## Picked For Repeat Performance In 7-A

# Greyhounds Named To State's Top Ten

According to a story Saturday morning in the Abilene Reporter News, the Knox City Greyhounds have again been chosen to do a repeat performance and nab the District 7-A title. Not only have Coach Jimmy Rogers' Greyhounds been chosen for the district crown but have also been chosen fifth in the state's elite top ten.

Rogers is not sitting too comfortably in the driver's seat due to the fact that the Greyhounds lost four All-District performers, one of which was an All-Stater.

Returning for Knox City's Hounds who last year produced a 10-1 record, will be senior standouts like All-District Charlie Flye, a 5-9, 150 pound halfback, tackle Jimmy Lynn, 6-2, 175 pounds, Al Bateman, 5-6, 140 pound flanker, Jerry Stamps, 5-9, 150 pound halfback and quarterback Jimmy Don Moore, 6-0, 150 pounder who could all help out, but the Greyhounds could still have some problems.

"We're not the No. 5 team in the state," says Rogers. "We're not that good. We've got a good set of backs but we're small up front."

Crowell and Haskell appear to be the biggest threat when it comes to disrupting Knox City's hopes of their back-to-back district win.

According to the Knox City

coach, Haskell has probably the best coached team in the district and probably has the best attitude. That is the kind of team that can sneak up on you.

Sitting number two in the form chart, Haskell begins this year with Tommy McAdams as head coach for the fifth go around. McAdams has a long list of 14 lettermen to pull out from the tepee to form his 1975 Indian team.

McAdams' son, Gary, was dubbed as the district's number one quarterback but due to a broken hip will still be recuperating for several more weeks.

Senior Chris Love, 5-10, 150 pound tailback, should come to the rescue until McAdams is ready for play and then he should be the top quarterback.

The Crowell Wildcats sit third in the top trio of teams but will be trying to make a comeback after missing the

playoffs by just a single game to KC last year.

Standout David Bell, a 6-2, 205 pound senior halfback, will be ringing in the Wildcat offense but depth may create a problem for the team.

Another familiar name being heard at games this year will be senior tackle Rocky Glasscock, 6-2, 195 pound senior who Coach Printiss Gidney is expecting a lot out of this season.

Aspermont Hornet's were hit heavily by graduation and can only show five returning lettermen, from last year's strong contending team.

Coach Phil Petty expects a lot from the five, which include second team All-District fullback Mike Rimes, 5-11, 180 pound junior.

Experience is going to be a big problem with the Hornets but Petty is expecting big things from newcomers like Jerry Selter, 6-0, 185 pound. See TOP TEN Pg. 3

NEW FACULTY MEMBERS for the 1975-76 school year are pictured front row, left to right, Barbara McGaughey, Alice Cooper, and Linda Underwood. Second row, from left, Stephen McIlhane, Mrs. Zoy Risinger, and Debbie Haskell. Third row, from left, James Reid, Hubert Seale, C.H. Underwood, and Ronnie Verhalen. Not pictured is Tommy Sloan.

## New Teachers Join KC Faculty

Eleven new teachers have joined the Knox City School faculty this year. They are Mrs. Barbara McGaughey, C.H. and Linda Underwood, Ronnie Verhalen, Mrs. Zoy Risinger, Hubert Seale, James Reid, Tommy Sloan, Steve McIlhane, Alice Cooper, and Debbie Haskell.

Mrs. McGaughey, who has been hired as a teacher aide, is married to John McGaughey, director of the Haskell-Knox Consortium in O'Brien. They are the parents of three children, David, freshman at West Texas State, Jody, freshman at Knox City High School, and Barbie, second grade student. She attended high school at Sunset, Munday and Knox City.

C.H. Underwood has been hired as history and English teacher. A native of O'Brien, he graduated from O'Brien High School in 1963, graduated from South Plains College in 1965, graduated from Midwestern University in 1967 with a B.A. degree in history and English. He taught and coached at O'Brien High School for seven years.

His wife, Linda, is a graduate of Knox City High School and received a B.A. degree from Midwestern University with a major in Elementary

Education and a minor in English. She taught third grade in Rochester last year. The Underwoods are the parents of two daughters, Becky and Beth, and reside in O'Brien.

Ronnie Verhalen joined the faculty before school was out last year as fifth grade teacher. He is a graduate of Knox City High School and received his degree in 1963 from Texas Tech University in Lubbock. He taught four years in the O'Brien Schools.

Mrs. Risinger, who is teaching in the second resource room received her B.A. and M.Ed. from West Texas State in Canyon. She

### Plans Continue For KC's First Jamboree

Plans are still continuing for Knox City's first Country-Western Jamboree scheduled Saturday night, September 13, in the City Park.

Area bands, musicians, and vocalists are invited to appear and help make this first musical program a big success.

Those who will participate are asked to contact the Knox County News and list (if possible) the numbers to be performed, so a program can be published in the paper prior to the Jamboree. Each group or individual will be asked to do about five or six numbers, in order that the program will be fast moving and entertaining.

Sponsored by the Knox City Chamber of Commerce, there will be no admission charge.

### Mrs. Proctor To Begin Classes Here

Cora (Sissy) Proctor of Haskell will be teaching toll miniatures classes at The Art Stall in the Mini Mall beginning September 9 and continuing through October 14.

Lessons will be held at 2:30 p.m. and 7:00 p.m. on Tuesdays and at 7:00 p.m. on Thursdays.

Mrs. Proctor is the daughter of Mr. and Mrs. Lloyd Feemster, former Knox City residents. She is employed by Ben Franklin in Haskell.

### KC News Office To Be Open Labor Day

The News office reminds its readers that the office will remain open Monday, Labor Day, although other businesses will be closed. Readers are encouraged to call in or bring in their news and advertising.

All News correspondents are requested to bring their news in on Monday or Tuesday, due to the holiday mail schedules.

has taught in schools in Goodnight, Quail, and Bula. She and her husband, Curley, a retired coach and principal, have six grown children and reside at 105 South Third. They are members of the First Christian Church.

Hubert Seale, the new band director, holds a Bachelor of Music Education degree from Tarleton State University. He and his wife, Pam and ten month old daughter, Kayla, reside at 1105 South Second. They attend the Church of Christ.

James Reid will be teaching high school math. He received his degree from West Texas State in Canyon in 1968 and he taught in Goree Schools three years and in O'Brien Schools three years. See TEACHERS Pg 7

## Homecoming At Stamford To Be Oct. 19

St. John's United Methodist Church of Stamford is planning a homecoming for all ex-students of Stamford College in conjunction with the church's 75th anniversary.

Plans are being made to have an exhibit room at the church featuring articles, pictures, annuals, etc., that were used during the Stamford College existence.

The church would like to have the names of all ex-students living in this area. A registration blank will be found on page five of this edition and persons are asked to fill it in and return it to the church office.

The Rev. Bourdon Smith of Lancaster, a native of Stamford, will be the speaker at the Sunday morning service.

A luncheon will be catered at noon in Fellowship Hall, and exhibit rooms will be open in the afternoon.

### John McGaughey To Teach Math Course

John McGaughey, director of the Haskell-Knox Consortium, will be teaching a modern math course at Haskell High School every Monday night beginning September 8.

The course is a part of Western Texas College's off-campus extension program.

### Community Women Set Salad Supper

All the women of the community are invited to a salad supper at the Foursquare Church Thursday evening, September 4, at 7:00 o'clock. Everyone is invited to bring a salad and a friend.

### To Be At Jayton Fri.

## Hounds Look Good Against Holliday

By COACH JIMMY ROGERS

The 1975 Greyhounds opened their football season with a control scrimmage against Holliday last Friday night.

The scrimmage was divided into three phases, first varsity, second varsity, and junior varsity.

The first varsity scored two

times while holding Holliday scoreless. The second varsity gave up one score to Holliday as did the junior varsity.

As a whole the Hounds looked pretty good. In these scrimmages we are more concerned with attitude and execution than the score. We tried to let everybody have equal playing time and to give each young man a chance to perform.

Some must wonder why we did not look so alert in the second phase of the scrimmage. This was due to the difference in size of the two teams. When you play physical persons, you finally begin to weaken regardless of your condition. However, I think one point was proven, you don't have to be big to play. The contest came down to our speed versus their size. In this scrimmage we were able to come out on top.

Also I would like to comment on this group of Greyhounds. These young men have good attitudes plus a winning desire. We have been ranked in the top ten as well as picked for the district championship. At this point we are not there, but let me say we have the potential. If we stay healthy and keep this present attitude, we have possibilities.

This Friday night we scrimmage Jayton at Jayton beginning at 6:30 o'clock. Again the scrimmage will be divided into three phases, varsity, second varsity, and junior varsity. I hope everyone will give these young men their support.

### Most Businesses To Close Labor Day

Most of the Knox City businesses will be closed Monday, September 1, in observance of Labor Day.

Labor Day is one of the holidays agreed to each year by the local Chamber of Commerce members, according to Mrs. Doris Crownover, manager.

### Booster Club To Meet August 28

The Greyhound Booster Club will hold its regular meeting Thursday, August 28, at 8:00 p.m. in the Ag Barn, according to Bill Anderson, president.

All members are urged to attend.

### Former Resident Hurt In Accident

Dan Klausmeyer, former Knox City resident, was injured in a water skiing accident Sunday, August 17, near his parents' home in Owensville, Missouri.

He has been hospitalized in a St. Louis hospital but returned to his parents' home Monday of this week.

According to a spokesman, his skis hit the rocks near the dam, throwing him into the air. He received gashes in his legs, arms, sides and head which required approximately 100 stitches.

Dan was associate pastor and youth director at the First Baptist Church here for several months while completing work toward his degree at Hardin-Simmons University. He will be enrolling in Midwestern Baptist Theological Seminary in Kansas City, Missouri in the near future.

### School Enrollment Down From 1974-75

According to school officials, school enrollment is down somewhat from totals taken on the first day of last year.

Enrollment for Knox City Schools on the year's first day was 365 with 115 in high school and 250 in grades K-8.

Last year's first day enrollment was 391.

### O'Brien Schools Need Substitutes

Carney Rural Schools in O'Brien are in need of substitutes for the coming school year.

Anyone wishing to apply for the position of substitute teacher may do so by contacting Superintendent Ed Whiteley at 658-3731 and a form for a tuberculosis certification will be mailed to you.

## For Candidate Sweetheart

MELINDA HEWITT

stage and at this time the new sweetheart will be named.

Melinda, whose parents are Mr. and Mrs. James Hewitt, is a senior student at Knox City High School. She is a twirler in the band, Oilbelt District FFA Sweetheart, and Miss Spirit of '76.

Co-chairmen for the contest are Mmes. Eddie Krieger and Bill Boyd.

The winner of the contest will receive a \$300 college scholarship to one of the three Abilene church colleges.

## Special Ceremonies To Honor Rep. Heatly

Rep. Bill Heatly will be honored in special public ceremonies in Paducah in October when a bronze bust of the veteran legislator is unveiled in the Cottle County Courthouse before a state-wide gathering of friends and associates.

A special committee of friends in the 101st District, headed by Mrs. Callie Combs of Munday, is arranging the program which is scheduled for 11 a.m. Thursday, October 9.

Governor Dolph Briscoe and a delegation of state officials from Austin have accepted a special invitation

### Truscott Reunion To Be Saturday

The annual Truscott Reunion will be held Saturday, August 30, in downtown Truscott. The air conditioned Community Center will open at 1:00 p.m. Saturday.

All residents, former residents and all who attended Truscott Schools are invited to bring a basket meal for supper which will be served at 6:30 on the east side of the old drug store building.

Mrs. Curtis Casey, Truscott Bicentennial chairman, has planned a brief program and sing-song about 8:00 p.m.

Following reports on Texas Community Improvement Program, Jim Cash will lead the audience in songs of the past. The evening program will conclude with a country and western musical and visiting.

There will be a small historical display from 4 to 9 p.m. Anyone is welcome to bring items to show. An old wood-burning stove, irons and other items will be on display.

The reunion is being sponsored by the Truscott Home Demonstration Club. President Vivian Brown has urged everyone to be sure to register, as they would like for this reunion to be the biggest they have ever had.

**STREAMS IN DESERT PLACES**  
by Ozelle Stephens

"Therefore my beloved brethren, be ye steadfast, unmovable, always abounding in the work of the Lord, for as much as you know that your labor is not in vain in the Lord." (1 Cor. 15:58)

When we sit down with the Word of God and listen to Paul's teachings, they will help us to put our values in the right prospective. Life here is short, we bring nothing into this world, and we take nothing out when we lie down in death. Nor will we take anything with us if we should be living when He comes; for the rapture of the saints this could be possible with some of us. We also realize from these teachings, if our life continues to be happy and peaceful forever more we must live them in the Lord instead of for self. You must be in control; outside circumstances must not effect the deep calm in your soul. O yes, I know none are perfect, that is what we are learning and striving for through our trials in this life. Our little frustrations and hurt feelings are signs that the old man in us is trying to keep a part of ourself alive. But when Jesus Christ lives within, He is victorious, and He will win for you. So be ye steadfast and stand fast in the liberty where Christ has made us free.

**WHAT IS A PRESCRIPTION?**  
It looks like an ordinary piece of paper with writing you can't read, to get medicines that sometimes seem expensive.  
Actually, a prescription is a passport to better health. Physicians study many years to be able to write one. Pharmacists study many years to learn how to compound them. Drug firms usually spend millions to perfect the drugs in them. The relatively few dollars all this knowledge costs can save you sickness-time and sometimes your life.  
"A GREAT MANY PEOPLE ENTRUST US with their prescriptions, health needs and other pharmacy products. We consider this trust a privilege and a duty. May we be your personal family pharmacy?"

**HERE AND THERE**

Mr. and Mrs. O.S. Johnston and Mildred Draper visited in Lubbock over the weekend with relatives and friends.

Mr. and Mrs. Bobby O'Neal, Traci and Scott of Wichita Falls visited with his father, Ernest O'Neal Sunday. They also visited in Rochester with Regina's parents, Mr. and Mrs. Virgil Mitchell.

Trudy Covey left Saturday for Midland where she will attend Midland Junior College this next year. Sharon Adkisson left Sunday for Levelland where she will attend Levelland Junior College. Other students that will be leaving in the near future are Teresa Hodges and Wayne Rowan for Tarleton State University in Stephenville and Keith Rowan for Western Texas College in Snyder.

Bro. Bob Cameron was in the graduating class that graduated from Hardin-Simmons University Friday, August 15. Bob received his Bachelor of Arts degree. Attending these services were his wife and daughter, Kathy and Beth, and Mr. and Mrs. Lewis Kay. Bob, we are proud of you and for you. I'm sure it is very hard to attend college every day of the week and also do your pastoral duties. So congratulations from all of us.

Mr. and Mrs. James Manning were in Lubbock Sunday afternoon to pick up Mr. and Mrs. S.M. Manning as they returned from their trip to California. They had visited two weeks with Marvin's two sisters, Mrs. Myrtle Roberson and Mr. and Mrs. Sim Coal-

## Services Held Thursday For Longtime Resident

Funeral services were held for longtime Knox City resident Frank Leslie McAuley Thursday afternoon in the First Baptist Church. The Rev. Paul Anderson, pastor, officiated.

Burial was in the Knox City Cemetery with Smith Funeral Home in charge of arrangements.

Mr. McAuley, 89, died at 10:45 a.m. Wednesday in the Brazos Valley Care Home following a long illness.

Born March 14, 1886 in Bruceville, Texas, to the late Dr. and Mrs. J.H. McAuley, he married Thelma R. Faubion on November 18, 1915 at Evant, Texas. They moved to Knox City in 1930 and farmed in both Knox and King counties. Mr. McAuley served the City of Knox City as night watchman and later as constable after retiring from farming. He was a member of the First Baptist Church.

Survivors include his wife of Knox City; four daughters, Mrs. Irene Branch of Lubbock, Mrs. Faye Graham and Mrs. Ruth McElroy, both of Knox City, and Mrs. Jean Carol Riley of Santa Ana, California; two sons, Frank Jr. of Knox City and Charles of Tahoka; ten grandchildren and nine great-grandchildren.

Mr. McAuley was preceded in death by one daughter, Mary McAuley Wilson in

son. Meeting them out there last week were Mr. and Mrs. Orval Manning, Mr. and Mrs. J.W. (Bill) Manning all of O'Brien, and also Mrs. J.T. Price of Rockwall. Mrs. Price is Bill Manning's daughter. They had a little sorrow while they were there as their brother-in-law, Sim Coalson passed away on Saturday, August 23. Other than this, they all reported enjoying the visit very much.

1941.

Pallbearers were Eddie Shaver, Clifford Cornett, Joe Warren, Harry Hickman, B. Hendrix, Chad Wilson, and Homer T. Melton.

## Corley Rites Held Saturday

Funeral services for John A. Corley, brother of Hut Corley of Knox City and Mrs. E.E. Underwood of O'Brien, were held at 4:00 Saturday afternoon in the Colonial Funeral Home Chapel in Fort Worth. The Rev. Luster Lockett, pastor of First Methodist Church, officiated. Burial was in Memorial park Cemetery.

Mr. Corley, 72, resided at 3007 Hummingbird and died Thursday in a Fort Worth hospital following a lengthy illness.

A former owner of the Roundhouse Cafe, Mr. Corley had lived in Victoria 16 years.

He was born in Burnet on September 16, 1902, and resided in Beaumont prior to moving to Victoria.

He was a member of the Methodist Church.

Survivors include his wife, Paula; two daughters, Joy Ferdie Jowell and Doris Morris, both of Seabrook; a son, John A. Jr. of Hot Springs, Arkansas, four sisters, Zeola Corley of Rochester, Ruth Underwood of O'Brien, Lenora Cops of Alice and Lucille Collins of Fort Worth; two brothers, Hut of Knox City and Buster of Fort Worth; seven grandchildren and two great grandchildren.

Attending the funeral services were Mrs. E.E. Underwood and Anne of O'Brien, Blanche Corley of Rochester, Lucille Collins, Murray Underwood and Buster Corley, all of Fort Worth.

## Local Men's Brother Dies

Funeral services were held for W.C. (Bill) Snelson of Hedley, brother of Ben and L.J. Snelson, Saturday afternoon at 2:00 o'clock in the Hedley Baptist Church.

Burial was in the Hedley Cemetery.

Mr. Snelson, 83, died Thursday in an Amarillo hospital.

A retired farmer and a member of the Hedley Baptist Church, Mr. Snelson had resided in a Wellington rest home for the past several years. He was preceded in death by his wife, Grace, twenty-five years ago.

Survivors include another brother, J.C. (Calvin) of Clovis, New Mexico, and two sisters, Bea King of Fort Worth and Susie Hill of Arlington.

Ben and L.J. attended the services.

## Jesse Foshee Buried Friday

Funeral services were held for Jesse Foshee Friday afternoon at 2:00 o'clock in the Church of Christ with Linwood Bishop, minister, officiating.

Burial was in the Gillespie Cemetery under the direction of Smith Funeral Home.

Mr. Foshee, 75, died Thursday morning in the Knox County Hospital after a lengthy illness.

Born April 14, 1900 in Montgomery County, he moved to Knox County in 1905. He married Mary Lou Parrish on November 9, 1934 in Frederick, Oklahoma. He was a retired farmer and a member of the Church of Christ.

Survivors include his wife; one brother, Red of Brownfield; and one sister, Mrs. Lila Hodges of Conroe.

Pallbearers were James Albus, Allen Lowrey, Tommy Richardson, Pete Elliston, Alfred Elston, and Gentry Day.

Football boys and backers welcome.

KENT DARR  
Former Student  
In Who's Who

Kent Darr, a 1975 graduate of Knox City High School has been selected to membership in Who's Who in American High Schools for the school year of 1974-75.

Darr, the son of Mr. and Mrs. Dewey Darr, is presently enrolled in the College of Pharmacy at the University of Texas at Austin. He hopes to study medicine after he receives his Bachelor's Degree.

While in high school, Darr was active in FTA, band, PASF, Beta Club, and the senior play. He was also interested in science and worked as an assistant for three years under Mr. B.R. Winchester.

This summer Kent worked for Northwest Retirement Mediplex of Austin and this fall he hopes to work for a prominent surgeon.

## Letter To The Editor

Please send your paper to Kerri Baker, my granddaughter (Kenneth's daughter). She comes over weekly wanting to read our Knox City paper. I enjoy it too--you put out a nice paper.

Best Wishes,  
C.P. Baker

(Editor's Note--We're always happy to hear nice things about our paper! Makes us try even harder! Thank you.)

## FROM FORT WORTH

Mrs. Judy Allen and Colby of Fort Worth were weekend visitors in the home of her parents, Mr. and Mrs. Z.I. Smith and Ben.

Another weekend guest in the Smith home was Mrs. Smith's mother, Mrs. Nomah Francisco, also of Fort Worth.

## Knox County Accidents Are Investigated

The Texas Highway Patrol investigated nine accidents on rural highways in Knox County during the month of July, 1975, according to Sergeant J.W. Garner, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and three persons injured.

The rural traffic accident summary for this county during the first seven months of 1975, shows a total of 39 accidents resulting in no persons killed and 11 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for July, 1975, shows a total of 568 accidents resulting in 22 persons killed and 398 persons injured as compared to July, 1974, with 485 accidents resulting in 18 persons killed and 280 persons injured. This was 83 more accidents, four more killed, and 118 more injured in 1975 at the same period of time.

The 22 traffic deaths for the month of July, 1975, occurred in the following counties: two each in Clay, Haskell, Randall, Jack, and Sherman; and one each in Floyd, Garza, Hale, Hockley, Lubbock, Montague, Carson, Collingsworth, Moore, Parmer, Potter, and Wheeler.

All parents of band students are urged to be present to meet the new director, Hubert Seale and family and help start a new program.

The meeting was changed from September 1 to September 8 due to the Labor Day holiday, according to a spokesman.

## RETURN TO TEXAS

Mr. and Mrs. Bobby Simpson and Ruth have moved from Tempe, Arizona to Haskell to make their home. Mrs. Simpson is employed by the O'Brien Schools as Special Education teacher.

She is the former Mildred McGee and is the daughter of Mr. and Mrs. J.C. McGee.

## TOP TEN (From Page One)

sophomore guard. Arch rivals Munday Moguls have the biggest number of returns this season and possibly have the best potential to be a "top three contender."

Veterans like fullback Buddy Cypert, a 6-1, 190 pound senior and junior tight end Mike Urbanczyk, 6-1, 165 pounds, earned second team All-District honors last year and are expected to help the Moguls improve over their 1-9 record from last season.

Under their new coach Jim Pope, the Moguls appear to be improved, especially in attitude.

Five three-year lettermen are back to coach Tommy Davis' Paducah Dragons and the biggest asset for the Dragons will be speed in the backfield.

Leading the way for the Dragons is senior halfback Danny Garrett, a 6-2, 175 pound speedster who covers 100 yards in about 10-flat. Another teammate, who runs the same distance in 10.6 seconds is Michael Woodley, a 6-0, 170 pound halfback.

With Knox City in the top position, Haskell follows in second with Crowell third, Aspermont fourth, Munday fifth, and Paducah in the cellar in the Reporter-News form chart.

Close the refrigerator and frozen foods, such as ice cream, as soon as possible. Measure and remove the ice for cooking or for the table, and refrigerate the remainder.

Efficiently by selecting the settings that provide the refrigerator and a F. in the freezer.

Do not overfill with food, but be careful not to overfill. Make sure packages don't block air vents in the freezer or refrigerator.

Keep the surfaces of the refrigerator, dirt restricts air flow and the condenser, forcing the refrigerator to work harder to maintain proper temperatures.

# BENJAMIN NEWS

by Mrs. Van Green

School began with a bang Friday. Think everyone is ready to get down to a settled routine again. Ballgames will begin before too long. We had our first scrimmage Friday night with Northside. We scored four TDs to none for them so I guess that's pretty good. Of course, that wasn't much indication of what lies ahead as both teams are rusty and it'll take a while to get down to real business. We have another scrimmage Friday with Patton Springs. Boys out this year are Kenneth Groves, Keith Conner, Sabino Estrada, Keith Pierce, Johnny and Joey Pierce, Mark Collins, Lewis Lee Baty, Tracy Cartwright, Pedro Estrada and Ricky Carver. The coach is Ben Grill.

### CLASS MEETINGS

The Seniors and Juniors held class meetings Monday morning for the purpose of electing class sponsors and officers. The Senior officers are President, Diane Green; vice-president, Debra Hudson; Secretary, Dorothy Golden. Their sponsor is Mrs. Brenda Driver.

The Juniors elected Kelly Milson as president; vice-president, Sabino Estrada; secretary, Sandy Gore. Their sponsor is S.L. Milson.

### ELECTED TO WHO'S WHO

Several Benjamin students have received word that they have been nominated to Who's Who Among American High School Students. In order to be nominated, students must be outstanding in every phase of school and community activities and also maintain at least a B average. Nominated from Benjamin were Scotty Hertel, Ann Brannan, David Milson, Kenneth Groves, Keith Conners, Dorothy Golden and Diane Green.

### HERE 'N THERE

Mrs. Bill Hamilton returned home Sunday after several days stay in Abilene with her sister who is hospitalized in Hendrick Hospital.

Mr. and Mrs. Van Green and Diane visited Phil Mowery in St. Mary's hospital in Lubbock Sunday. Phil's condition remains much the same. At this time he remains in the ICU.

Mr. and Mrs. Steve Conner of Lubbock spent the weekend with his parents, Mr. and Mrs. Bud Conner.

Stelle Kendrick is spending a few days with relatives in Weatherford.

### REST STOP SCHEDULED

The Benjamin Ex-Student Association will sponsor a rest stop over the Labor Day weekend, beginning Friday afternoon and continuing through Monday. It will be a perfect place for the tired traveler to stop, rest and refresh a bit.

Chances on a hand made double knit quilt will be sold throughout the weekend and the quilt will be given away Monday morning. That project is an effort of the Trim Down Club with the proceeds from it also going to the ex-student association.

The following Benjamin students are attending college: Vernon Regional College, David Jones, Apolonio Estrada, Bryan Bumpas; Midwestern University, Scotty Hertel, Frank Morrow, Dennis Duke; Lubbock Christian College, Terry Cartwright; Texas Tech, Steve Conner, Kathy Milson Woolley, David Milson, Shane Milson, Larry Hertel.

## Locals' Kin Crowned Jones Cotton Queen

Miss Kim Williams, daughter of Mr. and Mrs. Ken Williams of Anson, was crowned Jones County Cotton Queen Friday evening highlighting the annual Jones County Fair in Anson.

Miss Williams, a junior at Anson High School, was sponsored by the Anson Woman's Club.

Winning the title over 19 other young contestants, Miss Williams is 16 years old and at AHS was freshman and junior member of the student council, junior cheerleader, and FHA fourth vice-president her sophomore and junior years. Her other activities and sports include Spanish Club, Tiger Tales, Tiger Band, FTA, FHA, National Honor Society, basketball, tennis, and volleyball.

The new cotton queen was crowned by last year's winner, Melissa Madden of Hamlin.

Contestants were participants in the grand parade

which officially opened the parade August 14. During pageant week, they appeared on Henry's Den on Channel 12 Tuesday and on Linda Edwards Show on KRBC Wednesday. On Saturday, prior to the pageant they were on the Harry Holt Show in Abilene.

Named as Miss Congeniality was Miss Patty Prince of Lueders-Avoca.

The candidates modeled two outfits, including a sports outfit and evening dress. This year's clothes no longer had to be 100 per cent cotton, but could contain a blend of fibers. In a rehearsal session with the judges, each girl was asked a question about cotton which reflects the material they were given for study during the week.

Kim's father, Tommy Abe Watson and her grandparents, Mr. and Mrs. E.H. Tankersley and Mr. and Mrs. Abe Watson, all reside in Knox City.

## Governor's Committee On Aging Sets Hearing

A public hearing on the Governor's Committee on Aging (GCA) 1976 State plan will be held August 29 in Austin.

The GCA administers almost \$12 million in federal funds under the Older American's Act. The plan outlines objectives, action steps and resource allocations for fiscal year 1976.

Input for the plan was gathered at four regional conferences held in January and February in Dallas, Houston, Corpus Christi and Abilene. The GCA then met with area agency directors from across the State to draft the plan.

Copies of the draft summary may be obtained from Area Agency on Aging Offices, Regional Offices on Aging, or by writing to the Governor's Committee on Aging, P.O. Box 12786, Austin 78711.

The hearing will be held in the Garden Center in Zilker Park, August 29, from 1-4 p.m.

### WEEKEND GUESTS

Mr. and Mrs. Elton Qualls and son, Rodney of Fort Worth and Miss Irene Bolton of Wichita Falls came Saturday to visit Mrs. Bertha Trimmer and the Chock Reeves. Monday afternoon the Qualls and Mrs. Trimmer took Miss Bolton home and visited Mr. and Mrs. Charles Baker.

### VISITING PARENTS

Mr. and Mrs. John Helms Jr. and Galen of Farmers Branch are here for a few days visiting their families. Mr. and Mrs. Alfred Elston and Lisa and Mr. and Mrs. Johnny Helms, Jimmy and Diane.

# What's The Future For Small Hospital

According to statistics published in the May 1975 issue of "Nation's Business", there are 7,100 hospitals in the United States. Of these, 1,800 hospitals (25 percent) have fewer than 50 beds, with 400 of the 1,800 having less than 25 beds.

These 1,800 hospitals by and large are in rural communities. Many exist only because of total community effort, and they are viewed by their communities with justifiable pride.

Since the advent of Medicare and Medicaid, a large number of patients have their hospitalization paid for through various forms of national and state public assistance. The total hospital bill for these programs is staggering. The budget submitted by President Ford asks for \$7.4 billion for Medicaid and more than \$10 billion for Medicare in the coming fiscal year. Needless to say, the government is concerned over the use of such large sums.

On July 1, government regulations controlling hospital utilization were to have become effective. Many of these regulations were written without consideration of the plight of the small hospitals. This effective date has been postponed pending decision on an injunction and legal controversy over the program. Perhaps the delay in implementation will have positive benefits.

Some of these hospitals have medical staffs of six or fewer doctors. The number of ancillary personnel, clerical staff members, and administrative personnel is comparably small. And, as a result of the federal regulations, many of these small community hospitals are threatened with oblivion.

There is no question concerning the desirability of standards, utilization review committees, and quality performance evaluations. Nonetheless, a fact of life is that no matter how these small hospitals try, they simply cannot meet the manpower hours demanded of already overworked medical staffs which now perform long hours of devoted service to the people in their areas.

The most sophisticated Washington bureaucrat who visits a rural community and finds himself ill would welcome the haven of a small hospital. Every effort should be made to assure the public that any hospital, large or small, is safe and capable of rendering competent care. But the availability of health care services in rural America is being seriously threatened by rules and regulations that may be appropriate for hospitals of 100 beds or more but are totally impossible to meet in the smaller but useful institution.

How is a staff of six physicians, even with the help of interested but medically untrained citizens, going to be able to meet the utilization requirements imposed by the government? Who is going to compile and complete the pages of paperwork demanded for each patient? How is the small hospital to survive?

In a two-page editorial in the May issue of "Nation's Business" entitled "The hospital and the bureaucrats," James J. Kilpatrick raises these and other questions. He reports that "alternative means" are being explored by HEW. In his editorial, which should be read in its entirety by every physician, Mr. Kilpatrick tells of the plight of the Okeene Municipal Hospital in Oklahoma. In July 1974, his 34-bed hospital was inspected by a representative of the Social Security Administration, who prepared a "seven-page single-spaced statement of deficiencies and plan for correction." Among this "authority's" comments were: "Storage of garbage is not stored properly," "the names of discussants (in reports of staff meetings) was (sic) not given," and "there is no registered record administrator which makes periodic visits to the hospital to evaluate the records."

Accord to Mr. Kilpatrick, the examiner who produced this document could not spell "privileges," "Caesarean," "judgment," or "specialization;" in fact, he couldn't even spell "examination."

The most serious hospital deficiency reported was a supposed lack of an emergency water supply; this citation later was acknowledged to be "an error." If this report is considered by the SSA to represent constructive evaluation of a small, 34-bed hospital, larger sister institutions can also anticipate the problems to come.

Currently, great effort is being made by the government to encourage physicians to enter rural practice. Certainly this approach to the small community hospital is not going to induce many young physicians to move into understaffed areas.

Unless state and federal agencies develop more realistic approaches to the problems of America's 1,800 hospitals with 50 beds or less, the health care system in this country will be dealt a tragic blow.

Rules and regulations must be constructive and practical, not destructive. Attainable goals should be set. Every cooperative effort should be made to increase the safety and efficient utilization of the nation's hospitals. But closing hospitals and making numerous communities deficient in readily available health care

and hospital services is not the way to progress.

The small hospitals in America are in most instances doing their best to render available and competent health care. They need support and help, not annihilation.

As a matter of record, Knox County Hospital spent in 1974 the sum of \$67,000 in renovation expenses to meet and stay current with government regulations. It is entirely possible that further expenditure will have to be made to keep a medical facility available in this county in the future.

Inflation and government rules and regulations have caused the total operational costs of Knox County Hospital to jump from \$188,000 in the first year of operation under

# Stamford College Now McMurry

In 1906 the Abilene and Colorado Districts made plans to open a training school within their territory. The school was located in Stamford where some twenty acres were given by Swenson Land Company and \$67,000 was raised.

At the beginning the school was called Stamford College Institute, but later took the name of Stamford College. The College offered two years of College Courses.

The school opened in September 1907 with Jerome Duncan as president, 13 teachers and 236 students. The property consisted of a beautiful five stories Administration Building of stone and a four stores dormitory for young women. Later a frame building was built to house the young men students.

The following succeeded Duncan; Rev. J.T. Griswold, D.D., Rev. W.R. Strother, A., Rev. J.G. Miller and Rev. J.W. Hunt, D.D., LL.D. In 1918 the Administration building burned and at the closing of the term the College was not reopened. Later McMurry College opened in Abilene and Stamford College records were transferred there. The Northwest Texas Conference gave the assets to St. John's Methodist Church and the City of Stamford. Later the land was given to the Stamford Public School System.

The first Board of Trustees consisted of Frank Hastings, of Stamford, president; James A. White, vice-president; Walter Nelson, Secretary; H.S. Abbott of Stamford, treasurer; and R.L. Penick of Stamford, C.M. Patillo of Stamford, Rev. J.S. Vaughn, E.B. Bynum, Rev. J.T. Griswold, Rev. Charles D. West, Dr. G.M. Galloway, Nat G. Rollins of Abilene, R.V. Colbert, F.G. Alexander of Haskell, Rev. S.A. Barnes, Rev. Simon Shaw and Rev. R.E. Goodrich of Stamford.

The faculty during the years consisted of Comer M. Woodward, Dean I.E. Hall, John Newman Brown, Paul E. Bryan, Macum Phelan, Clara Frances Brown, Edith Black, Alta Wiley, Laura Fowler, Caroline Duncan, Willie Rogers, Clifton H. Thomas, C.A. Rogers, Arnie Smith, Myrtle E. Charles, H. Grady Spruce, Nancy Craig Lacey, Emma Wadsworth, Julia Hogan, Mrs. Kent H. Anderson, and Mrs. C.A. Rogers.

Though the life of Stamford College was brief it has exerted much influence upon the church and society of West Texas. Many of our leaders, both ministerial and lay throughout Western Texas are products of this school, such as the Rev. Joy Haymes, N.S. Holland, former superintendent of Stamford Schools, R.B. Wylie, a former business manager of McMurry College, T.E. Hayden, and the Rev. W.E. Hamilton, and the Rev. Irad Kiker. The traditions of the school are being carried on through McMurry College, Abilene.

For many years Stamford felt the loss very severely and as time passed, the citizenry felt the town lost the College because of circumstances beyond their control. World War I caused the enrollment to drop. A severe drought came and the City of Stamford had become a city with a limited

water supply. Some two or three homecomings have been held; one in 1939 was held in Stamford with more than a hundred attending.

The College played a direct influence on the Stamford Methodist Church for they began in 1909 to build a church that would accommodate the enrollment anticipated within the twenty years.

The history of St. John's

Methodist Church is very interesting. The church was hit by a tornado in early 1912 and after the exterior was repaired from the storm the interior could not be completed because of lack of funds.

The church was used for ten years before it was finally completed.

When the college burned in 1918 this contributed greatly to prolonging the completion date of the church.

## GRAIN SORGHUM

Sorghum producers are wanting dry weather for the next week or two in order to harvest the best early grain sorghum crop I have seen in my nine summers in Knox County.

Many dryland fields are expected to yield from 2,500 to 4,000 pounds per acre and irrigated fields more because of higher planting rates and more fertilizer applied. Many irrigated fields were only watered one or two times as there was only a short while when the grain needed supplemental water.

There is the largest acreage of late sorghum in the county I have seen and at this stage a good yield potential is possible with this late planted crop. Insects have become a greater problem in the late grain with increased numbers of greenbugs and the continuing build-up of the grain sorghum midge. Producers with the late grain will certainly want to keep a close watch as sorghum starts the heading and blooming stage and one to three control applications may be necessary to get the grain past the bloom stage without economic losses.

## SCREWORM

Screwworms! Screwworms! That's about all Texas livestock producers are hearing these days. And the situation will probably get worse in the coming weeks as peak fall

build-ups occur.

The current year is shaping up as the worst in total number of confirmed screwworm cases since the disastrous 1972. Cases totaled 1,164 in June, 1,383 in July, and as of August 10 the 1975 total stood at 3,775. The seven-month total for 1972 was a monumental 36,428 cases.

New counties having their first 1975 screwworm cases confirmed within the past week were Burleson, Callahan, Coke, Crane, Ector, Houston, Kent, Reeves, Runnels, and Wichita, in the Texas-Oklahoma boundary.

With the sterile fly production program at the Screwworm Eradication Lab at Mission operation at maximum

capacity, the main responsibility for keeping screwworm numbers under control rests on the shoulder of producers.

Herd should be checked regularly and worm samples from infested wounds should be sent in to the Mission Lab to confirm whether or not the pests are actually the flesh-eating screwworms. Once confirmation is made the area where the case was reported is bombarded with sterile flies that mate with the native screwworm flies. This results in sterile egg masses, and the screwworm's life cycle is broken.

Containers for mailing worm samples are available at the county Extension office and from veterinarians and livestock inspectors. Samples should be sent to the Screwworm Eradication Lab, P.O. Box 969, Mission, Texas, 78572.

# KC News To Publish Children's Pictures

It is an undisputed fact that the responsibilities of tomorrow's world, our nation and community will rest upon the shoulders of the children of today. Since this is true, the publisher of this newspaper would like to give you a good look at these future "World Builders."

The only way we can do this is by publishing pictures of them in a feature series. To assure the latest and best reproduction pictures they must all be of uniform size and quality.

An expert children's photographer with all the necessary equipment for this specialized work will be here Tuesday, Sept. 9. Pictures will be taken at The Kennel in the City Park from 11 a.m. to 7 p.m.

## No Charge To Parents

There is no charge to the parents. There are absolutely no strings to this invitation. It is bonafide in every sense of the word. Parents do not have to be subscribers, nor even readers of this newspaper to take advantage of this feature. Neither are they obligated to purchase pictures after they are taken. Those who want some additional prints may obtain a limited number by arrangement with the studio representative when they select the pose they want printed in the paper. It is entirely up to them.

## The More Pictures The Better

This paper simply wants pictures of all the youngsters and the more the better. So the mothers and fathers of the community in which this paper circulates should remember the date Tuesday, September 9, and bring their children to the photographer.

You will be mighty glad afterwards, if you did and very very sorry if you do not permit your children to participate in this event. The kiddies will have fun and both mother and dad and the youngsters too will be very proud to see their pictures in print later.

Appointments may be had by calling Glenna Benson at 658-3326.

## FROM ILLINOIS

Rev. and Mrs. Mike Wills, Miles and Mendy of Oakwood, Illinois visited from Wednesday until Monday of last week with Mr. and Mrs. Max Bradley, David and Dusty and other friends.

The Wills are former Knox City residents and Mike will be remembered as former pastor of the First Christian Church.

## IN REYNOLDS HOME

Bob Lee of Midland and Clovis Lee Vaught of Amarillo visited their cousin, Roy Reynolds and family Monday and Tuesday. They grew up at Union Grove.

Safe-trailers," Speir said. The DPS director called on motorists to cooperate in law enforcement efforts to hold speeds down during the holiday, noting that "excessive speed is still our top accident problem."

He also urged motorists to work with officers to eliminate the serious threat posed by drunk drivers.

In an effort to reduce the toll, Speir said extra DPS troopers will be on duty statewide. He said troopers and local officers will be especially watchful for speeding, reckless and drunk drivers.

In addition to these efforts, the Texas Department of Public Safety will also work with the news media in its "Operation Motorcade" accident awareness program. This program is designed to provide motorists with current information on accident dangers during the holiday period.

# Cities Receive Share Of Delinquent Taxes

AUSTIN--Comptroller Bob Bullock issued city sales tax rebates Friday worth \$19.9 million and announced a new plan to give cities their proportionate share of any partial collections from delinquents.

In the past, money from delinquents was applied to the state's claim and only after that was totally paid off did the city get its money.

"It was wrong for the cities to be playing second fiddle," Bullock said. "In more than 800 cities the five per cent sales tax is a four-and-one split, so that's exactly how we are going to rebate it."

Bullock said he doesn't look for the new plan to bring significantly more money to cities but "it will get them their share a lot faster than when they had to bring up the rear."

The City of Austin is one example of an immediate beneficiary of the new plan, Bullock said.

An Austin tire company shut down by Bullock last week owed \$37,102 in state taxes and \$9,936 in Austin's city sales taxes. The business was allowed to reopen after paying \$12,000 cash toward

the delinquency and agreeing to pay \$2,000 a month on the balance plus keeping future taxes current.

The City of Austin's \$2,400 share of that initial \$12,000 payment will be included in Austin's rebate next month and its \$400 share of the \$2,000 monthly payment will be paid every month until the full city liability is paid off.

This month's \$19.9 million in rebates to the cities is significantly higher than the \$11.4 million rebated last month. August is the second month of the three month cycle which includes two months of relatively small rebates followed by a large "clean up" in the third month.

Knox City's check amounted to \$3,008.57 as compared to Munday's with \$1,337.12; Haskell, \$5,975.84; Stamford, \$4,248.38; Rule, \$1,030.61; and Quannah, \$4,051.08.
