Some Plain Talk About Lockers for Rent--

We owe this message to our locker customers and prospective locker customers. It is a very plain-spoken report on a situation we cannot help.

Our frozen food lockers are rented 100 per cent. We seldom have a vacancy, and we have people waiting to contract them when we do.

Under present emergency conditions governing steel and compressor equipment, there is practically no chance that we can increase the number of lockers available for customer use. Therefore we feel like we owe it to the community we serve to make EVERY SINGLE LOCKER we have work for the people who need food locker service, and want it.

Will you do this for your community, and for us?

If you do not want to continue renting your frozen food locker, come in and tell us, promptly, and release it.

The day-to-day emergencies under which we all now live dictates that we make this request.

The same God that hates sin made a way for sin to be forgiven. Yes, He whips sin for He said, "Whom the Lord loveth he chasteneth, and scourgeth every son whom he loveth." If you endure chastening, God dealeth with you as with sons, so yield to Him and be proud that He loves you so. When your soul sinks, your heart grows sick, and your faith staggers under the keen trials and testings turn to your Bible and see what David said in Ps. 27:13. "I had fainted, unless I had believed to see the goodness of the Lord in the land of the living."

What can you do when you are fainting—What can you do when you are fainting physically? You can do nothing. You cease from your own doings. In your faintness, you fall upon the shoulder of some strong loved one. You lean hard, you rest. You lie still and trust.

It is so when we are tempted to faint under affliction. God's message to us then is in His precious words, "Be still and know that I am God." There are times we find ourselves so weak and feeble we can not do a thing but lie still in the arms of God like a little child and trust.

That is all God asks of you, when you grow faint in the fierce fires of affliction. Do not try to grow strong. Just be still and know that He is God, and will sustain you, and bring you through.

"STAY FIRM AND LET THINE HEART TAKE COURAGE." Ps. 27:14.

Don't fail to see it!

COME IN TODAY and see these great all-soil, all-purpose tractor tires for yourself.

SEE those sharper lugs that dig in and hold in your soil or cover crop.

SEE their shoulder-to-shoulder power grip that gives you surer traction.

FEEL the extra depth of those lugs—Power-Buttressed to prevent "layback."

CHECK that wide open center—it really does a self-cleaning job.

TEST that tougher, high tensile cord body—it's really built to take it.

The whole county's talking about it!

- "Can't find a Better Tractor Tire on the Market"
- "Pulled me right over the ruts and rocks without a slip"
- "Never had such a smooth tractor ride on the highway before"

THANKS--

We wish to express our sincere thanks to you—our customers and friends—for your patronage and other courtesies since we purchased the Wash-O-Mat in February of 1950.

We have sold the Wash-O-Mat Laundry to Mr. and Mrs. Lloyd Waldrip, who will assume management Friday, Aug. 10.

Mr. and Mrs. Waldrip need no introduction, being long-time residents of Knox City. We hope you will favor them with the same splendid patronage that we have enjoyed.

Sincerely,

MR. AND MRS. R. A. COLLINS

back down the road of Roosevelt's prosperity into an economic state of collapse. In 1932 the Democrats were entrusted with the responsibility of carrying these wrongs which under no prudent respect of the people's rights had brightened their home, had squandered the fruits of prosperity and had brought the nation into the depths of our worst depression and despair.
 You remember those chaotic conditions confronting the nation back in 1932. Cotton was selling at 2 cents a pound, corn at 30 cents per bushel, wheat at 22 cents per bushel, cattle at 2 cents per pound on the hoof, and all other products in proportion. Our nation was staggering under the heavy load of poverty, unemployment, and despair.
 I was at this time and under these conditions that you elect me to Congress in 1932. These wrongs perpetrated by these Democratic administrations, the above program and platform upon which I now ask your support is the record I made as your representative in Congress.
 The current points covered in Senate Affairs, socialized medicine, and wage and price control now pending before Congress are the only subjects not covered in my legislative record of service already rendered in your behalf. I am the only candidate in this race who brings you such a record of honest, efficient congressional service in your behalf. The record shows that I am well qualified to fulfill the duties of this office now. It would take a new man several years to learn the duties and responsibilities of this important office before he would be qualified to efficiently perform them. The six years and only I now have in Congress would be of great benefit to me as your representative in securing preferred committee assignments not available to any other candidate in this race.
 In going to the polls on September 8, I urge you to select your representative in Congress as you would your lawyer, doctor, banker, or place of doing business, which it and should be based upon their integrity, honesty, and efficiency to now render the service in the position involved. On this basis, I urge and request your vote and influence.

If any recipient of assistance or spouse shall sell any real property, neither such recipient nor spouse shall thereafter receive assistance until all net proceeds of said sale have been expended for normal living expenses; and in case of disposition of such property by gifts or for an amount less than its actual market value, such person and spouse shall not thereafter receive assistance until the expiration of the period of time during which the net proceeds of said sale would have paid their normal living ex-

A Little Patience..and It's Yours!

Standard equipment, accessories and trim illustrated are subject to change without notice.

In all the world of manufactured products, there is nothing more difficult to wait for—once you have decided to own it—than a Cadillac car.

If it is to be your first Cadillac, it is doubtless the fulfillment of a long-cherished dream—and it is hard to wait for one's heart's desire, once it is so close at hand.

And if it is to be a replacement for your old love—well, experience has taught you how consistently and completely the good things come from Cadillac—and your curiosity is a force to reckon with!

To make it worse, temptation is all about you. Down the street and around the corner are cars to be had almost as soon as your signature is on an order blank.

But be patient and be firm—for there is a reason why

other cars may be had so readily—while there is some delay in delivery of a Cadillac.

It is because so many wonderful people, like yourself, want only Cadillac—and will accept no compromise.

If we already have your order—turn a deaf ear to those who would have you compromise your preference for the sake of earlier delivery.

And if you want a Cadillac, but have not yet placed your order, come in and do so. We will talk with you frankly about delivery, so you may know about what to anticipate.

Remember—there is only one car which is recognized wherever highways lead as the Standard of the World—and that car is Cadillac.

Proposed Constitutional Amendments

RESOLUTION NO. 3
 An amendment to Article III, Constitution of Texas, so that the bonds may be issued by the Land Board in the amount of One Hundred Million Dollars (\$100,000,000); provided that the issuance of said bonds shall be subject to the conditions relating to the use of the Land Fund; and the protection and the proclamation of the same.

Article III, Constitution of Texas, be amended so that the same will hereafter read as follows: "Section 49-b. There is hereby created a Board to be known as the Veterans' Land Board, which shall be composed of the Governor, the Attorney General, and the Commissioner of the General Land Office. The Veterans' Land Board may issue bonds not to exceed One Hundred Million Dollars (\$100,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund. Such bonds shall be executed by said Board as an obligation of the State of Texas, in such form, denominations, and upon the terms as are now prescribed by Senate Bill No. 29, Chapter 318 of the Acts of the Fifty-first Legislature (provided, that when the limitation of Twenty-five Million Dollars \$25,000,000) is used in said Senate Bill No. 29, the same shall hereafter be construed as One Hundred Million Dollars (\$100,000,000), or as said Act may be hereafter

amended, or by other laws that the Legislature may hereafter enact; provided, however, that said bonds shall bear a rate of interest not to exceed three per cent (3%) per annum, and that the same shall be sold for not less than par value and accrued interest.

"In the sale of any such bonds, a preferential right of purchase shall be given to the administrators of the various teacher retirement funds, the Permanent University Funds, and the Permanent School Funds; such bonds to be issued as needed, in the opinion of the Veterans' Land Board.

"The Veterans' Land Fund shall be used by the Board for the sole purpose of purchasing lands suitable for the purpose hereinafter stated, situated in this State, (a) owned by the United States, or any governmental agency thereof; (b) owned by the Texas Prison System, or any other governmental agency of the State of Texas; or (c) owned by any person, firm, or corporation.

"All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of

the Veterans' Land Fund. "The lands of the Veterans' Land Fund shall be sold by the State to Texas Veterans of the present war or wars, commonly known as World War II, and to Texas Veterans of service in the armed forces of the United States of America subsequent to 1945, as may be included within this program by legislative act, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now provided by law, or as may hereafter be provided by law.

"All moneys received and which have been received and which have not been used for repurchase of land as provided herein by the Veterans' Land Board from the sale of lands and for interest on deferred payments, shall be credited to the Veterans' Land fund for use in purchasing additional lands to be sold to Texas Veterans of World War II, and to Texas Veterans of service in the armed forces of the United States of America subsequent to 1945, as may be included within this program by legislative act, in like manner as provided for the

sale of lands purchased with the proceeds from the sales of the bonds, provided for herein, for a period ending December 1, 1959; provided, however, that so much of such moneys as may be necessary during the period ending December 1, 1959, to pay principal of and interest on the bonds heretofore issued and on bonds hereafter issued by the Veterans' Land Board shall be set aside for that purpose.

After December 1, 1959, all moneys received by the Veterans' Land Board from the sale of the lands and interest on deferred payments, or so much thereof as may be necessary, shall be set aside for the retirement of said bonds and to pay interest thereon, and any of such moneys not so needed shall not later than the maturity date of the last maturing bond or bonds be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All bonds issued hereunder shall, after approval by the Attorney General of Texas, registration by the Comptroller of the State of Texas, and delivery to the purchasers, be incontestable and shall

constitute obligations of the State under the Constitution of Texas. Of the total One Hundred Million Dollars (\$100,000,000) of bonds herein authorized, the sum of Twenty-five Million Dollars (\$25,000,000) has heretofore been issued; said bonds are hereby in all respects validated and declared to be obligations of the State of Texas. This amendment shall become effective upon its adoption."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State of Texas on the second Tuesday in November, 1951, at which election all voters favoring the proposed Amendment shall write or have printed on their ballots the following words:

"FOR the Amendment to Section 49-b, Constitution of Texas, for increasing Veterans' Land Fund for the purchase of lands in Texas to be sold to Texas Veterans of World War II, and to Texas Veterans of service in the armed forces of the United States of America subsequent to 1945."

Those opposing said pro-

posed Amendment shall write or have printed on their ballots the following words:

"AGAINST the Amendment to Section 49-b, Constitution of Texas, for increasing Veterans' Land Fund for the purchase of lands in Texas to be sold to Texas Veterans of World War II, and to Texas Veterans of service in the armed forces of the United States of America subsequent to 1945."

If it appears from the returns of said election that a majority of the votes cast were in favor of said Amendment, the same shall become a part of the State Constitution and be effective from the date of the determination of such result and the Governor's proclamation thereof.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and laws of this State.
