

District Legion Convention At Munday May 5

The 25 posts in the 13th district of the American Legion will hold their annual spring convention, called by District Commander C. F. Johnson of Burkburnett, at Munday, Sunday, May 5th.

Department Commander Herman G. Nami of San Antonio, who has five district conventions upon that date, has char-

Herman G. Nami

tered a plane and plans to attend them all. He is scheduled to fly from Marshall to Munday and to arrive before the convention closes Sunday afternoon.

The convention will start with a school for county service officers, which will start at 9:30 o'clock Sunday morning. The school will be conducted by Fred Brookman of Waco, one of the five department service officers maintained by the American Legion. Delegates and alternates will attend services at a Munday church at 11 o'clock Sunday morning.

Business sessions of the convention will start at 2:30 in the afternoon. Fourth Division Commander Howard Hudgins of Vernon is scheduled to be present. A delegate and alternate to the national American Legion convention to be held in San Francisco next October will be elected.

Under the dynamic leadership of district Commander Johnson, the 13th district has made great strides the past year. Last year's district membership was 2704 but to date the 1946 membership has soared to 5333, to practically double that of last year.

Commander of the host Post at Munday is Jack Mayes, who has prepared an outstanding program for the convention.

Kimbell Co. Buys Benjamin Elevator

Mrs. Bert W. Self of Crowell announced this week that she had sold the grain elevator at Benjamin to Kimbell Milling Company of Fort Worth.

The elevator was owned and operated for many years by the late Bert W. Self.

The Kimbell company operates over a wide area of this section of the state, and plan to operate the Benjamin elevator this coming season. The company owns and operates the Knox City Elevator, with Clarence Woodward as manager.

Mr. Woodward will also manage the Benjamin interests of the company.

Another transfer of elevator ownership transpired recently when the Farmers Co-Operative Association of Truscott purchased the Truscott elevator from Mrs. Self. The Co-Op, composed of wheat growers in the Truscott-Gilliland community, and headed by C. C. Browning, will operate the installation under the management of Lester Hickman, who has been manager of the plant for some time.

The sale of these two elevators will assure wheat growers in this trade territory a ready market for all small grains.

Pvt. Jack Simmons is home on a 90-day furlough with his parents, Mr. and Mrs. Joe Simmons. He has been a patient in the O'Rleigh General Hospital at Springfield, Mo., for the past two months.

Homecoming Day Sunday, June 2

The officers and executive committee of the Knox City Alumni Association held a called meeting Tuesday night to begin plans and preparations for the Sixth Annual Reunion to be held here Sunday, June 2nd, at the high school auditorium.

The alumni convention is the one big occasion that every parent and the entire family look forward to from year to year, as it brings families, relatives and friends together for the annual homecoming.

This year promises to be the biggest and best of all the meetings, and the association is looking forward to a large number of out-of-town ex-graduates and teachers with their families.

The association is making an early plea to every citizen to help out in making the occasion a success. Rooms and sleeping facilities will be needed to care for the overflow crowd expected.

Mrs. Mabel Pyeatt, president of the association, said, "Please do not wait for the housing committee to call on you to see if you have a spare room. Mrs. E. E. Teaff is chairman of the housing committee, so get in touch with her or any other member of her committee. We ask you to call immediately so we may know how many visitors we can find homes for."

"We are also asking parents to please let us know the address of your sons and daughters that have changed addresses this past year. Either call Mrs. Chad Wilson or give the address to the Herald office immediately, as we plan to notify each ex-graduate if it is possible to reach them."

Detailed plans of the meeting will appear in next week's paper, and a copy of the paper will be sent to all whose address is available by that time. Officers and committees for 1946 are as follows:

President—Mrs. Mabel Pyeatt. Vice-Pres.—Ansel Waldrup. Recording Secretary—Mrs. LeRoy Melton. Corresponding Sec'y — Mrs. Chad Wilson. Treas.—Mrs. Loyce Teague. Executive Committee — Mrs. E. R. Carpenter, Henry Jones, Mrs. Lee Smith, Pete Whitten, Roy Smith, Jesse Hitchcock.

Decorations Committee—Mrs. Eddie Carr, Mrs. Fuller Shannon, Mrs. Rufus White, Mayme Shaver, Mrs. Oliver King, Mrs. Jeff Graham, Mrs. R. B. Howell.

Table Arrangements — Mrs. Lee Smith, Mrs. Cleveland Hutchinson, Bill Clark, Mrs. Paul Fitzgerald.

Ice water, coffee, tea committee—Roy Smith, Loyce Teague, Olvis Hamm, Loyd Huntsman. Housing Committee — Mrs. E. E. Teaff, Mrs. Chad Wilson, Mrs. Myrtle White, Mrs. Roy Baker, Inez Logan, Mrs. Jack Wilson.

Social Committee — Henry Jones, Roy Smith, Vance Favor, Rufus McLain, Mrs. Dan Ezelle, Dr. T. P. Frizzell, Mrs. U. S. Nix, Mrs. M. M. Ward, Mrs. Jim Reeves, Earl Benedict, Mrs. Willie Shaw.

If your name appears on a committee, please respond.

Auction At School 'Play Night' Features Nylons, White Shirts

Heavens to Betsy! Nylon hose and white shirts! Right here in Knox City!

But wait a minute—there's a catch to it. They are going to be sold at auction next Thursday night at the school auditorium, where a "play night" is being sponsored by the school in an effort to raise funds for lighting and improving the local football field.

The auction will include a chance to bid on many scarce items besides nylons and white shirts. But if you want to go the limit, you can have nylons and white shirts.

Featured at the play night, will be a womanless wedding, with such characters as Harrell Stephens as the blushing bride, "Baby" O. W. Caussey, and "Nurse" T. E. Holcomb. That is only the beginning of the fun

Tom Stogner Puts Name On Ticket For Commissioner

T. A. (Tom) Stogner this week authorized the Herald to announce his candidacy for the office of Commissioner of Precinct 1, subject to the action of the Democratic primary.

Mr. Stogner needs no introduction to the voters of his precinct, having lived in the precinct for 30 years. He resided in the Sunset community for 26 years and at Knox City for four years.

Stogner has a full knowledge of operation and maintenance of all road equipment, having worked for the county for six years under two county commissioners. He is personally familiar with all the roads in his precinct and knows the needs of the precinct as well as any person. He has also been employed by the Texas Highway Dept. and knows how roads should be built and maintained.

"Your vote and influence is earnestly solicited," Mr. Stogner said, "and if elected to this office I promise to give my time, knowledge and efforts toward making you a good commissioner, and working with the commissioners court for the good of my precinct and county."

Harold Freeman Gets Promotion

PB Hdqtrs., Leghorn, Italy—Staff Sergeant Harold N. Freeman, son of Mr. and Mrs. William H. Freeman, Route 1, Knox City, Texas, has recently been promoted from Sergeant. He is a classification specialist for the Adjutant General's department, a unit of the Peninsular Base Section, the army service force in Italy.

A member of the army since June 14, 1944, Sgt. Freeman has served overseas in Italy for 12 months. He wears the Mediterranean Theater Ribbon, the Meritorious Merit Award Insignia, the American Theater Ribbon, the Good Conduct Medal, and the Victory Ribbon.

He attended Knox City high school and John Tarleton College prior to entering military service.

Land Ownership Survey Under Way

The Bureau of Agricultural Economics of Washington is making a nationwide land ownership survey. Many Knox County farmers will receive questionnaires regarding this survey, and it is hoped that each one receiving the blanks will return them.

County Agent R. O. Dunkle said that it is expected that the survey will greatly aid the program of establishing returning veterans on farms. It will be of great interest to Texas, if a large number of the questionnaires are properly filled out, as each state is anxious for the largest number returned to prove their co-operation with the Veterans Administration.

If your name appears on a committee, please respond.

KC Brown Bombers To Play Stamford

The Brown Bombers, an up and coming Knox City baseball team, lost their first game last Sunday at Stamford, after two straight wins so far this season. The Bombers, with Willie Hall as manager, lost to the Stamford club 6-3, after a well-played game.

Seeking revenge, the Bombers will take on the Stamford crew here Sunday afternoon. On the 12th, they play Hamlin here, taking on a club that has won most of their games so far.

The public is invited to see the games.

Saturday Pig Show At Munday Will Offer County's Best

The Munday Future Farmers will show over a hundred pigs and fifteen grown hogs here Saturday, May 4. Kenneth Baker, president of the chapter and superintendent of the show, says the boys have been building pens this week and are ready for the show.

Lester C. Burk, vocational agriculture teacher of Seymour, will judge the show. Mr. Burk's Future Farmers have fed and shown many good hogs in this part of the country, and they always bring back a lot of premium money from the regional shows, such as the Fort Worth Stock Show.

The show will be located on the south side of the square, in front of the city hall. All animals will be placed by 10 a. m., and will be judged beginning at 1 p. m.

The sows are all owned by the chapter and have been given to boys showing them on condition that each of them return a gilt weighing from two to three hundred pounds, to be given to another boy on the same condition. The boys who have sows now expect to show their fall litter at the Fat Stock Show next spring. All pigs at the show will be for sale.

The Junior Chamber of Commerce is sponsoring the show and putting up \$75.00 premium money.

Benjamin C of C Hears Water Report

Twenty-seven members of the Benjamin Chamber of Commerce were present at a regular meeting held in the District courtroom Tuesday night, April 23rd.

W. T. Ward, councilman, explained to the group that the possibilities for water were improving each day, and that the well had shown some sign of increasing its flow since it was first drilled. Mr. Ward also explained that the plans of the city council were to dig other wells in the near vicinity to determine as to whether or not an adequate source could be obtained at less distance from town.

O. D. Propps, owner of the land on which the well is located, said that a well higher up the slope that had been in use for over 30 years, was sufficiently strong enough to water over 100 head of cattle during the summer months, and that indications were that an abundance of water will be located farther down the slope.

There was no report given as to the usability of the water, since the council had not received a report from the sample sent the State Health Department.

The home demonstration club women held a box supper immediately following the meeting. Twenty boxes were sold and the proceeds from the sale amounted to \$42.00. Mrs. Jim Pults, chairman of the club, announced that the money is to be used for various activities connected with home demonstration work.

John Charles McFerrin and Bryson Laird, 4-H Club members, were auctioneers and at times the bids were coming in so fast that it was hard for the auctioneer to keep up with the price of the box being offered for sale.

Mr. and Mrs. J. J. Denton, Jr., moved back to Knox City last week, after spending several months in Tyler.

Asks Re-Election

Congressman Ed Gossett will be a candidate for re-election to his present office, according to instructions from him this week.

Gossett is a member of several important committees on Capitol Hill, and has been in the limelight recently with a number of stirring addresses in the House.

He will make a formal announcement later, he said.

County Ag Council Ponders Over Food Conservation Plan

The Knox County Agricultural Council held its regular business meeting at Benjamin on April 25.

Emmett Partridge, chairman, explained the food and feed conservation program now under way. There was a group discussion relative to a county-wide program. After the discussion, it was decided that the best method of presenting an educational program would be through a movie film to be shown at the different service clubs in the county and to community meetings of farmers.

The council discussed many plans relative to the conservation of grain and livestock feed in the county, searching for some means of stopping the large waste of grain that could be used to feed starving people in other countries.

The council members were very favorably impressed with the feed-saving demonstration that was conducted by the Benjamin 4-H Club. Bryson Laird presented the demonstration to the council. Results of the experiment proved the value of mineral and alfalfa leaf meal in a pig feeding ration. To illustrate the demonstration, Bryson used miniature pens, miniature porcelain pigs, miniature self feeders, bringing out the point of feed conservation by use of mineral and alfalfa leaf meal (of which there is no shortage) in a pig feeding ration.

7-Point Cotton Plan Meeting Approval

The Seven-Step cotton program that is being urged in all cotton growing states and fostered by the Department of Agriculture, has been presented and well received by the service clubs of Knox County, according to County Agent Dunkle.

The purpose of this program is to provide the spinners with the staple and grade of cotton that is required to meet the competition of the synthetic fiber industry, and to insure the cotton growing states a market for their most valuable cash crop.

The problem of short staple and inferior grades of cotton have piled up until there is a national carry-over of approximately 11 million bales, which has a very limited use. The market for short staple cotton will be less than during the war, especially since Japan, ordinarily a large user of low grade staple, will not be in the market for cotton.

Mrs. Roy Carnes of Lubbock spent the weekend here with her parents, Mr. and Mrs. J. J. Denton.

W. E. Bryant Rites Held At O'Brien

William Ebb Bryant, 75, a resident of Haskell County for the past 40 years, died at his home in O'Brien, Monday, April 29th, following a lengthy illness.

Funeral rites were held in O'Brien Tuesday, at the First Methodist Church with Rev. Alton Forbis, pastor of the church, in charge. He was assisted by Rev. S. E. Stevenson of Goree, Rev. C. C. Beatty of O'Brien, and Rev. Conrad Ryan, of Plains, Texas.

Burial was in the O'Brien cemetery.

Mr. Bryant was born on September 3, 1870 in Cass County, Texas. He was married to Lydia Goode on December 17, 1891, and to them were born eight children, four of whom preceded him in death.

He was converted at the age of 20, and joined the Methodist Church.

He had lived in Haskell County since 1906.

Survivors are his widow, Mrs. Lydia Bryant; three sons, M. J. of Big Spring, A. C., of Electra, and W. A. Bryant of O'Brien; one daughter, Mrs. A. B. Myatt of Abernathy; eight grandchildren, and one great-grandchild.

Active pallbearers were Oran Covey, Dwight Gothard, Burley Beason, Ford Waldrup, Charlie Reed, and Culbert Beason.

Honorary pallbearers named were Ted Johnston, Dick Johnston, Edgar Stanfield, Jim Hawkins, Frank Barnard, Charlie Banner, Ansel Waldrup, Bee Hendrix, Clyde Williams, Clifton Duncan, Milton Rowan, John Grindstaff, Roy Carver, Dan Puckett.

Those in charge of flowers were Jackie Barnard, Catherine Covey, Mary Sue Reed, LaVerne Hewitt, Iris Hughes, Edrie Gothard, Margaret Waldrup, Daisy Belle Shelley, Rose Marie Banner, Vendell Reed.

Funeral arrangements were handled by E. Q. Warren.

Elbert Barnett Now Tech. 5th Grade

PB Hdqtrs., Leghorn, Italy—Technician Fifth Grade Elbert T. Barnett, husband of Mrs. Lydia M. Barnett, Sweetwater, Texas, and son of Mr. and Mrs. Elbert A. Barnett, Knox City, Texas, has recently been promoted from private. He is a clerk-typist in the Adjutant General's department, a unit of the Peninsular Base Section, the army service force in Italy.

A member of the army since May, 1945, Corp. Barnett has served overseas in Italy for 15 months.

A graduate of Knox City high school, he was a projectionist for a Sweetwater theater prior to entering military service.

Buddy Angle Withdraws

Buddy Angle, a candidate for the office of County Commissioner, Precinct No. 1, announced this morning that he had withdrawn from the race.

"In fairness to my friends, I feel it my duty to withdraw from the race at this time, since I am going to be out of the county for the next few months. I appreciate what has been done in my behalf, and thank all of you," he said, in making the withdrawal announcement.

No Longer Need You Worry Over Burial Costs!

Our burial policy means just what the name indicates—it takes care of the expense of the funeral service, burial, etc., instead of leaving the burden to your survivors.

We have designed our policies to protect you, and we are licensed by the State of Texas, operating under the supervision of the State Department of Insurance.

One of our representatives will be glad to give you the facts as to cost, the type of complete funeral service, arrangements, etc. You will be under no obligations to take a policy.

BENJAMIN HD CLUB QUILTS AT MEETING
The Benjamin home demonstration club met in the home of Mrs. Carl Patterson, April 26. The club members tacked a quilt for Mrs. Patterson. The quilt was completed.
There were five members present, Mmes. Earl Sams, Jim Pults, Carl Patterson, Merick McGaughey, and E. A. Darwin.
A report was given on the box supper, showing it a huge success with \$43.46 taken in. The club wishes to thank everyone for helping.
The club is to meet at the assembly room May 10, with Mrs. Doyle Pyeatt giving a book review.
Club members wishing to buy pineapple, see Mrs. Earl Sams before Friday, May 3.

DOGHOUSE
Bobby Joe was sure unhappy Saturday night because Dortha Faye was sick.
Ken, how come you wanted to go to Benjamin so badly Saturday night?
Paul, how come Roxana to move away Sunday evening in the show?
Verne, how are you and the little seventh grader coming along? Has she winked at you any more?

Senior News
We, like all the rest of high school, are ready for school to be out. We have had a lot of fun this year, and I think that I can say that nearly everyone in this class had his best year this year.
We are all expecting to have a lot of fun this next year. For the ones that plan to go to school there will be a lot of work ahead of them.
We are very happy to have Willie Marie back in school this week. We also had two other girls out this past week because of illness, but we are glad to have them back. Here's hoping that you that have been out can catch up before school is out, and I am sure you can.

Freshman News
The Freshman girls who play baseball went to Rule Monday. We played a good game, even though we did get beat.
It's only two more weeks until final examinations and do we dread them???? We hope to go on a picnic to Lueders before school is out. Whether we will or not is undecided.

Junior News
The Juniors have really been working on all their notebooks and classics and everything else. We'll be so glad when school is out, and that "Happy Day" will be May 18th. We envy the Seniors because they don't have to come back next year.

HEALTH LETTER
With the incidence of measles more than sixty percent higher than the seven year median, Dr. Geo. W. Cox, State Health Officer, has issued a statement concerning the use of gamma globulin for protecting very young or frail children from an attack of this perennial childhood disease and its often serious complications.

"If you have a child less than five years old who has been exposed to measles, your family doctor may recommend giving him gamma globulin," Dr. Cox advised. "Through city, county or state health departments, doctors can obtain gamma globulin free to be used as they think advisable. Infants and children, whose health makes it inadvisable for them to suffer an attack of measles, may postpone the disease if gamma globulin is administered within eight days from the time of exposure."

The State Health Officer emphasized the fact that gamma globulin cannot give a child permanent protection against measles and added that the protection is ordinarily of about three weeks duration. However, there is no limit to the number of times it can be used, and a baby who is protected by it now can be protected by it again in June or July. Gamma globulin can go on shielding him against measles until he is old enough and strong enough to stand an attack without serious consequences.

Study Club Adds Four Members

The Knox City Study Club met Thursday afternoon, April 25, at 4 o'clock, in the home of Mrs. T. S. Edwards.

Mrs. B. B. Campbell had prepared a "Quiz on Texas." Many interesting facts were revealed in the questions and answers concerning Texas' many resources, places of interest, outstanding people, geographical conditions, etc.

Mrs. T. S. Edwards gave us interesting ways in which our club is an asset to the community. Mrs. Edwards also discussed socialized medicine and the Wagner-Murray-Dingle bill which is being discussed at present. The club instructed the corresponding secretary to write our congressman and voice its disapproval of the bill.

Four new members were voted into the club. They were Mrs. Janie Almanrode, Mrs. Elmer Wall, Mrs. Lynwood Hughes, and Mrs. O. B. Cave.

The next meeting of the club will be at 3 o'clock on Saturday afternoon, May 11, in the home of Mrs. B. M. Farmer.

This will be the last club meeting of the year. Mrs. E. Q. Warren will have charge of a musical tea. Officers for the coming year will be installed.

GLEN DUNKLE WINS PLACE IN CONTEST

Glen Dunkle of Benjamin, son of Mr. and Mrs. R. O. Dunkle, who is attending Wichita Falls high school, tied for third place with Ralph Wooster of Goose Creek, in a state folklore and natural history essay contest, which was held at Austin, Friday and Saturday of last week.

The awards were presented to the winners at a banquet, which was held in their honor, by Dr. Turnbough of the Texas Historical Society.

Let us take care of your magazine renewals at no extra cost to you. Also new subscriptions. Ross' News Stand.

Benjamin News

Mrs. J. B. Moorhouse of Benjamin, was in Munday, Thursday of last week, on business.

Mrs. R. O. Dunkle was in Wichita Falls Wednesday of this week.

Mrs. Francis Baker, vocational home economics teacher of Munday, was a guest in the home of Mr. and Mrs. J. B. Moorhouse and Sue, of Benjamin, on Sunday.

Miss Lucille King, ex-county home demonstration agent, now home agent of Graham, Young County, visited with friends at Benjamin the past weekend.

Miss Grace Bisbee left Monday of this week to be with her brother, Leroy Bisbee, who is now in a hospital at Dallas. Leroy has been in the hospital for several days, but reports say he is much improved.

W. C. Taylor of Truscott was in Benjamin on business Monday of this week.

Orb Coffman of Goree was in Benjamin on business Monday of this week.

Gwynn Hickman of Truscott was a business visitor in Benjamin Monday.

Tommy Glover of Seymour, district attorney, was in Benjamin early this week on business.

Coy Smith of Abilene visited in the home of his sister, Mr. and Mrs. Howard Barnett of Benjamin on Friday and Saturday of the past week.

Mr. and Mrs. Von Ray Terry were in Munday Thursday of last week on business.

Mr. and Mrs. Howard Barnett and children visited with relatives in Rochester Sunday of this week.

Brock Club Hears Book Review

The Brock Home demonstration Club met Thursday afternoon, April 25th, in the home of Mrs. Elwood Hackney. Seven members and three visitors were present.

For the opening exercise, Miss Nettie Mae Langley recited the club pledge. All members who had attended the THDA district meeting at Seymour, gave a short talk on the things that they enjoyed most at the meeting.

Mrs. Elmer Wall, Jr., gave a very interesting review of the book, "The Green Years," by A. J. Cronin.

Refreshments of ice cream and cookies were served to the following members and visitors: Mrs. John Henderson, Mrs. W. C. Langley, Miss Nettie Mae Langley, Mrs. J. O. Warren, Mrs. Elwood Hackney, Mrs. Elmer Wall, Jr., Mrs. J. B. Ferguson, Mrs. O. T. McElroy, Mrs. O. B. McElroy, Jr., and Mrs. Frank McAuley, Jr.

The next club meeting will be May 9, in the home of Mrs. J. O. Warren. The program will be "Cotton Bags." Each club member will answer roll call by showing something they have made from a cotton bag. All members are urged to attend this meeting, and all ladies who live in the Brock or Grace community are invited.

Bill Faubion, who is employed by the C. C. Smith Drilling Co. of Lubbock, was home with his wife and daughter over the weekend. He has been working in Lovington, New Mexico, for the past three months, but the crew will soon be settled in Ft. Stockton, where Mrs. Faubion and Billie O will join him as soon as school is out.

New Electric Irons at White Auto Store.

Dr. and Mrs. T. S. Edwards will attend the State Medical Association meeting in Galveston next week.

Lt. and Mrs. Keneth T. Edwards left Monday for Brownwood after a weeks visit with his parents, Dr. and Mrs. T. S. Edwards. Lt. Edwards is on terminal leave from the armed forces.

J. W. Smith, Mrs. J. A. Wilson, Roy Smith, and W. E. Smith of Rochester, attended the funeral of Mrs. G. P. Gibner in Spearman last week. Dr. and Mrs. Gibner will be remembered here by many old timers, as Dr. T. S. Edwards bought his practice here.

Save Time for Other Important Work with a Modern Perfection Oil Stove

Here's a cook stove that fits the times—a time-saver and a money-saver. Its High-Power Burners give intense cooking heat the minute you light it, are adjustable for any heat desired, and stop instantly when turned off—no waiting, no wasted fuel. And it uses the modern plentiful fuel. The roomy cooking top of this compact 3-burner model will hold a washboiler, pressure cooker or portable oven. Be thrifty, with a modern Perfection—famous for long life. See also the larger models.

MODEL TAILOR

REGULAR Enjoys Ancient Mode of Travel

"A far cry from the 'Sidewalks of New York,' says this soldier, as he and his pretty companion make the most of slow travel accommodations in Antigua, Leeward Islands.

Stay On Your Side and Live

Out on the highway there is a painted line. It is the line that separates life from death; happiness from despair; safe driving from dangerous driving. It is the line that goes down the center of the highway. Stay on your side and live. Thousands annually cross over that line and meet death or serious injury. Statistics show that passing another automobile out on the highway is one of the most dangerous things a person does.

Traffic volume is already well above prewar peaks in Texas, tire and car shortages notwithstanding. It will soar further upward as new cars go on the road. Authorities predict the nation's 1946 death toll from motor accidents will pass 38,000 unless motorists can be persuaded to assume more cautious driving habits. At the predicted death rate, only seven years will be required for motor vehicle accidents to kill as many Americans as were killed in World War II from Pearl Harbor through V-J Day.

It will be impossible to remove defective cars from our highways overnight as it will be to rebuild all highways overnight to conform to the most advanced safety standards. It is up to the driver in 1946 to overcome the defect in his car and in the highway, in addition to reducing the number of accidents attributable to the driver himself.

While enjoying the beautiful Texas landscapes adjacent to our highways, may each driver keep alert for those yellow signs which warn him of danger. May he stay on the right side of the center stripe and never attempt to pass another vehicle when the dashed line is on his side.

Safety is one of the battles of peace. It will be fought by every person who gets under a steering wheel. His weapons are caution and never-ending practice of a few simple safe driving rules. How well he uses these weapons will determine which is the more fatal: the battles of war or the battles of peace.

When they jerked a fellow out of a wrecked car the other day, he said that except for his marriage, that was the worst fix he had ever been in.

We've never seen a woman's hat that was a perfect fit, but we've seen a lot that were convulsions.

We've always wanted enough money to buy an elephant. Not that we want an elephant, we just want that much money.

LEGAL NOTICE

Penal Code—
Art. 695. Whoever shall leave the carcass of any animal which died in the actual possession of such person, on any public road or highway or within 550 yards of such public road shall be fined not less than five nor more than one hundred dollars.
Art. 696. No person shall use or maintain any dumping ground or dump trash, refuse, debris or permit the same to remain nearer than three hundred yards of any public highway of the State of Texas.

Any violation of this act shall subject the offender to a fine of not less than ten dollars nor more than two hundred dollars.

BEAUFORD JESTER TO OPEN CAMPAIGN MAY 4
The 1946 Texas political campaign season is set for the kickoff Saturday night, May 4th, when Beauford Jester opens his campaign for Democratic gubernatorial nomination in Corsicana where his hometown friends are planning a court house lawn rally.
Mr. Jester, a member of the Texas Railroad Commission, has been provided with a statewide radio network over which to tell the people of Texas about his "People's Path" upon which

he asks promotion to highest elective office broadcast will begin p. m., over Texas work and several stations.
Jane Moss spent the in Haskell with her father, A. L. O'Ferrall and Mrs. M. L. Blain.

PLUG IN I'M REDDY!

© REDDY KILOWATT

Yes, there's Electricity in your Electric outlets READY to go to work for you the instant you "plug-in" or flip a switch.

A wonderful thing—this Electricity! You don't have to go out of the house to buy it, or even phone to have it delivered. It's just there—being delivered constantly in whatever quantity you need.

Electricity is made fresh every second and there's plenty on tap all the time.

And as for price—that's been coming down steadily through the years. What more, it has stayed low, while practically all other living costs went up with war.

You can depend on Reddy Kilowatt delivering all the low-priced Electricity you'll ever need for all post-war appliances and the service will be kept friendly.

West Texas Utilities Company

Rollin' 'em faster on the Santa Fe

Santa Fe
Santa Fe serves the Southwest with two main lines.
The northern route runs across the plains of Kansas, southeastern Colorado, and goes over the mountains at Raton Pass.
The southern route leans south in eastern Kansas, runs through Oklahoma, the Texas Panhandle (where it is joined by other Santa Fe lines serving Texas), crosses central New Mexico, and joins the northern route again near Albuquerque.
Along these main lines Santa Fe has increased its yard facilities, straightened out curves and lengthened sidings to handle more freight trains.
Centralized Traffic Control systems have been installed, virtually adding another "main line" to important parts of the Santa Fe.
A great new double-track steel bridge across the Colorado River removes the "bottleneck" created by the old single track bridge it replaces.
80 giant 5400-horsepower Diesel locomotives—the most powerful freight Diesels in the world—are pulling heavy freights over our steepest mountain grades.
These increased facilities on the Santa Fe are ready to "roll 'em faster" for shippers even more efficiently than before.

IT PAYS!

You bet it pays to get the real IH parts for your tractor. You can't beat them. They are made in the same plants, by the same men who build them for the original tractors. They will fit and wear and give the same long satisfaction as the originals. So why take a chance on substitutes? Give us a list of the parts you need and we'll get them ready for you.
