Jobless Enlisting in Reforestation Service Army

Herewith is pictured the launching of the recruiting drive to enlist 250,000 unemployed for President Roosevelt's Reforestation Service plan. The enlistments are for 6 months duration for jobless between the ages of 18 and 25 years. They receive \$1 per day and the applications are passed upon by relief committees in the respective territories. One provision is that those given jobs shall assign at least three-fourths of their pay to dependents. Enlistments are made at army enlistment quarters following which those accepted are sent to army camps for conditioning after which they receive assignments by the Department of Labor. Photo No. 1 shows jobless making applications. No. 2 shows meals being served recruits from rolling army kitchens and No. 3 shows recruits off for conditioning camps.

FIRE DESTROYS HOME OF MR. AND MRS. SID LILES

The home of Mr. and Mrs. Sid Liles, in the west part of town, was almost totally destroyed by fire Monday morning about ten o'clock. The origin of the fire is unknown, and the house was in flames when Mrs. Liles discovered it. The flames spread so rapidly that it was impossible to save any of the contents of the house, and the family was left with only the clothes they were wearing.

Splendid work was done by the Knox City Fire department, but the fire had gained so much headway before they were able to save much of the house.

No insurance was carried, it is said, and the community sympathizes with the Liles family in their loss.

ATTEND MEDICAL MEET

Doctors T. S. Edwards and T. P. Frizzell Jr., attended a meeting of the Tri-County Medical society at Seymour last week. Dr. Edwards read a paper on appendicitis. Dr. Frizzell was elected a delegate to the State Medical meet in May.

Mr. and Mrs. Frimer and family visited relatives and friends in Knox City last week.

PROF. O. B. KING ELECTED SUPERINTENDENT SCHOOLS

Prof. O. B. King of Fort Worth has been elected by the Knox City school board as superintendent of the local schools for the next term, following resignation of Prof. J. W. Cloud, present superintendent. T. B. Dean was re-elected principal of the school. Other teachers have not been named as yet.

Prof. King comes highly recommended both as a school man and public spirited citizen, and the school board considers itself fortunate in securing his services. He has held many responsible positions and ranks high in his profession.

The new superintendent and Mrs. King will move to Knox City in the next few months to make their home.

GETS BIG FISH

Nick Shaver returned last Saturday from Lake Worth, at Fort Worth, with a 26-pound fish which he caught in the lake. The fish was alive when he arrived here with it, and was dressed in Knox City. B. F. Phillips accompanied Mr. Shaver on the fishing trip.

Mrs. L. W. Graham was ill in the hospital this week.

ASHCROFT ELECTED TO HEAD GROUP

J. M. Ashcroft was elected president of the Knox City Chamber of Commerce, T. E. Robbins, vice-president; and S. M. Clonts, secretary at the organization's annual banquet and election of officers held last Thursday evening at the Methodist church. A large crowd attended in spite of the disagreeable weather.

Roy Smith served as toastmaster, and short talks were made by O. L. Jamison, T. P. Frizzell, E. O. Jamison, C. C. Hoge, of Knox City and the following out-of-town visitors: O. B. King of Fort Worth, who has been elected superintendent of Knox City schools for the next session; Mr. Newsom, state fire inspector; and Charlie Hammock, a former resident of Knox City. Readings were given by Gerald Avriett, Misses Edwards and Constance Browning.

Members of the Knox City Fire department were honor guests, and Fire Chief Henry Arledge gave an expression of appreciation for the group.

The Knox City orchestra furnished music for the occasion, and Little Miss Ellena Faye White sang a special number accompanied by the orchestra.

Women of the Methodist W. M. S. served the banquet, which received compliments on every hand for its excellence.

Value of the chamber of commerce was seen when speakers pointed out some of the projects which have been accomplished by this organization during past years. Next meeting of the group will be held Tuesday noon, April 25, it was decided.

INSTALL LATEST TYPE ELECTRIC GAS PUMPS AT ASHCROFT CHEVROLET

The very latest and most efficient type of electric gasoline pumps are being installed this week at the Ashcroft Chevrolet company here, and they will dispense the Conoco line of gas and oils in the future.

Mr. Ashcroft is inviting the public to come see the new equipment in an ad in this issue of The Herald.

MAKING IT SAFER

The Citizens State bank is having steel and concrete reinforcement placed around its safe in the bank vault this week. The safe will be securely built into the vault with steel and concrete, making it impossible to remove it.

BARN BURNS

The barn belonging to Mr. Hill, living north of town was totally destroyed by fire early Tuesday morning. Feed and contents were swept by the flames.

Speedboat Queen

Loretta Turnbull of Long Beach, Calif., champion woman speedboat driver of the United States celebrated her coronation as "Queen of Speedboats" by driving another winning race in launching the 1933 season.

THREE MEN AND WOMAN BEING HELD

Three men and a woman, believed to be robbers of The Citizens State Bank of Knox City on the morning of March 30, are being held by officers, it was announced this week.

A man and woman were arrested last Saturday morning in Fort Worth by the city police department, and two men were arrested in San Antonio Monday by Texas Rangers.

According to report made by chief of detectives of San Antonio, one of the men has made a statement in regard to the robbery.

City Marshall G. T. Hardberger, and Sheriff Elliott have been working diligently on the case and were instrumental in securing the arrest of the alleged burglars. Nightwatchman Finley, who was held by the robbers at the point of a gun while the theft was being committed, also assisted in the case.

Mr. and Mrs. D. C. Littlepage and daughters, Kelly Anne and Betty Mae Backus, of Wichita Falls, and L. C. Littlepage of Dallas spent the week with Mr. and Mrs. C. C. Hoge and family.

Mrs. R. L. Clinton and Mrs. R. D. Williams and families visited their father here, E. L. Park, over the week end.

Miss Gladys Buckholt's mother, Mrs. Julia Buckholt, of Wichita Falls, visited here this week.

Mrs. C. R. Elliott of Benjamin was a guest of the hospital Wednesday.

T. B. Dean attended the district meet which met in Abilene last week end.

J. Alton Wilson who is attending school at Tech, Lubbock, spent the week end with his parents, Mr. and Mrs. J. A. Wilson.

HOSPITAL NOTES

Those in the hospital this week include Charles Britton of Munday; Misses Barnard of Rochester, Doris Walker of Munday, Mrs. John Dow of Rochester, Mrs. M. S. Billingsley of Munday, Mrs. Walter Robinson of Knox City, Mr. Graham of Throckmorton.

Buck McInan of League Estate was in the hospital for a minor operation Monday. Mrs. Youst was in the hospital for treatment Tuesday. Mrs. John Malouf of Rotan was in the hospital last week. G. Parrott of Throckmorton was in the hospital last week. W. R. Fant of Throckmorton was in the hospital Wednesday.

Those dismissed are Mrs. Billingsley of Vera, Tuesday; Mrs. Berryhill and little daughter, Wednesday; Jack Trawick of Truscott, Wednesday.

SINGERS TO MEET HERE

The Knox County Singing convention will meet at the Baptist church in Knox City Sunday afternoon at 2:30 o'clock, it has been announced.

Some fine singing is anticipated, and everyone is invited to attend. If you enjoy good singing and like to meet with your friends from over the county, be there Sunday.

BOY SCOUT MEMBERSHIP DRIVE IS STARTED HERE

There will be a call meeting of the Boy Scouts Friday night at 7:30 at the Methodist church. We urge that all the boys between ages of 12 and 21 be present. The ones who are members of the Scouts and the ones who wish to join.

Boys, please tell your friends about this and let every one come you can. We especially urge the parents to attend this meeting and they are always welcome to our meetings.

CASEY JONES, Scoutmaster

METHODIST CHURCH NOTES

I am glad to hear of the fine program that was rendered last Sunday morning at our church. We are hoping that everyone who possibly can, will be in their place at church school next Sunday. Our chapter for study will be the 18th chapter of Matthew. There are many fine lessons in this chapter. Let us read it and be prepared for a good, lively discussion. Come prepared for the preaching service. I am glad to be back home after a week of hard work. Let us all come and worship together.

Jim H. Sharp

ATTEND FUNERAL

Mr. and Mrs. Holt Moseley attended the funeral of Mrs. O. F. Priest at Spur last Friday. Mr. Priest is a cousin to Mr. Moseley.

FIRE IN GRAIN ELEVATOR

Fire was discovered about noon Sunday in the local grain elevator, but the efficient work of the fire department extinguished it before much damage was done. and enjoyed by all.

The editor of the Herald and wife enjoy the hospitality of Mr. and Mrs. Vernon Bridges' home Tuesday evening when we partook of a delicious supper there. Others enjoying the occasion were Mr. and Mrs. John Smith and Mr. and Mrs. Lee Smith.

A FASHION NOTE FROM THE BIBLE

We read a report in a New York paper of a convention of beauty shop people a few weeks ago. According to this report the most interesting things in the exhibits were removable lips, demountable eyelashes, devices to change the shape of the nose, apparatus to hold the ears back, artificial eye sparkle and lit the pictures for background decoration.

We began to wonder how women could be so foolish as to think that such artificialities make them attractive to men. But before we had got to the point of raising a outcry against this degenerate modern age we happened to think that we had read something of the sort before.

We looked it up and found it, written more than two thousand years ago by a prophet named Isaiah.

"The daughter of Zion are haughty, and walk with stretched forth necks and wanton eyes, walking and mincing as they go and making a tinkling with their feet. In that day the Lord will take away the bravery of their tinkling ornaments about their feet, and their circlets, and their round tires like the moon, the chains and the bracelets and the mufflers, the bonnets and the ornaments of the legs, and the headbands, and the tablets, and the earrings, the ring and nose jewels, the changeable suits of apparel, and the mantles, and the wimples, and the rousing pins, the glasses and the fine linen, and the hoods and the veils."

Perhaps it wouldn't be any use for us to try to talk the girls out of their finery. Apparently Isaiah's threats didn't change feminine nature, which seems to be about the same now as it was in Old Testament days. But we have an idea that the girls of Isaiah's time, like those of today, didn't put on their 'sweeds' so much to make themselves interesting to men as to make other women envious. That, however, is a mere man's point of view.

THANKS, FRIENDS

Words fail to express our appreciation for the many kindnesses and help given us in the loss of our home and other belongings. You have certainly been kind to us and we shall never forget it.

WOMEN; watch your BOWELS

What should women do to keep their bowels moving freely? A doctor should know the answer. That is why pure Syrup Pepsin is so good for women. It just suits their delicate organism. It is the prescription of an old family doctor who has treated thousands of women patients, and who made a special study of bowel troubles.

It is fine for children, too. They love its taste. Let them have it every time their tongues are coated or their skin is sallow. Dr. Caldwell's Syrup Pepsin is made from fresh laxative herbs, pure pepsin and other harmless ingredients.

When you've a sick headache, can't eat, are bilious or sluggish; and at the times when you are most apt to be constipated, take a little of this famous prescription (all drug stores keep it ready in big bottles), and you'll know why Dr. Caldwell's Syrup Pepsin is the favorite laxative of over a million women!

DON'T LOSE YOUR GRIP, YOUNG FELLOW!

No matter what the passing "business conditions" may be, there's one fact that we can't get around, and that is that America is a great business nation—always was and always will be.

Other nations are famous for other things—Switzerland for scenery and tourists, Norway and Sweden for fish, South Africa for mines and cattle. Of course America has all of these, but America's great central activity and Young America's great opportunity is business.

Today's unusual business conditions are rapidly passing. The world of business will move forward. Every day thousands of young people are drafted into the great business system, taking modest positions at first perhaps but rising as swiftly as their talents permit.

Any young man or woman who says, "There's no chance in business today," is worse than foolish. Such weak-kneed ones are whipped before they start.

There is probably more opportunity today than at any time in the past three years.

Some young people, when they finish high school or grade school, are going to loaf around home and talk about hard times.

Others are going to write to some good, well-managed school—we have in mind Tyler Commercial College and School of Business Administration at Tyler, Texas—get a catalog and begin planning a career. We recommend that T. C. C. catalog—it's a beauty.

Some are going up to business success; others are going down. Ev-

ery boy and girl must determine his course for himself. (Adv.)

CARD OF THANKS

We take this means of expressing our appreciation to the many friends and neighbors who were so kind and thoughtful of us during the sickness and death of our niece and cousin, Bettie Joe Dozier.

And especially do we wish to thank Dr. Emory, Dr. Edwards and Dr. Frizzell. Also the faithful nurse, Mrs. Floyd. Also Mr. and Mrs. L. B. Hammock, Mrs. Herring, Mrs. G. D. McCarty, Mr. and Mrs. Beasley, Mrs. Clark, Mr. Griffith and all others who so generously ministered to the sick in the F. C. Dozier family.

LOST 40 POUNDS ON DOCTOR'S ADVICE

"I'm a user of Kruschen Salts as a reducing remedy and can't say they are fine. Have lost more than 40 lbs. in the past year. Am gradually reducing as my doctor advises." Miss Bertha Waldo, Haman, N. Dak. (Oct. 20, '32).

Once a day take Kruschen Salts—one half teaspoonful in a glass of hot water first thing every morning. Besides losing ugly fat SAFELY you'll gain in health and physical attractiveness—constipation, gas and acidity will cease to bother—you'll feel younger—more active—full of ambition—clear skin—sparkling eyes.

A jar that lasts 4 weeks costs but a trifle at any drugstore in the world—but demand and get Kruschen and if one bottle doesn't joyfully please you—money back. (Adv.)

BETTIE JOE DOZIER

After an extended illness of several months followed by pneumonia, little Bettie Joe Dozier, age 4 years, 11 months and 25 days, passed away at the home of her parents, Mr. and Mrs. F. C. Dozier, in this city, Tuesday, April 4, at 7:10 p. m. Besides her parents, she is survived by a sister, Elizabeth, 11, and a brother, Jack, 7.

Her death at such tender age and possessing as she did, such a bright

mind and winsome character, seems tragic indeed to her loved ones and her friends. And though with finite minds, we cannot solve to our satisfaction the mystery of death and separation from those so dear to us, we can by faith in, and obedience to the Omnipotent Wisdom, be reconciled to its fate, and say with the Apostle Paul that we know here only in part and can see only as through smoked glasses but over there face to face. Sorrow is but the tempering of the human soul. To have ever known grief would leave our lives incomplete and without any fullness of fruition with the Master who was a man of sorrows and acquainted with grief.

Little Bettie Joe had a wonderful christian experience for a child of her age and her last words on earth were of such striking perception and convincing beauty as to bring conviction to the strongest heart of a wayward and careless person.

The funeral was conducted at the Baptist church by Rev. C. B. Stovall who spoke many healing and consoling words to the bereaved ones and lovingly directed them to the trust and care of Him Who is the resurrection and the life. Special and appropriate songs were sung

by the Rev. Stovall and Messrs. Press Hittcho Hamm and Horace Flaum. The Odd Fellow cemetery in this city.

ORIENT DRUG STORE

Here's an itemized gas bill...

This family's bill of \$7.06 for a month's natural gas service lists 9,600 cubic feet, used from March 3 to April 3, which included considerable heating weather. If these purchases (for family of four) for cooking, house heating and water heating could be itemized, this is about the way they would look:

- \$1.20 to cook 72 meals (had guests five times, with extra good dinners).
- .26 extra bakings (cakes, cookies and gingerbread).
- .30 for bathroom heater for average of two hours per day.
- 1.25 hot water for 75 dish washings, for laundry, shampoos and incidentals.
- 3.53 for three room heaters (running living room heater too high on several occasions, keeping room at 76 degrees).

.30 hot water for 60 bathings.

- .02 hot water for 28 dish washings.
- .11 high flames (unnecessary) on range burners.
- .09 small leak in dining room heater connection, man discovered it, wall cock was changed, weight one, the leak almost always don't

Do you know of any other spots that works for such low wages of natural gas?

Benefits of Interscholastic Meets
Interscholastic meets are beneficial to the student, school and community. Interscholastic work is beneficial to the student because the mingling and mixing with other students causes the student to grasp ideas and principles. The meets encourage sportsmanship and cooperation for they also teach the students to be good losers as well as good winners. They create ambition to make literary attempts in later life. "Meets" prepare the student for the competition he must encounter in later life. Such events as declamation, debate and extemporaneous speaking abolish stage fright and add to the alertness of one's mind. Extemporaneous speaking acquaints the student to current events of the time. Interscholastic meets encourage scholarship since the rules contain statements to that effect. The league is so arranged that all types of students can interest themselves. For the "roudy" students the track meet is held. This causes the development of muscles and the body which will enable the student to carry out many desires in later life. In short, interscholastic meets train students in such fields as later life necessitates. Interscholastic meets, if properly carried on encourage school loyalty and are, therefore, beneficial to the school. The meets make a better, stronger citizen of the student, hereby benefitting the community at large.

NEGRO MINSTREL POSTPONED
Due to conflicting dates with the senior play at Sunset, the negro minstrel has been postponed. The minstrel will be given Friday, April 28. Be sure to come! You are assured an evening of hearty laughter.

MR. MARK LECTURES
Mr. Mark of Hollywood visited high school Friday and gave an interesting lecture. He dwelt long upon the advantages of living in a small town and upon education. He issued a warning concerning Hollywood. The lecture was well worth the hour's time devoted to it.

TEACHERS GIVEN LUNCHEON
At 12 o'clock on Thursday, April 25, the teachers were given a luncheon in the home Economics room by the second year cooking class. The place cards and mint cups made by the girls helped to carry out the color scheme of yellow and green. Besides the members of the faculty, Mrs. T. P. Frizzell Jr., Mrs. J. W. Cloud, Mrs. T. S. Edwards and Mr. Bryan were served. The menu planned by the class consisted of: Fruit cocktail, chicken a la king in patties, buttered new potatoes, green beans, congealed pineapple parrot salad, rolls, olives, peach sherbet, gold cake, iced tea, mints. The luncheon was sponsored by the Parent Teacher association.

SEVENTH GRADE EASTER PARTY
Rufe Seale Waldrip gave the seventh grade an Easter party at his home Saturday afternoon. Mr. and Mrs. E. W. Holland took the class

out on their truck. Games were played while the eggs were being hidden, then the big hunt began. Claudia Sue Moseley found the egg on which was written "I am the luck guy." For this she received a chocolate roster as a prize. Refreshments of ice cream cones and bananas were served to the seventh grade class. Mr. and Mrs. E. W. Holland and Price, Mrs. Rogers and Sue Anne, Mr. and Mrs. Otis Cash, Mrs. Annie Freeman, Mrs. Ford Waldrip and Margaret Anne, Mrs. Waldrip and Miss V. Waldrip. All report a wonderful time.

Ray Ameen entered the seventh grade this week. He came with an honor certificate from the Corpus Christi public schools. We are glad to welcome such a pupil into our class.

The sixth and seventh grades are enjoying a few new story books just now. These books are in great demand since they are the first new books that have been added to our library this year.

The seventh grade enjoyed a pleasant outing Saturday evening when George Hodges took them out to his home west of town for a winter roast. The class built a big campfire in the pasture where they cooked and ate their supper consisting of weiners, bread, pickles, marshmallows and bananas.

After the feast was over the group formed a circle about the campfire and played many interesting games. Everyone was so interested that each thought Mrs. Cash was joking when she called them to get on the truck to come home. The class was accompanied by Mrs. Rogers, Mr. and Mrs. E. W. MELLOWED A HUNDRED MILLION YEARS

While Nature created frightfulness in PENNSYLVANIA

UP from the buried sands of the Devonian Age, formed millions of years before even these frightful monsters lived, comes the Bradford-Allegany crude oil of the Pennsylvania District—the crude which Sinclair refines into Sinclair Pennsylvania Motor Oil. Bradford-Allegany crude is Pennsylvania's costliest crude. The extra price which Sinclair must pay for every barrel of Bradford-Allegany crude results from its remarkable lubricating quality—a quality which was established by the perfect oil-forming conditions in the Devonian Age, enhanced by a hundred million years of filtering and mellowing. Ask to have your oil changed to Sinclair Pennsylvania—the year-round Pennsylvania grade motor oil, de-waxed and freed from petroleum jelly at as low as 60° F. below zero.

THE KENNEL

(Continued from page 3)
Mrs. Hodges and Mr. and Mrs. Cass

The sixth grade went to Union Grove Saturday, April 15, on a picnic. We got there about 9:30 o'clock. When we got there we went down to the creek and set our lines to catch some fish. Lincoln Bolin was the champion in catching fish. Dorothy Dutton was the only girl that caught a fish. At about 11:30 we were called to hunt easter eggs. Doye Walker was the champion in finding the most eggs. After hunting the eggs we were called to lunch, which we all enjoyed very much. We arrived home at 12:15 o'clock.

WINNING ESSAY

The following essay, written by Yvonne Jamison, won first place in the Knox County meet this year. It has been entered in the Aulick District meet but the returns have not been heard yet.

Our Neighbor's Radio

Our nearest neighbor, who lives in the apartment across the hall, has recently bought a new radio. And since it is the first one that the family has ever owned, it is always kept on as loudly as possible—or it seems that way to me. The worst part is that last month we traded ours in on a new stove, so we can't furnish competition!

Last night I had some extra school

work to get up, so I carried my books and other needed materials into the living room with the rest of the family. Our living room is opposite that of our neighbors where their radio is kept, and I had hardly settled down into the depths of concentration on an algebra problem when the confusion began.

The "big brother" in our neighbor's family came home bringing a group of friends with him. They all made for the radio at once, turning the sound control to the loudest point and then moving the dial around and around obtaining the worst kind of screeching singing bits of music, and eventually at once that one is used to getting on the radio. That, of course, sent all thoughts of algebra flying and when almost had the new hardest problem under control.

Mother had just rocked the baby to sleep, but not for long. Its sweet babish dreams were disturbed in an instant, and it awoke with terrible fits of crying as most babies do in such cases. My little dog, Dina, began to bark, and mother rocked the baby more violently. With the static of the radio, mother's singing to the

baby and fussing with daddy, and Dina's barking, could be heard the loud squeaking of the rockers. Finally, when we could stand it no longer, daddy went to the telephone and rang our neighbor's apartment. "Will you turn that radio off or get a good program that we might enjoy?"

His words served the purpose for a time, but such a short time. I had begun studying history when a "hot orchestra" program began across the hall. Luckily the baby was in the back bedroom asleep, and Dina, too, was out of hearing distance.

Poor daddy was all out of humor and as the music and singing waxed

louder on that radio, he became "nervous as a cat," sprang from his chair, and snatched his newspaper, and announced, "Put on your coats and we will go to a movie. I'll look for a new apartment. The landlord will do something about that radio."

O boy, that was the last that could ever happen! I had my wraps and away we went. I had never thought of favoring me any such way so bad after all. And I, the "hero of my dreams" as the landlord will do something about that radio.

How to get to SLEEP

When you can't sleep, it's because your nerves won't let you. Don't waste time "counting sheep." Don't lose half your nervous rest in reading. Take two tablets of Bayer Aspirin, drink a glass of water—and go to sleep.

This simple remedy is all that's needed to insure a night's rest. It's all you need to relieve a headache during the day—or to dispose of other pains. Get the genuine tablets of Bayer manufacture and you will get immediate relief.

Bayer Aspirin dissolves almost immediately—gets to work without delay. This desirable speed is not dangerous; it does not depress the heart. Just be sure you get the genuine tablets stamped thus:
