Construction to Begin Soon On Addition to First Baptist Church

Junior Class to Present Annual Play Friday Night, Dec. 12

The Junior Class of 1952-1953 will present "Our Town" Friday night, Dec. 12 at 8:00 p. m. in the high school auditorium.

Thornton Wilder, the author, was awarded the Pulitzer Prize for Drama in 1938 for his creation of "Our Town." The play enjoyed a long run on Broadway, and since has been produced all over the Western world.

"Our Town," an experimental play, might be called modern in technique and old fashioned in theme. It is, in brief, a celebration of the quiet, peaceful life of the small town. The play covers the entire realm of human emotions or states-of-being: comedy, melodrama, pathos, and, in a sense, tragedy. As the three major events or stages of life (childhood, marriage and death) are traced, the play becomes more and more somber in tone. The author remains clearly optimistic, however, all through the three acts.

Members of the cast are Leonard Burt, Barney Arnold, Raymond Barnett, L. C. Teague, Sue Richardson, Tomye Woodward, Monroe Thomas, Dorothy Jean Pack, James Jackson, Corinne Urbanczyk, George Coats, Betty Ruth Jones, Dickey Cross, Roy Day, Georgia Montandon, Nathan Lewis, Doris Ann McNulty, Abe Watson, Ernie Wilson, Hubert Finley, Oscar Mangis, Ruby Buchanan, Doyle Dodson, Louise Bales, Peggy Caddell, Aletta Large, Betty Jo Lewis, and Tessie Hester.

Members of the class urged everyone in Knox City and surrounding area to attend.

BAND RECEIVES GOOD RATING IN CONTEST

The Knox City High School Band, which was organized only last year, was rated in the second division at the Region II Interscholastic League Marching Contest held in Sweetwater last Saturday. Harold R. Barnett, director and superintendent, announced.

Forty-three bands with 2300 members entered the contests. Thirteen were placed in the first rating, eighteen in the second, and twelve rated third.

The bands were judged on a basis of 100 points; required maneuvers 20 points; alignment 20 points; cadence 10 points; inspection 10 points; and general effect, 10 points.

The local band members pleasantly surprised their director when they presented him with a new uniform as a Christmas gift. The uniform is white wool with gold buttons and braid.

GREYHOUNDS TO PLAY VERNON AND QUANAH

If you are a basketball fan, you have an opportunity to see the local lads in two games next week. On Tuesday night, the boys will play Vernon, in the local gymnasium, and on Friday night they will journey to Quanah. The girls' team will also play Quanah.

BASKETBALL TOURNAMENT SCHEDULED AT BENJAMIN

A basketball tournament, for both boys' and girls' teams, will be held at Benjamin today, Friday and Saturday. It was announced this week by S. E. Reed, superintendent of the Benjamin schools.

Participating in the tournament will be teams from four schools—Goree, Vera, Rochester and Benjamin.

Play was to start today with the Benjamin girls playing the Rochester girls at 3:30, and the boys teams' playing at 4:30.

Friday the play will be between Vera and Goree, with the girls playing at 7 p. m. and the boys at 8 p. m.

In the consolation finals, the girls will play at 4 p. m. Saturday and the boys at 5 p. m. and the championship finals will be played Saturday night, with the girls' game at 7:30 and the boys' game at 8:30.

First place and consolation winners—both boys and girls—will receive trophies.

Supt. Reed invited all basketball fans in the area to see the games.

Construction of a two story brick veneer education building at the First Baptist Church will begin as soon as blueprints and materials arrive, it was announced this week.

Construction will be under the direction of J. Dewey Horton, Texas Baptist Building Director, Rev. E. V. Becker, pastor, reported.

The first floor will provide adequate nursery facilities and space for the younger adults. The second floor will house the Intermediate department.

This building is the first unit of a master-plan building program which, when completed, will facilitate excellent and modern teaching possibilities in all the departments of Baptist organizations.

The finance committee is composed of H. E. Wall, chairman, J. R. Hitchcock, Joe Averitt, Sammy White, and Horace W. Finley. Abe Watson was elected purchasing agent and chairman of the Building Committee. Other members of the committee are Dan Steakley, C. J. Reese, Otis Harbert and Russell Boyd.

SCHOOL HOLIDAYS TO BEGIN DECEMBER 19

Knox City school children will be dismissed from classes December 19 for Christmas holidays. Harold R. Barnett, superintendent, announced Tuesday.

An assembly program will be held in the gymnasium at 1:00 in the afternoon. After the program the elementary pupils will return to their home rooms for Christmas parties given by their room mothers.

High school students will gather in the study hall for refreshments of cold drinks and cheese crisps, served by the high school teachers.

Following the parties and refreshments, school will be dismissed until 9 o'clock Monday, December 29.

Harry Schuford To Speak at Football Banquet

Harry Schuford of Dallas will be the principal speaker at the annual football banquet which will be held at the school lunchroom Thursday night, December 18. The banquet will honor the members of the 1952 Greyhound team, the coaches and managers.

Schuford is a graduate of Tyler High School. He was captain of Southern Methodist University's Rose Bowl team in 1935 and served as backfield coach for SMU three years. At the beginning of Doak Walker's football career, he picked Harry's old number 37 as his lucky number.

Schuford is past president of the Student Association; past president of the Ex-Students Association and past president of the Ex-Lettermen's Association. At the present time he is vice-president of the Reserve Bank of Dallas and legal counsel for Dr. Pepper Bottling Co. He is a member of the Highland Park Methodist Church and for a number of years has been prominent in youth work in Dallas, including Boy Scout work. He is coach for the PeeWee football team in Dallas.

Joe Reeder, Jr., local attorney and long-time friend of Schuford, will act as master of ceremonies for the banquet.

Only 100 tickets will be sold and those who plan to attend were asked to purchase their tickets as soon as possible. They may be purchased only at the school superintendent's office from his secretary, Miss Marjorie Freeman.

At the regular meeting of the Knox City Lions Club Thursday, members voted to buy tickets for the team members, coaches and managers.

Study Club Plans Library Project

At the regular meeting of the Knox City Study Club Saturday, Dec. 6, members made plans to start a library at the next meeting. Mrs. Phil Colhour has been made chairman of the committee and each member was asked to bring a library book to the next meeting.

Mrs. Colhour was librarian at East Texas State College, Commerce, for seventeen years.

Mrs. E. R. Carpenter was leader for the "Fine Arts Interpret Life" program Saturday, and led the symposium.

"Art in Architecture" was discussed by Mrs. L. W. Graham. Mrs. Graham described the methods and styles of building from the ancient mud huts to the present day modern architecture.

Mrs. Colhour gave an interesting talk on "Art in Furniture." She displayed a beautiful antique rocking chair, an heirloom of the Colhour family in Illinois. The chair was called a "wagon chair" because it was collapsible and could be put in a carriage.

"Art in Chinaware" was given in an interesting way in a round-table discussion. Mrs. S. M. Clonts showed colored pictures during her discussion of "Art Objects." Her pictures and talk covered a variety of art treasures—tapestry, paintings, buildings and dishes.

Each member brought an article from her art treasures, making an interesting display of heirlooms and costumes. Each told the story of the article.

Mrs. E. F. Branton showed a hand-painted plate, a replica of the plates left in the White House by President Wilson. Mrs. Carpenter displayed old magazines, including a copy of the Ladies Home Journal dated 1898.

Friday night, December 19th, club members will entertain their husbands with a dinner at the Woman's Club. Members were reminded to bring a library book to the meeting.

Mr. and Mrs. Russell Boyd have received word from their nephew, John Bob Thompson, who is in the Air Force, that he arrived safely in Anchorage, Alaska. John Bob was scheduled to be on the plane which crashed in Alaska about two weeks ago, but a change in orders put him on the next flight.

1953 Fords to Go On Display Friday

The 1953 Ford—marking the 50th anniversary of the Ford Motor Company—will go on display at Benedict Motors in Knox City and 6400 other Ford dealerships across the country Friday, Dec. 12. The new models will be introduced without any increase in present prices.

The personnel at Benedict Motors, which is authorized Ford dealer for Knox County, invited everyone in this area to inspect the new models tomorrow (Friday).

A massive new grille with a center spinner characteristic of recent Ford design and a low, road-hugging look, advance the modern Ford styling. And an outstanding improvement in suspension, termed the "miracle ride," heads a list of mechanical improvements.

L. D. Crusoe, vice president of Ford Motor Company and general manager of Ford Division, said: "The 1953 Ford is a worthy successor to all the millions of cars this company has built since the late Henry Ford organized it in June, 1903. The 1953 Ford has all the features of the current model plus new beauty, comfort, performance and quality throughout."

To designate the 1953 Ford as the 50th Anniversary car, a medallion has been placed on the top of the steering column in combination with a new half circle horn ring. Around the Ford crest in the center of the emblem are the words: "50th Anniversary—1903-1953."

L. W. Smead, general sales manager of Ford Division, said that Ford's "new miracle ride" brings to the high volume field for the first time the smooth riding characteristics of much heavier, costlier cars. It is smoother, softer, and permits the car to hug the road at high speeds and low, on rough roads as well as on smooth pavement. It is a ride which must be experienced to appreciate fully.

Ford offers a wide variety of power combinations, safety features and color selections. It is again available in both V-8 and 6 cylinder engines with three transmissions—conventional, overdrive and Fordomatic.

Another new feature of the 1953 Ford is the addition of thick, sound-deadening glass fiber lining under the hood, which adds to driving comfort. Other features include Ford's "hull-tight" body construction which seals out water, dust and drafts; its rubber cushioned body bolts and joints welded, soldered and plastic sealed.

PARENT-TEACHER ASSN. TO MEET TONIGHT

The Parent-Teacher Association will meet tonight (Thursday) in the high school study hall instead of in the gymnasium as previously announced, Mrs. Neil Perdue, president of the organization, said Wednesday.

Parents were urged to attend the meeting and bring the children to see the full length movie, a Daniel Boone picture. The film will be shown to demonstrate a movie projector the P.T.A. is considering buying for the school.

Billy C. Duncan, son of Mr. and Mrs. W. L. Duncan of O'Brien, is completing his AF basic airman indoctrination course at Lackland Air Force Base, the "Gateway to the Air Force."

Lackland, near San Antonio, is the world's largest air force base. Duncan will probably be assigned to some other base for technical training.

RETURNED MISSIONARY TO SPEAK AT LOCAL CHURCH

Dr. L. O. Harris, professor of Bible at Hardin-Simmons University, Abilene, and former missionary in Hawaii, will be the speaker at the local Baptist Church Sunday night, Dec. 14, at 7 o'clock. It was announced Wednesday by Rev. E. V. Becker, pastor.

Dr. Harris is an excellent speaker and will give a message direct from the mission field. Following the message, he will show colored slide pictures of the mission work in Hawaii. He will speak at the First Baptist Church in Haskell during the morning service.

"Dr. Harris services are in great demand," Rev. Becker said, "and we are fortunate in being able to have him speak to us."

The public was cordially invited to attend.

Aspermont Wins Region 3B Title

The Aspermont Hornets were crowned champions of Region 3B at Jacksboro Friday afternoon, defeating the Sanger Indians, 26-20.

The Hornets, chosen to represent District 9-B after they had tied with Rule and defeated all other teams in the district, won the bi-district title by defeating Bryson, 41-0. The Indians were the champions of District 11-B.

Grass Judging Contest to Be Held Saturday

The annual Grass Judging Contest sponsored by the Wichita-Brazos Soil Conservation District will be held in Knox City on Saturday, Dec. 13, at 10:00 a. m. It was announced this week by Bill Palmeyer, Knox County Agent.

The contest will be held in the American Legion Hall.

4-H and FFA teams from the Wichita-Brazos district are eligible to compete, and each team will consist of four members, with the scores of the top three being added for team score, and the fourth member serving as alternate. Coaches are requested to register their teams with the county agent between 9:30 and 10:00 a. m.

Awards will be presented the winning teams and high scoring individuals by the Soil Conservation District, and contestants will be treated to the noon meal by the Knox City Lions Club.

LOCAL BAND DIRECTOR TO TAKE PART IN CLINIC

Harold Barnett, local band director, has been invited to take part in the Band Clinic which will be held in Radford Auditorium on the McMurry campus in Abilene Saturday.

Barnett will be a critic in the brass division and will direct a number in the concert that evening.

Each band in the region may send 6 band students or not more than 10 per cent of its enrollment to try out for the All-Region Band. Over 300 try-outs are expected and 88 will be picked. Try-outs will be held from 8 until 10:15 a. m. and rehearsing for the evening concert will begin at 1:45. Preceding the concert by the All-Region Band, the McMurry Indian Band will give a 40-minute concert.

Mr. Barnett will take two local band students: Betty Hooker, first chair clarinet, and Billy Barnes, first chair trombone.

SUPPER CLUB TO MEET MONDAY NIGHT, DEC. 15

Members of the Monday Night Supper Club will meet at Mrs. Branton's Cafe at 7:30 Monday night, December 15.

Following dinner, the business session and exchange of gifts will be held at The Woman's Club. Mrs. Roy Baker, president, urged all members to attend.

A 4-year-old Negro boy burned to death here about 6 p. m. Saturday in Knox City's fifth fire in the past nine weeks.

The blaze gutted the Negro Holiness Church and destroyed an adjoining living quarters.

The child was Anthony Hayden, who was being reared by Irene Williams, a great aunt who lived in a bedroom and kitchen adjoining the church building. She is the widow of a former pastor of the church.

The boy was in the bedroom alone, and it is not known how the blaze was started, unless he was playing with the fire in a wood heater in the room.

His 12 year old cousin, Joyce Hayden, was in the kitchen when she discovered the fire in the bedroom, but was unable to reach the boy. The aunt was at the rear of the church lot repairing a fence. Neither she nor members of the Knox City Volunteer Fire Department were able to enter the building to save the boy.

Survivors include the father, Sammie C. Hayden, now in a veterans hospital in California, and a number of brothers and sisters, including a half-brother, William Henry, and a half sister, Stella Raphael, both of Munday.

Funeral services were held at 3:45 p. m. Sunday at the Negro Baptist Church, with Rev. A. C. Bennett of Abilene officiating.

Friday morning, the Volunteer Fire Department was called to the home of Dr. T. P. Frizzell, where a fire had started in a utility closet. Quick discovery and prompt action by the firemen confined the blaze to a small space, and damage was comparatively slight.

Three Local Boys Win Spots on All-District Teams

Three Knox City Greyhounds were chosen for the District 9-B All-District Teams.

Abe Watson, 255 pound Hound who was one of the mainstays of the team, on both offense and defense, all through the season, won a tackle position on the first honor team. Most places on the team went to members of the Aspermont Hornets, winners of the district and of the Region 3B title. Coaches could not decide on a center, and chose three.

The selections were as follows:

First Team
E—James Marquis, Aspermont
E—Dick Manley, Rochester
T—Melvin Carden, Aspermont
T—Roy Dean Smith, Rule
T—Abe Watson, Knox City

Koreans Need CARE Gifts To Survive Hunger, Cold

NEW YORK—The third winter of war means increased suffering for the South Korean people, Paul Comly French, executive director of CARE, reminded Americans in an appeal to continue their relief aid.

About 10,400,000 persons, half the total population, are in dire need of food, warm clothing and blankets, according to reports from Dr. Charles R. Joy, CARE mission chief in Korea. Mr. French said, "Relief packages provided through donations to CARE-for-KOREA, 20 Broad St., New York 5, N.Y., or any local office of the non-profit agency, are direct assurances of these lifesaving supplies, he pointed out.

"Cities like Pusan and Seoul are swollen with refugees, who live in flimsy straw huts," Mr. French stated. "Orphaned children, clad in rags, roam the streets begging for food. Throughout the fall, families in rural areas were eating weeds and grass—but frozen fields do not yield even that surcease from hunger.

"Starvation and cold must be fought as relentlessly as armed aggression, or the defense of freedom is meaningless. On behalf of Korea's suffering humanity, we must ask Americans to keep sending CARE."

CARE packages for Korea include: Food, underwear, knitting wool, cotton clothing fabrics, \$10 each; blankets, \$7 each; special food, \$5. Distribution is made to

orphanages, refugee settlements and relief centers, in cooperation with United Nations Civil Assistance Command.

The living room was decorated in the holiday motif. After the program a delicious refreshment was served by the hostess, Mrs. Johnson.

The O'Brien Bulldogs and the Collies played Hawley Tuesday night in basketball. Both games were thrillers, with the Collies losing by six points and the Bulldogs winning by one point. The teams journey to Hawley Friday night for a return match.

Mr. and Mrs. Billy Proffitt of Morton visited in O'Brien and Rochester a few days this week. Billy is taking his physical for the Army.

BENJAMIN SOROSIS CLUB HEARS KNOX CITY DOCTOR DISCUSS POLIOMYELITIS

At a meeting of the Benjamin Sorosis Club Thursday afternoon, Dec. 4, Dr. Ben Bowden, member of the Knox County Hospital and Knox City Clinic Staff, spoke to the club members on "Poliomyelitis."

Dr. Bowden said there are four known kinds of polio virus, and three types of the disease. One type causes you to not feel well—so slightly that you do not realize you have polio and in a few days you are recovered. It serves to build up your immunity to that virus.

Another type causes swelling and inflammation of the nervous system centered in the lower brain and spinal column. With treatment and time this type is curable.

The third type is most severe in that it causes deterioration of the nerve tissues and causes permanent paralysis. The orthopedic field is successfully operating on these destroyed ligaments and replacing sound ones to enable the patient to move a limb.

Pointing out that we are more interested in the prevention of paralysis than a cure, Dr. Bowden said he is most hopeful that the prevention is near. Much research is being done. The Gamma-Globin ex-

periment (the part of the blood containing polio impurities is injected into those people living in polio epidemic areas in an effort to keep them from having the crippling type of disease) has not been completed, but preliminary reports are very good.

Dr. Bowden informed the club that everyone carries immunities to the kind of polio with which he is constantly in contact. A person may be immune to one or two kinds and then take the third when he is exposed to it. It is in this way that the disease is considered contagious. Children are more susceptible to the disease since they have not had time to build up their immunities, but there is no age limit for the disease. A person in a "run-down" condition is more susceptible to the disease. Polio is a very unpredictable disease, he added, and there is still a lot which medical science does not know about it.

FOLIO AID FOR TEXAS IS CURBED

AUSTIN. — Texas got a stern reminder of the financial pinch caused by its unprecedented polio outbreak when the National Foundation for Infantile Paralysis scaled down emergency aid to state chapters.

General Robert J. Smith, State Chairman for the 1953 March of Dimes, stated that NFIP had to curb allotments because the record number of cases nationally has almost exhausted available funds.

He said the restriction in cash advances would prevail until

the 1953 edition of the March of Dimes, which is exclusively the finances for the anti-polio activity.

"This does not mean that care will be curtailed for any patient needing help," said General Smith, who is president of Pioneer Air Lines. "Pressing financial needs will be met, but hospitals will be requested to carry some polio care bills until the money is available from the 1953 March of Dimes to be conducted January 2 through the 31st."

The economy move, according to the General, was taken to insure all Chapters needing aid, a fair share of emergency funds until the end of the year.

Texas has been one of the main recipients of aid from the National Foundation, and this year has received more than one out of every six dollars allocated by the NFIP for patient care.

"Under usual procedure," the chairman explained, "half of

the March of Dimes funds are retained by chapters for local patient care, or in emergencies, for supplementing national aid funds. The other half is given to the National Foundation for polio research, education, and the replenishment of chapter treasuries depleted by epidemics.

"Because of the increasingly heavy polio case load, Texas, for three years, has needed 100 per cent of the March of Dimes funds for patient care and thus has contributed nothing to research or education."

4-H Boys, Parents, Tour Club Projects

The first annual Knox County 4-H Calf Tour was held Saturday, Dec. 6, with more than 20 4-H boys and their parents visiting the homes of all the boys who are feeding beef calves for the 1953 stock shows.

The group, which was headed by County Agent Bill Pallmeyer, met at the Court House in Benjamin at 8:15, and left on a 9-stop trip that took six hours time. Places visited were the Moorhouse Ranch and Beavers Ranch, both at Benjamin; the Elmo Todd farm, Truscott; John Quintero, Omar Cure and Orb Miller farms, Gilliland; the Earl Cox farm, Benjamin; Reneau Ranch, Munday, and the J. D. Hicks farm, Goree.

Purpose of the trip was for the boys to see the competition they are facing, and to pass on ideas to other feeders.

DAUGHTER OF FORMER RESIDENTS MARRIES

In a ceremony of marked dignity and beauty, Miss Marian Doreece Weaver, daughter of the Rev. and Mrs. Daniel B. Weaver, and Kenneth Ralph Earwood, United States Air Force, son of Mr. and Mrs. Ralph Earwood of Boardman, Oregon, were united in marriage recently. The vows were solemnized

by the father of the bride, pastor of the First Southern Baptist Church of Hollywood, where the ceremony was held.

The bride is the granddaughter of the late Mrs. L. J. Tidwell and Mr. Tidwell, residents of Knox County for many years before their death. Her parents, Rev. and Mrs. Daniel B. Weaver, both attended schools in Knox City, Mrs. Weaver having graduated with the Class of 1929.

The bride was given in marriage by her uncle, Samuel Grady Weaver of Lubbock, and chose for her wedding a handsome gown of ivory satin with a fitted bodice and a marquis-

ette yoke finished with tiny seed pearls. Her bouquet was of white carnations centered with an orchid.

Following the ceremony, the parents of the bride entertained with a reception at their home.

For their wedding trip Sgt. and Mrs. Earwood drove to Oregon. On their return they will make their home in Vallejo, Calif., where the groom is stationed at Travis Air Force Base.

Mrs. John King returned Monday from Kress where she was called because of the illness of

her new grandson of Mr. and Mrs. lisle, was reported proved.

said court and styled James B. Boren, Plaintiff, vs. Mrs. Ola McCarty, et al., Defendants.
 A brief statement of the nature of this suit is as follows, to-wit: Being a suit for a declaratory judgment adjudicat-

ing the rights and interest of the plaintiff and the defendants in and to the South 160 acres out of Section 95, Block 2, D. & W. Ry. Co. Survey as described by metes and bounds in plaintiff's original petition, and to construe a certain deed dated March 22, 1909, from James Partridge and wife Rachel Partridge, to Ola McCarty, as to whether the same conveyed fee simple title to the above described land, or only a life estate, as is more fully shown by Plaintiff's Petition on file in this suit.

CHRISTMAS TREE CAN BE A FIRE HAZARD

COLLEGE STATION. — The center of attraction in most homes, especially with the children, from now until Christmas will be the family Christmas tree. Most families, says C. W. Simmons, farm forester for the Texas Agricultural Extension Service, fail to realize that this tree is actually a fire hazard. Every effort, he adds, must be made to make the tree safe and eliminate the possibility of a fire starting from it.

He suggests that only trees in good condition be purchased. This means getting a tree that has fresh leaves or needles. If the tree is placed aside for a few days before the decorating job is done, he says it can be kept fresh by making a new cut above the original one and

placing it in a container of water. When the tree is moved into the house, it should be left with the trunk in water. Danger from fire is lessened when the leaves or needles contain moisture. Water should be added to the container each day and besides the safety angle, there will be less shedding of leaves or needles, says Simmons.

Next he warns against decorating the tree with flammable material. Check the electric light cords that connect the tree lights and make repairs if needed. If cotton is used around the base of the tree, use the kind that has been treated for fire retardance. Candles should never be used to light a tree, and adds the specialist, never block exits from the room with the tree.

It is up to each family to make the holiday season a safe one, warns Simmons, and those who fail to take into account fire and accident hazards may find their holidays marred by a serious fire or accident.

Dr. and Mrs. Jack Wilson and children, Marsha and Chad, of Temple spent the week-end in Knox City with her parents, Mr. and Mrs. L. W. Graham, and his mother Mrs. John Wilson.

Guests in the home of Dr. and Mrs. T. S. Edwards during the Thanksgiving holidays were Mr. and Mrs. Tom Hampton and children, Tom Lauren and Sandra, and Tommy Edwards, student at Texas University.

Mrs. R. R. Banner has returned to her home in West Columbia after a visit here with her sister, Mrs. T. S. Edwards.

with an **Automatic GAS Clothes Dryer**

When your dresses, coats, and suits or your husband's suits and top coat need freshening, place them in your automatic gas clothes dryer. Add a damp towel, tumble at low heat . . . remove and hang on a line until thoroughly dry. It's that easy to freshen and remove wrinkles from clothes of many fabrics . . . rayon, synthetics.

While wrinkles are being removed pure oxygen is circulated through the clothes to deodorize them and come out with that desirable "outdoor" freshness.

A GAS dryer takes only 4 minutes or less to pre-heat for drying . . . other dryers take up to 18 minutes. A GAS dryer is cheaper in most cities and is served by Lone Star — cheaper by 75%.

Save dryer time. Save operating costs. Buy an automatic GAS clothes dryer.
