Look To The East

by Aaron Edgar

The U.S. Marines have landed!

And, we might add: "They have the situation well in hand." We think they sort of disregarded Russian Krushchev's demands that U.S. forces stay out of Beirut. We might, however, qualify his demand to mean a fighting force instead of a peace keeping force.

Eight hundred of the U.S. Marines, aimed at keeping the peace but prepared to do battle, landed on Wednesday of last week. They relieved French paratroopers controlling the port, and helped evacuate nearly 1,000 PLO guerillas from West Beirut.

"Everything went smoothly; so far, so good," said Col. James M. Mead, the 6-foot-7 commander of the 32nd Marine Amphibious Unit, which came ashore at dawn as part of a three-nation peace-keeping force for Lebanon that also involves Italian infantrymen.

Prior to the arrival of "our Marines", the rival forces could not enforce a cease fire long enough to give anybody an opportunity to enter West Beirut with any degree of safety. There had been eight or more cease-fire orders.

But, it seemed, all anyone had to do was shoot off a firecracker or fire a cap pistol to bring on renewed shell fire, bombings, and strafing from the air.

We would watch activities nightly over the TV airwaves; always with a feeling of deep sympathy and pity for innocent people who were suffering. We had the opinion that if only one PLO guerilla were thought to be within an area, the entire surroundings were submitted to unmerciful bombardment and destruction. No regard was given to civilians, churches, schools, hospitals, or whatnot.

From Israel came congratulations from Prime Minister Menachem Begin. "May God be with you, dear friend," he said, "in the fulfillment of your great, historical mission for the liberty of Lebanon and its independents."

What irony, we thought, that for one whose troops had been allowed to violate every law of Christian decency should seek the presence of a Supreme Being!

As people are wont to say: "That's the way the little ball bounces."

As of today (Saturday), it's been over a week since PLO guerillas began their exodus from West Beirut, waving Palestinian flags and huge portraits of Yasser Arafat and chanting "revolution until victory" as their comrades saluted them with thunderous volleys of gunfire.

The noise of gunfire was so great that one was prone to believe that the "cease fire" had been broken yet another time.

The exodus has continued regularly since Saturday, August 21, with some going to Cyprus; others to Syria, Iraq, and other places granting them permission to enter their borders. Their departure was mostly by sea and under heavy protection, but overland evacuation was begun last Saturday by land convoy, headed for Syria. It has been estimated that exodus has progressed on time, with about half of the guerilla group leaving Beirut.

We term the situation in Beirut as one of the worst in our lifetime, as this majestic city of the mid-east has been torn to rubble and shambles by some of the most shameful actions of the century.

But invading Israeli forces remain in Beirut, and their defense minister remain steadfast in staying in the besieged city until all enemy forces have left.

"You have to understand," he said, "that the Syrians are still occupying 40 percent of the territory of Lebanon. They, of course, have to withdraw. And our troops, Israeli troops, they also withdraw."

"We live to fight again." This has been shouted by guerilla forces as they enter sanctuary of other nations.

The entire situation defies all thoughts of decency!

Call in your locals by Tuesday noon.

PICTURED ABOVE are the boys who will form the backfield for the Munday Moguls, and they will likely see plenty of action on Friday nights this season. Left to right are Danny Sloan, Quincy Adams, Lawrence Collier, Jim Earl Dockins and Chris Moore.

Research Station To Sponsor Field Day

The Texas A&M Vegetable Research Station in Munday will sponsor a producer-oriented Field Day at the station on Wednesday, September 8, from 9:30 a.m. until 2:00 p.m.

Dr. Earl Gilmore, resident director of research at the Chillicothe-Vernon Agricultural research and Extension Center, will give the introduction. Those present will then board buses and travel to the research farm near Goree.

At the farm, Dr. Cleve Gerard of the Vernon Station will discuss furrow diking, manufacturing small dams across furrows to trap rainwater. Phil Lewis, who is with the U.S. Department of Agriculture in Vernon, will speak on guar varieties. Dr. Kamal El Zik of Texas A&M University will talk about the TAM-MAR reading of cotton.

Two agricultural scientists with the Munday research station will speak,

also. Dr. David Nagel, superintendent of the station, will discuss commercial variety trials of cotton. Mikel Stevens' topic will be rotations involving potatoes, watermelons, southern peas, wheat, guar and field corn.

The gathering will return to Munday for lunch at the station, after which they will take a walking tour of the center. During the tour a presentation will be made of possible alternative crops for the Munday area, such as carrots, paprika peppers, peanuts and pinto beans.

Station personnel will be available to answer any questions after the tour is completed.

Dr. Nagel stated that he and the station's staff were prepared for a large turnout, and he extends a cordial invitation to all agricultural producers in the area to attend this special program.

COME OVER TONIGHT FOR . . .

Watermelons

The stage is set, melons are cooled, and everything is in readiness for the Munday Lions Club annual watermelon feed tonight (Thursday). The place is the

area just south of the Munday Mogul field house. The time is 7:30 p.m.

Enjoyable music will "tickle the ear" sometime during the evening (maybe while you eat melons), furnished by Lion Norm Anderson and his music makers. Other events are in the making, too!

This promises to be a nice evening to come out with family and friends for a very enjoyable time. The Lions will be expecting you!

Monday Designated As Local Holiday

Monday, September 6, will be the first holiday to be observed by local schools for the 1982-83 school year.

It has been indicated that most business and professional people of Munday will also observe the designated holiday, which has been the custom of local merchants for several years.

"There may be some business places that have their holidays designated by headquarters," it was stated, "and these may remain open next Monday. Others that find it a hardship or inconvenience to close may also carry on business as usual next Monday."

This is a traditional holiday for banks, post offices, city offices and most business places in Munday, however.

The Munday Courier office will be open for business, M. L. Waggoner, publisher has announced. "We find it impossible to combine all of Munday's activities into Tuesday and get our paper ready for publication on time," he said, "therefore, we will have part of our personnel on duty to receive news, advertising and your locals. You may come in, or call us, during the day."

SS Representative To Be At City Hall Sept. 8

A representative of the Vernon Social Security office will be in Munday on Wednesday, September 8, at the city hall from 9:30 a.m. until 11:30 a.m.

He will assist citizens in filing for Social Security Retirement, Survivors, Disability, Medicare or Supplemental Security Income benefits.

Anyone wishing to contact the Social Security office by telephone may call 817-552-9346, and they will be glad to assist you.

Football Season Opens Friday

Moguls Travel To Anson

Continuing their winning ways, the Munday Moguls defeated the team from Abilene Christian High School in a scrimmage game last Friday night on the Munday Field. In addition to the Moguls' win, the Munday Booster Club had a successful night as they manned the concession stand and sold completely out of the homemade ice cream they were featuring. Intermittent sprinkles of rain in no way diminished the spectators' enjoyment of the game or the ice cream, but a harder shower finally drove most of the onlookers to their cars.

The regular 1982 football season will begin this Friday night, September 3. The Moguls will face the Anson Tigers in Anson at 8:00 p.m. Anson returns eight offensive and seven defensive players from last year's 6-4 team, and has several fine prospects.

All Mogul fans are urged to make the trip to Anson and lend their voices to the Munday cheering section.

Coach Lankford Comments

COACH ROGERS LANKFORD

Basically, we were satisfied with the scrimmage against Abilene Christian High School and glad to take a 1-0 win. The worst disappointment of the night was the fact that out of our four touchdowns, three were called back, two for holding penalties and one on a clipping call. As we had predicted, our speed was a definite advantage for us, and was the determining factor in the game.

Our total yardage, which was all on the ground, was 228 yards. Lawrence Collier had a very busy night, as he scored all of our touchdowns. Lawrence wound up with an official 97 yards rushing and one score. Quincy Adams ran 95 yards, and our only pass completion was from our back-up quarterback, Danny Sloan, to Danny Hertel. We were disappointed that the offense could not make a sustained drive down the field to score.

The defense gave up 162 yards, and approximately 110 of those were in the air. We were very proud of the way the defense kept Abilene Christian from making a touchdown. At one point, they had a first down inside our ten-yard-line, and were not able to score in four plays. The coaching staff was very impressed with our goal line stand; it gives both players and coaches a big lift to be able to keep an opponent from getting into the end zone when they are that close.

The junior varsity started slow, but improved enough to hold on to a 1-0 win. We had one 70-yard-scoring drive with Ronny Lowrance carrying the ball over for the score. Todd Thompson figured largely in the drive with two big gains, and Tim Collier had a 20-yard run.

The JV defense held ACHS to only 40 yards in the game.

This week we will go to Anson and face another much larger team. Again, our speed will be very much in our favor, if we can keep our defense from being worn down by their bigger players.

Our buses will leave Munday at 4:45 Friday afternoon. The game starts at 8 p.m. and should be over between 10:30 and 11:00. The Moguls have made arrangements to eat at the Sirlain 66 Restaurant following the game, and we will be back in Munday about 12:30 a.m. I will try to furnish schedules like this each week that we travel out of town, so parents will have some idea of when we will be leaving and getting back in town.

We want to urge everyone to come to Anson and give the team their support.

FOR HUNTING AND FISHING . . .

Licenses Expired September 1st

Notice Dove Hunters: In case you took to the fields in quest of a mess of doves on Wednesday of this week with your old hunting license tucked safely away in your billfold, you were in violation of the law!

Something most hunters and fishermen know, but are prone to forget, is that hunting and fishing licenses expire on the last day in August each year. New

GOODIES, ANYONE? These Munday 4-H girls were ready to serve goodies to anyone Saturday morning at the Health Fair. They are, from left, Robin Reneau, Dixie Reid, Susie Morgan, Paulette Neskorkik and Angie Partridge. Knox City and Benjamin girls also worked in the booth during the day.

Health Fair Termed Successful Event

There were busy times, as well as slack moments, at the Knox County Health Fair held on the Munday city hall lawn last Saturday, as those in attendance were given an opportunity to brush up on their general health knowledge.

As they entered the exhibit area, visitors first encountered the Knox County Extension Service's family living booth, where they were invited to register and were given literature pertaining to successful family living.

The Pink Ladies' booth was nearby, where ladies offered ice cold lemonade and homemade cookies for sale. Also close at hand was the Munday Lions Club information booth.

All screening was done inside the city hall, and this was given good patronage. Here professional medical personnel were on hand to provide screenings to detect anemia, diabetes, hearing and vision tests, blood pressure checks, breathing analysis, etc. CPR instructions were given by the EMT group.

The Munday Ambulance Service displayed both their vehicles, showing inside equipment, etc., and distributed an assortment of leaflets on poisonous plants and other pertinent information.

Dr. A. Dale Selzer manned a dental booth, where a variety of informative leaflets were shown.

Girl Scouts of Munday, Knox City and Benjamin were on hand to provide goodies to everyone desiring them.

These girls worked in groups at different times of the day.

Other booths featured the Senior Citizens, heart association, cancer society, alcoholics anonymous, hospital auxiliary, Red Cross, and possibly others.

Children and young people, 51 in all, were also active in poster contests, with many posters on display. These were judged and awards were made to the following:

Three-to-five-year-olds - Jason Simmons, first; Bryan Michels, second; Farrel Selzer, third.

Six-to-eight-year-olds - Andrea Longan, first; John Michels, second, and Laura Burnett, third.

Nine-to-12-year-olds - Kacye Nemir, first, Shane Simmons, second; and Francine Redder, third.

All in all, the Health Fair was termed very successful, and members of the Family Living Committee expressed their thanks to all who visited the fair, as well as those who went to the trouble of providing booths or doing other jobs toward the success of this event. A total of 132 people participated in the health screening and other activities.

By closing time at 4 p.m., all were hot and weary and ready to return home for a period of rest!

Masons Elect New Officers For 1983

Members of Knox Lodge No. 851, AF&AM, elected new officers at a recent meeting, and these were installed at the stated meeting on July 5. They are as follows:

MR. and MRS. EDWIN K. JOHNSON
Johnsons To Celebrate Fiftieth Wedding Anniversary

Children and grandchildren of Mr. and Mrs. Edwin K. Johnson are hosting a reception in honor of the couple's fiftieth wedding anniversary on Sunday, September 5, from 2 until 4:30 in the afternoon in the reception hall of the First Baptist Church in Munday.

Mr. Johnson and the former Faye Hurst exchanged wedding vows on September 3, 1932, in Lawton, Okla. They made their home on a farm near Faxon, Okla., and moved to Munday in 1935. He was employed for a number of years with E. W. Harrell Hardware and Implement, and then returned to farming, a pursuit in which he is still actively engaged. Mrs. Johnson is a homemaker.

The couple has two daughters, Mrs. James (Karen) Thomas of San Antonio, and Mrs. Travis (Brenda) Floyd of Norman, Okla.; four granddaughters

and two great-grandchildren. They cordially invite their friends and relatives to attend the reception and help celebrate this wonderful occasion.

Program For Gifted Students To Begin In Munday Schools

Public interest in the education of Texas' most able youth is rapidly spreading, and in response to this, a growing number of Texas schools are working with the Texas Education Agency to develop the appropriate services for the gifted. The Munday Independent School District, with eighteen other districts, has formed a co-op through the Region IX Education Service Center located in Wichita Falls. Don Ickles has been designated the director of the program, which involves students in grades 9-12.

Of primary concern in the program will be the developing of the students' ability to research independently; to solve problems; to plan critically; and to stimulate independent thinking. Competencies will be developed in academic areas beyond those identified for the mainstream curriculum, and through opportunities for exploration and independent study, students will be able to move ahead according to their own abilities. Regional seminars have been planned and will be conducted monthly through the Service Center, enabling those participating to avail themselves of resource people in countless areas of business, education, religion, science, electronics,

High Hopes Expressed For Mogul Season

The Munday Moguls are showing good progress in their activities this far in the season, and Coach Rogers Lankford, speaking to members of the Munday Lions Club on Tuesday, expressed high hopes for the coming season.

"We have 43 players on the team," he said, "and they are showing good progress. There are 20 freshmen and one sophomore on the junior varsity and 22 on the varsity squad. We have several seniors on the team, and they are proving that they have been around before.

"Speed will be our redeeming factor in playing the heavier boys in our district, and I believe we will be competitive among other teams in quest of the district championship," he concluded.

The coach solicited and urged support of local fans during this season.

Mrs. LeAnn Butin, Kelli and Jenny, of Oklahoma City, Okla. and Mrs. Jan Lombardo and Lee of Cincinnati, Ohio visited their aunt, Mrs. Marguerite King and Patsy, several days last week.

FIREMEN ON JOB: Members of the Munday Volunteer Fire Department are shown fighting a fire at the home of Mr. and Mrs. Lowry Wilson Jr., 530 S. 7th St., about mid-morning Monday. Only damage was to the garage and laundry room and their contents.

Engineers Invite Bids For Low Dam Project

The Tulsa District of the Corps of Engineers recently invited bids for the modification of the Bateman Low Flow Dam on the South

Fork of the Wichita River near Guthrie.

Bids will be opened Sept. 15 and the work is expected to cost between \$100,000-\$250,000. The work is to be complete in 190 days.

The work consists of raising the existing dam five feet, placement of additional earthfill on existing embankment, construction of a temporary retention dike and removal and reinstallation of an inflatable fabric dam.

The major quantities of materials involved in the work are 300 cubic yards of concrete, 4,000 cubic yards of earthfill and 240 cubic

yards of quarry-run stone. The project is part of the Red River Chloride Control plan in Texas.

Extension Homemakers To Meet

The Knox County Extension Homemakers Council will meet at 2:00 p.m. in the assembly room at the Knox County Courthouse in Benjamin on Tuesday, September 7.

Following the council meeting, a leader training course for extension homemakers will be held in the assembly room at 3:15 p.m. Topic of the course will be "Your Image - Does It Matter?"

For further information on this meeting, contact county Extension Agent April Stamps.

The West Texas State Fair and Rodeo will be held in Abilene September 11-18, 1982.

Mrs. Frank Nance visited her daughters, Mrs. Jimmy Leach and family in Midland, and Mrs. Kenny Smith in Odessa, several days last week. The Leach's brought her home on Friday.

Put New Life Into Old Headboard With Fabric

Put new life into an old headboard - with fabric.

If you want a quick-and-easy way to redo bedroom surroundings, bypass the paint and brush for this easy project that only takes fabric and a staple gun.

HOW TO MEASURE
Measure the headboard and buy enough fabric - plus at least four inches on all sides - to cover it.

UPHOLSTERED LOOK
If you want an upholstered look, but the same measurements of foam or padding as you do fabric, and follow the steps below to install it.

CUTTING FABRIC
In order to cut the fabric in the headboard's shape, lay the fabric on the floor, pattern-side down. Lay the headboard on top of the fabric.

Make a pencil outline of the headboard. Then, allowing four inches extra fabric outside of the original line, draw another line - to indicate the actual cutting line. Cut the fabric on this second line.

TACKLING FABRIC

Lay the fabric face down on the floor again, and lay the headboard facedown on top of it. Make sure the fabric is smooth beneath the headboard, and be sure the board is centered on the fabric.

Staple one side of the fabric to the back of the headboard. Leave the corner for last. Now staple the opposite side, pulling the fabric as tight as you can.

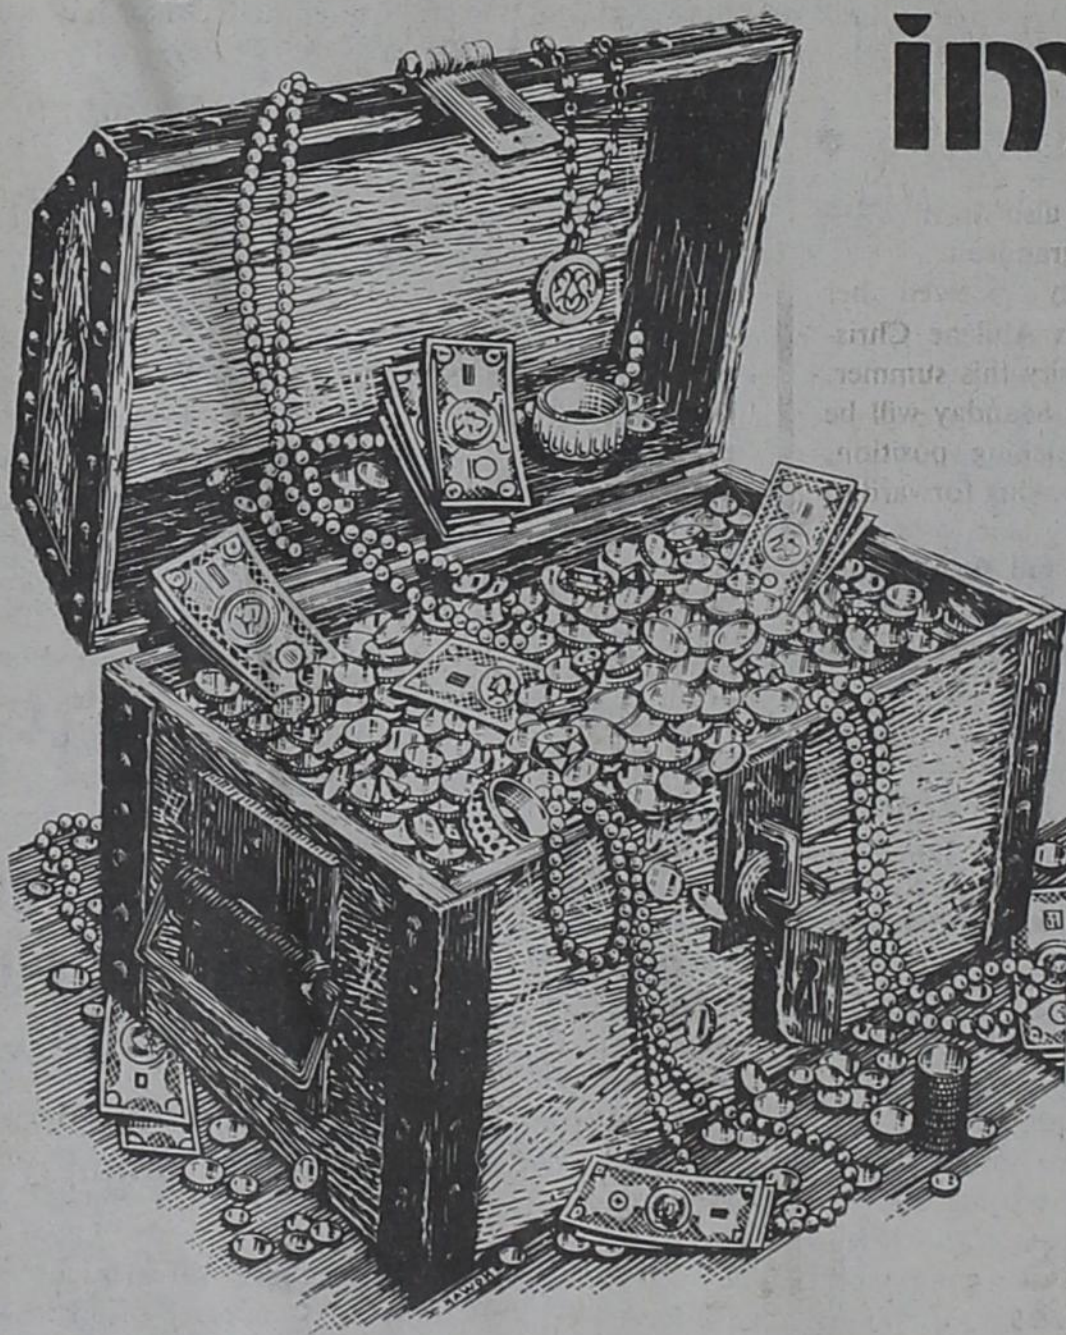

After that, staple the fabric at the bottom of the board to the underside of the board, cutting out holes for the legs, if necessary. Then staple the fabric at the top of the board over the top.

If the top is straight, the job is simple. If the top is curved, slit the curved areas so that the fabric turns over the back, and staple each slit separately to achieve smooth curves. Make your slit inward from the edge just far enough to let the fabric turn easily.

Cut unneeded fabric from the corners, and then pleat and fold the corners smoothly. Staple them in place.

If you wish, you can glue on decorative tape of ribbon.

Happenings In Munday Schools

FRESHMEN FEATURE

By Angela Meers
Kregg Sanders is a new student at Munday High School. He comes from Weinert to join a freshmen class with an enrollment of 42. He is the son of Kenneth and Brenda Sanders.

Although this is Kregg's first time as a Munday student, he and his family are certainly not strangers. His dad, Kenneth Sanders taught for many years at both Munday High and the Junior High. His older brother, Keith, was a student athlete at M.H.S. who graduated with honors before entering the Air Force Academy. He also has two younger brothers, Kent and Kole, who attend the Weinert schools.

When asked about his reasons for coming to Munday, Kregg stated that he was interested in the better academic program of M.H.S. and in the sports program.

Kregg stated that Munday High School is "larger and harder" but he's excited about the school year and looks forward to working with his coaches in football, basketball and track. He'll be wearing #84 for the Moguls and playing tight end and defensive end.

Ronny Lowrance is another new face at M.H.S. although many people became acquainted with him this summer when he played baseball for the Munday Senior League. He comes to Munday from Colorado City with his mother and father, Doyle and Pat Lowrance. Mr. Lowrance is the new superintendent of schools for the Munday I.S.D. Ronny also has two older brothers who are both married.

Ronny says that Munday is a smaller town than he's used to and there isn't a lot to do but he is looking forward to the school year. He will be playing running back and linebacker for the Moguls this year and wearing #42. Welcome to M.H.S. Ronny.

Pep Squad Elects Officers

The Munday High School Pep Squad had their first meeting on Wednesday, August 25, during activity period. This year the Pep Squad will be wearing new uniforms consisting of purple jump suits with white blouses and belts.

One of the duties of the Pep Squad is selling ribbons to boost school spirit. Ribbons will be sold in elementary and junior high schools each Tuesday afternoon for 25 cents each.

Officers were elected at Wednesday's meeting, and they are: Kathy Pennartz, president; Sharla Bryan, vice-president; Jeannette Kuehler, secretary-treasurer; and Marisela Bejar, reporter.

Other members of the squad for 1982 are Patricia Collier, Liz Dena, Melissa Fernandez, Ella Mae Jones, Gwen Jones, Allison Jordan, Glynda Hunter, Carol Pennartz, Ann Kuehler, Laura Myers, Doris Ann Spells, Norma Taylor, Cheryl Wilde and Kelly Wren.

Names Of MHS "Bookies" Released

The M.H.S. Library Staff for the 1982-83 school year has been named. These students will work during their scheduled study halls checking out books, collecting fines, and doing general library maintenance. They will also be working to complete the card catalog and color coding system which were started two years ago.

Library staff members are eligible for a half-credit on their high school transcript at the end of the year. These students work very hard and should be commended for their willingness to donate their time and talent to the school.

Members of the library staff for 1982-83 are: Juana Castillo, Charlotte Hernandez, Kent Josselet, Julie Partridge, Wilda Smith, Scotty Jackson, Russell Smith, Ronny Lowrance, Cheryl Wilde, James Tidwell, Eustacio Ramirez, Cindy Maston, Gina Ward, Todd Thompson, and Kenneth Luster.

New Teacher At MHS

Mrs. Marie Ivey is a new addition to the MHS Faculty. She teaches in the Plan A special education program.

Mrs. Ivey lives in Haskell with her husband, Joe, and their 16-year-old son. A daughter who is married lives in Wichita Falls where she works as a nurse, and her husband is employed at Sheppard Air Force Base. The Iveys also have a 6-month-old grandson.

Mrs. Ivey received her degree from Abilene Christian University this summer. Teaching at Munday will be her first teaching position, and she is looking forward to the upcoming year.

Students and faculty join in welcoming Mrs. Ivey to Munday High School.

Munday Moguls take on the Anson Tigers at 8 p.m. Friday in Anson. Boost our team and attend the game.

THESE STUDENTS are members of the Munday High School library staff. They spend many hours performing various duties in the library and are to be commended for their hard work. Pictured in back row, from left to right, are Kent Josselet, Todd Thompson, Julie Partridge, Cindy Maston, Kenneth Luster and Cheryl Wilde; in middle row, left to right, Gina Ward, Jr. Ramirez, James Tidwell, Ronny Lowrance, Scotty Jackson and Russell Smith; front row from left, Juana Castillo, Charlotte Hernandez and Wilda Smith.

Goree Seniors Elect Officers

Senior class officers for the 1982-83 school year at Goree High School have recently been elected. President will be James Steward; vice-president, Vir-

gil Reagins, secretary, Nora Castillo; treasurer, Mitch Presnall; and reporter, Christina Sanchez.

Police Report

by Chief Gerald Saffel
The police department of Munday issued seven traffic citations and four traffic warnings in the week of August 23-29. There were one motorist assist, one funeral escort, and two family disturbances investigated.

One dog warning concerning seven stray dogs that are to be disposed of was made, and one dog was taken to Dr. Stewart's shelter. This was a small black male with a white spot on his chest and a flea collar. The dog had no tag on the regular collar.

In the future, if you have a dog missing for a few days, you may want to call the police department and see if it has been placed in the shelter. If the dog is not claimed in five days, it will be put to sleep.

If you find your dog at the shelter, you must come to the city hall and get a release from the police department. You must also pay for the dog's food, lodging and vaccination charges.

If you are looking for a

pet, you might read the police report each week to see what has been placed in the shelter, or tell Dr. Stewart what type of dog you are looking for so he can have your name in case there is a dog no one claims.

The city ordinance is implicit, and about 17 people have been warned or given citations so far. If you have a dog in the city limits of Munday, it should be tied or penned. Thank you for your help.

CUT LAWN CARE ENERGY NEEDS

Homeowners of Texas can cut lawn care energy demands without lowering lawn standards, announces a turf-grass specialist with the Texas Agricultural Extension Service. Mowing, fertilizing, watering, controlling pests and disposing of leaf clippings all require the use of energy, but several maintenance practices can help reduce the energy demands. The specialist suggests cutting fertilizer application to maintenance levels, composting grass clippings, adopting proper watering practices and reducing pesticide use to essential applications.

KID'S DUDS
HASKELL, TEXAS

INTERESTED CITIZENS expressed their views at last Tuesday night's special session of the Munday City Council. The gentleman with his back to the camera is councilman M. M. Booe. Pictured left to right are Von Marr, Donald Hobert, Ray

Lynn Hardin and Bob Therwhanger, all councilmen; Mrs. Irene Earle, Louann Kelton, Clifford Killian and Phillip McAfee.

City Council Raises Employees' Salaries

The City Council of the City of Munday, Texas met Tuesday, August 24, 1982, at 9 p.m. at the Munday City Hall in special session.

Members present: Donald Hobert, Ray Lynn Hardin, Bob Therwhanger, Von Marr and M. M. Booe. (Note - Mayor Reid, also present at approximately 9:15 p.m.)

Mayor Pro Tem Hobert called the meeting to order. Minutes of the August 10, 1982 regular meeting were read. Marr moved for approval of the minutes with one exception: Nick Barnes was not employed for weekend of August 14th. (Melvin Cypert covered that weekend in Police Department). Hardin seconded minute approval with above exception. All for.

Mayor Reid entered the meeting at this point forward. Also present at this time in the meeting were several interested citizens: Wilkie Guinn, Phillip McAfee, Irene Earle, Shelton Phillips, LouAnn Kelton, Clifford Killian and Marion Waggoner. Police Chief Gerald Saffel and Patrolman Melvin Cypert were also present. Mayor Reid asked those present to speak if they desired to do so. Several members of the group spoke out in regard to Police Department operation; also in regard to salaries of employees. The City Administrator is to write S.T.E.P. to see if a position (20 hours per week) might be funded under this program for a night watchman for certain night hours. Chief Saffel answered most of the questions posed by the group of citizens previously listed about Police Department operation in several specific areas. Night patrol was one of the main questions posed.

All persons, except the City Council and the City Secretary (administrator) left the meeting. Mayor Reid closed the meeting and called the Council into executive session to discuss employee salaries. The Council discussed salaries and employee benefits for all employees at length. Ability of the City to be able to pay the increases, comparison to salaries paid in other like size cities, employee job description and employee job performance, etc. were discussed.

After discussion Mayor Reid called for a motion. Hardin moved that all employees be raised by 10%, raises to commence September 2, 1982. The motion was seconded by Therwhanger. At this point Marr moved the motion be amended and employees listed below be raised by the following amount per month: Melvin Cypert, \$100 per month; Gerald Saffel, \$150 per month; Salvador Sosa, \$125 per month; Jessie Gonzales, \$100 per month; Marty Navarrette, \$80.00; Mary Denise Groves, \$75 per

month; Cheryl Crawford, \$33.00 (1/2 time) per month; Robert Serrato, \$66.00 per month; J. B. Tomlinson, up \$4.00 per hour; Bobby Hutchinson (for 7 day coverage) to a total single salary of \$1165 per month. Booe seconded the Marr amendment.

Mayor Reid ruled that a vote be taken on the amendment. Voting for the amendment were Marr, Booe, Hobert and Therwhanger. Against, Ray Lynn Hardin. Amended motion carried.

Walter Hertel, City Administrator (secretary) was asked to leave the meeting at this point. After discussion Marr moved the City Administrator be raised by \$200 per month. Hardin seconded. All members voted for.

Therwhanger moved for adjournment. Hardin seconded. All in favor.

Methodists Slate Family Fellowship

On Wednesday evening, September 8, the First United Methodist Church of Munday will have a family fellowship supper on the east lawn area of the church, beginning at 7 p.m.

"Following the supper, we will have our special guest preacher," Rev. Don Travis, pastor said, "Rev. Rex Mauldin, Munday pastor for 1958-64. Rex is now serving as district superintendent of the Big Spring district. Rex and his wife, Letha, will also be singing as we worship together."

Rev. Travis urges all members and friends of the church to bring the entire family for this special time of fellowship and worship.

United Fund Directors Meet

The directors of the Munday United Fund met on Wednesday, August 18, to organize for the upcoming campaign. Officers elected were Norm Anderson, chairman; Greg Rawdon, vice-chairman; Jeanie Carden, treasurer; Carol Cottingham, publicity chairman; Lyndle Reeves, campaign chairman, and Sandy King, executive secretary.

Other directors are Merle Anderson, Jean Reneau, and George Cotton. The date for this year's United Fund Campaign will be announced at a later time.

Discussion Held On Plans For County Livestock Show

A meeting of the Knox County Livestock Show committee was held on Thursday night, August 26, at the ag classroom in Knox City for the purpose of formulating plans for the annual livestock show. Gary Tidwell presided.

During the discussion show dates were set for January 14 and 15, 1983, with the show to be held in Knox City. Charles Siepel was selected secretary and Leona Burkham treasurer for the show.

Chairman and vice-chairman for the show will be selected from the Young Farmers organization. Various committees for the showing and sales of animals, as well as those who will supervise the various divisions of the show will be named at a later date.

4-H Club Girls Active At Fair

Among those active at booths erected for the Knox County Health Fair last Saturday on the city hall lawn at Munday were members of the Knox County Girls 4-H Clubs. They were engaged in offering goodies for sale to fair visitors.

Munday girls who were on duty at 10 a.m. Saturday for "picture taking time" are: Robin Reneau, Dixie Reid, Susie Morgan, Paulette Neskorkik and Angie Partridge.

Other Munday girls in charge of the booth at different hours were: Angie Offutt, April Offutt, Tessa Kiser, Kacy Longan, Missy Reneau, Jae-Jae Reneau, Ann Parker, Lynn Parker and Christy Williams.

Munday girls were in charge from 10 a.m. to 12-noon. They were followed by Knox City girls with hours, 12 to 2 p.m., and Benjamin's girls serving from 2 to 4 p.m.

Fire Damages Garage, Laundry

Fire which was discovered about mid-morning last Monday did extensive damage to the garage and laundry room at the home of Mr. and Mrs. Lowry Wilson, Jr., 530 S. 7th Ave.

Members of the Munday Volunteer Fire Department rushed to the scene and had the flames under control in a short time. Major portion of damage was to the laundry room which contained a washer, dryer, water heater, space heaters several tires and tarpaulins, and other miscellaneous items.

Origin of the fire was not immediately determined, and an estimate of the amount of damage had not been made Monday. The garage was not connected to the home; therefore, no damage to the residence was reported.

MRS. KINDFATHER Local's Niece Is Married In Nocona

Brenda Cheryl Pruitt and Danny Adam Kindfather were married Aug. 14 in a garden ceremony at the home of the bride's aunt, Marjorie Pruitt.

The Rev. Don Connell, Baptist minister, officiated.

Parents of the couple are Mr. and Mrs. Charles Pruitt and Mr. and Mrs. Lee Roy Kindfather, all of Nocona.

Honor attendants were Kristi Vaden and David Milholean.

Bridesmaids were Lora Luna, Wanda Wenzul and Kim Pae. Groomsmen and ushers were Mike Poore, Carl Kindfather, Andy Sappington, Chuck Pruitt and Stacy Kindfather. Crystal Lavy was flower girl.

The bride's parents gave the reception. After a trip to Dallas the couple will live at Nocona.

The bride is a graduate of Rider High School and is employed by Dosier & Odom. The groom, a graduate of Prairie Valley High School, is employed by Piggly Wiggly.

Attending from Munday were the bride's uncle and aunt, Mr. and Mrs. Troy Moore.

Texas Crude Production In June

Texas crude oil production totaled 71,241,291 barrels in June, according to Railroad Commission Chairman Jim Nugent.

The figure compares with reported May production totaling 74,392,114 barrels and June 1981 production of 74,004,250 barrels.

Texas oil production averaged 2,374,710 barrels daily in June, down from 2,395,470 barrels daily in May and down from 2,466,808 barrels daily in June 1981.

The June allowable totaled 94,146,107 barrels.

The preliminary June summary indicated Texas oil production was 24.53 percent under the allowable for the month.

Through the first six months of this year, Texas has produced 573,315,659 barrels of oil.

To Benefit MD Telethon

Superdance, Textstyle, the biggest Labor Day dance marathon in Texas, will be held September 5-6 at the Oldtimers Roundup Hall in Stamford. Starting Time will be 7:00 p.m. the next day. The affair is being held in conjunction with the Jerry Lewis Telethon, and all proceeds will go to benefit the Muscular Dystrophy Association.

Junior High Teams To Play September 9

Munday Junior High School's seventh and eighth grade football teams will take the field for their first game on Thursday, September 9, at 5:00 p.m. The junior varsity team will also play that night.

Seventh graders who are suiting up for football include Sammy Hunter, Kery King, David Leija, Glen Reid, Jo Jo Stinnett, Gary Hamilton, Jeremy Hutchinson, Corey Moore, Trey Thompson, Anthony Stinnett, Manuel Sepeda and Chad Yost.

Eighth grade players are Isaias Dena, Jimmy Sosa, Allen Clendennen, Richard Toliver, Curtis Taylor, Ricky Taylor, James Gass, Jay Donoho, Joe Bejar, J. B. Jones, Reggie Tucker, David Hertel, Brandon Saffel, Leano Hernandez, Douglas Schumacher, Bill Walker, Jeff Bruce and Johnny Castillo.

These teams are coached by Ed Pugliese.

Booster Club's Ice Cream Sale Is Successful

The Munday Booster Club had a concession stand at last Friday night's scrimmage with Abilene Christian High School, and it was a great success. The homemade ice cream was the most popular item, and cupcakes and cold drinks sold well also. Proceeds from the concession stand will go into the Booster Club's treasury to help finance other club activities.

At Tuesday night's meeting, the varsity Moguls were introduced to the Boosters. Next week the junior varsity team will be introduced. Booster Club meetings are held each Tuesday night at the high school cafeteria.

The Boosters will soon begin selling ads for the backs of home football game programs, and want to remind everyone that they will need the support of local residents for this project.

IT TAKES LOTS of planning and effort to have a successful livestock show. A meeting of the livestock show committee was held Thursday night, August 26, at the vocational agriculture classroom at Knox City High School. Pictured at the meeting are, from left, Wink Partridge, Leon Burkham, Knox City High School ag teacher, Greg Rawdon, ag teacher at Munday High School, and Joe Tidwell.

DPS Estimates 47 Will Die Over Labor Day Weekend

Although motor vehicle fatalities are down by five percent statewide as compared to the same time last year, the Texas Department of Public Safety is estimating 47 traffic deaths over the forthcoming Labor Day weekend.

DPS Director Colonel Jim Adams said he is not optimistic that the holiday period would reflect any fewer deaths than anticipated. However, he said that drivers could help limit the number of fatalities by using seat belts, maintaining a safe speed and refraining from drinking while driving. He said about half of the holiday deaths would probably involve alcohol.

DPS statistical reports show 23 per cent of traffic

deaths reported last year involved alcohol. However, Adams said, "About 50 per cent or more of the traffic deaths in Texas are alcohol related."

"State law does not provide for mandatory blood alcohol testing on drivers who were believed to have been drinking. When we compare our reports and national statistics, it is easy to estimate the number of accidents which involve the drinking driver," he said.

Last year during Labor Day, 50 persons were killed in urban and rural traffic accidents. Eight more persons died later as a result of injuries suffered from accidents which occurred during the 78-hour holiday.

At the discretion of command officers, the DPS will have extra patrols assigned to areas where heavy volumes of traffic can be anticipated or where drinking drivers can be expected.

The Labor Day holiday is traditionally one of the last holidays of the summer vacation period and extensive travel and heavy traffic can be expected.

The DPS is urging motorists who take long trips to utilize the many rest stops provided by civic and business clubs and the State Highway Department.

Additionally, the DPS will conduct Operation Motorcade whereby the city police departments, county sheriffs' offices and troopers report the number of traffic deaths directly to the news media.

Band Calendar Sales Are Good

Funeral For Edgar Morgan Held Thursday

Edgar Tom Morgan, 73, a resident of Munday for over 25 years, passed away at 11:15 a.m. Tuesday, August 24, 1982, at Haskell Memorial Hospital after a short illness.

A native of Oklahoma, Mr. Morgan was born on November 24, 1908, and married Lala Bell Spann on July 24, 1937, in Weatherford, Okla. The Morgans moved to Munday from Clinton, Okla., in 1954, and they had resided here since that time. He was a veteran of World War II and a member of the Munday Church of Christ. He was a retired mechanic.

Graveside services were held at 10 a.m. Thursday at Johnson Memorial Cemetery with Larry Swan, minister of the Munday Church of Christ, officiating. Burial was under direction of McCauley-Smith Funeral Home.

Surviving him are his wife, of the home; five sons, Edgar Nolan and Dennis Morgan, both of Austin, Norris Morgan of Fort Worth, and Gerald and Melton Morgan, both of Munday; two daughters, Neva Biggs of Austin and LaQuita Johnson of Dallas; a brother, Jess Morgan of Frazier Park, Calif.; two sisters, Bessie Reimer of Clinton, Okla., and Vera Newby of Santa Margarita, Calif.; and 13 grandchildren.

Girl Scout Meeting September 7

Girl Scouting is the largest voluntary organization for girls in the world. There are 573,000 adult members who serve as volunteer leaders, consultants and board members. There is a real need for men and women to become volunteers in the NorCenTex area.

Men and Women who are concerned about the Munday community and Girl Scouting program are asked to attend the organizational meeting to be held Tuesday, September 7, at 7 p.m. in the Munday Elementary School library.

Mr. and Mrs. Don Combs were in Lubbock during the weekend to visit their son-in-law and daughter, Mr. and Mrs. Dwayne Mauldin, and their children.

IN TOUCH

JIM WAY
FIRST BAPTIST CHURCH

Matthew 14:28-32 records for us a very interesting incident in the early ministry of the Lord Jesus Christ. After sending away the multitudes whom He had taught and fed, Jesus went up on a mountain to pray while His disciples were crossing the sea. A storm came up, and the ship was in trouble. Jesus walked upon the water out to the place where the disciples were.

Peter asked the Lord to allow him to walk out on the water to meet Him. Jesus

agreed, and Peter started out. He soon began to look at the wind and waves, became frightened, and began to sink. He then called out to Jesus who rescued him.

When we read this, we are quick to be critical of Peter. We shame him for his lack of faith. We point out his failure in taking his eyes off Jesus and doubting. "He couldn't do it!" we chide. We may well be wrong in our criticism, however. Why don't we criticize the other

disciples for not having enough faith to try? They, like most of us, remained comfortably in the boat lacking enough faith to dare great things. It is much easier to sit back and laugh and criticize the failures of others than to "get out of the boat" ourselves and attempt mighty things. Peter tried. He learned even from his mistakes, and he is the only man I know of besides our Lord who ever walked on the water!

We live in days that are filled with great danger. The

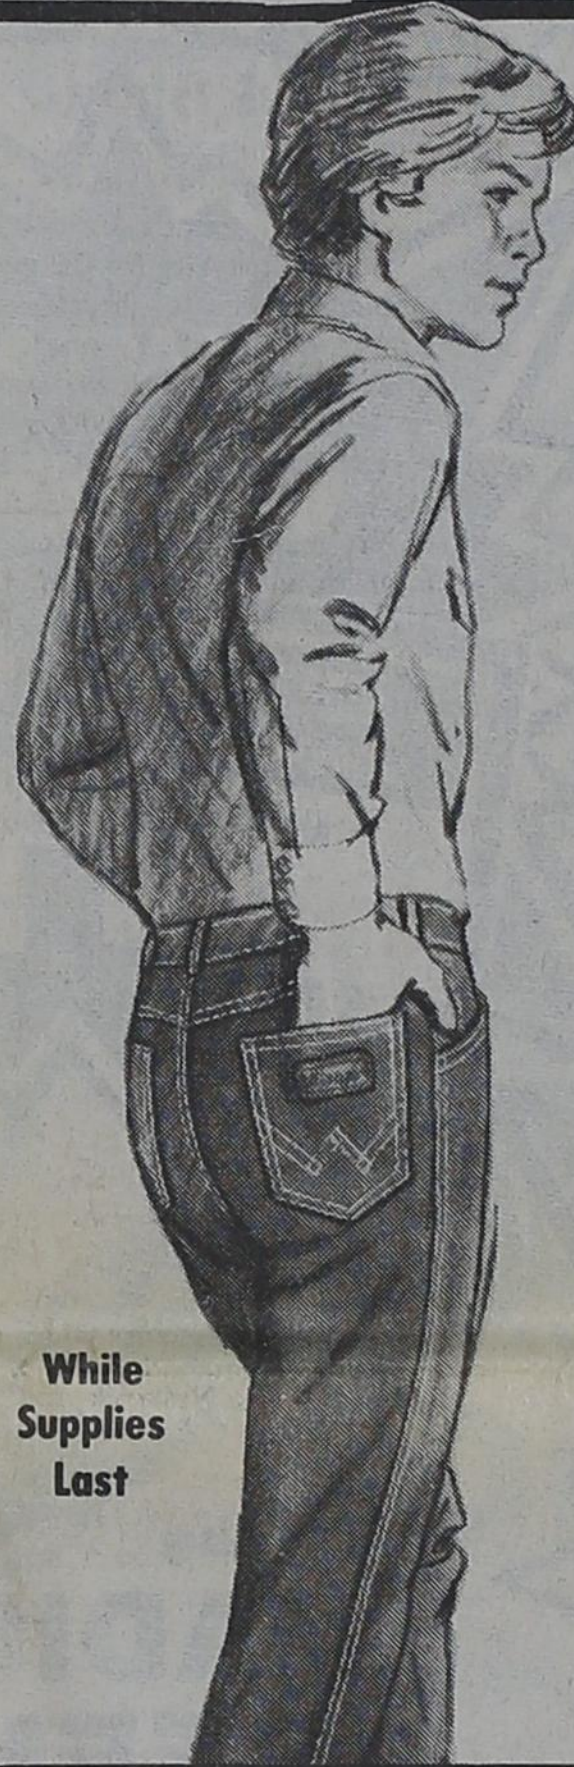

enemies of the Lord, the gospel, and the church are formidable. Days like this require great acts of courage and faith. God help us to not stay in the boat - accomplishing nothing. Instead may we master our faith, put our eyes on Jesus, and walk on water or do what ever else is necessary to do God's will and work in our day!

Mrs. Pat Hill came home Monday to recuperate from surgery. She is recovering satisfactorily. Her daughter, Cheryl Urbanczyk, is substitute teaching for her until she is able to return to school.

By MRS. GRACE SMITH

HOSPITAL NOTES

Mrs. Candy Estes is convalescing at home after undergoing surgery in the General Hospital in Wichita Falls on Friday. She returned home Monday morning.

Mrs. Billy Jameson was in Stamford last Thursday for some dental work.

ORDINATION SERVICE HELD

An Ordination service was held at the First Baptist Church here Sunday evening. Seven men were ordained as deacons of the church. They are Jerry Hawthorne, Bob McWhorter, Harold Jones, George Cotton, Gerald Myers, Carl Echols, and Calbert Haskin, Rev. T. O. Upshaw, area missionary from Stamford, was guest speaker.

HERE AND THERE

Mr. and Mrs. Calbert Haskin have returned from a vacation trip to Lake City, Colo. They were accompanied by their sons and wives, Mr. and Mrs. Wade Haskin of Wichita Falls and Mr. and Mrs. Mark Haskin of Goree. Mr. and Mrs. Parnell Skelton of Wichita Falls and their daughter, Mrs. Julie White of Denver, Colo., visited them there on Wednesday. Enroute home they visited Mrs. Lorene Haskin and the Allan Bingham in Amarillo.

Munday Young Farmers To Meet

The Munday Young Farmers organization will meet at the 7:30 p.m. Tuesday, September 7, at the Munday ag barn.

Officers for the coming year will be elected, and club activities will be discussed.

Farmers and interested persons are welcome to attend.

Drivers Urged To Exercise Caution In School Areas

With the opening of schools, Texas drivers are strongly cautioned to be alert for students on their way to and from schools.

Motorists must exercise extreme care in school areas and along school bus routes. The law requires motorists to stop for any school bus loading or unloading passengers. To warn drivers, such buses will have alternately flashing red lights on the front and rear. Motorists must remain stopped while these red lights are flashing.

The Texas Department of Public Safety's statistics for 1981 showed there were 17 deaths and 925 injuries in 1,698 school bus-related accidents.

Safety officials say that drivers should also be alert at railroad crossings since school buses are required to stop, look and listen before crossing the tracks.

To remind drivers that special alertness is needed around schools and school buses, most cities will increase police surveillance.

PLANNING COMMITTEE: Pictured at last Thursday night's meeting of the Knox County Livestock Show committee are, from left to right, Greg Rawdon, Munday High School ag teacher, Charles Siepel, county Extension agent, and Eddy Nelson, also an agriculture teacher at MHS. The meeting was held at the vocational agriculture classroom at Knox City High School.

Mr. and Mrs. Billy Kinibrugh and Rhonda, Mr. and Mrs. Claudell Bratcher and Mr. and Mrs. Paul Weiss returned recently from a few days vacation with their travel trailers to Ruidoso, New Mexico. The Weiss family spent some extra days in Ruidoso, while the Kinibrughs and Bratchers continued on to points of interest in northern New Mexico, including Santa Fe, Albuquerque, and Red River.

Mrs. Maddie Hardin and Mrs. Lometa Doss visited Mrs. E. C. Hardin in Seymour last Sunday.

Mr. and Mrs. Bobby Roberson of Benjamin visited Sunday with her brother, Mr. and Mrs. Clyde Feemster.

Mrs. Mary Lou Gore spent Saturday with Mr. and Mrs. Wallace Gore of Midland at their house on their farm north of Seymour.

Mr. and Mrs. George McKinney were in Abilene recently to visit in the home of a daughter, Mr. and Mrs. Wayne Herrington and family, and George celebrated his 72nd birthday.

Mrs. Lometa Doss visited recently with a sister, Mr. and Mrs. Jimmy Beam, in Breckenridge.

Mr. and Mrs. Jerrell Trainham, Mr. and Mrs. Carl Coulston and Mr. and Mrs. Ruben Richard of Seymour enjoyed a few days vacation with their travel trailers in Ruidoso, New Mexico.

Mrs. Carlo Kuchan is home after several weeks in the home of her daughter, Mr. and Mrs. Kenneth Hodges. The Hodges family were in the process of moving

from O'Keen, Oklahoma to Hackett, Okla. where Kenneth will be employed and they are building a new home.

Mr. and Mrs. Carl Coulston visited with two of their children, the Jim Coulstons in Tahoka and the Jim Berrier family in Lubbock enroute home from the New Mexico vacation trip.

Recent visitors in the Dalton Gore home have been Mr. and Mrs. Harlan Boone of Jacksboro, Mr. and Mrs. Larry Dan Gore of Wichita Falls and Mr. and Mrs. Raymond Carroll of Lawton, Oklahoma.

CLASS REUNION
A reunion of members of the 1947 graduating class of Vera High School is being held this Saturday, September 4, 1982 at the Cattleman's Restaurant in Seymour from 3:00 to 7:00 p.m. All members of the graduation class and anyone who would enjoy visiting with the members and their families are invited to attend. The seniors of 1947 listed in the "El Echo" annual are Neva Joyce Hardin, Bobby Bradford, Margaret Cowart, Wannell Ritchie, Allen McGaughey, Joyce Bradford, Reese Richard, Peggy Horn, Claudene Dater, James Cowart, Betty Helen Cockrum, J'ne Hurd, Betty Lou Ballard, Aleitha Russell, Janette Beck and Evelyn Teague.

HOME COMING
A reminder that Vera's community homecoming will be this weekend at the Vera Baptist Church. Entertainment is being planned for Saturday evening on the "City Square".

HEALTH FAIR
Mrs. Armon Smith and Mrs. George McKinney presided over the American Cancer Society booth at the Knox County Health Fair in Munday last Saturday.

A Texas Department of Highways and Transportation official estimates that the number of miles driven by vehicles in Texas has climbed by 30.6 percent over the last five years.

Texans Need Homestead Protection

Testifying before two committees of the Texas Legislature, the President of the Texas Farmers Union asked that the Legislature abandon efforts to weaken Texas' homestead protection laws.

Noting that Texas currently has the strongest homestead law of any state in the nation, TFU President Mike Moeller said that any changes in the law would be a major step backward for Texas farmers and ranchers as well as urban homeowners.

Moeller said, "During the last Depression, many Texas farm families were able to survive because they were able to keep their houses and up to 200 acres. With another farm depression upon us, this protection of our homesteads is more important than ever."

According to Moeller, opening Texas homesteads up to second and third mortgages would probably result in lenders requiring home-

steads to be pledged as additional collateral for existing loans. "With farm real estate values declining," Moeller said, "And farmers unable to pay the interest on existing loans, it is entirely possible that a farmer could end up losing his homestead and receive no equity whatsoever."

Moeller pointed out that attempts to weaken Texas' homestead law in 1979 and 1981 had "gone down in flames" and predicted that any such effort in 1983 would meet with strong resistance by Texas' homeowners and landowners. *****

By conservative estimate, more than 30 percent of the adult population is overweight. While we hear about numerous health problems associated with being overweight, few consider the consequences to their feet, says Dr. Mary Ann Shirer, health education specialist with the Texas Agricultural Extension Service. Some ways that feet show the abuses of obesity include swelling, calluses, corns, heel pain, and ingrown toenails.

MR. and MRS. JIM PROFFITT

The Jim Proffitts Observe 62nd Wedding Anniversary

Mr. and Mrs. Jim Proffitt celebrated their 62nd wedding anniversary on August 21, 1982. They were married on August 21, 1920, in the Goree Baptist parsonage, and lived in Munday on and off all during their marriage.

Mrs. Proffitt is the former Arie Moore of Cleburne. She moved to Knox County in 1917. Mr. Proffitt was born in Caul City, Kentucky, and came to Munday in 1920.

Their children are Sybil Greenwood of Munday; Inez Bennett, Vernon; Stella Barnett, Collidge; Robbie Lee Fuller, Mt. Pleasant; Jimmie Shahan, Goree; Jack Proffitt, Royse City; Dorothy Smith, Cumby; and Tommy Proffitt, Beeville.

They have 30 grandchildren, 30 great-grandchildren, and one great-great-grandchild.

Eugene Searcy of Munday and Stella Parramore of Dallas, sisters of Mrs. Proffitt, ate dinner with them the day of their anniversary. Glenna Shahan of Seymour, who is married to a grandson, Joe Shahan, brought them an anniversary cake.

Other visitors were Margaret Hill and Nathan Urbanczyk, Ita Hill, Jeanette Blake and Fred Searcy.

Donald Hobert entered Hendrick Memorial Hospital last week and underwent surgery on Thursday. He is in room 6415. He is reported to be recovering nicely and expects to be able to return home this week.

Call your locals in by Tuesday noon. The Munday Courier, 422-4314.

Screening Of Vision Is School Requirement

About 230,000 children entering school in Texas for the first time are being screened for vision problems.

"And if statistics being compiled from referral forms hold, as many as 10,000 to 15,000 of the children will need more comprehensive tests," said Douglas K. Ozias, Ph.D., Director of Vision, Speech and Hearing Services for the Texas Department of Health (TDH).

Either an eye examination by a physician or an optometrist or a vision screening test approved by the Board of Health is mandated by the Children's Vision Screening Act of 1979. Aim of the legislation is to identify early eye problems in order to refer the student to an ophthalmologist or optometrist for a professional eye examination and improved outlook for treatment.

One of the primary objectives of testing young children is for the detection of amblyopia - called "lazy eye" blindness. In amblyopia, the lazy eye isn't used by the child and such disuse often results in a non-functioning eye.

If conditions causing amblyopia are caught early enough, a child has a better chance of avoiding the problem. Treatment often includes placing a patch over the good eye to make the lazy eye work, or wearing prescription glasses.

The TDH is training and certifying vision screening instructors, and the certified instructors are training approved screeners. Certified instructors include school nurses and the approved screeners may be technicians aides and volunteers.

The TDH has regional vision coordinators in six Public Health Regions and presently uses central office and regional staff members to supplement program activities in the six regions not having full time coordinators.

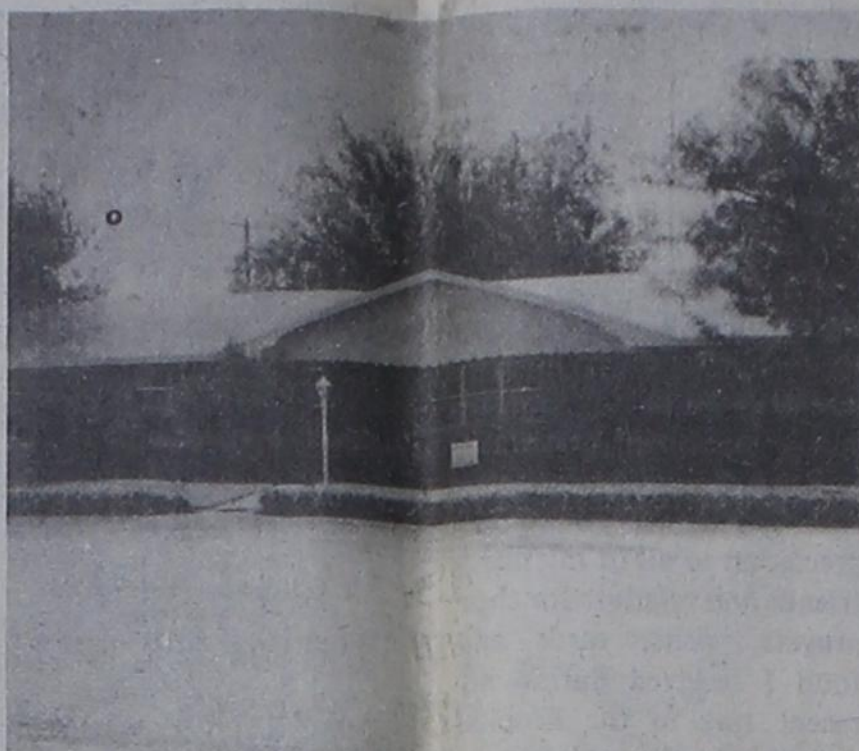

4-H And Youth Committee To Meet

The 4-H and Youth Committee will meet Thursday (tonight), September 2, 1982 at 7:30 p.m. in the Assembly Room of the Knox County Courthouse in Benjamin.

The purpose of this meeting is to set the standards of 4-H calendar for the coming year.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socioeconomic level, race, color, sex, religion or national origin.

Everyone on this committee is encouraged to attend.

YARD OF THE WEEK sign in front of the home of Mr. and Mrs. Wes Kirschner in North Park addition indicates the choice of Munday Garden Club judges. The yard was chosen for the beautiful tiff grass, caladiums in the window box, and blooming crepe myrtle. All the green shrubbery and grass makes a very restful setting.

Voters Must Register By October 3, 1982

On August 11, 1982, Governor Bill Clements proclaimed the period August 11, 1982 through October 3, 1982 as the official period for a statewide "Voter Registration Drive." Based on the fact that only two out of every three eligible voters in Texas are registered to vote, eligible voters not currently registered to vote must be encouraged to do so by October 3, 1982 - the date by which Texans must be registered to vote in the state's November 2, 1982 general election.

In conjunction with the Governor's proclamation, the Secretary of State's office has initiated an extensive voter registration drive. Organizations across the state and the media are being asked to participate in this effort. In addition, an effort will again be made to contact eligible high school students to urge them to register to vote.

QUALIFICATIONS FOR VOTING:

1. You must be a citizen of the United States.
2. You must be at least 18 years of age on the day of the election.
3. You must be a resident of the county, or political subdivision conducting the election.
4. You must be registered to vote.

PERSONS NOT ENTITLED TO VOTE:

1. Those convicted of a felony whose full rights of citizenship have not been restored.
2. Those persons found mentally incompetent by a court of law.

HOW TO REGISTER TO VOTE:

1. Complete a post card application for voter registration and mail it postage-free or present it in person to the voter registrar in your county.
2. You may register to vote at any time, but your application must be received by your county Voter Registrar by October 3, 1982 in order

to vote in the November 2, 1982 general election. Because October 3, 1982 falls on a Sunday, persons wishing to register in person at the voter registrar's office by the October 3rd deadline must do so no later than the close of business, Friday, October 1, 1982.

3. You may register to vote if you are at least 17 years and 10 months of age, but you may not vote until you are 18 years of age.

To obtain a voter registration application, contact your county voter registrar.
