Look
To The
East

by Aaron Edgar

As of this week, Friday, April 15, to be exact, this publication might be in the mood for kicking up its heels, or celebrating in some other appropriate manner.

Imagine, if you can, anything like a newspaper, publication, "rag" "sheet" or whatever, kicking up its heels! It can't do it, we reckon.

But its owner, or owners can!

The reason: A load is being lifted.

It was in the final days of February, 1973, that we completed negotiations with Marion and Mattie Waggoner for the exchange of ownership of the Munday Courier.

We had operated the newspaper from its "birth", which occurred on Thursday, October 15, 1971, when Munday's original newspaper, The Munday Times, failed to "make the mails". Munday had no newspaper on that mailing date.

We became upset, as did officials of the Munday Chamber of Commerce. Then, when subscribers failed to get their local paper at the appointed time, they also became upset. The grapevine had carried the news that "Knox County's leading newspaper" had gone by the way, via the bankruptcy route.

It was after consulting the telephone directory and making "hurry-up" telephone calls that a group of some 35 or more interested citizens met to discuss the situation.

It was during this discussion that we remarked: "If the merchants of Munday want a newspaper, I'll start one. But as soon as it's on its feet, it's for sale - I'd rather not be back in the newspaper business."

Support was pledged. We called in Bill Bowley and Cheryl Berryhill, and the three of us (with volunteer support and help of Callie Ann Combs) started work on next week's paper. Since everything related to printing a newspaper was shut up inside the building and "closed in bankruptcy" tagged the front door, we started (as often remarked) with nothing but a pen and notebook, a borrowed typewriter and office space furnished inside the Chamber of Commerce office.

The days that followed were trying, but fruitful!

After some 16 months of operation, the Waggoners (Marion and Mattie) appeared on the scene, and we began talking sale.

Waggoner said all of his experience had been in the mechanical department (he was then employed with the Abilene Reporter-News) but he felt that he could handle a weekly newspaper. "It's been a long-time desire of mine to have a newspaper of my own," he said.

After a couple of meetings, or so, the sale price was agreed upon. The three of us hid ourselves to the office of Clyde Boone, who went to work with his legal "expertise", and a sales contract was soon completed.

We signed a batch of papers and obtained copies. We completed the transaction, and all details of the transaction were finished on February 27, 1973. We signed over ownership to the Courier and received a check in part payment and a document entitled "Schedule of Direct Reduction Loan".

On this document was a payment number, payment of principal and interest, and the loan balance. This was numbered from 1 to 120. The Waggoners became "Munday's official newspaper family" on March 1, 1973.

We've reached No. 120 this week!

As the Courier continued to be printed by offset at the Quannah Tribune-Chief, we often had contact with that paper's owners. It was quite often that Ed R. Eikin reminded us of how lucky we were to have sold our newspaper to a man like Mr. Waggoner.

It wasn't always peaches and ice cream for the new owners, neither did they expect to be placed right in the middle of a rose garden. Marion and Mattie kept plugging along, and payments were made almost on the button. If one was a day or two late, the next one might be early.

So, after this week, we will receive a right sizeable reduction in income. As we begin making adjustments to this, we

HEADING FOR REGIONAL are Kelli Smith, at left, Regina Jones and Laura Myers. The girls will participate in the regional track meet in Lubbock on April 22 and 23. Kelli is in the high jump, Regina will be in the long jump competition, and Laura is a double entrant, running in the 1600 meter and 3200 meter events.

Tracksters Advance To Regional Competition

Three Munday Moguettes qualified for regional at the district track meet held Saturday, April 9, in Hamlin. Laura Myers will be entered in two events, the 1600 meter and 3200 meter runs. Kelli Smith will participate in the high jump competition, and Regina Jones will be in the long jump.

The entire track team placed 5th in overall district competition. The junior varsity team was fourth.

Coach Bill Kingston stated, "The girls did a real good job. They have worked hard all season, and this has paid off for them. It will continue to pay off, too, as the work they did this year will benefit the team next year."

Laura, Kelli and Regina will participate in a regional qualifiers meet at Plainview Saturday, April 16, and the regional meet will be held in Lubbock on April 22 and 23. The high jump competition will take place at approximately 11 a.m. Friday, the long jump at the same time on Saturday, and Laura will begin running at around 1:30 Saturday afternoon.

Coach Kingston complimented the members of the varsity and junior varsity teams for their hard work this year.

Methodist Church Hosts Special Youth Program

The Munday United Methodist Church will host a youth group from the Post United Methodist Church for a program of gospel music and drama on Sunday, April 17.

A salad supper will be held in the church fellowship hall at 6:30 p.m., with the special program planned for 7:15.

Rev. Kenny Kirk is pastor of the Post church, and Mrs. Barbara Babb is youth coordinator and leader. She has more than twenty years of service in youth ministries in the Post community.

Munday pastor Don Travis invites members and friends of the church to be present for the supper and the service following. "This will be a very fine time of fellowship and worship," he stated.

A love offering will be received to help pay the group's traveling expenses.

AT DISTRICT MATCH

Girls' Tennis Team Wins Championship

For the first time in recent history, possibly the first time ever, the girls' tennis team from Munday High School won the district championship. The competition took place in Hamlin on Wednesday, April 6.

Munday finished with 35 points, narrowly defeating Seymour's 30. The bulk of Munday's points came from the two doubles teams which faced each other in the finals. Kristi and Kelli Smith were the winners over Cherie Welch and Angela Meers. As first and second place winners, these two teams, along with singles alternate Lisa Myers, will advance to the regional tournament in Lubbock on April 22 and 23.

The other member of the championship team was Salwa Choucair.

Coach's Comments

by Coach Ed Pugliese

The first match for the Moguettes was a singles match between Salwa Choucair and Kathy Wade of Hamlin. Miss Wade won 6-1, 6-1. Salwa did a super job playing against a junior. Looking at the total picture she did well and I was extremely proud of her.

The next match for Munday was probably the best singles match played all day. Lisa Zeissel Myers and Shelly Hayes of Rotan played for 2½ hours, with Miss Hayes finally winning 7-6, 7-5. Lisa played extremely well. When she graduates this year, Munday girls' athletics is

PEOPLE ASKING ABOUT IT . . .

New City Hall Is Prospect For Munday

More positive thinking is being generated regularly in regard to construction of a new city hall for the City of Munday, and prospects are looming brighter as the days and months go by.

"If and when the new city hall is built it will be with city funds entirely," Walter Hertel, administrator, said last Monday. "We are not looking forward for any financial help from any government agency."

With construction in view, the City Council has been setting aside general revenue funds annually for financing the new structure.

Hertel said there is already some \$50,000 set aside for this purpose. This is invested in certificates of deposit and drawing interest, and the money can not be spent for any other purpose unless designated by the mayor and city aldermen.

Volleyball Tourney Planned In Gilliland

A mixed team volleyball tournament will be held in the Gilliland Community Center on May 6 and 7.

Individual first place trophies will be presented to the six players on the winning team, and second and third place team trophies will be given.

Entering teams should be made up of persons who have not played on a mens or womens team before. The deadline for entries is April 29, and anyone interested in entering a team should call 474-3352 or 474-3261 before that date.

4-H Horse Judging Teams Win In District 3 Contest

Knox County was well represented at the District 3 4-H judging contest held Wednesday, April 6, at the Kent County Livestock Show Barn in Clairemont. Livestock, horse and soil judging events were included in the competition.

Knox County's junior horse judging team won first in their division. Team members are Jae-Jae and Robin Reneau of Munday, Shane Spinks of Benjamin and Patricia Sanders of Knox City. Shane Spinks was first high individual in the junior competition.

Hertel said it is his recommendation that an additional \$10,000 be set aside for 1983-84, with another \$10,000 to be added from the 1984-85 budget. "It is my recommendation," Hertel added, "that the new structure be put into the planning stage around June, 1984."

"Barring unforeseen expenditures, the present tax rate, coupled with the funds on hand, will finance the new building

Cheese and Butter Giveaway Continues

More government surplus butter and cheese will be available to Knox County citizens on Thursday (today), April 14. Persons should pick up their commodities at one of the locations below:

Munday Community Center; Goree Community Center; Knights of Columbus Hall in Rhineland; Vera Community Center; Gilliland Community Center; Truscott Community Center; Benjamin Community Center.

Knox County commissioners remind the public that senior and needy citizens are eligible for the cheese and butter before anyone else, and a time is set aside for these people to receive their commodities. Senior and needy citizens should come to one of these locations between 3 and 5 p.m. Thursday. Other persons interested in receiving butter and cheese should wait and pick it up between 5 and 6 p.m.

Officials said you may sign for a physically disabled or handicapped person or one who has no means of transportation.

without a tax increase," Hertel concluded.

One has but to look around to determine that Munday is badly in need of a new "government house". A casual inspection will reveal that the present city hall, erected in 1918, is in a bad state of deterioration and disrepair. Concrete floors are cracking, caused by walls breaking away and leaning.

It is being recommended that no action be taken on the city hall construction until the present \$500,000 H.U.D. drainage and paving project has been completed.

Deadline Nears For Bid Offers

Friday, April 15, is the final day to offer a bid on loan or reserve wheat, grain sorghum and corn in excess of your PIK needs. All offers bidding a "O" percent will be accepted - in other words, you can forfeit your loan in excess of your PIK needs. If you do not wish to forfeit your loan, you may offer a bid on what percent of the loan you would be willing to keep as your profit. If your bid is accepted, the government will pay off the loan and give you the portion you bid, which you may sell on the open market. The government will take the remainder of the offered quantity to supply PIK needs of other farmers. You do not have to be in PIK to bid.

If your bid is accepted, you must pay back any unused storage on the loan quantity offered. This is necessary since Commodity Credit Corporation will take up the storage and handling from the date title changes on the commodity. By the same token, you will probably be due a refund of unused storage from the elevator where the grain is stored. All loan repayments and storage refunds must be made by a certified or cashiers check.

If you submit a bid offer and it is for a joint loan, all interested parties must sign the bid or be signed by someone having a power of attorney for the individuals.

Bids will be opened after 5:00 p.m. on Friday, April 15, at the Knox County ASCS office. The bids will then be submitted to Kansas City for processing. County offices will be notified of the results as soon as review and evaluation is completed.

DISTRICT CHAMPIONS in girls' tennis this year are these young ladies from Munday High School. Kelli and Kristi Smith, in center front, won the doubles title, and Cherie Welch, at left, and Angela Meers, at right, won second place in this event. In back row are Lisa Myers, Coach Ed Pugliese, and Salwa Choucair. Lisa and Salwa entered the singles competition.

Seymour, winning by a count of 6-2, 6-1. Because of the two first-round byes, the win automatically put Cherie and Angela into the finals. These girls did very well considering they sat all day till about 5:00 when they got to play. I was very proud of both of them.

In the last match, Kelli and Kristi were against Cowan and Thomas of Hamlin. The Hamlin girls jumped out to an early 6-4 lead in the first set, but Kelli and Kristi fought back to win 7-5, 7-5, giving Munday the team championship.

Since both teams in the doubles finals were from Munday, the finals match was played here. It was very cold on Thursday morning, April 7, when the doubles teams of Smith and Welch and Meers met to determine the district doubles champions. Considering the weather, both teams played very well, with the Smith girls winning 6-0, 6-1.

I am very proud of all these girls. It means a lot to a first-year coach to win just a match, but a district championship is great! I'll never forget any of the girls on this team.

Little League Meeting Friday

Keith Davis, president of the Munday Little League organization, has announced a meeting to be held at 7:30 p.m. Friday, April 15, in the Chamber of Commerce office.

Final plans for the 1983 Little League season will be discussed, and all officers and coaches are urged to attend.

Goree PTO To Sponsor Variety Show

The Goree Parent Teacher Organization has been involved in various projects to raise money for badly needed stage curtains. The curtains have now been installed and are ready for community inspection.

The PTO has planned a variety show entitled "Swing Into Spring" to finish paying for this worthy addition to our school. The show will be held on Saturday, April 16, at 7:30 p.m. in the Goree gym and will include a wide variety of music and comedy. The show will feature performances by elementary, junior high and high school students in addition to local and area adult talent.

Approximately twenty entertainers have been scheduled for the show, including Goree's own Oakcliff Boys; Janice Culpepper; a Baptist Women's Trio; soloists Ray Hudson and Christye McCord; spiritual songs by Goree's Jeanette Russell and Napoleon Johnson; and Benjamin's White Family. Instrumentalists will include Munday/Goree's Methodist minister, Don Travis and Goree's Starla Stuart. The show will feature pantomime numbers and vocal acts along with a "Cotton-Eyed Joe" routine and an old-fashioned mountain "clog" number by Kelly Moore.

A full evening of fun and entertainment is planned with something for everybody. Admission will be \$1.00 for adults, .50 cents for students, and children under five will be admitted free if accompanied by an adult. There will be a short cake auction during the ten minute intermission of the show.

Please make plans to meet your friends at Goree on April 16. We think you'll be glad you came to "Swing Into Spring".

"Farm Talk" Column Cites Vegetables In Knox County

In a recent issue of the Abilene Reporter-News, Kent Dunlap's "Farm Talk" devoted space to vegetable production in Knox County, following an interview with Charles Siepel, county agent. His comments follow:

"Unlike in some vegetable-producing areas of the country, the wet winter didn't hamper the planting of spring potatoes and onions in Knox County, according to county extension agent Charles Siepel.

"Siepel said several hundred acres of spring potatoes and more than 600 acres of onions were planted on time and, for the most part, were not affected by wet weather.

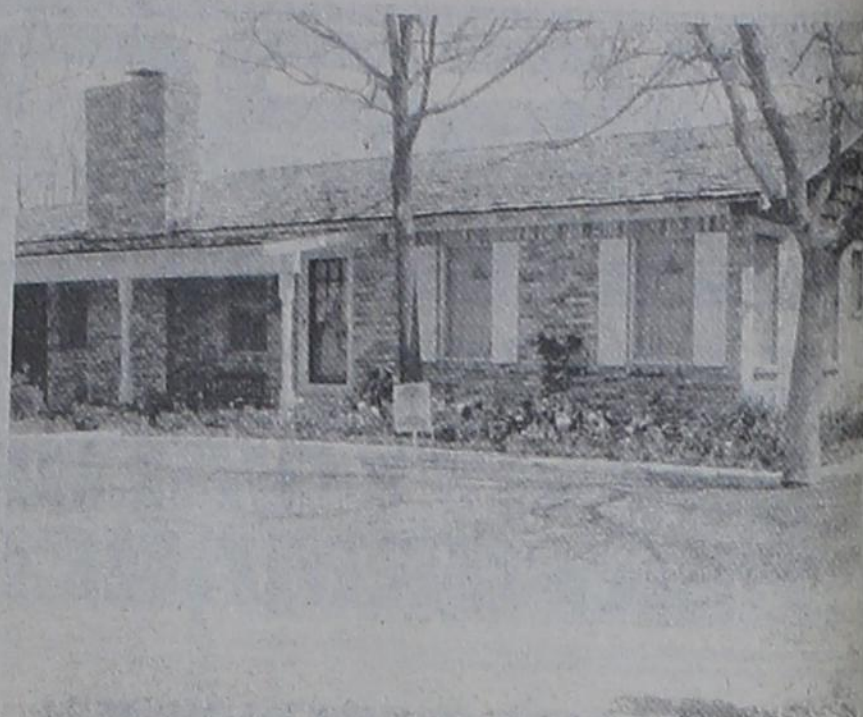

"The weather didn't affect any plantings that I know of," Siepel said. "The potatoes were planted in late February, and they are already coming up.

Potatoes, as well as other

vegetables are big business in Knox County, particularly in the Munday area. The overall impact of vegetables on the economy is approximately \$1 million annually.

As one might expect with a specialized crop, marketing is the key factor. The extension agent said some producers had a little trouble last year in dispersing the crop. Most of the vegetables are sold on a contract basis.

With nearly a section of onions planted in 1983, Siepel said that, barring any problems, they should produce well."

Golf Teams Improve Scores

Munday High School golf teams played at Seymour last week. The first team shot a total of 368, which is 12 strokes lower than their previous score.

Dent Offutt was low man with 83. Others participating and their scores were Ronny Lowrance, 93; Chris Moore, 96; Greg Urbanczyk, 96; and Mark Brown, 98.

The second team also got some practice on that day. Russell Smith had the low score of 92. Others on the team were Neil Waggoner, Scott Jackson, Scotty Jackson and Brad Angerer.

Girl Scouts Attend Skills Day

Munday junior Girl Scout troop 103 attended a junior Skills Day at Camp Stone-wall Jackson near Holliday on Saturday, April 9. Activities included scouting skill events and other contests.

In the axe contest, the girls were required to light a match by striking it with an axe. Christi Wilde was able to light one of her matches. In the flint and steel fire contest, Kathy Wilde had her fire going in 2 minutes and 15 seconds. Youlanda Wright came within four feet of the goal in the blindfold compass course.

Working together, the team was successful in building a fire, but the girls were unable to get their water to boil in that contest. None of the teams were any luckier.

Out of 12 tents that were set up that day, the judge said he would have felt comfortable sleeping in three - but Munday's was not one of those three.

Everyone had fun and came home tired and sunburned. The girls said the most important thing they learned was how to listen to and follow instructions and how to work together as a team.

Girls attending were Youlanda Wright, Kathy Wilde, Christi Wilde, Jeanette Wilde, Chris Burnett, Melissa Nuckols and Kristi Dutton. Leaders accompanying them were Judy Burnett and Kay Wilde.

shall always be appreciative of the business relations we've had with Major and Mattie Waggoner during the past ten years.

When time comes in October to publish their statement of ownership, management and circulation, they'll come to the question: "Known bondholders, mortgagees and other security holders owning or holding 1% or more of the total amount of bonds, mortgages and other securities. We imagine they'll derive quite a bit of pleasure in writing the word, "none!"

Congratulations to them - and may their future continue to bring happiness and success in their endeavors. It's a great world, after all!

CHURCH OF CHRIST

Church of Christ Who are these people? Part II

Before I continue this article, I would like to announce our forthcoming Vacation Bible School. It will begin the first week after school is out, May 23-27. We would like to invite each one of you to come and spend some time in God's Book. We'll be glad to have you.

In the last issue, I emphasized our creed, the Bible, and who is in charge, Christ. This week I would like to share with you our organization and worship.

Churches of Christ have no modern day organization. There are no governing boards - neither district, regional, national or international - no earthly headquarters and no universal organization.

Each congregation is autonomous or "self-ruled" and is independent of every other congregation. The only tie which binds the many congregations together is a common allegiance to Christ and the Bible.

However, many congregations unite to help one another in supporting different children's homes, mission

work, etc.; yet each congregation does so voluntarily, because each congregation has its own selected elders that have been chosen by its members and follow their wisdom in meeting the needs of benevolence.

Elders are selected in each congregation by its members according to their qualifications. The qualifications of elders are found in First Timothy chapter three and Titus chapter one.

How Do We Worship?

Worship in churches of Christ centers in five items and we believe the first-century pattern is important. Jesus said, "God is spirit, and those who worship Him must worship in spirit and truth" (Jh. 4:24).

To worship God according to truth is to worship Him according to His Word because His Word is truth (Jh. 17:17). Therefore, we must not include any item not found in His Word.

The five items of worship mentioned in the New Testament as having been observed by the first century church are: singing, praying, preaching, giving, and eating the Lord's Supper.

Next week will be my last issue in a series of three, to inform you about the churches of Christ. The last issue will contain some more information about our worship, what kind of music, facts about the Lord's Supper, and requirements for membership.

HE RECEIVED A HAT, TOO! . . .

Bill Heatly Is Honored At Events In Vernon

Political dignitaries from over a wide area, including Gov. Mark White of Austin and U.S. Rep. Jack Hightower of Washington and Vernon, honored the former state representative, W. S. (Bill) Heatly of Paducah at Wilbarger Auditorium in Vernon last Saturday.

Saturday was proclaimed Heatly Day in Vernon in recognition of Heatly's accomplishments during his 28 years in the Texas Legislature. He is known in Vernon for his support of Vernon Regional Junior College and the Vernon Mental Health-Mental Retardation Center.

Gov. White called Heatly a "true Jeffersonian Democrat and a man who makes people in this state continue to vote for Democrats." White also cited the honoree for his main accomplishments in the legislature: in helping the elderly and youth and in serving on the House Appropriations Committee, and his "number one priority" of his efforts to stop drug abuse among the youth.

Rep. Jack Hightower presented Dr. Joseph L. Mills, president of Vernon Regional Junior College, a check for \$20,220 that will be used to establish the W. S. Heatly Scholarship Fund at the college. The fund, which was created through donations by Vernon residents and other Heatly supporters, will establish four endowed scholarships.

Earlier Saturday, the main educational building at Vernon Center South was named

"THE DUKE OF PADUCAH" adjusts the new hat that was awarded him at ceremonies honoring him and dedicating the Heatly Academic Building at Vernon Center South last Saturday.

the Heatly Academic Building. Department of Mental Health-Mental Retardation officials from across the state attended the ceremony at the center, which will be an adolescent drug treatment unit established in Heatly's honor.

At the morning ceremonies, the honoree presented a hat in his honor, in addition to dedicating the new building named after him at Vernon Center South. Heatly said the scholarships are the "finest thing you could have honored me with. I don't know what can be done for a man more than has been done to me." He

said his philosophy during his terms in the legislature was that there are two classes of people you must help - those below 21 and those over 65.

CARD OF THANKS There is no way we can express our appreciation for all the things you did in the loss of our beloved one, except with that beautiful word, "Thanks".

It was so nice of you to remember her with your prayers, flowers, cards, calls, visits and donations to her favorite charities.

Dess often expressed how much she enjoyed your visits and calls during her illness. May God bless you. The family of Dess McMahon, Tinnie Tynes, Eunice Allen, Grady Thornton, Nieces and Nephews.

CARD OF THANKS The Walter Coody family wishes to extend their deepest thanks to the ladies of the Amigas Sunday School class of the First Baptist Church in Munday for the card they sent Walter while he was a patient in Hendrick Hospital in Abilene.

Garden Club Has Workshop On Arranging

Munday Garden Club members met Tuesday, April 5, in the Church of Christ for a salad luncheon. Hostesses were Mrs. Dan Offutt, Mrs. Sam Stone, Mrs. Grady Phillips, Mrs. R. L. Latham and Mrs. Lonnie Offutt.

Presiding over the business meeting was Mrs. Joe Roberts, club president.

Program leader for the day was Mrs. Ruddy Latham, who turned the program over to Mrs. Bernadine Blankenship of Haskell. Mrs. Blankenship is a flower show judge with her masters certificate in judging. She presented a workshop on flower arrangements.

Beginning by showing ways to establish and strengthen the line of an arrangement, Mrs. Blankenship brought out several points on the subject, stressing the need to keep darker flowers at the bottom and saying the needpoint should always be covered.

She showed the group examples of abstract, line mass, vertical, crescent and foliage arrangements. Club members constructed different arrangements of tulips, redbuds, iris and daffodils, and discussed them with Mrs. Blankenship. She also talked about grooming the arrangements.

Arrangements for the meeting were made by Mrs. L. L. Wise, Mrs. Weldon Floyd, Mrs. E. H. Nelson and Mrs. Ralph Adams.

Members attending were Mmes. Ralph Adams, Hal Amerson, Weldon Floyd, Ida Jungman, W. C. Kirschner, Ruddy Latham, Dick Moore, Wallace Moorhouse, E. H. Nelson, Dan Offutt, Lonnie Offutt, J. T. Offutt, Grady Phillips, Joe Roberts, O. H. Spann, L. L. Wise, Lloyd Mathews and Frankie Ponder.

7th Grade Thanks EMT Personnel

We thank you very much for spending your valuable time teaching us CPR. We enjoyed having you, Mr. Bobby Hutchinson and Mrs. Pam Reed. You took your own time and effort to teach a noisy seventh grade class CPR. You didn't have to teach us, but you did.

The class was fun, but most important, it was useful and important. It's a very good idea to learn CPR while we're still young. We just hope that no one has to ever use it. We are all glad to have such people as you two on the EMT staff in our area. We just wanted to say thanks for teaching us.

Thank you, 7th Grade Class Munday Junior High
