Chevy pickup pulls through "bottomless" pastures to keep stock fed!

At the Hall Bros. Dairy Farm, Montgomery, Ala., they say this 4-wheel drive Chevy will go anywhere to keep stock fed-even through hub-deep muck that makes it a fight all the way. And yet after a full year of it-no mechanical trouble of any kind!

That Chevy pickup may not win any beauty awards (till it's cleaned up). But it's sure walking off with the top prize for depend-ability. And that's standard Chevrolet procedure. Put a Chevy truck to work and it keeps on working until you say quit. Not before.

We aren't claiming that every Chevrolet truck is turning out to be a miracle-worker and averaging 100,000 miles before a valve job. (Even though some are going 150,000!) You're sure to find, however, that you can't buy more truck dependability at any price. And that's borne out by the fact that more truck owners put their faith, and their payloads, in Chevrolets than in any other make.

Take your load and schedule figures to your Chevrolet dealer. He'll specify the best way to handle both and save in the bargain.

Now's the time - see your local authorized Chevrolet dealer for a real truck buy!

For Health Or Good Cheer, **"THE VERY BEST."**

A wise man of ancient Rome once said, "A thing that is bought or sold has no value unless it contains the hidden ingredient that cannot be bought or sold . . . the honor and integrity of the maker.

The continued good health of you and your family is a responsibility we gladly accept. Each prescription we fill is, to us, a sacred trust, compounded skillfully and accurately by expert pharmacists who take pride in their ability to supply this all important "hidden ingredient."

But, "health and cheerfulness mutually beget each other," wrote Joseph Addison in 1712. Our "prescription for good cheer" on every occasion is our complete selection of Hallmark Cards. And every Hallmark Card has its hidden ingredient, too . . . the quality and good taste that has come from over half a century of leadership.

Whether for health or good cheer . . . for an expertly filled prescription or a Hallmark Card to convey your good wishes . . . we are pleased to serve you with the "very best."
