

Knox County Herald

KNOX COUNTY HERALD FRIDAY OCTOBER 10, 1930

NUMBER 15

IN OVER WEEK BEST IN YEARS

Business Give Their Opinions

Rains in Knox City from Friday through Monday of this week were the best in the last seven years. The total rainfall amounted to six inches. It fell slowly, sinking directly into the ground.

When questioned as to the rains, business men give their opinions. Henry says it is worth lots to to count the rain just what everybody thinks it must then be. O. K.

Miss Clarke, when asked what she thought about the rain, replied, "Everything is all wet." We may agree with her, for at the time of this writing early Tuesday morning everything is still all wet. Herring says that it was the heaviest since 1923.

Denton says it is the finest rain since 1923. The damage and loss to the present crops are \$50,000.

Robbins says the total rain was five and six inches and was the best in this country. It helped present conditions and has given a splendid opportunity for sowing grain for fall pasturing.

Jamison estimated the rain was five and one eighth inches. Asked what he thought about immediately, without thought, "It's hot stuff." After a minute's thought on the subject, however, Jamison says it was a comical shower and that it would be the moral of the citizens to agree with him on this.

Houston, farmer of Knox City, says the rain was exactly right, in other words.

Clarke says that it was as could be, just the thing we

had continued our questionings about the rain we doubtless have been given the same answer by other citizens.

First day of the rain, Friday morning, we heard Sam Clonts say two weeks of the rain as was falling would certainly be fine weather, however, we wonder really feels that he needed as three weeks of it.

Two days before the splendid rain, Hardberger was heard to say he was worried about his farm, but that it would be no good because of the lack of sufficient moisture. His worries are now over, and to believe that a rain better than that which fell weekend, it came just slow and lapped up by old moth and go to the depth of every

LECT OFFICERS

First Christian Church Sunday School officers for the Sunday school elected for the ensuing year were as follows:

President, J. E. Clarke
Vice President, W. V. Favors
Treasurer, Miss Lessie Bolin
Mrs. Mary Reeder

Secretary to know that this year are the same as that the nominating committee had decided that the old officers and each accepted his or

White took suddenly ill

Texas A & M Farm and Home Plan

PRESERVATION OF LAND AS CAPITAL STOCK

Protect the cultivated fields from soil erosion by terracing. Use the poorer and waste lands for pasture. Increase the carrying capacity of pasture lands by planting pasture grasses and legumes.

The doubling of the carrying capacity is equivalent to doubling the acreage. Use cropping systems and other practical means of increasing the productivity of the soil.

USE OF ADAPTED CROPS AND LIVESTOCK

Plant sufficient acreage to small grain and legumes for fall and winter grazing. Provide cultivated crops for spring and summer grazing. Plant a sufficient acreage to grain and feed and legumes best suited to the section so as to have an ample supply of feed in case the growing is unfavorable, or a surplus in case of favorable conditions. Market surplus feed through livestock.

BALANCE THE FARM BUSINESS

Distributes labor and income throughout the year.

EMPLOYING LOW-COST METHODS

Use the most practical means of lowering unit cost of production. Use opportunities to weed out less profitable livestock and replace with better individuals. Plant the best seed obtainable. Reduce the boll weevil and other harmful insects by destroying winter hibernations.

Conserve feed by using it wisely and protecting stored grain from rats and weevils.

LIVING AT HOME

Make the home beautiful both inside and outside. Provide fall and early spring gardens. Make new plantings of fruits. Can, preserve, and dry sufficient fruits and vegetables for home use. Keep sufficient poultry to supply the family with eggs and meat and have a surplus for sale. Keep one or more milk cows to supply the family with milk and butter. If there is a market, have a surplus for sale. Keep a few hogs for home use and some for sale.

PRODUCTION OF QUALITY PRODUCTS

Quality products presented in attractive form bring the best returns.

MARKETING PRODUCTS OF QUALITY BASIS

Utilize the most efficient marketing facilities that recognize grade.

Keep informed on and consider regional and world information on agricultural resources, economic conditions and changes, price trends, and outlook information in general to the end that you may be in the best position in your own locality to shape your business along sound lines.

Consult and use your County Home Demonstration Agent. They represent the A. and M. College of Texas and the U. S. Department of Agriculture.

This is a summary of a detailed article by Dr. Walton, "An Agriculture Policy for Texas."

J. E. Clarke and son Jack of Knox City and Reverend Caudle of Benjamin attended the Convention of the First Christian Church in Dallas last Friday. The convention was held for the purpose of getting the Texas branch of the aged pastors pension fund into use. Mr. Clarke says the meeting was one of the best he has ever attended. Every corner of Texas was represented at the meeting with a number of leaders of the Christian churches over other states present.

Mrs. Jim Stevenson and children spent the past week end in Abilene.

THE PHILCO BABY GRAND

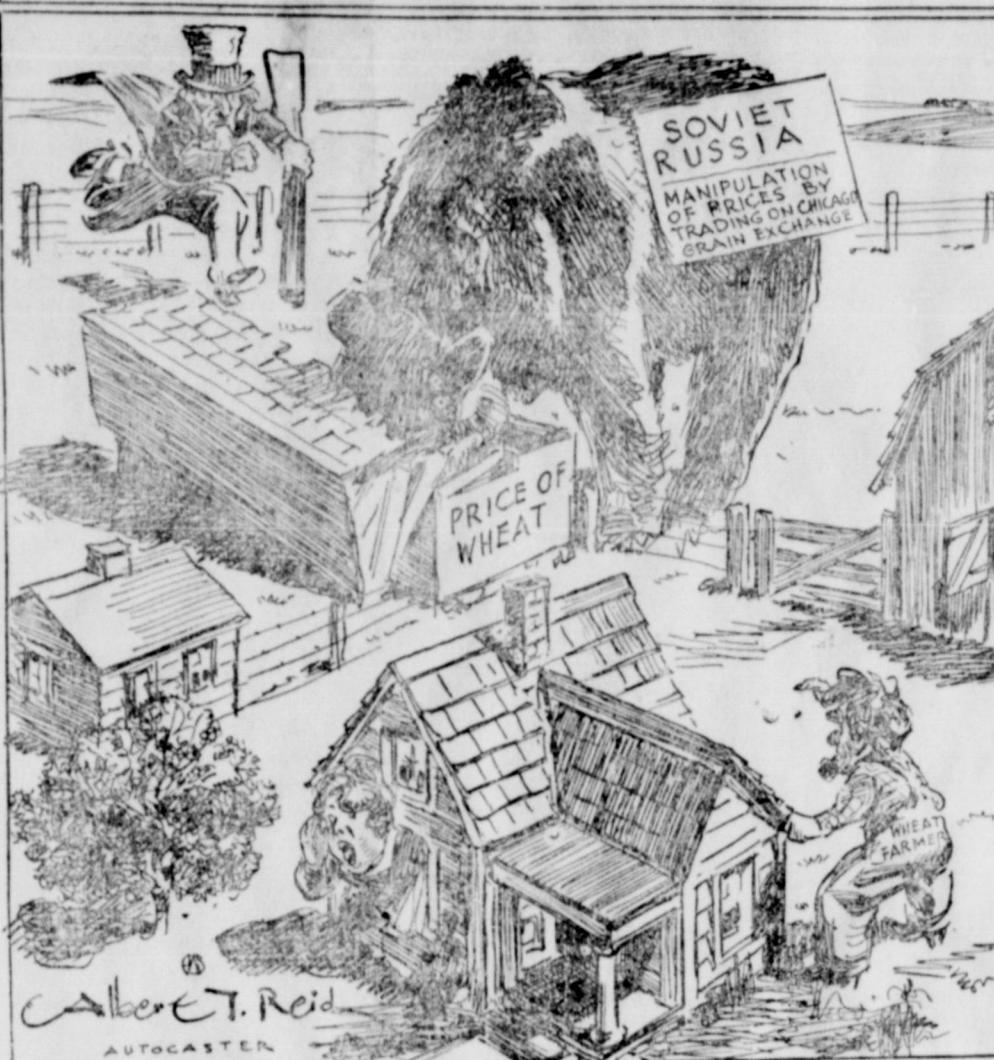

The first REAL fine-performing full-toned screen grid radio receiver offered at such a price. Handsome Gothic design; genuine walnut; 7 tubes (3 screen grid) genuine Electro-Dynamic speaker built in; double-tuned input circuit push-pull; all-electric; 16 inches wide; 17½ inches high. This attractive little cabinet encloses a big-performing and marvelously engineered receiver with a wealth of fine tone, selectively and power. Full-sized radio performance in small space.

PRICE LESS TUBES \$49.50

NOTICE TO EVERY LOYAL BAPTIST

Next Sunday, October the 12th is Church Loyalty day at the Baptist church. Every member is not only urged, but is also expected to be there. This is the day to show your loyalty to your church and the Christ who redeemed you. We are anxious that every member be present and take part in the services.

We have begun our new enrollment in Sunday School, and the contest is on. The department that makes the highest average this quarter, we will give a nice prize or award something that will be useful for your department and you will be glad that you had a part in helping to win.

We are counting on YOU "our fellow worker". If company comes bring them along. Prove your loyalty to your church by your presence next Sunday.

C. B. Stovall, pastor

NEW BABIES

New citizens in Knox City and territory reported to the Herald this week are a boy on September the 15 to the home of Mr. and Mrs. J. Veal of Benjamin, a boy on September the 20 in the home of Mr. and Mrs. G. L. Allen of O'Brien, a boy on September the 21 in the home of H. H. Williams of Benjamin, a girl on the 26th in the home of C. R. Robertson of O'Brien and a girl on the 29th in the home of Leroy Lowrey of Rochester.

THE FAMOUS" TO OPEN SATURDAY

Saturday a new dry goods store will open in Knox City. "The Famous," carrying a complete line of dry goods, clothing and shoes, will open under the management of E. Risch. Mr. Risch lives in Crowell where he owns another store.

Men were at work in the store Wednesday, making ready for opening Saturday.

EYES EXAMINED AND GLASSES FITTED

At Dr. Edwards' office on Tuesday, October the 14th by Dr. L. P. McCrary, who, besides being a regular licensed physician, has had fifteen years experience examining eyes, fitting glasses and doing other eye, ear, nose and throat work.

Joe Reeder spent Wednesday and Thursday in Altus Oklahoma.

Shampoo and set Friday and Saturday only 35 cents at Mrs. Curtis Wilcox.

Hospital Notes

STATE FAIR OPENS SATURDAY OCTOBER 11

Those in the hospital this week are J. J. Morgan of Rule, who is reported as doing fine, Mrs. Julian Madole of Truscott, Mrs. R. C. Elliott Benjamin, Mr. Joe Simmons of Knox City, Mrs. E. E. Chamberlain of Munday, H. L. Matheney of Rochester, Mrs. Ike Simpson of Rule, Mr. Davenport of Goree and Baby McLain of Knox City. Baby McLain and parents have only recently moved to Knox City.

Mr. J. M. Bell returned to his home in Rochester Tuesday. Mrs. Sweat returned home the first of the week. She lives in Munday. Mr. S. H. Bonham went home Wednesday. Johnnie H. French of Rule returned home Wednesday. He is the boy who fell from a car and injured his head. He is doing fine. Miss Myrtle Grady returned to her home in Rochester Tuesday. J. L. Draper went home Tuesday. He lives in Munday.

Mrs. G. B. Reed of Knox City was in the hospital one day this week for treatment.

WEST TEXAS UTILITIES PLANNING LARGE BUILDING PROGRAM

Abilene, Texas, October 9. An unusually large program of construction work has been planned by the West Texas Utilities Company during the past week, according to an announcement from the general office of the company here. The building program will include extensions and improvements on existing lines, improvement of substation equipment and distribution systems and considerable activity in oilfield development.

A new distribution system will be built at Texline, while at Lela, San Antonio, Knox City, Albany, Dalhart, and Dumas, extensions and improvements will be carried forward. At Memphis, an extension will be made to furnish power to the Memphis Cotton Oil Company.

Extensions planned for San Angelo will be lines to serve the Montgomery Dairy and equipment to furnish electric service to the new Mountain View residential addition. A 2300 volt primary line will be installed to connect new commercial and residential customers in North San Angelo.

At Santa Anna, new single phase lines will be built to serve additional customers, and at Vernon, Ballinger, Rankin, and Shamrock, lines will be extended in order to connect new customers and improve service to present users. At Carey, an extension will be made to supply power to the Jones Gin.

Substations at Big Lake, Robert

Continued Page 2 Column 3

In the poultry department, which has also been divided this year, rabbits, pigeons, bantam chicks, pet stock, and 4-H Club poultry will be shown during the first week and the main poultry show will open on Saturday, October 18.

A total of ninety per cent of the counties of Texas is represented in the Agriculture Building. This includes 52 county exhibits, the East Texas Chamber of Commerce regional exhibit representing 75 counties and the Panhandle Plains exhibit and others.

"We are ready for the opening," Mr. Jackson has announced. "Our stadium is ready, our new dairy building has been completed, amusements are already on the grounds, concessionaries are ready to open, and we are ready for the people of Texas to visit our 'Show Window of Texas,' and see the progress made in Texas during the past year."

WALLS SALE BEGINS FRIDAY

Wall's sale begins Friday, October the 10 instead of Saturday October the 10th. As a matter of fact, Saturday will be the 11th and his sale begins on the 10th. We suggest you read his circular and visit his sale.

Mr. Wall got his dates and days mixed when he read the proof.

Mr. and Mrs. Carl Howard were in Knox City this week attending to having the remainder of their household articles moved to the plains where they will be another year. They state that they left Truscott early Monday morning and arrived in Knox City at six that evening. Sounds like it rained.

Many Building Improvements

Orsburn Building New Stucco

During this and the past two weeks there have been many improvements made in business houses and residences in Knox City.

Last week the Kenny-Campbell and Wiltbank building, next to the Herring Shoe Shop, was completed. It is a new brick.

The old brick building owned by Kenny and Wiltbank located in Main street, where Bryant-Link used to be, is being remodeled this week. It has an entire new front, a new floor and new roof. It is now in excellent condition.

Kenny and Wiltbank have recently had two residence repaired and remodeled. The first house East of the West Texas Utilities is one that has been remodeled and also the McMurray house, owned by Kenny and Wiltbank, in east Knox City. It is a six room house. After completing the work the owners sold to Mr. Thompson of Munday who is now living in the house.

Kenny and Wiltbank are putting a three room car shed back of their office. Work began about the middle of the week.

PICTURE SHOW BEING REMODELED

Lee Smith is remodeling the front of his picture show. The booth is being enlarged and made fire proof. Lee was doing this work himself and says the place will be considerably more up to date.

J. T. Orsburn has his old residence, west of S. M. Clonts' home torn down and is erecting a new stucco. H. G. Potter is doing the work. The new house will be a five room Stucco with all conveniences in built-in features. Work began Tuesday afternoon.

COUNTY COUNCIL P-T-A TO MEET IN BENJAMIN

Program

Knox County Council of P-T-A Benjamin, Texas Tuesday October 14 2 P. M.

Roll Call

Special music, Benjamin

Objectives of our P-T-A for this year Munday

How we expect to finance our P-T-A Mrs. Melton, Benjamin

Have the P-T-A's benefited the Rural School, Mrs. P'Poole.

How the larger Associations can help the smaller ones, Mrs. Jake Cure Gilliland.

Home Demonstration work, Miss Nelson.

Trained Parenthood, Mrs. Edwards, Knox City.

Business, Mrs. Oran Driver, President

LUNCHEON CLUB

Tuesday the Business Mens luncheon club met at twelve thirty at the Club Cafe. An oyster lunch was enjoyed by the twenty seven members present.

A lively interesting discussion of questions at issue were engaged in following the luncheon and the meet adjourned with Mr. Frizzell and Mr. McCarty as next luncheon committee.

MICKIE SAYS—

STATEMENT OF OWNERSHIP

Required by act of congress of August 24th, 1912, of the Knox County Herald, published weekly at Knox City for October 1st, 1930.

State of Texas,
County of Knox, SS

Before me a Notary in and for the State and County aforesaid, personally appeared H. B. Sweeney, who having been duly sworn according to law, deposes and says that he is the publisher of the Knox County Herald and that the following to the best of his knowledge and belief, is a true statement of above publication for the date shown in the above caption, required by act of August 24, 1912.

That the name and address of the publisher, editor, managing editor and business manager is:

H. B. Sweeney, Publisher, Knox City

Texas.

Mrs. H. B. Sweeney, Editor, Knox City, Texas.

First the known bond holders mortgages and other security holders are none.

H. B. Sweeney, Publisher.

Swear to and subscribed before me this 2nd day of October 1930.

Harry Wiltbanks, Notary Public my commission expires June 1931.

Mrs. Sam White and Mother White spent the past week in Stephenville.

Get your shampoo and se Friday or Saturday for 35 cents at Mrs. Curtis Wilcox.

For sale or trade:

Nice team of mules and harness.

J. H. McLain

WEST TEXAS UTILITIES IMPROVEMENTS

Lee, Bronte and Mertzon will be improved through the addition of new automatic switching equipment.

Indicating considerable activity in oilfield development, new lines have been built into the South Vernon, Pecos County, McCamey and Albany fields. The Grayback Development Company and the Waggoner Company in the South Vernon territories have required additional service for pumping and drilling. A substation will be built to serve the Waggoner Company's refining operations. In Pecos County, the Mazda Savoy Oil Company will be given additional service for the pumping of two wells, and a three phase line will be strung to furnish power to the Shell Pipe Line Company. The West Texas Petroleum Company in the McCamey field will be served by a secondary line, furnishing power for the drilling and pumping of two wells. At Albany, a 4000 volt primary line will be built to serve pumping demands within the city limits.

City and municipal improvements planned include the installation of new street lighting units at Quanah ad Memphis.

At Dumas, 5050 feet of two inch gas main will be laid, furnishing improved fuel service to the city. Water meters have been purchased at Dumas and their installation will mark the completion of the re-building project carried out on the Dumas water system. Thirty four new water customers have been connected through the addition of 2950 feet of two inch water mains at Stratford.

According to a statement from the West Texas Utilities Company Construction Department, work on the outlined program is already under construction, or is scheduled to go forward immediately.

Mrs. A. B. Reese went to Abilene Wednesday to see her daughter, Alice, who is attending Simmons.

Styles Changed For Motor Tags

Austin, Texas, Aug. 28. (UP).—Texas motorists will carry neat black plates on their automobiles next year with white letters and numbers.

There are two noticeable changes in the "tags" for 1931. They will not be marked "front" and "read" like the present tags. A front and rear tag are required, but they are made just the same, making a saving to the state of \$7,000.

Another change has been made which is expected to make the numbers more easily read. As the Texas numbers now run into the million it has been decided to use letters for hundred thousands.

A tag that would read 142,101 under the old system will be A-2101. The highway department claims it is easier to read and remember that way. It will be a memory-breaker, however, for many motorists who have been arranging to get the same number each year. Many motorists did so by making arrangements with the county clerk. They left him a check for the license fee. When the number they wished was reached, the clerk would set it aside for them. This year all numbers will be different.

The old practice of retaining low numbers for "administration" has been continued. State Highway Engineer Gib Gilchrist insists that motor cops will be just as diligent to catch a speeder with an "administration" number as with any other number—that it confers no privileges. There will be 300 of these.

The others are assigned to counties. Anderson County will be assigned numbers from 301 to 5506; Bexar County is the first to get a combination letter and number tags. They get tags from 5-1301 to A1-3300. Dallas

County is assigned the most numbers. They will be from E7-5901 to F5-9900. Tarrant County cars will bear tags from L3-4901 to L8-5900.

Commercial vehicle tags will have numbers only.

KONJOLA ONLY MEDICINE THAT DID ANY GOOD

Victim of Rheumatism No Longer Needs Crutches See What Modern Medicine Did For Him

MR. A. J. HARRYMAN

"Since last March I was on crutches and had rheumatism so badly that for three months I could not close my hands," said Mr. A. J. Harryman, 4109 Avenue Q, Galveston. My knees were so weak that they gave way when I stood. My ankles and feet were so sore that I could not walk ten feet. My kidneys were so weak that night-risings were frequent.

"Of all the medicines I tried, Konjola was the only one to do me any good. I have taken four bottles and I no longer have to use crutches. I can now open and close my hands and walk without pain. My kidneys are so much better that night-risings are no longer necessary. I endorse Konjola because it is the only medicine that brought results."

It is such records as this that have made Konjola the most talked of medicine in America. Try Konjola today.

Konjola is sold in Knox City, at the Orient Drug Store, and by all the best druggists in all towns throughout this entire section.

Haskell County Fair Good Will Tour will arrive in Knox City Friday at 1:45 and leave at 2:15.

Mrs. J. J. O'Brien has returned to Knox City from Dallas and is able to be up.

S. O. Nations and family left Sunday for Missouri where they will be gone two weeks.

DR. CARL'S DISCOVERY STOPS GAS, CONSTIPATION

In his private practice, Dr. Carl Weschke first perfected the simple mixture now known as Adlerika. Unlike most remedies, Adlerika acts on BOTH upper and lower bowel and removes old poisons you would never believe were in your system. Stops GAS bloating in 10 minutes! Relieves chronic constipation in 2 hours! Let Adlerika give your stomach and bowels a REAL cleaning and see how you feel! It will surprise you! Orient Drug Store.

GIVING
A man met his lawyer, and one of these days I shall want to revise my will."

The lawyer nodded encouragingly.

"When you drew it," the man continued, "I hadn't accumulated much money. Naturally, I left everything to my wife. Now I am better off. I like to provide for relatives, the men who have helped me, my money, and contribute to charities. There's no hurry about course. In another ten years I'll be considerably richer. The amounts I can give now are in comparison with what I expect then."

The lawyer advised him to have the will rewritten that very day.

If you live ten years and you can revise the figures upward, he said, "But suppose something should happen to you tomorrow, you would die leaving a selfish will."

Two very rich men have died recently, leaving very small wills. The great business of both is already dwindling. Those who manage it were given no care, their hearts are not in work.

The other rich man, a banker, who paid small salaries but provided his young associates that they be "taken care of," left his entire fortune to a museum. By those who do not know the facts it was hailed as a great gift. It was no gift. Having every facility to get, get, get, simply could not give. He merely begged the issue by writing in the will that the money be given to a museum which he had never seen.

You say, "What has this to do with me? I am not a millionaire."

The fact is that you, an average American, have more money than you used to think you have. Are you giving any?

The muscles of the soul are the muscles of the body. If you "Someday in the future I'll take exercise," you find, when time comes, that you can't, the muscles have atrophied.

If you say, "Someday when more I will begin to give," you never give. The habit requires motivation.

We are asked to have newards in this country. Our devotion to worshipping wealth is past, no longer confers distinction. A millionaire is no more unique than a automobile, and not as uncommon as a horse.

The givers will be the heroes of the future. And the time will come when those who merely get held up to scorn. And their heads will hang their heads.

Let us demonstrate the new ley "Budgie" in your home, at only \$64.50, Ashcroft Ch

WEIGHTS AND MEASURES

Anybody who has been reading the report from the world's grain market lately must find himself puzzled by the different standards by which wheat is measured in different countries.

Our bushel of wheat, weighing 56 pounds, has to be translated when the wheat goes into the export trade. England measures wheat by the quarter. A quarter is 400 pounds; everybody has forgotten what is a quarter of, it may contain eight English bushels, or sometimes eight and a quarter. Germany deals in wheat by the quintal, but a quintal may be anywhere from 101.28 pounds, as in Argentina, 220.46 pounds, which is the metric quintal, one-tenth of the metric ton of 1,000 kilograms, equivalent to 2,204 pounds. France stocks closely to the metric weights but German grain merchants talk also in terms of sentners and double sentners, while in Scotland and Ireland the wey of 41.28 bushels is the standard wheat measurement, the quarter being theoretically one-quarter of that.

Russia, whose activity in the wheat market has revived interest in these world-wide variations in measurements of wheat deals in poods. A pood is 36.113 pounds, and like everything else Russian, it seems to have no relation to any standards known outside. But whether wheat is measured in tons, quarters, poods or bushels, makes little difference to the grower who must sell it at a loss.

Leighton Huntsman, Loyd and Gleen Fox spent Sunday in Crowell.

ROMANTIC APPEAL IS HIGH-LIGHT OF "ALL QUIET ON THE WESTERN FRONT"

"All Quiet On The Western Front" the Universal picturization of Erich Maria Remarque's masterpiece is primarily the story of youth—the youth of all nations—in war. Even in the midst of war, youth does not forget romance. So in the masterpiece of Remarque, there is romance. It is one of the great passages of the book, and Universal has put the book on the screen exactly as the author wrote it. There is not a scene in the picture which is not in the book.

Readers of the book—and there have been ten million of them—will recall the canal-swimming incident, when the schoolboy soldier swam across to the laughing girls on the other side for a midnight rendezvous, and Paul Baumer, the hero, believes himself actually in love.

This sequence in the picture has been filmed by Universal with all the care and effort which went into the making of the other sequences in this super production. The scenes were made at Venice, Calif. A canal half a mile in length, 40 feet wide and 15 feet in depth, crossed by a stone bridge patrolled by sentries and surrounded with typical French cottages and a village settlement, was built. This portion of the picture, which shows the lighter side of war, is declared to be one of the most delightful romantic interludes ever seen on the screen.

"All Quiet On The Western Front" which comes to the Roxy Theatre Monday, October 15 and 16 numbers in its cast a remarkable array of players. Louis Wolheim, Lewis Ayres and John Wray head the featured players, among whom also are Raymond Griffith, George "Slim" Summerville, William Bakewell, Walter Browne Rogers, Russell Gleason Scott Kolk, Ben Alexander and Owen Davis, Jr.

In the romantic canal swimming scenes the French girls are portrayed by Yoh D'Avril, Renee Damonde, and Poupee Androit.

I FIRMLY BELIEVE IT SAVED MY LIFE, SAYS WICHITA WOMAN

"My Entire Family Takes Argotane and Think It Is Just Fine. It Speaks For Itself," Says Mother.

"I firmly believe Argotane saved my life," said Mrs. R. H. McNeill, of 1405 Burnett, Wichita Falls, Texas wife of a well known carpenter here.

"My entire family takes Argotane and thinks it is just fine, it speaks for itself," she continues.

"I have been sick off and on for ten years, with gall bladder and indigestion troubles. At times, I would have such severe intense pains in my back and sides I could hardly move, it would hurt me so. I was bilious and very dizzy, and had a soreness in my stomach all of the time. I had frequent headaches, and was very nervous and had a bad case of constipation. Everytime I ate anything, gas would form on my stomach, until I could hardly breathe. I was getting worse every day, and needed something to build me up."

"Argotane was advertised and so I began taking it. I don't have gas pains, or that tired feeling at all now since taking Argotane I haven't had a symptom of gall bladder trouble. My kidneys are in normal condition, and I don't have any more bilious or dizzy spells. My six children who are home take Argotane everyday, and we feel we can't speak enough for it, for it has helped us so. I'll praise Argotane as long as I live, and I know that if anyone will give Argotane a trial, it will speak for itself."

Genuine Argotane may be bought in Knox City at the Orient Drug Store.

We understand that the Baptist preacher, Reverend Stovall, has been considerably questioned this week about being Baptist Minister here and a Methodist minister in Munday. Not only has he been seized with such things but the writer as well. The absence of that one little word "the" caused it all, too.

Readers of the Herald noticed this error in the article of the death of Houston Sweat in the paper last week. That article was contributed by a friend of the Sweat family and the writer failed to know the name of the Methodist minister in Munday. He left a blank space for his name and since he did not know the name the Reverend, which was to precede this name, was left out; thus making it all, too.

White Leehorns Carried Rocks

Rhode Island Reds

ing the sentence read as though Brother Stovall was acting as both Baptist and Methodist preacher.

Although Brother Stovall used Claude's going to Abilene to school as an excuse for buying himself a new pair of shoes we will have to defend him here. The error was made in the Herald office and not in the preacher.

Speaking of jokes, we have a good one on Brother Stovall. Almost as good as the eskimo's relation to Mr. Robbins.

Robbins and Jamison get it told to themselves about their cold bloodedness but we will all have to hand it to them for keeping in operation two of the best banks in the state.

As we read from time to time of this and other banks going under citizens are heard to say that there is no fear for our banks.

And these men, Robbins and Jamison, are appreciated by the citizens of Knox City.

Tuesday morning Gordon Acker started work on grading the highway through Knox City. By ten A. M. he had the sand, gravel and water thoroughly stirred up and pedestrans had almost to sink or swim however, by afternoon he had the street in pretty good condition. The old cuts were setting thoroughly filled and making the surface smooth again.

Mrs. W. E. Holland's baby, Price is reported ill this week.

J. M. Edwards Self Serv Store

Cold weather is motor-punishing weather... Now, more than ever, you need the extra protection of this DE-WAXED, EASY-STARTING OIL

In cold weather motors usually are hard to start, but Conoco Germ-Processed oil actually makes starting easier!

There are two good reasons for this.

First: Germ-Processed oil is thoroughly de-waxed and does not congeal at low temperatures. Second: Germ-Processed oil does not drain away during periods of motor idleness.

The initial "turning over" process is made easier by the protective lubricating film which is on duty before you touch the starter. The usual 40% to 60% of motor wear occurring during the starting period is greatly reduced. Conoco Germ-Processed Motor Oil gives you

safe starting—and quick starting, even at zero temperatures.

Change now to this new oil. Use it all winter for motor safety and economy. You always will find Germ-Processed Motor Oil at stations bearing the Conoco Red Triangle.

Makes Life Sweeter

Next time a coated tongue, feathery breath, or acrid skin gives evidence of sour stomach—try Phillips Milk of Magnesia!

Get acquainted with this perfect antiseptic that helps the system keep sound and sweet. That every stomach needs at times. Take it whenever a hearty meal brings any discomfort.

Phillips Milk of Magnesia has won medical endorsement. And convinced millions of men and women they didn't have "indigestion." Don't diet, and don't suffer; just remember Phillips. Pleasant to take, and always effective.

The name Phillips is important; it identifies the genuine product. "Milk of Magnesia" has been the U. S. registered trade mark of the Charles H. Phillips Chemical Co. and its predecessor Charles H. Phillips since 1875.

MOTHER LEAVES CHILDREN AND FACES DEATH

SAYS FAREWELL HARD, BUT RECOVERY EASY DUE TO CRAZY WATER

In May, 1929, I was critically ill with Rheumatism; in fact, I was an invalid and had to be helped around. My husband decided to bring me to Mineral Wells as, it looks as if there was no hope for me if I remained at home. But I had no confidence in Mineral Wells; in fact, I did not believe that anything or any place would relieve my suffering. You can imagine how I felt when I told my children "Good-Bye," when I did not expect to see them again.

I arrived in Mineral Wells on May 10th, last year and in one week of the Crazy Water Treatment, I was able to walk and thirty days from the time I arrived I was well again, only a little weak.

I heartily recommend to everyone suffering from diseases caused by faulty elimination that they spend a few days rest at the Crazy Water Hotel in Mineral Wells, Texas, the home of Crazy Water.

Mrs. F. M. Hillard,
Adv. Tulsa, Texas.

Miss Margaret Denton came home Monday from Lorenzo. She and Carl Howard were two days making the trip. Margaret says they came from Guthrie Monday, taking the full day, the roads being as bad as she has ever seen them.

Mrs. Henry Jones and children spent the week end in Snyder.

If you have any of the following symptoms, I have the remedy no matter what your trouble has been diagnosed. Nervousness, stomach trouble, loss of weight, loss of sleep, sore mouth, pains in the back and shoulders, peculiar swelling in the head, frothy like phlegm in throat, passing mucus from the bowels, especially after taking purgative, burning feet, brown, rough or yellow skin, burning or itching skin, rash on the hands, face and arms resembling sunburn, habitual constipation, (sometimes alternating with diarrhea) copper or metallic taste, skin sensitive to sunheat, forgetfulness, despondency and thoughts that you might lose your mind, gums a fiery red and falling away from the teeth, general weakness with loss of energy. If you have these symptoms and have taken all kinds of medicine and still sick, I especially want you to write for my booklet.

Mrs. J. B. Massey of Odessa, Texas, Box 112, whose picture appears here writes: I wish to thank you very much for restoring my health from one of the most dreadful, miserable diseases that anyone can have. I was in bad health for several years, under care of Doctors for three years. I do not think I could have lived much longer. I am in better health today than for several years; weigh more than I ever did in my life. Believe I am rid of an awful disease that the other Doctors failed to cure. OUR FREE DIAGNOSIS AND LITERATURE WRITE: W. C. ROUNTREE, M.D.

"WOULDN'T YOU LIKE TO KNOW?"

By John Godfrey Saxe

I know a girl with teeth or pearl,
And shoulders white as snow;

She lives—ah, well,

Wouldn't you like to know?

Her sunny hair is wonderous fair
And wavy in its flow;

Who made it less,

One little tress?

Wouldn't you like to know?

Her eyes are blue-celestial hue!

And dazzling in their glow;

On whom do they beam

With melting gleam?

Wouldn't you like to know?

Her fingers are like lillies fair

When lillies fairest grow;

Whose hands do they press

With fond caress?

Wouldn't you like to know?

Her foot is small and has a fall

Like snowflakes on the snow;

And where she goes

Beneath the rose—

Wouldn't you like to know?

She has a name, the sweetest name
That language can bestow.

T would break the spell

If I should tell, but—

Wouldn't you like to know?

Mrs. T. S. Edwards and family and
Misses Mable Clonts and Clara
Clarke spent the past week end in
Wichita Falls.

Mr. and Mrs. Zac Hammock and
children were guests of relatives in
Wichita Falls over the week end.

Mrs. M. A. Reeder and daughter,
Mary, Miss Alta Cassie, Miss Hazel
Potter and Miss Reese spent Saturday
night in Wichita Falls.

WHAT DR. CALDWELL
LEARNED IN 47
YEARS PRACTICE

A physician watched the results of constipation for 47 years, and believed that no matter how careful people are of their health, diet and exercise, constipation will occur from time to time. Of most importance, then, is how to treat it when it comes. Dr. Caldwell always was in favor of getting as close to nature as possible, hence his remedy for constipation, known as Dr. Caldwell's Syrup Papain. It is a mild vegetable compound. It can not harm the system and is not habit forming. Syrup Papain is pleasant tasting, and youngsters love it.

Dr. Caldwell does not approve of drastic physics and cures. He did not believe they were good for anybody's system. In a practice of 47 years he never saw any result for their use when Syrup Papain would not get the bowels just as promptly.

Do not let a day go by without a bowel movement. Do not sit and hope, but go to the nearest druggist and get one of the generous bottles of Dr. Caldwell's Syrup Papain or write "Syrup Papain," Dept. BB, Monticello, Illinois.

For free trial bottle.

Charles Hamilton of Benjamin
has a new Chevrolet Coach which
he bought at Ashcroft's.

Tom Newman of Abilene bought
a new Chevrolet Roadster Deliver
from Ashcroft last week.

Mrs. Tom Bolin and Tommy Lou
spent the week end in Sweetwater
with relatives.

Miss Elsie Dunwood of Wichita
Falls was the guest of Miss Mozelle
Stubbs last week.

Mr. and Mrs. Wilmer Ward of
Sweetwater spent the week end here
with Mr. and Mrs. M. M. Ward.

Cameron Biffle and family moved
recently to Knox City from Child-
ress.

For Friday and Saturday only a
champagne and set for 35 cents at
Mrs. Curtis Wilcox.

H. A. Patterson of Vera has a
new Chevrolet Club Sedan which he
bought at Ashcrofts.

Mrs. W. E. Benedict and Mrs. D.
W. Davis spent Thursday of last
week in Wichita Falls.

Reverend and Mrs. Scoggins of
Roby were visiting in Knox City Wed-
nesday.

Get your Atwater Kent or Crosley

J. H. Darnell entertained the mem-
bers of the Baptist Missionary Uni-

FRIENDS
The world is filled with pleasure
And things both good and kind;
But when I scan its measures,
This simple fact I find:
No joy that living lends
Is equal to the pleasure
Of simply being friends.
