

End Season Aspermont Win

Greyhounds won the 1975 football season with a 33-0 victory over Aspermont Hornets in Aspermont.

The team finished the season with an 8-2 record, including a 4-1 record in district play.

A touchdown for the Hounds came on their possession with 4:19 left in the initial period. Charlie Flye ran in from 14 yards out. The point kick failed.

Five plays after the kick the Hounds covered a Hornet pass, which began another scoring drive for six minutes. With one minute left in the first quarter, Flye again scored. Jimmy Don covered for the two points.

The Hornets' next fourth quarter drive ended in a bad punt, giving the Hounds' ball on the 10 yard line. The Hounds played later Jerry Flye got six more points up.

THE BENJAMIN MUSTANGS, District 3-B six-man champions, look over a detailed play as Coach Benny Grill explains the strategy for the upcoming game with the Highland Hornets, champs of District 4-B six-man. The kick-off is scheduled for 7:30 o'clock Saturday night, November 22, at Benjamin.

Benjamin In Bid For Bi-District Title

Saturday, November 22, will be an important day for Coach Benny Grill's Benjamin Mustangs when they meet the Highland Hornets in a six-man bi-district contest at Benjamin's football stadium beginning at 7:30 p.m.

The District 3-B champions sport a perfect undefeated record and appear to be ready

to take on the Hornets, District 4-B six-man champions. Already taking an 18-12 victory over the Highland team in an earlier game this season, Coach Grill explained that it was a defensive game and that the Benjamin team will have another tough game this Saturday night.

The right to represent the district came about last Thursday night when the mighty Mustangs defeated the O'Brien Bulldogs 18-8 in O'Brien in a game termed as a defensive battle for both teams. The Mustangs' district victory is credited mainly to

their outstanding defensive unit.

Kenneth Groves, Benjamin powerhouse, scored three touchdowns to lead the Mustangs to the important win.

Both teams, who entered the contest with undefeated 8-0 records, fought on even terms through a scoreless first quarter.

Benjamin then broke the

Nov. Subscriptions Due Before Dec. 1

As many of the subscriptions to the News are due in November, readers are reminded, in the event they have not sent in their renewals, that they must do so before December 1.

Most of the November subscribers have mailed in their checks for another year, but there are some who have probably neglected to do so. The News has discontinued mailing second notices in an effort to cut expenses and is using this means to remind readers that postal regulations require that subscriptions must be paid in advance.

If there are those who have failed to renew, they are asked to do so without delay, in order that the December 4 issue will be received.

Angle Sisters To Appear On Rehab Telethon

The Angle Sisters have been scheduled to perform in January on the West Texas Rehabilitation Center Telethon, according to an announcement Wednesday of last week by Shelly Smith, Rehab Center director.

Appearing this year will be Artie Johnson, who became famous dodging purses as a "dirty old man" on television's Laugh-In program. Joining Johnson will be other performers familiar to Abileneans from other previous visits including Rex Allen, Rex Allen Jr., Shari Lewis, Pedro Gonzalez, Gonzalez, and Connie Smith.

Ken Curtis, better known as Gunsmoke's Festus, will also make a return appearance along with Arthur Duncan, Helen O'Connell, and Slim Pickens.

Other personalities expected to make an appearance include Dick Yaws, Bill Mack, Don Harris, Walt Garrison, Larry Mahan, and Ronald McDonald.

Gwen and Stacy have recently completed their third appearance in Lubbock for United Way and presented a Thanksgiving program in Lubbock Wednesday night at the Southwestern Baptist Church.

KC Volleyball Girls Lose To Jim Ned

The Knox City High School girls' volleyball team lost out in bi-district play Monday night at Stamford to Jim Ned, District 8-A winners.

According to Coach Jerry Lowrey, scores were 15-4 and 15-8.

Area Playoffs Slated

Area teams moved into the state schoolboy playoffs this past weekend by coming out victorious in what were crucial games for all.

The Benjamin Mustangs copped the District 3-B six-man championship last Thursday night by defeating the O'Brien Bulldogs, 18-8.

Benjamin will meet Highland Saturday night at 7:30 in Benjamin.

Another game of interest to area fans will be that of the Rochester Steers when they meet Gorman Friday night at 7:30 in Haskell.

Stores To Close For Thanksgiving

According to Mrs. Kenneth Crownover, Chamber of Commerce secretary-manager, most of the business houses will be closed Thursday, November 27, in observance of the Thanksgiving holiday.

Classes in the Knox City schools will dismiss at 2:30 p.m. Wednesday afternoon, November 26, and will resume at the regular time Monday, December 1.

The Knox County News will mail out papers on Wednesday instead of the usual Thursday and will be closed all day Thursday. Readers are asked to be sure to report all your Thanksgiving holiday activities to the News office. Call us at 658-3142.

Rochester won the right to the playoffs last Friday night when they defeated their arch rivals, the Rule Bobcats, 6-0. This is the first district championship for the Steers in 10 years.

The Steers won the game with excellent defense, something they have enjoyed all season. Rule gained only 146 yards against the Steers and penetrated the Rochester 20-yard line only twice.

Rochester won the game with the running of Rod Townsend, who shook off a painful muscle bruise early in the week and gained 62 yards on 13 carries against Rule. He had 50 to his credit in the second half.

The Rochester squad won it by consistently making the big play against Rule. Second half interceptions by Rocky Holmes and Eddie Bland killed late threats from Rule.

The Steers finished the 1975 season 8-1-1. They were 6-0 in district competition.

Rule was 6-4 and 4-2.

Many District 7-A fans opened their newspapers bright and early Friday morning as they have throughout football season to see what predictions the Abilene Reporter-News' popular "Out on a Limb" columnist would make for Friday night's game. Probably the biggest "understatement" of the entire football season came about when the Reporter-News picked underdogs, the Monday Moguls over the district champion Crowell Wildcats in a so-called "Blue Plate Special" by a score of 7-6, saying they could win a lot of respect in this game—even though they couldn't win the district.

The Wildcats clawed the Moguls 48-0, giving the Crowell team that extra boost sending them into tomorrow night's playoff game for bi-district with Rotan, District 8-A winners. The game will

Season's First Freeze Hits Area

The area's first taste of winter arrived Thursday morning of last week when the low recorded at the Plant Materials Center northwest of Knox City was 28 degrees. Reports from individuals indicated that their thermometers registered as low as 25.

Most cotton farmers were glad to see the season's first freezing temperature defoliate their cotton. Some prefer to defoliate with chemicals, while others wait for the first freeze.

Warmer temperatures returned to the area by the weekend but winter weather was expected to return by Thursday (today).

The KC Jamboree band got things off to a rolling start followed up by entertainers such as Brian Williams, Ray Etheredge, Tommy Kent, Pauline Myers and Paula, The Angle Sisters, Spurgeon and Ellen Neely and W.H. Patterson, all of Rochester.

Big things are being planned for the fund-raising Christmas Jamboree on Saturday, December 20 at the school auditorium and sponsored by the Knox City Chamber of Commerce. A small admission fee will be charged and a \$25.00 jackpot will be awarded to some lucky winner during the program.

Fans are urged to circle December 20 on their calendars and make plans to be present.

 The girls' volleyball team played Jim Ned for bi-district Monday night and lost the first two games. Still being District champs is a great accomplishment.
 The Senior Class would like to thank everyone who helped make the play a success. We hope everyone who attended the plays enjoyed them.

Next year there will be a great loss of players, but we are sure to gain some more good players to take their places. We hope to have as good support next year at these games as we did this year. The pep club was proud to be able to cheer the Hounds on to their victories and we hope to see more members next year.
 Thank you all for your support for the Knox City Greyhounds of 1975.

MUSTANGS WIN AGAIN

The Benjamin Mustangs defeated the host O'Brien Bulldogs Friday night by a score of 18-8. Kenneth Groves scored all three of the Mustang TD's. This win gave the Mustangs the District 3-B championship. They will play Highland here Saturday night at 7:30 in the bi-district tilt. It should be a good game, so come on out and let's boost these boys on.

JR. HIGH BASKETBALL

Last Tuesday night the Junior High teams played Paint Creek and both were victorious. The girls' score was 34-7. Lora Long scored 26 points. Selina Hudson had four, and Stacy Carver and Becky Welch each had two.

The boys also won by a good margin, but I was interrupted and failed to see all of theirs and to get the ones who did the scoring, but they both

were good games, and they did win, so that's the main thing.

***** Coach Grill's Comments *****

MUSTANGS REMAIN UNDEFEATED

The Benjamin Mustangs played a tough game against the O'Brien Bulldogs last Thursday night in the 3-B District championship clash. The entire game was a defensive battle.

The Bulldogs lost five fumbles, which may account for their low score. Benjamin also lost several fumbles, which shows how hard both teams were hitting.

Kenneth Groves scored the

three Mustang TD's, due to the fine blocking of the other team members.

Coach Grill credits the district victory mainly to the outstanding defensive unit. He also maintains that the boys work well together as a team, and have a strong desire to succeed.

The Mustangs play the Highland Hornets Saturday night, at 7:30 p.m. at Benjamin for Bi-District. The Mustangs beat the Hornets earlier this year, but it was also a defensive game, as the score

was only 18-12. The boys will have another tough game Saturday night, so every body come and support them.

KILGORE GUESTS

Mrs. Iva Murry of Brownfield, Mrs. Mary Fitzgerald of Munday, Glen Draper and Howard Roberts both of Gore were guests last week of Ozelle and Galen Kilgore.

At the regular noon meeting of the Knox City Lions Club, Wednesday of last week, the program was presented by Soil Conservation Service Technician Danny Bell.

The program consisted of slides showing conservation practices that have been installed in the Knox County area. Bell explained the different practices and how they are used to control soil and water erosion. He explained how the use of these practices can improve farm production and save the land from being eroded by wind and water.

He also discussed the two cost share programs that are available through the Great Plains Conservation Program and the Agricultural Conservation Program and the Agricultural Conservation Program. Under these programs the Federal Government will assist farmers to install conservation practices.

STREAMS IN DESERT PLACES
by Ozelle Stephens

"Let us come before his presence with Thanksgiving, and make a joyful noise unto him with psalms. For the Lord is a great God, and a great King above all gods." (Psalms 95: 2-3)

The Word of God tells us that people have been giving thanks to God for blessings of every kind from the beginning of time. The prophets made altars and gave thanks and praise unto the Lord their God as they worshipped.

David said, "I will make the voice of Thanksgiving to be heard and tell of all his wondrous works." (Psalms 26:7) It is time for all to let their voice of Thanksgiving be heard throughout our land, for the great and many Blessings that stream down upon us from the Lord our God who loves and cares for us, and who giveth us the victory over all things that are not pleasing unto himself. (1 Corinthians 15:57)

We are told to give thanks for all things for God can make all things work blessings for his glory and our good when we completely trust him. Let our voices rise with Thanksgiving unto our wonderful Lord and God. (Ephesians 5:20)

Use only detergents manufactured specifically for dishwashers. A wetting agent helps prevent water spots on glasses and dishes.

Washer will usually hold a whole load of dishes. It takes as much hot water and energy to wash 1 dish as it does a full load. Stack your dishes out of sight in your dishwasher and wait until you have a full load to turn it on.

Coaches' Comments

By COACH JIMMY ROGERS

The Knox City Greyhounds closed out their season last Friday night defeating the Aspermont Hornets. It was a good game to finish on in that everybody got to play.

I believe we had a good season. In reviewing the 10 games we played an 8-2 record was not bad. We missed our goal of a district championship but I believe that we met some goals that will be helpful in future years. I am proud of the character and attitude of this team. These young men are a credit to this community and to their parents.

We lose 13 seniors this year: Jerry Eaton, Al Bateman, Jimmy Lynn, Jimmy Moore, Rusty Grimsley, Charlie Flye, Mark Howell, Mike Burkham, Ricky Bishop, Rudy Hernandez, Robert Watson, Donny Skiles, and Jerry Stamps. What can you say about these guys except I appreciate their leadership, attitude, ability, and values.

In closing, let me say a few things I believe are very important. There were many individuals that made this a good year for me.

First the coaches—Coach Lowrey who created a defense that shut our opponent out six out of 10 times; Coach Sloan who helped our offense have a 1000 yard runner (Charlie Flye) accredited to good offensive blocking; Coach McElhaney who did all our scouting plus working with our JV's.

Next to our administration, Mr. Baker, Mr. Holcomb, and our School Board in letting us run our athletic program with their support and approval.

Next, to our school, the cheerleaders and pep club who provided the good spirit throughout the year.

Next, to our Booster Club and their president Bill Anderson plus our chain gang who are all members for their support throughout the year.

Next, to Mrs. Angle and our newspaper that gave us good coverage and support throughout the year.

Next, to Hob Smith and our law enforcement officers for attending every game working in their capacity.

Next, to all the men that worked in the press box during our games. John McGaughey and Bud Reynolds leading the team.

Next, I'd like to thank our statistician, David Counts, and our filmers, Roland and Derrell Marion, for the help in every game and the information they provided.

Next, to all the other people that gave us support—the Knox City Community—we thank you.

Finally, to one man that means alot to me, Dr. Howell, for the many hours that he spent trying to keep us patched together from week to week.

Thanks again.

Locals' Kin Dies In Port Arthur

Emmet I. Welch of Port Arthur died Tuesday at 1 a.m. after an extended illness. Mr. Welch was the uncle of Mrs. Neil Perdue, Mrs. Chad Wilson, and Sam E. Clonts, all of Knox City.

Funeral services will be held Thursday (today) at 10:00 a.m. in Clayton Thompson Funeral Home in Port Arthur.

The Welch's have been frequent visitors to Knox City in the past.

FROM ABILENE

Lisa Grinstead of Abilene visited Saturday afternoon with Stacy Angle.

PROUDLY STANDING IN FRONT OF THEIR HOME on which the final payment was made last week are Martha and Lee P. Crothers. The residence, located at 201 S. Third (West), was purchased from Mrs. Maudie Hendon in December, 1971.

Couple Makes Final Payment

November 11, 1975, was an important day in the lives of Mr. and Mrs. Lee P. Crothers. That was the day that Martha and Lee made the last payment on their house at 201 South Third (West) in Knox City.

The Crothers bought the house from Mrs. Maudie

Hendon in December, 1971, and Mr. Crothers explained that they had saved enough to pay one-half of the price at the time they purchased it.

Martha and Lee P. were married in Wellington, Texas, and lived on the Bush and Burnett Ranch for 18 years before moving to Knox City in

1971. The couple came here for the bull-pulling season in 1952 and worked for B.B. Hendrix. Lee said those were good years and they worked hard. He also went on to say that when they lived on the ranch that the rattlesnakes almost scared his wife to death, and that she was especially happy to move to town.

Martha was born in Leone, Texas and Lee P. in LaGrange. She is now retired and Lee is employed by the City of Knox City. They are members of the St. Paul Baptist Church, where Lee is a deacon.

The Crothers are the parents of three children, two daughters, Patricia Ann Lowrey who lives here with her four children, Darlene Robinson who lives in Belton with her two children, and the Crothers' son, T/Sgt. Calvin Douglas who has three children and is stationed at Lackland Air Force Base in San Antonio.

Martha and Lee P. said they felt that they had been richly blessed and wanted to share their happiness with their good friends and neighbors.

Seems to this writer that any town would benefit by the presence of good neighbors such as these.

Truscott Cited As Bicentennial City

TRUSCOTT - The official American Revolution Bicentennial Association flag was presented to the Truscott community by Rep. W.S. (Bill) Healy Sunday night, November 10, in a ceremony at the Truscott Community Center.

In his speech preceding the presentation, Representative Healy congratulated the community of about 140 persons for being one of only five unincorporated Texas communities to receive Texas and national endorsement as a Bicentennial city.

Healy further commended Truscott for its award winning 1975 entry in the Texas Community Improvement Project and for the work being done toward the 1976 contest including improving recreation, erecting street signs, setting Bicentennial goals, and holding programs and exhibits which have called attention to the community heritage.

Rep. Healy also thanked the audience, which included visitors from Gilliland, Crowell, Knox City, Benjamin, Paducah, and Houston for helping to defeat the recently proposed constitution. Healy declared the wording of the constitution was the work of an Ivy League professor accustomed to teaching theory, not dealing with real problems of real people; "We don't need someone like that writing a constitution for us down here in Texas," he declared.

The program opened with a greeting by Mrs. Curtis Casey, Truscott Bicentennial chairman, and prayer was led by Curtis Casey. Mrs. Newell Looney led the audience in singing "America the Beautiful". Next came a style show with Mrs. Vivian Brown receiving spontaneous applause when Mrs. Looney, the narrator, announced she was modeling her own 1927 wedding dress. Other models included Mrs. Don Daniel, Mrs. Kay Looney Gray, Gail

Bullion, Tracy Shaw, Bernadette Greening, and Brenda Greening.

Conclusion and highpoint of the program was the speech by Rep. Healy followed by Knox County Judge Sam Clonts' presentation of Texas and Nation ARBA certificates of endorsement to Mrs. Casey. Rep. Healy then presented the community with the beautiful Bicentennial flag with Judge Clonts' accepting it on behalf of the community as the highest elected official of the unincorporated town.

After a prayer of thanks by Edgar Jones, guests and citizens of the community shared a sandwich and dessert buffet followed by visiting and viewing the numerous small antiques and family history exhibits.

Community members helping to prepare the Bicentennial program included Mrs. Casey; Mrs. Paul Bullion, Festival chairman; Mrs. R.C. Daniel, Horizons chairman; Mrs. Vivian Brown and Mrs. Newell Looney, co-chairmen of Heritage; Mrs. Bill Owens and Mrs. Edgar Jones, refreshment chairmen; and Mrs. Jack W. Brown, public relations.

O'Brien Happenings

CHARLENE BROTHERS

Well, football is over for O'Brien for another year, and I'm still sitting around trying to believe what I saw Friday night on the football field. I just cannot believe it, but I know it happened, I saw it. I guess it was meant for O'Brien to lose this year. Benjamin won the district by defeating O'Brien 18-8.

Basketball has started for the grade school. They are having the seventh-eighth grade tournament this week. We will have the results this week.

The FFA Chapter was in Throckmorton last week for a Chapter conducting contest. O'Brien and Benjamin both entered this. Their sponsor is Buddy Hale. Buddy said they came out pretty good, considering they had not put too much practice in on this. (Boys from O'Brien, I never did get the write up you were supposed to turn in.)
