City Commission Grants Rate Hike By Gas Company

An application by Lone Star Gas Company for a rate adjustment affecting approximately 575 residential and commercial customers in Knox City was approved by the city council at a meeting Tuesday afternoon.

An ordinance permitting the raise was declared an emergency and was made effective immediately.

The increase to the average residential user (family unit) will amount to less than three cents a day, it was pointed out by A. C. Haley of Seymour, district manager for the company, and U. L. Bennie of Knox City, sub-district manager. They added that similar rate revisions have been sought throughout Lone Star's operating territory in Texas and Oklahoma.

Mr. Haley expressed appreciation to the City Council for "consideration of the gas company application," pointing out that the "new rate makes it possible for us to continue to maintain our standard of service on the plane desired and expected by our customers."

The gas company manager emphasized that residential and commercial rates charged by Lone Star have not been increased generally in the last twenty-five years, but, conversely, the rates were reduced ten cents per thousand cubic feet in May, 1942. He said the new rate here is only three cents per thousand cubic feet higher than the rate charged by Lone Star prior to the 1942 reduction.

"Under the new rate," Mr. Haley said, "the increase per customer (family unit) will average 81 cents per month or less than three cents a day. Of each additional 81 cents paid by the customer each month, 43 cents will go to various taxing agencies, thus leaving the company only 38 cents."

"The Lone Star Gas Company has taken a great deal of pride in the fact that we have been able to furnish a good, adequate and dependable fuel service to our customers at the lowest possible price conducive to good business and sufficient earnings," he continued. "Our application for the rate revision here represented only the most essential and absolutely minimum increase consistent with present economic conditions. We believe it highly conservative."

"The additional revenue," he said, "is required to meet losses in net income due to increased taxes, costs of gas in the field, rising costs for gas exploration and development, wages and salaries and numerous other items. We are confident that our customers as well as regulatory bodies understand our condition because all businesses—and individuals, too—have had to wrestle with the problem of rising costs."

Minimum under the new rate will be \$1.53, compared to a \$1.40 minimum under the old rate. A complete breakdown of the new rates will be carried next week when the ordinance is published.

BENJAMIN SOROSIS CLUB ELECTS NEW OFFICERS

The Benjamin Sorosis Club met January 8, and elected new officers for the coming year. Mrs. Sid Davidson was elected president; Mrs. Carl Patterson, 1st vice president; Mrs. Edith Rodgers, 2nd vice president; Mrs. Harold Freeman, recording secretary and reporter; Mrs. Maleta Palmeyer, corresponding secretary and treasurer; Mrs. J. W. Melton, parliamentarian; Mrs. O. D. Propps, librarian; and Mrs. I. T. Wright, historian.

Mrs. O. W. Driver, leader for the "American Home" program, read "Home Sweet Home." Rev. Holloway, pastor of the Baptist Church, discussed "The Spiritual Side of Home." Others on the program were Mrs. S. E. Reed, who discussed "Need for Moral Life," and Mrs. T. G. Gill, who spoke on "Spiritual Guidance."

Mrs. Allie Moorhouse read Edgar A. Guest's "It Takes a Heap 'o Livin' to Make a House a Home."

Hostesses were Mrs. J. W. Melton and Mrs. H. B. Sams. The club voted to contribute \$5.00 to the March of Dimes.

Funeral Held Here Sunday for Mrs. Denny W. Davis

Funeral services for Mrs. Denny W. Davis, 57, were held at the First Methodist Church here Sunday, Jan. 11, at 2:00 p. m.

Mrs. Davis, who has been living in Ruidoso, N. M., died Friday at Bonham, where she had been visiting her sisters.

Mrs. Davis was born Helen Ugena Dean Nov. 18, 1885, in Leonard, Tex. She lived in Knox City 24 years after her marriage to Denny W. Davis, member of a pioneer Knox City family. They moved to Ruidoso nine years ago.

Survivors include her husband; two sons, Denny W. Davis Jr., Carlsbad, N. M., and Billy Dean Davis, a student in the University of Texas at Austin; and her sisters, Mrs. Grace McLarry and Mrs. Grady L. Taylor, both of Bonham.

The Rev. Oscar Bruce, pastor of the local Methodist Church, conducted the final rites. Interment was in Knox City Cemetery under the direction of Warren Funeral Home.

LOCAL RESIDENTS' FATHER DIES AT ROCHESTER

Funeral services for John H. Herring of Rochester, father of Walter Herring and Mrs. Ozella Jones of Knox City, were held at the Church of Christ in Rochester Saturday, January 3.

Mr. Herring died at his home following a stroke two weeks previously.

Other survivors include three daughters, 17 grandchildren, 19 great-grandchildren, and a brother, Bake Herring, O'Brien.

Agent Reports On 4-H Work in 1952

Three hundred and forty-five boys of Knox County took part in 4-H work in 1952, County Agent W. C. Palmeyer said this week in reporting on the year's 4-H activities. This group was formed into nine clubs, which covered all communities in the county. To assist in the work, 30 adult leaders were active in assisting with meetings, shows, and individual work with the boys.

Projects carried out by the boys included: 35 boys with field crops of alfalfa, cotton, grain sorghum and wheat for a total of 350 acres; 58 boys were growing gardens; 35 boys were tending to chickens, which totaled 1,168 birds; 3 boys were tending to dairy animals; 16 boys were feeding beef calves; 5 boys were feeding sheep; one boy was feeding goats; 16 boys were tending to horses; 59 boys were feeding hogs; 20 boys were feeding rabbits; 12 boys had wildlife and soil conservation demonstrations; 36 boys took part in leadership training; and 47 other different projects were listed.

In addition, members were given instructions on how to use a surveyor's instrument, how to cull and caponize chickens, keep records, prepare stock and poultry for shows, and select good animals for feeding demonstrations. Meetings were also held on variety information, use of fertilizers, grass identification, soil conservation, and livestock judging. Teams were trained for beef judging, grass judging, and a rifle team was selected from the county-wide rifle club, which is striving to teach boys better marksmanship and how to use a gun safely.

Knox 4-H members also participated in county livestock shows, and district shows, with good results. Members were selected to attend the State and District 4-H meetings, and the rifle team took part in the state contest at College Station. A tractor maintenance school is in progress at Gore, with 75 members taking part under the direction of Wesley Wright, leader who attended a tractor maintenance school at Childress.

Awards were presented winners in different divisions of club work at the Achievement Day program at the Lions Club in Knox City, and one record is now submitted in state competition.

Mr. and Mrs. O. A. Green and Paul spent Sunday in Lubbock visiting Mr. and Mrs. Otice Green, who moved into their new home last week.

Polio Hospitalizes Honeymooners

Lou and Nancy Geisling of Detroit, were on their honeymoon when polio struck both of them—and they had to finish their wedding trip in a hospital. Lou came down with polio two days after his wife. "That's real love, isn't it," he says. The two are now well on the way to recovery and both are grateful to the March of Dimes. "If it weren't for this help," Lou says, "we don't know what we would do." Both are teachers.

March of Dimes Canvass Under Way

Rev. Floyd V. Bailey, local chairman for the 1953 March of Dimes, said Tuesday that Rip Collins and Bud Thompson are soliciting contributions from the business houses this week.

This canvass of the business district always accounts for a large part of the community's annual contribution to the polio fund drive.

Rev. Bailey also said "Dimes cards" have been made available to school children, and miniature iron lung banks have been placed in various business houses. The chairman urged Knox Citizens to give generously, as the need for funds has never been greater.

For the second time, the March of Dimes will last through the entire month of January this year—a decision forced by the record number of polio cases in 1952 and the tens of thousands of patients stricken in previous years who still needed financial aid from the March of Dimes.

Another factor which led to the extended campaign period was the considerable expense of carrying the research fight against polio out of the laboratories and into the ranks of man himself.

Of the more than 55,000 persons treated for polio in 1952, approximately 44,000 were assisted in whole or in part by the March of Dimes.

The field trials to test the effectiveness of a possible preventive of paralytic polio were undertaken by the National Foundation for Infantile Paralysis in addition to other vital research projects. Some 55,000 youngsters took part in the trials.

Half of all money contributed to the March of Dimes is used by our county chapter to help pay cost of treating local polio patients or, in emergencies, polio patients elsewhere. The other 50 per cent finances March of Dimes research, professional education and epidemic aid programs.

Hayden E. Reeves, 20, son of Mr. and Mrs. M. W. Reeves of Knox City, is completing his AF basic airman indoctrination course at Lackland Air Force Base, near San Antonio. After basic training, Hayden will receive technical training before assignment to a unit.

'HOUNDS WIN ONE, LOSE ONE IN CONFERENCE PLAY

The Knox City Greyhound basketball boys won their first game in the District 12-B double round robin last week when they defeated Rule, 35-32, in the conference opener. But in their second game Tuesday night, they lost to the O'Brien Bulldogs, believed by many to be the outstanding conference contenders.

Final scores in the O'Brien-Knox City tilt were 65-47. High point man of the game was the 'Hounds' Jerry Wilson, with 19 points, while Wayne Hutchinson was high for O'Brien with 16 points.

The Knox City girls lost both of their first two conference games—to Rule 44-19 and to O'Brien 47-40. Dorothy Paul of Knox City was high scorer in the latter game.

In their pre-conference practice games, the 'Hounds' won five and lost six, according to Coach David Slaughter.

Next game for both boys' and girls' teams will be tomorrow (Friday) night, when they play Benjamin at Benjamin. Other conference games on the schedule are as follows:

Jan. 20, Vera, here; Jan. 23, Rochester, there; Jan. 27, Rule, there; Jan. 30, O'Brien, here; Feb. 3, Benjamin, here; Feb. 6, Vera, there; Feb. 10, Rochester, here.

Mr. and Mrs. C. A. Hull returned last Friday from a visit with relatives in Ft. Worth. While there, Mrs. Hull was confined to her bed with influenza. She is at home now but unable to be up.

Mr. and Mrs. Alton Leach spent the first part of the week transacting business on the Plains.

"Womanless Wedding" to Be Presented at School Tonight

Walter Thomas will become the bride of Phil Colehour in a "Womanless Wedding" which will be held at the school gymnasium tonight (Thursday) at 7:30 p. m.

The wedding and program is sponsored by the Band Parents Club and proceeds will help pay for kettle drums that were purchased recently.

Attending the couple as best man, maid of honor, bridesmaids and flower girls will be Doyle Graham, Bud Thompson, Wm. Roy Baker, Henry White, Buddy Urbanczyk, Cameron Biffle, Jack Land, Jimmie Robinson, Lee Smith and other well-known local men. W. H. Nolte will serve as the preacher and Mrs. Rip Collins will be commentator to announce and describe the details.

A number of specialty acts have also been arranged.

Directing the show are Mrs. Charles Givens and Mrs. E. R. Carpenter.

"For an hour and a half of good clean entertainment and fun, attend the show. . . You will enjoy it and at the same time contribute to the success of our school band," Mrs. Guy Robinson, president of the sponsoring club, said.

Supreme Court Reverses Decision in School Case

Rites Held Tuesday for Aunt Willie Johnson

Mrs. A. J. V. Johnson, 82, affectionately known as "Aunt Willie" to her host of friends, died at the Knox County Hospital Sunday, January 11.

Mrs. Johnson had been hospitalized since Dec. 26, when she suffered third degree burns. According to members of the family she had suffered a light stroke about three weeks previously, and was attempting to get out of bed without help for the first time, when she got too close to a heating stove and her night clothes caught fire. The accident occurred at the home of a daughter, Mrs. W. B. Hudson, with whom she had made her home for the past two years.

Funeral services were held at the First Baptist Church in Munday at 2:30 p. m. Tuesday, Jan. 13, with Elder L. M. Handley, Primitive Baptist minister from Lawn, Texas, officiating. He was assisted by Rev. E. V. Becker of Knox City and Rev. Huron Polnae of Munday. Interment was in the Johnson Memorial Cemetery at Munday, with Mahan Funeral Home in charge.

Born Willie Mae Page in Henry county, Alabama, on Nov. 2, 1870, Mrs. Johnson came to Knox County with her parents, the late Mr. and Mrs. J. H. Page, in 1890. On March 3, 1892, she was married to A. J. V. Johnson. The couple had seven children, six of whom survive. They are Mrs. Sue Scheadick of Wabeno, Wis., Jim Johnson of Auburn, Wash., Mrs. Hattie Davis of Ranger, Wylie and Ed Johnson of Munday, and Mrs. Iola Hudson of Knox City. Also surviving are 26 grandchildren and 29 great-grandchildren. One daughter, Lorado, preceded her in death in 1901, and Mr. Johnson passed away on Nov. 30, 1945.

She had been a member of the Primitive Baptist Church for a number of years. Pallbearers were John Burns, John Walker, H. R. Beauchamp, P. G. Beauchamp, Lawson Wallace and Jessie Yost.

BETHROTHAL ANNOUNCED

Announcement was made last week of the engagement and approaching marriage of Miss Margaret Anne Waldrip of O'Brien to Glynn Pat Hill, son of Mr. and Mrs. Claude Hill of Munday.

Miss Waldrip, a teacher in the O'Brien school, is the daughter of Mr. and Mrs. Ford Waldrip, and granddaughter of Mr. and Mrs. W. F. Waldrip, pioneer residents of this area.

Wedding vows are to be exchanged Sunday, Feb. 1, at 3:00 o'clock in the afternoon at the O'Brien Baptist Church. The pastor, Rev. W. D. Malone, will officiate.

O'BRIEN R. A. BOYS ELECT NEW OFFICERS

The David Livingston Chapter of the Junior R. A. of the O'Brien Baptist Church elected officers at the last regular meeting.

Those elected were: Counselor, W. D. Malone; Ambassador in chief, Hershel Force; 1st assistant ambassador, Lowell Rowan; 2nd assistant ambassador, Sammie Grindstaff; chapter recorder, Danny Walsworth; scribe, John Tom Johnston; steward, Jerry Force; and chapter Herald-custodian, Jerry Johnston.

The chapter invited all boys of junior age to join them in missionary, Bible study, and recreation.

Mrs. R. S. (Aunt Alice) Brannin of Benjamin is seriously ill in the Knox County Hospital. She was brought to the hospital last week and her condition this morning was described as "unimproved." One son, R. S. Brannin, Jr., of Long Island, N. Y., arrived Tuesday night to be at his mother's bedside, and her other son, Will Ed, of Riverside, Calif., was called Wednesday and is expected to arrive today.

The State Supreme Court Monday reversed the decisions of the District Court and the Court of Civil Appeals, in the case of Munday Independent School District, et al vs. Knox City Independent School District, et al. According to news releases, decisions were reversed, "as per opinion," with opinion by associate justice Wilson.

This morning, neither Brookreson & Brookreson, attorneys for the Knox City district, nor M. F. Billingsly, attorney for the Munday district, had received copies of the opinion. Billingsly, however, said he had learned in a telephone conversation with Galton Kendall of Austin, another Munday attorney, that all three petitions involved in the case were declared to be one transaction, and all were disallowed.

The case originated in July, 1951, when the Knox County School Board allocated some 16,000 acres of the old Sunset school district to the Knox City district, on three petitions signed by a majority of the voters in the area involved. The Munday district applied for an injunction against the transfer, which was denied by Judge Ben Charlie Chapman of Haskell. The Munday board then appealed to the 11th Court of Civil Appeals, lost again, and immediately appealed to the Supreme Court. The higher court heard arguments on the case in October of last year.

The three petitions originally presented to the County Board were signed by approximately 98 percent of the qualified voters living within the area involved. In addition, much of the land is owned by Knox Citizens. The area includes approximately 50 percent of the producing oil wells in the North Knox City Field.

The Knox City board has not as yet indicated what the next step will be in annexing an equitable portion of the old Sunset district to the Knox City district.

MISS ARMSTRONG AND BILLY JAY LAIN WED

Miss Helen Armstrong, daughter of Mr. and Mrs. T. H. Armstrong of Munday, became the bride of Billy Jay Lain Jan. 10 at 9:30 p. m., in the home of the groom's parents, Mr. and Mrs. Fred Lain, near Munday.

The double ring ceremony was read by Rev. E. V. Becker, pastor of the Knox City Baptist Church, before a bank of greenery, Garza mums, and candelabra. The bride's only attendant was her sister, Miss Peggy Armstrong, and best man was the groom's brother, Larry Don Lain. Candle-lighters were Joan Carolyn Lain, the groom's sister, and Kay Dean Hester of Knox City. Mrs. Felton Raynes of Munday rendered the traditional piano selections.

The bride, given in marriage by her father, wore a wool suit of tiny black and white checks, with black accessories. Her corsage was white gardenias. Her sister wore a dress of wine velvet with a corsage of white carnations. The candle-lighters wore corsages of sweet peas. At the reception, Mrs. Elwood Hackney of Knox City served the wedding cake and Mrs. Jackie Lanford ladled punch for the 40 relatives and friends present.

Mrs. Lain is a 1952 graduate of Munday High School and is employed in the PMA office in Knox City. Mr. Lain is a 1948 graduate of Knox City High School and attended Midwestern University in Wichita Falls before serving in the Navy. Recently he took a course in barbering and has established his business in Knox City.

Austin Highlights

By Sen. George Moffett

AUSTIN, Jan. 13.—The Texas Legislature meets in regular session every two years on the second Tuesday in January. In some States, there is a regular session of the Legislature every year. The general belief of qualified observers seems to favor the Texas System. The Governor can call a thirty-day Special Session at any time that an emergency demands it. Members receive pay for only the days the Legislature is in session. Some other states pay full time annual salaries. However, the Texas plan is thought to be better and also more economical.

There is a state wide difference in the size of legislative bodies in the various States. Texas with nearly eight million people has only thirty one State Senators. Oklahoma with about two and one-quarter million people has forty four State Senators.

maintain that a law-making body with a large membership more nearly represents the will of the people. Others say that a smaller membership can transact business more efficiently with less argument and long-winded debate.
Members of either house of the Legislature can introduce as many bills as they choose. Usually about 1,500 bills are introduced at the Governor's desk. In order to become a law, a bill must pass through both houses by a majority vote. A bill may be, and often is, amended several times in each branch. Amendments also require a majority vote. A bill may pass one house and fail to reach a vote or be voted down in the other branch.

Amendments to the State Constitution must receive a two-thirds favorable majority in each house of the Legislature before being submitted to a statewide election for adoption or rejection by the people.

The Governor is inaugurated on the third Tuesday of January, which in 1953 is on January 20, (by chance this happens to be the same day on which the President of the United States is inaugurated this year.)

Weather permitting a very large crowd will probably be present for the inaugural ceremonies. It will be a pleasure for me to secure invitations to these events for those desiring same, if notified in time.

This session of the Legislature faces many serious problems which will be discussed in the weeks to come.

CARD OF THANKS

Words cannot express our thanks to everyone for their kindness during the illness and death of our father and grandfather. For the food and flowers, and every word of sympathy, we say thanks, and may God bless each of you.

...but not when you need a DOCTOR!

Tom-toms belonged to an age that reckoned time in "moons" rather than minutes. Now, when you want to summon a doctor you turn to the telephone. It's quicker, more dependable and much more easily done.

Naturally, we're hoping that when you have your Doctor's prescription you'll bring it here for careful compounding. Our dependable, registered pharmacists use pure, potent drugs—our prices are always fair.

STREAMS in Desert Places

By Oestle Stephens

It is a wonderful thought to think of how God gives the reward of what we might call it the harvest of everything we do for Him. If you live your life for God, He rewards you according to His riches in Glory. But many times our efforts are in vain as to material gain.

The past year has been a failure in many, as not having very much crop to gather, the hard work is all in vain. Much was spent that was not repaid. The year seems to be lost—but not so in spiritual wealth if you have lived for God. For you are not paid off spiritually in the fall of the year or on Saturday night—but when the race is won, then cometh the eternal reward.

A new year is before you as an open door. No man can close God's door for you. He can do the impossible and give divine strength for the tremendous task. You can lean upon Him, allowing Him to carry your load. There is a source of joy, peace and assurance that streams from the promise of Christ when He said, "Lo, I am with you always." You can walk with Him and dwell in the secret of His presence for your every need in the Stream of His Blessings. You can enjoy them in the Desert places of your life.

NOW ON DISPLAY - THE 1953

Cadillac

A NEW INSPIRATION FOR THE AUTOMOTIVE WORLD

BY THE PREMIER BUILDER OF THE V-8 ENGINE!

IMPROVEMENT HIGHLIGHTS

- DYNAMIC NEW 210 H.P. ENGINE
- VASTLY IMPROVED HYDRA-MATIC DRIVE
- ADVANCED POWER STEERING*
- BREATH-TAKING NEW INTERIORS
- NEW CADILLAC AIR CONDITIONER*
- MORE BEAUTIFUL EXTERIOR STYLING
- EVEN GREATER OPERATING ECONOMY

A great new inspiration for the automotive world is now on display in our showroom. It's the 1953 Cadillac—the latest triumph of Cadillac's engineering and styling genius. Its beauty alone would place this new motoring creation among Cadillac's all-time "greats"—for its innumerable exterior changes have made it simply breath-taking to behold. Its interiors, too, are dramatically new—offering the most beautiful fabrics and appointments ever available in a motor car. And for those who desire the ultimate in comfort, a wonderful new Cadillac Air Conditioner* is now available. But the heart of this new Cadillac's greatness lies in its performance—so extraordinary that it transcends any previous concept of how a motor car should act and handle. This magnificent performance

comes from many sources. It comes from Cadillac's improved Hydra-Matic Drive. It comes from Cadillac's advanced Power Steering—so marvelous that turning and parking and steering become almost a response to your will. And it comes—in even greater measure—from Cadillac's great new 210 h.p. engine... a dramatic climax of almost 40 years of undeviating experience in the design and construction of V-8 engines. We sincerely urge you to see and drive this great motor car. It is offered in the new series—the beautiful "Sixty-Two," the luxurious "Sixty Special" and the distinguished "Seventy-Five." There is also Cadillac's sports convertible, the Eldorado—the most glamorous and exciting creation in the whole of Cadillac history. Why not come in today

CARD OF THANKS

Words cannot express the gratitude in our hearts at this time, for the many deeds of kindness by our wonderful friends during the illness and death of our beloved mother, Mrs. A. J. V. (Aunt Willie) Johnson. To those who helped at the hospital, to the doctors and nurses, for the beautiful flowers and for the food brought to our home, we want to say thank you and may God richly bless each one, and give you just such true friends when sorrow comes your way.
The children and grandchildren of Mrs. A. J. V. Johnson.

Mr. and Mrs. Jack Simmons of Bridgeport, formerly of Knox City, have announced the birth of a son, Saturday, January 10, in a Bridgeport hospital. He has been named James Henry. Paternal grandparents are Mr. and Mrs. Joe Simmons of Knox City.

"WHERE QUALITY, ECONOMY AND COURTESY MEET"

Which costs 1/2 as much in the long run?

Water heaters look alike. Always find out about the tank inside when you buy. Automatic gas water heaters with corrosion-resistant tanks last two, three... even five times longer. Remember two things when you buy. First, buy an adequate size automatic gas water heater — at least 30 gallons capacity, which gives you reserve for the future such as additions to your family or addition of hot water consuming appliances. Second, all top-quality corrosion-resistant tanks are guaranteed five years. Some, like Ruud Monel, are guaranteed 10 years. They cost a little more, but in the long run, cost only one-half as much as low-priced water heaters.

Only GAS

- heats water fast
- costs so little to run

A 30-gallon Gas water heater gives more hot water than an 80-gallon heater run by any other fuel. Yet, Gas water heaters cost less to buy, install and run.
