

KNOX CITY, TEXAS, NOVEMBER 14, 1929

## Knox City Gets Chick Hatchery

Knox City is getting its first chick hatchery in the new business of Lloyd Waltrip. Lloyd is one of the late graduates of the Knox City High school. He has a liking to chickens both babies and fliers and in this line he is soon to open the Waltrip Chick Hatchery for public inspection and patronage.

The incubator, 16118 egg capacity, has completely been installed. Lloyd has also installed a brooder capacity of 2200. He is in a brand new building, located west of the City Feed Store. The building has just been completed a few weeks. Since the completion of the building, Lloyd has been working to get his hatchery apparatus installed so that his opening day will be December 10th, as he planned for in the first days of his work.

In addition to doing custom hatching, the Waltrip Hatchery will have baby chicks for sale. Custom hatching is where the customer furnishes the eggs and pays the hatchery so much per chick for hatching. Then, if you do not want to fool with buying good eggs for setting, you may call at the hatchery, and buy your chicks from those ready hatched.

This is the first such business to be in Knox City, however, it is one that is now needed. The house will be opened December tenth, on which day Lloyd hopes to put in his first eggs. In an interview with the young owner and proprietor one day last week, he stated that the people of Knox City and county must come and see his incubator and brooders whether they are interested or not.

He heartily invites the public to visit his new business and he also made himself clear that he hopes everyone accepts and fulfills it.

Lloyd is well known here and the Herald is looking forward to his near big business.

Mr. and Mrs. J. M. Ashcroft were called to Weatherford Sunday in the illness of his sister.

Mr. J. H. Bevel of Rochester has a new Imperial Chevrolet Sedan which he bought at the Ashcroft Chevrolet Co.

Pure whole milk delivered eight and morning. Whipping cream. Phone 100 Knox City Dairy.

SEE YOU AT CHURCH SUNDAY

## Mrs. English Honored By P.T.A.

Mrs. J. W. English was honored last Wednesday afternoon with a farewell gift and party given by the Parent-Teachers Association.

Wednesday was business day for the P.T.A. The attendance was good and reports of the organization were made. Equipment for a John Stride has been bought and is being installed on the school ground. The P.T.A. has bought a new volley ball and is having a court made for the girls. The organization has also bought new window shades for Miss Carole's room.

Following the business meeting there was a social honoring Mrs. J. W. English. Mrs. English is the wife of the Baptist pastor who has recently accepted the pastorate in Gentry and moved to that place. Mrs. J. A. Wilson, in the name of the Parent-Teachers Association presented a piece of silver to Mrs. English. Refreshments of sandwiches and tea were served to about thirty guests.

## Meeting Called to Reorganize Scouts

There will be a call meeting of the citizens Tuesday afternoon at three o'clock in the Texas Theatre for the purpose of reorganizing the Boy Scouts. This announcement was made Thursday by Mr. J. E. Clarke, chairman of the Citizens Scout Committee.

We are looking for a good attendance Tuesday afternoon especially from the men. S. M. Clontz, Secy.

## Mr. and Mrs. Rutledge Celebrate Wedding Anniversary

Mr. and Mrs. Amos Rutledge celebrated their twenty second wedding anniversary Sunday, November the tenth. In honor of the occasion a bountiful dinner was served to which many friends were in attendance. Among those present were Mr. and Mrs. Herne and family and Mr. Ernest Steward of the Merry Madcaps Stock Company.

Mr. and Mrs. H. E. Wall and family spent the eleventh with his sister, Mrs. O. Pugh in Lubbock.

## Missionary Society To Begin Study In Genesis

Monday afternoon the Missionary Society of the Methodist church met at the church with a program from the Missionary Voice. The Missionary Voice is a magazine published for the Missionary Society. Mrs. J. A. Wilson was leader of the program.

The Society will start next Monday in their study from the book of Genesis. The first chapter will be reviewed and the second taken for study. They especially invite the ladies of the church to attend this study.

Dr. and Mrs. T. S. Edwards spent two days last week in Ft. Worth.

## Armistic Day Observed With Program

SCHOOL CHILDREN IN PARADE

Monday November the eleventh Armistic Day, was observed by the citizens of Knox City with a most impressive parade and program.

The crowd gathered and the parade headed by the American Legion, made the main street of Knox City. The parade was quite lengthy, every body showed in his court through cooperation just behind the Legion boys were the football boys, the pep squad and the school band.

They marched to the Baptist Church where the halling was held. The program consisted of an address from Rev. Casile of Benjamin, a reading "Ladlie Boy" by Mary McCauley and a program from Miss Freeman's school room. The latter consisted of songs, readings and a peace pageant. The high school chorus gave several selections and a number from the Rhythm Band were greatly enjoyed.

The Rev. Casile delivered a splendid address. His address was interrupted by the blowing of the siren at eleven o'clock. At this sound the entire audience paused for two minutes of silent prayer led by Rev. Casile. He then continued his address.

The numbers of the program were all given and greatly enjoyed by the big attendance.

## TOWN BOYS-GREYHOUNDS

At three thirty Monday afternoon the school football team played the town team in which game the school boys were victorious. The game lasted until near the end with neither side scoring. Then the Greyhounds got busy. On about the last round they made a touchdown which gave them the game six to nothing.

A big crowd watched the game.

## J. M. EDWARDS BUYS A NEW GROCERY STORE

Mr. J. M. Edwards has purchased the M System grocery store at Goree from the Wooten Grocery Co. This was formerly owned by th H. J. Edwards estate.

The latest purchase brings quite a nice string of stores for Mr. Edwards at points west. He has one at Bomarton and Knox City, and if had one at Monday he could go right down the line with a tour of inspection.

Mr. Edwards who is still a young man was teaching school in Baylor county a few years ago. He began the grocery business in a small way at Seymour and came on at a good time for the cash and carry system. He has two stores in Seymour now and is branching out in other towns. Mr. Edwards has become an expert in his line of business, and the success he has attained at his starting point will no doubt be carried out his later locations.—Baylor County Banner.

Mr. and Mrs. John Stine and little son of Amhurst were the weekend guests of Mr. and Mrs. A. L. Dutton.

Mr. and Mrs. E. F. Malone of Pert Arthur are visiting in the home of Mr. and Mrs. E. A. Barnett and Mr. and Mrs. J. W. Malone.

## To Give Joint Meeting

There will be a joint program given Wednesday afternoon, November the twentieth in the school auditorium by the Parent-Teachers Association and the study Club. The program is in observance of "Book Week".

Among the numbers of the program will be the dramatization of a book by each of the first seven grades including the Kindergarten, five minutes allowed each room. The audience is to guess the name of the book being dramatized.

The members of the P.T.A. will answer the call by giving the "name of the books" that have influenced me most. Mrs. Horace Finley will discuss "The cooperation of School and Home in Encouraging the Habit of Reading." Mrs. Benjamin Anderson will talk on books for children in the younger grades and the study club will give a musical number.

Following is a statement made by Christopher Morley concerning the child and books.

The innocence and completeness with which the child's spirit is rendered up to the book its absorption and forgetfulness always amazes me. A child does not read for practice and compare, but in the unsullied joy of finding itself in a new world. And every such child is the heart and brain of some teacher, parent or librarian that makes the book possible.

Anne Carroll Moore in the Delimitator says that "Never have children's books been so colorful, so varied and so fascinating as they are today. Never has there been such freedom of opportunity for parents to recapture the rhythm of child life and interests by the intimate sharing of new favorites among books, along with the old and tried".

Mr. and Mrs. O. D. Reid and daughter spent Sunday and Monday in Wichita Falls.

See You Say It In The Herald

## OFFICERS ELECTED FOR INTERSCHOLASTIC LEAGUE

Following is a list of officers of the Interscholastic League elected at the County Institute: J. H. Barlow, Director General; R. M. Cowden, Director of Debate; J. W. Cloud, Director of Declamation; Mrs. E. F. Branton, Director of Spelling; Miss Helen Huber, Director of Essay Writing; H. H. Riley, Director of Athletics; Mrs. Otis Cash, Director of Music Memory.

Two of the Knox City ones were among those elected to serve as officers of the Interscholastic League, namely, Mr. Cloud and Mrs. Cash. Mrs. P. Pool of Benjamin was kind enough to mail us this information, for which we wish to thank her. Mrs. P. Pool is very prompt and courteous to all the county papers. It is something that everyone is interested in and we are glad to publish it.

## BRIGHT'S COMEDIANS HERE

Sam Bright's Comedians, a tent show, is playing in Knox City this week. The tent was crowded Monday night and many people turned away because of a full house. Tuesday night good crowd saw "Toby" a new job. Wednesday, the cold northern wind was blowing. The crowds have been good each night and Mr. Bright is expecting a full house Friday, Saturday night for the show. They will stage Dr. Jerkyl and Mr. Hyde in four acts.

Buster Averitt recently accepted a position with a National Bank in Ft. Worth. He left Wednesday night.

Mappy Smith and Hollis Warren were visitors in Abilene Monday.

Lula Pearl Puckett and Mrs. Roy Baker of Rochester spent Sunday and Monday in Fort Worth.

Last week the Herald labored getting the paper out without

the Linotype. Miss Fanny Russell was called on to assist us and fortunately for the Herald she worked. The motor on the Linotype refused to run. After several days of work on it we thought it would run but Tuesday after one and one half columns were set, the motor decided not to run again.

Our readers will doubtless think we have discarded the

linotype and gone in for hand set type but after this week we hope to get the machine work.

The greatest comfort in winter driving is a well kept and good running motor. If your car needs repair, or if it is giving you any trouble, bring it around and let us fix it up. Our mechanics are experienced and know how to give satisfaction.

Get ready now for cold weather.

**Knox City Motor Co.**

Mrs. BEARDSLEY had just returned from the city and she was telling her friend, Mrs. Stanley, all about her visit.

"... and I saw him through the window. He was all alone at a table in the main dining room of the very best hotel. I was so surprised—you know, from seeing your husband washing his own car and cutting the grass himself and all those things. I didn't think he was at all extravagant."

"Sure, I go in there once in a while when I'm in the city," Mr. Stanley told his wife that evening. "It's not for the food. It's for the coffee. That coffee is worth the price of a meal there by itself. You know, dear, I simply must have good coffee once in a while and... well, I didn't like to hurt your feelings by mentioning it."

"That coffee, madam," the waiter told Mrs. Stanley the next time she accompanied her husband, "is White Swan Coffee. This hotel has used it for years."

Wives who are coffee-wise know that the appetizing aroma and satisfying flavor of White Swan Coffee served at home makes everyone wish that every meal could be eaten there.

"... and I saw him through the window. He was all alone at a table."

Strict selection of the imported coffee and scientific roasting and artful blending each plays its part in fully developing and nicely balancing the famous White Swan flavor.

With the skill acquired by more than a half century of experience, the Waples Platter Company controls every phase of coffee preparation—making sure that no finer or fresher coffee can be brought into your home for the price you are asked to pay. White Swan Coffee comes to you fresh, sealed tins and fresh from the roaster with its rare goodness kept intact. No chemicals are taken with White Swan flavor.

One of the 22 Waples Platter Houses is conveniently close to each of the 10,000 White Swan dealers. A fleet of motor trucks, serving the most important railroad facilities, makes regular deliveries along established routes to the retailer from all of the units of this institution of the Southwest.

Thus, your grocer always has a new supply of White Swan Coffee—freshly packed for you in one and three pound cans.

**RED CROSS EXPENDS  
EIGHT MILLIONS FOR  
RELIEF IN DISASTER**  
Year Just Closed Put Heavy Task  
on Society—120 Calls for  
Help Were Met.

An unusually large number of dis-  
asters in the United States and its in-  
sular possessions have required assist-  
ance from the American Red Cross  
during the year just closed. The or-  
ganization sent emergency relief  
workers to the scenes of 120 torna-  
does, floods, fires and other types of  
catastrophes and expended \$8,000,000  
in relief and rehabilitation of the vic-  
tims.  
Calls for aid came from eleven  
other nations in which earthquakes,  
floods and other problems caused dis-  
tress to large populations, and the  
Red Cross sent \$76,300 to help in re-  
lieving the suffering.  
The catastrophe causing the great-  
est loss of life and most widespread  
devastation was the West Indies hur-  
ricane of September, 1928, in which  
more than 2,000 lives were lost in  
Florida, Porto Rico and the Virgin  
Islands. A relief fund of \$5,882,725.62  
was contributed by the public, follow-  
ing a proclamation by the President  
of the United States, to which the  
Red Cross added \$50,000 from its own  
treasury, and the society was en-  
abled to give relief to more than 700,  
000 persons.  
In the early Spring, river floods in  
the southeastern states cost a heavy  
loss to many persons, 76,000 inhab-  
itants being affected in four states.  
The Red Cross assisted 4,383 families,  
approximately 28,000 persons, with  
food, clothing, temporary housing,  
feed for stock and seed for replant-  
ing.  
In all, thirty-eight states were vis-  
ited by calamities during the year,  
affecting 264 counties. Twenty-eight  
counties were devastated twice by  
storms, fires and floods.  
Red Cross expended \$434,000 from  
its treasury in giving relief in these  
disasters, and at one time had as  
many as 120 disaster relief workers,  
nurses and other representatives in  
the field.  
Funds for this relief work are ob-  
tained in the annual roll call for mem-  
bers, which occurs from Armistice  
Day to Thanksgiving Day, November  
11 to 28. Only once a year—during  
this period of Roll Call—does the Red  
Cross ask public support to carry on  
its many activities.

### ACTS LIKE IT WAS MADE JUST FOR HER

SAN ANGELO LAUNDRY EMPLOYEE'S WIFE HAD BEEN ILL FOR WEEKS UNTIL SHE TOOK ORGATONE

"This Orgatone act just like it was made especially to fit my wife's case," said J. M. Gray, a well-known night watchman at the Troy Laundry who resides at 118 Allen Street, San Angelo, Texas.

"The fact is, my wife hadn't seen Mr. Gray. And almost as soon as she started taking Orgatone it went right to the seat of her troubles and anybody could see that she was getting better. Her stomach had been giving her lots of trouble, she had no appetite and she badly ate enough to keep on her feet. She was weak and nervous and all run down didn't rest well at night and would get up in the morning feeling tired out and not fit for a thing.

"Most everybody here seemed to be taking Orgatone for their troubles and I got some for my wife to take. She is just finishing another bottle and her appetite is better and she now eats a square meal and feels all right afterwards. Her headaches are gone and her nerves are in better shape than they were before she began Orgatone. She rests better and gets up in the morning refreshed and feeling fine. I am surely glad we found Orgatone when we did, for it has done her more good than anything else she ever tried before and we mean to stick to it from now on." in Knox City at the Orient Drug. Genuine Orgatone may be bought Store.

### WEST TEXAS UTILITIES BUILDS 70 MILES OF LINE

The construction of approximately 70 miles of major power lines has been approved recently and work is either under way or will begin within the next two weeks. The construction of these lines takes place in and around 40 towns over the properties served by the West Texas Utilities Company.

Work has begun on the construction of a 132 Ky transmission line to be insulated at present for 66Ky operation. The line approximately 28 miles long is to extend southeast from Sonora to the Sutton-Edwards County line. At this point, the high line will interconnect with one being built north from Uvalde via Camp Wood and Rock Springs by the Central Power and Light Company. This interconnection is being made for the purpose of interchanging power between the two systems and which will supply three-way service to the company property south of San Angelo.

To serve the water wells and pumps of the city of Childress, a 2,300 volt line is to be built within the next few days from Estelline sub station, a distance of four miles. 127,000 feet of 2,300 volt line is being constructed through the new oil section of Bakersfield. Approximately 9 miles of high line has recently been completed through Fisher County to serve oil well drillings and the Humble Pipe Line pump station. Within a few days a 4,000 volt line is to be built to the Joe B. Mathews Ranch near Albany. This line nearly two miles long is to serve his residence and large dairy. Construction will begin within the next few weeks on a 3,500 foot line in the Williams addition, east of Abilene, to serve the T. P. Railroad Company dispatcher's office and the Lone Star Gas Company.

Approximately 5,000 feet of power lines are being built in stretches of from 100 feet to 1,000 feet in Manard, Winters, Memphis and Clar endon for the purpose of improving the lines already built and of extending lines to the steadily increasing list of customers.

### RED CROSS HONOR FLAG GOES TO NEW HAMPSHIRE

The honor flag, given annually to the State which enrolls the greatest percentage of its population as member of the American Red Cross, went this year to New Hampshire. The decision was so close between New Hampshire and Vermont that it hung in the balance for a time. California ranked third in the honor list and Connecticut fourth.

A final tabulation of figures of the 1928 Roll Call showed a nation-wide membership of 4,127,946. The banner rests with New Hampshire, where it is hung in the State House, until the 1929 Roll Call—held between Armistice Day and Thanksgiving Day—is completed and new figures available for the 1929 winner.

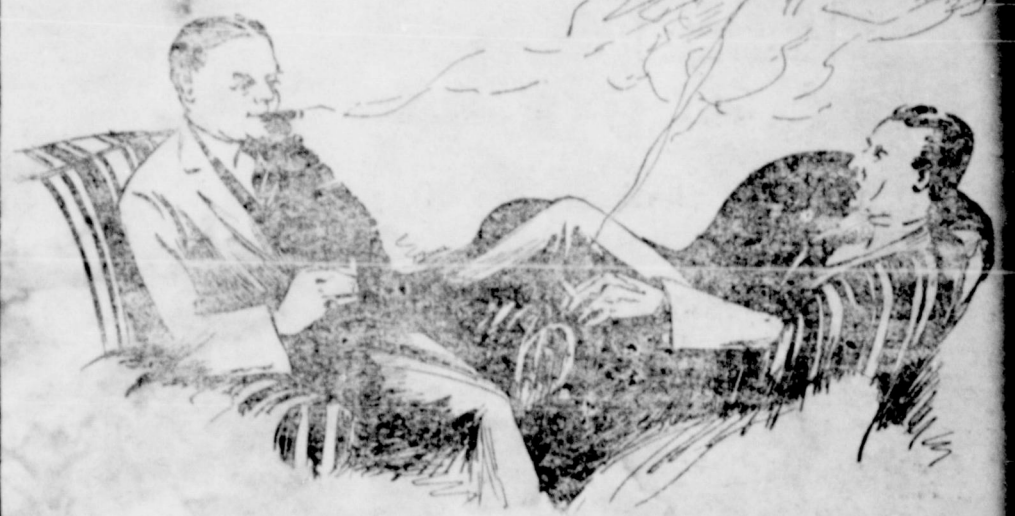

Rev. Solliday returned home this week from Big Springs.

O. L. Jamison is here from Dalhart.

Turkey pickres was Knox City Produce.

"Com' on Jim, Let's Light Up and Talk Over Old Times."

JUST let two old pals get together and you're certain to hear, "Com' on Jim, let's light up and talk over old times."

—Perhaps they have been separated for years, yet upon their meeting they talk of "other days," recalling the happenings of long ago amid the lingering aroma of burned tobacco.

—How things have changed since their last meeting. When youngsters conveniences were few, but

—The average family spends about \$28.89 annually for electric service. ELECTRICITY is the greatest necessity of all. . . . It is cheaper than you can imagine. . . . Use More of it!

with the passing years life sees many changes.

—Not many years ago Electric Lights were a luxury, but today electricity can be well afforded by all. The amount spent each year by the average man for tobacco was pay his "light bill" four times over!
