## Moguls, Mogulettes Are Region Track Champions

**THE REGION IIA TRACK MEET AT A GLANCE** - Top row, left to right, senior Mindy Myers, winner of the 800 and 1600 meter run; Bobby Dockins, winner in the 110 meter hurdles; Perry Collier, winner in the 400 meter dash; bottom row, Kathy Wilde, winner in the 100 meter low hurdles; Isias Campos, second place finisher in the 800 meter run; and the handoff from April Offutt to anchor runner Mindy Myers in the 1600 meter relay, winner in that event. All these students and others will be traveling to Austin next weekend for competition in the State Track and Field Meet.

The Moguls and Mogulettes captured another pair of trophies for Munday's already bulging trophy case when they successfully defended their Region IIA track titles at Saturday's meet in Abilene.

The girls had the biggest margin of victory as the amassed 119 points, some 59 points ahead of second place Bronte, Chillicothe finished third with 43 1/2 points and Knox City was fourth with 40.

The boys finished with 101 points, 29 1/2 better than second place Rotan. Third place went to Cherokee with 40 points.

Gold medals were in abundance as Munday athletes placed first in nine events. Mindy Myers took first place wins in both the 800 and 1600 meter run and Kathy Wilde earned a gold in the 100 meter hurdles. All three girls' relay teams took first place finishes and the 800 relay set a new school record in the process.

Bobby Dockins had the first place finish in the 110 meter hurdles and Perry Collier crossed the finish line first in the 400 meter dash for his piece of the gold. Also bringing home a gold was the 1600 meter relay team.

Altogether, eight individuals and all five relay teams qualified for the State Meet next weekend in Austin.

Munday's results at the region meet follow:

Triple jump - Kathy Wilde, third, 34'11 1/4".

400 meter relay - Angie Offutt, April Offutt, Alicia Cook, Kathy Wilde, first, 50.02.

800 meter run - Mindy Myers, first, 2:20.04.

100 meter hurdles - Kathy Wilde, first, 15.65; Brandy Branam, sixth, 17.59.

800 meter relay - Angie Offutt, Alicia Cook, April Offutt, Kathy Wilde, first, 1:44.89 (new school record).

200 meter dash - Sherita Jones, third, 27.56.

1600 meter run - Mindy Myers, first, 5:29.01; Kacy Longan, fifth, 5:47.64.

3200 meter run - Kacy Longan, third, 12:53.32.

1600 meter relay - Angie Offutt, Alicia Cook, April Offutt, Mindy Myers, first, 4:04.08.

**MOGULS**

Long jump - Perry Collier, third, 21'11 1/2".

Triple jump - Terry Collier, second, 43'8 3/4".

Shot put - Brett Bruce, second, 49'3 1/2".

400 meter relay - Bobby Dockins, Perry Collier, Isias Campos, Terry Collier, second, 43.61.

800 meter run - Isias Campos, second, 2:02.71; Tyler Thompson, sixth, 2:06.62.

110 meter hurdles - Bobby Dockins, first, 15.23.

400 meter dash - Perry Collier, first, 49.25.

200 meter dash - Terry Collier, second, 22.53.

1600 meter run - Andrew Serrato, third, 4:39.14.

1600 meter relay - Tyler Thompson, Perry Collier, Isias Campos, Terry Collier, first, 3:22.52.

**MOGULETTES**

High jump - Mindy Myers, second, 5'4".

JENNI BOWMAN

KATHY WILDE

## Class Of 1990 Honor Graduates Announced

The top student in the eighth grade graduating class of 1986 has been named valedictorian of the 1990 senior class at Munday High School.

Jenni Bowman earned the right to deliver the valedictory address, ending her four years at MHS with a grade point average of 95.11 or 3.96 on a 4 point system. Jenni is the daughter of Mr. and Mrs. Don Bowman.

Salutatorian honors went to Kathy Wilde, daughter of Mrs. Kay Wilde and Edwin Wilde. She maintained a 94.70, or 3.95 on a 4 point system, for her four years of high school.

These honorees will join the remainder of their class in receiving diplomas on Friday night, May 25, in this year's commencement exercises.

Other members of the class of 1990 who have maintained a four year average of 90 or above and have been designated honor graduates are Mindy Myers, daughter of Mr. and Mrs. Billy Jake Myers of Rhineland; Christi Wilde, daughter of Mrs. Dolores Wilde; Ann Parker, daughter of Mr. and Mrs. Doug Parker; David Owens, son of Mr. and Mrs. Danny Owens; Marc Andrade, son of Mr. and Mrs. Jesse Andrade; Robin Re-

neau, daughter of Mr. and Mrs. John Reneau III; Anthony Garza, son of Mr. and Mrs. Alex Garza of Weinert; and Neomi Hernandez, daughter of Mr. and Mrs. Pete Hernandez.

### 11th Juror Chosen In Adams Case

Jury selection continued for the sixth week before District Judge David Hajek in the 104th District Court in Abilene, Taylor County, in the case of the State of Texas vs. Gary Lynn Adams.

One juror, a 37 year old male enlisted in the Air Force, was selected this week, bringing the total to 11 jurors.

The jury now consists of seven men and four women. Selection will continue in the following weeks until 12 jurors and two alternate jurors have been selected.

The Munday High School band booster organization will meet at 7 p.m. Monday, May 7 in the band hall. All band parents and other interested individuals are encouraged to attend.

by Joyce Beecher Greenwood

"Stick and stones may break my bones, but words will never hurt me."

So goes the children's chant that is often used as a defense against hateful words from their peers. The little chant has been around ever since my childhood. How can anything so untrue stay around for so long?

Words can't break our bones, but they can break our hearts. And they can break our spirits. It's amazing that anything as small as a human tongue can do so much damage. Words can make or break a day. A smile, a friendly gesture and a warm greeting can make even the dreariest day brighter while a snide remark or a personal rebuke can spoil the sunniest one.

Words can sever family ties, break up close relationships and ruin reputations. They can calm a troubled spirit or cause a state of despair that cannot be overcome. And words can determine whether a child grows up with a positive self-image or an inferiority complex that can mar his entire life.

We knew a family many years ago who had five of the nicest, most well-behaved children I have ever met. Our first three were small and when Tommy and I went to visit that family or had them as guests in our house, I was almost embarrassed at my own noisy, rambunctious brood. Their kids never raised their voices, never ran through the house. When the family ate with us, the kids never made a comment about the food their father put on each of their plates nor the size of the helpings. They simply said, "Thank you", and went about the business of eating.

In contrast, our kids watched everything I put on their plates with remarks like, "Yuk! Leave that broccoli off my plate!" or "Why are we having roast on Thursday night? You said we could always have spaghetti on Thursday night."

One night after the family had gone and we had put our kids to bed, I made a comment about what model children they were and how wild ours were in comparison.

"I'm not sure if those kids mind him that way out of respect or out of fear," Tommy commented.

As we grew to know the family

### Munday Wins Elementary/Jr. High UIL Academic Meet

Munday was first place winner in the District Elementary/Jr. High UIL Academic and Literary Meet held Monday, April 30, in Benjamin.

The local students earned a total of 437 points during two days of literary competition. Second place school was Knox City with 425 points and Benjamin was third with 196. Fourth place went to Goree with 78 points and Weinert was fifth with 63.

A complete list of participants and their placings will be printed in next week's issue of the Courier.

## School, City, Hospital Elections Set Saturday

Saturday, May 5, is election day for cities, schools, and special districts in Texas.

Locally, there is no contested race in either election. In the school board trustee election, incumbent trustees Maynard Moore and Floyd Reed Jr. are running unopposed for re-election to their positions.

In the city council election, councilmen Richard Albus and Gene Brown, whose terms expire this year, declined to run for re-election and no one filed for those places. However, two local men, George Oustad and Hank Matthews, are campaigning as write-in candidates.

In Goree, Leroy Russell and Billy Dolan Moore, incumbents in the Goree School Board elections, have filed for re-election to their places on the board and are being opposed by Mary Jane Nava and Ignacio S. Mateos. City council incumbents Bob Presnall, Barton Carl, and Robert Coffman have filed for re-election to places on the council. Newcomers filing for council are Jimmy Harlan and Missy Patterson.

Voters will elect two new directors

## Early Entry In Bass Tourney Ends May 15

Less than two weeks remain for early registration in Munday's Fourth Annual Open Bass Tournament sponsored by the Munday Chamber of Commerce and Agriculture. Deadline for early entry, which carries a \$30 fee, is May 15. After that date, the fee will be \$35.

"Interest in the tournament is increasing and calls come in daily requesting information and entry forms," said Lynn Fitzgerald, chamber manager. "We are anticipating a large number of entries in this year's tournament."

The tournament will be held Sunday, May 27 at Miller Creek Reservoir. Fishing will get underway at 6 a.m. According to reports from local fishermen, fish activity at the present time is very high due to the recent rains which have added several feet of water to the reservoir, and fishing should generally be good on tournament day.

For fishermen who have not taken advantage of the early sign-up, registration will be held from noon to 10 p.m. Saturday, May 26, at the boat ramp parking lot at Miller Creek. Entry fee will at that time be \$35.

Winner of this year's tournament will receive 50% of the entry fees with 30% going for second place and 20% for third place. Fourth through 20th place will receive merchandise gifts.

In addition to regular tournament fishing a one fish Calcutta has been planned with 100% payback. Entry is \$5. Also planned is a Kid Calcutta for "fishermen" under the age of 16. It too carries a \$5 entry fee, and any type fish is legal.

Maps of Miller Creek Reservoir and the area are available at the Chamber of Commerce office for those who might not be familiar with the lake surroundings.

## Local Chamber Plans Softball Tournament

Limber up that pitching arm and polish those batting skills - a Softball Tournament, featuring a Home Run Derby, is being planned for Munday.

Sponsored by the local Chamber of Commerce and Agriculture, the tournament will be held June 1, 2, and 3. Class C and below teams are invited to participate in the 10-team, double elimination tournament.

The Home Run Derby will be held at 1 p.m. on Saturday, and any spectator may participate. For \$5, any and all takers will be given the opportunity to hit 10 balls, eight fair balls, from the pitcher's mound. The most home runs wins a trophy.

Teams for the tournament will be accepted on a first-come, first-served basis. The \$100 per team entry fee is due May 15 at the Munday Chamber of Commerce and Agriculture, P.O. Drawer L, Munday, 76371. Teams will be contacted about starting time. Entry fees are refundable only before May 25.

A 13-man roster is required before the first game is played. Only blue dot balls will be used. A concession stand will be open while games are in progress.

### Weather Report

Following is the weather report for seven days ending Monday, April 30, 1990, as compiled and recorded by Goodson Sellers, local U.S. weather observer.

	TEMPERATURE		
	HIGH	LOW	RAIN
April 24	80	56	.74
April 25	78	33	.03
April 26	78	55	.11
April 27	67	57	.02
April 28	81	54	
April 29	77	69	
April 30	57	49	

Rainfall year to date 15.55

### Local Woman's Aunt Dies In Grand Prairie

Marion Lee Partridge of Grand Prairie died Saturday, April 28, 1990 at a Grand Prairie nursing home.

Funeral services were held at 1:30 p.m. Tuesday, May 1, at First Methodist Church in Munday with the Rev. Loren Gardner, pastor, officiating. Burial was in Johnson Cemetery directed by McCauley-Smith Funeral Home.

Mrs. Partridge was born in Eastland County, was a former resident of Bowie, and had been a resident of Grand Prairie for the past three years. She was a member of First Methodist Church in Bowie and was the widow of Leon S. Partridge.

Survivors include her daughter, Margie Fuller of Grand Prairie; two grandsons, Bill Wingert of Dallas and Chris Wingert of Big Spring; three great-grandchildren; a sister-in-law, Mrs. Billie Horton of Dallas; several nieces, nephews and cousins including a niece, Barbara Ratliff of Munday and a nephew, Don Horton of Midlothian.

Pallbearers were Bill Wingert, Chris Wingert, Barry Ratliff, W.O. Ratliff, Brad Partridge, and Melton Morgan.

### Local Student Enrolls At UTI

Jesse Hernandez has been accepted into the Automotive Technology program at Universal Technical Institute (UTI) in Houston. Jessie attended Munday High School and is scheduled to begin classes at UTI on May 13, 1991.

Nationally accredited, UTI trains students for careers in the automotive, diesel, marine, and air conditioning, refrigeration and heating repair industries. Students graduate with the skills necessary for entry into their chosen field of training.

The Amazon River had 1,100 tributary streams.

### Benjamin Graduate Is MSU Honor Society Inductee

Francine Redder was among 36 Midwestern State University students recently initiated into the MSU chapter of Alpha Lambda Delta, a national scholastic honor society for freshmen college and university students.

Alpha Lambda Delta recognizes superior academic achievement by students in their first year in institutions of higher education. Eligibility for membership is based solely on scholarship. All students who earn a scholarship average of 3.5 or better during their freshman year are eligible.

Miss Redder was also one of 38 new members recently inducted into the MSU chapter of Phi Eta Sigma, a college scholastic honor society for freshmen.

The honoree is a 1989 graduate of Benjamin High School where she was class valedictorian. She is the daughter of Herman and Ruth Redder of Benjamin.

### Elected Officials Must File Statement Before Taking Oath

An amendment to the State Constitution now requires all elected and appointed officials in Texas to file a written statement before taking the oath of office, according to Secretary of State George Bayoud.

Last November, Texas voters approved the constitutional amendment that removed the bribery provision in the official oath of office required of all elected and appointed officers. The amendment placed the bribery provision in a written oath that officeholders must sign and file with the secretary of state's office before they take the oral oath of office.

"What needs to be emphasized is that as a result of this change in state law, elected and appointed officers must file a statement with my office before taking the oath," Bayoud said.

State and local officers who were appointed or reappointed, elected or re-elected after December 5, 1989, must comply with the new law.

"This constitutional amendment affects thousands of elected and appointed officers across the state," Bayoud said.

The constitutional amendment, in effect, has divided the swearing-in procedure required to all elected and appointed officers in Texas into two parts - the written statement of the officer to be filed with the secretary of state's office, and the oral oath of office, Bayoud said.

The first public high school in the United States was opened in Boston in 1921.

The largest dam in the world is the Fort Peck Dam. It stretches almost four miles across the Missouri River in northeastern Montana.

## Appraisal Review Board Hearings Set May 24

Property owners in the Knox County Appraisal District will have an opportunity later this month to protest proposed appraisals of their property for local taxes. The district's

appraisal review board (ARB) will begin hearing taxpayer protests at 10 a.m., May 24 in the appraisal district office.

After the ARB concludes its hearings and approves final property appraisals, local governments will use these appraisals to assess property taxes for 1990.

The ARB is a group of citizens who live in the appraisal district and who are appointed by the district's directors. Their responsibilities are outlined by the Texas Constitution, which requires that property be appraised equally and uniformly and that exemptions and productivity appraisal be properly granted.

Property owners may appear before the ARB to protest any of the following actions of the appraisal office:

- \* the appraised or agricultural value of the property;
- \* unequal appraisal of the taxpayer's property compared to other property in the district;
- \* inclusion of the property on the appraisal records;
- \* denial of a partial exemption, such as a homestead exemption;
- \* denial of agricultural-use, open-space, or timber productivity appraisal;
- \* determination that agricultural or timber land has had a change-of-use and is subject to a rollback tax;
- \* identification of the taxing unit or units in which the property is located;
- \* determination that the taxpayer is the owner of the property;
- \* any other action of the appraisal office that adversely affects the property owner.

Stanton Brown, chief appraiser for the district, outlined the steps by which a property owner files a protest. First, the property owner must file a written "notice of protest" with the ARB. This must be filed by May

31 or within 30 days after the taxpayer is mailed a notice of appraised value by the chief appraiser, whichever is later.

However, if the ARB sends a property owner a notice of any other kind of change in the appraisal records, or if the chief appraiser issues a prior-year omitted property notice, the property owner has only 10 days from the mailing date to file a protest.

Official forms for a notice of protest are available at the appraisal district office. "A letter from the taxpayer is also acceptable," Brown said, "as long as it identifies the property owner and the property that is the subject of the protest and indicates dissatisfaction with some decision or action of the appraisal office."

Each protesting property owner may offer evidence or argument, either in person or by filing an affidavit with the ARB. Property owners should be aware that the ARB has no authority over tax rates or taxing-unit

spending and will not hear protests on those matters.

The ARB will schedule hearings as property owners file protests and will inform them of the time, date, and place of their individual hearings at least 15 days before the scheduled hearing date. Brown said that protest hearings will be held on May 24 and that the ARB expects to approve the final appraisal roll at that time. State law requires the ARB to review and approve the appraisal records by July 20, or when not more than 5 percent of the total property value in the district remains under protest.

The State Property Tax Board has issued a pamphlet called "Taxpayers' Rights, Remedies, Responsibilities," which explains how to prepare and present an appeal to the review board. The pamphlet is available at the Knox County Appraisal District office. For a copy, contact the appraisal district staff at P.O. Box 47, Benjamin, TX 79505 or phone 817-454-3891.

### Local Grads Make Tech Honor Lists

Two Munday High School graduates have been listed on Texas Tech University honor lists for the fall, 1989 semester.

Russell Reddell, a sophomore pre-dental major was named to the Dean's list and Holly Hutchinson, senior elementary education major, made the President's list.

Also making the President's list were two Weinert High School graduates, Donna Griffis Waggoner and Darla Griffis.

### VIEWES

(Continued from Page 1)

better, I began to notice things the man of the family said and did that seemed to reinforce Tommy's theory. He seemed to squelch any loud laughter or any noise one of them made with a toy as soon as it started.

"Go outside," he would demand and without a word, the child who had offended him would do as he was told. His face was an angry shade of red on the night he ordered his kids outside and our Joe retorted, "We don't want to play outside. We're going into my room to play with my race cars."

The man looked at Tommy quickly to see if he would make Joe do as he had ordered. When Tommy didn't, he seemed to pout for the rest of the evening.

We never suspected that he beat his children. His profession was such that even a hint of such an allegation would have ruined his career. There was just the constant belittling and criticizing, in much the same way he criticized his wife... "You cooked the steaks too long as usual," or if we happened to be playing a game, "Can't you ever think before you make a stupid move like that?"

Just words. But, words that were aimed at destroying a self-esteem. Words that put a dampener on everything that could have been fun and fellowship.

Do you remember the old game we called *Gossip*? One person would whisper a sentence into another person's ear... that person would whisper the same sentence into the ear of the next person and so on down the line until the last person said the sentence aloud. It was funny to see how much the words had been changed from the first telling. It was funny because it was a game. Real gossip is not funny. It is a series of vicious remarks and half truths. It is speculation and observations that sometimes have no reasonable basis at all, but can destroy a person's self-respect or damage a reputation beyond repair.

Everybody gossips to a certain extent. We are all guilty of wanting to be the first to tell a good story. But, malicious gossip is cruel and unfair. Nobody else can know all the circumstances behind the breaking up of a marriage. It's not for us to understand why people do what they do and it's really nobody else's business if others choose to march to a different drummer as long as they aren't hurting anybody. God is the judge of all mankind. People don't have the right to judge other people.

Most of us, at one time or another, has been the target of gossip. We instinctively respond with, "I don't care what they say about me. As long as they're talking about me, they're letting someone else rest." But that's a defensive reaction. We do care. Everybody cares. Gossip hurts even when it's spread by the most notorious gossip-monger. It is so insidious because even the most trivial incident can be blown out of proportion so that, as in the game, the story is unrecognizable when it has made its rounds.

"Sticks and stones can break our bones," but if somebody breaks our bones with a stick, they are subject to a jail term or at least a fine. Gossip is not a felony nor even a misdemeanor. Any of us can sit all day with a cup of coffee and destroy a person's reputation or his standing in the community, and the only repercussion might be a twinge of conscience.

Words are the most powerful weapons of the human race.

Maybe we should be more careful how we use them.

#### "DADDY FIX IT"

Fix it, Daddy, she lisps at two, showing this God in her life her scraped knee. Fix it, Daddy, she says at four, tearfully producing her broken balloon purchased from the vendor at the parade. Fix it, Daddy, she says at six, struggling with her jacket on her rush out the door to school. Fix it, Daddy, she says at eight, confidently wheeling her dented and lopsided bike towards him as he gets out of his car after work. Fix it, Daddy, she entones righteously at ten after coming out loser in a knock-down drag out battle with her stupid, tyrannical and absolutely impossible older brother. Fix it, Daddy, she pleads at twelve in the first of many struggles with her mother over whether she's old enough to wear eye shadow. Fix it, Daddy, she sobs at fourteen when her image hits rock bottom because she didn't make the cheerleading squad. Fix it, Daddy, she cries at sixteen, exposing her first broken heart over a lost love. Fix it, Daddy, she says at eighteen, when the college she wants doesn't want her. Fix it, Dad, she implores at twenty-two, sending along her mangled checkbook stubs and a 1040 form. Fix it, Dad, she begs at twenty-four, when she witnesses a rare conflict between him and her mother. Fix it, Dad, she writes at twenty-six, explaining she wants a quiet wedding officiated by a priest and a rabbi. Fix it, Dad, she prays at thirty, when her baby is in the hospital and her husband is overseas. Fix it, Grandpa, she insists at forty, when she turns her contrary twelve year old son over to him for the weekend. Fix it, Dad, she begs at forty-five when he tells her his heart is faltering and needs repaired. Fix it, Father, she prays at fifty-five, as she kneels at her dad's funeral, praying that he will find peace and realizing that from now on he will be fixing things for her in a way he never could before.

by Catholic Columnist Dolores Curran

# NURSING CENTER NEWS

By Virginia Williams

Dr. Pete Bradfield of the First Baptist Church had the Bible study Monday, April 23. The scripture was from Philippians. It is known as the "Book of Joy". There are three things you should do to start the day. They are 1. be sure you are a Christian, 2. admit you are wrong and 3. surrender your mind to God. God's people should be the happiest people in the world.

Anita Hosea and Helen Patterson of the First Baptist Church, sponsored the bingo Tuesday, April 24. Mavis Wren won the blackout. Everyone always enjoys the bingo and we thank the ladies who donate their time to help.

Jimmy Reddell came to see his mother, Lizzie Reddell, Tuesday, April 24. Linda and Dorothy Reddell also came to their Lizzie.

Charles Taylor Hutchinson of Louisiana came to see his mother, Helen Hutchinson, on the 27th to spend a few days.

Mr. and Mrs. Bunk Lusk of Stamford and Mr. and Mrs. Freddy Stanford of Merkel visited their cousin, Vera Mae Carver, on Friday, April 27.

Christene Massey of the Methodist Church had the Saturday afternoon Bible study. The scripture was from Luke 10: 25-36. The lesson was on "Love your neighbor as yourself." Leola Hardin and Essa Mae Moore from Seymour visited Donnie Belle Crouch.

Cleta Tindall and daughter Marilyn of Ft. Worth visited Susie Trammell.

Mr. and Mrs. Ronnie McGhee of Henrietta visited Thelma Hilbers Saturday afternoon.

Lucille Abbott of Knox City visited Beatrice Campsey Saturday af-

ternoon.

The First Baptist Church of Munday had the Sunday afternoon services. The lesson was from Psalms 1. Mrs. Robert Elliott played the piano. Mr. and Mrs. Stan Ellis and their two children, Chris and Mandy, of Hawley were with us. Stan led the singing. There were 14 visitors at the service.

Mrs. Lillie Parker went to her daughters for lunch and visited her sister Beulah Rives from Silverton, N.M., who was visiting Dena King over the weekend. Anita Marion of Knox City visited her mother on Sunday.

Iola Hudson and daughter, Mrs. Mona Cook of Knox City, visited Mary Johnson.

Beulah Hosea had a lot of kinfolks visit her on Sunday. Her son Robert and his wife Anita and his daughter Carol and two children, Emily and Nathan and Carol's husband from Victoria. Also visiting Beulah were E.B. and Peggy Hosea from Goree.

Billie Jean Bradford of Andrews visited Mavis Wren on Saturday.

Bonnie and Lindsay Correia and April Burkhalter of Abilene visited Mavis Wren on Sunday.

THIS ACTION SHOT OF BRETT BRUCE, taken during shot put competition at Saturday's Region IIA Track and Field Meet in Abilene, shows the intense concentration needed for the event. Brett's throw of 49 1/2" was good enough for a second place finish in the event and a trip to the state meet next weekend in Austin.

## The Fishing Doc

By "Doc" Fitzgerald

**Miller Creek Reservoir**  
Condition: Flooded but roads are passable without difficulty. Water is murky.

Temperature (at surface): 66°F  
Level: Full

**Black Bass:** Fairly good. Hitting mostly chrome rattle lures.

**Hybrid striped:** Very good. Taking chrome trolling lures. Several being caught on jig/trolling lure combinations (Texas trailers).

**Crappie:** Fair to one pound. Mostly near dam or antelope slew area.

**Catfish:** Excellent on trotlines and rod and reels. Best trotline bait are large minnows, goldfish, and perch. Best pole bait includes tan bait, worms, minnows and small perch.

**Carp:** Excellent. Taking tan bait, minnows, worms and other assorted baits.

### FISHING TIP

Q: What is the best level to fish for crappie or bass?

A: Where the fish are!  
I know this sounds funny. Fish are affected by a variety of conditions. Crappie prefer cover for the muted light because of their sensitive eyes. Bass are sensitive to light too, but not as much as crappie. Temperature and water conditions affect oxygen lev-

els. Some scientific devices have been invented to assist the fisherman in finding his game. Sonar can locate fish levels. Also, Ph-level testing kits are available at sporting good stores (follow directions for the species you're after). Also, availability of natural bait will affect fish location. At this time of year, generally, crappie are shallow (2-8 feet). Black bass are shallow, too. While your best hybrid fishing will be from 8 to 15 feet in most lakes.

If you have a question for this column write "Doc" at Route 1, Box 115B, Munday TX 76371.

### Rhineland Stockholders Hold Annual Meeting

The annual meeting of the Rhineland Coop Gin stockholders was held Monday evening, April 30, at the Knights of Columbus Hall in Rhineland.

Prior to the business meeting, members and guests enjoyed a barbecue meal catered by Dairyland of Jacksboro.

Shorty Kuehler worded the invocation. Alphonse Kuehler, president of the board of directors presided over the business session. Randy Jones, secretary, read minutes of the last meeting. Other board members are Leo Koenig, Robert Elliott and Wayne Zeissel.

Chris Brown and Glenn Herring were elected to replace retiring directors Leo Koenig and Randy Jones.

Larry Tomlinson, gin manager, gave a brief report and announced that the gin has purchased a new 80 foot scale for the new season and repairs are on schedule. James Castagna, CPA, gave the auditors report after which members received dividend checks.

Following the meeting, a drawing for prizes was held. Donating the prizes were Rhineland Coop Gin, First National Bank, Munday Cotton Company, Zeissel Brothers Fertilizer, Quality Implement, and Ag Management Services. Winners were Jason Blake, Gary Kuehler, JoNell Cobb, Bertha Moore, Marla Hawkins, Al Kuehler, Sherry Jones, Marvin Zeissel, Ronnie Stewart, Leona Elliott, Robin Stewart, Betty Kuehler, Randy Jones, Clara Herring, Jeanette Zeissel, Steve Moren, Lyndel Lambeth, Sonny Moore, Frances Brown, Buddy Blake, Robert Elliott, Robert Heriel, Sue Bowden, Kenneth Baker, Dwight Burgess, Bob Moore, Victor Vasquez, Brenda Brown, Pansy Koenig, Joyce Scott, Mary Redder, Barbara Sanchez, Michael Tomanek, B.M. Brown and Bud Redder.

# WEINERT NEWS

By Mrs. Myrtle Phemister

BETH MCPHERSON AND CHRIS BURNETT will be in Austin on Thursday, May 3 for the State UIL Literary Meet to be held at the University of Texas. Chris will compete in poetry interpretation and Beth in literary criticism. The girls will be accompanied by Nahwana Donoho and Becky Ratliff. CHRIS will also represent Munday High School on May 10-11 at the State UIL Golf Tournament. She qualified for state as runner-up medalist in the region meet held Saturday, April 23 and 24 in Abilene.

Weinert extends sympathy to the family of Willie Moeller, to his son, Donnie, his daughter, Joy Burton of Edinburg, and his two granddaughters, Amy and Crystal.

Willie died very suddenly on Thursday morning, and was interred in the Weinert Cemetery on Saturday.

Bennie Horan underwent bypass heart surgery in Humana Hospital last week, and we continue our prayers on her behalf as she convalesces.

Ernest McGuire will remain in Haskell Hospital several more days following a heart attack he suffered last week. He is recovering, and doing well at last report.

Congratulations to John and DeeAnn Bruggeman upon the birth of their son, William Frank, (7lbs., 20 inches tall) who arrived at Humana hospital in Abilene on Thursday, April 26.

To welcome him home were his two brothers, Justin and Sam, his grandparents, Mr. and Mrs. Tommy Ballard, and his grandmother, Dora Bruggeman of Weinert. Dora has six grandsons, and boasts about her six-man football team or her "threshing crew."

Congratulations to Dan and Nanette Perry who were honored at the Haskell SWCD Awards Banquet for Outstanding Conservation of 1990. Their ranch includes the Arlos Weaver land east of Weinert. Nanette is the daughter of Arlos and Hazel Weaver.

Congratulations to Alice Yates who was selected as Conservation Home-maker of 1990, and to her husband, Toby Yates, who is honored to have such an outstanding wife. We all appreciate the Yates family.

Congratulations to Eric Hager, Trisha Horan, Adam Garza, Dusty Yates and Heather Guess who received awards for their outstanding conservation posters at the SWCD awards banquet.

Mr. and Mrs. Roy Herricks were honored on Sunday by their family and friends with a gift shower and luncheon hosted at the Foursquare Fellowship Hall with a record crowd in attendance. Congratulations!

Visitors to Weinert on Sunday included Missy and Randy Alexander of Stamford, who came for a visit

in the home of their grandparents, Ed and Zella Alexander.

Visiting in the home of Pud and Susie Brockett were their grandson, Mr. and Mrs. Rickey Nance of Midway, and their three children, Shannon, Ricky Jr., and Clint.

R.S. Sanders is home recuperating from hip replacement surgery.

Dacia Phemister spent the weekend in Weinert with her great-grandparents, Myrtle and Marvin Phemister.

Francis Mahan was in Hamilton for a doctor's appointment on Thursday, and returned home quicker than planned when she learned of her neighbor's death.

Linda and Donald Mahan spent the weekend in Mineral Wells with Michelle Sadler and the granddaughters.

Beth Bacon of Dallas, fiancee of Donnie Moeller, spent the weekend in Weinert, and was here for the memorial services for Donnie's father. Donnie will be moving into his father's home today.

Have a nice day!

## Cemetery Trust Fund In Need Of Donations

Trustees of the Munday Cemetery Association would like to express gratitude for all who have donated recently to the Endowment Trust Fund, and to encourage continued awareness of the need to enlarge the fund.

Our goal is to build the fund to the \$100,000 mark by the end of 1990, so that both present maintenance and future development of the cemetery may be accomplished from interest earnings generated by the trust. Interest income for 1989 amounted to \$5,600. Approximately \$25,000 is needed to bring the fund to the desired goal for this year.

Apologies are extended to Charles Baker, whose name was inadvertently omitted from the list of trustees published in the April 26 issue of the Courier. Charles, along with other trustees of the association, would be happy to discuss future plans for the cemetery and to receive donations or memorial gifts. It is the hope of the association trustees that a number of sizable gifts will be received, so that the future of Johnson Cemetery will be secured.

Moulton Wiggins, president, stresses that all donations, whether large or small, are welcome.

## Appreciation Day To Honor NW Texas Law Enforcement

Rep. David Counts of Knox City has announced plans to recognize law enforcement personnel in a 97 county area of northwest Texas. In making this announcement, Counts revealed that he, along with a group of colleagues from the Texas House of Representatives wanted to honor all law enforcement personnel for the excellent job they are doing in this area of the state.

Northwest Texas Law Enforcement Appreciation Day is set for 6:30 p.m., May 10, in Snyder at the Scurry County Coliseum. Speaker for the occasion will be Jim Lynaugh, director of the Texas Department of Criminal Justice. Entertainment and a barbecue meal will be provided. Tours of the new Price Daniel State Prison are scheduled throughout the day.

"I want to call attention to the men and women who serve in all phases of law enforcement and recognize them for their dedication and hard work in their chosen field," Counts said.

Persons planning to attend should call 817-658-5012 for reservations.

Loren Gardner, pastor

### AN OLD PRAYER FOR A NEW DAY

While thumbing through an old prayer book I discovered the following prayer that may be helpful in today's living...

"Our Father,  
Forgive me for being critical,  
For judging when I do not have all the facts,

For judging when I am not perfect,  
For judging when the thing I judge is my problem too.

Remove from me the evil that makes me critical:

My own desire to be like the person I criticize,

The wrong in me which I condemn in others.

The feeling of inferiority that keeps me from accepting myself,

The blindness that keeps me from seeing myself as You see me,

The smallness that permits other people to irritate me.

Give me love enough:

To love those who are not like me,  
To love those who are not sure of themselves,

To love those who are misunder-

stood,  
To love those whom I cannot understand,

To love those who cannot control their tongue.

Help me to grow:

In patience - to wait while God works,

In grace - to know that a thing does not have to be perfect before it can be used,

In forgiveness - to forgive myself so that I can forgive others.

May I so love that there will be no need for me to be critical. Make me realize that criticism rarely accomplishes anything except to set up barriers. In the name of Christ, Who came not to condemn, but to save. Amen."

## MVFD Ladies Auxiliary Launches Block Beautification Project

The ladies auxiliary of the Munday Volunteer Fire Department has launched a beautification project in downtown Munday and is issuing a challenge to other civic organizations and individuals to do the same.

The auxiliary recently purchased and placed barrel planters along the sidewalk in front of businesses located in the 100 block of Birch Avenue. The ladies have filled the planters with flowers in an effort to add color and interest to one of Munday's most traveled highways.

"We 'adopted' that block because it is one that is more readily seen by persons who pass through Munday, and we wanted to do something that would make Munday more attractive not only to travelers, but also the townspeople," said a spokesman for the auxiliary.

"We started the project in hopes that other organizations in town would catch on to what we are doing and 'adopt' their own block to beautify."

"The Vegetable Festival is just around the corner and wouldn't it be nice if our downtown area could be filled with planters of brightly colored flowers?" she concluded.

\*\*\*

## Look Who's Here!

Terry and Mendie Hendrix are proud to announce the arrival of their daughter, Shelby Rhea, who was born at 1:47 a.m. in the Wichita General Hospital on Wednesday, April 18, 1990. She tipped the scales at 8 pounds, 7 ounces, and stretched to 20 1/2 inches long.

Ronnie and Delores Stewart and Kenneth and Beckie Hendrix, all of Munday, are the equally proud grandparents.

Great-grandparents include Bob and Crystella Raynes of Weinert, Jr. and Margie Stewart, Pauline Clark and Frank Hendrix, all of Munday.

**ONE-TWO PEST CONTROL HIGHER QUALITY CROP.**

Protecting your cotton crop from weed competition and insect damage can pay off in higher yields. And we have a great combination to help you do just that.

**WEED CONTROL PROWL®** herbicide delivers long-lasting control of grasses and certain broad-leaf weeds, without root pruning, stunting or carryover. And less root pruning helps improve insecticide uptake. That means your cotton gets off to a fast, healthy start, for a higher-yielding quality bottom crop.

**INSECT CONTROL THIMET®** 20-G soil and systemic insecticide provides early-season control of aphids, thrips and mites in cotton. And applied at planting, it also controls aphids, leaf miners, leafhoppers, black cutworms and white flies.

See us today about the one-two combination that helps you get the most out of your cotton crop. We're your local Cyanamid AgriCenter™ dealer

## GOREE NEWS

By Mrs. Grace Smith

### HOSPITAL NOTES

Mrs. Marion Cunningham is back home after spending several days last week in Bethania Hospital in Wichita Falls.

### ATTENDS FUNERAL

Mr. and Mrs. Gary Hale attended the funeral of his grandmother Hale in San Angelo Saturday.

Rev. and Mrs. Neil Shepherd of Lueders visited Mrs. Pauline Beecher Sunday afternoon.

E.B. Hosca was a business visitor in Wichita Falls on Friday.

Mr. and Mrs. Greg Melton, Taylor and Brady, of Haskell, and Mr. and Mrs. Elkin Warren were dinner guests in the Taylor Allen home on Sunday.

Mr. and Mrs. Elmer Rutledge of Odessa spent the weekend visiting

her parents, Mr. and Mrs. Ira Hargrove. Elmer also visited his father, Bull Rutledge at Vera.

Mr. and Mrs. Ward Cooksey of Throckmorton visited her parents, Mr. and Mrs. Ruby Hammons, on Sunday. They also visited his mother, Ballie Cooksey.

Billy Simaichl of Seymour was a dinner guest at the home of his grandmother, Grace Smith, on Sunday. Billy also attended church services at First Baptist Church with his grandmother on Sunday morning. Other dinner guests in her home Sunday were her son and family, Gordon and Shirley Smith and sons, Steven and Jonathan, of Munday.

Mr. and Mrs. Dave Oaks and Robert Neil of Lubbock have been visiting

Phillips of Munday visited Mrs. Mable Jacobs and Jeanette Sunday afternoon.

Visiting Mr. and Mrs. Felton Jackson last weekend were Mr. and Mrs. Ronnie Hardin and Glynn Hardin and son Skie of Lockney, and Brandon Benge of Seymour.

Dewitt Green visited his father, W.T. Green, and Mr. and Mrs. George Green in Olney on Sunday.

Mr. and Mrs. Chester Smith spent the day Sunday visiting some friends, Mr. and Mrs. Willard Johnson at Altus, Oklahoma.

Sam Dobbs of Honey Gfove visited Mr. and Mrs. Elkin Warren last Thursday night.

Frank Jr. and Glenda Simaichl of Seymour visited her mother, Grace Smith, last Thursday evening.

Mrs. Dixie Elliott spent last week in Summerfield visiting her brother, Robert Hammack and family.

\*\*\*  
Have a nice day!

**HAPPINESS IS** sharing a lollipop with a friend - and having the Region IIA champion boys track team. This candid shot of athletic director Jim Edwards and junior Chris Burnett was taken Saturday at the region track and field meet in Abilene. The boys earned a total of 101 points during the two-day event and earned their second consecutive region title.

## County Treasurer Attends Seminar In College Station

Knox County Treasurer Evelyn Balis recently took part in the 18th annual County Treasurers' Seminar held at Texas A&M University.

The training focused on the theme, "Each Treasurer is an Architect of the Future -- It's Up to Me."

More than 30 speakers addressed the seminar, discussing subjects from alternative funding for county health plans to how to handle a claim under worker's compensation, time management and media relations.

Round table discussions also were a part of the program, with county groupings planned by population size.

Each treasurer in attendance was awarded 20 hours of educational credit by Texas A&M's Office of

Continuing Education. According to state law, treasurers are required to complete 20 hours every two years.

### "Pink Ladies" Purchase Building In Knox City

The Knox County Hospital Auxiliary, widely known as the "Pink Ladies", recently purchased the building in Knox City which has housed their used clothing and merchandise store for a number of years. The building was purchased from Joe Clonts at the cost of \$7,500.

The group made a down-payment of \$2,500 in cash and financed \$5,000 for one year at 8% interest. Attorneys Chad Williams and Bobby D. Burnett donated their time in preparing the legal papers and abstract.

The "Pink Ladies" are encouraging readers to remember them with their memorials and donations of both cash and used items which will enable the women to continue their assistance to the Knox County Hospital.

Over the years, the ladies have provided needed equipment for the hospital, thus saving the hospital the expense, as well as keeping the burden off the taxpayers.

Replacement of the developing tank for the hospital's x-ray machine is the most recent project financed by the organization. The approximate cost of replacement is \$7,000.

The aardvark gets its name from the Dutch for "earth pig." Its nose looks somewhat pig-like, but it's not related.

WE RESERVE THE RIGHT TO LIMIT QUANTITIES.

**ENGAGEMENT ANNOUNCEMENT:** Mr. and Mrs. Billy Ray Bradford announce the engagement of their daughter, Cecilia Rae Bradford, of Andrews, to Jonathan David Olliff, son of Mrs. Jo Rita Olliff, of Andrews and Mr. James Olliff of Hobbs, New Mexico. Cecilia is the granddaughter of the late Coy and Juana Tuggle of Munday, and the A.M. Bradfords, formerly of Vera.

The bride-elect is a graduate of Andrews High School and attended Midland College. Her fiancé is a student of Andrews High School. He will attend Universal Technical Institute, Phoenix, Arizona, in August.

The wedding will be held June 8, 1990, at Means Memorial Methodist Church in Andrews.

**Munday School Lunchroom Menu**

May 7 - 11, 1990  
**BREAKFAST**  
 Monday - Cereal, juice, milk.  
 Tuesday - Blueberry muffins, sausage, juice, milk.  
 Wednesday - Cinnamon toast, juice, milk.

Thursday - Cereal, juice, milk.  
 Friday - no school  
**LUNCH**  
 Monday - Corn dogs, pinto beans, cole slaw, cobbler, milk.  
 Tuesday - Spaghetti and meat, blackeyed peas, carrot sticks, peanut clusters, milk.  
 Wednesday (Sr. Day) - Chicken, mashed potatoes, green beans, fruit, hot rolls, milk.  
 Thursday - Hamburgers with trimmings, potatoes, fruit, milk.

**BOYS PLACE SECOND**  
**Local Girls Win District Junior High Track Title**

Local junior high track teams traveled to Knox City Monday, April 23 for the District 9A junior high track meet after having the meet cancelled April 19 due to rain.

Munday's girls earned the first place team trophy with a total of 206 points. Finishing second was Knox City with 185 followed by Aspermont in third place with 109. Other finishers were Lueders-Avoca, 44; Rochester, 21; Benjamin and Paint Creek, 6 each; and Goree and Rule, 4 points each.

The local boys finished in second place with 130 points behind Aspermont's 135. O'Brien finished third with 107 points followed by Rochester, 101; Rule, 37; Paint Creek, 30; Lueders-Avoca, 8; and Goree, 3.

Following is a list of Munday's results:

**GIRLS**

3200 meter run - Jami Howry, second.  
 400 meter relay - Christina Sanchez, Casey Martinez, Kerri Smith, Melissa Berryhill, second.  
 800 meter run - Mandi Moore, first; Kerri Smith, second.  
 100 meter hurdles - Michele Berryhill, first; Laura Burnett, fourth.  
 100 meter dash - Casey Martinez, third; Melissa Berryhill, fourth; Christina Sanchez, sixth.  
 800 meter relay - Shelly Anchondo, Christina Sanchez, Cissy Zaeske, Melissa Berryhill, third.  
 400 meter dash - Gina Vaughn, third; Heather King, sixth.

300 meter hurdles - Laura Burnett, second.

200 meter dash - Casey Martinez, third.

1600 meter run - Michele Berryhill, first; Mandi Moore, second; Kelly Munoz, third.

1600 meter relay - Heather King, Kerri Smith, Gina Vaughn, Michele Berryhill, third.

Discus - Danette Owens, first; Vanessa Rodriguez, third.

Shot put - Danette Owens, second

Triple jump - Michele Berryhill, first; Mandi Moore, third; Kerri Smith, sixth.

High jump - Laura Burnett, first; Michele Berryhill, second; Gina Vaughn, fourth.

Long jump - Casey Martinez, third.

**BOYS**

3200 meter run - Kevin Stone, first, 12:43.84; Keith Myers, fourth, 14:35.17; Donny Browning, sixth, 17:20.47.

Shot put - Jason Bowman, first, 40'7".

Pole vault - Chris Birkenfeld, first, 8'; Kevin Stone, fifth, 6'.

Long jump - Brandon Milhoan, sixth, 16'3 1/2".

400 meter relay - Jake Jordan, Terry Tomlinson, Brandon Milhoan, Aaron Kiser, third, 51.09.

800 meter run - Jason Bowman, second, 2:27.20.

High jump - Terry Tomlinson, sixth, 5'.

110 meter hurdles - Kole Sanders, fifth, 21.08; Jake Jordan, sixth, 21.22.

Triple jump - Terry Tomlinson, fourth, 34'8 3/4".

Discus - Jason Bowman, first, 114'5"; Tony Morgan, fifth, 104'.

400 meter dash - Aaron Kiser, second, 58.66; Jeffery Cook, fifth, 68.65.

300 meter hurdles - Terry Tomlinson, third, 51.66.

200 meter dash - Brandon Milhoan, third, 27.

1600 meter run - Kevin Stone, fourth, 6:01.56.

1600 meter relay - Jason Bowman, Terry Tomlinson, Brandon Milhoan, Aaron Kiser, 4:10.85.

**VERA NEWS**

By Mrs. Thelma Coulston

Recent visitors in the home of Mr. and Mrs. Perry Kuykendall have been a daughter, Mrs. Kathy Nelson of Archer City, and Perry's sister, Mr. and Mrs. Robert Byrket of Olney. Visiting Perry and Betty this weekend was a son, Woody Kuykendall and two children, Stephanie and Kyle.

Larry McBeath of Arlington spent the weekend with his father, Rev. Delmer McBeath. Saturday they spent the day with Delmer's nephew, Mr. and Mrs. James McBeath and family in Thalia.

Mr. and Mrs. Wayne Sutton and Mr. and Mrs. Duward Richards spent Saturday and Sunday on their lots in their travel trailers at Bay Landing on Bridgeport Lake. They had planned to spend a few more days there but decided to return home Sunday afternoon due to the high water and more rain forecast for the area. Enroute home Wayne and Jane visited their son, Mr. and Mrs. Bruce Sutton and boys in Loving.

The annual meeting of the members of the Vera Community center will meet this Thursday evening.

The Knox County Hospital Board election will be held this Saturday, May 5, at the community center.

**PROPERTY TAX PROTEST AND APPEAL PROCEDURES**

The law gives property owners the right to protest actions concerning their property tax appraisals. You may follow these procedures if you have a concern about:

- (1) The value placed on your property
- (2) Exemptions that may apply to you
- (3) Cancellation of agricultural appraisal
- (4) Whether your property is taxable
- (5) Which local governments should be taxing your property; or
- (6) You think the appraisal district has done something else that adversely affected you.

**INFORMAL REVIEW:** You may wish to contact your local appraisal district at the Knox County Appraisal District, P.O. Box 47, Benjamin, Texas 79505 or call telephone number (817) 454-3891. Through this process you may be able to make any corrections and dissolve any problems that you may have with the appraised value of your property.

**REVIEW BY THE APPRAISAL REVIEW BOARD:** If you can't resolve your problem informally with the appraisal district staff, you may have your case heard by the appraisal review board.

The appraisal review board (ARB) is an independent board of citizens that review problems with appraisals and other concerns listed above. They have the power to order the appraisal district to make the necessary changes to solve problems. If you file a written request for an ARB hearing (called a notice of protest) before the deadline, the ARB will set your case for a hearing. You'll receive written notice of the time, date, and place of the hearing. The hearing will be informal. You and the appraisal district representative will be asked to present evidence about your case. The ARB will make its decision based on the evidence presented. You can get a copy of protest form from the appraisal district office at Knox County Courthouse, Benjamin, Texas.

**Note:** You shouldn't try to contact ARB members outside of the hearing. The law requires you to sign an affidavit saying you haven't done so before the ARB hears your case.

**REVIEW BY DISTRICT COURT:** After it decides your case, the ARB must send you a copy of its order by certified mail. If you're not satisfied with the decision you have the right to appeal to district court. If you choose to go to court, you must start the process by filing a petition within 45 days of the date you receive the ARB's order. If the appraisal district has appraised your property at \$1,000,000 or more, you must file a notice of appeal with the chief appraiser within 15 days of the date you receive the ARB's order.

**MORE INFORMATION:** You can get more information by contacting your appraisal district at Knox County Appraisal, P.O. Box 47, Benjamin, Texas 79505.

**DEADLINE FOR FILING PROTESTS WITH THE ARB**

(The deadline is postponed to the next business day if it falls on a weekend or a holiday)

**USUAL DEADLINE:** MAY 31, 1990

On or before May 31, (or 30 days after a notice of appraised value was mailed to you, whichever is later.)

**Late Protests**

(If you miss the usual deadline for good cause. Good cause is some reason beyond your control, like a medical emergency. The ARB decides whether you have good cause.)

Before the day the appraisal review board approves records for the year. Contact the appraisal district for more information.

**SPECIAL DEADLINES:** APPRAISAL REVIEW BOARD MEETING, MAY 24, 1990, 10:00 A.M.

**Change of Use**

(If the appraisal district has informed you that you are losing agricultural appraisal because you changed the use of your land.)

Before the 30th day after the notice of the determination was mailed to you.

**ARB Changes**

(If the ARB has informed you of a change that increased your tax liability and the change didn't result from a protest you filed.)

Before the 10th day after the notice of the determination was mailed to you.

If you believe the appraisal district or ARB should have sent you a notice and did not, you may file a protest until the day before taxes become delinquent (usually February 1). The ARB decides whether it will hear your case based on evidence about whether a required notice was mailed to you.

DISPLAYING ROLLING PLAINS PCA's 1990 Farm Credit Achievement Award are, back row left to right, FCBT Chairman Robert Vanwinkle; PCA President John S. Rike III; Directors Dean Turner and Lloyd M. Blackwell; and FCBT Vice Chairman Billy Chesnut. Front row left to right are Director Lance D. Morris, Chairman Garon B. Tidwell; Director Dan Henard, Jr.; and FCBT Chief Executive officer Donald R. Rogge.

## Rolling Plains PCA Honored For Outstanding Achievement

For the second consecutive year, Rolling Plains Production Credit Association (PCA) has received a Farm Credit Achievement Award from the Farm Credit Bank of Texas (FCBT).

In making the announcement, bank officials commended the PCA on its financial strength and high quality portfolio.

"The association board and management team have demonstrated their ability to effectively direct and manage the association's business affairs for the benefit of its stockholders," said Paul S. Day, president of the FCBT's Production Agriculture Lending Operations.

"Rolling Plains PCA has been attentive to its financial position and

developed a financially strong organization," he added, "and has exhibited the ability to control credit risk while maintaining a loan portfolio of the highest quality."

In accepting the award, Association Chairman Garon Tidwell said, "We have always placed the best interest of our member borrowers first, and that has been the foundation for our strength as a PCA."

"We will continue to abide by that philosophy as we strive to meet the credit needs of farmers and ranchers in our area in the years to come," he added.

Directors of the locally-owned cooperative are Garon B. Tidwell of Munday, chairman; Don Henard Jr., of Wellington, vice chairman; Lance D. Morris of Crosbyton; Lloyd M. Blackwell of Stamford; and Dean Turner of Matador. President is John S. Rike III.

Rolling Plains PCA has approximately \$41 million in loans outstanding to 775 farmers and ranchers in 18 counties.

The association has offices in Stamford, Abilene, Childress, Matador, Munday and Spur.

May 6 - Ricky Harlan, Shirley Hawkins, Wayne Zeissel.

May 7 - Todd Thompson, Donny Browning.

May 8 - Gayle Morgan.

## FARM AND RANCH REPORT

By Donnie Peters

### GREEN UP YOUR LAWN

Usually at this time of the year lawns are off to a good start, however, due to sub-arctic conditions and extremely dry soils, many lawns of Knox County may be spotted or even dead.

Ronnie Ainsworth of Knox City indicated just this problem I have mentioned. I suggested three operations that could get his lawn off to a good start which are scalping, fertilizing and applying a weed killer.

Scalping a lawn in early spring serves to revitalize it and promote early spring green-up.

Begin the operation by lowering the blade of your lawnmower 1/2 to 1 inch below the normal setting. Then mow the lawn in two directions that are at right angles to each other. Remove the clippings after each mowing. They are excellent to add to a compost or to use as mulch for garden and landscape plants. The lawnmower blade may be left at the lower setting until early summer and promote growth from the amount of winter kill received in the December cold.

After scalping the lawn, apply a complete fertilizer (one containing nitrogen, phosphorus and potassium) to promote leaf rhizome and root growth. Use 1.5 pound of nitrogen per 1,000 square feet of lawn area. This is equal to 18 pounds of an 8-8-8 fertilizer or 12 pounds of a 12-4-8 fertilizer. Repeat the application on a 45-day interval schedule.

For a dark green lawn, applications of nitrogen every 50 days at the rate of one pound to 1,000 square feet. Monthly applications of iron chelate or iron sulfate during the spring and summer promote a healthy color in

lawns.

To keep crabgrass or other unsightly weeds from becoming a problem, which is a high possibility, apply a pre-emergence herbicide (weed killer) in early spring, after the grass has recovered from winter. Combinations of herbicides with fertilizers are available and convenient to use but, as with all herbicides, should only be used according to instructions on the label.

Proper maintenance is essential for a healthy lawn, and these practices will give new life to a dormant, weed lawn.

If reseeding of grass is to be done, the use of pre-emergence herbicides should be avoided until fall.

\*\*\*  
It is said that the musical juke box gets its name from a west African word *dzug* meaning "to behave improperly."  
\*\*\*

In the myth of Pandora's Box, the only thing left in the box, after Pandora unleashed the evils of the world from it, was hope.

## The Lord's Corner

by Dr. Pete Bradford, pastor First Baptist Church

"I wish I were dead!" Perhaps at an unguarded moment of despair or shame, you vented your frustration with such words. But you didn't really mean them literally. Most people want to live! In fact, they will do just about anything to preserve their life. But that strong survival instinct doesn't always carry over into the spiritual realm.

What kind of decisions are you facing today? Remember, you can choose a death-like lifestyle by rebelling against God's will. Or by obeying you can choose life - and daily fellowship with the God of life. Which will it be?

Take a 3x5 card and write on it: OBEEDIENCE = LIFE  
DISOBEDIENCE = DEATH  
Tape the card to your refrigerator, bathroom mirror, or dashboard. Let it remind you often of God's timeless principle of life and death. The choice is yours.

See you next week, and remember: we make our decisions, and then our decisions turn around and make us

## ONE-TWO PEST CONTROL FOR A HIGHER QUALITY CROP.

Protecting your cotton crop from weed competition and insect damage can pay off in higher yields. And we have a great combination to help you do just that.

**WEED CONTROL**  
**PROWL** herbicide delivers long-lasting control of grasses and certain broad-leaf weeds, without root pruning, stunting or carry-over. And less root pruning helps improve insecticide uptake. That means your cotton gets off to a fast, healthy start, for a higher-yielding quality bottom crop.

**INSECT CONTROL**  
**THIMET** 20-G soil and systemic insecticide provides early-season control of aphids, thrips and mites in cotton. And applied at planting, it also controls aphids, leaf miners, leafhoppers, black cutworms and white flies.

See us today about the one-two combination that helps you get the most out of your cotton crop. We're your local Cyanamid AgriCenter dealer.

## Introducing two new stars to our all-star line-up

Newest!

### BRONCO 414

You wanted an outstanding new performer with higher fiber strength and no sacrifice in yields. Now you've got it.

The name is Bronco 414. It produces medium-height plants with few vegetative branches and large, storm-resistant bolls in a medium to close fruiting habit.

Bronco 414 is medium in maturity and has a determinate growth habit.

Fiber length averages 1 1/32 inch with a premium micronaire. Fiber strength under most growing conditions averages 25 grams per tex.

Bronco 414 is ideal for stripper harvest production in both Texas and Oklahoma.

New!

### BRONCO 360

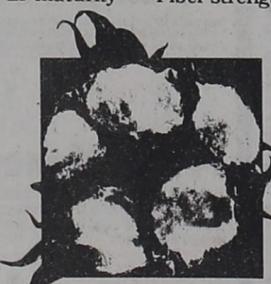

After two successful seasons, Bronco 360 is rapidly gaining in popularity, especially in areas where Lankart varieties are grown. That's because Bronco 360 gives you earlier maturity and better fiber strength.

Bronco 360 is a medium-height plant with compact to semi-compact fruiting habit and large storm-proof bolls.

Fiber strength under normal growing conditions has topped 25 grams per tex.

Fiber length ranges from 1 inch to 1 1/32 inch with a premium micronaire.

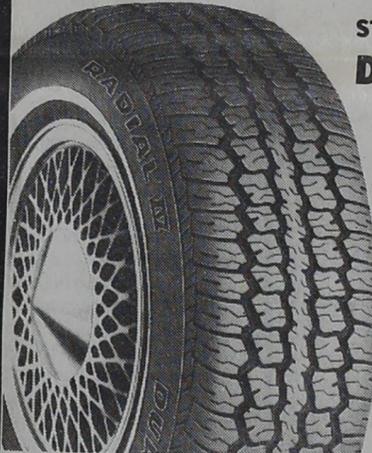

This stripper variety is well suited for the Central and Rolling Plains of Texas, as well as Oklahoma.

## KNOX COUNTY KONNECTIONS

By Jane Rowan  
County Extension Agent

### PESTICIDES; TO RISK OR NOT TO RISK?

Ever since alar and apples scare a spring, the American public has expressed a rising concern with regard to pesticides in the food supply. While scientists feel that pesticide risk to the American public is negligible, they will admit that all the facts may not be in and that certain questions remain unanswered.

The U.S. Department of Agriculture and the Environmental Protection Agency suggests taking the following steps if you are concerned about pesticides in your food:

- \* Wash fresh fruits and vegetables with plain water. Soap is not recommended because their residues may be difficult to remove from some foods and, in no way, is soap tested nor considered safe for human consumption.

- \* Peel or remove outer layers of produce. It is possible that wax coatings of such produce as apples, cucumbers and green bell peppers can trap pesticide residues. Outer leaves on lettuce and other leafy vegetables contain higher pesticide residues. However, remember that peeling fruits and vegetables also lowers their fiber content.

- \* Buy fruits and vegetables in season. Out-of-season produce is often imported and only spot-checked for pesticide residues.

- \* Buy home-grown fruits and vegetables from farmer's markets and produce stands. Local producers are less likely to use pesticides.

- \* A final choice is to buy all pesticide-free produce. This produce is both difficult to find and more costly. Consumers wishing to employ this risk management strategy should also talk with their local grocers about providing pesticide-free produce.

If you have additional questions about pesticides in foods or pesticides in home gardens, call 1-800-858-PEST, the Environmental Protection Agency's toll-free hot line.

### CHECKING YOUR CREDIT REPORT

Before applying for a loan, it pays to check your credit report. Many financial counselors advise reviewing credit reports every several years regardless of whether a loan is needed.

Consumers can obtain a copy of their credit report for a fee (usually under \$20) from local credit agencies listed in the yellow pages of the telephone book. Consumers applying for a loan may want to ask the lender which credit bureau will be used and obtain a copy of the specific report from that bureau, since credit information may differ slightly from agency to agency. Reviewing credit reports not only allows reporting and challenging of errors, but can also allow preparation of explanations which will be required regarding existing or past credit problems.

The ancient Greeks awarded crowns made of laurel leaves to victorious athletes while the ancient Romans decorated their war heroes with crowns of oak leaves.

KNOX COUNTY'S JUNIOR 4-H HORSE JUDGING Team competed at the annual Statewide Invitational Judging Contest held Saturday, April 21, at Tarleton State University. Team members are Lila Jo Rector, Jason Patterson, Melissa Barnard and Tressie Boyd. Their coach is Mary Ann Boone of Knox City.

## Junior 4-H Horse Judging Team Competes At Statewide Contest

Knox County's Junior 4-H Horse Judging team was among 21 teams competing in Tarleton State University's annual Statewide Invitational Judging Contest held Saturday, April 21 at Stephenville.

A wide area of the state was represented in the competition.

The Knox County team, which was also the 1990 District 3 champion, includes Lila Jo Rector, Melissa Barnard and Tressie Boyd of Knox City and Jason Patterson of Benjamin. Together they scored 1023 points in the day's competition. Melissa Barnard was 10th high individual in the contest with a score of 360. She was also high point individual junior at the district contest.

Contestants judged eight classes, including four halter classes and four performance classes. Performance classes included showmanship,

hunter under saddle, Western pleasure and reining.

Team coach Mary Ann Boone of Knox City expressed appreciation on behalf of the team to the Arlan Kiniburgh family of Vera, who provided horses for practice judging.

Parents of team members are Mr. and Mrs. Kynn Patterson of Benjamin, Mr. and Mrs. John Rector, Mr. and Mrs. Shelton Boyd, and Mr. and Mrs. Joe Barnard of Knox City.

## Local's Brother Dies In Seymour

Jim Albert Hicks, age 71, died Saturday, April 28, 1990, in the Seymour nursing home.

Funeral services were at 10 a.m. Tuesday, May 1, at Calvary Baptist Church with the Rev. Daryl Smith, pastor, and the Rev. Leo McMahan, pastor of North East Baptist Church, officiating. Burial was in Goree Cemetery with military graveside rites conducted by VFW Post No. 7871. Seymour Memorial Funeral Home was in charge of arrangements.

Born February 17, 1919, in Goree, he was a lifetime resident of Knox and Baylor counties. He was a farmer and ginner and worked in the Farmer's Coop and the Red Spring Coop. He retired in 1981. He was a member of the First Baptist Church, an Army veteran of World War II, and a member of VFW Post No. 7871.

Survivors include his wife, Ada Jane; a daughter, Peggy Roberts of Vera; a son, Grady of Seymour; a stepdaughter, Patricia Betts of Santa Anna; two stepsons, Harold Walker and Eugene Walker, both of Houston; a brother, J.D. of Munday; 21 grandchildren; and 15 great-grandchildren.

#### LOCAL INVITATION TO BID ON EXTERIOR REPAINTING MUNDAY MAINTENANCE WAREHOUSE, SERVICE STATION & TRUCK PARKING, KNOX COUNTY

Sealed proposals for exterior repainting of the Munday maintenance warehouse, service station and truck parking located in Knox County will be received at the State Department of Highways and Pub-

#### NOTICE OF PETITION FOR WAIVER

Notice is hereby given that Brazos Electric Power Cooperative, Inc. ("Brazos Electric"), a wholesale generation and transmission electric utility, and the following Brazos Electric member retail distribution electric utilities ("Members"), Bartlett Electric Cooperative, Inc., Bellfalls Electric Cooperative, Inc., B-K Electric Cooperative, Inc., Comanche County Electric Cooperative Assn., Denton County Electric Cooperative, Inc., Dickens Electric Cooperative, Inc., Erath County Electric Cooperative Assn., Fort Belknap Electric Cooperative, Inc., Gate City Electric Cooperative, Inc., Hamilton County Electric Cooperative Assn., Hill County Electric Cooperative, Inc., J-A-C Electric Cooperative, Inc., Johnson County Electric Cooperative Assn., McLennan County Electric Cooperative, Inc., Mid-South Electric Cooperative Assn., Navarro County Electric Cooperative, Inc., Navasota Valley Electric Cooperative, Inc., Tri-County Electric Cooperative, Inc., and Wise Electric Cooperative, Inc., have filed a Petition for Waiver with the Public Utility Commission of Texas ("PUC"). In the petition, assigned Docket No. 9453, Brazos Electric requests waiver of the obligation to sell retail power to qualifying cogeneration and small power production facilities ("QFs") and the Members seek a waiver of their obligations to purchase power directly from QFs. These obligations are contained in PUC Substantive Rule 23.66(d)(1)(A) and 23.66(d)(2), as well as 18 C.F.R. 292.303(a) and (b).

The proposed waivers will not impair the ability of QFs to sell electric capacity and energy or to purchase electric capacity and energy. In the territory served by Brazos Electric and its above-listed Members (63 counties throughout Texas), Brazos Electric will assume the obligation for all purchases of QF generated electricity and the Members will assume all obligations for sales to QFs of capacity and energy. Only duplicate obligations which would otherwise be applicable to both Brazos Electric and its above-listed Members are proposed to be eliminated.

Reciprocal waivers of the type requested by Brazos Electric and its above-listed Members have recently been granted by the Federal Energy Regulatory Commission. The proposed waivers will not discourage cogeneration and small power production. Members' avoided cost can never be more than Brazos Electric's avoided cost because the Members purchase all of their wholesale power requirements from Brazos Electric.

The proposed waivers are subject to approval by the PUC. An Original Petition for Waiver specifying in detail each proposed waiver, the reasons waivers are being requested, and the effect of waiver is available at the general offices of Brazos Electric in Waco, Texas, and at an office of each of its above-listed Members.

Persons who wish to intervene or otherwise participate in these proceedings should notify the PUC as soon as possible. The deadline for intervention is June 18, 1990. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Consumer Affairs Division at (512) 458-0223 OR (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

lic Transportation District Office at 1700 Ave. F., NW, Childress, Texas 79201, until 10:00 a.m. on May 25, 1990.

A pre-bid conference will be held with Mr. Vance L. Castleberry, P.E., District Engineer, at the district office in Childress, Texas at 10:00 a.m., May 14, 1990. Persons interested in bidding on the above contract should attend the pre-bid conference.

The State Department of Highways and Public Transportation, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252) and the regulations of the U.S. Department of Transportation (15C.F.R., Part 8) issued pursuant to such act, hereby notifies all bidders that it will affirmatively insure that the contract entered into pursuant to this advertisement will be awarded to the lowest responsible bidder without discrimination on the ground of race, color, or national origin. 32-2tc

### Letter To The Editor

To Whom It May Concern:

In my quest for information on my father's paternal family, I have discovered that during the early 1900s there were some of the family in the Goree area.

I would like to find out as much as possible on J.M. Barnett, who died in 1945 or 1946; where he is buried and dates. There might have been a fire involved, he left some land to G.W. and Ellie E. Weber. I would like to find out if they were related.

Also my grandfather, Jessie Burton Barnett, married Naomi Matilda Townzen in 1907 in Knox County. They farmed in the Goree area until about 1913. There were two sons born in this area, James Voyd and Harvey Iven Barnett.

My main interest is in finding the relationship of J.M. Barnett and Jessie Burton, as J.M. named Jessie in his will as an heir. W.W. Coffman was named executor of this will. Is it possible he could still be alive?

If possible, could you put me in touch with someone in the area who does this type of research.

Thanking you in advance.

Truly yours,  
Barbara Barnett Suddeth  
2929 Bonham St.  
Paris, Texas 75460

\*\*\*

**Q:** Do you think it is right for Christians to participate in sporting events on Sunday morning, such as fishing or softball tournaments?

**A:** What do you expect me to say? Is it right for someone to skip the worship for anything other than emergencies or illness. No, it is not! Even when I was not a preacher I always did my best to attend worship services on Sunday. When traveling

out of the city, I checked the directory for the closest congregation to the motel and called concerning worship times. Physicians and other emergency personnel are not afforded this opportunity in many cases but those who are dedicated are at services when not needed.

The Bible does not say that attending worship is when you "get the urge" or when the weather is good or when I don't feel like fishing or going to "aunt Martha's."

"Forsake not the assembly" (Hebrews 10:25). The purpose of the assembly is not to "do our duty" but to encourage one another (Hebrews 10:25) and should be done out of love for the Lord. Your duty is to the other Christians to encourage them. By doing this you are encouraged.

The Apostle John was not in the "winning spirit" or "fun-loving spirit" on the Lord's Day. He was in the Holy Spirit on that day indicating that he was participating in the worship of God (Revelation 1:10). It is on each and every Sunday that we meet together to remember the suffering and victory of Jesus' death and resurrection through the Lord's Supper as given by divine example (Acts 20:7). By doing this we examine ourselves in a special way on a weekly basis (cf 1 Corinthians 11:28). This cannot be accomplished anywhere but in the participation of the communion of your Christian family. A truly dedicated Christian is one who attends the fellowship on a weekly basis. Half-hearted or hypocrites can be found at the lake, golf course, baseball diamond, etc. when their spiritual family is participating in worship.

It's not too much for the Lord to ask us to participate in this encouragement of his spiritual family especially considering what he gave up to give us the Lord's Supper. I challenge anyone who can show one scripture that proves otherwise. I'm concerned only about what God thinks in this matter (not man).

If you have a question for this column write Dr. Fitzgerald in care of Box 211, Munday, Texas 76371.

### Thank You

We wish to thank everyone for their prayers and continual concern for Josh while he was in the hospital. He is in remission now, but has a long way to go.

The family of  
Josh Seale
