

Everybody, at one time or another, has found himself/herself in the wrong place at the wrong time. Consequences have been fender-benders, having to act as peacemaker between two people who are madder than a junk yard dog and twice as mean, and - as in my case once - having to testify as a witness in a lawsuit.

Most of us try to avoid other people's conflicts, but some of us have a real knack for getting into them even in the privacy of our own homes. We've all been there - maybe women more than men - when the phone rings and our friend Jane is in a rage. "I just finished telling Mary a thing or two. I don't know who she thinks she is that she can talk to people just any old way! Well, I'll tell you right now, I've had it with her. Do you know what she had the nerve to say to me?" We listen as Jane explodes only to hang up and have the phone ring again. This time it's Mary. "Do you know what Jane had the nerve to say to me?" Thus, we find ourselves in the position of having to take sides or remain neutral. Of course, if we choose to remain neutral, we're likely to be accused of being 'two-faced' by both Mary and Jane.

I thought I held the all time world's record for being in the wrong place at the wrong time, but I don't. An incident involving some friends of ours in another city takes first place and proves that truth really is stranger - and more slap-stick - than fiction. For obvious reasons, the main one being losing a friend, names have been changed "to protect the innocent", but if there is a more classic case of being 'johnny-on-the-spot' at the wrong time, I'd like to hear it.

A lady we will call Martha had a daughter who married a man she believed to be her prince charming. He was handsome and witty and Martha's daughter expected to spend the rest of her life with him. After they were married, however, he began to have fits of jealous rage and became violently abusive over the slightest misunderstanding. Finally, the girl left him and went home to live with Martha.

The young husband was unwilling to accept the end of the marriage and kept calling Martha's daughter, pleading for another chance. Finally, the girl agreed to meet him in a park at the end of the street to "talk things over". When they met, he began to make all the promises he had made before, but when his ex-wife refused again to take him back, he flew into a rage. The girl became frightened and ran from him, back to her mother's house, with the young man shouting threats as he pursued her.

Martha's daughter ran into the house and locked the door behind her. As the young man began pounding on the door, demanding to be let in, Martha called the police. She explained that the man had been terrorizing them and was now trying to break into her house.

"He's banging on the front door right now," Martha told the officer who took the call. "We live alone and I'm sure if he gets into the house, he intends to harm us."

Martha's sister lived only a few blocks away and, knowing her brother-in-law could be there before the police could arrive, the next call Martha made was to her sister.

"Tell Jack to get over here as fast as he can," Martha cried. "Tom's trying to break into my house."

The term "laid-back" had to be invented by someone who knows Jack. Never has there been a more easy-going, congenial person. Of course he would help his sister-in-law - even though it meant leaving

TIGER CUBS, CUB SCOUTS and Webelo Scouts gathered at the Perry Patton Community Center in Munday on Monday night for the annual Pinewood Derby races. A large crowd of parents were on hand to watch the cars as they zoomed down the track to the finish line. Awards were presented to winners in each division in addition to Best of Show.

## Scouts Stage Annual Pinewood Derby Races

The Pinewood Derby is one of the most popular and successful special events in Cub Scouting. Monday evening, April 2, the Tiger Cubs, who are first graders, and Cub Scouts, second and third graders, showed off

their cars and raced to an exciting finish.

Pinewood derby cars are simply small models of specified dimensions, created, carved, and assembled by the boys, under the guidance of their

parents or other family members. The cars are gravity powered and run down a regulation track. The race can be run indoors or outdoors.

Listed in order of finish for the Tiger Cubs were Jeremy Lowe, Chad Tibbets, Alan Albus and Justin Key tying for third, Will Longan, Tony Tomlinson, and Brian Urbanczyk. Best of Show award went to Chad Tibbets. Parents serve as leaders.

Winning the races for the Cub Scouts, in order of finish, were Hardy

Coffman, B.J. Brown, Brent Selzer, Jarred Crowover, Eric Beaty, Jason Key, Nicolas Lara, and Michael Joselett. Best of Show went to Eric Beaty. Den leaders are Carla Key, Marilyn Coffman and Brenda Brown.

The Webelos, who are fourth and fifth graders, held a Space Derby. The space derby is similar to the pinewood derby except that the models are miniature "rockets" - propeller-driven and powered by three rubber bands - that travel along a heavy monofilament fishing line. The rockets are carved by the boys, with the guidance of their parents or other family members.

Winners in the order of finish were Kevin Tibbets, Deshaun Hamilton, and James Phillips. Kevin Tibbets won Best of Show. Their den leader is Mark Tibbets, who is also Cub Master.

## Meeting Scheduled To Set Uniform Cotton Planting Date

The annual uniform cotton planting date meeting and fish fry will be held at 7 p.m., Tuesday, April 10, at the Knights of Columbus Hall in Rhineland. Cotton producers will assemble to select the 1990 Knox County uniform cotton planting date.

Prior to voting on the date, 20 result demonstration cooperators will be recognized for assisting with the Texas Agricultural Extension Service in conducting result demonstrations.

Emory Boring, area entomologist will discuss the boll weevil outlook and the importance of the uniform cotton planting date.

Al Alexander, area agronomist of the Rolling Plains District, will discuss suggested ways for improving the quality of cotton.

The program is sponsored by the Knox County Crops Committee and the Knox County Boll Weevil Association.

Stanley White of Stephenville will cater the fish fry and will also provide entertainment following the meeting.

All Knox County cotton producers are urged and welcome to attend.

## Band Booster Bake Sale Set

The Munday band boosters will have an Easter bake sale Thursday, April 12 at M-System.

Homebaked cakes, cookies, brownies, and other delicious desserts can be purchased beginning at 8 a.m.

## One-Act Play Advances To Area Contest

Munday's one-act play, "Where the Lilies Bloom" earned the right to advance to the area contest following competition at the district level last Thursday night in Aspermont.

Also advancing was Rule's entry, "Blithe Spirit".

The area contest will be held at 1 p.m. Saturday, April 7 in the Vernon Regional Junior College Fine Arts auditorium on the VRJC campus.

Entries and the order of performance include Grafrod, "The Woodshed"; Munday, "Where the Lilies Bloom"; Harrold, "And They Dance Real Slow in Jackson"; Rule, "Blithe Spirit"; and Crowell, "Plaza Suite".

Kacy Longan and Chris Burnett were named to the district all-star cast and Tony Hunter, Shawna Simpson, and Ronnie Whitefield were awarded honorable mention all-star cast honors.

Dixie Reid will be standing in for Alicia Cook in the part of Mrs. Connell on Saturday. Tony Hunter is now cast in the role of Romey Luther, the part originally held by Marc Andrade. Marc recently underwent knee surgery and is unable to continue in that role.

## Incumbents Gain Opposition In Goree Election

Leroy Russell and Billy Dolan Moore, incumbents in the Goree School Board election, have filed for re-election to their places on the board. They are being opposed by Mary Jane Nava and Ignacio S. Matoes.

The Goree ISD trustee election will be held Saturday, May 5.

Phyllis Dunn of Moore, Oklahoma visited her mother, Mrs. Frankie Ponder, and her brother, Charles and Gay Yost, over the weekend.

THIS SHINY RED FIRE TRUCK, recently acquired by the Goree Volunteer Fire Department, has been put to the test during the month of March. Volunteers answered two fire calls during the month, both of which were house fires. Members of the volunteer department standing with the truck are Johnny Ivie, Joe Greenwood, James Peck and Jimmy Harlan.

## Arson Blamed For Goree House Fire

Arson has been determined as the cause of the March 10 blaze at a residence in Goree, according to officials of the Lubbock Fire Marshall's office.

The fire, which destroyed the southwest room of the house owned by Wayne Birkenfeld of Seymour, was apparently started with kerosene, the report indicated.

Volunteers of the Goree Fire Department answered the call at approximately 3:46 a.m. Saturday, March 10. The men were able to contain the fire to the one room, however the remainder of the home, which was vacant at the time, was heavily damaged by smoke and water. An exact dollar figure as to the amount of damage done has not yet been determined.

The Goree Fire Department responded to another fire call at approximately 10:15 p.m. Thursday, March 29 at the Redding residence, following what was thought to be an explosion inside the dwelling. No one was home at the time.

Officials of the Fire Marshall's office are again in Goree investigating the most recent blaze, although

Goree Fire Department volunteers do not feel the two incidents are related.

The City of Goree is offering a reward of \$250 to anyone who furnishes information leading to the arrest and conviction of any person or persons found guilty of arson committed within the corporate limits of the City of Goree.

the comfort of his couch and the Cubs at home in the seventh inning.

As Jack approached Martha's house, Tom saw him and recognized him. Being the kind of man who hits women and runs from other men, Tom promptly dashed off the porch, around the house and disappeared among the neighbors' houses.

Jack walked up onto the porch of Martha's house to let her know Tom had gone, but just as he started to knock, the police arrived. Two officers jumped from the patrol car, leveled a gun on Jack and demanded he lie down on the porch. In spite of his protests, Jack's arms were pinned behind him, his wrists were handcuffed, and he was led out to the patrol car. One of the officers knocked on Martha's door and identified himself. Martha came out of the bathroom where she and her daughter had barricaded themselves and answered the policeman's knock.

"We have the man in custody, Mam," he explained to Martha and as she looked toward the police car, there sat Jack waiting for her to identify him and probably promising himself to never ever help anybody again.

Of course, most cases of being caught in the middle of something that is not of our own doing are not so severe as Jack's case, but we try our best to avoid them, anyway. We could, I suppose, say "That doesn't concern me" and refuse to listen or to help. We hear of people being abducted right before the very eyes of bystanders who don't want to get involved. But most of us try to help when we can, or listen sympathetically to someone else's problems. We call it compassion - empathy, even though sometimes it's mistaken for pure old nosiness by the very people we're trying to help.

The old saying, "Fools rush in where angels fear to tread" sums it up pretty adequately, I guess. It's just a matter of being available when we'd be better off not being available.

It happens to the best of us.

**Private Applicators Training To Be Held**

Donnie Peters, Knox County Extension Agent would like to remind ag producers of the private applicators training to be held Thursday, April 12, at the Knights of Columbus Hall in Rhineland. The session begins at 6 p.m.

The training is intended for producers with employees who apply pesticides around the farm.

A representative of the Texas Department of Agriculture will administer tests and collect licensing fees following the training.

Refreshments will be provided by Tri-State Chemical Company of Knox City.

**Social Security - It's For Life**

The Social Security Administration hopes to clear up some of the misconceptions about the program with a new nationwide, multimedia public information campaign, says Frances Braden, resident representative of the Vernon Social Security office.

The campaign is designed to inform the public that social security is more than a retirement program. It also encourages people to take advantage of social security's new "Personal Earnings and Benefits Estimate Statement" service.

People fail to realize social security pays benefits to disabled people and to the families of deceased workers. They think social security is something just for older people. But social security protects working men and women of all ages. That's why the campaign is using the theme, "Social Security. It's not just for retirement. It's for life."

Thanks to the new Personal Earnings and Benefit Estimate Statement, today's workers can project what their retirement, disability, and survivors benefits might be. This information can help them plan financially for them and their family's futures.

Social security was never intended to be the sole source of income. It should be supplemented with pensions, savings, and other investments. By telling people what they can expect from social security, it is hoped they'll be in a better position to secure their financial future.

The campaign is being conducted in cooperation with The Advertising Council, a private, nonprofit organization which has been responsible for many familiar public service campaigns.

People can get the request form for a Personal Earnings and Benefit Estimate Statement by writing to the Consumer Information Center, Department 55, Pueblo, Colorado 81009. Or call social security at 1-800-234-5554. The best times to call are Wednesday through Friday between 7-9 a.m. and 4-7 p.m.

**KNOX COUNTY KONNECTIONS**

By Jane Rowan  
County Extension Agent

April 1-7 is nationally observed as The Week of the Young Child. It is an annual celebration to focus public attention on the needs of young children and their families.

In observance of this special week, the following story is being included for parents who have, or are preparing for young children: Remember the peddler in the story "Caps for Sale" whose caps are stolen by mischievous monkeys? When he wakes, the monkeys have climbed a tree, refusing to return the caps. The angry peddler shakes his fingers at the monkeys but they only shake theirs back. He stamps his feet and they stamp theirs. In disgust, the peddler throws his only cap down into the dirt. To his surprise the monkeys throw down their caps too!

Disciplining your child can be more successful by remembering that they, like the monkeys, learn by imitating our behavior. Although, sometimes it is hard to resist yelling at or spanking our children, the national Association for the Education of Young Children says that the next time you should stop and ask yourself: What do I want to accomplish? The answer: self-control.

Help your child feel secure by setting a good example. Selfishness is

common in toddlers. And forced sharing only promotes more selfish behavior: A child who has things taken from him learns to take from others and mistrusts his world. Be generous.

Building self-control in your child also involves teaching confidence. Allowing your child to choose between two good options, such as a pear or banana for a snack, instills pride.

Remember, your goal is not just to stop bad behavior, but to teach the value of rules and self-worth. Isn't your child worth the extra time, love and patience it takes?

---

Don't forget to mark your calendar and attend one of the Microwave Cooking School/Appliance Fairs. They are scheduled for Tuesday, April 10, 5:15 p.m. at the Knox City Methodist Church or Tuesday, April 24, 5:15 p.m. at the Munday Community Center. **Black Bass:** Fair to 5 1/2 pounds over weekend. Hitting in main lake. Very few hitting in creeks. Taking Rat L Traps and other chrome rattlers. Some being caught on small spinners, spinner-jig combinations and live minnows.

**Sand Bass:** Fairly good. Returning to original spawn run prior to cold snap. Hitting on jigs and minnows at night on new dock near dam.

**Hybrid Bass:** Good. Hitting trolling lures near dam. "Texas trailer" combinations with deep-running Bomber lures and bass jigs are reported as effective. Hybrids continue to hit live bait, goldfish, large minnows and small perch at 12-15 feet deep.

**Crappie:** Fair in main lake near new dock. Hitting 12-18 feet on minnows and jig-minnow combination. Poor in creeks due to lack of oxygen and bait fish.

**Catfish:** Good. Hitting in deep water of main lake and near water intake. Taking Tan Bait, blood and night crawlers. Traditional baits like standard dough bait, cheese, cheese punch, liver, sardine-mush are not productive right now in Miller Creek for some reason.

**Carp & Buffalo:** Excellent in main lake. Fair in creeks. Hitting Tan Bait, worms and minnows.

**MUNDAY LAKE**  
The little city lake is producing crappie to 3/4 lbs., black bass to 7 lbs. and catfish to 5 lbs. Best near dam in boat or waders. Crappie and catfish at 8 feet. Bass hitting spinners and some plastic worms. Lake is southwest of golf course.

**FISHING TIP**  
Q: I've built a new stock tank (pond) and want to stock it with game fish. There are so many self-proclaimed experts who are giving me conflicting information. What do you suggest I do?

A: I'm no expert when it comes to

what and how many fish to put in a new pond. If it were my property, I'd call the Texas Parks and Wildlife, toll-free 800-792-1112 and ask for information on stocking tanks. The TPW has scientific research which indicates the amount of fish per cubic foot of water and the percentage of species. I would never stock a pond with only one species in this part of the country.

Based upon the percentages and numbers provided by the state, I would stock big mouth bass, channel catfish, hybrid perch and crappie. You might want to try some small mouth and spotted bass for variety.

### NOTICE OF TARIFF CHANGE TO CENTRANET® SERVICE

GTE Southwest Incorporated gives notice of its proposed tariff changes to CentraNet® service, which is a Central Office-based service that provides PBX-type features to multi-line business customers and is currently being offered in all company wire centers where such facilities exist to provide the service.

The Public Utility Commission of Texas approved a generic tariff for CentraNet® service up to 100 lines in Docket No. 7652. The proposed tariff revision would establish specific rates for CentraNet® service involving 101 to 400 lines. Other proposed revisions involve the rate applicable to changes, additions, or deletions to the data bases and a new rate is proposed for additional trunks.

The names of the three CentraNet® packages have changed from Standard, Premium, and Deluxe to CentraNet® 1000, CentraNet® 2000, and CentraNet® 3000, respectively. Direct Call Pickup has been added to the three CentraNet® packages while Multiple Call Park and Shared Speed Call 30 have been added to CentraNet® 2000, and Speed Call 30 and Call Forward Busy/No Answer Split have been added to CentraNet® 3000. Flexible Night Answer and Automatic Route Selection also have been added as new optional features.

The proposed changes and new service offerings have been assigned Docket No. 9251, and pursuant to Section 43(d) of the Public Utility Regulatory Act will become effective June 23, 1990. Rates for service will be applicable to customers who subscribe to the service as well as existing customers. Therefore, there will be no effect on any other rates of the company. The company's gross annual revenues will increase by approximately \$399,600, or less than one percent annually.

The proposed rates are on file with the Public Utility Commission of Texas, and are available for public inspection at the offices of GTE Southwest Incorporated. Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission. The deadline to intervene in this docket is 3:00 p.m., April 9, 1990.

A request to intervene, participate, or for further information, should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas, 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227 or (512) 458-0221 teletypewriter for the deaf.

## Knox County Judge Installed As President Of West Texas Judges' And Commissioners' Association

*At Convention Where Gubernatorial Candidates Speak*

Knox County Judge David Neil Perdue shared the spotlight with some big political names as he was installed as the president of the West Texas Judges' and Commissioners' Association held this past weekend at the Embassy Suites Hotel in Abilene. Over 600 members and guests attended the 61st Annual Convention where they also had the opportunity to listen to Ann Richards, Democratic candidate for Governor, and Clayton Williams, Republican candidate for Governor.

Both Richards and Williams gave a rousing talk to those present in the cinema of the UA Theaters at the Mall of Abilene Friday morning. The convention turnout was so large, the forum had to be moved from the Embassy Suites across the street to the Mall Cinemas. Judge Perdue served as the Master of Ceremonies for the event and introduced both speakers. After a kiss from Richards, and a handshake from Williams, it was apparent that both candidates for the office of Governor of Texas were anxious to solicit the endorsement of not only Judge Perdue, but the majority of the county judges and commis-

sioners in the room. Those present represented a majority of county level government in West Texas. Neither candidate directly addressed the other in their remarks and the two did not meet face to face during the event. Ann Richards spoke to the group first and was gone by the time Clayton Williams arrived.

Other items on the agenda for the convention included seminars that were designed to enhance the knowledge of those officials attending. Both County Judges and County Commissioners are required by Texas law to undergo a required number of hours per year of update instruction. By gathering for a convention, the members of the association were able to enjoy both business and pleasure related events.

A steak dinner held Friday evening highlighted the event and served as the official ceremony to induct new officers. Those installed to lead the organization through 1990-1991 were Judge Perdue as president, Crosby County Commissioner R.W. Self as first vice president and Winkler County Judge Frances Clark as second vice president.

Directors of the association for the next year are Billy D. Carter of Cochran County, Polly Simpson of Castro County, Neal Sconters of Pecos County and Jay Johnson of Swisher County.

In remarks to the group, Ann Richards passed on a message to Texas Legislators that her policy as Governor would be "Don't pass the bill if you can't fill the till." Both she and Williams stressed that lawmakers in Austin have to stop passing bills that end up being burdens on County Commissioners Courts. Instead of passing bills that have to be funded at the county level, lawmakers need to come up with the funding at the state level to go along with the bills they enact. Both Richards and Williams stated that they would veto such bills in the future. Williams went on to say that he expected a tough race, but as Governor he would reduce the level of state spending by doing away with the large airplane fleet currently utilized by state officials, reducing the automobile fleet now in service and by eliminating the print shops currently owned by the state and to have that work bid out to the private sector.

## At Your Service

by Dr. Larry Fitzgerald  
Minister, Munday Church of Christ

**Q:** Why do so many people not believe in the resurrection of Jesus? How can they get faith except to see miracles like healings and speaking in tongues?

**A:** I've never understood how one could profess faith in God and not believe his book (the Bible). Paul's entire argument about future life rests upon the fact, not the myth, of the resurrection (read 1 Corinthians 15).

You really ask two questions. You tie belief in the resurrection as having the effect of producing faith. However, it is through faith that we believe in the miracles of the Bible. This is why Jesus told Thomas: "Blessed are those who have not seen and yet believe (in Christ's resurrection) (John 20:29).

I have always been struck by the fact that in the Bible, miracles had nothing to do with producing faith.

Psalms 78 demonstrates this fact well. The prophet Asaph pointed out the great wonders God had performed among the Israelites who followed Moses. He created the supernatural plagues (marvels of verse 12); God divided the Red Sea (verse 13); He led the people with a cloud by day and fire by night (verse 14); God created water from rock for the people to drink (verses 15-16); He rained supernatural food upon the people (verses 23-29); God slew the worst of the rebellious people (verses 30-31). Yet, in spite of all these wonders, the witnesses still sinned and rebelled against the Lord (verses 17, 32, 36-37, 40-43, 56-58).

Another example of the inability of miracles to produce faith is found in Matthew 28:11-15. The chief priests had set the temple guard over the tomb of Jesus (Mt. 27:65). When these Jewish guards saw the miracle of the empty grave, some of them reported back to their leaders (priests). The priests then bribed the guards to lie about the miracle. If miracles produced faith why did these "God-believers" not develop faith?

Miracles were for the spiritually immature church ("maturity" is the meaning of the term "perfect"). Love, hope and faith are for the spiritually mature (1 Corinthians 13:8-11). The purpose of the charismatic gifts was to confirm the word of God through the prophets and apostles (Mark 16:15-18). These miracles confirmed that Peter and the other apostles were preaching from God (Acts 2:41).

Faith doesn't come from miracles. It comes from the preaching of Christ. "Faith comes from hearing and hearing from the preaching of Christ" (Romans 10:17). That is why the scriptures teach that the word of God saves you (John 6:45; James 1:21; Ephesians 1:13; 1 Peter 1:21-23). Paul reminded the Corinthians: "We

preached and so you believed" (1 Corinthians 15:11).

Jesus told us the inadequacy of miracles producing faith in the story of the rich man and Lazarus. The rich man wanted Lazarus to be resurrected from the grave so he could warn his rich brothers. Abraham said no. His message was "they have Moses and the Prophets (the Old Testament scriptures) if they do not believe the scriptures they will not believe in God even if someone resurrected from the grave" (Luke 16:19-31).

## PUBLIC NOTICE

To the Citizens of Knox County:

Due to the new EPA regulations for maintaining a sanitary landfill, the City of Knox City has found it necessary to implement some changes in the operations of our sanitary landfill.

These changes, which are effective immediately, are listed below:

The landfill will be open Monday through Saturday from 9 a.m. to 6 p.m. and will be closed on Sunday.

An attendant will be on duty during open hours. Check with the attendant when entering. He will tell you where to dump and you must abide by his directions.

There will be a **FEE CHARGED FOR DUMPING: \$10 per pickup load, \$15 per trailer load, \$25 per 2-ton truck load.**

There will be no dumping outside of the dump area.

The landfill will be posted as: Private Property, No Trespassing and No Burning.

Violators will be prosecuted to the fullest extent of the law.

No scavengers will be allowed.

Persons residing in Benjamin and Knox City, who are currently being provided with City services of water and garbage, will be permitted to dump free, if you have the current month's paid water/garbage receipt.

Payments should be made at either the City Hall in Knox City or the City Hall in Benjamin. For those unable to go by City Hall during the open hours, payment will be accepted by the attendant at the landfill.

We appreciate your cooperation in this matter.

Any questions, comments, or complaints should be directed to the City Hall in Knox City.

Sincerely,  
Lynward Wilcox, City Administrator

On April 10, Precinct 4 voters will go to the polls to cast their ballots for County Commissioner. I ask that each voter consider carefully the qualifications needed in the man who will fill this position.

There are three issues that I feel make me more qualified than my opponent. First, I believe my experience in working as a tractor mechanic for the past twelve years will benefit the county. I will be able to identify problems with the equipment before they can become major ones and keep all the machinery in good operating order with no expense to the county.

Secondly, I have been able to successfully manage my own business without assistance from other parties. I have never been handed anything, but have had to work for every dollar I've ever had. I feel that this has made me more apt at managing taxpayers' dollars. I know the value of money and how to use it wisely.

Finally, I ask the voters to look at my record. I have never filed bankruptcy nor lost anything due to mismanagement of finances. I know that my ability to manage my own business will enable me to manage the financial interests of Precinct 4.

If I am elected, I know that I can successfully work with the present county employees to keep county roads in the best possible condition.

I ask you to support me on April 10 and give me a chance to serve the people of Munday and Goree in Precinct 4.

Nutritionists Say

# Americans Don't Follow Basic Nutrition Guidelines

A survey indicates Americans are not eating enough foods considered beneficial in preventing cancer, and Dr. Mary Kinney Sweeten, Texas A&M nutritionist, says it's an indication people aren't following basic nutrition guidelines.

The survey showed that on a given day, 40 percent of adults did not eat a fruit and 20 percent did not eat a vegetable. Eighty percent of those surveyed did not eat any high-fiber cereals or whole-grain breads.

Researchers looked at 24-hour dietary recall data collected between 1976 and 1980 during the second National Health and Nutrition Examination Survey conducted by the National Center for Health Statistics. They survey covered data from 11,658 people.

Blossom Patterson, lead investigator of the study, said that the date should still largely reflect current eating patterns, particularly fruits and vegetables, based on U.S. Department of Agricultural Continuing Survey data that showed minimal changes in the consumption of these foods between 1977 and 1986.

Although 24-hour recall data are not necessarily representative of an individual's usual daily intake, Patterson said, it does give a picture of group intake on any given day.

Women followed what's considered a better cancer prevention diet than men, and people over 55 had better diets than younger adults. But all the groups needed much improvement in consumption of fruits, vegetables, and whole grains.

Eating more of these foods would increase the fiber in American diets and reduce the amount of fat.

"Fruits and vegetables thought to be of special importance to cancer risk reduction are those rich in vitamins A and C," Patterson explained in a survey report. "But about three-quarters of the study population failed to include a vitamin A or vitamin C rich fruit or vegetable in the day's diet."

Good sources of vitamins A and C are dark green leafy vegetables, citrus fruits, and deep yellow-orange fruits and vegetables.

On the day of the survey, less than 10 percent of the population ate a vegetable from the cruciferous family such as cabbage, greens, broccoli, cauliflower, turnips and brussels sprouts, Sweeten said. These vegetables are high in nutrients, low in

calories, and are believed to reduce cancer risk.

Because the survey was based on data collected between 1976 and 1980, there is a possibility that Americans are now eating more of these foods, Sweeten said. More restaurants are offering salad and fruit bars, for example, although their health benefits could be offset by heavy toppings of salad dressings and cheeses. Certainly a wealth of information on proper diet is available to encourage Americans to eat right.

"Overall, you should eat a variety of foods and reduce salt, fat and cholesterol in your diet," Sweeten said. "Also, increase the amount of fruits, vegetables, legumes and whole-grain cereals in your daily meals."

## Lifeguard Training Scheduled At VRJC

The new Red Cross "Lifeguard Training" course will be offered at Vernon Regional Junior College during the spring '90 semester by the Division of Continuing Education.

Persons are eligible who have passed their 15th birthday and are able to pass several swimming prerequisites. Students must have completed the written examination and skills test, first aid course and CPR before a lifeguarding certificate will be issued.

The course will meet Monday through Friday, beginning April 30 and ending May 11 for a total of 30 hours and will be held in the King Center Natatorium on the VRJC campus. Registration fee will be \$20 plus books.

For further information contact the VRJC Continuing Education office at 552-6291. Pre-registration is necessary.

## BBQ Lunch Scheduled For Saturday, April 7

The West Beulah Baptist Church will host a BBQ lunch this Saturday, April 7, at the church, located at 501 East D in Munday.

The menu consists of BBQ ribs, potato salad, beans, ice tea and dessert. For price, see the ad in this week's Courier.

The public is invited to eat there, or call in your order at 422-5147 or 422-4469.

# Runoff Election Is Tuesday, April 10

Knox County voters are encouraged to go to the polls Tuesday, April 10, to vote in the Democratic and Republican party primary runoff elections. Of special interest to residents in Precinct 4 is the runoff between Mark Haskin and Johnny Birkensfeld for the office of commissioner in that precinct.

Other races on the Democratic ballot include Jim Mattox and Ann W. Richards for Governor; Tom Bowden and Nikki Van Hightower for State Treasurer; Bob Gammage and Ross Sears for Supreme Court Justice Place 2; Frank Maloney and Morris L. Overstreet for Court of Criminal Appeals Judge, Place 1.

To be decided in the Republican runoff are the GOP candidates for

Commissioner of the General Land Office, Wes Gilbreath and Grady Yarbrough and Commissioner of Agriculture, Rick Perry and Richard McIver.

Voting places are the same as in the primary election and the polls will be open from 7 a.m. to 7 p.m.

## Haskell Horse Club To Hold Meeting At Bank

The Haskell Horse Club will hold their annual membership meeting this Sunday, April 8, at 2 p.m. in the meeting room of the First National Bank.

Awards will be presented to the 1989 Playday winners and new directors will be elected.

Everyone interested in horse activities is invited to attend.

## Haskell Church To Host Rally Sunday

The Haskell-Knox Baptist Association, which consists of 17 Southern Baptist churches and missions in Haskell and Knox counties, will gather together at 7 p.m. Sunday, April 8, at the First Baptist Church in Haskell for a Here's Hope and Final Four Rally.

Emphasis is on Sunday School and evangelism. Dr. Bernie Spooner, director of the Sunday School division of the Baptist General Convention of Texas, will speak on Sunday School enrollment. Dr. Jack Riddlehoover, pastor of Pioneer Drive Baptist Church of Abilene, will speak on evangelism.

The rally will kick off a revival emphasis in Haskell-Knox Baptist Association known as Here's Hope - Jesus Cares for You.

## Richie Smith Heads Seminar In Florida

Mr. and Mrs. Richie Smith returned recently from a week's stay in Florida where Richie was invited to present a seminar to the owners, officers and directors of a casket company, an insurance company and funeral directors and embalmers from across the state.

The week-long seminar was held at the newly opened Walt Disney World Swan Resort in Orlando, Florida and was hosted by Affiliated Funeral Supply and the Funeral Directors Life Insurance Company.

While there Richie and Mary enjoyed touring Epcot Center, Walt Disney World, MGM Theatre and other sights of interest in the area.

## State Bar College Honors Judge Hajek

Judge David Hajek of Seymour was one of 1,471 attorneys recognized as certified members of the College of the State Bar of Texas in ceremonies held recently in Austin.

The College was created by the Supreme Court of Texas as a means of recognizing members of the State Bar who voluntarily further their legal education. To qualify for membership, attorneys must complete 80 hours of continuing legal education within a consecutive three-year period. An attorney must then complete 30 hours of study each year to maintain membership. Currently, there are 4,600 members.

# Cancer Society To Launch Food Fight Against Cancer

Armed with nutritional guidelines to reduce the risk of cancer, thousands of Texas volunteers will launch the American Cancer Society's Great American Food Fight Against Cancer this spring.

Modeled after the American Cancer Society's Great American Smoke-out, the Food Fight Against Cancer will involve light-hearted messages and special events designed to increase public awareness of the role nutrition can play in cancer risk reduction.

Texas American Cancer Society volunteers will promote awareness campaigns and special events in communities statewide. Supermarket tours, cooking demonstrations, and student essay contests are among the activities planned.

"It's important for Texans to know that eating certain foods and avoiding certain other foods may help lower their chances for developing certain forms of cancer," explained Jane G. Brust, chairman of the Texas task force responsible for coordinating activities for the Great American Food Fight Against Cancer.

"The campaign is designed to educate people of all ages so that everyone understands which foods are recommended as high-fiber foods and which foods should be eaten

sparingly because they are high in fat," Brust said. "Scientific studies support these nutritional guidelines, and volunteers will be working with their local supermarkets and other organizations to get the word out this spring."

Volunteers leading the Food Fight Against Cancer recommend that consumers consider their refrigerators to be arsenals. Their advice is to stock up on the following rations:

- \* Strawberries, peaches, carrots, spinach and other vitamin A-rich foods.

- \* Oranges, tomatoes, grapefruit, peppers and other foods high in vitamin C

- \* Cruciferous vegetables such as broccoli, cauliflower, cabbage

- \* Chicken, fish and lean meats

- \* High-fiber fruits, vegetables and grains

- \* Low-fat dairy products such as skim milk and low-fat cheese and yogurt.

Persons interested in more information about local Food Fight Against Cancer activities should call their local American Cancer Society office or representative. For more information about nutritional guidelines to reduce your risk of cancer, call 1-800-ACS-2345.

### The Strength Of Love

Love is the ingredient that makes every relationship in life, whatever it is, a little better.

Love has a capacity to mend the broken, heal the hurting and inspire the despairing.

Love that reaches beyond the misunderstandings and the failures is a love that unites and encourages. Such a love is one of our world's greatest needs.

## Gloria West Attends Seminar

Knox County Clerk Gloria West was among 500 county and district clerks and their staff members to take part in the 18th Annual County and District Clerks Seminar held March 19-21 in College Station.

The seminar, "Back to the Basics," was designed to cover the major duties and responsibilities of both district and county clerks.

Highlights of the seminar included discussions on civil procedures, criminal misdemeanor procedures, criminal felony procedures, and family law procedures.

Speakers from the areas of civil procedures, both criminal misdemeanor and criminal felony procedures, probate matters and family law procedures presented latest information as it relates to work of county and district clerk.

Clerks who attended all seminar sessions covering work responsibilities were awarded 11 hours toward the 20 hours of continuing education credit they are required to earn every two years. The education credits were managed by the Continuing Education Office of Texas A&M University.

The seminar was planned and conducted by the Texas Agricultural Extension Service's V.G. Young Institute of County Government in cooperation with the County and District Clerks' Association of Texas.

## Arbor Foundation Offers Free Trees

Ten free shade trees will be given to each person who joins the National Arbor Day Founding during April, 1990.

The free trees are part of the non-profit Foundation's Trees for America campaign.

The ten shade trees are Red Oak, Weeping Willow, Sugar Maple, Green Ash, Thornless Honeylocust, Pin Oak, River Birch, Tuliptree, Silver Maple, and Red Maple.

The trees will be shipped postpaid at the right time for planting in April or May with enclosed planting instructions. The six to twelve inch trees are guaranteed to grow or they will be replaced free of charge.

To become a member of the Foundation and to receive the free trees, send a \$10 membership contribution to Shade Trees, National Arbor Day Foundation, 100 Arbor Avenue, Nebraska City, NE 68410, by April 30, 1990.

## BENJAMIN NEWS

By Mrs. Gladene Green

Collins Moorhouse underwent surgery last week in a Wichita Falls hospital. He is doing fine but will have to take it pretty slow for several days to come.

Dennis Duke also was a surgical patient Thursday in a Wichita Falls hospital. He too is doing well and is home, up and about.

Rex Patterson told me his mom, Dora Patterson, fell yesterday (Sunday) and broke her hip. She has not undergone surgery as yet for repair but apparently was resting Sunday when Rex talked to other family members.

We wish all these folks well as they recuperate.

### CANCER DRIVE SLATED

Within the next few weeks, volunteers of the American Cancer Society will be going door to door during the cancer drive. Since 1/2 of this money stays here in the county, it is very important that we donate generously when called upon. So remember this and help this much needed cause. Cancer is no respecter of persons. One never knows when it will strike in any family. And the cost of treatment is devastating. Maybe in our small way, we can help in finding a cure for the dreaded killer.

### CLEAN-UP DAY POSTPONED

Recently I put in this column that the regular spring clean-up day would be April 7. THAT DATE HAS BEEN CANCELED as lots of folks are going to be out of town for various reasons. So if you planned to join in on the city-wide clean-up, just listen and watch this news column for the re-scheduled date.

And congratulations to Karen Logan and her one-act play cast of Munday who have advanced to the regional contest in Vernon. And also to the Knox City cast who were very good in competition. As I said before, I would have hated to have been a judge.

weather was damp and rainy, several Benjaminites loaded up and headed to Sagerton to attend the 20th presentation of Hee Haw. Indeed a good show and lots of talent comes out of that small community. We got there and had supper before the show at the school which was a treat for everyone. Those attending were Bill and Pearl Ryder, Odessa Cox, James and Jimmie Klutts, W.T. and Jo Etta Cartwright, Don and Louise Hertel, Ruth Ressel, Nora Duke, Pat Benson, Earlene Meinzer, Togo and Lucille Moorhouse, Virginia Griffith and Gladene Green. Mary Hertel from Munday also went with this group.

### HERE AND THERE

Togo and Lucille Moorhouse and Tom and Becky Moorhouse were in Ft. Worth last week to attend the Texas and Southwestern Cattle Raisers' Association meeting at the convention center. Tom was appointed as a director in the organization at this meeting. On Saturday, Togo and Lucille attended the funeral of Weldon Floyd in Munday.

Terry, DeeAnn and Chase Cartwright of Lakewood, Colorado, spent several days here last week visiting his parents, W.T. and Jo Etta Cartwright and his brother and family, the Tracy Cartwrights.

Rusty Spikes of Amarillo has been here several days visiting his parents, Bill and Dorothy Spikes. Rusty is recovering from a broken back but is feeling fine and is ready to go back to work, but the doctors won't let him,

yet.

Visiting Bertha Speck during spring break were Danny, Sherry, and Shawn Speck of Aledo.

Weekend guests of Joe and Julia Trepanier and family were Carl and Gary Engbrock of Abilene and Kathy Zapata of Wichita Falls.

Bobby and Philomae Roberson, Judy Conner and Bobby Trainham attended the funeral of their aunt,

Ruby Trainham, in Holliday Monday morning.

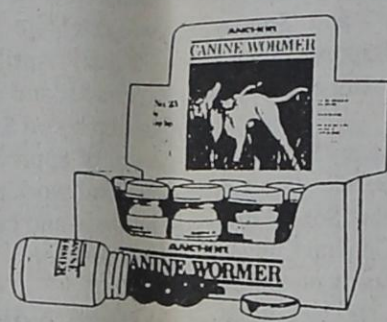

Corrine Parrish spent several days last week visiting relatives here and with her mom, Lona Feemster, in the Knox City Care Home. On Sunday April 1, Lona was honored by her children in observance of her 94th birthday. Bobby Frank and Wendy Feemster of Brownwood also visited his mom Sunday.

# WEINERT NEWS

By Mrs. Myrtle Phemister

We are enjoying beautiful spring weather here in Weinert. We are WET, we have had no storms (yet), and we feel so fortunate that the late freeze did little damage.

Our sympathy to Knox City because of the devastating hail storm they had last week, but thankful no one was injured in the storm.

Our birthday people this week include Arthur Garza, Sarah Guess, Mondy Mayfield, Robert Horan, J.T. Alexander, Juanita Grimes and Stanley Hager. Happy Birthday all!

Mr. and Mrs. James Hudgens and Mr. and Mrs. Rex Herricks are announcing the engagement and approaching marriage of their father, Roy Herricks, to Mrs. Billie Sparks of Marble Falls.

Wedding vows will be exchanged on Saturday, April 7, at 2:30 p.m. in the Weinert Foursquare Church with Paul Chambers, pastor, officiating. Friends and relatives will be in attendance, and a reception will be hosted by the couple's children and grandchildren immediately following the ceremony.

Little Miss Whitney Noel Wood, infant daughter of Bob and Melanie Wood, was dedicated to the Lord in a beautiful ceremony on Sunday, April 1, following the morning worship services at the Foursquare Gospel Church.

Paul Chambers was in charge of the dedication ceremony in which her parents, her brothers, Zach and Cory Wood, her grandparents, Melvin and Wanda Vojkufka, and great-grandmother, Rene Vojkufka, were given in charge to keep.

After the service, Whitney was honored with a gift shower.

Guest speakers at the Four Square Church on Sunday were Blaine and Debbie Herron, from the Life West Bible College in Los Angeles, California.

The congregation enjoyed a fellowship luncheon at the noon hour.

Many in town enjoyed lunch together at Ann's Cafe on Sunday.

Among the group were Bud and LaVera Hummel of Sterling, Illinois, who have been guests of her sister, Laverne and J.A. Mayfield for several days. They returned to their home on Tuesday of this week.

While they were in town they enjoyed a family reunion hosted at Michels Corner Inn in Munday on Thursday, March 29, with all of LaVera's living brothers and sisters gathered at one table.

In attendance were Mabel Derr, Otie Bell Mayfield, Mr. and Mrs. Rebus Guess, Mr. and Mrs. Bob Guess, Mr. and Mrs. H.L. Guess, Mr. and Mrs. J.A. Mayfield and the hon-

orees, Bud and LaVera Hummel. A niece, Mr. and Mrs. Bobby Therwhanger, were also present.

Ed and Mary Murphy, with Lane, were in Crane on Saturday and Sunday for a family reunion, and were in attendance at a 50th wedding anniversary for Ed's aunt, Don and Virginia Chaney, of Crane.

Mr. and Mrs. Julian Estrada, with Angie Castello, attended the 7th annual Catechetical Conference for Sunday school teachers of the Catholic Church held at the Christ is King Cathedral in Lubbock this past weekend.

Mr. and Mrs. David Sikes, Nathan and Andrew, spent some time with relatives in Oklahoma during their spring break.

Mr. and Mrs. Harlan Weinert visited his sister, Nadine Denton and family in Ft. Worth the past weekend and they all attended the renowned Flea Market of Canton on Saturday, which they report was very disappointing to them.

Buck and Helen Turnbow spent several days in San Angelo and Stanton visiting relatives. Helen's sister and brother in San Angelo and their daughter, Janene Perry and family in Stanton.

Weldon and Nova Walling were in Hawley for a visit with their daughter, Sandra and Bill Vannoy, Billy, Aaron and Amy, and to help celebrate Amy's birthday. Happy Birthday, Amy.

Congratulations are in order for Dianne Carroll who has announced her engagement and approaching marriage to Cayce Reed of Haskell.

Dianne's sister, Darlene and Kerry Therwhanger of Megargel, were in town for a visit with her family, the Dale Carrolls and to help with plans for the happy occasion.

A wedding shower for the couple is planned for April 14 in the home of Mrs. D.I. White.

Bertie Alexander was pleased with a surprise visit from her sister, Lois Cates of Moran, who came on Tuesday for an over-night stay and brought three of Bertie's cousins, Dalia Williams, Elva Williams and Oma Ferris, all of Breckenridge.

Audra and Bob Schindler of Abilene came Monday to take her for a doctor's checkup.

Helen Boykin left on Saturday for Houston where she has an appointment with her doctor. She will spend a few days in Texas City with her son, Doyle and Rita Boykin.

Betty Sanders is at M.D. Anderson in Houston with her mother, Mrs. Ras Gideon, who will be taking treatments this week.

I had a successful cataract surgery on Friday, and have been promised "two good eyes" as a result. Thank you for your concern for me.

Teddy Gracinio underwent an appendectomy in Abilene last week. He is a kindergarten student. We are grateful things went well for him.

Alice Yates and Alta McGuire were in Benjamin last Wednesday to represent the Weinert Home Extension Club at the annual Tri-County Rally Day. They report a fun day for every-

one.

Joyce Hager, Linda Adams and Ruth Jimenez represented Weinert at the Haskell County Democratic Convention held Saturday, March 31, in Haskell.

Joyce was elected delegate to the State Democratic Convention to be held in Ft. Worth on June 8 and 9. Her husband, W.R., will attend as alternate.

Larry and Linda Sanders, Robert and Lynette, have returned to their home in Los Alamos, N.M., after a week's visit in Weinert and in Paint Creek with their parents.

Donnie Harbers, pastor of the First Baptist Church, will be in a revival at Gilliland Baptist Church on April 6-7-8.

Troy Culpepper of Haskell will be guest speaker at Weinert on Sunday, April 8. Sunday night services will be changed to 6 p.m. to allow members to attend a special service in Haskell later that evening.

The First Sunday singing of local churches of Christ was hosted by the Gorce Church of Christ on April 1, with Greg Melton, minister, in charge. Attending from Weinert were Mr.

and Mrs. Marvin Phemister and Greg and Francis Mahan.

Weinert will host the singing here on May 6, and everyone is invited.

Mark your calendars for Tuesday, April 10, and go vote. Haskell County lost delegates because of our low attendance at the polls in November '89, so let's be more aware of our voting privilege and vote each time.

School will dismiss on April 13 for Easter holiday. Students are involved this week in S.R.A. testing. UIL will be April 24 in Benjamin.

A thought for the day: One sweet virtue of love is its inclination to be blind to the faults of those loved!

Have a nice day!

## Elect FRANK MALONEY JUDGE

Texas Court of Criminal Appeals  
(Highest Court of Texas in Criminal Matters)

- Won the 1990 State Bar of Texas Judicial Poll where the judges and lawyers of Texas endorsed him as the most qualified candidate over his opponents by a **5 to 1 margin** (by over 8,000 votes).
- More than 25 years experience as a **law professor at the University of Texas Law School**, and as a **prosecutor and defense lawyer**.
- Captain, U.S. Infantry, Silver Star, two Bronze Stars, Purple Heart.
- The Dallas Morning News endorsed him as a "top lawyer...highly qualified to serve on this court" who "may have trained more current judges in the state judicial system than any other law school instructor."
- Endorsed by editorial boards of many Texas newspapers, including:

## PCA Stockholders Meeting On Tap For This Weekend

"Tumbleweed Smith" To Entertain

Rolling Plains Production Credit Association's 56th Annual Stockholders meeting will be held Friday, April 6 in Childress and Saturday, April 7 in Stamford. Registration begins at 6 p.m. with a meal served promptly at 6:30 p.m. at both sessions.

Featured this year will be the awarding of a total of \$250 at Childress and at Stamford to members in attendance whose names will be drawn in each session of the meeting. The cash is guaranteed to be awarded.

The City auditorium will be site of the Childress session, and the VIP Center, located one block west of the high school auditorium will be the Stamford meeting location.

In the business portion of the meeting, a director representing the Matador Branch office area and one representing the Stamford Branch office area will be elected. Nominees for these positions are: Matador area - H.A. (Herb) Martin of Flomot and Dean Turner of Matador; and

Stamford area - B.H. DeBusk of Anson and Lloyd Blackwell of Stamford.

Entertainer for the 1990 annual meeting is folklorist Bob "Tumbleweed Smith" Lewis, best known for his *The Sounds of Texas* syndicated radio show.

Rolling Plains PCA is one of 20 member-owned Production Credit Associations in Texas. Collectively they serve approximately 10,900 of the state's agricultural producers. At 1989 year's end the Texas District had some \$3.7 billion in outstanding loans. Rolling Plains PCA is part of the nation-wide Farm Credit System providing over \$50.6 billion in loans to America's farmers, ranchers and ag-related businesses.

During 1989, Rolling Plains Production Credit Association loaned more than 87 million to approximately 775 member-borrowers in Taylor, Briscoe, Childress, Collingsworth, Cottle, Dickens, Donley, Foard, Hall, Hardeman, Haskell, Jones, Kent, King, Knox, Motley, Shackelford and Stonewall counties.

## The Lord's Corner

by Dr. Pete Bradfield, pastor First Baptist Church

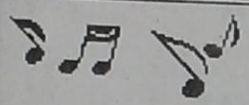

There are many verses in the Bible that would be fitting selections for the title "Saddest Passage in All of Scripture." But one verse stands out to me more than others. Leviticus 10:3, "And Aaron held his peace."

His two sons had just been killed and "he held his peace". No tears...no outpouring of grief...no lament. Just the pathetic sight of a bereaved father whose sons had never learned to respect the word of the Lord.

Parents, how are you doing in the task of teaching your children to respect God's House, to love God's Word, to obey God's voice, to listen attentively to God's spokesman?

Children have a great capacity to close their ears to advice and to open their eyes to example. It's important to obey God's Word and reverence His house.

See you next week, and remember: the price of purity is high, but impurity is dirt cheap.

BENJAMIN  
MEMORIAL  
BUILDING

Dear Precinct 4 Voters,

In a special April 10 run off election, you will be asked to cast your vote for the candidate of your choice and elect your County Commissioner. Please keep in mind as you go to the polls that the position of County Commissioner will be my only commitment if I am elected. I do not have another business nor other obligations to prevent me from giving 100% of my time and effort to being your Commissioner.

For the past two and a half years, I have worked for the county and I am familiar with some of the problems such as water crossing county roads in some low places. I will welcome comments and advice from the people in the area and will work with them to alleviate some of these problems. I realize tax dollars are limited and must be used conservatively, but by working together, I know we can make some improvements that will benefit everyone.

In my opinion, county and city officials must work together for the good of the community. I will do my best to help keep city streets in the best possible condition as well as be willing to help Munday at the dump site.

Knox County is important to me. My home is here and I am raising my two sons here. I want to do my part to help make this area the best it can be, and serving the people of Munday and Goree in the capacity of Precinct 4 Commissioner will be my first priority.

I ask for your support and your vote on April 10.

## METER TAMPERING NOW A FELONY

The State of Texas has recently adopted an amendment to the State Penal Code making meter tampering a third degree felony. A third degree felony comes with a punishment of confinement in the Texas Department of Corrections for a term of not more than 10 or less than 2 years. In addition to imprisonment, an individual adjudged guilty of a third degree felony may be punished by a fine not to exceed \$5,000.

Before the amendment of the new law, it was a class A misdemeanor for meter tampering unless the loss of service was more than \$200. Under the new law, any meter tampering regardless of the amount of loss is now a felony of the third degree.

Meter tampering consists of, but is not limited to:

- (1) Diverting electricity from passing through a meter device.
- (2) Preventing electric service from being correctly registered by a meter device.
- (3) Unauthorized activation of electric service.

As a special note to our members, it will also be considered meter tampering if a meter is reset and electrical service is restored by anyone other than a Cooperative employee.

All Cooperative meters are sealed. This seal should not be cut or broken without special authorization. In cases where the seal must be cut for emergencies, the Cooperative should be notified as soon as possible so that the meter can be resealed.

**MAUNDAY THURSDAY**

Maunday Thursday is considered to be the day that Christ and the disciples ate the Passover meal in the Upper Room. Maunday comes from the Latin word mandatum, meaning command. It's origin is found in the footwashing ceremony that John describes in Chapter 13, verses 3 through 5 and 12 through 17: "Jesus knew that the Father had put all things under his power, and that he had come from God and was returning to God; so he got up from the meal, took off his outer clothing, and wrapped a towel around his waist. After that, he poured water into a basin and began to wash his disciples' feet, drying them with the towel that was wrapped around him...When he had finished washing their feet, he put on his clothes and returned to his place. "Do you understand what I have done for you?" He asked them. "You call me 'Teacher' and 'Lord', and rightly so for that is what I am. Now that I, your Lord and teacher, have washed your feet, you also should wash one another's feet. I have set you an example that you should do as I have done for you. I tell you the truth, no servant is greater than his master, nor is a messenger greater than the one who sent him. Now that you know these things, you will be blessed if you do them."

As this story begins the disciples are arguing among themselves, saying who was going to sit next to Christ in the kingdom. Jesus, who knew what was about to happen to him, decided that in order to get their attention and stop the arguing he would have to do something unexpected. It was the custom then that

the servant of the household wash the dirt off of the feet of the traveler before the household sat down to a meal. It has been assumed by many commentators that the disciples usually took turns doing the menial, mundane tasks of every day living, but this particular night they were all so busy arguing that none of them would offer to do this task as they entered the upper room to eat the Passover meal. So Jesus, in order to get them quiet, rose from the table, got a towel and wrapped it around his waist, poured water into the basin and began washing their feet. As they watched Jesus make these preparations and begin, not one of them spoke up to volunteer for this task.

This must have surprised the disciples, but it did get their attention. Peter was not going to let Jesus wash his feet but Jesus answered him "What I am doing now you do not know (understand) but afterward you will understand."

Often in life we have to be content with that type of answer. We don't understand why someone we love dies or becomes very ill. We have to leave everything up to God and trust him to know what we need, when we need it.

Peter was stubbornly refusing to let Jesus wash his feet when Jesus said, "If I do not wash you, you have no part in me." (John 13:8). In other words, if you don't let me do this, you can't come into the kingdom with me. Peter, afraid of that statement, then wants Jesus to wash him all over. Jesus patiently explains that he has bathed and is clean, except for the dirt which has collected on his feet during the day's activities. He is teaching that once we have accepted him and agree to follow him, our sins are washed away, except those we gather from day to day, and we must have them washed off daily. By prayer we can have this cleansing.

Some modern day churches still celebrate Maunday Thursday with a foot washing ceremony, followed by the taking of communion, as this was the last food Christ ate before his death. Good Friday is a day of prayer and fasting for many and often times these people fast until Easter Sunrise, to celebrate the RISEN SAVIOR!

The First United Methodist Church will be conducting services during the week of lent, April 8-11. See the ad elsewhere in this issue of the Courier for time and a list of guest speakers.

**Tax Seminar For New Business Owners Planned**

Comptroller Bob Bullock has announced a tax seminar designed especially for owners and managers of new Texas business to be held in Wichita Falls on Tuesday, April 10.

"Most new business owners have lots of questions about their responsibility as Texas taxpayers. These seminars will help new taxpayers understand the Texas tax system, and it will familiarize them with tax returns and other forms," Bullock said.

Enforcement officer John Deluna will be at the Wichita Falls field office, 3108 Fre Mar Vally, from 6 - 8 p.m. New and old taxpayers are welcome to attend; there is no charge.

Wichita Falls area taxpayers who can't attend the seminar or have questions about Texas taxes can still get individual tax assistance by calling the comptroller's toll-free number 1-800-252-5555, from anywhere in Texas.

**Deadline Set For 1990 Family Land Heritage Program**

July 30 is the deadline for long-time Texas farm and ranch families who want to apply in 1990 for recognition by the Texas Department of Agriculture's Family Land Heritage Program, according to Agriculture Commissioner Jim Hightower.

Those farm and ranch families who are certified by TDA as maintaining their property in continuous agricultural production for 100 years or more will be recognized at a ceremony in Austin on October 11.

"The Family Land Heritage Program recognizes much more than mere ownership of a piece of land," Hightower said. "It also helps to chronicle the uniquely personal histories of this state's agricultural pioneers - a proud record which might otherwise be lost forever."

Since it was launched by TDA in 1974, over 2,400 properties throughout the state have been enrolled in the program.

Texas residents may apply for Family Land Heritage recognition if they can trace the line of ownership of their property since 1890 or longer and can show that the land has been in continuous agricultural production for 100 years or more.

Application forms and additional information about the program are available from county judges, the chairs of County Historical Commissions, all TDA district offices, or by writing the Family Land Heritage Program, Texas Department of Agriculture, P.O. Box 12847, Austin, TX 78711.

#### NOTICE OF RIGHT TO NOMINATE BY PETITION

The Farmers Home Administration (FmHA) is accepting nominations for County Committee elections for Knox County. This notice is issued to inform eligible voters of the right to nominate candidates by petition. Copies of the petition and instructions on its completion can be obtained from your local FmHA office.

Persons nominated should have an interest in a farm as an owner, tenant, or sharecropper within the county or area in which activities of the county or area committee are carried out. They must be citizens of the United States or aliens lawfully admitted to the United States for permanent residence, and be well qualified for committee work. Spouses of those persons who meet the eligibility criteria are also eligible for nomination for election to the county committee. Nominations must be received in the FmHA County Office in Knox City no later than May 19, 1990. FmHA committee elections are open to all eligible voters without regard to race, color, religion, national origin, age, political affiliation, marital status, sex and/or handicap.
