

O'Brien Happenings

By CHARLENE BROTHERS

There is nothing like sitting down to write a news column and being as blank as this paper was when I started, that's the way I am this morning. I hate to complain about the rain, but I think we have had enough for a few days. It is really nice that we have gotten what we have so far, it is much cheaper for the wheat than what we were putting on it a while back, and the way things look we may have to eat the wheat to realize anything out of it, wonder if it will pop like corn and maize will? We might come up with a new food.

You have heard of \$1.00 sales, well come Saturday May 14, at the First Baptist parsonage in O'Brien you can attend a 25 cent sale. The young people are having the sale to make money toward their trip to Glorietta, New Mexico later in the summer, so come by and help them, for 25 cents you can buy some good bargains. The sale will last all day Saturday only.

We have just about finished another school year. The senior class only has one more week, that is the ones that are going on the trip. They think finally I have made it, but just wait until school starts next fall, they are going to want to start back to high school instead of college or that job they are getting, that is most of them will, some will not. Sometimes it is not such a big deal to become an adult as we think when we are about 17 or 18, it is quite a change to accept all the responsibilities that come with growing up.

Locals' Daughter Signs With NTSU

DENTON -- Junior college All-America forward Lisa Risinger, daughter of Mr. and Mrs. W.C. Risinger of Knox City, is one of four women athletes who have signed letters of intent with North Texas State University.

Miss Risinger and Sharon Shelton will be junior members of the basketball team. The other signees, Karla Engel and Cathy Johnson, will

Carl Pool Buried Tues.

Funeral services for former Knox City Foursquare Gospel Church pastor, Carl T. Pool of Abilene, were held Tuesday at 10:30 a.m. in the Foursquare Gospel Church with the Rev. Floyd Bailey, district superintendent, and the Rev. Herman Westbrook, pastor of the First Foursquare Gospel Church in Abilene, officiating. Burial followed in the Rochester Cemetery under the direction of Smith Funeral Home.

Pool, 69, died at 7:14 p.m. Saturday in the West Texas Medical Center in Abilene.

Born April 26, 1908, in Lubbock, he married Florence Griffith on August 11, 1928, in Rochester. He was a retired minister of the Foursquare Church and moved to Abilene from Hamlin in 1972. He attended school in Rochester and was graduated from LIFE Bible College in Los Angeles, California, in 1936. He had served as minister in both Texas and Louisiana.

Survivors include his wife; one son, Bill of Houston; three brothers, Cecil of California, L.B. of Fort Worth, and O.D. Jr. of Rochester; one sister, Mrs. Flora Tankersley of Knox City; his mother, Mrs. O.D. Pool of Knox City; four grandchildren; and one great-grandchild.

Pallbearers were Dickie Waxler, Marvin Pierce, Earl Channon, W.N. Bailey, Knott Ballard, and Monroe Tabb.

Lions Club News

By Z.I. Smith

Several Lions brought guests to Wednesday's meeting. Lion Dr. Dale Seltzer of Munday attended with Lion A.P. Denton. Paul Baird attended with his son-in-law Lion David Lorenz.

President John McGaughey read a financial statement for the month of April. The boss Lion also announced the addition of nine new subscribers to the Lion Flag program. Lion Bill Baker is in charge of getting flag stands installed for the new customers.

There was some discussion about the Lions entry in the Rodeo parade. Lion Zeb Smith was fined by the tail twister for volunteering a vehicle that he could not produce.

President McGaughey reminded everyone about the district convention in Abilene May 13 and 14.

President McGaughey reminded every Lion of the broom and mop sale to be held locally on May 19.

After discussion and recommendation of the board of directors, the club voted to pay off the remaining three swimming pool bonds held by the Volunteer Fire Department.

President McGaughey appointed a committee to make arrangements for Ladies Night and installation of new officers on June 23.

A new member packet was presented to cub Lion Tom Ed Orsborn who was sponsored by Lion John McGaughey.

This story was told at the meeting. Lion Jeff Graham went fishing early on April 24, and caught a big string of six pounders. Then came back to town and played the second day in the club golf tournament where he and his partner tied for first place. That evening his wife, Faye, asked him if he had had a good day. Wonderful day, he replied. Caught a big string of fish, won the tournament first flight. Yes, a real good day. Well, she replied, I think every man should have a good day on his anniversary. Oh, Oh.

Rodeo Parade Highlights

(These photos were made before the parade began and winners had not been determined.)

GREYHOUND BOOSTER Tommy Kent watches as young Kevin White gets his Hound lined up for the Junior Rodeo Parade Friday afternoon. Cheerleaders Irene Flores, left, and Adrian Jones are pictured on the White Auto float.

KMA'S ENTRY - "Safety Plus" - was driven by Frank Smith, operations manager. Smith's wife, Betty sits beside him as they await the signal to begin the parade. Children in the cart are unidentified.

GETTING 'HARNESSED UP' for the Rodeo Parade is Lion Z.I. Smith who is ready to 'pull' pretty Angelia Reid, Lions' Sweetheart down the parade route Friday afternoon.

ADDING COLOR TO THE PARADE is Marti Tackitt on her purebred Arabian gelding, Kubaishan of Pico. Marti's elaborate costume and that of her mount are in colors of burgundy and pink with gold and pearl sequins. The elegant costume was completely designed and handmade by Marti.

them either to me or they can call my mother at home in Knox City (Mrs. Neil Perdue). We will then follow up with details of our 20th anniversary party.

Dear Billye Bess:
I need some help from your subscribers!

About this time some 20 years ago, a group of students were preparing for the cruel outside world -- we were the graduating class of 1957. (still can't believe it)

Several of us are still in touch -- mostly by Christmas cards, but we do want to get together during July 4th weekend. If your readers have addresses, etc. of any of the following, please forward

FROM LUBBOCK

Mr. and Mrs. Roy Day Sr. of Knox City enjoyed their visitors, Mr. and Mrs. Clyde Day and children and Mr. and Mrs. Bobby Day, all of Lubbock, last weekend.

The graduating class of 1957 were: Larry Abbott, Helen Acosta, Bill Bolin, Deanna and Glenda Carter, Rip Collins (Austin), Pat Compton, June Cox, Roy Cypert, Vernon Davis, Patsy Denton, Bobby Dodd, Baley Driver (Lubbock), Geneva Gwinn, Ross Ed Lankford, Billy Lewis, Hoyt Lovelace (Wichita Falls), Peggy Jones, Dwayne McNutty, Benny Stephens, Joan Wilson and Billy Yarbrough.

If others that attended our class or other classes wish to join us, let me know.

Thanks for your help and I still enjoy your paper!

Sincerely,
/s/ David N. Perdue

VRJC To Offer Emergency Training

Vernon Regional Junior College in cooperation with the Vernon Fire Department and the Texas Department of Health Resources will offer EMT Training at the Central Fire Station in Vernon beginning May 19.

The letters EMT stand for Emergency Medical Technician. An EMT is a professional who has been extensively trained, certified and registered by the state to administer expert emergency medical care in the field, regardless of the circumstances of the accident or sudden illness. To put it more directly, the EMT is the individual you observe entering into the twisted and

tangled remains of what once was an automobile (on a rainswept highway at two o'clock in the morning), in an effort to save the lives and reduce the injuries of the victims involved, until they can be safely turned over to the nearest hospital emergency room. The EMT is the same professional you see bent over the stricken victim of a heart attack, administering mouth-to-mouth resuscitation and closed heart compression in a dedicated effort to save a life.

The EMT may be a fireman, a nurse, an ambulance crewman, or even a police officer. He is a professional, dedicated to helping his fel-

low man in a time of need. He has a strong sense of compassion and a desire to give his best when helping others, who through their misfortune, can't help themselves. He is a man or woman who has the empathy and the lack of concern for others that seems to be so prevalent in our society today.

The classroom portion of the training will meet from 7:00 to 10:00 p.m. on Monday and Thursday evenings beginning May 19. One all-day class (probably on a Saturday) will be devoted to introducing the participants to the operation and function of extrication tools and equipment and

the gaining access to and releasing the victim from entrapment.

Coordinator for the training will be Dr. Robert Borchardt with Freddie Butlar serving as assistant coordinator and skills instructor. The training consists of 81 hours of classroom training and 40 hours of in-hospital training.

A fee for the course is required. Textbooks may be purchased at the VRJC bookstore. Interested persons are urged to register in advance either by mail or in person at the VRJC Continuing Education Office. Additional information may be secured by contacting Dr. Jim Fritze at VRJC.

FROM OKLAHOMA

Mr. and Mrs. Bobby Vaught, Coy and Carla of Fort Towson, Oklahoma, spent last weekend in the home of Mr. and Mrs. Donald Johnson and Dwayne.

IN LUBBOCK

Mr. and Mrs. Neal Logan were in Lubbock Mother's Day to visit with their son and his family, Mr. and Mrs. Lanny Logan, Ethan and Christian.

WHAT WILL YOU NEED TO KEEP THE WHEELS OF PROGRESS TURNING IN YOUR COMMUNITY?

Communities that have built a strong, healthy economy know what they must have to keep the wheels of progress turning in the years ahead. Although each community is different, the basic requirements will be the same:

A labor force known for its productivity. Municipal water supplies that can outlast a drought. A good

transportation network. Diversification of industry, just to be on safer ground. Cultural and recreational attractions. Favorable tax structures. Strong leadership.

And energy to power assembly lines. Energy to heat, cool, process foods, lift, spin, dry, pump, drill, press, shape, compute or to use however industry needs it to create products that create jobs.

Meet the Changing Times.

The cheap and abundant energy available here in years past is one reason this area emerged from the recent recessions with one of the strongest economies you'll find in the nation. Few others have a business outlook as optimistic or high employment level as high.

The days of cheap energy are gone, of course. The cost of producing and distributing energy of almost every type has increased dramatically. This, with the demand that exists for energy, has forced a sharp increase in the prices that you and people everywhere are having to pay for it.

But the availability of an abundance of energy to keep the wheels of progress turning in this area still holds true.

You Can Have What You Need.

Natural gas, for example. Lone Star's pipeline system now extends into basins that contain 50% of the remaining onshore gas reserves in the United

States. And this puts us in an excellent position to buy enough new gas reserves to last all of our customers for many decades.

Securing these reserves will be essential to the future of the communities served by Lone Star. Because gas not only meets your energy requirements directly, but indirectly as the primary fuel for generating most of the electric power you use.

The new gas will cost more, and Lone Star will have to recover the actual cost of it on a timely basis. A bargain, even so? Yes. Because these long-term supplies will help your community build job security through business growth.

And that's a bargain in anybody's economy.

Lone Star Gas Company

Working energetically for your area's future.
