Effective aid to children crippled by polio, arthritis and birth defects will require major support from the 1959 March of Dimes, the chairman said. Patient care has always been the largest program of the National Foundation, which sponsors the March of Dimes.

The Mothers' March will be held from 7 to 8 p. m. Saturday Jan. 31, Mrs. W. J. Roddy, local fund chairman, said today. A kickoff coffee will be held from 6:30 to 7 at Roddy's preceding the march. The chairman asked all block captains, who will be announced next week to meet at the cafe for coffee and suggestions for making the drive a success. Mothers making the march will be identified by wearing one white glove, which in this year's fund campaign, signifies the "hand of mercy," Mrs. Roddy said.

This is a view of the main (north) entrance of the new O'Brien school building, which was dedicated Sunday. At left is the cafeteria, which adjoins the classrooms. New construction also includes a gymnasium, which is east of the main building.

The farm-to-market road in front of the school will soon be paved, and plans are to pave the area between the road and the entrance Supt. Elvin Mathis said, and the grounds have yet to be landscaped.

## Homecoming at O'Brien Draws Many Visitors

O'Brien dedicated \$181,000 worth of new school buildings and fed over 400 residents and visitors Sunday at their first homecoming since 1937.

Activities for the day began at 11 a. m. when community church services were held at the First Baptist Church. Rev. C. A. Powell of Crowell, former pastor of the church, preached the service.

A dinner at the school's old cafeteria was served by Roddy's Catering Service. The dedication program scheduled to be held in the new cafeteria, was held in the gymnasium to accommodate the large crowd.

S. N. Reed, assisted by R. P. Barnard, was master of ceremonies. Raymond Elmore of Brownfield gave the invocation. Reed welcomed the visitors and introduced Joe Davis of Irving, former superintendent, who gave the response.

Giving a sincere statement of his feelings, Davis said O'Brien "is the best town I have ever lived in." He credited the improvements in the town to the close fellowship and wholehearted cooperation of its citizens.

Nineteen former teachers of the Carney, Hutto, Cliff, and Mitchell school districts were recognized. Mrs. Neal Logan of Knox City was recognized for having taught the longest. Her tenure with the O'Brien schools was 14 years, three months, and one week. During World War II, Mrs. Logan said she served as "high school superintendent, high school principal, elementary principal, janitor, teacher, lunch See **HOMECOMING**, Back Page

## BOND ELECTION CALLED FOR COURTHOUSE IMPROVEMENTS

Knox Countians will vote Saturday, February 7, on \$55,000 bond issue for repairs and improvements to the county courthouse, County Judge L. A. Parker announced this week.

The election was called at a meeting of the commissioners court January 19. Motion was made by J. B. Eubank Jr., commissioner Precinct 3, and seconded by George Nix, commissioner Precinct 4.

The bonds, if approved by the voters, will mature in not more than 15 years and bear interest not exceeding 4 percent. While the election order calls for an ad valorem tax, Judge Parker said the tax is already assessed and the bond issue will call for no new or increased taxes.

The county is in good condition on its bonded indebtedness, the judge added, with the only indebtedness being on the county jail and the new wing on the Knox County Hospital.

The courthouse, which was completed in 1935, has had no major repairs or improvement county officials point out, and is in need of repairs. One of the major expenditures would be on the roof, Judge Parker said.

Eligible to vote in the February 7 election are all resident property taxpayers of the county, who have duly rendered their property for taxation and who are otherwise qualified to vote.

Rev. Hunt to speak at Meth. Church Sunday

Rev. Hugh Hunt, architectural consultant for the Methodist Texas Conference, will be with the local Methodists Sunday night, January 25, Rev. Oran D. Smith, pastor, said Wednesday.

Rev. Hunt will speak at the service beginning at 7 o'clock.

Deadline Nears for Paying Poll Tax

If you plan to vote in the Courthouse Improvement Bond election coming up next month or in any other election in Knox County this year, you have eight days to become eligible.

Only 912 poll taxes had been paid Wednesday noon, John A. Smith, county tax assessor-collector said. And only one exemption had been issued.

Smith said every person who will reach the age of 21 after the first day of January, 1958, and before the day of a following election shall be entitled to vote if he or she has obtained an exemption certificate. Those who were 60 years of age before Jan. 1, 1958 are entitled to vote without paying a poll tax or getting an exemption certificate.

Tax valuations in the county have increased \$590,702.00, the assessor-collector reported. Last year's valuations totaled \$13,588,290.00, and this year the valuations are \$14,149,010.00. Most of the increase has been from new renditions instead of from raising valuations, he said.

## Knox City Woman's Brother Nominated For Pulitzer Prize

James Ewell, police reporter for the Dallas Morning News has been nominated for a Pulitzer Prize, one of the top annual awards in journalism. He is a brother of Mrs. Milton Gene Bradberry of Knox City. His parents are Mr. and Mrs. Hugh Ewell of Cisco.

Columbia University of New York City has written the managing editor of The News about the nomination of "James Ewell a member of your staff, for his covering of the Donald Keeton story."

The Dallas News will complete the proper forms in order that the former Ciscoan's work may be considered for the Pulitzer Prize. Ewell began his news paper career as a cub reporter for the Cisco Press while he was in high school. After graduation, he joined the staff of the Abilene Reporter-News. He went to Dallas several years ago.

Brotherhood to Hear Weinert Minister

Rev. Carter Tucker of the First Baptist Church in Weinert will speak to the Baptist Brotherhood of Knox City Monday night, Jan. 26. The program will begin at 7 o'clock.

Vaughan Gruben, Brotherhood president, said "Bro. Tucker is a talented young pastor and every man who hears him will receive a blessing."

Lions Club Sees M. O. D. Film

Members of the Knox City Lions Club Wednesday saw a film on arthritis and birth defects, targets of extensive research to be financed by the 1959 March of Dimes.

Mrs. B. G. Johnston, county chairman, and Mrs. W. J. Roddy, Knox City chairman for the dime drive, were present and Mrs. Johnston described the plans of the National Foundation to combat crippling diseases. She also stated that much still needs to be done in the fight against polio, and part of the March of Dimes funds will still be used for that purpose.

The club voted to give \$25 to the drive, and individual members made contributions to bring the total to \$160.80.

Lubbock Minister To Preach Sunday At Baptist Church

Rev. C. K. Roberts of Lubbock will preach both the morning and evening service at the First Baptist Church Sunday, Jan. 25. It was announced Wednesday.

A member of the pulpit committee said Rev. Roberts is a prospective pastor for the church. Members should make a special effort to hear the preacher Sunday so they can vote wisely when conference is held.

## County Officials Get Pay Raise

All Knox County elective officials were voted salary increases at a meeting of the commissioners court January 13.

For most of the officials, including the commissioners, the raise amounts to 20 percent. It is the first pay increase county officials have received in several years.

The pay of the county judge, county attorney, sheriff, tax assessor-collector and county clerk was boosted from \$4,440 to \$5,280 annually.

Pay of the four commissioners

was increased to \$4,440 from \$3,700 per year. The commissioners also receive \$25 a month for in-county expenses.

Receiving lesser salary raises were the county treasurer, who will receive \$3,750 instead of \$3,600, and the district clerk, whose pay was raised from \$2,850 to \$3,000.

The sheriff's department was authorized to pay its first deputy up to \$4,000 per year. Maximum pay for deputies in the tax office and county clerk's office is \$225 per month for first deputy and \$200 for second. Extra clerks as needed will receive \$6 per day.

The motion to authorize pay increases was made by Commissioner W. W. Trainham of Precinct 2, and seconded by T. C. Carter, commissioner of Precinct 1.

Other salaries paid by the county are: Justice of the peace in each precinct, \$50 a month plus fees; constable at Knox City and Munday, \$50 per month; county service officer, \$1,650 per year; county agent, \$1,700 per year; and home demonstration agent, \$1,300 per year plus \$500 per year travel expenses for the agents.

In other action at the meeting the commissioners voted to require the county treasurer to keep separate accounts of each precinct and fund, so that the amount in any fund at any given time can be determined.

## Weinert Topples O'Brien From Lead In District 14-B

Weinert took undisputed possession of the District 14-B basketball lead Tuesday night with a 60-44 victory over O'Brien. The two teams had been deadlocked with three wins each.

The game's top scorer was Bob Raynes, who hit 18 points for Weinert, while O'Brien's Danny Walsworth made 13.

O'Brien girls won their tilt 47-27, with Lou Underwood scoring 18 points.

Last Friday night John Tom Johnston flipped in 28 points to lead the Bulldogs to a 65-47 victory over Rochester. Bruce Tibbits was high for the losers with 17.

Rochester took the girls' game 46-34. Pat LaDuke of O'Brien was high scorer with 20 points, while Jean Turner hit 18 for the winners.

## Wallace Glenn Dies Of Heart Attack

Funeral services for Wallace A. Glenn, 55, were held at the Benjamin Christian Church at 11 a. m. Monday with Edward Lee Kirk of Abilene Christian College officiating. He was assisted by Rev. Karel Desgrange, pastor of the church.

Mr. Glenn died at 9:30 p. m. Saturday of a heart attack. He was found by a neighbor, Mrs. Pete Denning, when she opened her front door after hearing his knock.

He had lived all his life in Knox County except for a period when he lived at Dumas and at Amarillo. He was born Feb. 15, 1903 in Goree. He returned to Benjamin from the Panhandle in 1948 and had operated a service station in Benjamin since.

He married Gladys Stamps Holloman of Amarillo on October 15, 1950. He was an elder in the Benjamin Church of Christ and was a member of Benjamin Masonic Lodge.

## Show Sponsored by Lions Club Will Feature Magic, Hypnotism

What do you think you would do in a hypnotic trance? Merlin, the hypnotist, who is appearing at the Knox City school auditorium at 8 p. m. Saturday, Jan. 24, will call a number of volunteers from the audience and while under hypnosis, they will shiver with cold, see a motion picture and other uncanny demonstrations which Merlin achieves by the power of suggestion.

The show is being sponsored by the Knox City Lions Club, and advance tickets are on sale at Hoge's Pharmacy, Jones Drug Store and City Hardware.

A feature of the show is to make a volunteer stiff as a board, then stretch him between two chairs, his head on the edge of one chair and his heels on the other. Then Merlin stands on the person's stomach. After it is over the volunteer remembers the demonstration as though it were a dream.

The show will also include many more features of mystery and magic. Otto Lawson, Lions

The Great Merlin Club president, urged everyone in the area to attend.

# STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN, Texas — Some cheer and some wept, but none will soon forget the eventful, suspenseful opening day of the House of Representatives of the 58th Legislature.

Wagoner Carr became the third man in recent history to win a second term as Speaker of the House; and Joe Burkett became the only one in many years to lose by so close a vote—79 to 71.

Burkett and Carr had been in a hard-fought contest for a year and a half. Burkett, from Kerrville in the Hill country, is a staunch conservative. Carr, from Lubbock in the South Plains, had more liberal support.

When the day came, every representative was present, and the floor and galleries were jammed with spectators. Secretary of State Zollie Steakley served as temporary presiding officer. An elaborate voting procedure was agreed upon to safeguard secrecy and assure fairness.

Representatives filed to the front of the chamber, one by one, had their folded ballots initiated by the clerk and then placed them personally in the ballot box. Six watchers, three representing each candidate, stood by.

The ballot box was opened and results called out, one by one. Only sound in the large chamber was the scratching of the pens of many score keepers, and the

occasional fidgeting or gasping as the lead see-sawed between the candidates.

A cheer went up as Carr received his victory-assuring 76th vote. A round of hand shaking, back slapping and congratulating began. Following the final count, a procession composed of Carr's family and supporters escorted the Lubbock representative to the rostrum to take the oath of office.

ON WITH THE SHOW — After the opening dust had settled, Legislators turned to their everyday concerns.

Most immediate and pressing problem was finding money to operate the Legislature. Since the state's main monetary cupboard, the general revenue fund was bare (worse still, in debt), there wasn't so much as a nickel on hand to pay salaries of the lawmakers and their helpers. Nor even stamps, stationery, phone calls and travel. A bill was offered to appropriate \$2,300,000 that had accumulated in two special funds.

Several plans were being talked about to solve the even more vexatious long-term problem of overall budget balancing. To do so will involve finding money to pay off an expected general fund deficit of \$65,000,000 plus some \$130,000,000 in new money to meet expected expenses for 1960-61. Only alternative would

be numerous and painful economies.

Generally, there seem to be two schools of thought developing on taxation: (1) those who hope to avoid a new tax by upping many present levies, such as selective sales taxes, removing several exemption and re-shuffling funds here and there; and (2) those who say the present tax blanket can't be stretched any further and that "pot shot" patch work taxation should be replaced by an overall plan to distribute the increasing cost of government among more people.

PANORAMA — Other items for the record of what promises to be an historic Legislature:

SENATOR GEORGE PARKHOUSE of Dallas is new president pro tempore of the Senate, and as such, third in line to the governor. An outdoor advertising executive, Parkhouse is beginning his third Senate term.

NO FREE OVERTIME, resolved Senators in one of their first official acts, a resolution to quit on the dot May 12 when the 120-day period runs out. House members cheered the announcement.

A FAMOUS NAME returned to public life as Martin Dies Jr. of Lufkin took the oath as senator. Former Congressman Martin Dies Sr., long identified with the Dies Un-American Activities Investigating Committee, came to see his son sworn in.

"BABY OF THE HOUSE" is Rep. Jack Connell Jr. of Wichita Falls, youngest person ever to sit in the House. Connell was 21 years old plus 14 days on general election day.

A FOOTBALL STAR when he's not a lawmaker is Yale Lary, freshman representative from Fort Worth. Lary, a defensive back for the Detroit Lions pro team, was a college star for Texas A&M.

ONE GOVERNOR'S SON succeeded another as W. P. Hobby Jr. was named parliamentarian of the Senate, a post held last session by Dan Moody Jr.

AN EARLY CRISIS was averted when the House sergeant-at-arms rushed a spittoon to the desk of snuff-dipping Rep. Jerry Sadler of Percilla. Spittoons, once a standard accessory, had gotten lost in the chamber's re-vamping.

FOLKS WITH MONEY-SPENDING IDEAS had best be armed with money-finding ideas when they come to the Legislature this year. This warning was issued by Sen. William S. Fly of Victoria in an Austin address.

THIRD HOUSE has its own ceremonials this year as, for the first time, lobbyists are required to register under the new law. From the length and variety of the list, there's a lobbyist for practically everything and everybody — teachers, farmers, firemen, policemen, labor unions, industries and even church groups.

GOVERNOR'S appointments — Gov. Price Daniel has appointed Secretary of State Zollie Steakley to a second term and promoted two assistants in the governor's office.

George Christian, former press assistant, becomes executive assistant, taking over non-legal duties of Jake Jacobsen. Jacobsen left to enter private law practice.

John Goldsum was promoted to administrative assistant and will take over Jacobsen's legal duties.

PAY FOR SECRETARIES DEBATED — One of the first issues for debate in the 56th Legislature was pay for secretaries of Senate and House members. Generally accepted rate is \$14 per day for Senate secretaries and \$10 for the House. But a resolution must be passed setting amounts of the salaries, at the

## Uncle Ben from Benjamin says:

DEAR MISTER EDITOR:

I see by the papers where Mr. Bernard Baruch says "hard work is the only way of defeating inflation." He goes on to say everybody has got to work hard or inflation will ruin us. That little piece spoiled the whole day for me.

Mr. Baruch is an adviser to Presidents, and I'm wondering where he gets all them un-American ideas. Certainly we'll avoid inflation if everybody works harder, and if everybody goes to jail there won't be no crime on the outside. What Mr. Baruch is advising is about like telling us we ought to burn down the Capitol to get rid of some of them Congressmen that got to Washington by mistake.

We're getting entirely too many strange ideas in this country. If Mr. Baruch wants to work harder, let him do it. It's a free country, and I'm all for him. But I got better ideas on how to cure inflation. For instance, some of them folks in Government could get out of the public trough and do half a day's honest work at someplace. We got about four million folks on the Federal payroll and there ain't more'n half 'em that does a honest day's work onet a week. They been lapping up the milk so long without cutting any hay for the cow that they think

beginning of each session. Rep. Obie Jones of Austin said House secretaries should receive \$12 a day because the \$10-a-day figure was embarrassing to House secretaries when they met their Senate counterparts during coffee breaks. Rep. R. H. Cory of Victoria pointed out that the state couldn't afford the increase. "Maybe," he said, "we'll have to pay them out of our own pockets," and he pointed out that not all Senate secretaries received \$14—that some of them were paid as low as \$7 per day.

everybody else is doing the same.

I see, for instance, where the Government rents about 11 percent of all the office space in the city of Indianapolis and about 10 percent of all the office space in ever large city in the United States. They have filled up Washington, spread out into Virginia and Maryland, and now they is crowding into all parts of the country. And in ever office they got 'em stuffed to the rafters with Government workers.

With all due respect to Mr. Baruch, I don't aim to work no harder till them Congressmen start squeezing our Government into a little less space and with a little less office help. He says that inflation may take a turn for the worse by Spring. In case Mr. Baruch ain't had no experience in agriculture, I can advise him that Spring is the time of year when it's hard to tell the plant from the weed, and when grass and corn look about alike and I'm going to continue my system of waiting to see which is which afore I set out to sweat over the problem, inflation or no inflation.

Yours truly,  
Uncle Ben
