Knox City Track Team To Compete in BV Relays

Coach Les Cowan, in preparation for the Brazos Valley Relays to be held Saturday, March 24 at Lueders, has 35 trackmen out in earnest for Knox City high's track team.

Among those returning from last year's team are the speed-demon Bobby Driver, winner of the 440-yard dash with a sizzling 51.7, Ross Ed Lankford, winner of the 220-yard dash and Bobby Day, winner of the shotput and who placed in the discus throw.

The local tracksters held a practice meet with Rochester Wednesday afternoon of this week. Since it was a practice meet no times were kept, officially, and it was mostly for the benefit of the coaches of the two teams to eye aspirants under somewhat near contest conditions.

Friday morning, 10:45-11:45, the grade schools of the two towns will meet in a more or less "pee-wee" track meet. The public is invited.

On the varsity the locals will

probably be strongest in the 440-yard dash again this year, although several hopefuls may round into real threats in other events.

BVR Largest in State

The Brazos Valley Relays includes all teams of the area and is the largest of its type in the state. It is believed that the winner of the BVR will be a strong contender for the State Class B championship.

Teams in the district meet, the date of which is to be announced later along with the place, include Knox City, Benjamin, Goree, Vera and Megargel.

Among returning trackmen of the local team are Cecil Beauchamp, Bobby Driver, Jay Anderson, Billy Gilpin, Joey Watkins, Tim Edwards, Loyd McCullar, Ross Ed Lankford and Bobby Day.

Newcomers that appear sure starters at this time include Benton Bolin, Don Bible and Montie White. Should this trio continue with their showing as of now, room will have to be made for them on the team.

Golf Clubs Will Form Area CC

With Joe Averitt presiding, delegations from Knox City and Munday Country clubs met at the American Legion hall in Knox City Monday night and voted to merge.

The assets of the Knox City and Munday clubs will be combined and an area golf club will be formed, it was stated.

The Munday course will be used as the area club and in addition to the two towns, Haskell, Benjamin, Weinert, Goree, O'Brien, Rochester and Truscott golfers will be invited to join in the consolidation.

Knox City golfers and former members of the local CC are invited to contact Averitt or Chad Wilson, directors, before April 1, for information concerning renewal of membership.

Although still in the infant stage, plans are afoot for the employment of a full-time pro for the club and some small talk of a tournament was advanced.

The Munday club, which has grass greens, will be the site of the course, and the name will be changed, however, this will be done at a later meeting, it was stated.

The meeting Monday night was well attended by representatives of Knox City and Munday and gratification was expressed by many concerning the merger.

FORMER TRUSCOTT RESIDENT TO ESTABLISH BUSINESS HERE

S. O. Turner, long-time resident of the Truscott community, moved to Knox City last week and will establish a hardware business here. He has rented the Benedict building west of the city hall.

Mr. Turner, known as "Ozzie" to his many friends in Knox County, is a brother of Mrs. Clarence Woodward of Knox City. Associated with him in the business here will be his son, Wayne.

The senior Mr. and Mrs. Turner are living at 305 E. Main. Wayne and his wife and child are living in the Earl Watson rent house.

Opening of the new business will be announced in about two weeks, Mr. Turner said.

Oil Notes

Thomas D. Humphrey and Sons, Ltd., of Dallas was preparing to drill in their No. 3 Noba Oliver, in the new Strawn pool two miles west of Knox City.

Pipe was set at 4866 feet, at the top of the sand. A drillstem test at 4855-73, with tool open 50 minutes, recovered 75 feet of slightly oil cut mud. Twenty-minute shut-in pressure was 555 pounds, flow pressure zero.

The well was to be drilled in today with a cable tool rig. The drilling rig was skidded to a new location on the Jim Tidwell tract about 1,400 feet from the No. 3 Oliver, and operators were drilling below 1500 feet today. Location of the No. 1 Tidwell is 330 feet south of the north line and 457 feet east of the west line of the 80-acre tract.

Surface casing was set at 1100 feet on the Skelly Oil Co. No. 4 Howell, in the Katz field 11 miles west of Knox City, and operators were waiting Wednesday for the cement to harden.

Location of the 5100 foot test is 330 feet from the southeast and 1651 feet from the southwest lines of Section 81, Block 13, HTC Survey.

1800 Buy License Plates for 1956

County Tax Assessor-Collector M. A. Bumpas, Jr., this week reported sale of 1,800 sets of 1956 license plates for motor vehicles in Knox County. The figure represents about 50 percent of the tags to be sold before the April 1 deadline.

There will be no more trips over the county by the assessor-collector this year for the sale of plates, it was stated.

A new law in regards to commercial vehicles this year requires that the owner must have a weight certificate in his possession and all new commercials, including pickups, must be weighed before license tags are issued. A vehicle operating under lease agreement within the state boundaries must display a sign to that effect in full view, Bumpas added.

City to Enforce Fire Engine Law

Fire Chief A. T. Holcomb met with city council Tuesday evening, March 6, and requested enforcement of Ordinance No. 30, pertaining to the following of fire apparatus within the city limits.

The council voted to enforce this ordinance which appears elsewhere in this issue of The Herald.

Among provisions of the ordinance is a clause which provides for the conviction of any person violating same to be fined in the sum of \$5 to \$100.

Ordinance was first passed and approved by the board of commissioners and the mayor on Aug. 4, 1925, and has repeatedly been violated by local citizens, it was stated.

Provisions of the ordinance cover everything from a horse and buggy to any other vehicle, with the exception of airplanes, as will be noted in the published legal.

Man is Electrocuted Erecting Antenna

Marvin Burton, 27, father of seven children, was killed near Friona Sunday when he received a 7,200 volt electric shock while helping to erect a television antenna.

Burton was listed as a former resident of Chillicothe and Knox City. He was employed on a farm in the Pleasant Valley community between Muleshoe and Earth.

Funeral services were conducted in Chillicothe.

Foursquare Church Erecting Parsonage

Members of the Foursquare church of Knox City expect to begin construction of a new parsonage some time next week, Rev. Floyd V. Bailey, pastor said.

Razing of the old parsonage, said to have been built more than 50 years ago, was completed Tuesday. Men of the church torn the building down and Tuesday several women began pulling nails from the lumber.

The pastor estimated that about \$1500 could be saved by using part of the old lumber. The new house will have three bedrooms, two baths, kitchen, dining room and living room. Labor will be by the church members.

While the building is under construction Rev. and Mrs. Bailey are residing in the dining hall of the church.

PATROL CAPTAIN RELEASES COUNTY ACCIDENT REPORT

The State Highway Patrol investigated seven accidents, none fatal, during February, according to Capt. K. B. Hallmark Jr., commanding officer of the Wichita Falls District of the Highway Patrol.

One accident involved personal injury, while six were confined to property damage. Total property damage was \$3,305. This is an increase of five accidents over the same period in 1955, Capt. Hallmark said.

Over the entire district, the patrol captain added, highway patrolmen contacted a total of 1,036 traffic law violators during February. Of this number, 329 were arrested while 727 were warned.

Speeding was the leading cause of arrest, with no operator's license and improper passing ranking third.

Counties included in the Wichita Falls district are Archer, Baylor, Clay, Cottle, Hardeman, King, Knox, Montague, Wichita, Wilbarger and Young.

School Bonds Delivered to State; To Advertise for Bids in 2 Weeks

"The bonds have been delivered to the state board. The money is in the bank," said Chas. E. Silk, superintendent of Knox City schools Tuesday afternoon.

The superintendent was speaking of the \$200,000 bond issue which was voted Dec. 17, 1955, by eligible voters in the Knox City Independent school district.

The present high school building is to be worked into a cafeteria, the second floor of the building is to be removed. The cafeteria will, when completed, seat 250 people at tables or approximately 400 in a small assembly, it was stated.

To Contain 9 Classrooms

The new structure, which will be used for high school purposes, will contain nine classrooms, a library, science laboratories, offices for the high school principal and superintendent and rest rooms for boys and girls.

New furniture and equipment is

to be placed in each classroom from the 4th grade through high school, included in this are the shop and McGee-Ward school for colored.

Also included in the proposals will be two equipment rooms onto the present gym, the shower facilities for both sexes are to be re-worked. It is anticipated that in the near future dressing rooms will be erected at the football field and new shop facilities will be installed for the vocational agriculture department.

Unless unforeseen events prevent, it is expected that advertisement for bids on the work will be made within the next two weeks, it is said.

The old cafeteria building will be remodeled for a band hall, the present band hall will be turned into a choral room.

Reasons Listed

The superintendent gave the following reasons for the change-over,

stating that they were the most important:

1. Because of the maintenance costs, it was felt that a new structure for the high school would be better. By converting the old high school building into a cafeteria, much of the strain would be reduced, thereby making maintenance costs cheaper.

2. With the erection of a new high school building in buff-colored brick to match, or nearly so, the color of the other buildings, with the exception of the old red brick building, would give a better balance in color and to the campus.

3. It was estimated by the architects that converting the old high school building into a cafeteria instead of building a new cafeteria, one foundation would be cheaper to run than the two that would be necessary otherwise.

4. Such moves were advised by Wilson, Patterson and Associates of Fort Worth, the architects.

5. The new building will not be connected with the older one. In this respect, the fire insurance rates on the new building will be for a semi-fireproof building, whereas, should the building be connected the rates would be higher, as they would apply to a brick structure, of the type of the old high school.

If good competitive bids are received, construction costs may be less than anticipated by the architects. In that event, the amount saved would be used for additional construction that is needed, the superintendent added.

Average annual payments on the indebtedness for the first 20 years will be \$19,518 and for the next 10 year, \$18,495.

"The board feels that the plans will take care of our pressing needs and at the same time be safe over a period of years," Supt. Silk concluded.

Rev. Burns Will Assume Pastorate of Christian Church

Rev. Pearce J. Burns, 57, will begin duties Sunday, April 1, as pastor of the Knox City First Christian Church, it was announced this week.

The church has been without a full-time preacher since early September when Rev. Bob Hanna resigned.

Rev. Burns comes to the local church from Silsbee, Texas. Prior to that pastorate he was with the church in Slaton for four years. He is a graduate of Texas Christian University.

Rev. and Mrs. Burns will move into the remodeled parsonage the last week of March. They have two children, both married. Their son is a sergeant on the Ft. Worth police force and is studying for the ministry. A daughter lives in Beaumont.

Members of the Young People's Society of the church, with Joe Reeder Jr. as their teacher, are redecorating and remodeling the parsonage. All the rooms have been painted, new wallboard installed in the kitchen and bathroom, new linoleum laid, and a steel cabinet unit installed in the kitchen. Class members have done most of the work at night.

Local Minister Speaks to Lions

Mitchell Greer, minister of the Church of Christ, Knox City, was the speaker at the regular Wednesday noon meeting of the Lions club.

The speaker, using illustrations, spoke on the subject of "Life on Three Strings." He said that one could make a success of life even if played only on three strings. The three strings, as quoted by the minister, are "Preparation," "Patience" and "Partnership."

During the business session, members voted Ed Johnson in as a new member of the club.

Lion President G. W. Coats, presided at the meeting.

BARNEY OLDFIELD, JR.

Barney Oldfield, Jr. (Paul Hoge, to you), was at the wheel of a 1930 Marmon Wednesday night on a run from Weatherford to Knox City.

The 26-year-old car, property of Mary Leone Hoge, sister of the pilot, was stored in Weatherford and had not been used for 18 months. In span of life the vehicle has only been driven 58,000 actual miles.

With the exception of a stop in Jacksboro for a quick-charge of the battery, three quarts of oil and numerous gallons of fuel, the "giant of the highways" made the trip from Weatherford to Knox City with a total running time slightly under five hours.

REEVES AND DOTSON OPEN GARAGE HERE

"Chock" Reeves and Buddy Dotson announced this week that they are opening a garage in the tin building just north of the West Texas Utilities Co. sub-station.

Both men have been employed number of years by Benedict Motors, which is presently closed. Reeves and Dotson invited their old customers, as well as new ones to bring their vehicle repair jobs to the new garage.

Ground Observers In Practice Alert

The Ground Observer Corps will have a practice alert Sunday afternoon from 1:30 to 5 o'clock, according to Rev. Walter Driver, director.

The alert will be held at the pump house near the hospital and aircraft will be over the area, it is stated.

The director urged that all who have signed up as volunteer observers be present at this practice.

Among the volunteers who have volunteered their services are:

Mmes. Bob Bailey, Milton Bradberry, Bruce Campbell, Jr., Charles Clarke, Joe Clonts, Sam E. Clonts, Jerry Cobb, Rip Collins, Bill Colwell, H. M. Compotn, Z. E. Cone, Les Cowan, Billy Frazier, Wesley Garrison, Jeff Graham, R. E. Hackfield, Jr.

Also Mmes. Paul Hoge, Ben Knight, Charles Markward, Neil Perdue, R. B. Perry, Paul Prater, Jerry Rea, Jim Ross, Charles Silk, Ed Smart, Dan Steakley, H. E. Stephens, Sammy Tankersley, Travis Thompson, George Wall, Henry L. White, Clyde Williams, Chad Wilson, Erwin Youngblood.

Other volunteers include Mmes. Guy Robinson, O. B. McElroy and Inez Carver, also Jeff Graham and Joey Watkins.

Mrs. Bob Robinson is assistant director of the group.

School Election Set for April 7

Election of school trustees for Precincts 2 and 4 and trustee-at-large are scheduled April 7, according to the county school superintendent.

Incumbents at present are E. A. Beck of precinct 2 and J. E. Cure of precinct 4.

Sam Leaverton is trustee-at-large incumbent.

Incumbents File in City

In the Knox City school district trustee election, which will be held in conjunction with the county trustee election, incumbents Lloyd Waldrip and Horace Finley held Waldrip for re-election. Eddie Shaver Jr., whose term also expires, has not filed for re-election. Finley is presently serving as secretary of the local board, Shaver as vice-president.

Knox City Girls To Mattson for Volleyball Tourney

The Knox City girls volleyball team will participate in the Mattson tournament March 16 and 17.

Eight teams have entered the tourney. First round of play pairs Rochester and O'Brien at 3:15 p. m. Friday; Old Glory and Knox City at 6; Weinert and Mattson, at 6:45 and Munday goes against Peacock at 7:30.

The semi-finals, consolation and championship brackets are scheduled for Saturday evening with the championship game on tap at 9 p. m.

The games will be of 30-minute duration, with a 5-minute break at the half. A 2-point lead will be necessary to win. If neither team has such a lead at the final gun, an extra period will be allotted until one team has that lead.

Mrs. Linley Humphrey and daughter, Myra, both of Wichita Falls, and Vernon Hartman Jr. of Dallas visited Mr. and Mrs. C. A. Hull this week.

Buddy Angle Sells Station to Bill Holt

The Buddy Angle Conoco Service Station was sold this week to Bill Holt, formerly of Saint Jo.

The new owner and operator of the station is married and has one daughter and two grandchildren, living in Kansas. He and Mrs. Holt have moved to Knox City and are making their home in an apartment at 303 E. Sixth street.

In announcing the sale Angle expressed his thanks to the many customers and friends that have patronized him in the past, and urged them to continue their trade with the new owner.

SMILE, DOGGONIT, THAT WAS RAIN!

Early Thursday morning a slight drizzle began falling in Knox City.

Later in the day the precipitation became noticeable as the moisture content became heavier. Although it was not of measurable quantity at press time, it sent the hopes of farmers and ranchers of the territory soaring, as rain is desperately needed in the locality.

DAVIS WITHDRAWS FROM PRECINCT 5 CONSTABLE RACE

Leroy Davis, who recently announced his candidacy for constable of Precinct 5, this week withdrew from the race.

Davis said his farming interests made it necessary for him to withdraw. He expressed his thanks to his friends for their encouragement and support.

Davis' withdrawal leaves Lewis Floyd the only announced candidate for the office.

Roy Tankersley and Paul Hoge were in Fort Worth Wednesday, on business.

Doris Bales Elected County-Wide Head Girls 4-H Committee

Doris Bales of Knox City was elected county-wide chairman of the Girls' 4-H committee at a meeting held in Benjamin last week.

Pat Barnett of Benjamin was elected vice-chairman and Kaydean Hester of Knox City was named secretary.

Six of the ten clubs in the county were represented at the meeting when groundwork was laid for the coming dress revue, according to Miss S. C. Kinsey, home demonstration agent.

Clubs represented at the meeting were Knox City, Munday Juniors, Sunset, Gilliland, Rhineland and Benjamin.

Margaret Chafin is Veep of Social Club

Margaret Chafin has been elected vice-president of the Delta Chi Omega social club at Harding College, Searcy, Ark.

Miss Chafin, a junior English major, is the daughter of Mr. and Mrs. H. C. Chafin of Knox City. She graduated from Knox City high school in 1953.

FORMER TRUSCOTT RESIDENT HONORED AT UNIVERSITY

TRUSCOTT, March 5.—Danny Boone, 22, son of Mr. and Mrs. Dan Boone of Wichita Falls and grandson of Mrs. A. P. Smartt of Truscott, has been named one of the "Ten Outstanding Students" at the University of Houston.

Chosen from a group of 56 nominees, the finalists were judged on a basis of scholarship and participation in student activities.

Danny attended grammar school in Truscott, and has visited the community often during the summer months.

A senior petroleum engineering student, he is a member of Phi Theta Kappa honorary scholastic society and the American Institute of Mining and Metallurgical Engineers. He was recipient of the "Socony-Vacuum Scholar" award, which is presented annually to an outstanding student in engineering. He is an officer in Sigma Alpha Epsilon fraternity and represents the group in the student assembly.

A member of the university's national champion 440 relay team, Danny was presented the Dr. Charles E. Saunders Award for the athlete of the year in 1955 and was recipient of the Lieberman Award for 1955 as the most valuable performer on the University track team.

Big and Small Babies

KING-SIZE BABIES—Here's a couple that would make any weighing scale groan. The man on the left tipped the scales at 388 pounds and the gal weighed in at 328 pounds. This combined weight of 716 pounds made this couple winners in the annual Fat Folks Feast at Cavour, Italy.

HURRICANE BABIES—Any fisherman would be proud to pose with a catch of striped bass such as these, Angler James Golon, 13 years of age, named the 21 and 18 pounders he recently caught, Connie and Diane after the recent hurricanes that swept through Long Island Sound.

DAVY CROCKET BABY—It still remains to be seen if this Davy Crocket will get himself a B'ar. But he seems husky enough to face all critters—even people. His full name is David Cyril Crocket Jr., and he was a recent arrival at Papa Crocket's home in Newport News, Va.

MUSICAL PROGRAM SLATED AT GILLILAND SCHOOL

There will be a special musical program at the Gilliland school Friday, March 16 at 7:30 p. m., it has been announced by Mrs. Curtis Casey, teacher.

The public is invited to attend. Sam T. Edwards is here visiting his parents, Dr. and Mrs. R. C. Edwards. Sam is a surveyor for National Geophysical Chemical Co. and at present is living in Opelousas, La.

STREAMS in Desert Places

By Ozelle Stephens
The divine presence of God is a comfort to the saints but is a terror to evil doers. "And they heard the voice of the Lord God walking in the garden in the cool of the day: And Adam and his wife hid themselves from the presence of the Lord God amongst the trees of the garden." (Gen. 3:8).

As the ark was moved, David prayed "that the enemy be scattered as smoke is driven away, so drive them away: as wax melteth before the fire, so let the wicked perish at the presence of God." (Ps. 68:2).

You need not fear as you walk in this pilgrimage of life if you walk hand in hand with Jesus. He may lead you through the waters but He will not let them overcome you. He may lead you through the fire, but He will keep you. (Isa. 43:2).

He said: "Behold I am with thee, and will keep thee in all places whither thou goest . . . fire, but He will keep you. (Isa. 43:2).

Farm Land Values Up Despite Drop in Farm Income

Factors other than farm income have been keeping farm land values high during the past two years.

In the past, according to John G. McHaney, extension economist, the value of farm land and buildings has risen when farm income rose and dropped when farm income declined, showing a definite relation between the two.

Since 1953, contrary to the usual pattern, farm land values have slowly and steadily risen to a new record-high peak, despite declining farm income. U. S. Department of Agriculture figures, based on regular reports from 16,000 farmers and 10,000 real estate reporters, show this to be a nationwide trend.

McHaney cites these important developments as probable causes for this unexpected strength in land values:

Farmers themselves are strong bidders for additional land to enlarge their farms. Caught in a cost-price squeeze, many farmers see increased use of machinery and more land as a means of increasing their productive efficiency.

Too, credit to finance farm purchases has become more readily available. Several large lenders reduced interest rates and raised appraised values for loan purposes in 1954, and a booming non-farm economy has encouraged investment in farm land by urban people.

Despite the influence of these three factors on land values during the past few years, as they have in the past, upon the general level of farm earnings. Some current investments in farm land may be inspired by the expectation that it will develop "scarcity" value as our population continues to increase. McHaney discounts this possibility on the basis that technical advances in prospect for agriculture over the next 20 years will make it possible for us to meet all foreseeable needs from present farm acreage.

Mr. and Mrs. Sam Emory Clonts spent the week end in Fort Worth with friends.

Mathis Receives New Contract With Mattson School

Elvin T. Mathis was re-elected superintendent of the Mattson Rural High School recently for a two-year term. This was his first year as head of the school, which is located near Haskell.

A graduate of Crews High School and McMurry College, Mathis began his teaching career at Baird in 1941. Subsequent changes were to Paint Rock in 1942-43; the U. S. Marine Corps in 1943-46; coach at Water Valley 1946-1950; teacher in Thomas A. Edison Junior High School in San Angelo 1950-53; and coach at O'Brien from 1953 until he accepted his present job last

September. In 1950 Mathis received the degree of Bachelor of Arts from Simmons University in history. Changes made in the school in the past year include the employment of seven new teachers, purchase of new equipment, and improvement of the school building. Other activities included the painting of all outside walls, the purchase of new desks and chairs, and accepting memberships on various school organizations. Mr. and Mrs. G. O. Mathis and their friends in the O'Brien community were present during the week end.

SALUTE—

New face, new town. We are happy to be in Knox City and hope to remain for some time.

We ask the citizens of the town to please remember that there is only one of us for you to remember while we have 2200 names to learn, so, if we are a little slow in remembering your name, please accept our apologies.

Howdy, Knox City.

Although a girl may be as strong as an oak, she still needs some sap to support her.

SLAP ON THE WRIST—

Yours truly walking into a certain business establishment Sunday morning and asking for a Dallas Morning News.

Clerk says don't have one. We leave.

Standing on the walk outside not more than two minutes when out walks a townsman with—yep, you guessed it—a Dallas Morn-

ing News.

Evidently we are not one of the chosen few, not being a native son.

OLD STORY—

Another couple faced the judge with the eternal problem.

"We were happy for over a year, your honor, and then—Baby came."

"Boy or girl?"

"Girl—she was a blond and moved in next door."

'STINKIN' BEESEES'—

According to John Anderson, rancher over Pilot Point way, the country around New Harp, in Montague county, is the best hunting grounds for skunks.

Anderson raises hundreds on his farm and traps others to sell for pets. He says there is no better pet than a deodorized skunk.

He wears goggles and old clothes when handling them—before they are operated on.

What is the best thing to remove skunk smell?

He says to rub tomato juice over your body. That kills the odor.

Perhaps so, he says it does, we are in no hurry to find out.

A shooting star plummeting down like a tear of light and vanishing in the dark above the Plains—a sight that can only be seen in Texas.

ALL RIGHT, YOU COPS—

Over Ennis way, Mayor pro tem O. L. Hindman gave the members of the police department a raise in pay, then put the force on probation for one week—with the exception of the city marshal and the parking meter cop.

He said, "Fellows, I don't have anything against you, but this is an ultimatum."

He said that unless improvement was seen in one week the cops could look for another job.

The police department is costing the city \$1800 a month and last month only \$553 in fines, including those for over-parking, was collected.

In other words, start arresting people whether they have violated a law or not—makes no difference what you have to trump up, you cops start dragging in arrests so they can be fined.

Thanks for the warning, Hindman, you keep your durn town, we surell don't want it.

NEWSPAPERING—

Glamour don't need grammar.

The Cotton Plant That Kills Insects

Cotton plants with built-in protection against insects will be grown this year in Mississippi and Texas. This is made possible by treating cotton seeds before planting with a new insecticide, named Thimet, which stays in the growing plant for up to seven weeks and eliminates two to four early season-dustings or sprayings. The cotton plant at right in the photo was protected by Thimet; the one on the left was not and shows typical insect damage.

GI Insurance Rights Expire in 120 Days

Veterans of the Korean and post-Korean conflict period are losing valuable GI insurance rights because they are filing applications for special five-year term policies four months after separation instead of within 120 days. The law grants only 120 days in which to apply for this non-convertible term policy without medical examination, the Veterans Administration said today.

One hundred and twenty days VA explained, can be and usually is less than four months. So when a Korean veteran counts on a four-month leeway and then files his application one, two or three days late, he cannot be granted insurance under the law. Not only must the application for this special term policy be filed with VA within the 120-day period after separation, but the first premium also must be paid within the same period, VA said.

Longer Period for SCDs
 A longer period of time in which to apply is granted to Korean or post-Korean veterans who are found by VA to have service-connected disabilities. These veterans must apply within one year from the date VA finds their disabilities to be service-connected and they must pass a medical examination to show they are otherwise insurable except for their service-connected disabilities.

Any VA office will be glad to assist Korean and post-Korean veterans applying for the GI insurance to which they may be entitled.

Committees for a Ceramic show were named at the regular meeting of the Knox City Dirt Dobbers Tuesday night in the home of Mrs. Frank McAuley, Jr. Co-hostess was Mrs. S. J. Reeves, Jr.

Mrs. Erwin Egenbacher, president, conducted the business meeting. The ceramic show will be held sometime in April at L-B Ceramic Shop.

Committees named were: Staging and classifications, Mrs. Dick Blalock, Miss Carol Finley, Mrs. B. F. Cornett, Mrs. Hazel Long and Mrs. Egenbacher.

Clerks, Mrs. Blalock and Mrs. Egenbacher; publicity, Mrs. Jimmie Branch and Mrs. Blalock; refreshment, Mrs. Guy Robinson, Mrs. G. W. Coats, Mrs. McAuley and Elizabeth Hertel.

Decoration, Mrs. Reeves, Mrs. Joe Averitt, Mrs. Blalock and Mrs. Egenbacher; and clean up, Mrs. Egenbacher, Mrs. Ford Waldrup, Mrs. A. A. Cox and Mrs. A. S. Logan.

It was voted to postpone the show until a later date to give new students more time to complete their entries. The show will be judged by an out of town judge and ribbons will be awarded.

After the business meeting, Miss Finley gave a demonstration on applying bead glaze. Refreshments were served to eight members and two visitors, Miss Bettye Gail McLamm and Mrs. Grace Watson.

Next meeting will be held at the home of Mrs. Averitt Tuesday, March 27. At that time Mrs. Egenbacher will give a demonstration in china painting applied to roses and leaves and Mrs. Blalock will demonstrate china painting features on figurines.

O'BRIEN W.M.S. MEETS

The Jaxie Short circle of the O'Brien Baptist W.M.S. met this week in the home of Mrs. Vivian Hendrix, with five members present.

The Bible study lesson was on the Great Commission. Closing prayer was led by Mrs. Mabel Fullings.

Lt. and Mrs. L. W. Harden and young son, Steven, of El Paso are here visiting his father, Wayne Harden, and his sister, Mrs. Tomoy Reynolds.

Public Response to Public Schools Week Reported Good

School officials were well pleased with the public's response to Public Schools Week in Knox City, Supt. Chas. E. Silk said Tuesday.

Many parents visited the school on visitation day last Thursday and the auditorium was filled, with standing room only, for the all-school program Thursday night.

Each grade in the elementary school presented a five-minute program of songs and music.

The school band and the junior band played and the high school chorus sang several numbers.

In a speech, "The Future of Our School System," Supt. Silk announced the changes made in the building program and gave reasons for the changes.

Also on the program were three high school students, Barbara Egenbacher, Jimmy Dutton and Glenda Givens.

Final Rites Held For Will Davis, 76

Funeral services for Will Davis of Rule, father of Bert Davis of O'Brien, were held at the First Baptist Church in Rule at 4 p. m. Friday. Rev. Riley Fugitt, pastor of the church, officiated, assisted by Rev. Jack Jeter of Pinkerton. Masonic burial rites were held at the Rule cemetery.

Mr. Davis, 76, retired farmer and stockman, was found dead at his home in Rule by a son Thursday. He was born March 14, 1879 at Hearne and married Naomi Nixon there Oct. 19, 1899. The couple moved to Haskell County in 1905. Mrs. Davis died Aug. 31, 1955.

He served in the First Texas regiment in the Spanish-American War and had been an active Mason since 1916. He was past master of the Rule Masonic Lodge.

Survivors include three daughters, Mrs. Florence Malone of Wichita Falls, Mrs. Willie Mae Whitmore of Spur and Mrs. Mildred Hodges of Albuquerque, N. M.; four sons, Bert of O'Brien and Earl, Allen and Hollis, all of Rule; three brothers, Cal and Jess of Hearne and Jack of Tyler; one sister, Mrs. Pearl Hinson of Brownfield; 25 grandchildren and 22 great-grandchildren.

THE TEXAS LAW ENFORCEMENT CONFERENCE, sponsored annually by Attorney General John Ben Shepperd, left, will be held in Austin March 18-21. Featured speakers, left to right, include Erle Stanley Gardner, attorney-criminologist and author of the Perry Mason mystery series; Rod Cameron, TV star of "City Detective"; and Col. Homer Garrison, Director of the Texas Department of Public Safety. Private citizens interested in law enforcement are invited to all sessions of the meeting. The week beginning March 18 has been designated by the Governor as "Civic Support of Law Enforcement Week" in Texas.

Former Munday Man Killed in Jet Crash

First Lt. Arledge W. Suggs, 25, of Arlington was killed Monday when his jet interceptor plane crashed in a densely wooded area near Oscoda, Mich.

Suggs was reared near Munday and his mother, Mrs. Tennie L. Suggs, lives in Munday. He made his home in Arlington with a brother, Cecil R. Suggs.

Bodies of Lt. Suggs and his radar observer, Lt. Edward D. Parmenter of Bloomfield, Mo., were found Tuesday near the wreckage of the plane. The officers, based at Wurtsmith Air Force Base in Michigan, were on a routine training mission.

Suggs received an ROTC in 1952 and finished pilot training at Bryan. He attended Tarleton State College two years before entering Texas Tech.

Mr. and Mrs. Joe S. Smith spent last week with their daughter, Mrs. Byron Lee, and husband in Leveland. The Lees returned home with them and spent the week end.

Junior Class Play Set for March 27

The Junior class of Knox City high school will present the play, "Separate Ambrose," Tuesday night, March 27.

The setting for the play is a deserted hotel in "Dead Man's Gulch" in 1880, on the desert. Female characters will be costumed for that period while their male counterparts will be "westernized."

Comedy parts will be played by Bill Yarbrough as Dan'l, a colored watchman, and Joan Wilson as Posie, a Negro maid.

Other members of the cast are: Ambrose Groves, Rip Collins; Bert Miller, Bennie Stephens; Sheriff Crandall, Bobby Driver; Hoot Owl Pete, David N. Perdue; Nancy Martin, Patricia Compton; Stinkweed, Roy Cypert; Anne Martin, Patsy Denton; Beth, June Cox; Mrs. Spool, Geneva Gwinn and Lena, Nelda Dodd.

The judge is Ed Lankford; first man, Bill Bolin and second man Dwayne McNulty.

Charles Todd, 14-year-old Truscott 4-H boy, showed the champion ram and the reserve champion ewe in the Hampshire sheep division. Junior Breeding Sheep Show, at the 1956 Houston Fat Stock Show recently.

Charles also showed the second place ram lamb, the second and

third place yearling ewes, the fourth place ewe lamb and the first place exhibitor's flock.

Charles is the son of Mr. and Mrs. Elmo Todd of Truscott. Mr. Todd served as assistant sheep superintendent at the Houston show this year.

In conjunction with the stock show and auction sales, Houston presented its annual rodeo. Roy Rogers, Dale Evans, Pat Brady and the Sons of the Pioneers were featured attractions of the show.

have to be inspected the next five weeks by check-ups before the deadline.

Mrs. C. J. Reese, president of the Knox City Study Club, will attend the First District Federation of Federated Clubs at Bedford Friday. She will accompany federated club members Monday.

April 15 Deadline For MV Inspection

The highway safety council of Texas today warned Texas motorists that they face the "longest waiting lines in four years" if they postpone inspection of their automobiles nearer the April 15 deadline.

State law requires that every motor vehicle in Texas—passenger car, truck and bus—to pass an annual check-up on mechanical safety. It is unlawful to operate a vehicle which has not been inspected after the deadline.

It is estimated that more than 150,000 automobiles a week would

OK if You Win; Rough if It's a Tie
"Don't try to argue with a train—it might prove fatal."
That warning was given motorists today by E. C. McFadden, vice president, Employers Casualty Company, Dallas and president, Texas Safety Association, Inc., in urging increased public support of the Signs of Life program which the Texas Safety Association, department of public safety and the national safety council are conducting in Texas in the interest of greater traffic safety.
"Pointing out the appalling number of highway-rail accidents each year which are caused by motorists' failure to heed the

warning signs and signals posted at railroad grade crossings, McFadden said. "The severity of these accidents is so much greater than other types of traffic casualties that the public must realize how fatal it is to try to beat a train to a crossing."
"In 1954, 1,377 people were killed and 3,352 injured in railroad grade crossing accidents. Four out of 10 of these accidents occurred at crossings at which there were gates, lights, bells, watchmen, or combinations of these methods of protection," he said.
Rules to Be Observed
Urging motorists and pedestrians to join in the nationwide drive to cut down on traffic accidents by carefully observing all traffic signals and signs, McFadden gave the following rules in crossing railroad tracks:
1. Be sure all tracks are clear. Even though a train may have passed, there may be another train coming.
2. Where there are no lights or audible signals at the crossing, listen for the train whistle and the noise of its approach, looking both ways before beginning to cross.
3. Where there are gates, signal bell, and warning light at the ways before beginning to cross, till they have stopped operating.
"These signs of life are designed for your protection," he said. "Obey them and you'll live longer."

RECEIVES DISCHARGE
Don Dodson, son of Mr. and Mrs. C. E. Dodson, was discharged from the Navy recently and is now at home in Rule, where he is employed by a lumber company. Don spent four years in the Navy, spending a part of the time in Formosa and Japan. He is a 1951 graduate of Knox City High School.

Irrigation of Crops Continues to Expand
An estimated 6,200,000 acres of Texas crop and pasture lands were under irrigation last year. The figures were obtained by R. V. Thurmond, irrigation specialist for the Texas agricultural extension service, from county agents of the state and was completed in September 1955.

Week end visitors in Knox City were Mr. and Mrs. Perry K. Jones and children of Weatherford, Okla. Mr. Jones is former principal of Knox City High School.
Mrs. Bill Carlile and daughter, Connie Ann of Midland, are visiting her parents, Mr. and Mrs. J. E. Gray.

From where I sit ... by Joe

Information "On The Line"

I was reading the other day how a person can get all sorts of things just by dialing a number on his telephone.
In New York you can get the time, the weather, or a prayer. In Philadelphia it's the stock reports. In Boston a voice tells bird watchers what's to be watched in the park.
Over in Europe, they go further. Vienna offers a five-minute fairy tale for kids. In Switzerland you can get the news in any of three languages. And a couple of places have "talking menus" for desperate housewives.
From where I sit, it matters if ideas are on the telephone, through the person—as long as it's them or leave them. I like a glass of beer with per. You may prefer of branch water. Well, harm in "listening" to opinions... but if he force them on you, it's an American's privilege to "hang up!"

Joe

It's Time to buy a Frigidaire Electric Dryer!

The Imperial FRIGIDAIRE DRYER
Only \$265 per week

No more weather worries. Sand, wind, heat, or rain make no difference to the woman with a Frigidaire Electric Dryer. She can do her whole laundry automatically—whatever the weather.

Low-cost drying. Drying clothes electrically is economical three ways—the electricity costs only a few pennies, you save your clothes from sun-fading and wind-whipping, and you save yourself back-breaking lifting and stretching.

No expensive venting or plumbing. Frigidaire's exclusive Dryer FILTRATOR removes heat, lint and moisture so efficiently you can use your Dryer almost anywhere.

Be wise! Live Electrically!
