Look  
To The  
East

By AARON EDGAR

We boarded the train at Bronson. We can't recall how we ever got from an area southeast of Yellowpine to the "rail head"; maybe by horse-drawn vehicle or ox-cart. Anyway, we were there aboard the train as the engine groaned and took on, belched steam, etc., trying to get enough power to take off.

The Edgar family was leaving East Texas!

Our brother, Zeddie (youngest of the brood at that time), became impatient and set up a howl. "This old train ain't going nowhere," he cried. "Let's get off." He was every bit of two years of age. We were two years ahead of him in age and understanding, so we could take disappointment better!

Finally, the train got off to a slow start—and that's all we remember until we finally realized that we were all housed in some fashion in the big town of Fort Worth. Dad had gotten out of the swamps and marshes, ticks and mosquitoes; yeah, and even alligators, of East Texas.

Dad became enrolled in the Molar Barber College and was learning a trade so he could better provide for a growing family. By the time he finished the course, another baby boy had joined the group, making five.

We landed at Memphis, in far West Texas, and it seems that Dad's brother, Uncle George, had gone on ahead of us.

A vacant lot was located in the town, and there we "pitched tent", which became our home for a spell. Dad managed to secure a barber chair and a place to put it, starting out to forge his way on 10-cent shaves and 15-cent haircuts. He became easy prey for solicitors of every type; and, we guess, he never failed to "pitch in a little" to help the needy, although a wife and five hungry boys were waiting at the home-ent.

The pot of gold at the end of the rainbow was not found near the barber shop, so Dad got employment at the oil mill a short distance away.

Then he got into farming—we think being associated with Uncle George at first. We lived a sort of nomadic life—that of a tenant farm family—north, northeast, directly west then directly east of Memphis.

A better life opened up for us in Collingsworth County, with a better house, more land to cultivate and keep the growing boys out of meanness, and the Pleasant Point school up on the hilltop about a mile away, which was a combination school, church building and a place for literary society gatherings. We had Sunday night singings in the homes of neighbors.

Our mode of travel changed some. Older boys went horseback, the family traveled by wagon, but finally advanced to the luxury of a sporty surrey! Some years later, we managed a second-hand Model T.

The "war to end wars" became a menace to family life, and our family spent weeks of anxiety as it appeared the oldest of the brood, Carroll, would be headed for the training camp.

He had been assured he would be in the next draft. Then the town celebrated with bell-ringing, whistle-blowing, and shooting of firearms, and news came to our rural community some ten miles distant that on that crisp morning of November 11, 1918, we happily observed our first Armistice Day! What rejoicing!

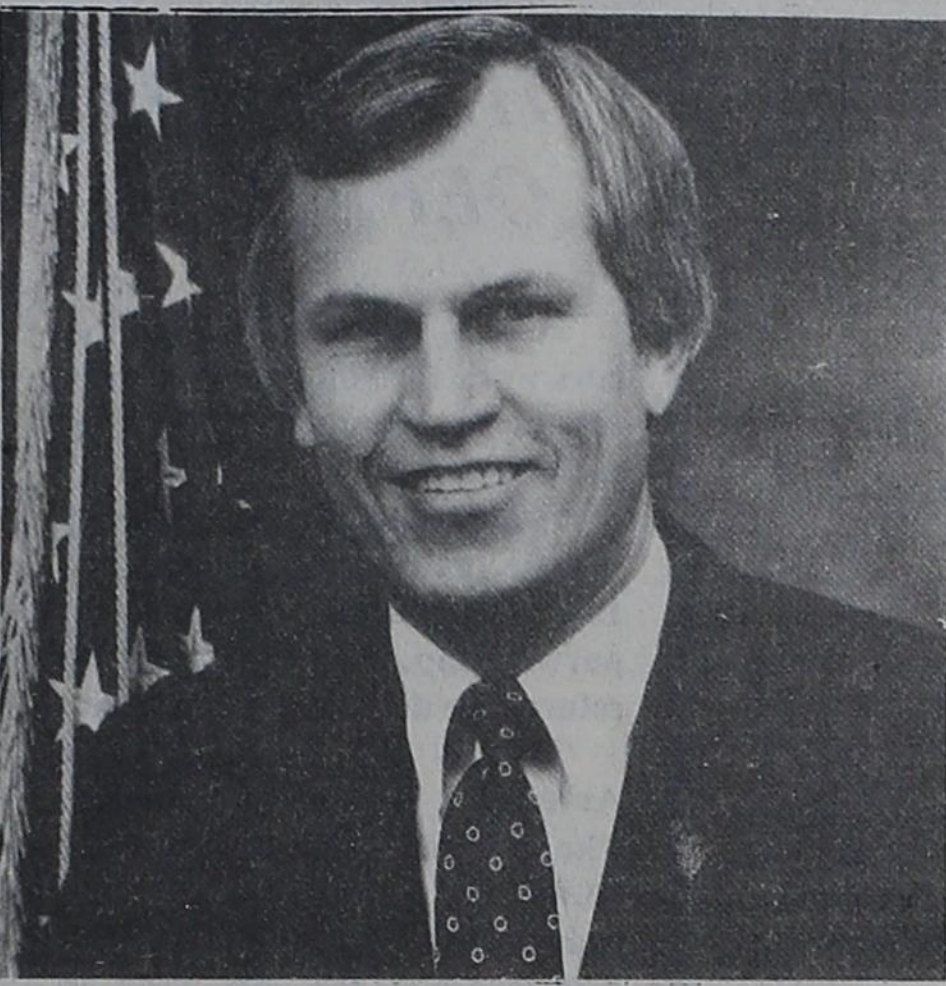

It was three years, and two more farm stations, later that Dad rented a farm adjoining the town section of Wellington. With more acreage, we advanced to two-row go-devils to help whip the weeds and crabgrass.

Then, too, we could all get our education at the town school without boarding out, as we had done a short time before.

Still, we hadn't thought much about the future—or, even if we had a future! Somewhere along the way, we had come to this conclusion: "I may make a tramp, but I'm sure not going to make a farmer." We'd seen too many crops made, then destroyed by hail, windstorms, or whatever.

Once, when Dad entered the

## Charles Stenholm Speaker At C-C Banquet April 15

CONGRESSMAN CHARLES W. STENHOLM

Congressman Charles W. Stenholm has accepted an invitation to speak at the annual banquet of the Munday Chamber of Commerce and Agriculture. The banquet will be held Thursday, April 15, at 7:30 p.m. in the Munday High School gymnasium.

Congressman Stenholm was elected to the 96th Congress on November 7, 1978. He represents the 17th Congressional District of Texas. His professional background includes teaching vocational agriculture, serving as executive vice-president of Rolling Plains Cotton Growers, general manager of Stamford Electric Cooperative, president of Double S. Farms, Inc., and advisory director of First National Bank in Stamford.

He is proud of the fact that he graduated from Stamford High School. He attended Tarleton State Junior College and Texas Tech University, receiving a B. S. degree in 1961 and a M. A. in 1962.

Stenholm is on the Committee on Agriculture with subcommittee assignments to Cotton, Rice and Sugar; Livestock, Dairy and Poultry; Tobacco and Peanuts; and Wheat, Soybeans and Feed. He has also given his service on the Small Business Committee with subcommittee assignment to Export Opportunities and Special Small Business Problems.

Congressional activities include serving as coordinator of the Conservative Democratic Forum.

Honors to Congressman Stenholm's credit through the years include the American Farmer Degree, Honorary American Farmer, Honorary State Farmer, all of Future Farmers of America; Charter Trustee, Cotton Incorporated; president of Stamford Chamber of Commerce; State Democratic Executive Committeeman of 30th Senatorial District; member of Texas State ASC committee; member of Exchange Club;

recipient of Gerald W. Thomas Award, Outstanding Agriculturist, Texas Tech University; and Distinguished Alumnus Award of Tarleton State University.

The board of directors and manager Callie Ann Combs are very pleased to have Congressman Stenholm as the guest speaker for this year's banquet. State representative W. S. (Bill) Healy will also be a special guest at the banquet, and will introduce Congressman Stenholm.

A highlight of the banquet will be the announcement of the recipient of the Citizen of the Year annual award.

The meal will be catered by Charlie's Catering Service of Wichita Falls.

Tickets are now on sale. Please contact one of the directors or the Chamber of Commerce office for your ticket. Tickets are priced at \$7.50 each, the same as last year. Local citizens are urged to buy their tickets early and plan to attend this community gathering.

## City, Hospital, School Elections Slated Saturday

Saturday, April 3, will be voting time for all qualified voters of Knox County, as city, school and hospital board elections will be held.

A county-wide election will be held for the purpose of electing two members to the Knox County Hospital Board. The terms of Richie Smith and Vernal Zeissel expire, and both are up for reelection.

In most instances this election will be in connection with city and school elections.

Munday will be electing a mayor and two aldermen in the election held at the city hall. Goodson Sellers has been named election judge, with Merle Anderson as alternate. Two clerks will be selected to assist them.

The term of Mayor James W. Reid is expiring, and he is the only candidate for this office on Saturday's election ballot.

It's a different matter in the race for aldermen, with two to be elected. Larry Smith and Dr. Dale Selzer, whose terms expire, did not file for re-election. Two aldermen will be elected from the following whose names appear on the ballot:

Maurice (Little Bit) Jennings, Herman Martin, Von Marr, Bob Therwhanger, C. D. Killian and M. L. Wiggins.

Five candidates will vie for three places on the Munday school board. This election will also be held at the city hall in Munday, with Winters Matthews serving as election judge.

### The Moisture Was Insufficient!

As the front came through during the dark hours of Friday night, it was nice to wake up to the pitter-patter of raindrops on the window pane. This merited a longer snooze, thinking the precipitation would continue for a long period.

More did fall; but, the fact is, the moisture was insufficient to boost the wheat crops very much. As the sun played hide-and-seek for some three days, little more moisture fell.

The equipment of Goodson Sellers, local U. S. weather observer, registered .35 of an inch, while Goree reported .47 of an inch. This brings the total for Munday to 3.20 inches for 1982.

### Weather Report

For seven days ending at 5 p.m. Monday, March 29, 1982 as compiled by Goodson Sellers, local U. S. Weather Observer.

	TEMPERATURES

Rainfall for 1982		3.20

Filing for re-election to the board were John B. Reneau III, Wm. L. (Spike) Bryan and Phillip McAfee. Others whose names appear on the ballot are Buford Berryhill and Melton L. Morgan.

Louis Baty and Ronnie Simmons are running for places on the Benjamin School Board, with two places to be filled.

In the city election at Benjamin, all incumbents filed for re-election, and these are the only names on the ballot. They are Weldon Gideon, Buddy Tolson and Claud Stockton. In addition, Benjamin voters will be deciding on legalizing bingo games for charitable purposes.

The City of Goree will elect three aldermen. The terms of W. D. Robinson, Chester Smith and Kent Trainham expire, and Mr. Robinson is the only one filing for re-election. Others on the City of Goree ballot are Jack Beaty, Buster Echols and Ann Birkenfeld. The election will be held at the Goree Memorial Building.

Three members will be elected as trustees of the Goree School District. The terms of Don Bowman, Danny Lain and Billy Don Hutchens expire, with Bowman and Lain filing for re-election. Others whose names appear on the ballot are Randy Jones, Jimmy Harlan and Joe Hunt. This election will be held at the Goree Memorial Building, with Mrs. Eva Warren serving as election judge.

These elections held throughout Knox County are expected to attract a large number of interested voters. Exercise your privilege and vote wherever you are a qualified voter.

### Organizational Meeting For Little League

There will be an organizational meeting of the Munday Little League at 7:30 p.m. on Thursday, April 8, at the Munday Chamber of Commerce office.

All parents and interested volunteer workers are urged to attend. There will be a discussion as to the possibility of beginning the season at a later period of time.

### Knox County Heart Association To Meet April 5

The Knox County chapter of the American Heart Association will meet at Munday Community Center on Monday, April 5, at 5:00 p.m. Directors of the local heart fund drive are in the stage of completing this year's drive.

Anyone interested in the Heart Association, officers, and directors are all urged to attend the April 5 monthly meeting.

## Local Apartments Named Patterson Apartments

Finalization of a transfer of Munday Home Development Corporation to Housing Authority-City of Munday took place Friday, March 26. As of this date, as voted by the Housing Authority commissioners on August 17, 1981, the twenty-four unit apartments are officially named Patterson Apartments in memory of the late L. B. Patterson Sr. Mr. Patterson was the first chairman of the board for the Housing Authority in Munday. The commissioners expressed their belief that the honor was befitting to Mr. Patterson in that he worked diligently for the improvement and good of this community.

Present chairman of the board is Dorse Collins. John Reneau is vice-chairman. Other commissioners are Freddie Caram, Phillip McAfee and J. H. Ameron. Mrs. Jeanie Carden is executive director.

Finalizing the transfer came about on March 26 after the first meeting was held May 18, 1981, almost one year ago. At the 1981 meeting representatives of Munday Home Development Corporation requested that the Housing Authority-City of Munday consider purchasing the apartments. The decision was made to do so and the paperwork began. At the meeting last Friday were M. L. Wiggins, Jeanie Carden, Dorse Collins, Charles Baker, Mrs. Mary Robertson and Mr. John Wolfe. Mrs. Rob-

## Local School Board Names Lowrance As Superintendent

Phillip McAfee, president of the Munday Independent School District board of trustees, has announced the employment of Doyle Lowrance for the position of superintendent of Munday Independent School District. Mr. Lowrance will be released from his duties as principal at Colorado Middle School in Colorado City, Texas, in mid-June and plans to move to Munday as soon afterwards as possible. He has 21 years experience in school systems.

Mr. Lowrance is not a newcomer to the Munday school system. He was hired as assistant football and track coach in 1961, became head coach and athletic director in 1965, and in 1967 was named high school principal. He served in this capacity until 1970 at which time he moved to Pecos, Texas, as assistant principal at Austin Elementary. He took the position with the Colorado City school system in 1978.

While principal of Colorado Middle School Campus, a student enrollment of approximately 350, Mr. Lowrance was responsible for teacher and aide evaluations, budget and expenditures, and assisted with the Five-Year Accreditation Plan. He was coordinator for the district in Crime Prevention and Drug

Education. Other duties included making recommendations on staff openings, planning for maintenance of four buildings and gym, serving on a committee that developed a local teacher evaluation form, assisting with applications for Title programs (evaluating the programs each year), and assisting the central office in revising and developing school board policies.

A graduate of Goree High School in 1956, Mr. Lowrance received a B. S. degree in 1961 from Sul Ross University and a M. E. in 1964 from the University.

In 1974 he received his professional administrator certification. He and his wife, Pat, have three sons, Ronny, age 14, John, age 20, and Don, age 21. His mother, Mrs. Lana Mae Lowrance, and his grandmother, Mrs. Leah Couch, reside in Goree.

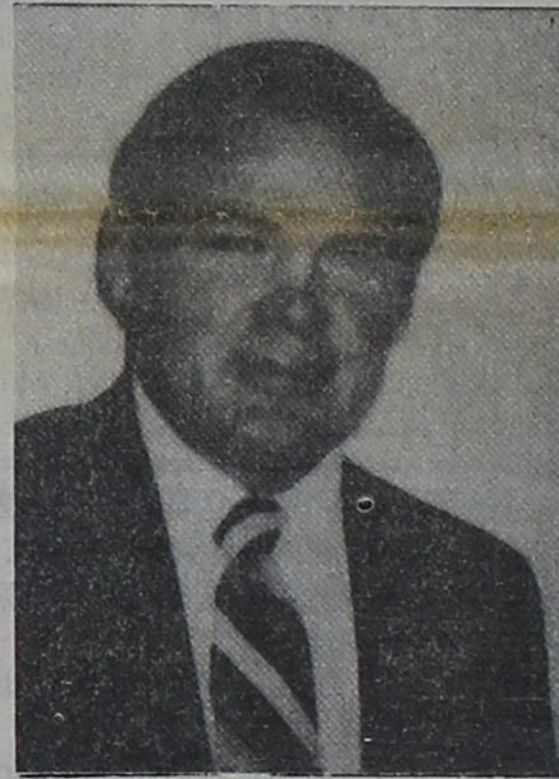

Mr. McAfee stated, "The other board members and myself are very pleased to have Doyle Lowrance to fill the vacancy of superintendent for Munday Independent School District. We are looking forward to working with him in this capacity."

## Self-Study Report From Munday School Acknowledged

Superintendent Douglas Myers received a letter from Edward Manigold, director of the Division of Accreditation of the Texas Education Agency. The letter was dated March 24, 1982, and its contents follow:

"Your self-study report has been received and accepted. It is encouraging to note that you are somewhat ahead of the timeline set forth in your management plan.

"We anticipate receiving your Five-Year Priorities Plan on or before May 1, 1982. When the plan has been received and found to be acceptable, a recommendation will be made that Munday's accreditation status be changed from an-

### Church Of Christ Youths Guests Of Jack Stewards

Youths who attend Munday Church of Christ were guests in the home of Mr. and Mrs. Jack Steward of Goree on Sunday evening. Approximately twenty-eight were present for a delicious supper of barbecued chicken, potato salad, beans, vegetable salads and pecan pie. After the meal a devotional was led by Dan Offutt.

The group then traveled to the Munday elementary gym for games of volleyball.

### LOCALS

Mr. and Mrs. Pete Hatfield have enjoyed a visit from their grandson, Steve Waller. He returned recently from a year's tour in Okinawa, and will be stationed in North Carolina.

Mr. and Mrs. Jimmy Leach and Jana of Midland were visitors in the home of Mrs. Leach's mother, Mrs. Frank Nance.

## Six From Munday Go To Regional UIL Meet

In the District UIL meet held in Vernon last week, six Munday High School students earned a trip to regional. Odessa College will host the regional meet on April 16-17.

James Tidwell and Julie Partridge will proudly represent their school at regional after having a first place win at the district level in Debate. Julie will also compete at regional in Editorial Writing, having won third at Vernon. These students' parents are Mr. and Mrs. Wendell Partridge and Mr. and Mrs. Joe Tidwell.

Mona Choucair, senior daughter of Mrs. Joe Choucair, earned first place in Ready Writing and third in Feature Writing. Kevin Kuehler, also a senior, was in second place in district in Informative Speaking. His parents are Mr. and Mrs. Gerard Kuehler.

Deedee Kuehler and Mary Jane Kuehler, both daughters of Mr. and Mrs. Alfred Kuehler, will represent Munday High School at regional. Deedee was third in Calculator Applications and Mary Jane was second in

### Headline Writing.

Even though the above students were the top six placements for Munday, there were several other students who placed at the meet.

Fourth place wins included Ron Redder, Informative Speaking; Leslie Awalt, Feature Writing; Robert Boyd,

### Goree School To Sponsor Sunday Dinner

The faculty and other employees of Goree School are planning a dinner on Sunday, April 4, in the school cafeteria. They would appreciate the people in this area planning to attend. Featured on the menu will be Curley Awalt's delicious ham, brisket and sausage with all the trimmings to make it a real fine meal.

Serving time is planned from 11:00 a.m. to 1:00 p.m. and you may purchase tickets at the door. Tickets may be purchased in advance at the Goree School. The price is \$3.50 for adults and \$2.50 for children 12 years of age and under.

Headline Writing; and Cathy Cartwright, Calculator Application. Dawn Parker was fifth in Feature Writing, and Wilda Smith was sixth in Prose Interpretation.

The One Act Play, "Hooray for Adam Spelvin, He Is Perfect", placed a cast member, Pam Welch, in the all-star cast. Kent Josselet and Cherie Welch were both honorable mentions. Mrs. Longan stated, "I was pleased with the group, and it was a very nice performance. I am especially pleased since the cast members were all freshmen and sophomores, except for one junior."

### Jamboree Slated At Gilliland

A musical jamboree will be held at the Gilliland Community Center on Saturday, April 3, with the program beginning at 6:30 p.m. Refreshments will be for sale.

Everyone in the area, and all musicians, will be welcomed. This will be the last Jamboree until early fall, it was stated.

**YARD OF THE WEEK** selected by Munday Garden Club is the yard of Mr. and Mrs. Dan Offutt. The beautiful redbud tree was the determining factor. The beauty of these trees at the present time is a pleasure to the eye, but the blooms are short lived, especially if we have strong winds. Drive by the Offutt home at 440 North Third and see the lovely full blossomed tree.

### It's A Girl!

Paul and Laura Stovall of Midland are pleased to announce they have a daughter born February 23, 1982, in Midland Memorial Hospital. She weighed eight pounds and was twenty inches long. They named her Heather Michelle.

Grandparents are Mr. and Mrs. Paul Stovall of Haskell and Mr. and Mrs. Leon Johnson.

Great-grandparents are Mr. and Mrs. Albert Johnson of Stamford.

An older brother, Derek, who is three years old, and a two-year-old sister, Melissa, are delighted with having a new baby sister. Verna Rawlins is a great-aunt of Heather's, and is very proud of her, too.

### Grubbs Talks At Meeting Of Lions Club

Walter Grubbs of Merkel, who is a candidate for State Representative of the 78th District, was guest speaker at Tuesday's meeting of the Munday Lions Club.

Introduced by Charles Baker, the speaker emphasized that "this is not a political speech," but he chose to give some insight into activities in the Texas Legislature. "In the last session," he said, "our biggest problem was in redistricting, which brought about unrest among many, but it is what has to be done every 10 years."

The tax reform bill, which he said will impose a burden on taxpayers, still has to be resolved. Grubbs added, however, that he voted for everything that would benefit the farming and ranching interests in Texas.

Things to be considered in the next session are: to select a new speaker of the House of Representatives; to give more attention to water, which is the greatest future problem of the state; to show concern for high interest rates, which is a problem for rural areas; and to spend

time on problems of public education.

"The economy of Texas is very healthy," he said, "and I see no reason for the state having to raise taxes in the near future. We may have to use more of our funds to support the federal cuts in funds to our state."

### Women's Aglow To Meet In Aspermont

The Aspermont Women's Aglow Fellowship will meet Thursday, April 8, at 7:30 p.m., in the New Place in Aspermont. Husbands and families are invited to join in this special family night. A nursery will be provided for three to five year-old children.

The monthly meetings of Women's Aglow Fellowship have been changed from 9:30 a.m. to 7:30 p.m. the second Thursday of each month. The change is to give an opportunity for working women and those with small children to attend.

Deborah, Leandra and Brady Ward, Ellen Clowdis and Rhonda Redder visited in the home of Mr. and Mrs. Herbert Barnes, Mr. and Mrs. Tim Martin and Paralee Searcy in Abilene Sunday.

## H & R BLOCK HAS AN OFFICE NEAR YOU

H & R Block will make the laws work for you at any of their offices in Munday, Knox City and Haskell.

H & R Block does all types of income tax returns, not only the 1040A's but also business, farm, partnership, and corporation returns are done at a modest fee.

This is the 26th year for America's largest tax service. The company was built on the \$5.00 and up tax return and today prices are starting at \$7.50. The average fee last year in Haskell was less than \$25.00. H & R Block this year is instantly processing 1040A's, which means the guaranteed 1040A return will be done in only one visit.

Taxpayers overpay their taxes because of a lack of Tax knowledge and the fear of an audit. People file the form they receive without checking to make sure that they have taken all of their deductions and credits. H & R Block believes every client should have a complete personal interview and the return done while the client is with the tax preparer. Block knows taxes. Not only are they the worlds largest tax firm, they also conduct the worlds largest tax school.

**Love:**  
**Amazing And Divine**  
In the hymn "When I Survey the Wondrous Cross", Isaac Watts shares his wonder at the willingness of Jesus to suffer and to die for him. He also shares an awareness of God's love that calls for complete dedication to the leadership of Jesus in life. He closes the hymn with the lines: "Love so amazing, so divine, Demands my soul, my life, my all."

Next Sunday Christian people throughout the world will begin the observance of what has become known in the Christian year as Holy

Week. Christians will remember the triumphal entry of Jesus into Jerusalem, his teaching in the Temple with mounting opposition, the last meal he had with his disciples in which he instituted the Sacrament of the Lord's Supper, his struggle in the Garden of Gethsemane, and his arrest, trial and crucifixion.

Jesus did have a love for people that was amazing and divine. He still loves people in the same way. His was a love so great that he was willing to die for us. A love like that calls us to give him our all. It's this great love

Jesus has that I focus on in this article.

### I. Jesus Expressed Love During His Ministry

Jesus told people of the great love God had for them. In John's Gospel are these words: "God so loved the world that He gave His only Son, that whosoever believes in Him should not perish but have eternal life." (3:16, RSV) That's God's way of loving. Jesus taught in the Sermon on the Mount that his followers are to extend love and brotherhood to all persons and not just to those in the same situation. His followers are to have a love that is inclusive, loving even enemies. Such a command is difficult for us to accept, but it is even more difficult to put into practice.

Jesus also demonstrated God's love for the people. I believe it was love that led him to provide food for more than 5000 persons who had followed him into "a lonely place". Surely it could only be love that prompted him to heal a man who for 38 years had endeavored to find healing in the pool of Bethesda, or the leper whom he touched and made well, or the man who received his sight at the word of Jesus.

### II. Jesus Expressed Love As He Faced Death

It was love that brought the disciples together in the upper room with Jesus to eat the meal we call the Last Supper. Jesus told them he had wanted to eat this meal with them prior to his suffering. Jesus continued to express love as he was arrested. In Luke's Gospel we are told that a servant of the High Priest had an ear cut off by one with Jesus that night, but Jesus healed the man in the presence of them. Then after much physical abuse in his trial, Jesus refused to strike out at his captors, but remained poised and collected in the face of the abuse.

### III. Jesus Wants Us To Express Love Today

If we are to express love today, we must have a deep sense of humility in us. Humility takes us out of the spotlight. But if we are to love the way Jesus loves, that is the way it must be. We must lift up God and the Lord Jesus Christ without

drawing attention to ourselves.

To love as Jesus loves means being obedient. It isn't easy to be obedient to the leadership of God and Christ Jesus. When we read the Old Testament we soon learn that we stand in a long line of persons who were disobedient and failed to fully obey God. But Jesus was obedient to God during his life on the earth, and it ended in having him experience a painful death on a cross. When we are obedient, we too will know something of the difficulties Jesus faced, but with him we will triumph.

Jesus lived a life of love for people. He taught God's love by what he said, he showed that love by what he did. God's love was revealed in a special way during the last week of Jesus' life on the earth, and through the sacrifice of himself we are brought into a right relationship with God. "Love so amazing, so divine, demands my soul, my life, my all!"

## Annual Range Weeds May Be Controlled By Herbicides

Ranchers can knock out most annual range weeds with an early spring herbicide application. Otherwise, an abundance of weeds can reduce grass protection and rob ranchers of their profits. "The herbicide 2,4-D gives excellent control of annual range weeds if they are growing rapidly and have not yet flowered," points out Dr. Tommy G. Welch, range brush and weed control specialist with the Texas Agricultural Extension Service, Texas A&M University System.

Welch recommends using 2,4-D amine in areas of more than 25 inches of annual rainfall and 2,4-D low-volatile ester in areas of less rainfall. For harder-to-control weeds, he suggests

mixing 2,4-D and dicamba in a 3 to 1 ratio.

"Weed control on rangeland can produce significant returns," says Welch. "Demonstrations have shown that a pound of grass is often produced for every pound of weeds controlled."

Good soil moisture conditions last fall over the state allowed many weeds to germinate. These will begin to grow rapidly as temperatures moderate and spring rains come. So ranchers need to make frequent checks and begin control measures as soon as weed infestations appear.

Among broadleaf weeds that ranchers should control are distaff thistle, annual broomweed and camphorweed, notes the specialist.

Since some weed seeds are important food for certain wildlife species, Welch suggests applying herbicides so as to leave strips of weeds. Also, applying 2,4-D early in the spring to control certain annual weeds will allow later-germinating plants such as

croton (dove weed) and snow-on-the-prairie to survive and provide feed for quail and dove.

"To get maximum benefits from weed control with her-

bicides, good grazing management is important," emphasizes Welch. "Proper grazing management helps provide a good cover of grass and keeps weeds down."

MRS. JERRY POWELL...  
the former Lori Fox

### Fox, Powell Wedding Vows Exchanged In Goree Ceremony

Wedding vows were exchanged on Saturday afternoon, March 27, at three o'clock in the afternoon, at the First Baptist Church in Goree by Miss Lori Fox and Jerry Powell. Rev. Hal Mobley, pastor, officiated.

Parents of the couple are Mr. and Mrs. William I. Fox, Ft. Worth, Mrs. Elaine Robinson, De Soto, and Mr. Edward Powell, Humphrey, Arkansas.

Forming the background for the ceremony were candelabra entwined with greenery, holding tapers. Baskets of peach carnations and spider mums completed the setting.

Organist was Mrs. Gerald Myers. Mr. Kim Kinsey was soloist.

Given in marriage by her father, the bride wore a formal gown of candlelight silk organza designed with a stand-up collar and fitted sleeves of Chantilly lace. The bodice was overlaid and styled with a V-neckline of identical lace. The full skirt was enhanced with an apron ruffle, flowing from a bustle at the waistline. It extended to a chapel length train which was outlined with a ruffle, topped with matching lace.

Her veil was a Juliet cap with a blusher and three tiers of illusion outlined in Chantilly lace graduating from shoulder to fingertip.

She carried a cascade of peach roses and candlelight carnations, accented with

baby's breath.

Cindy McWhorter, aunt of the bride, was matron of honor. Bridesmaids were Leslie and Christye Fox, sisters of the bride. They were dressed in identical peach formal gowns of Silesta chiffon with sweetheart necklines, trimmed with candlelight lace. They carried nosegays of the same color.

Gary Traylor of Dallas was best man. Groomsmen were Duane Easterling and Allan Brown, both of Grand Prairie. Ushers were Joe Hunt and Bob McWhorter. Chris and Jerry Powell were ringbearers.

The bride's parents hosted a reception in the fellowship hall. Assisting were Misses Angela and Lori Stephens of Arlington.

Mrs. Lisa Sakowski of Arlington registered guests. Rice bags were distributed by Miss Whitney Patterson of Wichita Falls.

The rehearsal dinner, hosted by the groom, was also in the fellowship hall.

Following a wedding trip to Boston, Massachusetts and other New England states, the couple will reside in North Richland Hills in Dallas.

The bride is a graduate of Boulevard Baptist High School and attended the University of Texas at Arlington. She is a graduate of the Dallas Police Academy, and is presently a patrol

officer with the Dallas Police Department.

The groom attended the University of Central Arkansas and Dallas Baptist College. He is also a graduate of the Dallas Police Academy, and is a sergeant with the Dallas Police Department.

### Family Night At Leisure Lodge Well Attended

Almost one hundred guests, friends, relatives, residents and employees gathered in the living room of Leisure Lodge on Thursday night, March 25, at 7 p.m. for family night and volunteer appreciation night. Joyce Hardin, administrator, welcomed everyone and introduced the band, "Country Sunshine". Members of the band are Norm Anderson, Buck Walsh, Waymon Alexander, Zanell Franklin and Cheryl Berryhill.

Several duets, solos and instrumentals were performed by different band members. Two songs, "Chattanooga Shoeshine Boy" and "Five Foot Two" had surprises for the audience as shoeshine boy Pam Welch went through the audience giving shoeshines, while Cindy Berryhill was decked out in fur coat, diamond rings and all those things to portray the gal in question.

The band finished with a duet of "Amazing Grace". The audience wanted to hear more, so it was decided the band would play another number or two after awards were presented to the volunteers.

Cheryl Berryhill, activity director, praised the Munday volunteers for their many kind deeds and never-ending service throughout the year. Certificates of appreciation were presented to groups and individuals. Groups receiving recognition were St. Joseph's Catholic Church, Gillespie Baptist Church, Munday First Baptist Church, Believers Chapel, First United Methodist Church, Assembly of God, Weirner Church of Christ, Munday Church of Christ, Future Homemakers of America, Future Teachers of America, the Munday Senior Citizens, and St. Ann's Altar Society.

Individuals receiving certificates for volunteer work were Helen Allen, Brenda Smith, Alameda Blair, Louise Moore, Merle Dingus, Pam Bowman, Alta Bowden, Ola Yost, Edith Hobert, Rev. and Mrs. K. E. Woolley, Dovey Partridge, Bera Spann, Eunice Raynes, Virginia Cary, Maggie Gaines, Mrs. Ike Gresham, D. E. Whitworth, Ruby Roden, Ann Kiser, Jean Kiser and Cindy Thompson. Individuals receiving certificates for individual visitation were Lala Morgan, Mauryse Stone, Lorene Pope, Marshall Benner and Mr. and Mrs. Grady Phillips.

Refreshments of cookies, punch and coffee were served to the group while the band played a few more entertaining songs. Everyone really seemed to enjoy the program and hoped the band could come back again very soon.

### Salad Supper Is Kickoff For Cancer Crusade

Shirley Amerson and Myrtle Everett, chairpersons for the cancer crusade in Munday, were hostesses for a salad supper on Thursday, March 25, in the fellowship hall of the First United Methodist Church in Munday. Salads of every description decked a lovely table.

Katherine Smith, president of the Knox County unit of American Cancer Society, gave the welcome and introductions. Loyd Clark, who is Knox County's crusade chairman, explained the work packages to be used.

Valera Hertel of Rhineland received special recognition for having served as chairman for her area for sixteen years. Brenda Miller of Vera and Elaine Michels of Munday were voted in as new board members.

Katherine Smith explained the absence of chairman Jeff Bullock of Wichita Falls, who suffered an eye injury received when high winds blew some fragments in his eyes as he was leaving the Baylor County Cancer Unit earlier the same day.

The meal and fellowship were enjoyed by all. Attending were Katherine Smith, Loyd Clark, Frances Coffman, Wilma Beck, Brenda Miller and Bertha McKinney, Vera; Valera Hertel, Rhineland; Philomae Robertson and Dorothy Spikes, Benjamin; Sharon Newton, Knox City; and Myrtle Everett, Shirley Amerson, Louise Moore, Nancy Whittemore, Elaine Michels, Betty Tidwell, Elvis Phillips and Dorothy Moore, Munday.

April is National Crusade Month for the American Cancer Society. The volunteers, as they call on you, really are "the key to open doors in the fight against cancer."

### Bride-Elect Of Carey Shaver Honored

Miss Sue Ann Knobloch, bride-elect of Carey Shaver, was honored with a bridal shower on Sunday afternoon, March 28, in the home of Mrs. Freddie Caram.

Mrs. Caram received guests, presenting them to the honoree; her mother, Mrs. Freddie Knobloch of Megargel; the groom's mother, Mrs. Tony Shaver; and the groom's maternal grandmother, Mrs. Robert Harmel of Olney.

Decorations were in peach and brown, the bride's chosen colors. An arrangement featuring daisies centered the serving table. Crystal appointments were used.

Hostesses for the occasion were Mmes. Jessie Andrade, Freddie Caram, Frank Dutton, Spike Bryan, Robert Elliott, John R. Rayburn, Robert Hosea, Douglas Myers, Bob Therwhanger, Buddy Urbanczyk, Dan Sloan, Bob Winchester and Charles Yost.

### Morgan-Obermeier Wedding Vows Exchanged March 13

Angela Kym Morgan of Watauga and Wesley Wayne Obermeier Jr. of Roanoke were united in marriage on Saturday, March 13, in the First United Methodist Church in Keller by the Rev. Glenn Jones.

Given in marriage by her father, the bride is the daughter of Mr. and Mrs. Norris Ray Morgan of Watauga. The groom's parents are Mr. and Mrs.

Wesley Wayne Obermeier Sr. of Roanoke.

Betty Jane Thatcher of Watauga was maid of honor. Bridesmaids were Susan Morrow of Arlington, aunt of the bride, and Shari Obermeier of Denton, sister of the bridegroom.

Best man was Kenneth Geene of Euless and groomsmen were Greg Porter of College Station and Danny Thomas of Roanoke. Ken-

neth Morgan, brother of the bride, and Greg Obermeier, brother of the groom, were ushers and candlelighters.

The reception was hosted by the bride's parents in the church reception hall. The bride's chosen colors of burgundy and pink were used.

The rehearsal dinner, hosted by the bridegroom's parents, was at the Trophy Club in Roanoke.

The bride will be a spring graduate of Haltom City High School. The groom graduated from Northwest High School in Roanoke, and attended Texas A&M University and T.S.T.I. He is employed by the Arlington Fire Department.

The newlyweds are making their home in Roanoke.

Grandparents of the bride are Mrs. Lala Morgan and Mr. and Mrs. Joe Morrow.

### Garden Club Plans Salad Luncheon

Members of Munday Garden Club will gather at the fellowship hall at the Munday Church of Christ on Tuesday, April 6, at 11:30 a.m. for a salad luncheon, followed by a program.

Mrs. Kenneth Baker is

program leader for the meeting. Mrs. Tommie Adams will hold a workshop on "Making Your Own Arrangements".

Members need to keep in mind that the 54th Spring Convention will be held May 4-6 in Austin at the Meriott Hotel.

### Girl Scout Annual Meeting Held

More than 100 people attended the annual meeting of NorCenTex Girl Scout Council Tuesday evening, March 23, at the Activities Center in Wichita Falls, where awards were presented and the new board of directors was installed.

The following leaders from Munday were recognized for their many hours of hard work in providing Girl Scouting to girls in Munday: Kay Wilde, Janice Wilde and Vickie Branam received certificates for one year, and Beverly McGaughey and Barbara Zeissel received patches for two years. Mrs. Kay Wilde also received a cookie mug for serving as service unit cookie chairman.

**GIRLS VARSITY TRACK** team for Munday High School this season has been busy preparing for their district meet on April 8. Pictured with their coach, Bill Dennis, are in back row, from left, Gwen Jones, Bobbie Faye Toliver, Janet Myers, Darla Myers, Deedee Kuehler and Kelli Smith. In the front row, from left, are Elaine Jones, Regina Jones, Holly Hutchinson, Kristi Smith, Mary Jane Kuehler and Vickie Collier.

## Girls Run Friday At Vernon

by Coach Bill Dennis

We ran under very cold conditions at Vernon on Friday. The temperature was 40 to 42 degrees, and the 10-20 mile wind made it seem much colder for track. By running in that temperature it is hard to compare the performances of Friday to those of a warmer day as we had the week before. We did see all of the teams in our district run, except Crowell.

Our 400 meter relay was the only first place win for our team. In this event we had a time of 51.63, which is the best thus far this season. Team members were Kristi Smith, Regina Jones, Deedee Kuehler and Elaine Jones.

The 800 meter relay team, with a time of 1:51.8, experienced three very poor ex-

changes which cost us precious seconds, even though their time was not all that bad. Seymour had a first in this event.

The 1600 meter relay team placed fourth with 4:39.1. In the 100 meter low hurdles, Kristi Smith placed sixth, improving her time by almost a full second from the week before.

Holly Hutchinson was sixth in the 800 meter run with 2:48.1. Elaine Jones was second in the 100 meter with a time of 13 flat.

Darla Myers was in third place in the shot put with a throw of 32.4 feet. She tied for fourth in long jump with 14'10". Regina Jones was sixth in this event with 14'7".

Kelli Smith placed fifth in

triple jump with 32'3 1/2", and tied for first in the long jump with 4'10". She lost in a jump-off, which placed her second in the meet in the event.

Munday girls placed fourth behind Seymour, Haskell and Childress.

We go to Hamlin Saturday, and then the district is next on Thursday, April 8.

### Three Track Meets Postponed

Because of a rather cool day, the district school boys track meet scheduled at Olney and both junior high girls and boys meet in Electra were postponed.

## District Tennis Meets Scheduled

The District Girls South Zone tennis tournament will be held at the Munday courts on Monday, April 5, beginning at 8:30 a.m. The finals will be held on Tuesday at the local courts.

Pre-lims for the boys' district tennis tourney will be played in Haskell on April 5 with the finals on Tuesday in Quanah.

## Honorable Mention To Mogulettes

In a recent article naming the all-district picks for the girls basketball teams in district 7AA, Lisa Zeissel was listed as one of the second team selections.

Three girls from the Munday Mogulette team who received honorable mention honors were not listed. Those selected to the list are Kristi Smith, daughter of Mr. and Mrs. Richie Smith; Deedee Kuehler, daughter of Mr. and Mrs. Alfred Kuehler; and Elaine Jones, daughter of Mrs. Louise Jones.

## Retired Teachers Meet March 23rd

Members of the Knox County Retired Teachers Association met on Tuesday, March 23, in the Knox City community center.

Bobbie Harrison was in charge of the program. She discussed the techniques of china painting and displayed examples of her work.

Refreshments of cookies, finger sandwiches, coffee and punch were served.

## Remember The Cemetery

M. L. Wiggins, chairman of Johnson Memorial Cemetery Endowment Trust, and members of the board of trustees are again asking each of you to please remember the Johnson Cemetery with your donations and memorial gifts. They remind you that this will be a tax exempt gift.

Mr. Wiggins reported recently that \$32,000 is presently invested. The amount of \$6,027.17 in interest accumulated can be spent on maintenance. A balance of \$3000 is now in savings. However, these amounts do not represent a figure large enough for the Trust to take over maintenance and operation at the present time.

He also stated that more donations are needed before an ample figure can be reached to guarantee perpetual care for the cemetery.

At the present time, while the board of trustees are in control of the funds, the City of Munday is continuing to maintain the cemetery as was requested by the board. At such time when available funds make it possible, the Trust will operate and maintain the cemetery, as well as handle the funds.

Mr. Walter Hertel stated, "At present, 5% of each \$1.00 of City of Munday tax collected goes toward working the cemetery. Approximately twenty hours of labor per week is done by R. D. Gray, with the regular city employees filling in as needed. In growing season, cemetery labor hours must increase accordingly. It is our hope that the Trust organized in 1980 can one day very soon, with donations, etc., be able to fully operate and maintain the cemetery."

Other trustees, besides chairman Wiggins, are Euris Reid, secretary; Merle Dingus, treasurer; J. L. Stodghill, Maurys Stone, Edwin K. Johnson, E. C. Thompson, James N. Smith and Charles Baker.

Donations will be received by any one of these board members, Munday City Hall, and McCauley-Smith Funeral Home.

Mr. Wiggins stated, "If enough of us get behind this project we will soon see the funds grow to the needed amount. We appeal to each of you to remember the cemetery with your contributions."

## Mr. Jakubec, Well Known In This Area, Dies

Funeral services for Emil Jakubec, 80, of Kaufman, were held at 2:00 p.m. Sunday, March 21, 1982, at Anderson-Clayton Funeral Home in Kaufman. Msg. Casimir Glowgaski, pastor of St. Ann Catholic Church, officiated.

The rosary was recited at 7:30 p.m. on Saturday. Interment was in Kaufman Cemetery.

Serving as pallbearers were James Moeller, Scurry; Chris Skrivanek and Jimmy Laza, both of Ennis; Gene Strange and Bill Knapton, both of Kaufman; and Gary Motl of Athens.

Mr. Jakubec was born on September 28, 1901 in Moravia, Czechoslovakia. He was the son of Joseph and Mary Kral Jakubec. He married Mary Rosalie Kubena on November 15, 1927, in the Sacred Heart Catholic Church in Seymour. She preceded him in death on January 23, 1979. He was well known in this area, having lived in the Goree and Munday area for many years.

In 1973, Mr. Jakubec moved to Kaufman. He was a member of St. Ann Catholic Church. He was a longtime member of St. Isadora Lodge of Seymour.

Survivors include three daughters, Mrs. John (Margaret) Moeller, Mrs. Johnny (Evelyn) Cardwell, both of Kaufman, and Mrs. Delbert (Tracy) Ballard of Irving; nine grandchildren, Carol Skrivanek and Elaine Laza of Ennis, James Moeller of Scurry; Bryan Moeller, Susan, John and Sarah Cardwell, all of Kaufman; Lisa and Dwayne Ballard of Irving; two great-grandsons, Jimmy Jr. and Scott Laza of Ennis.

A Mass was said Friday, March 19, at 7:30 p.m. at St. Ann Catholic Church.

## UNDERGOES SURGERY

Chan Hughes, well known local resident, was rushed to Bethania Hospital in Wichita Falls last Sunday and underwent emergency surgery there Sunday night. He was resting well Monday afternoon, according to reports.

Mrs. H. F. Jungman and Mrs. W. C. Hertel of Seymour visited in the Aaron Edgar home one afternoon last week.

## Letter To Editor

Dear Sue and other personnel, Enclosed is my check for another year of home town news. I don't want to miss a single copy. I pass my paper on to my daughter, Jennie, when I finish reading it.

Then I call another Knox County man (Goree, to be exact), Leonard Bates, to discuss the latest news from home. He was born and raised in the Hefner com-

munity same as I was. We attended Hefner School at the same time.

Thanks to all of you, Sincerely, Ruby Wickham Irving, Texas \*\*\*\*\*

## Ranch Field Day Is Planned At Throckmorton

Report on a year's testing of a short duration grazing system and results of intensive search on range animal nutrition, control of prickly-pear cactus, and the response of livestock and vegetation to grazing management will be featured at Throckmorton on Thursday, April 8, at the field day of the Texas Experimental Ranch.

The program begins at 8:30 a.m. with registration, said Dr. Earl C. Gilmore, resident director of research with the Texas Agricultural Experiment Station (TAES) at Vernon. The experimental ranch, 11 sections on the Throckmorton Ranch of the Swen R. Swenson Cattle Co., is on U. S. Hwys. 183 and 283 between Throckmorton

and Seymour.

Tours will begin at 9:30 a.m., with a barbecue lunch served at noon, said Dr. Rod Heitschmidt, TAES associate professor of range ecology.

One tour stop will be at the cell-designed short duration grazing (SDG) system, Heitschmidt said. Commonly known as the Savory Grazing Method, for its developer, Allan Savory of Albuquerque, N. M., this management method has gained wide interest for its potential of increasing livestock production while maintaining or improving the forage resource of the range.

The Texas Experimental Ranch began research on a 14-pasture, one-herd SDG

system in March 1982, Heitschmidt said. Field day visitors will learn how the researchers have monitored livestock production, monitored vegetation response and sought to develop better understanding of the SDG system.

Since its inception in 1957, the Texas Experimental Ranch has conducted research on livestock responses to rates of stocking, type of grazing system and level of winter supplementation of feed, longterm vegetation response to grazing treatments; effects of stocking and grazing systems on rate of water infiltration and sediment, production and calf growth and development.

## Farmers Can Adjust Report

F. W. Crouch Jr., field operations office director for Federal Crop Insurance Corporation, announced that farmers in the State of Texas who have already reported their acreage of All-Risk Crop insured barley, oats and wheat for 1982 Crop Year can adjust that report if they participate in the ASCS Acreage Reduction Program. "Producers who have questions concerning that program should contact their ASCS office," continued Crouch. "Insured producers who choose to participate in the Acreage Reduction Program through ASCS can reduce their crop insurance premium liability by reporting the acreage reduction to their All-Risk Crop Insurance agent no later than April 16, 1982. Producers who do not have their acreage reports revised will be obligated for the premium established by their original acreage report."

## PCA Officers Plan To Attend Houston Meet

Rolling Plains Production Credit Association (PCA) officials will be among 500 Texas agricultural leaders meeting in Houston April 1-3. The occasion is the 26th annual stockholders' meeting of the Federal Intermediate Credit Bank (FICB) of Texas. Directors from Texas' 30 Production Credit Associations and officials of various other financing institutions will convene at the Westin Galleria Hotel (formerly Galleria Plaza Hotel). Keynote speaker is Representative Charles Stenholm, a member of the U. S. House Agriculture Committee.

Directors representing Rolling Plains PCA will be W. H. Williams, B. H. DeBusk, Dan Henard Jr., and Garon Tidwell. W. J. Boykin serves as the PCA's official voting delegate.

According to PCA president R. C. "Clif" Cobb, main business activities are scheduled for Friday, April 2.

Participant's spouses will be treated to a special ice skating exhibition in the Galleria shopping mall's large central rink, as well as an entertaining and educational presentation on behavior modification by a hypnotist.

The Friday night dinner-dance will feature entertainment by Buddy Brock's Big Band with Vicki Brazel.

Rolling Plains PCA provides agricultural loans to farmers, ranchers and producers in 17 Texas counties, and has loans outstanding totaling more than \$54.6 million.

## Young Farmers

Members of the Knox County chapter of Young Farmers will meet Tuesday evening, April 6, at 7:30 in the Vocational Ag building at Munday High School.

A presentation on "Peanut Production" will be the program for the evening. Anyone interested in this subject is invited to attend.

### Texas To Continue Two-Area Brucellosis Program PART ONE

Faced with several changes which will affect Texas this year in the federal brucellosis eradication program, commissioners of the Texas Animal Health Commission have taken action which will allow Texas to continue its two-area brucellosis program.

Members of the Texas Animal Health Commission requested the U. S. Department of Agriculture to reclassify the present brucellosis control areas of the state.

Based on this action, the present Class A control area - generally the western half of the state - would become Class B area. The present Class B control area - generally the eastern half of the state - would become Class C when the recom-

mended changes in the Uniform Methods and Rules (UM&R) take place.

"The Texas Animal Health Commission took the action so that Texas livestock producers will be aware of impending changes as soon as possible," John B. Armstrong of Kingsville, Commission chairman, said.

The proposed Class B area would include 140 counties, as recommended by Commissioners. Additionally, the proposed Class C area would include 114 counties.

Changes in the rules of the federal brucellosis program were recommended by the U. S. Animal Health Association, which has responsibility for making recommendations to the Secretary of Agriculture in regard to UM&R.

The classification categories are based on the number or percentage of infected herds - not individual animals - in the state.

States with a zero percent infection rate would receive a free classification status, where no tests would be required for shipment between states or areas.

To obtain Class A status, individual states could not exceed 0.25 percent infection rate. No tests would be required for shipment within an area or state, but one would be required before movement between states or areas.

Class B status, obtained by any state with less than 1.5 percent but more than 0.25 percent infection rate, would require one test before shipment within an area or state, and one before and one after shipment between states or areas.

Class C status, for all states and areas with greater than 1.5 percent infection rate, would require one test before movement within states or areas for vaccinates and non-vaccinates. For shipment between areas and states for vaccinated animals, one test would be required before movement and one after movement. Non-vaccinates would require two tests before movement and one after movement.

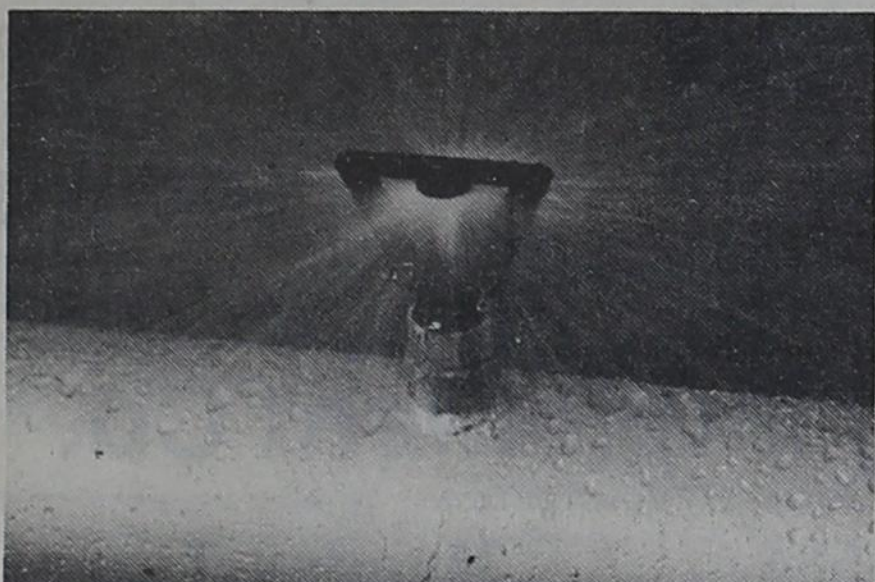

In all classifications, animals that would be exempt from the testing requirements include steers and spayed heifers, official calfhood vaccinates of dairy breeds under 20 months of age or beef cattle under 24 months of age; and non-vaccinated cattle under 18 months of age, unless six months or more pregnant.

### Burnett Named To Honor Roll

Bruce Tillman (Till) Burnett, son of Mr. and Mrs. Bruce Burnett, was one of 1,138 honor students in engineering for the 1981 Fall semester at University of Texas at Austin.

To achieve the engineering honor roll, a student must have maintained at least a 12-hour course load throughout the semester, passing all courses with a minimum grade-point average of 3.25.

### Now save more than \$20,000 with the new revolutionary Valley Double Low Pressure Spray Nozzle

### New Valley 10 slashes H.P. by 50% over the lowest low pressure nozzle available.

This new Valley spray nozzle is a quantum leap in reducing energy costs as well as pump and engine investments. Because of its unique design, it is superior to other low pressure nozzles; fine droplets are practically eliminated, reducing both evaporation loss and wind drift.

Horsepower requirements are dramatically reduced from 17 H.P. for present standard low pressure, down to 7 H.P. for the new Valley 10. Over ten years, energy costs can be trimmed by more than \$20,000 assuming diesel fuel at \$1.00 per gallon, a 12% inflation factor and 1,200 hours of annual use on a quarter section size system pumping 800 gpm. Yet the diameter of the 360 degree pattern is only slightly smaller than spray nozzles operating at 25 psi.

If you can use low pressure, don't do anything until you've seen your Valley dealer for the ultimate savings in energy.

Valley dominates the field.

## Early Entry Requested

"Opportunity" will be the watchword during the 1982 Rehab Quarter Horse Classic to be held on June 29th in Stamford. This halter and performance horse sale will kick off the 1982 version of the Texas Cowboy Reunion scheduled for June 30-July 3.

Emphasis of this sale will be placed on all aspects of the Quarter Horse industry. Quality horses of all classes are expected, including running, roping, reining, cutting, barrels, halter, Western Pleasure, ranch and breeding stock. Several select thoroughbreds are also expected.

In order to assure sellers a stable market and buyers a quality offering, the Rehab Classic is being limited to 100 entries. Early consignments will receive sales order and catalog preference; so anyone interested in consigning to this sale will want to make their entries as soon as possible. Entry deadline is May 30.

## Cindy Harlan Passes Nurse's Examination

Miss Cindy Harlan, daughter of Mrs. Doris Harlan of Goree, received word from the State Board of Nurse Examiners in Austin last week that she had passed the State Board examination and is now a licensed nurse in the State of Texas.

Cindy is a 1978 graduate of Goree High School and attended Midwestern University in Wichita Falls, graduating in May, 1981. Since that time she has been employed at the Wichita General Hospital.

## Bike-A-Thon Scheduled At Benjamin

Riders for the April 4, 1982 St. Jude Children's Research Hospital Wheels for Life Bike-a-thon are now asking Knox County citizens to back their efforts by pledging a contribution for each mile they ride.

"The money our riders earn will help continue St. Jude's life-saving study of childhood cancer that has become so important to children all over the world," said Bike-a-thon chairman Dorothy Spikes.

"We'll be showing that we care about children by helping this cause. Please support your rider with a generous pledge, and then help them get the funds to us as soon as the ride is over," she continued.

Each rider will be given a lap card when they register at Benjamin on Sunday, April 4. Each time they ride through the check points, the card will be stamped. At the end of the ride, it will be checked and signed to show that the rider earned what the sponsor pledged. Riders will then return to the sponsors to collect the pledge.

"We'll also be giving them a hospital bracelet saying, 'I'm riding for Terry' to wear during the ride. I'm sure most of them will still be wearing them while they make their collections. Terry is a St. Jude patient who represents all victims of the illnesses under study at St. Jude Children's Research Hospital," stated Mrs. Spikes.

The ride starts at the Benjamin School at 2 p.m. Sunday, April 4, and will run south for 2 miles.

If you have not been asked to sponsor a rider, please call 454-2224 and we'll ask one to contact you. Riders can obtain sponsor/registration forms at the Mini Mall in Knox City or from Lorrie Rolston in Benjamin, 454-3341.

## Number of Bingo Elections Scheduled

State Comptroller Bob Bullock announced today that voters in 64 Texas counties, 57 cities and 35 justice precincts will decide April 3 if charitable bingo will be legal in their communities.

"The time is getting real close when bingo will be the legal kind or the illegal kind," Bullock said.

The Comptroller explained that his office will be working closely with local authorities in taking a close look to see that qualified non-profit groups play the game legally.

"As for the others," Bullock said, "if there has been an election and an operator is running a game without a license, it's illegal. In areas where there has not been an election, bingo is also illegal there. In either event, we intend to enforce the law with cooperation of local officials."

Under the Texas Bingo Enabling Act, local voters must petition for an election and vote on legalizing bingo for qualified charitable organizations before it can be played legally.

The law provides that a court can order proceeds from illegal games be forfeited to the appropriate local governing body as a civil penalty. Further, the law also provides criminal penalties for unauthorized games under the Texas Penal Code.

## Texas Man Convicted Of Fraud

A Rio Grande City, Texas man has been assessed the maximum fine of \$1,000 and was placed on four years supervised probation by a Federal Judge in Brownsville after pleading guilty to defrauding the Social Security Administration.

According to Roger Rochester, supervisor of the Vernon Social Security office, Ramon Garza of Rio Grande City had admitted lying about the amount of money he had in a checking account so he could qualify for Federal Public Assistance Payments, called Supplemental Security Income (SSI).

Mr. Rochester said Garza claimed he had only \$200.00 in his bank account, but investigation revealed savings of over \$7,000.00.

Mr. Rochester said the SSI program, financed with General Tax Revenues, provides a monthly cash payment to those in need who are 65 years old, or blind or completely disabled.

## Grain Prices May Be Boosted By Orderly Plan

A national marketing program is being developed that will raise grain prices one dollar per hundred pounds (\$6¢ per bushel) in a very short period of time, according to Elbert Harp, Executive Director of Grain Sorghum Producers Association. The 20-10-20 Orderly Marketing Plan, designed by Congressman Charles Stenholm (D-Texas), has been endorsed by GSPA.

Under the 20-10-20 Plan, farmers would place at least 20% of their supply and production in the farmer-held reserve and use the Government Loan Program for the balance where financing is needed. Other provisions of the plan are:

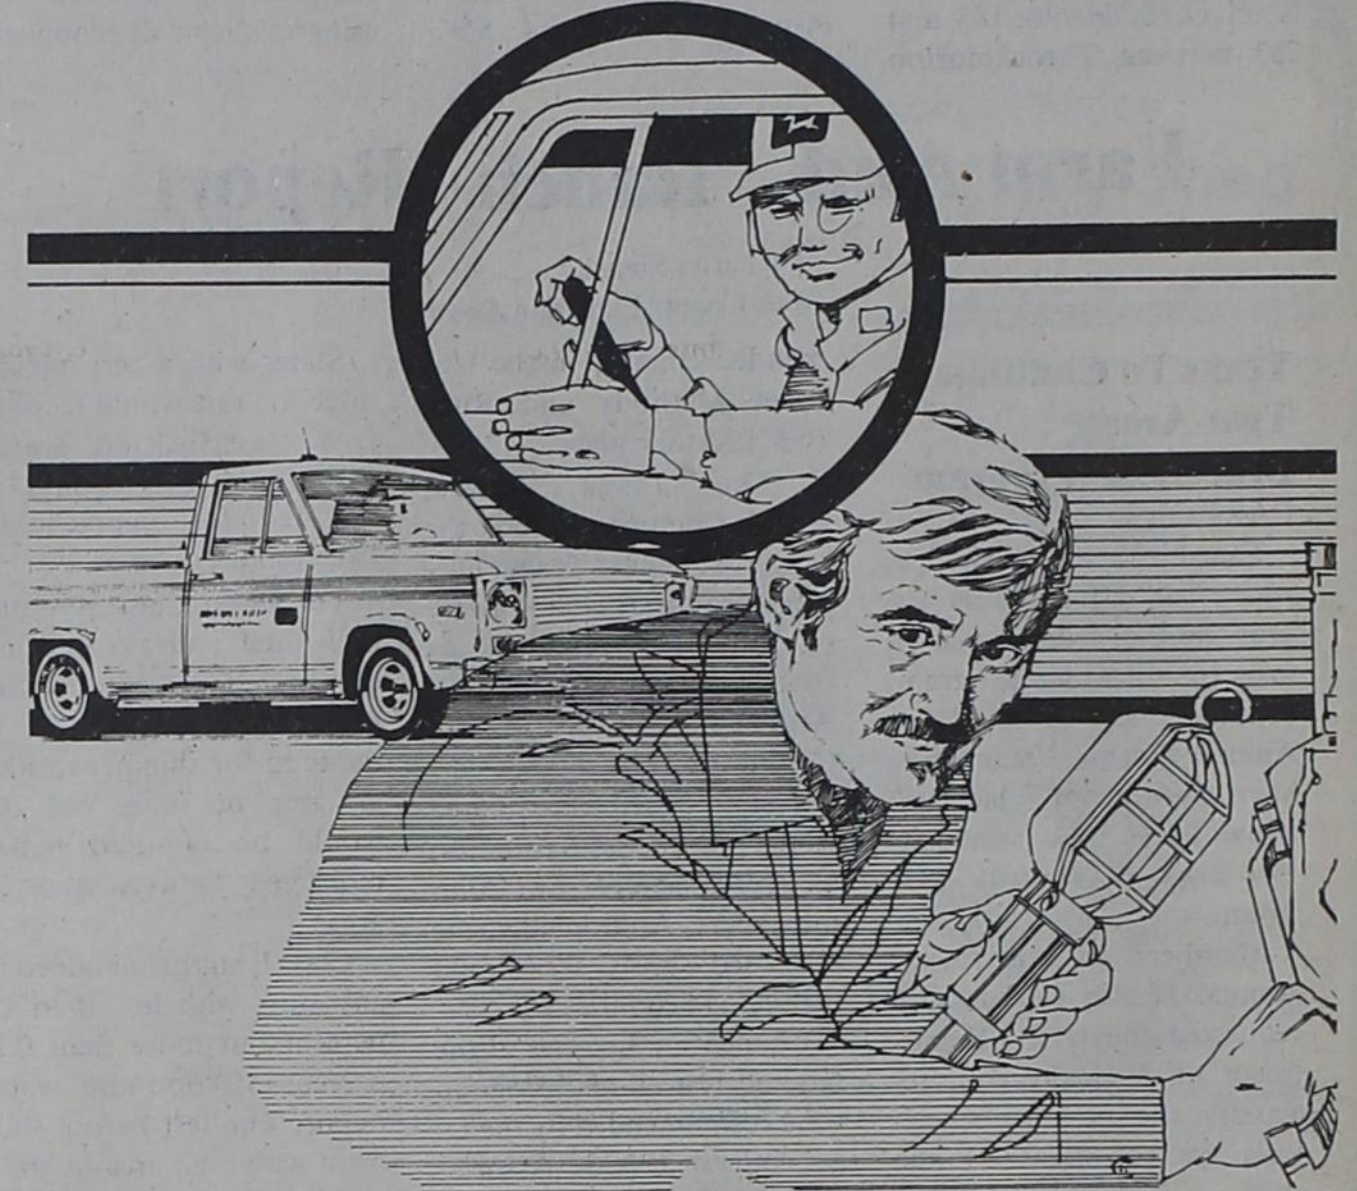

1. Farmers would sell no grain until the price reaches the reserve "trigger" price which currently is \$3.00 per bushel (\$5.36 per cwt.) on sorghum and \$3.15 (\$5.62 cwt.) on corn.
2. After market prices reach the trigger, farmers would sell only 10% of their remaining stocks in any 30 day period during the first 3 months. This action will keep pressure on the market to raise prices.
3. After the first 3 month sales period, each farmer could sell 20% of his remaining stocks during a 30-day period.
4. Minimum sales prices will move up throughout the year as storage and interest costs are added to the Reserve trigger price.

"This program will work," Harp said, "if it is coordinated with reduced planting when a surplus exists and if farmers are willing to cooperate to make it work." Harp urges grain farmers to carefully study the plan which is expected to have the support of most farm and commodity organizations.

## Local Woman's Brother Dies In Tulia

F. L. Montandon Sr., 80, of Tulia, brother of Tennie Montandon, died at 8:30 p.m. Saturday, March 13, 1982, in Lubbock General Hospital. He was admitted to the hospital March 5. Mr. Montandon was born September 17, 1901 near McMinnville, Tennessee, and married Bessie Ferguson on December 5, 1926, in Haskell. He moved to Stephenville in 1907 and to Rochester in 1912. In 1951 he moved to Swisher County, and into Tulia in 1963. He was retired farmer and a member of Central Church of Christ in Tulia. He was well known in this area.

Funeral services were held at 2:30 p.m. Monday, March 15, in the Central Church of Christ in Tulia with Wilburn Dennis, minister of Crescent Hill Church of Christ in Littlefield, and Weldon McKinney, minister of the Central Church of Christ, officiating. Burial was in Rose Hill Cemetery under the direction of Wallace Funeral Home. Grandsons served as pallbearers.

Survivors include his wife, of the home; one daughter, Mrs. Carl (Mary) Jennings of Tulia; two sons, F. L. Montandon Jr. of Aiken and Tommy Montandon of Lubbock; four sisters, Tennie Montandon as mentioned above; Maude Smith of El Reno, Oklahoma; Lena Parnell of Weatherford; and Edna McCarty of Knox City; two brothers, George Montandon of Snyder and Doc Montandon of Knox City; thirteen grandchildren and eleven great-grandchildren.

## Stillage From Alcohol Production Is Problem

The feasibility of ethyl alcohol production depends a lot on what happens to the "stillage", notes an agricultural engineer with the Texas Agricultural Extension Service and Texas Agricultural Experiment Station, Texas A&M University System. Stillage is the liquid residue that is recovered at the base of the distillation column after ethyl alcohol is separated from fermented grain. Stillage is a problem because of its large volume and the fact that it presents a potential water pollution problem because it has a high oxygen demand and is acidic. Whole stillage can be fed to cattle but spoils rapidly. It offers more potential as an animal feed when passed through a solids separator to remove water. ....

Helen Allen came for reading and discussion class on Monday afternoon. Brenda Smith conducted the devotional for the residents on Tuesday morning.

Mrs. O. R. Porter and Mrs. Walter Brown called bingo for the residents on Thursday afternoon and gave prizes of their choice. Jean Kiser came for games and exercises on Friday morning.

Rev. K. E. Woolley conducted Bible study on Friday morning. Mrs. Woolley accompanied Mrs. Dovey Partridge on the piano as she led the singing.

Sing-Along was held on Saturday afternoon for the residents. Volunteers conducting the sing-along were Eunice Raynes, Virginia Cary, Bera Spann, Mrs. Ike

Gresham, Maggie Gaines and D. E. Whitworth. Sunday afternoon church services were held by the Goree Baptist Church. ....

## Benjamin News

By MRS. GLADENE GREEN

Mr. and Mrs. Van Green and daughter, Diane Green of Munday, attended the Little Miss Paducah pageant in Paducah on Friday night. Eighty-three girls from the Cottle-King County areas were in the pageant. Our granddaughter, Becky Stamps, was a contestant, being sponsored by Paducah Lumber Co. She was among the 10 finalists, but was eliminated from the top five.

Recent guests of Mrs. L. A. Parker were Bonnie Garrett, Mary and Sara, of Lafayette, La., Dorothy and Wilburn West of Lamesa and Carolyn and David McClung of Amarillo.

Scotty Hertel of Wichita Falls visited his parents, the Don Hertels, two days last week. Mr. and Mrs. Mickey Driver visited their daughter and son-in-law, Carol and Joe Judiscak, in Beulah,

Colo., recently. Dorothy Jacobs of Fort Worth and Bertha Jennings of Jacksboro visited friends here on Monday.

Brett Glenn visited his parents, Mr. and Mrs. David Albus, in Lubbock during the week. Mr. and Mrs. Homer T. Melton spent the weekend with their daughter and family, the Jacky Youngs, in Lubbock.

I. N. Mitchell, father of Christine Patterson, died last Saturday in an Olney hospital. Mr. Mitchell was a resident of Newcastle. Funeral services were held Monday in Newcastle. We extend our sympathy to Christine and her family.

Plans are underway for the 1982 homecoming, slated for the first weekend in June. Everyone is reminded to keep this in mind and make plans to attend. More on this will be announced later.
