attorney and as a candidate for Congress from the 13th District, Mr. Hightower issued the following statement, briefly outlining his position on national issues now confronting the people of this district and the entire United States.

"I regard the security of the United States and the entire free world as the paramount issue of our time. The maintenance of a strong defense must be given priority over all other considerations. Our defense must be adequate for any emergency, supported by an equally strong national economy. However, it is not necessary to put the Constitution in cold storage or to continue the policy of unbalanced national budgets.

"The international crisis now faced by the free world is not a temporary emergency. Tensions

F. F. A. Attends Contest At Olney

Five F.F.A. teams from Knox City attended a District Leadership Contest held at Olney Saturday, Nov. 11.

The F.F.A. Quiz team, composed of Bonnie Verhalen, G. J. Armstrong, Ronnie Johns, and Richard Rodriguez, won third place.

The Junior Chapter Conducting team: Johnnie Montandon, Brack Shaver, Ben Smith, Ronnie Worley, Mike Standlee, Roger Vassar, and Darrell Marion, won third place.

The Senior Farm Skill team: Ken Cornett, Tom Whitford, and Eddie Williams, won fifth place.

The Farm Radio Broadcasting team: Bobby Burnett, Charlie Bateman, and Lannie Logan, won second place.

The Junior Farm Skill team: Ray Penman, Hollis Ekman and Don Reeves, won third place.

There were 15 schools represented in the Oil Belt District.

The Knox City teams brought home four banners out of five teams entered in the contest.

Only the top three teams in each division placed for banners.

Band Wins First And Second At WF

The Greyhound band, under direction of Tommy Heffington, went to Wichita Falls Tuesday to enter in the U.I.L. Marching contest held at Midwestern University.

The band received a second division rating at the contest.

The majorettes Jinx Reeder, Samantha Graham, Jackie Givens, and Sue Bankston, each won a first division rating and medal for their twirling solos.

Their twirling ensemble received a second division rating

between the Communist Empire and the free nations will continue. Therefore, to deal with this constant crisis as if it were something which would soon pass is to invite disaster.

"America must be strong—strong militarily, strong in industrial productive capacity, strong in public finance and above all, strong in moral integrity.

"The American people have risen to every national emergency in their history. In World Wars I and II our country became the arsenal of democracy and our immense productive capacity plus our willingness to sacrifice quickly brought total victory. The spirit which brought us safely through those days is needed now. We cannot afford the luxuries of waste in either public or private affairs or social experiments or projects not necessarily required for meeting the nation's primary needs.

"I favor continuation of foreign aid but believe our help should be confined to nations

New SS Order To Benefit Farm Landowner

Erton F. Tate, manager of the Wichita Falls Social Security District office, announced this week that the Social Security Administration now considers both the activities of an agent for a farm landlord and the activities of the landowner in deciding whether the owner's farm rental income is covered by the social security law.

In making this announcement, Tate stated that previously only the activities of the farm landlord counted in deciding whether the wage earner materially participated on his farm. Tate went on to emphasize that under this more liberal rule, many more farm owners may now be eligible for social security protection.

"As a practical matter," he said, "this means that some farm owners who were previously found ineligible for social security may now qualify." He gave for example, a farm owner who lives in town and under an arrangement with the tenant has an agent supervising the work of the tenant. The agent makes all the important decisions affecting the production of the crop. Previously, the farm owner could not receive social security credits for his share of the earnings from the farm. Now through the agent he materially participates in the farm activities and can receive social security credits.

Tate stressed that farm landlords whose claim for benefits has been denied because the agent, rather than the owner was supervising the tenant, should get in touch with the social security office. He further added that anyone who has questions concerning his coverage under this new provision should also contact the office.

SOCIAL SECURITY MAN WILL BE HERE WEDNESDAY

A representative of the Social Security Administration will be in Knox City at the City Hall Wednesday, Nov. 22 between the hours of 10 a.m. and 12 noon for persons who desire information or assistance in social security matters.

O'Brien won district in football for the first time in its school history this year by defeating Mattson 38-22, Paint Creek 50-12, and Weinert 26-20.

It was also the first time for O'Brien to beat Weinert.

O'Brien plays Divide for bi-district at Haskell Indian Field on November 16, at 7:30 p.m.

Divide won the district 5 honor and had an 8-2 season record.

O'Brien won the district 6 crown with a 3-0 record and had a season record of 8-0. On the way to an undefeated season O'Brien averaged 46 points per game and allowed 12.4 points per game. In averaging these scores O'Brien played the following games:

St. Joseph, 67-12; Lueders, 28-18; Strawn, 44-8; Moran, 44-0; St. Joseph, 81-7; Mattson, 38-22; Paint Creek, 50-12, and Weinert, 26-20.

Jack Gray Not A Candidate For Congress Now

Jack W. Gray, Denton, a candidate for Frank Ikard's post in Congress has withdrawn from the race and has pledged his support to Jack Hightower. In a letter to the Herald Gray said in part:

"The two primary factors which influenced my decision not to run are, first the tremendous amount of money which would be required to conduct a respectable campaign throughout the 19-county district, and secondly, the fact that we do not wish to move back to the East. My family and I are happy with Denton, its school system and its people, and we do not feel that the change would benefit any of us.

"We are planning, however, to take a very active interest in the campaign, and after a thorough study of the candidates thus far, announced, we have decided to vote for and support Jack Hightower of Vernon. Certainly we have no desire to tell anyone how to cast his ballot in this most important election, but we do think it would pay anyone who plans to vote to examine Hightower's background and qualifications before making a final judgment."

Memorial Fund For Dr. Eiland Well Under Way

Interest in the Dr. D. E. Eiland Memorial Fund, sponsored by the Wesleyan Service Guild of Munday has extended over a wide area with contributions being received not only over Knox County, but from Wichita Falls and other places.

Guild members had talked of a project to secure needed equipment and Dr. Eiland had stated that breathing equipment headed his list of needed items at the Knox County Hospital. Upon his death, it was decided that a memorial fund would be started in his memory.

Response has been overwhelming the Guild reports, and early this week a total of \$1,080 had been received and deposited in the Dr. Eiland Memorial Fund.

Still other contributions will be coming in.

The fund will be turned over to Dr. Eiland's family for the purchase of breathing equipment for both children and adults.

They will be installed in the hospital and designated as a memorial to Dr. Eiland by his friends. If the fund exceeds the amount needed for this equipment, the remainder will be left at the disposition of the Eiland family for some other worthy project.

The sponsoring organization is high in its praise of the many friends who have made this fund possible.

Out On Wednesday

The Herald will be out on Wednesday next week in observance of Thanksgiving. All news must be in a day earlier!

County Commissioners Meet Monday; Clear Up Old Delinquent Taxes

Knox County's Commissioners held their regular meeting Monday, Nov. 13, and the Courts' minutes of the meeting are as follows:

BE IT REMEMBERED that the Honorable Commissioners' Court of Knox County, Texas, convened in Regular Session on November 13th, 1961, with all members of said court being present as follows: J. V. Carver, W. W. Trainham, J. B. Eubank and George Nix, with County Judge L. A. Parker, presiding.

J. B. Eubank made a motion, seconded by George Nix, that all Justice of the Peace Fee Reports, and also all County Bills which were approved to be paid out of Precinct Funds, Salary Fund, and General Fund be given to the County Clerk and she be authorized to issue warrants on these bills, a list of which is given below. All voted in favor of the motion.

J. B. Eubank made a motion, seconded by W. W. Trainham, that the sum of \$600, be paid to Texas Cooperative Trapping fund as part payment on the salary of the Government Trapper. All voted in favor of the motion.

J. V. Carver made a motion, seconded by George Nix, that the bounty on coyote and other scalps be removed, and the county would no longer pay such bounty. A vote was called on said motion, with 3 voting for the motion and 1 against. Therefore, it was decided that, as of Dec. 1, 1961, the county will no longer pay the sum of \$1.50 each for scalps.

"I believe the American people can maintain a strong national defense, do everything we need to do in aiding other nations, and continue to grow and progress with a sound economy without continuing to add to the national debt.

"I believe the idea of states rights carries with it states responsibilities and that the best way to combat the creeping paralysis of concentration of authority in the Federal Government is for the states and local communities to solve their own problems. I oppose Federal aid to education and socialized medical

Beta Chi Chapter Has Meeting

Mrs. Gretchen Colehour, Knox City, president, presided for the initial 1961-62 meeting of Beta Chi Chapter of Delta Kappa Gamma, international society for outstanding women educators, as members met in Old Glory with Rule and Old Glory members, Mrs. J. E. Geer, Stella M. Trice, Travis Beil, Cecil Klump, V. R. Leverett, and J. B. Pumphrey Sr., hosts.

Beginning the year's study focus of "Developing Human Resources," the program committee passed out new yearbooks. Study topic for Saturday's meeting was "Helping People to Live With People as We Understand Our American Heritage."

Guest speaker for the occasion was Mrs. Joe Cloud of Rule, who spoke on "Ideals of Our American Heritage." Mrs. Cloud, a world traveler and student of government and languages, shared with her audience many interesting things acquired during her years abroad. She urged that the women not be complacent about our heritage, but that they ever regard highly our rights as freedom-loving people and stand always for those things that make America great.

Truscott HD Club Has Meeting

"Sewing Center Arrangement" and "Sewing Today's Fabrics" were the subjects discussed by Mrs. W. O. Solomon and Mrs. J. R. Brown at a meeting of the Truscott Home Demonstration Club Nov. 9.

Items needed in a sewing center, suggestions for arranging centers and hints for the care and sewing of synthetic materials and drip dry fabrics were given.

Mrs. Jack Hickman opened the program with the devotional, and Mrs. W. O. Corder led the group in repeating the T.H.D.A. prayer.

Mrs. Bill Rake gave the council report, and Mrs. Rake, Mrs. Corder and Mrs. T. H. Taylor were appointed as a committee to make a survey on the number of fall-out shelters and storm cellars in their community.

The club will study "Health and Home Management" the next year. Mrs. Hickman, Mrs. Tommy Westbrook, Mrs. R. C. Daniels, and Mrs. E. A. Tomanek were selected as program leaders.

Mrs. W. R. Owens was presented with birthday gifts at the close of the meeting.

Fifteen club members and 3 children, and one guest, Mrs. James Herring, attended the meeting.

Next meeting will be Nov. 16, in the home of Mrs. H. A. Smith.

In the Sermon on the Mount Jesus said, "Blessed are the meek, the merciful, the peace maker, they that hunger and thirst after righteousness. Here too He taught the lesson of love to all mankind, to the enemy as well as to friend and kinsman. Here he expounded the lesson of faith.

Take no thought (do not be anxious) for tomorrow . . . For your Heavenly Father knoweth what you hath need of. Over and over again, He called upon His disciples to rely upon God for all the necessities of life, to cast out fear, to practice calm confidence in the all knowing and all loving God. Remember fear imprisons. Faith liberates. Fear paralyzes. Faith impowers. Fear disheartens. Faith encourages. Fear sickens. Faith heals. Fear makes useless. Faith makes serviceable. And most of all, fear puts hopelessness at the heart of life. While faith rejoices in its God. Listen to Jesus while you read the word and He will make you strong in faith and able to stand in the times you live in.

A good place to hang your industrial hat

... IS WHAT WE ARE TELLING BUSINESS EXECUTIVES ABOUT THE

CENTER OF THE SOUTHWEST

The vigorous, dynamic West Texas area served by this company is destined for much industrial growth. That is our conviction, and that is why we are telling the Nation about the industrial advantages of the area. That is why we say that this fast-growing region is a good place to hang your industrial hat. For ourselves, we are supporting our belief in coming growth with a multi-million-dollar expansion program now under way. New facilities now being added will enable us to serve more people, more businesses, more industries. In this way, with all of us working together, our area faces GROWTH UNLIMITED.

petition for the place left open when Ben Ramsey moved to the Railroad commission.

Sen. Jarrard Secrest of Temple, Sen. Bob Baker of Houston, and Sen. Preston Smith of Lubbock are the announced candidates. There is likely to be GOP opposition for this post as well as at least one other Democrat.

Only thing certain now is that there will be stiff competition for those primary votes on May 5.

CAPITOL VALUE—For years, the huge red granite State Capitol, which was paid for with 3,000,000 acres of West Texas land, has been carried on the state's books at a value of \$131.50.

Board of Control has appraised the Capitol at \$9,948,391. They

valued the land on which it is located at \$5,143,822. It's not for sale for the total of \$15,092,014. But at least it's on the books right, now.

Incidentally, the old Capitol is getting a refurbishing. Workmen are replacing cracked and splintered panels in the hallways, and removing the old varnish. It will come out lighter and brighter.

NEW LAWS — Atty. Gen. Will Wilson quickly plugged one possible loophole in the "Blue Law."

He advised Dist. Atty. Henry Wade of Dallas that a corporation owning two or more stores must close them the same day. One can't open Saturday and the other Sunday. Nor can a store accept orders by phone in advance to be delivered on Sunday.

Wilson also is busy interpreting other new laws, among them the one requiring holders of property for others, except banks, to report it to the state when the owner hasn't been around for seven years.

He advised Treasurer Jesse James that an oil company which holds royalties outside Texas on oil produced in Texas does not have to report it to the State of Texas except that amount held for persons whose last known address was in Texas.

the board.

In the future, no one may discharge waste of any kind into or adjacent to the public waters of Texas, or the Gulf of Mexico, without a permit from this board.

Unfortunately, this board was handed a big job but no operating money. Governor Daniel will ask the Legislature, at a special session in January, to provide some expense money for it.

SHORT SNORTS — Starting January 1, the State Welfare Department will begin paying medical, hospital and nursing home bills for the 225,000 needy aged who are on the old-age assistance rolls. Program will cost about \$12,000,000 in state money in the coming 20 months. Federal dollars match the state's.

Governor Daniel has reactivated the Governor's Committee for the White House Conference on the Aging, to resume its study of the problems of the aging.

der the new natural gas tax totaled \$356,481, but \$306,532 of it was paid under protest. Gas pipelines have brought suit to kill the new tax.

Income from the first 90,780 reports received by Comptroller Robert S. Calvert was \$7,206,727. Calvert thinks it will be February, when the first full quarters sales tax is collected, before he can tell whether it will yield the estimated \$319,000,000 in two years.

THIRD ROUND — In the next few weeks, Gov. Price Daniel will have completed his third round of appointments.

Most of the state's operations are directed by 3 or 9-member boards, appointed for six-year overlapping terms.

These appointments are made to more than 140 state boards, and commissions.

Latest appointments include: David B. Irons, Dallas; Dr. Horace Cromer, Austin; Mrs. H. E. "AMONG OTHER THINGS . . ."

By BOB BURNETT, JR.

Knox City's Greyhounds ended their 1961 football season last Friday night by defeating Aspermont Hornets, 20-6. This secured for the Greyhounds the position of second place in district 10-B. Rochester won the district by defeating Rule, 46-14.

The Hounds were very fortunate this season in having two of the finest coaches in the area, coaching them. We were also very fortunate in having the townspeople and the student body, led by the Pep club, almost 100 per cent behind us.

Although our won-lost record did not exactly shake the world this season, I believe we had a successful season. Someone said "It matters not if you won or lost, but how you played the game, that counts."

This season, Knox City went out on the field every time with the goal to win the football game—I believe that it can be truthfully said that when we lost we were good losers and when we won we were good winners.

Special recognition should be given the five seniors who played their last game of football for Knox City last Friday night. They are Joe Tidwell, David Denton, Walter Hooker, Jimmy Lea, and Ronald Voss. They have certainly represented their school well the past four years.

Basketball will soon begin in full swing here at Knox City High School. The boys started working out last Tuesday while the girls have been working since the first of school. The first scheduled game for the boys will be in December while the girls have several scheduled between now and then. The boys are coached by Coach Darland and the girls by Coach Hines.

Both teams are looking forward to a good season.

Tonight (Thursday) the school cafeteria will be the scene of the annual Junior-Senior banquet. Menu will be the traditional turkey and dressing with all the trimmings. Tickets will be sold at the door for the price of \$1.00 and tax.

A votre sante.

Laval Verhalen To Represent Tech At NCJC In Kansas City

Laval Verhalen, son of Mr. and Mrs. M. L. Verhalen, is one of four students from Texas Tech to be chosen to represent the college at the National Crops Judging Contest in Kansas City, Mo.

If the team wins this contest, they will go to the International Contest in Chicago. They have been invited to appear on Don McNeils Breakfast Club Monday, Nov. 27.

Laval and James Melton have been chosen as delegates to attend the National Annual Meeting of the American Society of Agronomy in St. Louis.

VISITING PARENTS

Thanksgiving Transit

The very first Thanksgiving Day was in Plymouth Colony for quite a long time. Colonists and friendly Indians shared a feast in gratitude for a bountiful harvest a winter of great hardship.

Now, three centuries and forty years are thankful for the growth of our Nation are thankful for its great strength which is a fortress of protection for this world filled with tyranny and oppression.

Let us, as good Americans, express our gratitude and rededicate ourselves to preserve and maintain this spirit of freedom.

has flew over the Capitol.

This column writer says the demand for these flags has got so big that an extra pole had to be set up last July and the folks handling this department has asked Congress for more money to buy flags and to hire an extra clerk to handle the paper work.

I don't blame our Congressmen for this phony deal. It's us folks back home that puts this burden on our lawmakers that is to blame.

But all the news about our Congressmen this week ain't had. Senator Byrd, who favors running the Government real economic, reports that he saw signs of improvement as the Congress was closing out the session. He said the House Appropriations Committee considered the annual salary of \$6,702 for Chief

"The books that all of us read may be a measure of our character and intellect as well."

This statement appeared in an editorial published in the San Angelo Standard-Times recently. This editorial covered an entire column and its subject concerned a study that an Associated Press writer had made of the reading choices of the members of the Kennedy Cabinet.

Old Chel has been interested in the reading habits of people for a long time. So that this story called for a pair of scissors and it has been added to our

Justice Warren's chauffer too high and cut it down to \$6,700.

The main reason we got freedom in this country, Mister Editor, is because feller like me can poke a little fun at the Government and not get put in jail. If a feller in Russia calls Khrushchev a flop-eared jackass he gets shipped off to Siberia. In America a feller can call an official most anything he wants and about all the official can do about it is get him cut off the Soil Bank and raise his taxes.

I ain't got but two acres in the Soil Bank and my taxes is about as high as they can get, so about all I got to worry about is death. And I see where the undertakers in some of the big cities is trying to take the sting out of that. The papers say they're getting "hearses in pastel colors" in New York and Chicago. It won't be long now till we get two-toned caskets and tombstones done in technicolor. I tell you, Mister Editor, it's great to live in a country where we got to have three flag poles over the Capitol and where everybody, including the undertakers, is a wheeling and dealing by day and working on a better mouse trap by night.

Yours truly,
Uncle Ben
